CHURCH TESTIMONIES

"When I think of Abundant Life Assembly of God, I think of balance. At the time that we started going to Abundant Life, I was looking for a church that could feed my family's needs both intellectually as well as spiritually. There is no question that it is incredibly important for a church to be grounded in the Word of God, and Abundant Life is definitely a bible based church, but there is also a spiritual side of faith that is critical. I want to develop in the fullness of what Jesus Christ had in mind! Since we have been going to Abundant Life the growth I've seen in our family has been nothing short of amazing. In my opinion, Abundant Life Assembly of God led by Pastor Jerry Jochem is one of the best kept secrets in Franklin County!"

~ Dr. Brad Schapiro D.C.

"I started attending Abundant Life Assembly of God as a teenager, as my family was falling apart. The comfort, counseling and guidance from my pastor and church members filled a very huge need during that time. At this church, I experienced wholeness and purpose in the presence of God during a time when most young people find themselves lost without direction. Throughout my 17 years at this church, I have been blessed to serve under and alongside strong and caring people who have been instrumental in shaping who I am today. I'm truly thankful for the personal discipleship I have experienced from my pastor and church members here at Abundant Life. I have been given the opportunity to serve in many areas, and I'm now thankful to be in leadership at a church that feels like family."

~ Lindsay Konrad

Business Development

I started my journey with Exchange Media Group in December 2007. While some things have changed, our commitment to small businesses has never wavered. We take pride in the fact that we've helped so many over the years. Our market saturation, strong readership, great customer service and vision for the future are what sets us apart from the rest. While our print product is strong, we realize the need to have a presence online. It's exciting to tell people the new digital products and services we've added to accommodate our growing clientel.

I love my job and my customers!

Mary Ann Marsh
Business Development

"Bill Thomas, founder of the Exchange, brought me on board 25 years ago. We had 1 edition at that time and now have grown to 6 editions. Our weekly Exchange reaches over 83,000 homes and thousands of people visit our website. I love seeing my customers connect to their customers and watching their businesses grow. Many of my customers over the years have become very good friends, which has been rewarding. I have been a member of the Fayetteville Kiwanis Club for 24 years and have loved working and helping serve children in our community. I feel very fortunate to have been a member of Team Exchange Media Group for so many years."

Sandra Thomas
Business Development

I can remember when Exchange made it's debut. It was just what the community needed - a place to bring buyers and sellers together; a place to showcase products and services; a place to inform, congratulate, or thank others. I know personally how well Exchange works because my family and I have used it for years. Therefore, it is an honor to recommend Exchange to my friends and customers

I love working with the people in the communities that make up Franklin County. From the Chamber staff and local community administrations, to the business owners and individual Exchange readers, I have met the nicest folks. They care about their neighbors and their community which makes my job meaningful.

"I put an ad in the Exchange one time. A year later this guy calls and I go do an estimate for him. I always ask how people found out about me. He said he found my number in the Exchange, cut it out and kept my number for over a year until he needed it. He's been a good customer of mine for about 10 years now. So, one of my best jobs came from the Exchange. At a time when I couldn't afford a lot of advertising, the Exchange really came through for me." Larry's Lawn Care.
