Holiday Giving Promotion!

How would you like to "Bring JOY TO CHRISTMAS" for an Okobojo student and their family this holiday season?? We are beyond excited to kick off our 3rd Annual Holiday Giving Promotion! Here are the details:

- Adopt a family or student by choosing a paper ornament from the tree located at any of the 3 building offices, through a SCRIP coordinator, or any of our school counselors before December 4th.
- Purchase SCRIP cards to be donated to the student and their family. Okobojo Counselors will deliver SCRIP cards to the families to use for the holidays (Gifts, Food, and Gas).
- Bring Joy to Christmas for a student and their family from right here in our own school district!

Let's all be part of giving this holiday season - this is a great scenario for all involved - the adopted families, the families donating, and our Okobojo schools! Please consider participating in this cause! You can contact us at any time; Brittany at 712-330-4862, Jodi at 712-330-0287, or Michelle at 712-330-5557, email us at oesscrip@gmail.com, order on-line at www.shopwithscrip.com (our enrollment key is D926C19E3L48L), or drop-off your order forms at the Lakes News Shopper during business hours or any school office. Fill A Boat, Fill A Tummy Oak Hill Marina Food Drive

Oak Hill Marina is pleased to announce the start of their 5th annual food drive, Fill A Boat, Fill A Tummy. The community is being asked to donate nonperishable items to Oak Hill Marina now through Friday, November 21, in order to help the hungry this holiday season.

Oak Hill Marina is reaching out to the public to help fill a boat full of food, which will be donated to the Dickinson County Food Pantry/Upper Des Moines Opportunity. "Oak Hill Marina wanted to do their part in helping those in need this holiday season and we are hoping to collect enough food to help feed the hungry during Thanksgiving," commented Jake Jostand, an owner of Oak Hill Marina. The employees of Oak Hill Marina will deliver the boatload of "hope" to Upper Des Moines Opportunity.

Non-perishables will start being collected Monday, November 3rd until Friday, November 21. Food may be dropped off at Oak Hill Marina during regular business hours which are as follows: Tuesday-Friday 9:00am - 5:00pm, Saturday 9:00am - 4:00pm, closed on Sundays and Mondays, or by appointment. Oak Hill Marina encourages everyone to give back to the community and to those who are less fortunate this holiday season. Another unique aspect of Oak Hill Marina Food Drive is the focus on "giving the good stuff," which encourages families to donate the kinds of foods that have the most impact at a pantry—such as peanut butter, canned tuna fish, and canned vegetables.

Oak Hill Marina is owned and operated by Jake Jostand and Tim Sather. Oak Hill Marina is a family friendly marina in the Iowa Great Lakes, committed to making a difference for families in northwest Iowa. In addition to their food drive, Oak Hill Marina also participates as volunteers for Meals On Wheels during the winter. "Laugh, Share, Reconnect." Oak Hill Marina.

Knights of Columbus Soup & Pie Supper a Big Success

Nearly 1000 people left the Spirit Lake Expo Building November 1 with full stomachs after the St. Mary's Parish Soup & Pie Supper sponsored by the Knights of Columbus Iowa Great Lakes Council 5043.

The Knights served five varieties of soup and homemade pie at the annual event, with proceeds going toward helping others in the community. The Iowa Great Lakes Council works with families, involving everyone to aid their church, the local community and one another. Other events to watch for are monthly pancake and omelette breakfasts at St. Mary's Community Room; annual Tootsie Roll® Drive for persons with intellectual disabilities; and the annual Free Throw Competition coming up January 10.

Iowa Great Lakes Council 5043 is one of the most active in Iowa, in the past year contributing more than \$18,000 to local community needs, including ECHO Plus, Iowa Helping Hands Fund, American Wheelchair Mission, the Grotto of the Redemption, Cherish House, Lauren Schell's India Mission, Women of the Well Project, Honor Flight for Veterans, as well as to local family, community and parish needs. Local Knights sponsor annual youth events including the Free Throw Competition and the Knights of Columbus Spelling Bee. They also run the Tootsie Roll Drive for Persons with Intellectual Disabilities Labor Day weekend, benefiting local organizations.

The Knights of Columbus is an international Catholic family fraternal service organization with 1.8 million members in more than 14,000 local councils. Last year, Knights donated more than 71 million volunteer hours and \$173 million to charitable and benevolent causes, sponsoring projects to benefit their church, councils, communities, families and youth.

- Jayda Liechti of Arnolds Park, parents are Josh & Kenzie Liechti in the Elementary School Category

Thank you to all the parents/kids who participated in the event and a special Thanks to the 60+ businesses who made the event possible.

The program consisted of singing those songs pertinent to the Veterans particular branch of service. All joined in with great enthusiasm and the evening ended with trumpet player, Riley Anderson, a member of the Okoboji High School Band playing 'Taps'. Northwest Bank Donates \$670 To Okoboji SCRIIP Program

Northwest Bank is proud to support the SCRIIP program which benefits Okoboji Schools. This program allows anyone to purchase store cards to local and national retailers and a percentage of the amount of the card sales goes back to the school. This program has been established for the past several years and participation in the program continues to grow. As of November 3rd the SCRIIP program has received rebates for benefit to the Okoboji Schools in the amount of \$8,513.25 so far this year. Total rebates since the program started is \$26,858.09.

Northwest Bank was the local business partner promoting SCRIIP sales during the month of October. In an effort to increase sales and to increase the number of families that utilize SCRIIP, Northwest Bank added a bonus during the week of October 26-30 and offered to donate \$10 for each card purchased during that week. The partnership was a success with 67 families who participated! The total rebate earned from the card sales was \$726.85. In addition, Northwest Bank's \$10 bonus per card totaled \$670.00, resulting in a grand total for the week of \$1,396.85 to benefit the Okoboji School program.

Northwest Bank would like to challenge future SCRIIP partners. If another business beats the week Northwest Bank accomplished, we will match half that amount, up to \$500.00!

Northwest Bank employees are proud of the communities they call home, and are always looking for ways to support our local schools and our youth.

Northwest Bank is a \$1.40 billion community bank that offers a full line of business, agricultural, mortgage, consumer deposit and lending services as well as wealth management services. Area Community Bands Present Fall Concert November 16

The Northwest Iowa Concert Band, directed by Rich Nicklay, and the Northwest Iowa Jazz Band, directed by Scott Benjamin, will present their annual fall/holiday concert, Monday, November 16, 7:30pm at Roosevelt Auditorium, Estherville. This will be the 30th year of the Jazz Band. Weather related postponement date will be the following evening. Volunteer members come from thirteen area cities: Algona, Arnolds Park, Emmetsburg, Estherville, Hardy, Humboldt, Ruthven, Spencer, Spirit Lake, Superior, Swea City, Wallingford, and West Bend. Free Admission and refreshments. The community bands are partially sponsored by Excel. Estherville, a non-profit corporation and affiliated division of the Estherville Area Chamber of Commerce.

The concert band will open the concert with the Spanish March, "Gallito", followed by "Three Sketches for Winds", by American composer, Clare Grundman. A beautiful arrangement of the spiritual, "My Lord, What a Mornin'" will be followed by "Illinois March". Rounding out the concert band portion of the program will be "Parade of the Wooden Soldiers" and Leroy Anderson's classic "A Christmas Festival." The jazz band will start off with "Harlem Nocturne", followed by "Embraceable You." Peter Cetera's "Baby, What a Big Surprise" followed by "Four Brothers" will conclude the program; however, there might be a Christmas Jazz tune tossed in the mix.

13 more than just lucky

With more than 300 area students auditioning, it took a lot more work than luck for the 13 nominated musicians from Spirit Lake and Okoboji high schools to each earn a seat in one of two bands that will perform January 21, at Dordt College, in Sioux Center. Spirit Lake honorees include Brittany Lende (alto sax), Ruby O'Hagan (clarinet), Nate Walsh (euphonium), Lauren Laven (alto sax), Lauren Sandison (French horn), Halleigh Hawkins (clarinet), and Noelle Yost (flute). Jady Baumann (clarinet), Hannah Roberts (tenor sax), Luke Thompson (trumpet), Thor Heimdal (trombone), and Catherine Rohret and Heather Nase (both tuba) will represent Okoboji. Heimdal and Rohret both earned first chair positions...

Many music events are set for the next week or so, including Wednesday night's appearance by *John Senn and Friends* at Table 316, from 7 - 9 p.m., and Thursday night's return of Adam Layman to the stage in the barn at the Little Swan Lake Winery, from 6 - 8 p.m.; and Sunday's show by Dave Rowley and Ryan Sather, from 4 - 6 p.m....

Spirit Lake High School's swing show, *Anything is Possible*, is also slated for Thursday and Friday night, and will include performances by the *Concert Choir*, *Meistersinger Chorus*, *The Music Factory* and many soloists and small groups — along with some inspirational music. Director Duane Ites says the show will both swing and rock! Curtain time is 7:00 each night in the SAMI Center auditorium.

There is no admission charge. Free will donations will be accepted... Also Thursday night, the folks in Jackson will be hosting their kick-off FUNdraiser for the much-anticipated *Jackson Center for the Arts* (where creativity will grow). The event will be held at the American Legion in downtown Jackson, where the fun will begin at 4:30, and is to include a spaghetti supper served by the Jackson Lions, music provided by Connor Creggen and Lynn Mullins, and a silent auction of works produced by area artists. They are planning on gallery space, art classes for all ages, readings, and more, including music concerts!

And, as mentioned here last week, Okoboji students are presenting *Seussical The Musical*, Friday and Saturday nights in the OHS auditorium -- at 7:30 both nights.

Two bands, the *Northwest Iowa Concert Band*, directed by Rich Nicklay, and the *Northwest Iowa Jazz Band*, directed by Scott Benjamin, will present their annual fall/holiday concert Monday, at the Roosevelt Auditorium in Estherville.

The concert band will open the concert with the Spanish march, *Gallito*, and include a spiritual, along with the Leroy Anderson classic, *A Christmas Festival*, and several other selections. The jazz band's performance will include *Harlem Nocturne*, and *Embraceable You*, with Peter Cetera's *Baby, What a Big Surprise*, and the Woody Herman favorite *Four Brothers*. There might even be a jazzy Christmas tune or two in the mix.

This is the 30th year for the jazz band. And while Professor A. Good Outlook is forecasting favorable weather, the snow date is to be the following night.

Another jazz show next Tuesday night will see the *Okoboji High School Jazz Band* in its maiden outing under Toni Hoffmann's direction.

The 7:30 performance will include songs written by or arranged by the likes of Stanley Turrentine, Bob Washut, Josef Zawinul, and Tito Puente, among others. Our favorites will be the Count Basie tunes *Blue and Sentimental*, and *Flight of the Foo Birds*, written by Neal Hefti for Basie's 1957 album *The Atomic Basie*, which arguably saw the Basie band at its best...

While we should remember that Wednesday is Veterans Day, research director R.D. thinks very few probably know that Wednesday is also the 77th anniversary of the first public performance of *God Bless America*. It was on her then-Armistice Day radio program, in 1938, that Kate Smith first sang a new version of the lyrics to the song Irving Berlin had written 20 years earlier.

We're betting that even fewer will know that today marks the 240th anniversary of the founding of the U.S. Marine Corps. To save you doing the arithmetic in your head, the year was 1775. Semper Parati!

Tim Nielsen performs in last spring's *Northwest Iowa Concert Band* show in Estherville. Ruthven is one of 13 communities represented by band members. The *Northwest Iowa Concert Band and Jazz Band* will present their annual fall/holiday concert Monday night at the Roosevelt Auditorium in Estherville.

All the news that fits we print.

Please send your music-related announcements or comments to RAMBOling@mindspring.com or P. O. Box 676, Okoboji, Iowa 51355-0676

The annual Demoney Scholastic Book Fair will be held the following days and times in the ELC School Demoney Library, 109 S 17th Street, Estherville, Iowa:

- Tuesday, November 17 - 8:00am - 3:30pm
- Wednesday, November 18 - 8:00am - 3:30pm
- Thursday, November 19 - 8:00am - 7:30pm
- Friday, November 20 - 8:00am - 3:30pm
- Monday, November 23 - 8:00am - 7:30pm

There are 100s of titles for Pre-School through 8th Grade. Stop by to check out the great products. We are open to the public during all of our advertised hours.

If you will be gone during our fair, or do not see what you are looking for, you can check out the online offerings at: <http://bookfairs.scholastic.com/homepage/demoneyelementaryschool>

The proceeds from the Book Fair go to the Demoney and Roosevelt Libraries.

Book Fair customers may donate their extra change when they attend the fair to the One for Books program to help purchase additional books for our students.

Customers may also participate in the Classroom Wish List and buy a book for an elementary teacher's classroom - stickers are provided to place in the book to recognize the donation.

OHS Trick or Treat for UNICEF

Thirty-two Okoboji High School Key Club members participated in Trick or Treat for UNICEF on Friday, October 30 from 4:30 – 5:30. This is the thirteenth year that this student service group has participated in this global service project. The students canvassed Milford collecting spare change to support the needs of underprivileged children around the world. A total of \$526.31 was collected. The organization wishes to thank the generosity of the Milford Community for another successful event. Key Club is sponsored by the Milford Kiwanis Club.

SL Indians MYFL 6th Graders Named League Champs

The sixth grade team representing the Spirit Lake Indians in the Midwest Youth Football League took home top honors after defeating Estherville Black in the A bracket championship game October 17 at Spirit Lake High School. The victory capped a 6-0 season for the Spirit Lake team.

Coach Scott Reynolds said he was proud of the effort from the team after all the hard work they put in on the practice field. "Many of the kids have been together all four years of MYFL competition," he said, "and in those four years they combined for an impressive 22-2 record."

Reports from other coaches and team parents indicated the Iowa Great Lakes Area team conducted itself like a champion with great teamwork and sportsmanship, reflecting the motto of the MYFL: Winning is an attitude, not a score.

Coaches Todd Backhaus and Cory Jungjohan echoed those comments, adding that the kids showed solid growth throughout the year in individual assignments and their deeper understanding of the game of football. They said the team came together and grew week after week, with wins against Ottercreek, Spencer, Algona, Martin County West, Estherville Red, and Estherville Black. The 6th graders dominated the gridiron on offense and defense this year, with 214 points scored versus just 20 points allowed in six games.

Players for the Indians included Cole Marx, Riley Reynolds, Jake Blomster, Max Ditsworth, Nicholas Phomsouvanh, Ethan Backhaus, Chase Clipperton, Nicholas Lammers, Austin Erickson, Olivia Whiting, Zach Jensen, Carver Jungjohan, Jack Latham, Josh Jackson, Preston Gaskill, Nicholas Mandelkow, Sam Norris, Mason Frangenberg, Isaac Early, Vance Katzfey and Drew Deitering (back row: Coach Todd Backhaus, Coach Scott Reynolds and Coach Cory Jungjohan).

Other teams in the sixth grade MYFL included Cherokee, Windom, Worthington, Okoboji, Jackson, Sioux County, Hartley, Harris Lake Park, Sheldon, St. James, Pocahontas, Alta-Aurelia and South West United. Spirit Lake had teams representing third, fourth, fifth and sixth grades. The MYFL Spirit Lake Community Leader is Chris Beck.

The team celebrated its championship at Vintage Block Inn and Suites in Okoboji, viewing game tapes from the year and enjoying pizza, campfires and games.

November Celebrates National Home Care And Hospice Month

Gentiva Hospice, St. Croix Hospice and Good Samaritan Home Care, join in celebrating National Home Care & Hospice Month. Every November, this observance honors hospice and home health workers – including nurses, aides, social workers, therapists and administrators – who make a remarkable difference in the daily lives of patients and their families.

"We are thrilled to be celebrating the achievements of the hardworking hospice team during National Home Care & Hospice Month," said Robin Lock, RN, Executive Director. "Every American family has faced the challenges that go along with caring for loved ones facing a terminal illness. November is a time to recognize and applaud the people who work so hard every day to help improve the lives of patients and families by working with them in the comfort of the patients' home setting."

Lock pointed out that November also marks the beginning of the holiday period when patients especially want to be at home with their loved ones. "This is a time when we like to remind our patients, their families and their physicians that we provide care in the home setting throughout the holidays, every day of the week," she said.

Hospice services involve providing expert medical care, pain management and emotional and spiritual support to patients primarily in their homes or other type of residence. It is designed to ensure each person's right to die pain-free and with dignity, and see that patients' families receive the support necessary to encourage this type of care. While hospice services continue to increase across the country, some common misconceptions that may prevent timely access to this important end-of-life care still exist. The annual celebration of National Home Care & Hospice Month serves to educate Americans about hospice service and dispel myths about it.

Patients and family caregivers who wish to learn more can contact Gentiva at 712-336-2941, St. Croix Hospice at 712-264-5674 or Good Samaritan Home Care at 712-336-3412.

SLMS Student Chosen For NW Iowa And All-Iowa Honor Band

Spirit Lake Middle School 8th grade student, Noel Roberts, recently participated in the annual Northwest Iowa Junior High/Middle School Honor Band. Noel was accepted through auditions in October, where she earned the honor of being the fourth top clarinetist in Northwest Iowa. They presented a concert at Buena Vista University on November 7. Noel also was selected as one of four eighth grade clarinetists to participate in the All-Iowa 8th Grade Honor Band in Des Moines in May 2016. Approximately 300 seventh and eighth grade musicians from 40 northwest Iowa schools auditioned to be accepted into one of two equal honor bands.

Good Luck Indians

The #2 Spirit Lake Indians roll into the UNI-Dome this weekend as one of the hottest teams in high school football. Spirit Lake got a huge quarterfinal win over a much improved Central Lyon team on Friday night 35-13. The Indians fell behind 6-0 and 13-7 in the game, and got tested by the Lions throughout this game, which will be good for them in their game(s) at the Dome, but they dominated the second half on their way to another trip to the UNI Dome. Spirit Lake will play in the 2-A Semifinals against #4 North Fayette on Saturday at 4:05PM. The Indians enter the game with a perfect 12-0 record while the Tiger Hawks enter the game with a 10-2 mark after their quarterfinal 24-20 victory over Waukon. The Indians took out last year's State runner-up Sioux Center in the first round of the playoffs and will now look to take out last year's State Champs in the semi-finals. Spirit Lake has had one fantastic season and we wish them good luck on Saturday!

My editorials will be few and far between for quite a while now as we have officially started our high school basketball season on Monday. I will try to sneak in some articles when something big happens, but for now my time that was spent writing over the weekends and Monday mornings turns solely to the Okoboji High School Girls Basketball team.

Tales Of Tails

Once upon a time... as any good tale should begin is a good way to start the tale of Bright Eyes, one of the Humane Society's successful rescues. It's rather an Ugly Duckling or even a Cinderella-type fairy tale.

Two months ago, on a dreary rainy day, a woman called the shelter concerned about a small light grey cat continually trying to get into her apartment door. One of the shelter employees drove to the woman's apartment but couldn't find the cat. As he was leaving, he suddenly saw the animal lying in the driveway almost the same color as the crushed rock. Picking her up he realized she was near death; he put her into the car and headed back to the shelter.

Examining the cat revealed she had had kittens and was evidently bravely searching for food and help. Petting her was like stroking a bag of bones. She had ear mites, was infested with fleas, and was even losing the hair on her tail. A trip to the vet added a urinary track infection to her diagnosis. She obviously would have died without the woman's compassionate phone call to the shelter.

Now, two months later, Bright Eyes, named for her unusual fluorescent green eyes, is a lively and loving beautiful cat. Her light grey, mottled with white and tan, fur is thick and healthy even on her tail that had become nearly bare at its base. It's amazing what a good diet, health care, and attention can accomplish.

The tale of Bright Eyes is very much like a fairy tale beginning with once upon a time, a Cinderella story waiting for a truly happy ending when a family takes Bright Eyes to a forever home.

Remember... "In a perfect world every animal would have a home, and every home would have a pet."

Call the Northwest Iowa Humane Society at 712-338-2738 or come see the animals at 607 28th Street, just north of Milford - open Thursday through Sunday, noon to 6:00pm.

Abbott Elected To Executive Hospice Board

Lakes Regional Healthcare (LRH) Director of Home Care and Hospice, Missy Abbott, was recently elected to the executive board of the Hospice and Palliative Care Association of Iowa (HPCAI). HPCAI is the statewide leader in the enhancement of palliative and end-of-life care through representation of and service to palliative and hospice care providers.

Abbott has served on the board for one year and was recently nominated and voted to be the Treasurer, which is one of five executive positions on the 14-member HPCAI board. She starts her two-year term this month, in which time she will also serve on the board's advisory committee. Abbott will be responsible for promoting and representing quality hospice and palliative care as a liaison between the HPCAI and the hospice and palliative care providers throughout Iowa. She said, "It is important for me to keep up to date on developments in the industry to be able to assist others with questions and concerns they face."

LRH Vice President of Quality, Inpatient, and Community Services, Connie Lange, said, "We appreciate her involvement on this board and in other organizations - she also serves on the Iowa Alliance in Home Care executive board. It demonstrates her commitment to personal and professional excellence, and contributes to the high quality care patients receive at Lakes Regional Healthcare."

Abbott said, "I enjoy being on the board and being involved, as I am passionate about end-of-life care. Through my board representation my goal is to continue to educate the public and the health care community about the importance of early conversations regarding end-of-life care planning and the benefit of hospice services adding quality of life to those facing a terminal condition."

LRH Staff Earn Certification For Healthcare Leadership

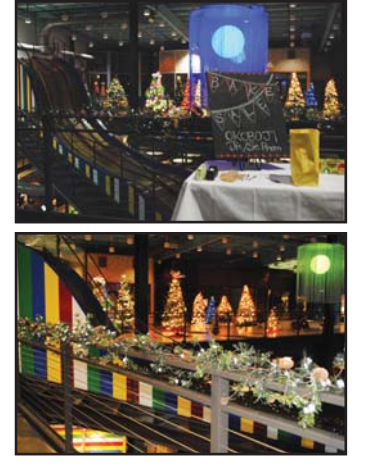

Three of Lakes Regional Healthcare's (LRH) leadership team were recently recognized at the Iowa Hospital Association's annual meeting. LRH Vice President of Human and Foundation Resources Sonja Hamm, Emergency Room Manager Chris Ingraham and Director of Home Care and Hospice Missy Abbott were recognized among their peers at the statewide meeting on October 6 for completing a Healthcare Leadership Certification Series. The series spanned six months and included on-site educational programs, webinars, and online courses on topics such as the legal aspects of management, accountability, team building, and financial skills.

"We are fortunate to have great people working within our organization that are committed to becoming even better leaders, which makes Lakes Regional Healthcare as a whole that much stronger," said LRH President and CEO Jason Harrington. "We're very proud of their accomplishments and to have them a part of our Lakes Regional Healthcare team."

SL Community Blood Drive Results

LifeServe Blood Center would like to encourage people who have never donated blood to give it a try. Eligible blood donors must be at least 16 years old, should weigh at least 120 pounds and should be in general good health. Blood donors are encouraged to eat a good meal and drink plenty of water prior to making a blood donation and a pre-printed form of identification is required to register to donate blood. More volunteer blood donors are needed to fill in for regular donors who may not always be able to give blood. Give blood donation a try and maybe you will form a life-long, life-saving habit.

LifeServe Blood Center is looking for a chairperson for the Spirit Lake Community Blood Drive that is held six times a year. Please contact Kim Wendzillo at 712-212-5018 if you would like to learn more about this opportunity.

And now for the results from the November 3rd Blood Drive in Spirit Lake...

PEBC Public Programs

The following Prairie Ecology Bus Center (PEBC) Public Programs will be held at the Prairie Ecology Bus Center (Sparks Park, 935 North Highway 86, Lakefield, MN). Pre-registration is required. Please call 507-662-5064 or email marilyn@ecologybus.org.

- Nature's Hoarders:** Saturday, November 21 from 9:00 - 10:00am; open to youth in grades K-2/families.
- Scavenge, save, store. Unlike humans, animals can't run to the supermarket to fulfill their basic needs. Take part in a journey around the great outdoors to unearth the ways animals adapt to ensure survival through winter.
- Living Ornaments:** Thursday, December 3 from 6:00 - 7:00pm; open to middle school youth through adults.
- Take a little piece of nature home with you for the holidays. Join a Prairie Ecology Bus Center naturalist as we learn to build terrarium Christmas ornaments. These miniature growing gardens make a beautiful holiday decoration for your home or holiday gifts for friends and family. Pre-registration required by November 15.
- Penguins on Parade:** Saturday, December 12 from 9:00 - 10:00am; open to families.

Discover the wonderful world of penguins. Experience firsthand how their feathers and blubber keeps them warm in their frosty world. We will have fun with activities like the Penguin Waddle Race, the Penguin slide, and more. Even better, you get to make your very own penguin to take home.

Children's Musical "Junie B." At PLAC

Junie B.'s Essential Survival Guide to School, a musical based on the books by Barbara Park, will be performed in the Lauridsen Performing Arts Theatre at the Pearson Lakes Art Center on Saturday, November 21 at 2:00pm, under the auspices of Erpelding, Voigt & Co.; Great Lakes Dental, Dr. Pollard, Great Lakes Insurance, Jerry & Chris Block, Optique, Johanna Dukes, & Dr. Tarra Vander Leest.

Now that JUNIE B. JONES has been going to school for over one-and-a-half years, who better to write the book on EVERYTHING you need to know? From bus rules to band-aids, carpools to cookies, Junie B. and friends deliver the definitive word on surviving and thriving in style. With a jillion tips, tricks and trip-ups, Junie B. shares her hard-won expertise and shows us all how school is sometimes scary, sometimes super-fun, and ALWAYS something to sing about.

Junie B.'s Essential Survival Guide to School brings together the creative team from the original JUNIE B. JONES musical. This 60-minute show is recommended for audiences age 5 and up.

After a brief New York City-area tour in spring 2015, Junie B.'s Essential Survival Guide to School began its national tour in fall 2015. Junie B.'s Essential Survival Guide to School is able, as are all Theatreworks USA productions, to play a wide range of venues, from large Broadway-sized performing arts centers in major metropolitan areas to elementary school cafeterias in small towns.

The six actors and stage manager touring with Junie B.'s Essential Survival Guide to School rehearsed for two weeks in New York City with the director and choreographer. Once the tour begins, the actors and stage manager typically arrive at the performance venue early in the morning to set up the scenery and to prepare for the performance. Following the show, they pack the set, costumes, and sound equipment into two large vans, and drive to the next city, sleep in a hotel, and begin the whole ritual again the following day.

Theatreworks USA has a distinguished history of not only providing young audiences with their first taste of the performing arts, but also giving young actors, writers, directors, and designers an early opportunity to work in this field.

Theatreworks USA is America's largest and most prolific professional not-for-profit theatre for young and family audiences. Since 1961, Theatreworks USA has enlightened, entertained, and instructed over 72 million people in 49 states and Canada, now performing for about four million people annually. Every year, the company tours approximately 16 shows from its ever-growing repertoire of 115 plays and musicals. In addition, Theatreworks USA also has an extensive multi-cultural guest artist roster, including storytellers, puppeteers, poets, and magicians.

The public is invited to attend the programs honoring our veterans. Also a dance "Rock for Vets" will be held from 7:00 - 9:00pm on Friday, November 13 at the pavilion in Arnolds Park. LETTERS TO THE EDITOR

The publisher does not necessarily share the views/opinions stated in the "Letters to the Editor" published in The Lakes News Shopper.

To The Editor:
 Modernization of the tax code is the first step to a healthy economy and financial security. The IRS business tax code is unfair to smaller employers. The U.S. has the highest corporate tax rate in the developed world. And the tax system is so broken that it encourages multinationals to hide billions in profits overseas while reducing the federal taxes paid by corporations that exploit all its loopholes.

Close loopholes and set the rate at a competitive 25%. Modernizing the tax code creates a playing field for U.S. businesses to compete abroad.

Hardworking taxpayers and small businesses are doing their part to drive growth and create economic opportunity, but they're not getting any support from Washington. Washington isn't helping; in fact its game-playing is holding us back. Washington is too concerned with Washington, and elected officials are too busy engaging in petty partisan squabbles. They need to reduce the finger-pointing and start doing the real work that we sent them there to do. Now, more than ever, the country needs elected officials who will work for their constituents, not just their party.

Modernization of the tax code, starting with setting a more competitive rate, will help businesses invest in workers, training, R&D, product development and is how America can succeed globally and here at home. In an increasingly global economic environment, American small business owners and wage earners deserve to operate in an environment that fosters domestic investment, job opportunities, wage improvement, and economic growth.

Farm Market News By Mike Miller
 Located At Dickinson Co. Fairgrounds
 15th Street & Peoria Avenue Spirit Lake, Ia 51360

Preserving goodness.
 Welcome to farm market news. As we get our pantries in order for the winter months, let's remember that moisture is our enemy in the pantry. My own pantry has potatoes, squash (many varieties), sweet potatoes, onions, garlic and shallots. For long storage life, when harvesting winter squash, it's important to leave some of the stem attached to the fruit. After purchasing, let your vegetables cure in a warm place (75 to 80 degrees F.) for 10 days or so. When ready for storage the outer skin should be very firm. In fact, it is a good idea to cure all the vegetables that you want to store throughout the winter.

Beets and Carrots
 These root vegetables need high humidity to keep fresh and there is no better way than to use the vegetable bin in your refrigerator. For refrigerator storage, lie similar-sized, same-variety vegetables in a single layer in gallon freezer bags. Remove as much air as possible before sealing each bag. Stack bags flat on a shelf or in a drawer in the refrigerator. Check monthly for decay and use those first. Beets will stay hard and sweet for five months or more; carrots should last almost as long. Should there be fine root hairs or a little decay, simply peel this off; the root itself will be fine. Carrots and beets can be shredded raw into salads, or can be parboiled, added to soups or stews, or roasted. The beets generally do not make it past Thanksgiving, because we love the taste of cooked beets and honey. Needless to say it is very good for your health as well. Carrots last until February without much loss of sweetness.

Holiday Market Update
 The holiday market will be held in the Dickinson County Community Center on December 5, 2015. The time has changed to 9:00am until 2:00pm. Stop by and load up for the Christmas Holidays and ball games. Until next week gentle readers EAT WELL!

ILCC Students Conduct Food Drive At Emmetsburg Campus

Students at the Emmetsburg campus of Iowa Lakes Community College are conducting a Pre-Thanksgiving Food Drive in an effort to help stock the shelves at Upper Des Moines Opportunity.

Early Childhood Education students had the initial idea and got the Student Senate to also be involved in the project.

"We also want to involve the community and the staff here on the Emmetsburg campus," said Jasmin Anzua, one of the organizers.

Starting now, interested individuals are encouraged to drop off any food items at the Student Senate office next to the cafeteria, at the city/college library or the main business office at entrance #1.

"Please help us make the Thanksgiving holiday brighter for area families," said Jocelyn Waterbury, a freshman student in the Early Childhood program.

Organizers are asking that any non-perishable items be brought to the college by mid-day on Wednesday, November 18.

Anyone with questions may contact Professor Jamie Christensen at 712-852-5268 or Associate Professor Melissa Regelstad at 712-852-5289.
