Marge Cleveringa, of Iowa Falls, is the longest employee of the Emporium at 144 Lakeshore in Arnolds Park. She was back in Arnolds Park on July 29, 2015, to work 5 minutes. Due to recent health issues, Marge is not working this summer at the Sugar Shack Candy Store that her family started when the Emporium opened 45 years ago. The present owners, the Daughertys, invited her to the Staff appreciation dinner at Rabab's At The Lake and she joined the staff for dinner and then worked for 5 minutes with her niece Laura Boreen from Flagstaff, Arizona. She said she did not want to break her record of being the longest employee at the Emporium. Many came in to the candy store looking for Marge this year but she has not been there. She has returned to Iowa Falls after visiting her sister, Ruth Ann Van Donslear from Milford. She transported her great nephew, Luke Van Donslear, back to Iowa Falls. With her in the candy store were Luke, Rio Lemkuil and Gou Lemkuil of Tokyo, Japan, to witness her 5 minutes of working at the busy candy store on Wednesday evening. Owner, Jerry Daugherty, was also at the candy store.

2015-2016 Youth In Philanthropy Application Online

The Okoboji Foundation Youth in Philanthropy Initiative is an annual program for high school students intended to empower them to make a lasting positive impact in our Lakes Community. The 2015-16 Youth in Philanthropy Application is available on the Okoboji Foundation website through September 11 at www.okobojifoundation.org Click on YOUTH Tab.

Students receive community service hours as they learn about the work of the Okoboji Foundation and other nonprofits in the Lakes Community. Tentative nonprofit highlights for 2015-16 include Historic Arnolds Park Roof Garden Renovation & 125th Time Capsule, Dickinson County Conservation's Fish Barrier between Center and West Lake, Lake Okoboji Methodist Camp Aerial High Ropes Confidence Course and a hands-on community service project assisting Upper Des Moines Opportunity with their holiday season programs. Students also participate in fundraising for their own grant process and recommend awards to vital nonprofit projects.

All high school students interested in personal development, community awareness and leadership skills are invited to apply. YIP participants from previous years are invited to reapply. All applications will be read and scored by YIP Steering Committee without knowing names of the applicants. Up to 25 students will be selected to participate.

Eligibility: Students who attend Okoboji, Spirit Lake, or Harris Lake Park High School in Dickinson County Iowa are eligible. Applicants should commit to attend YIP meetings one Wednesday per month from 6:00 - 7:15pm from October through May.

- Applications must be received on or before: September 11, 2015
- Students will be contacted by email and/or phone supplied on application with further information about participation by September 21, 2015.

Through the generosity of community donors, Youth in Philanthropy has received \$120,000 in sponsorships since 2010 and awarded YIP Grants to assist with these capital projects:

- Fish Barrier between Center & West Lake Okoboji by Dickinson County Conservation Dist.
- Aerial High Ropes Confidence Course at Lake Okoboji Methodist Camp
- 125th Anniversary Time Capsule at Historic Arnolds Park, Inc.
- Performance Technology Upgrades at Pearson Lakes Art Center
- New Kennel, Cattery & Entry Doors at Humane Society of NW Iowa
- Walking Trail along Miller's Bay at Lakeside Lab
- Disc Golf Course at Kenue Park
- Spirit Lake Kiwanis Splash Pad in Memorial Park
- Essential Ceiling and Wall Repairs at Discovery House
- New Chapel Roof at Camp Foster YMCA

Update SPACE/Mainstreet Market

The Spencer Alliance for a Creative Economy is pleased to announce the dates and live music scheduled for the five arts, farmers market, and entertainment events of the summer for 2015.

- August 6 - Society of Broken Souls (formerly "Truck Stop Souvenir")
- August 13 - Open Mic/Spencer Municipal Band

Mainstreet Market events open to the public at 5:00pm each night, with music performance beginning around 6:00pm and concluding at 8:00pm. August Is What We Wait For

This month is what we live for good readers. As awful as February is; that is how sweet August is on our lakes. Whether it be swimming at one of the many beaches or just lazing around the lake in your boat, the point is this is the sweet spot on our calendar. Gardens are in full bloom and the fruit trees are starting to produce ripe fruit. The vegetables are abundant. These days are commonly referred to as the dog days of summer. A period of days as Orion's Dog "Sirius" rises with the sun. A time best spent at the beach or taking an afternoon nap. The Greeks have noted this period on the calendar since 750BC and the Romans referred to this period as "Dies Caniculares" days of the Dog Star, Canis. The "dog days" end about the time the meteor showers begin in the middle of the month.

Exotics: Special Treats

You need a keen eye and a varied palate to catch some of the special treats that our gardeners produce. This weekend I have sampled mini-apricots, an apricot pie, plus mini-yellow plum tomatoes. Now there are specialty beans, radishes, tomatoes and roots crops grown that you will never see in the grocery store. Grown for the superb taste, these edibles are a gift. How about a yellow raspberry? Or a white radish? Maybe some ground cherries for a snack? But then, where do I leave off? Did I mention orange beets? The market is blessed with so many world class gardeners and growers that the best way to sample the exotics is to get there early and purchase something that you have never tried, including turnips!

Baking And Best Practices

What can I say, the baker vendors are talented. Pies with crusts made from lard and flour, twice kneaded French breads, Umbrella brownies, (what are umbrella brownies Mike? Well the baker hands out umbrellas because the angels cry because they cannot eat it) and cookies. It is the decades of technique that makes these baked treats so delicious. Small batches and great skill are on display every single time. Next week, let's take a look at melons. Until then... Eat Well.

Boji Bantam Presents The Commedia Rapunzel

Boji Bantam's Children Theatre (Okoboji) final production of the summer will be the fairy tale, Rapunzel, set to a fantastic new spin! Rapunzel will feature four student actors as they portray four different Italian actors, who in turn are putting on a show of Rapunzel. The high-energy cast brings lots of laughs to a familiar fairy tale with a fantastic new spin! Told in the style of Commedia Dell'Arte, a physical style of farce, this version of Rapunzel is different than any you have ever seen. Commedia Dell'Arte is a form of theatre dating back several centuries to Italy with touring troupes. Come and "let down your hair" at Boji Bantam's closing play that's full of physical comedy and witty fun.

Rapunzel will be Wednesday, August 5 through Saturday, August, at 10:30 am. It is suggested you arrive at 10:00 am when the doors open because seats fill up quickly. Tickets (\$5) may be purchased at the OST box office at 2001 Highway 71 North, Okoboji, or 712-332-7773. If you would like to bring a large group, call the Box Office for group seating, otherwise it is general seating.

Park adds Friday Hitchville concert

Since Monday night's *New Sousa Band* concert was to take place almost 24 hours after our *RAMBOLing* deadline, there is nothing we can tell you about the concert itself. What we can tell you is that Keith Broin, the founder and conductor of the *NSB*, was an absolute delight to work with in advance, as were all others involved.

Regardless of the venue (Broin did his homework on the SAMI Center!) we too frequently run into performers or promoters who think their presence alone is all it takes to draw an audience. With all that's going on here, that's certainly not the case. And in this era of digital communications, it's a lot easier (and much less expensive) than it was years ago to distribute PR materials. Next week we'll be able let you know about the *NSB* show. In the meantime...

Although the *Jazzed Up Big Band of Okoboji* is already on winter hiatus, Glenn Henriksen will be performing tonight (Tuesday), at 7:00, at his place, across from the former Presbyterian church in Spirit Lake. Glenn told us last week that he expects Wednesday night's solo show will start about a half-hour late due to an out-of-town gig earlier...

The *Itty Bitty Boji Band* is set to start on time, and play from 7 - 9:00, Wednesday night at Table 316 in Arnolds Park — its home away from home... Wednesday night will also see Debbie Ankeny (and Friends) performing in the Lakeview Room at The Inn, from 7 - 9:30...

Two farmers' markets will feature entertainment Thursday night, in addition to Kris Karr's 6 - 8:00 show at the Little Swan Lake Winery. Estherville's *Music on the Square* will see *Jessie James and The Outlaws*, from 5 - 7:00, downtown, on Library Square. And the *Society of Broken Souls* (fka *Truckstop Souvenir*) will perform on the Clay County Courthouse grounds, from 6 - 8:00...

The *Rock the Roof* show that is perhaps the most popular each year, falls on Thursday night, too, in the Roof Garden at Arnolds Park. The *Iowa Rock 'n' Roll Music Association* will be featuring the *TJ Express* and *Elvis* night. Would you believe there are still four Elvis wannabees on Campus? The fun starts at 6:00...

Boji Bay Fun House and Pavilion in north Milford will be presenting *3-D In Your Face*, Friday night, from 7 - 10:00. *3-D...* is an 80s 'hair' band that features a rotating drummer! Arnolds Park will also have a Friday show this week, with *Hitchville* joining the Live at the Lake line up starting at 7:30. But Millie Kittleson's scheduled performance with the 3-Ks -- including niece Billye Jane Kruse and nephew Bryon Kittleson -- has been scratched from the schedule at The Inn...

The *Itty Bitty Boji Band* will move its equipment to the Barefoot Bar for a long Saturday afternoon show, from 2:30 - 6:30; while Arnolds Park's regular Saturday night show in Preservation Plaza will feature the *Big Blue Sky Band*...

After being a part of *Spencer's Backyard Bach and Blues* fund raiser for Spencer's Arts on Grand, Saturday night, Damon Dotson is expected to be up in time to trek to the Little Swan Lake Winery, Sunday afternoon, from 4 - 6:00...

And, as always through the summer months, the *Dick Bauman Big Band* will be performing Monday night, from 7 - 9:00, at the Pearson Lakes Art Center...

Rosemarie Ward very politely took us to task for not explaining here two weeks back that it was a \$3,700 grant from *Humanities Iowa* and the *National Endowment for the Humanities* that sponsored Mary Badham's visit to the Okoboji Summer Theatre. Badham, who won an Academy Award nomination for her role in the 1962 movie version of *To Kill a Mockingbird*, was a part of the Friday night *Okoboji Summer Theatre* presentation of ... *Mockingbird*, with two meet and greet sessions before the show; and a talk-back that included the cast following the show.

Just for the record, we weren't picking on *Humanities Iowa*. While it's probably a good idea to let readers know what becomes of their federal tax dollars, in more than 50 years of work in print we have intentionally avoided citing event sponsors. We also expected the *OST* news release to be printed elsewhere in the same edition with *The Humanities Iowa* note -- and it was.

Many sponsoring organizations justifiably require beneficiaries to include a sponsorship note in all advertising. The *OST* ad we saw did that. But such notes in a column like this become cumbersome and lacking in reader interest.

Another local not-for-profit that had a major event that same week listed well over 100 "generous friends and benefactors" in its promotional material. That's all well and good. But we don't recall seeing that information in any columns. Nor did we hear the lengthy list on the radio. If it was there, we must have tuned it out.

It has been interesting for us to find that Minnesota has a system to support local arts organizations that uses a small sales tax levy for funding. The grants require a promotional message on all paid advertising that reads much like the pages of small print disclaimers you see in magazine ads for pharmaceuticals. Again, while it might be good to recognize the source of the tax money involved, the disclaimer nearly doubles the time and cost of radio ads without adding any promotional value for the event.

Rosemarie had a couple of valid reasons for bringing her concern to our attention. First, she has served well on the *Humanities Iowa* board, and she encouraged the *OST's* Ruthann Burke to apply for the tax money that more often goes to the more populous cities on the other side of the state. We, too, were glad to see the funds used here.

Rosemarie also mentioned that her granddaughter was named after the Scout character in Harper Lee's book and the movie -- and lives not far from the 92nd Street YM-YWHA (Cultural Center), in Manhattan, where she heard Badham speak just a week or so before she spoke here. It's a small world...

You are invited to join the *Old Professor for Ballads, Blues and Big Bands*, too, at *Class 105*, *The LIVE Broadcast from the College of Musical Knowledge at the University of Okoboji*. *Class 105...* airs Sunday mornings from eight 'til noon, on 105.7, KRAQ-FM. All the news that fits, we print. Please send your music-related announcements or comments to: class105@connect.com or P. O. Box 676, Okoboji, Iowa 51355-0676

John Jinx Hits the Twins

I apologize to all the Minnesota Twins fans for jinxing them with my article in our July 14th paper praising the team for their turnaround from the previous four seasons. My article was written at the time of the All-Star Break when the Twins were 49-40 and only 4.5 games out of first place. Since my article, the Twins are struggling along with a 5-10 record, dragging their overall record down to 54-50 and pushing them 8 games behind the AL Central leading Kansas City Royals. The Twins had a phenomenal record at home before the All-Star (AS) Break but were just 3-6 during their last home stand, which has led to the slide.

I am aware that my jinx is just part of the problem with the Twins. Glen Perkins, who was pretty much automatic before the AS Break, saving all 28 of his opportunities, has recently shown that he is human, going 0-2 with a 9.45 ERA in his last seven games, including three blown saves during this stretch. Another reason the Twins are struggling is they aren't scoring any runs. The Twins have now scored three runs or less in 9 of their last 15 games and managed just five runs in their final three games against a very mediocre Seattle Mariners team. With that offensive output it is amazing that Minnesota has managed to win 5 games since the AS Break, showing that their starting pitching has remained solid.

The Twins must believe in this roster, as general manager Terry Ryan made only one move before the trade deadline, acquiring right-handed reliever Kevin Jepsen from Tampa Bay for two minor league prospects. There is no doubt that the Twins need help with a set-up man in the bullpen, but I was hoping that they would make a bigger move than this. There was reported frustration in the clubhouse after the Toronto Blue Jays (who are just 1 game behind the Twins for the second AL Wild Card spot) made two huge moves before the deadline, acquiring shortstop Troy Tulowitzki from Colorado and ace pitcher David Price from Detroit. I am not giving up hope on the Twins just yet, hoping that my jinx will be lifted and that they are just hitting a rough patch, but I am not too optimistic that they can hold on to their Wild Card lead. Not only is Toronto hot on their heels, but there are six other teams within 3.5 games of the Twins for this last playoff spot. As I find myself getting down on the Twins for their recent slide, I must remind myself that when they started 1-6 this year I told several Twins' friends that I would be happy if they could just play around .500 and be fun to watch again. The Twins have done that this season, and now that my jinx is hopefully lifted, they will return to their pre-AS Break form and make a run at the playoffs!

Okoboji Summer Theatre Presents Fiddler On The Roof

The Okoboji Summer Theatre will close their 58th season with one of the most popular musicals of all times, *Fiddler on the Roof*, August 11-16. Tickets (\$20) may be purchased at the OST box office at 2001 Highway 71 North, Okoboji, 712-332-7773, or boxoffice@okobojisummertheatre.org. Two talented women will return to OST as directors of *Fiddler*; Allison Bibicoff and Nancy Epoch. Bibicoff directed *Spelling Bee* last season, and returns to Okoboji with recent assistant choreographer/associate producer experience from the east coast of Broadway to the west coast of LA and film. Guest musical director, Nancy Epoch, returns to OST where she has been the musical director for many shows since 1992, with her last two shows being *Little Women* and *Chicago*.

Iowa Homes Selling Fast, Sales Climbing in June and Second Quarter

The good news just keeps getting better if you are selling your home in Iowa. Sale prices and number of homes sold continue their upward trend. Sales increased almost 10 percent and average days on market reached a new 3 year low according to the Iowa Association of REALTORS®.

Homes continue to sell at a fast pace in most communities. Days on market dropped to 69 in June, which is the fastest rate in over 3 years. This is a 14.8 percent improvement from June of 2014.

Sales increased 9.7 percent from a year ago. 4,749 homes were sold last month as compared to 4,329 homes that sold in June 2014. Active listings were up 3.7 percent and Pending listings were up 7.6 percent when compared to last June.

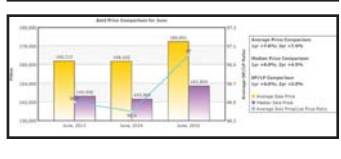

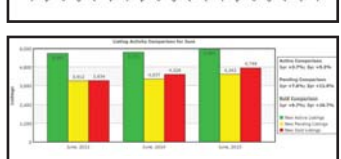

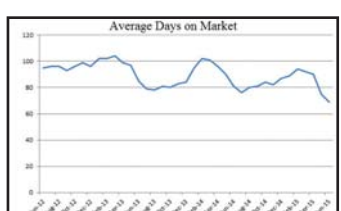

The IAR's 2015 June Housing Trends Report shows the median sale price rose 6.0 percent. In June 2014 the median sale price was \$143,900 while the median price last month was \$152,500.

"The second quarter statistics demonstrate the strong housing market we have had in Iowa this year. In fact, the second quarter of 2015 shows a higher number of sold properties than we have had in the last eight years. We've had a 10 percent increase in sold properties when comparing to the second quarter of last year. Buyers are realizing that it is still a good time to buy with relatively low interest rates. Homeowners are hearing that homes are selling fast with low inventory levels. It is a great time for them to put their homes on the market," Stated IAR President, Jon Yocum.

The days on market of 77 days hit a new low when comparing second quarter performance of this year to the past eight years.

The information used to create the IAR 2015 June Housing Trends Report was current as of June 24 at 7:45 a.m. The information is subject to change due to the dynamic nature of the IAR's housing statistics system, which is updated hourly based on information present in local participating MLS (multiple listing service) systems.

The term Realtor® is a registered trademark, which identifies real estate professionals who follow a strict Code of Ethics as members of the National Association of Realtors®. The Iowa Association of Realtors® is the state's largest real estate professional organization representing over 6,800 members and affiliates. The IAR releases a Housing Trends Report each month. Data is collected from local Realtor® boards through their multiple listing service (MLS), which tracks sales activities in the board area. IAR compiles all the local board data into the statewide report each month. Reports are available online to IAR members and affiliates with a login and password. Photography Contest

Eleven-year-old Gavin Miller stumbled across an interesting shot last winter at Elinor Bedell State Park in Spirit Lake (pictured).

In the fresh white snow was the imprint of a deer. Almost like a person creating a snow angel, it appeared the animal had carefully risen from its resting place and left behind a near-perfect model of itself.

Gavin snapped a picture, and it was a wonderful submission to the Dickinson County Nature Center's first Art & Nature photography contest, garnering him first place in his age division.

The nature center is calling for superb nature shots for its next photography contest, ending September 1. Images must have been taken in the last year in Dickinson County and should highlight the diversity of life on Earth, including wildlife in its natural habitat, plant life, weather, landscapes and seasons.

"Photo submissions can be from anywhere in the county, although we recommend people head out to some of our beautiful county parks, such as Horseshoe Bend, Judd Wildlife Area or Westport Park, to find fun shots of wildlife, bright prairie flowers and peaceful water," said Kiley Roth, community relations coordinator.

Photographs are due by Sept. 1 and will be classified into three age groups: 13 and younger, 14-18 or 19 and older. All submitted images will be on display at the nature center through March.

Winners in each age group will be notified via e-mail by Sept. 15. Their images will be featured prominently in the photography display at the Dickinson County Nature Center, as the nature center's October Facebook cover photo and on the nature center's website. Winners will also receive a \$5 gift certificate to the Nature Store at the nature center.

"There is still time to get out there and capture some fantastic images of summer; we are all excited to see the beautiful images participants send in," said Karens Knudson, environmental education coordinator.

How to enter: Photographers may enter up to three photos 5-15 MB in size to naturecenter@co.dickinsonia.us labeled as firstnamelastname_location, for example johnsmith_horseshoebend. Photos should be jpeg, png or tiff files. In the body of the e-mail, include the photographer's name, location of the photo, approximate date taken, age of photographer, city of residence and a short photo caption.

All images should display content appropriate for all ages. Please do not include photographs of pets or domestic animals, human recreation, the willful harassment of wildlife, damage to the environment by the photographer, photos that put any individual or animal in danger or images that infringe on the rights of another photographer or person.

Photographers retain all rights to their images except for use by Dickinson County Conservation.

For more information, contact 712-336-6352, e-mail naturecenter@co.dickinsonia.us, visit www.dickinsoncountynaturecenter.com or stop by the Dickinson County Nature Center, 2279 170th Street in Okoboji, 10:00am - 4:00pm Tuesday-Saturday.

Hitchville And Big Blue Sky Band Performing On Preservation Plaza

On August 7th, Hitchville will be playing on Preservation Plaza, sponsored by Clary Lake Service and Captain's Getaway. Saturday, August 8th will be Big Blue Sky Band, sponsored by Okoboji Protective Association. You won't want to miss these.

Country super-group Hitchville has quickly solidified themselves among the upper echelon of regional talent. Under the leadership of dynamic lead vocalists Heidi Owens and Matthew Kneefe, the group's trademark harmonies are hardly the last thing attending "Hitchville Residents" are talking about long after the smoke has cleared and the group has left the stage. The combination of face-melting vocals and "don't try this at home" instrumental solos leads to an unforgettable live show in which the band has worked tirelessly to produce.

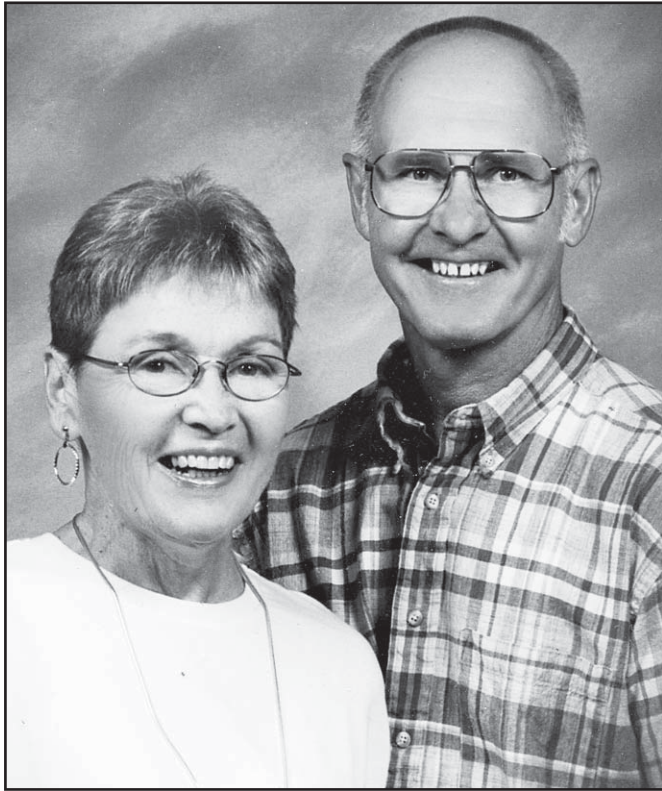

Big Blue Sky Band is a New England based band playing a wide variety of Classic Rock, Soul, Motown Country and Contemporary music. They like to have a fun, and interactive show so we hope you will join us for some music.

Thank you to Clary Lake Service, Captain's Getaway, and Okoboji Protective Association for bringing these concerts to Preservation Plaza on August 7th and 8th to continue celebrating 125 years at Arnolds Park Amusement Park.

All the 2015 Live at the Lake concerts are free to the public. Don't forget your lawn chair.

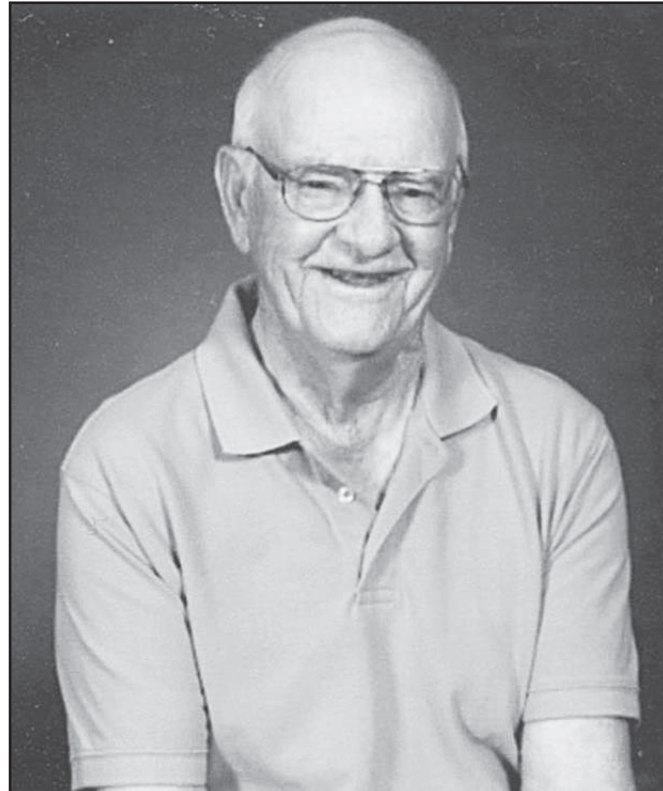

The next concert, August 15th will be Cowboy Mouth sponsored by Smith's RV and Okoboji Tourism.

Okoboji Summer Theatre to Debut Comedy Greater Tuna

Take a trip to Tuna, Texas as the Okoboji Summer Theatre debuts the comedy Greater Tuna, by Ed Howard, Joe Sears and Jaston Williams, August 4-9. Curtain times are Tuesday through Saturday at 8pm; Saturday at 4:30pm and Sunday at 6:00pm. Tickets (\$18) may be purchased at the OST box office at 2001 Highway 71 North, Okoboji, 712-332-7773, or boxoffice@okobojisummertheatre.org. This week's show is sponsored by Okoboji Harley-Davidson and Ginny and Sue Peterson.

Set in Tuna, Texas, the third smallest town in the state, where the Lion's Club is too liberal and Patsy Cline never dies, this comedy brings hilarity to a new level as twenty of the town's most outstanding citizens, plus some pets, are played by only two actors. Visiting guest director, Michael Evan Haney debuts his appearance at the Okoboji Summer Theatre celebrating his 44th year in professional theatre. Haney, who is currently an Associate Artist with The Cincinnati Playhouse in the Park, has acted and directed in more than 200 productions. The two guest actors portraying the many personalities of Tuna, Texas come to OST from New York City. Amanda Ladd, who also debuts her OST appearance, is an actress, writer, and director, and a member of tax-deductible theatre. The other guest actor, Travis Mitchell, has been on the OST stage this summer in Unnecessary Farce and To Kill a Mockingbird. Mitchell had his OST debut in 2013 when he played a familiar role with many different characters in The 39 Steps.

Special Ticket Discounts: Two students, 13 and above (including college students), are admitted for the regular price of one on Wednesday and Thursday evenings. Two senior citizens, age 60 or older, are admitted for the regular price of one on Saturday matinees (4:30pm) and Sunday evenings (6:00pm). All ages may purchase two-for-one tickets for Saturday evening (8:00pm) performances and all Active and Reserve military may purchase two-for-one tickets for any 8 pm performance.

OST will conclude their 2015 Season with the musical, Fiddler on the Roof, August 11-16. Complete show listings and synopses are available at www.okobojisummertheatre.org.

About Okoboji Summer Theatre: The Okoboji Summer Theatre is owned and operated by Stephens College (Columbia, Missouri). Founded in 1833, Stephens College is the second-oldest women's college in the country, with co-educational graduate and adult undergraduate programs and a Professional Conservatory Training Program. Students spend their final summer at OST gaining valuable professional experience. Over the past 58 years, OST has presented more than 350 plays to an audience of 1.5 million. A thousand young actors, 500+ professional faculty and 2,000+ guest artists have dedicated every waking moment to pulling off each production, accounting for nearly 40,000 exhausting hours of rehearsals. Today it is recognized as one of the longest running summer stock theatre programs in the country. Like on Facebook and follow on Twitter at @ExperienceOST.

STEM Program

Mrs. Tenee Jessen, 6th Grade teacher at Sacred Heart School, attended courses at Iowa State University this summer to bring STEM to Sacred Heart School.

The 2015-2016 6th grade class at Sacred Heart School will begin using STEM this fall. STEM is a program that utilizes science, technology, engineering and math to solve the needs and wants of society. The courses will provide an opportunity for students to apply the subject matter to solve problems and understand the lessons in action. The courses will last all year and will alternate between 1-2x/week and will be for one hour each time. According to Project Lead The Way, the nation's leading provider of K-12 STEM Programs, "Middle School is the perfect time for students to explore and learn that there is more than one way to reach a solution...Students will get rigorous and relevant experiences through activity-, project-, and problem-based learning. They will use industry-leading technology to solve problems while gaining skills in communication, collaboration, critical-thinking, and creativity." Mrs. Jessen adds, "the wonderful thing about STEM and Sacred Heart is that I'm with the 6th graders all day, which will enable me to work STEM based principles into any potential courses." Another real benefit is that Mrs. Jessen teaches the 5th and 6th grade math and science, which will be a huge asset to the 5th grade students, enabling them to come into 6th grade with the necessary basis for STEM. The 6th grade program will be implementing foundation units in Design and Modeling. The Spencer Middle School teaches 7th graders the Automation and Robotics units. Mrs. Jessen stated, "the 6th grade students will have a strong foundation and will be able to continue and expand their STEM understanding into 7th grade and beyond." She continued, "as part of my training I was graded on everything that I'll be teaching this year... it really is an amazing program and I'm thrilled to be teaching STEM at Sacred Heart School."

For additional information please contact Sheriffa Jones, Director of Stewardship and Development at sjones@spencerschools.org or 712-262-3047 or Ron Olberding, Sacred Heart School Principal at 712-262-6428 or rolberding@spencerschools.org.

Lifetree Discusses Ways to Invigorate Life

Practical tips for adding meaning and purpose to life will be explored at Lifetree Café on Sunday, August 9, 2015 at 6:30pm.

The program, titled "Stuck in a Rut? Get Unstuck... One Step at a Time," features a filmed interview with Kenyon Easton, a man who began a coast-to-coast walk across the country in April 2014. Although he faced multiple hardships from weather and unforeseen complications, Easton says his walk gave him a life-changing perspective.

"I've wanted to do something like this for a while," explains Easton. "I felt if I didn't grab this opportunity, it wouldn't happen. I knew I wouldn't regret it, so I took the leap." Admission to the 60-minute event is free. Snacks and beverages are available. Lifetree Café is located at the Good News building, 1010 Julia Street, Okoboji, IA 51355.

Lifetree Café is a place where people gather for conversation about life and faith in a casual coffeehouse-type setting. Questions about Lifetree may be directed to Kelli Achenbach at 712.332.5698 or lifetreeokoboji@yahoo.com.

Donate Blood through the Red Cross in Final Weeks of Summer

The American Red Cross urges blood donors to give in the final weeks of summer to help prevent a blood shortage.

Blood donations often decline in August as final summer vacations are planned and back-to-school activities ramp up. On average, during the summer months, about two fewer donors give blood at each Red Cross blood drive than what is needed.

Donations are needed now to help ensure blood is available for patients in need. Donors with types AB, O negative, B negative and A negative blood are especially encouraged to donate. Plasma from type AB donors can be transfused to patients of any blood type, as can type O negative blood. Type B negative and A negative blood can be transfused to Rh-positive or negative patients. These are the most in demand blood types and are in constant need.

To make an appointment to give blood, download the Red Cross Blood Donor App, visit redcrossblood.org or call 1-800-RED CROSS (1-800-733-2767).

- Upcoming blood donation opportunities:
- Milford – 8/19/2015: 1:00pm - 6:00pm, Community Center, 9th & Okoboji
 - Spirit Lake – 8/20/2015: 1:00pm - 6:00pm, Grace Lutheran Church, 801 Hill Avenue.
 - Estherville – 8/18/2015: 1:00pm - 6:00pm, United Methodist Church, 102 South 8th Street

How to donate blood: Simply download the American Red Cross Blood Donor App, visit redcrossblood.org or call 1-800-RED CROSS (1-800-733-2767) to make an appointment or for more information. All blood types are needed to ensure a reliable supply for patients. A blood donor card or driver's license or two other forms of identification are required at check-in. Individuals who are 17 years of age (16 with parental consent in some states), weigh at least 110 pounds and are in generally good health may be eligible to donate blood. High school students and other donors 18 years of age and younger also have to meet certain height and weight requirements.

About the American Red Cross: The American Red Cross shelters, feeds and provides emotional support to victims of disasters; supplies about 40 percent of the nation's blood; teaches skills that save lives; provides international humanitarian aid; and supports military members and their families. The Red Cross is a not-for-profit organization that depends on volunteers and the generosity of the American public to perform its mission. For more information, please visit redcross.org or visit us on Twitter at @RedCross.

PEBC Public Programs

Prairie Ecology Bus Center (PEBC), located at 935 N. Highway 86, Lakefield, Minnesota, will host the following public programs. Pre-registration is required. Please call 507-662-5064 or email marilyn@ecologybus.org.

Stealth & Survival at Sparks Park Daycamp: Thursday, August 6 from 8:30 – 3:30pm (for youth having completed grade 4-6) – Walk like a fox, hear like a deer, and put on your eagle eyes. Move invisibly through the forest and practice your stealth mode. It takes an inventive mind to survive. Understand how nature works by honing your way-finding skills, shelter building, and plant identification. Pack a lunch and dress for the weather. We will be exploring all day.

Let's Get Dirty: Saturday, August 8 from 8:30 – 10:00am (for families) – No person should graduate from childhood without the experience of playing in the mud. Getting dirty is sometimes one of the "costs" of making learning a fantastic experience. This class not only encourages up close inspection of wet soil, we'll learn all about why dirt is so important as we dig holes, find worms, and search for animal tracks. We might get a little dirty, too.

Fantastic Flyers: Tuesday, August 11 from 9:00am – 12:00pm (for 4-5 year olds) – From feathers and skin to flapping and gliding – birds, bugs and even some mammals are rulers of the sky. We will explore the magic and mystery of flight. Bring a snack. Perfect for the little ones who are able to be at Sparks Park without mom or dad. If not, guardians are more than welcome to accompany their child.

Wildlife Detectives: Thursday, August 13 from 6:00 – 8:00pm (open to families) – Let's face it - animals don't just walk up to us, introduce themselves, and tell us all about their lives. Embark on a journey of discovery and learn the art of investigating. Sharpen your observation skills as you learn tracking techniques. Decode secrets of the animal kingdom and learn to imitate adaptations for survival. Wear good walking shoes - we'll be exploring Sparks Park.

Pre-registration is required - Please call 507-662-5064 Or email marilyn@ecologybus.org

Engagement Announcement

Trinity, Billy, Alex, Kate and Abby are pleased to announce the engagement of their parents, Jill Renae and Andrew Joseph Sik. A November wedding is planned at the Royal Chapel.

DAR Founder Had Many Talents

Employing a number of costume accessories, DAR member Marjorie Sievers (pictured) colorfully enacted the life of Ellen Hardin Walworth, one of the four founders of the Daughters of the American Revolution. (DAR). A talented dramatist, Mrs. Sievers of Rembrandt, who is known as "Margo," lives in Arnolds Park in the summer. Her July 14 presentation to members of the Ladies of the Lake Chapter, potential members and guests, is a part of a national series of special events celebrating the DAR's 125th birthday. Founded in 1890 by Mrs.

Walworth and three other activists, it is now the largest women's organization in the world and has a huge genealogy library second only to that of the Mormon Church. DAR members are those who have traced their genealogy back to an ancestor who served in the military or gave other visible support to the fight for freedom.

Ellen Hardin was born on October 20, 1832, in Jacksonville, Illinois. After her father was killed in the Mexican-American War, her mother married the Hon. Reuben Hyde Walworth, the last Chancellor of New York State and the family moved to Saratoga, New York, in 1852. Ellen married her stepfather's youngest son, Mansfield Tracey Walworth, a lawyer by training and a prolific author.

While raising eight children, facing serious financial difficulties and suffering constant abuse from an unstable husband, Ellen Hardin Walworth managed to establish a school, earn a law degree from New York University, and write notably in the field of both history and science. She was a leader in a number of community organizations, especially those promoting historical preservation and restoration of historical sites. Although not among the leading crusaders, she promoted the Women's Suffrage movement. She was among the first people to propose the establishment of the United States National Archives. During the Spanish American War, along with other prominent women, she organized the Women's National War Relief Association and was its first director.

During her lifetime (1832-1915) women were excluded from men's organizations including the Sons of the American Revolution. Noting this injustice, she joined with three other descendants of patriots to form the DAR. In this, she had assistance from the NSAR. She served as the DAR's first Secretary General and the editor of its first monthly magazine, which continues today as "The American Spirit," a highly respected history magazine available at the Spirit Lake and other libraries.

For information on The Ladies of the Lake DAR Chapter, contact Regent Colleen Lemkuil, stancoleen37@gmail.com, 515-229-4619. Potential members and guests are welcome at the next meeting on August 11.

"Weeds Week" Workshop ISU Northwest Research Farm

About four years ago, Joel De Jong, a field agronomist with Iowa State Extension and Outreach was working with ISU Weed Specialist Mike Owen on a project. Owen wanted crop specialists to collect waterhemp seeds from soybean fields that had many weed escapes. At that time crop specialists were just hearing about a few fields where the most commonly used herbicide program used was starting to miss some weeds. This was not a random survey – these seeds came from soybean fields that had escapes in September plus on the referral from people who thought their fields (crops) had developed herbicide resistance. Therefore, if resistance was present, these were the fields likely to have the problem.

Dr. Owen and his research team grew these seeds into small plants and treated these weeds with herbicides at about 4" to 6" heights. He looked at 1X and 4X rates of herbicides from five different families of products. Of the 50 samples DeJong pulled from northwestern Iowa counties, 98% of these were resistant to the 4X rate of the ALS family product used, 88% to the atrazine 4X rate, and 46% resistant to the 4X rate of glyphosate applied.

DeJong states, "Seems to me we had a problem in 2011 and from observing the number of soybean fields 'toasted' by herbicides this year, the resistance issue has spread."

In response, ISU Extension and Outreach is offering workshops across Iowa during the first week of August to take a closer look at how to combat this problem. The date in northwest Iowa is Thursday, Aug. 6 at the ISU Northwest Research Farm near Calumet in southern O'Brien County. Workshops will be educational programs for farmers and retailers with a focus on understanding weed resistance and a hands-on, practical approach to developing long-term weed management plans that work.

DeJong explains, "Our goals are to evaluate the herbicide sites of action that are effective on the weeds present, develop a long-term weed management plan that can be implemented the following year, understand the importance of cultural and mechanical options in a diverse program, and recognize the importance of developing field-specific management programs."

Each session is a combination of presentations, small group discussions, problem solving, and hands-on planning through a series of worksheets and materials developed for Weeds Week. Sessions are led by Extension and Outreach field agronomists. Each location also features tours of demonstration plots established to support the goals and objectives of the Weeds Week program.

Two sessions are scheduled at each location – one for farmers (morning) and a second for agribusiness, industry and retail representatives (afternoon). Each group receives similar information, but presented with the different focus of designing the plans for your own fields or supporting customers and clients in developing and designing their plans. The session costs \$25 and registration is due by Aug. 2 for the northwest Iowa session. Contact your local Extension and Outreach office for more details or check out the information page online at www.aep.iastate.edu/weeds.

Jones, Wills Announce Iowa Sales Tax Holiday Weekend

Today Representatives Megan Jones (R-Sioux Rapids) and John Wills (R-Spirit Lake) released information regarding the annual Iowa Sales Tax Holiday. This year beginning at 12:01am, August 7, 2015, through midnight August 8, 2015, no sales tax will be collected on select clothing or footwear having a selling price of less than \$100.00 per item.

All businesses open on August 7 and 8 are required to participate, though the holiday does not extend to Sunday.

"The tax free weekend relieves a burden on Iowa families as they gear up for back to school," said Representative Jones.

"As the family budget is stretched thin, hopefully the tax free weekend relieves some burden on the hardworking taxpayers of Iowa," said Representative Wills.

For more information, Representatives Jones and Wills say to visit <https://tax.iowa.gov/iowas-annual-sales-tax-holiday>.

Spencer Hospital Provides Hospitalist Service

In recognition of changing trends in the care of hospitalized patients, Spencer Hospital is launching a hospitalist program beginning August 3. A hospitalist is a physician who specializes in the practice of hospital medicine and whose primary professional focus is the general medical care of hospitalized patients.

"Hospitalists care for patients the same way that family physicians in Spencer have for many years," explained Brenda Tiefenthaler, the hospital's vice president of patient care. "They order testing and treatments and consult with specialists as needed. They also keep each patient's family physician updated throughout the patient's hospital stay. A hospitalist has an interest in specializing in the care of hospitalized patients just as other physicians are drawn to their particular medical specialties."

Utilization of the hospitalist service will be the decision of the local physician at the time of admission. The decision will be based on the circumstances of a patient's care needs and the physician's practice preference. Some patients will continue to be cared for by their family physician while in the hospital while others will be followed by the hospitalist.

Dr. Brian Dvorak, a long-time family practice physician with Avera Medical Group Spencer, is transitioning out of his traditional family medicine practice to serve as Spencer Hospital's first hospitalist. He will remain a partner with Avera Medical Group Spencer and when a second hospitalist is recruited, that physician will also join the local family practice group.

"As a long-standing member of this exceptional and unique medical community, I am thrilled to participate in the development of a local hospitalist program," commented Dr. Dvorak. "The hospitalist concept represents a new inpatient care model here in Spencer, but it's actually commonplace throughout the rest of the country. Over the past 10 years, the number of hospitalists increased from 10,000 to over 50,000 nationwide."

"We've designed the hospitalist program in collaboration with local physicians," said hospital president Bill Bumgarner. "Some family practice physicians desire to continue to have a comprehensive practice which includes providing hospital care to their patients. Others prefer to focus on their clinic practice and work closely with the hospitalist when one of their patients is hospitalized. Others, will do a little of both. One approach is not better than the other. Our goal is to simply have a program that works effectively for our patients while also offering practice options to our current family physicians and those we'll recruit in the future. It's essentially a matter of adapting local care systems to the changing care models that are evolving across the country as healthcare changes."

Dr. Dvorak is looking forward to his career change. "The desire to focus on one aspect of patient care is what drove me to pursue this new career," he explained. "As my inpatient numbers increased over the past 28 years due to the growing number of inpatients coming from surrounding communities, I personally found it increasingly challenging to provide focused care in a timely manner in both the hospital and office environment. I would now like to finish my journey in health care by helping to successfully implement an effective hospitalist program at Spencer Hospital."

Until a second hospitalist is recruited, Dr. Dvorak will be joined in providing hospitalist services by Dr. Zia Siddiqui, a family practice-trained physician who has been dedicated to providing hospitalist services in Midwest hospitals since 2002.

Church Service At State Park

This Sunday, August 9, St. Alban's will be gathering on West Lake Okoboji at Gull Point State Park, 1500 Harpen Street, Milford at 10:00am, and hold its Holy Eucharist service there. This will be the principal worship service for that day and there will be no service at the church on 23rd Street in Spirit Lake.

Following the Eucharist, there will be a potluck at the park. Please bring a main dish and a side dish to share (dessert, salad, vegetable...). The church will provide drinks and tableware.

GLEON Research Buoy Placed Back On West Lake Okoboji

The Iowa Lakeside Laboratory Regents Research Center GLEON (Global Lakes Ecological Observatory Network) research buoy has been repaired and placed back on West Lake Okoboji with a cage and beacons added. The beacons will hopefully make the buoy more visible to boaters.

In the process of repairs, we were able to complete phase II of the GLEON buoy project by installing a temperature and dissolved oxygen string that takes readings throughout the water column every 6ft. These data will give us a complete temperature and oxygen profile of West Lake Okoboji.

The data for the buoy can be viewed at <https://wqdatalive.com/public/470> or by the App wqdata LIVE.

We thank the community for their patience and support as we repaired the buoy. If you see people working on the buoy please slow down to ensure our workers' safety.

Junk Art Contest

Create art from a bucket of junk by participating in this year's Terril Fun Days Junk Art Contest. Participants will receive a five gallon bucket of "junk" to create a work of art. The number of items in the bucket will be the same for each person and each bucket will be as close to identical as possible.

There will be two judging divisions: Painted or Polished and Rustic. You may only use the items in the bucket. You may clean, sand, weld, braze, solder, bend and shape the items to make your art. There are a limited number of buckets. Your art will be judged on artistic creativity, strength and stability, eye appeal and number of items used from the bucket.

This is a fundraiser event and the Junk Art will be auctioned off after judging. There is a \$10 entry fee and a \$5 deposit on the bucket will be required. For more information or to arrange a time to pick up your bucket, please call Connie at 712-260-5840. Come to Terril on August 22 and view the Junk Art pieces and vote for your favorite for the Peoples' Choice Award!

Milford Library News

On Thursday, August 6, 5th - 12th grade students are invited to come to the Milford Memorial Library to make comic book flower pots. All supplies are provided by the library at no charge to the students. In addition, on Tuesday, August 18, we are excited to welcome Karess Knudson, Dickinson County naturalist and environmental educator, as a presenter for the Teen Summer Reading Program.

The Milford Memorial Library staff and the Friends of the Milford Memorial Library would like to thank everyone who volunteered and came to the annual book sale. The book sale was a big success and we look forward to seeing everyone again next year. Thank you also to the Okoboji Summer Theatre director and student actresses who came to Pioneer Days for Story Time in the Park and to everyone who came to Story Time in the Park to enjoy the story of Rapunzel and games.

An open meeting of the Board of Trustees for the Milford Memorial Library will be held Wednesday, August 5, at 5:30pm. A free computer class will be led by Jeff Cookinham after the meeting.

Jump Start to Reading is an opportunity for children to read to adults one-on-one on Friday mornings from 9:30am to 10:00am. Registration forms are available at the circulation desk at the library. Adult volunteers may contact children's librarian Betty Naab at 712-338-4643 or betbyn@milfordlibrary.net.

Join us for great stories and much more every Friday morning at 10:00! Betty, our children's librarian, looks forward to sharing stories with you! No pre-registration is necessary. This week the theme is "Airplanes."

Thursday, August 13, at 10:00am, we will be looking for our Shelf Elves. Volunteers take on the task of organizing and cleaning a section of shelves. This helps our librarians and it will make sure you can find the book you are looking for that might have otherwise been misplaced.

Bessie Carroll Higgins To Be Honored At Money Museum

Area residents are invited to join members of the Ladies of the Lake Chapter, Daughters of the American Revolution (DAR) in honoring the late Bessie Carroll Higgins, (1866-1961) a community leader in Spencer, an Iowa activist, and a prominent officer in DAR. The tribute to her many local and state contributions and her outstanding DAR service will take place at 10:00am on Tuesday, August 11, at the Higgins Museum of Money, 1507 Sanborn Avenue, Okoboji. Refreshments will be served.

Mrs. Higgins was born in Illinois, the daughter of Charles Carroll and Elizabeth Kirkpatrick Eddy, a direct descendant of Myles and Rose Standish. Seven of her ancestors came to America on the Mayflower. This ancestry may have been the inspiration for Bessie Carroll Higgins' exceptional interest in history and patriotism.

Bessie Carroll Higgins was a charter member of the Lydia Allen Chapter of the DAR which was organized in her Spencer home in 1917. She served first as Registrar, then as Vice Regent and Regent. She was elected State DAR Regent in 1932-34. Prior to accepting that state office, she served as Librarian, Iowa Society 1928-30 and State Recording Secretary, 1930-31. From 1934 to 1936, Mrs. Higgins was Vice President General of the National Society of the Daughters of the American Revolution (NSDAR) and Vice President of the National Officers Club (1933).

Spencer records state that Mrs. Higgins, "a gracious and generous person" was a "hostess to many social and civic events in her beautiful home." She was active in civic and state educational projects, working on citizenship and immigration for six years. She was president of the Spencer Board of Education for a number of years, and a board member in the Congregational Church to which she donated land. She held membership in a number of historical societies including the Iowa Society of Mayflower Descendants, The Pennsylvania Huguenot Society, and the Daughters of American Colonists. In 1937, she was Color Bearer of the Iowa Chapter of Daughters of Founders and Patriots of America. Always an activist, she dedicated herself to Red Cross service during World War II.

Bessie Carroll married William Robert Higgins in 1897 in her native city of Shawneetown, Illinois. They moved to Spencer shortly after. In 1924, she gave a series of illustrated lectures on her trip around the world with her husband, their two adopted children, Billy (W.R. Jr.) and Betty, and William Flindt Jr. Chapter minutes record that the programs were held "at her spacious residence on North Main Street" now North Grand Avenue. The pictures that they brought back were thrown on a screen by a projectograph (magic lantern) and their travel mementos were displayed.

Mrs. Higgins passed away at the age of 95 in Keokuk where she had gone to be near her daughter, the late Mrs. William (Betty) McGinnis. W.R. Higgins preceded them in death in 1943 in Spencer.

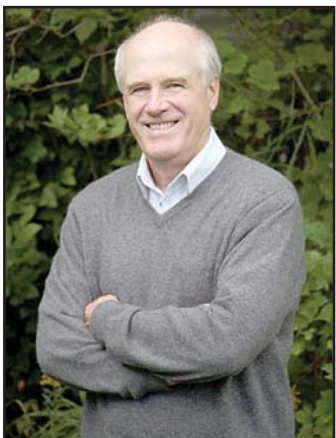

The Higgins' adopted son, William R. Higgins Jr., grew up in Clay and Dickinson Counties and served as mayor of Okoboji for 14 years (1960-1974). A collector since his early youth, for 30 years he specialized in crowns of the world. When his collection of over 7,000 different silver dollar size coins was sold in three different auctions (1973-74) the proceeds made possible the National Bank Note Museum and Library that visitors enjoy today. For information on its mission and collection, contact Larry Adams, Curator, ladams@thehigginsmuseum.org, 712-332-5859.

Following the tribute to Mrs. Higgins, DAR members and guests will adjourn for lunch at the attractive Senior Center, 2101 Zenith Ave., Spirit Lake. For reservations, contact DAR Regent Colleen Lemkuil: stancolleen37@gmail.com, 515-229-4619. Participants are invited to conclude the afternoon with a tour of Bird Haven, 1035 225th St., Center Lake.

Into The Realm Of Time: In 372 AD, the Roman Empire is on the cusp of its great decline. The fierce Roman General Marcus Augustus Valerius contemplates his future.

Though at the peak of his success and power, through victories against both external and internal enemies of Rome, the General is weary of the brutality of continual war and yearns for a different life away from his legions and battlefields. At the same time, Claire, the widowed queen of a kingdom in Britannia, risks everything to protect her children from a bloodthirsty usurper. A priest, named Joseph, tries to hide his dark past as he pursues salvation in the Christian faith. Flavius, a Roman officer who deserted his legion, seeks redemption for the cruel actions he has inflicted on behalf of a corrupt tyrant. All the while, two Hun brothers, Uldric and Rao, are ruled by their ambitions to ruthlessly establish and expand a Hun empire. The story of these intertwined destinies unfolds against the backdrop of love, power, greed, religion, valor and sacrifice in this turbulent period. Fates are not foretold and events lead to a climactic epic battle. Each character must make choices and it is these crucial decisions that decide their ultimate fates.

Into the Realm of Time is a fictional narrative of timeless personal struggles set against an unsettled Roman Empire. Christianity had eclipsed paganism as the state religion and Britannia was an orphaned and wild Roman province. The Huns were emerging and pushing the panicked barbarian Goths into the eastern edge of the Empire. It is a tumultuous time as Rome tenuously clings to its status as a dominant power — the time of General Marcus Augustus Valerius.

Snap A Picture To Win A Cash Prize At The 2015 Clay County Fair

Snap your way to first place in one of six special classes, including a new cell phone photo class, in the photography department at the 2015 Clay County Fair, September 12-20.

"Each year the photography department does something new and unique, giving photographers something new to shoot," said CCF Manager Jeremy Parsons. "This year is no exception and we encourage everyone to enter their best photographs in one of the largest competitive departments at the Fair."

Cash awards will be given to the top three place winners in each of the special classes.

The Concepts Class, sponsored by Campbell, Higgins & Mummert, P.C., features "Numbers" in 2015. Photographers are encouraged to show how they use numbers in their daily lives.

The Spencer Daily Reporter is sponsoring the Photojournalism Class themed "The New Beginning." Photojournalism doesn't always mean breaking news. Photographers are encouraged to enter a news-worthy photo of something "new" that could very well accompany a feature story.

"Farm Life" is the theme for the Beautiful Iowa Class sponsored by Clay Mutual Insurance. Photographers are asked to capture their best photo that depicts a day on the farm. Photographs must be identified by the specific location in Iowa where the photo was taken.

The Lifestyle Class, sponsored by Nielsen's, is themed "Memories in the Making." Photographers are asked to think of their fond memories and portray memories in the making.

The Conservation Class, sponsored by the Clay County Soil and Water Conservation District, features "Conservation on the Land." Photos must portray the use of conservation methods being implemented that protect and improve the soil. Photographs must be identified by the specific location in Iowa where the photo was taken.

The new Cell Phone Class sponsored by IGL TeleConnect is themed "GoTcha." Modern technology is everywhere and photographers love the instant feedback photos taken on their phones provide. The type of phone used in taking the photo must be listed on the entry tag or else the photo will be disqualified.

Check out the exhibitor handbooks online at www.claycountyfair.com to find the rules and guidelines to enter your photographs at the Fair.

"Take It All In" September 12-20, 2015 at the Clay County Fair in Spencer, Iowa! Known as "The World's Greatest County Fair" since 1917, the Fair attracts more than 300,000 people each September for world-class Grandstand events, daily livestock and horse shows, more than \$125,000 in free entertainment, thousands of competitive exhibits, the thrilling GoldStar Amusements Midway, every imaginable type of fair food, hundreds of commercial vendors and the largest farm machinery show at any fair in the United States! Mobil Display at the Arnolds Park Library

Connie Rice of Milford was gracious to let us display her long collected Mobil items at our library. Connie first started collecting Mobil memorabilia because of her father. Delbert Leiss, formerly of Arnolds Park, started as a representative for Mobil before purchasing the station from Bill Stolley. Del's Mobil-gas opened on January 1, 1957. Del ran the shop for 22 years. In 1979 Connie and Ed Rice ran the station until the property was sold in 1988 to Chuck Long, previous owner of the Arnolds Park Amusement Park.

Over the next several years, Connie would continue to add to her Mobil collection. Some of the collection items belonged in the station or to her father. Connie was given other collectables by family and friends or they were purchased at flea markets and auctions.

We encourage everyone to stop by the library and view this incredible display and remember a piece of Arnolds Park history.
