"I finally took my lovely wife's advice and reluctantly looked into getting hearing aids. I am not deaf or anything, but I found I was asking folks to repeat themselves more often as I aged. I resisted hearing aids because it carried a stigma, for me anyway, that one is growing old and dependent. I contacted The Hearing Aid Center in Dickson and got tested by Cassie Tuminello who analyzed my hearing test and suggested a set that would be best for me. Cassie was a pleasure to deal with. She was professional and very knowledgeable of the products she offers. At no time did I feel pressured or pushed to decide on a product. She takes time to make sure you are well informed before making a decision. After the initial "fitting" and orientation, I was a satisfied customer. Tiffany Huskey met with me over the next month doing minor adjustments to make my auditory experience the best that it can be. Like Cassie, Tiffany was very professional and informative. She listened carefully to my feedback and questions, and made sure I am a satisfied customer. The whole experience at The Hearing Aid Center was pleasant and productive. I need to hear well in my career. The Hearing Aid Center made that happen. My lovely wife is happy too! Thank you Cassie and Tiffany!"

Just A Little Boy

He stands at the plate with his heart pounding fast;
The bases are loaded; the die has been cast.
Mom & Dad cannot help him, he stands all alone.
A hit at this moment would send the team home.
The ball nears the plate; he swings and he misses.
There's a groan from the crowd with boos and
some hisses.

A thoughtless voice cries,
"Strike Out, You Bum!"
Tears fill his eyes;
the game's no longer fun.
Remember, he's just a little
boy who stands all alone.
So open your heart and give
him a break,
For it's moments like this
a man you can make.
Keep this in mind when
you hear someone forget
He's just a little boy and
not a man yet.

We at the J. Paul Richardson & Son Realty Co. are looking forward to an exciting season of Little League, Prep and Pee Wee baseball. We found this poem and we thought we'd print it as a reminder to all of us that each child deserves and needs our continuing support.

Marisa Thornton
Business Development

I started my journey with Exchange Media Group in December 2007. While some things have changed, our commitment to small businesses has never wavered. We take pride in the fact that we've helped so many over the years. Our market saturation, strong readership, great customer service and vision for the future are what sets us apart from the rest. While our print product is strong, we realize the need to have a presence online. It's exciting to tell people the new digital products and services we've added to accommodate our growing clientel.

I love my job and my customers!

Mary Ann Marsh
Business Development

"Bill Thomas, founder of the Exchange, brought me on board 25 years ago. We had 1 edition at that time and now have grown to 6 editions. Our weekly Exchange reaches over 83,000 homes and thousands of people visit our website. I love seeing my customers connect to their customers and watching their businesses grow. Many of my customers over the years have become very good friends, which has been rewarding. I have been a member of the Fayetteville Kiwanis Club for 24 years and have loved working and helping serve children in our community. I feel very fortunate to have been a member of Team Exchange Media Group for so many years."

Sandra Thomas
Business Development

I can remember when Exchange made it's debut. It was just what the community needed - a place to bring buyers and sellers together; a place to showcase products and services; a place to inform, congratulate, or thank others. I know personally how well Exchange works because my family and I have used it for years. Therefore, it is an honor to recommend Exchange to my friends and customers

I love working with the people in the communities that make up Franklin County. From the Chamber staff and local community administrations, to the business owners and individual Exchange readers, I have met the nicest folks. They care about their neighbors and their community which makes my job meaningful.
