Hospice

Bowling For Benefits

On Sunday, March 5th, three teams from Livingston County Hospice bowled in the Bob Bertram Memorial Tournament at Mount Morris Lanes, which benefits Livingston County Hospice and Teresa House. Mr. Bertram was a former Hospice patient whose family now organizes the event every March. Mr. Bertram and his family were very passionate about Hospice care and appreciate the services that families receive.

Hospice is a home care program that reaches out to anyone with a life limiting illness who desires specialized support at the end of life's journey. Hospice offers the opportunity to remain at home, cared for by family and friends, while receiving supportive services focused on comfort and quality of life.

Top: Mark Wagner, Ed Candie, Janice Donovan, Peggy Hamilton

Middle: Janet Craft, Kathy Root, Mylessia Candie, Cindy Wagner, Janet Lewis, Rod Clements

Bottom: Jill Burley, Paige Burley, Cindy Sheflin, Alise Rounsville, June Webster

A special thank you to those who participated in this great event! All teams had a great time. Prizes were given to individuals who had lowest score, highest score, and the oldest participant. Other "lottery" games were offered as well. The event will be taking place again next year. Below is a picture of the Livingston County Hospice participants.

If you or someone you know would like more information about what hospice care can do for you, please feel free to call Livingston County Hospice, a program of the Livingston County Department of Health at 243-7290.

Introducing... 1000 Books Before Kindergarten! An Early Literacy Program for Babies, Toddlers, & Preschoolers

1000 Books Before Kindergarten is a national initiative to encourage parents/caregivers to read 1,000 books to their children before they enter Kindergarten. By reading just one book a night, families can reach the 1,000-book goal in three years and provide their children essential early literacy skills. Participants will have a start-up folder with a reading log to keep track of the book titles they have read. All pre-K children, 0-5 years, may register for the program at the Dansville Public Library. This program is funded in part by the Friends of the Dansville Public Library, Dansville Women's Civic Club, and Kathy Rose. It was also made possible by a grant from Senator Michael F. Nozzolio. For more information about this program please call the library at 585-335-6720.

After 82 years of business, Macaluso Oil Company, originally starting in the Village of Mount Morris and relocating to the corner of Mount Morris Road and Jones Bridge Road in Leicester, New York in 1965, is closing its doors to the public.

The business has employed four generations with the current owners being Nick and John Macaluso (and the late Linda Macaluso). The proprietors have enjoyed working with each and every customer over the past years and have sincerely appreciated your business. The repair shop will close in the near future but gas will be pumped until the inventory is gone; however, hours will fluctuate.

Please contact Nick or John at the garage, 382-3318 if you have any questions or financial arrangement to complete.

ATTENTION ALL NEW YORK CORN PRODUCERS

On April 5, 2017, the Kansas City federal judge dismissed the lone legal claim on which the Syngenta national class action was based. This is a litigation game changer. There no longer is a national class action protecting the legal rights of New York corn producers who chose to stay in the class and not opt out.

Every New York farmer who has grown corn for market since 2013 has been damaged, has a claim, and may participate in the corn lawsuit to recover money damages from Syngenta. At this juncture, however, the only way New York Corn farmers can participate in the Syngenta corn lawsuit and share in any recovery is to hire a lawyer and file an individual case.

Informational meetings about the Syngenta Corn Litigation will be held at the locations and times listed below. Lawyers involved in the litigation will discuss the current status of the litigation, recent developments, and what you need to do now to protect your rights. Food will be provided.

Keshequa Community

I would like to thank all of the voters for coming out on May 16th to vote for our school budget and school board election. A special thanks to Monica Morris for her lifetime dedication to our school and board! She has made a marked difference in the lives of many and will certainly continue to do so in other capacities. Congratulations to Christy Crandall-Bean and Kenneth Weaver on their election. They will definitely contribute greatly to our dynamic school board. I would also like to extend my gratitude to Rachel Towsley and Dorothy DiAngelo for their sincere interest in becoming more involved in our community. The support and participation of our community is humbling. Nunda is truly “A Nice Place to Live!”

Lastly, we must remember that we are all one - working to do the best for our kids. Let's keep Keshequa moving forward, together!

***In gratitude,
Todd Galton***

Business and Employee Skills Training

ADVANCE YOUR PROFESSIONAL AND PERSONAL DEVELOPMENT

From Business Concept to Reality

Fee: \$149

This course will introduce current and future small-business owners to the concept of a business plan — a necessary tool for the success and survival of any new business. Students will create an action outline, including the following business-planning topics: vision, mission, objectives, strategies, business structure, market analysis, market planning and more. *Register by May 31st.*

Batavia Campus

(4) Wednesdays, June 7-28 • 6:00-9:00 pm

Deliver Your Best:

Polishing Your Presentation Skills

Fee: \$119

This communication and presentations workshop series will focus on techniques to help you polish and refine your business presentation delivery skills. You will have the opportunity to practice techniques for making your presentation style more engaging, discover your strengths and target areas of improvement in a highly-supportive environment. *Register by May 25th.*

Batavia Campus

(3) Thursdays, June 1-15 • 9:00-11:00 am

Genetics for PreK-5 Teachers

Fee: \$109

This course will provide preK-5 teachers with a general background in genetics and similar science concepts to expand educator's content knowledge. These concepts will be aligned with the new NYS science learning standards and will provide each educator with tips, ideas and activities to use in one's own classroom. The activities and ideas for the standards shared with you will be infused with agricultural examples. Intertwining agricultural components facilitates further learning and provides students with a new lens in which to learn. Integrating Math and English components into science lessons will also be a focus of the sessions. *Register by July 3rd.*

Batavia Campus

(3) Tuesdays, July 11-25 • 6:00-8:00 pm

PRECISION AG SERIES

Part 1: Precision Ag & Data Collection

Fee: \$149

Since soil health is the foundation of current agronomy practices, this course will maintain a central focus on soil health. Units of instruction that will be covered include: Introduction to Precision Agriculture, History of Agriculture, Demands on Agronomy, Soil Sample-Controlled Testing, Collecting and Testing Soil Samples. This course is part lecture and part lab. Learning activities include: developing working notes that can be referred to as needed in class and after completing the course; collecting eight soil samples from a participating agronomist; testing soil samples' physical, chemical and biological composition to determine greatest opportunity for improvement; using USDA guidelines to present potential scripts or soil treatment to improve yield and future use of land; and presenting results to participating agronomist and/or publically upon completion of the courses. Two classes will be held at the GCC Batavia Campus and three classes will be at Perry Central School in collaboration with a host farm in Perry, NY. *Register by May 24th.*

Batavia Campus

(5) Thursdays, June 1-29 • 6:00-9:00 pm

Part 2: Precision Ag — Making Data Useful

Fee: \$149

Students will interpret data, analyze the results, identify USDA guidelines to identify changes that would improve soil conditions, create a presentation covering their overall experience and results learned from the soil sample testing and wrap up the class with agribusiness and/or agronomist presentations. Three classes will be held at Perry Central School and the last two classes will be at the GCC Batavia Campus. *NO CLASS July 27th. Register by May 24th.*

THE GOOD OL' BOYS NEED YOU!

Are you looking for some fun-loving people to enjoy some cruises with new and older cars?

Go Out To Dinner, Ice Cream, Movies, Museums or Just Go For a Ride.

Make new friends, support our projects and add some fun to the community with our Annual Car Show, parades, festivals, or driving kids to the prom. We donate to charity, veterans, visit VA hospitals and the seniors on Murray Hill.

The Good Ol' Boys Car Club meets 6 pm on the first Sunday of each month at the VFW Hall, 3 Elm Street, Mount Morris. No vehicle necessary. Just come and have some fun.
