Explore The Ways To Show You Care This Mother's Day

Mother's Day is the one day each year when men, women and children across the country gather to honor the mothers in their lives. Though it can be challenging to find new and unique ways to display your affection for Mom on Mother's Day, rest assured that sometimes the simplest concepts are the ones mothers most appreciate. This year, look no further than the following ideas for some inspiration as you aim to make this Mother's Day as special as possible for the mother or mothers in your life.

• Give the gift of sweet treats. What better way to highlight mom's sweetness than with some delicious treats made just for her? Whether you decide to whip up some homemade confections in the kitchen or visit a nearby store for something decadent, mom will no doubt appreciate the chance to indulge on her big day. Moms who prefer cookies and portable snacks will no doubt enjoy Pocky and Péjoy biscuit sticks. These tasty snacks from Gilco are dipped or filled with popular flavors, such as chocolate and strawberry, and are now available with green tea cream. Pair with a cup of tea, coffee or whichever beverage mom prefers to complement her favorite treat. Pocky is available in most grocery stores, and can typically be found in the Asian food section.

• Make a meal to remember. Mom deserves a night off from dinner detail, and while dining out is an option, a homemade meal may come across as more intimate and heartfelt. Thanks to kitchen appliances that make it easier than ever to prepare gourmet meals at home, you can now make restaurant-style meals in your kitchen without sacrificing restaurant-quality taste. For example, new tacook Rice Cookers from Tiger Corporation do more than just perfectly steam rice. They also incorporate synchro-cooking to cook two different items at once. Present mom with her favorite Asian-inspired poultry-and-rice dish or use the cooker to easily bake bread or steam a side of vegetables. Pair the meal with her favorite wine and make sure you handle all the cleanup.

While mom waits for dinner to be served, a soothing cup of tea can set the tone for a relaxing evening. The Tiger Hot Water Kettle boils water in seconds. With three temperature settings and a de-chlorination cycle for removing chemical tastes and odors, the kettle allows mom to quickly enjoy a cup of her favorite brew. These kitchen essentials are available at Bed, Bath and Beyond.

• Plan a Mother's Day picnic. Busy moms may look forward to a break from the bustle of daily routines. An afternoon picnicking outdoors can be the ideal way to enjoy a special Mother's Day. Plan an easy menu of foods that have portability. It's easy to transport hot or cold foods when you have Tiger Stainless Steel Thermal Wares on hand. A refreshing fruit salad can be kept cool for about 8 hours. If mom prefers pasta primavera, the thermal container can keep it warm and ready until it's time to enjoy.

Gift giving is made easy when you tap into the things mom likes. Learn more about these gift ideas and more at www.pocky.com and <http://usa.tiger-corporation.com>.

Smell the Coffee

A grandmother was surprised by her seven year old helper early one morning. Her grandson had made her coffee!!

She drank what was probably the worst cup of coffee in her entire life. And when she got to the bottom, to her utter amazement, there were three little, green, plastic, Army men in her cup.

Puzzled, she asked, "Honey, what are these little Army men doing in my coffee?"

Her grandson proudly answered, "Oh Grandma! You know how it says on TV, 'The best part of waking up, is soldiers in your cup!'"

Gretna To Hold Strawberry & Wine Festival May 13

The Merchants Association of Gretna, in partnership with Chatham Rotary Club, will sponsor the 2017 Strawberry & Wine Festival Saturday, May 13. The event, now in its fifth year, will be held from 11 a.m. until 6 p.m. at J.T.'s at the Lavelette House at 415 Main Street in Gretna, Va. (Please note return to the original location.)

The festival also will commemorate Pittsylvania County's 250th anniversary. Featured will be wine tastings from eight wineries: Chateau Morrisette, Rebec Winery, The Homeplace Vineyard, Tomahawk Mill Winery, DeVault Vineyards, Greenwood Winery, Peaks of Otter Winery, and Sans Soucy Vineyards.

Motley's Strawberry Farm will sell fresh strawberries and strawberry shortcake.

Uprooted, T&E's, and MayLynn's Creamery will offer gourmet eats and treats.

Local favorite Michelle Motley along with J.B. and the Get Down Browns will provide entertainment.

The merchants association will sell wine yokes (glass holders), t-shirts, and totes.

Vendors will offer custom-made wine racks, grapevine wreaths, jewelry, painted glass, wind chimes, and other items.

Tickets, which include a free souvenir wine glass, are \$15 in advance and \$20 at the gate. Admission is \$5 for non-tasters. Children 16 and under will be admitted free. Advance tickets are available in Gretna at Edward Jones, Insurance Junction, El Cazar, Tyler Flower Shop, and American National Bank and Trust. Tickets also are available at Miller's Jewelry in Altavista, and The Homeplace Vineyard in Chatham, and Danville Toyota.

Salome's Stars

ARIES (March 21 to April 19) A stubborn refusal to go ahead on a project mystifies colleagues who expected more flexibility. But once you explain your position, they'll understand and even applaud you.

TAURUS (April 20 to May 20) A relationship seems to be stuck in the same place. Now it's up to you, dear Bovine, to decide how far you want it to go and how intense you want it to be. Choose well and choose soon.

GEMINI (May 21 to June 20) A relationship progresses more slowly than you would prefer. Best advice: Insist on a frank and open discussion. What is learned could change minds and, maybe, hearts.

CANCER (June 21 to July 22) It's all right to be grateful to a workplace colleague who has done you a good turn. But gratitude shouldn't be a life-long obligation. The time to break this cycle is now.

LEO (July 23 to August 22) It's going to be especially nice to be the King of the Zodiac at this time. A recent money squeeze eases. Plans start to work out, and new friends enter Your Majesty's domain.

VIRGO (August 23 to September 22) Before you make a commitment on any level (personal, professional, legal), get all the facts. There might be hidden problems that could cause trouble later on.

LIBRA (September 23 to October 22) Personal relationships improve. Professional prospects also brighten. A job offer could come through by month's end. An old friend seeks to make contact.

SCORPIO (October 23 to November 21) Your senses detect that something is not quite right about a matter involving a workplace colleague. Best advice: Follow your keen instincts and don't get involved.

SAGITTARIUS (November 22 to December 21) A prospect offers rewards, but it also demands that you assume a great deal of responsibility. Knowing you, you're up to the challenge, so go for it, and good luck.

CAPRICORN (December 22 to January 19) A favor you did a long time ago is repaid, as a trusted colleague steps in to help you with a suddenly expanded workload. A family member has important news.

AQUARIUS (January 20 to February 18) A new job offer could require moving across the country. But before you let your doubts determine your decision, learn more about the potentials involved.

PISCES (February 19 to March 20) Your sense of fair play doesn't allow you to rush to judgment about a friend who might have betrayed you. Good! Because all the facts are not yet in.

BORN THIS WEEK: You have a romantic nature that allows you to find the best in people. You would excel at poetry and drama.

Happy Mother's Day to my beautiful guardian angel in Heaven, my mother, Sally Frances Ayers 8-4-30 to 8-17-11

No words I write can ever say how much I miss you everyday. As time goes by, the loneliness grows, how much I miss you, nobody knows. I think of you in silence, I often speak your name. But all I have are memories and a photo in a frame. No one knows my sorrow, no one sees me weep. But the love I have for you, is in my heart to keep. I've never stopped loving you, I know I never will. Deep inside my heart, you are with me still. Heartaches within the world are many, but mine are worse than any. My heart still aches as I whisper low "I love and miss you so". The things we feel so deeply are often the hardest to say. There is a place in my heart that no one else can fill. I love you so, my precious mom. Corey misses you more and more each day. He says "Tell my grandma I love her."

Til we meet again at the pearly gates in Heaven, you are my guardian angel. Sadly missing you! Love, Carolyn (daughter), Corey (Grandson), & Nosey

1. Gary Puckett & The Union Gap, in 1968. The group wore Civil War Union Army uniforms on stage.

Springtime Grilled Parmesan Asparagus with Bacon
Ingredients

- 1 Bunch of Asparagus
- 6 Slices of Bacon
- 1/4 Cup of Shredded Parmesan Cheese
- 1/2 Cup of Cooking Oil
- Salt and Pepper to Taste

Directions
Trim about an inch off the bottom of the asparagus. Before cooking asparagus, use cooking oil on the grill to prevent scorching and sticking. Continually flip and move asparagus on the grill until grill marks are present and the stalks are tender. Usually takes less than 5 minutes. Cook bacon until crisp using any preferred method. Just before plating, crumble crispy bacon and shredded Parmesan over the asparagus. Salt and pepper to taste; serve.

Nana Karen's Pasta Salad
Ingredients

- 1 lb. Bowtie Pasta
- 1 Medium Cucumber
- 1 Red Bell Pepper
- 1 Yellow or Orange Bell Pepper
- 1 Red Onion
- 1 Bottle of Favorite Italian Dressing
- 1/2 lb. Fresh Broccoli
- 1 Large Tomato
- Salt and Pepper to Taste

Directions
Cook pasta al dente. Drain, rinse, and cool. Dice all vegetables in 1/4 inch cubes. Toss diced vegetables, pasta, and dressing together in a large mixing bowl. Season with salt and pepper to taste and serve.

Heritage Academy Hosts 2017 Golf Tournament

Yanceyville, North Carolina - Heritage Academy hosted its 2017 Heritage Academy Golf Tournament on Saturday, April 29, 2017 at the Caswell Pines Golf Course, Yanceyville, North Carolina. The four person Captain's Choice tournament featured spectacular weather on a challenging course. 17 teams participated.

The top three winning teams were recognized in the final standings.

The first place team of Butch Cassada, Steve Chromy, Jason Yeatts and Ramsey Yeatts won seven days of 18-Hole ANY DAY greens fees at Good-year Golf Club and a dozen TaylorMade TP5 X golf balls for each member.

The second place team of Chad Anderson, Ed Fulton, Brad Haymes, and Kyle Hoehne won weekday greens fees to Caswell Pines Golf Club and a dozen Slazenger golf balls per member.

The third place team of Philip Clay, Chuck Easley, Drake Easley, and Rickie Rowles won four \$25 gift cards to Chick-fil-A.

“It was an exciting day for our golfers, and it was an exciting day for Heritage Academy,” Ann Haymes, Heritage Academy head of school, said. “We are thankful to the golfers, sponsors and supporters for making our 2017 tournament a great success. Heritage Academy advances as a school based on your support and the ongoing support of the community. It was a great event for the academy.”

While Heritage Academy is a tuition based school, tuition does not cover all the funding needs for the Academy. Heritage relies on community support. The funding is used to support children's programing, special events and general Academy needs.

Heritage Academy had three tournament sponsors this year. Tournament sponsors included B & L Construction, Hammock Dairy and Haymes Brothers. The sponsors supported a BBQ tournament lunch and other tournament needs.

38 local businesses provided tournament hole sponsorships. Those businesses include: Lester Auto Sales; Motley Dairy; Bobby & Shirley Riddle; BlueRally Marketing; Scott Funeral Home; Romar Elevators; Piedmont Shopper; Norris Funeral Service; Charles & Elizabeth Cabello; Brookside Farms; Justin & Amanda Scarce; Craig & Denise Rogers; Phyllis Farris; Emerson Road Farms; VanDerHyde Dairy; J. W. Squire Co, Inc.; Presenting You, LLC; Davenport & Company, LLC; Piedmont Credit Union; J & J Trucking; Pruitt & Sellers Insurance Agency; Triangle Cycles North; M & W Flower Shop; Mastercraft Casket Co.; Susie's Auto Center; Callands Tax Service; First Piedmont Corporation; Wrenn Yeatts Funeral Homes; Danville Decks; Mecklenburg Electric Cooperative; Hammock Dairy, Inc.; Collie Equipment Co.; Harris, Harvey & Neal - Vaden L. Wright, CPA; Adkins Concrete, Inc.; Gene & Linda Sullivan; Danville Dental Associates;; Jason & Sharon Yeatts; and VIR (Virginia International Raceway).

“Heritage Academy strives to provide a Christian school with strong foundational coursework,” said Haymes. “So many supporters have stepped forward this year to strengthen our mission and advance the school. I want to thank all the businesses, players and supporters who helped make the 2017 tournament a big success. Each of you are very important to Heritage Academy.”

Heritage Academy is among Pittsylvania County's foremost Christian day schools. Heritage provides students a strong Christian educational environment focused on character development, service to others, and good citizenship. The Academy serves students in preschool, Kindergarten and 1st - 8th grades. It supports a traditional curriculum taught in a Christian environment dedicated to God.

Studies have shown that music can have a beneficial impact on both mental and physical health. In a meta-analysis of 400 studies, researchers at McGill University in Montreal found that music can reduce stress and boost the immune system. That's because listening to music increases the body's production of immunoglobulin A, an antibody that plays an critical role in the function of the immune system and cells that attack viruses. A 2013 study even found that music can help children during visits to the emergency room. Researchers at the University of Alberta studied 42 children between the ages of 3 and 11, discovering that those who listened to relaxing music while having an IV inserted reported less pain than children who did not listen to music. In addition, children who listened to music during the administration of the IV exhibited less anguish than the children who did not listen to music. Healthcare workers even noted the ease of administering IVs to children who were listening to music compared to patients who were not listening to music.

THE HISTORY CHANNEL

* On May 26, 1907, John Wayne, an Oscar-winning actor who came to epitomize the American West, is born in Winterset, Iowa. His career started with a job as an assistant prop man on a movie set.

* On May 25, 1977, China's communist government lifts its decade-old ban on the writings of William Shakespeare, providing further evidence that the Cultural Revolution was over.

* On May 28, 1987, Matthias Rust, a 19-year-old amateur pilot from West Germany, takes off from Helsinki, Finland, travels through more than 400 miles of Soviet airspace, and lands his small Cessna aircraft in Red Square by the Kremlin. VETERANS POST

by Freddy Groves

VA Fraudsters Go Down in Flames

Here's a clue to those who would seek to claim veterans benefits for blindness: Don't drive yourself to your doctor appointments.

That's just what one veteran in Kansas did. He received monthly benefits (from 2009 to 2016) because he claimed to be blind and needed help with everyday activities, like reading pill bottles and getting to appointments.

In October, he was seen being helped out of the car by his wife before a doctor appointment, and she helped escort him inside. Afterward she helped him back to the car. So far, so good ... except that a few blocks away he was seen getting out of the car, swapping seats with his wife and driving off. Subsequent investigation revealed that he drove everywhere and even had a state driver's license, which did not indicate he even needed glasses.

If convicted, the veteran and wife could get five years in prison (and a \$250,000 fine) for conspiracy, and 10 years for theft, as well as another \$250,000 fine. The total benefits he stole came to \$63,000.

Not far away, a Missouri man, age 80, was charged with health-care fraud. He ran a medical testing center that, among other services, provided disability exams to veterans to determine their level of impairment and eligibility for benefits. When the center's doctor left in 2013, another man (age 74) was recruited to do the exams, in violation of the center's contract with the Department of Veterans Affairs.

This second person was a defrocked ex-physician who'd lost his license to practice due to an earlier fraud scheme and drug distribution charges. Someone snatched and some of the veterans had to be re-examined and their claims reviewed.

Both men likely will go to prison for a very long time, all for submitting \$39,155 in claims for fake exams.

To those planning to defraud the VA: don't. You will be caught.

*DIY glass cleaner recipe: Mix equal parts water, white vinegar and vodka in a spray bottle. This works as a deodorizing spray as well as a glass cleaner.

* "When I clean the bathroom, I always clean my mirror last, and then I use the paper towel with Windex on it to give the light switches and door-knobs a quick swipe before I toss it. Also, I sometimes run it across the towel bars and the toilet paper holder to remove dust." -- C.E. in Georgia

* Fill a small spray bottle with rubbing alcohol. Lightly spray earbuds and brush crevices with a soft, clean toothbrush. Do this regularly to protect your ears and your buds.

* "Kids love bubbles, but what parent loves constantly fishing out the bubble wand from a bottle of bubbles? A simple hair clip will do the trick. Just clip it around the wand so that it cannot go all the way back in the bottle. When you're ready to put the bubbles away, it's easily removed." -- M.E. in Florida

* Need to clean the microwave? Here's another recipe: Add several teaspoons of fresh lemon juice to a bowl of water (at least 3 cups), and place in microwave. Heat to boiling (five minutes), and leave in microwave for two additional minutes. Remove bowl, and wipe sides with a clean cloth.

* Experts say that if you need to ripen an avocado, wrap it uncut in aluminum foil, and place it in the oven at 200 degrees Fahrenheit for up to 10 minutes. Remove, cool and slice.
