*This week we will complete the sale of Buy Rite Foods to Sunshine Food Stores.*

*We are extremely grateful and appreciative of the confidence you have placed in us over the years.*

*And we want to say thank you to our many, many friends, neighbors, suppliers and employees.*

**THANK YOU** - To the residents of Milford and of the surrounding area that have shopped with us and supported us over these many years. We are proud and privileged to have provided quality products at fair prices to multiple generations of our friends and neighbors. Your loyal support has enabled us to serve you continuously for 51 ½ years.

**THANK YOU** - To our summer residents and visitors to this most beautiful part of Iowa – the Iowa Great Lakes. We thank you for supporting our store when there are so many other worthy competitors in the area. The extra business helped sustain us and enable us to continually invest in our business to make it a nicer place to shop.

**THANK YOU** - To our wonderful suppliers and vendors for providing us with fairly priced, quality products and the necessary services to maintain our building and operations. Your dedication is truly remarkable.

**THANK YOU** - To the City of Milford for being such a wonderful and supportive city in which to live and work. We are so very appreciative for the municipal services we have and the care you take in making our city desirable and appealing. Milford is a great place to raise a family and operate a business.

**THANK YOU** - To our many, many employees over the years. We are gratified to have been able to provide first jobs to many teenagers over the years and to give them an introduction to business and work life. We are proud for the many employees, past and present, that have served our customers for many years. Truly, without you we would not have been successful.

**THANK YOU** - To the many friends we have met along this journey. We are truly thankful and immeasurably blessed to be able to call you our friends.

*The sign on the door will change, but the commitment to our community, customers, employees, vendors and friends never will.*

*Thank you from the bottom of our hearts.*

**Boy Scouts Help With Team WAVE**

A big thank you to Milford Boy Scout Troop 170 who helped with the Team WAVE tree sale on May 9th at Arnolds Park City Hall. Pictured with their Scout Master Mick Umscheid, Assistant Scout Masters Bob Eilers, Linda Nase and Team WAVE volunteers are Quinn Dodds, Erik Sandven, Bryce Geick, Aiden Immens, Matthew Heikens, Samuel Heikens, Carter Menefee, Mason Arrowood and Austin Simpson. Also thank you to the American Legion Post 384 for sponsoring this Boy Scout troop.

A grant from Black Hills Energy funded the purchase of 55 trees consisting of Honey Locust, Black Hills Spruce, Flowering Crab and Blaze Autumn Maple. The grant made it possible to sell the trees for \$25 to Arnolds Park residents.

Team WAVE (Willing Active Volunteers for the Environment) is a beautification committee of volunteers for the City of Arnolds Park. Team WAVE plants and maintains a variety of trees, shrubs, perennials and annual flowers throughout the city. One of our newest projects is the hanging flower baskets along Broadway. Our meetings are held the third Wednesday of the month at 1:00pm at Arnolds Park City Hall. Come join us if you are interested in being a part of this community project.

Team WAVE and the City of Arnolds Park would also like to thank everyone who participated in our Adopt-A-Flower-Bed program in 2014. Some of you have been part of our Adopt-A-Bed program for several years, and we appreciate the work you do. Helping us keep our landscaped areas of the city clean and beautiful for everyone to enjoy is no easy task, and we thank you for your part in that. Your participation is very important to us.

If anyone who is interested in our Adopt-A-Flower-Bed program, we do have areas available. This consists of taking care of a small area by keeping the trash picked up and weeds pulled for one season. Team WAVE will put a sign out for you with your name on it. This program is open to individuals as well as businesses.

Please call the Arnolds Park City office at 712-332-2341 if you want more information or to make a contribution to Team WAVE.

### Wolff Selected To West Point's Summer Leaders Experience

Morgan Wolff, a junior at Spirit Lake High School, and the daughter of Michelle Wolff has been selected to be among 1,000 attendees at West Point's prestigious Summer Leaders Experience (SLE) in June 2015.

More than 5,000 juniors nationwide applied to SLE, which offers outstanding high school juniors the opportunity to experience life at West Point. SLE attendees live in the cadet barracks (dormitories), eat in the Cadet Mess, and participate in academic, leadership, athletic, and military workshops. The one-week seminars are designed to help juniors with their college-selection process, while giving them an idea of the importance of leadership and sound decision-making in their education, careers, and lives, in general.

All SLE attendees participate in virtual-reality war simulation, and military and physical fitness training, and, in addition, each student selects three of the 15 offered workshops.

The United States Military Academy at West Point is a four-year, co-educational, federally funded undergraduate college located 50 miles north of New York City. A preeminent leadership development institution, West Point was founded in 1802 as America's first college of engineering. Since then, West Point has grown in size and stature, but remains committed to the task of producing commissioned leaders of character for America's Army.

For more information about West Point, go to <http://www.usma.edu/admissions>

## RaeLynn To Perform At 2015 Clay County Fair

The Clay County Fair is excited to announce an evening of country music featuring RaeLynn with special guests Kelsey K and Casey Muessigmann presented by CD 107.7 in the U.S. Cellular Grandstand at the 2015 Clay County Fair on Saturday, September 12 at 7:30pm.

"A night of three up-and-coming country musicians will be a great way to kick off the 2015 Fair," said CCF Manager Jeremy Parsons.

The spunky Texas native, RaeLynn's debut single "God Made Girls" quickly reached the #7 on Billboard Hot Country Songs chart. It was the highest charting debut single by a solo female in 2014 (Billboard & Country Aircheck). In January, she released Me, showing her depth, and reached into the Top 5 on the iTunes Country Top Albums chart. She was also chosen as the iHeart Radio "On the Verge Artist," where she was the first country music female artist to be selected for this honor. She is currently featured in Blake Shelton's song "Buzzin" from his new album.

Writing over 200 songs, recording her first song at age 11 and releasing her full length album Blue Jean Girl, makes Kelsey K a child prodigy who is full of energy. She is a natural born performer and has captured the hearts of audiences at over 250 live acoustic and band performances in the past three years. Kelsey has signed her first production/co-publishing deal with Vision AD Nashville in March 2013.

Spencer native Casey Muessigmann has a personality just as big as his smile. Casey brings an upbeat Midwest attitude to every show. Since appearing on "The Voice" as a member of Blake Shelton's team he has focused his energy on writing and co-producing his newest album, Between the Rows.

Tickets will go on sale Thursday, June 4 at 10am. Tickets will be \$28 for general admission stage front standing, \$23 for reserved Grandstand seating and \$18 for general admission bleacher seating. Tickets can be purchased at [www.claycountyfair.com](http://www.claycountyfair.com) or by calling 1-515-244-2771.

"Take It All In" September 12-20, 2015 at the Clay County Fair in Spencer, Iowa! Known as "The World's Greatest County Fair" since 1917, the Fair attracts more than 300,000 people each September for world-class Grandstand events, daily livestock and horse shows, more than \$125,000 in free entertainment, thousands of competitive exhibits, the thrilling GoldStar Amusements Midway, every imaginable type of fair food, hundreds of commercial vendors and the largest farm machinery show at any fair in the United States! For more information, visit [www.claycountyfair.com](http://www.claycountyfair.com).

**LETTERS TO THE EDITOR**

To the Editor:

On behalf of the American Red Cross, we wish to express our deep appreciation and to say "thank you" to every donor, volunteer and support person who participated in the May 18th blood drive in Spirit Lake. A huge "thank you" also to Fareway Foods for providing the delicious cookies that were served in the canteen.

We had 48 presenting, 2 deferrals, 5 double reds and 41 whole blood donors making a total of 51 units. We were short our goal by 4. We hope on August 20th we will EXCEED our goal.

Your generosity is most appreciated by those needing transfusions in trauma situations and for on-going treatment of chronic life-threatening illnesses.

**Emerald Hills Golf Club Raised \$3,525 For LRH Cancer Program**

Lakes Regional Healthcare Foundation recently received a gift of \$3,525 for Lakes Regional Healthcare's cancer program. The gift was provided by Emerald Hills Golf Club as a result of their Kentucky Derby Breast Cancer Golf Tournament that was held on May 1.

"This has been an annual event for many years now, and we are so appreciative of Emerald Hills Golf Club for their continued support of us and local cancer patients," said Sonja Hamm, Executive Director of Lakes Regional Healthcare Foundation. "This gift will allow us to help patients and make a personal impact on their lives."

The annual golf tournament and derby event is coordinated every year by Kim Butler and Donna Janssen, from Milford and Spirit Lake respectively, and the funds raised are split equally to benefit Lakes Regional Healthcare's cancer program and the Abben Cancer Center. "Thank you for the continued support of the community that helps make the event a success," said Butler.

Janssen added, "We are very thankful for the support of the tournament and are pleased the dollars can support patient care and patient needs in the oncology departments at both facilities."

Lakes Regional Healthcare Foundation was organized exclusively for the purpose of supporting and benefiting Lakes Regional Healthcare and the expansion and improvement of healthcare services to the area. Those interested in information about donating to Lakes Regional Healthcare Foundation are encouraged to call Sonja Hamm at 712-336-8791.

## Iowa Great Lakes Lutheran Musical

The Iowa Great Lakes Lutheran School students in grades K-6 would like to invite you to come to their spring musical, "God's NOT DEAD" on Wednesday May 27th at 6:30 at First English Lutheran Church in Spencer. The students are very excited to share the love and power of God in their musical presentation! Time of fellowship to follow.

LRH President and CEO Jason Harrington and Okoboji Middle School TAG Students Jack Hines, Will Hoffman, and Caleb Miller.

## OMS Tag Students Collect And Donate DVDs For Hospitals

Staying overnight at a hospital isn't high on a kid's list of favorite ways to spend time. But thanks to three Okoboji Middle School Talented and Gifted (TAG) students, the experience may be a bit more enjoyable.

Students in the TAG class were asked to conduct an investigative research project that would solve a real-life problem. After learning that many kids have extended stays in hospitals, and after one of them as well as a cousin of another recently stayed in a hospital and were somewhat bored, Okoboji Middle School students Jack Hines, Will Hoffman, and Caleb Miller had the idea of collecting kid-appropriate DVD movies for kids to watch to better pass the time.

Their teacher, JoAnne Sackett, said, "They were very enthusiastic about it and pursued it by challenging the classes in the school to see which one would collect the most DVDs."

They had a goal of collecting 50 DVDs and ended up collecting over 400. The DVDs are being sent to hospitals across the Midwest.

Lakes Regional Healthcare received 25 of the DVDs. LRH President and CEO Jason Harrington said, "I was fortunate to be able to review their project. The boys were very articulate, bright, and did a great job organizing the project. We appreciate what they've done to make receiving care at Lakes Regional Healthcare even better for our pediatric patients. It's nice to see kids such as these boys taking the initiative to do good things like this."

## Benefit For Dorthy And Larry Kelly

The public is invited to a "Party for a Cause", which will be a Dinner/Dance hosted by the Softail Saloon in Superior, Iowa. The party will be June 6th, 2015, and will run from 5:00-8:00pm. There will be no cover charge, however, a free-will donation would be appreciated. The Softail Saloon is providing the dancing and dining area, the HyVee of Spirit Lake is providing pulled pork sandwiches and all the trimmings, The Jessie James and the Outlaws Band will provide the music for the dance and show. Numerous other friends have played a role in putting this fundraising event together.

The CAUSE for this party is simple. It is a fund raising benefit to help a couple of long-time residents of this area (Dorthy and Larry Kelly), deal with the medical costs of post-surgery complications that have been plaguing them for about 2 years. Many of these expenses are not covered by normal insurance coverage (travel, overnight stays at motels, care facilities etc.).

It is our goal to raise some funds (through your good will) to help defray some of these unexpected medical costs, and to also enjoy some good food and music while doing it.

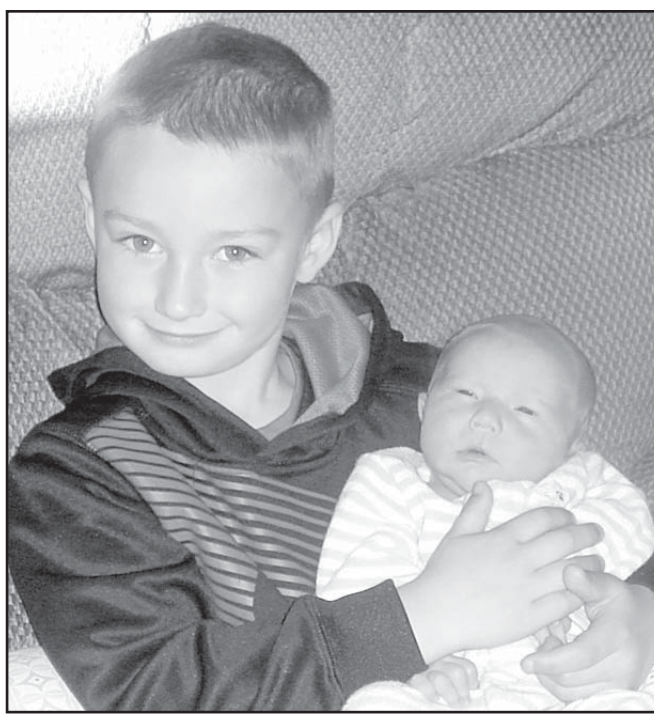

All proceeds from this "Party with a Cause" will go directly to the parties involved and we all hope that they will get well soon.

**Seasons Center Awarded Grant Funds to Assist Children and Families**

Seasons Center for Behavioral Health, an Avera Partner, has been awarded grant funding from the Sioux County Community Foundation in the amount of \$1,451.00 to provide Seasons' Sioux Center therapy staff with updated, high-quality materials, resources, and tools to use when providing services to children and families.

Educational and therapeutic resources and toys encourage the safe expression of feelings and support the development of healthy behaviors. Many of the children served by Seasons have faced one or more significant traumas in their lives. Intervention early in a child's life can affect all aspects of their long-term health including emotional well-being and social development. Improved health leads to improved school attendance, classroom behaviors, peer relations, and better grades.

"We're very grateful to the Sioux County Community Foundation for this funding in support of our office in Sioux Center," says Kim Scorza, Executive Director.

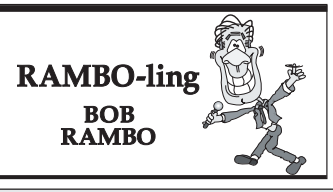

For more information on Seasons' services, please visit our website at: [www.seasonscenter.org](http://www.seasonscenter.org) and Facebook page [www.facebook.com/SeasonsCenterForBehavioralHealth](http://www.facebook.com/SeasonsCenterForBehavioralHealth)

**Ballroom Dancing & Lessons**

Sunday, May 31, dance at the senior building (under the water tower in Spirit Lake). Ballroom dancing lessons at 1:30pm with dancing from 2:00 to 5:00pm to Shirley's Big Band Music. All ages welcome. Snacks provided. Come and enjoy.

Laura Nielsen and Hannah Roberts tune-up with other members of the Okoboji High School Jazz Band just before the group's final concert of the school year, May 9th, at the Pearson Lakes Art Center, in Okoboji.

**The End of an Era**

While Wikipedia may not be the epitome of accuracy, the Wiki definition of "Era" seems fitting as Julie and Greg Forney retire from the music program at the Okoboji Community Schools:

An era is a span of time marked by character, events, changes on earth, etc...

Statistics are often used to tell the story in historic and sports events. So let's go to the stats:

Okoboji was state runner-up in Class 2A at the Iowa Jazz Championships this year, qualified for the Iowa Jazz Championships 22 times under the Forneys, placed in the top five 20 times, and has won the Class 2A state championship four times, (2011, 2010, 2000, 1999).

In addition to the jazz band's success, it was the members of the OHS Concert Band who were recognized in state competition earlier on May 9th for a 3.51 cumulative grade point average. The concert band earned a Division I (Superior) rating in 19 of the last 20 years.

In addition to his praise of the students, Greg Forney acknowledged that much of his students' success is owed to a very supportive administration and the families of all music students.

Even 15-year OHS math teacher Scott Seeger (whose wife also teaches math at OHS) heaped on accolades for both Julie and Greg.

Julie, who bills herself as the "senior member" of the duo, taught at Arnolds Park before Greg joined the district following the merger of the Arnolds Park and Milford systems in 1987.

It was Julie who so patiently put up with the squawking of the instruments in early weeks of lessons, and set up the instrumentation of the OHS bands.

So it is only logical that when Okoboji alums Matt Richter, and Brian, Kevin, and John Moore thought about honoring the duo that they decided on a scholarship fund to be called the Julie and Greg Forney Music Educator Scholarship to benefit future graduates. Richter said they calculate that a \$10,000 fund should generate at least \$500 in scholarships each year.

"There was no way we could ever pay the Forneys back for all they have done. This is our way of paying it forward," he added.

Your tax deductible donations may be made to: Forney Scholarship, c/o Northwest Wealth Management, P. O. Box 253, Milford, Iowa 51351-0253.

You are invited to join the Old Professor for Ballads, Blues and Big Bands, too, at Class 105, The LIVE Broadcast from the College of Musical Knowledge at the University of Okoboji.

Class 105... airs Sunday mornings from eight 'til noon, on 105.7, KRAQ-FM.

All the news that fits, we print. Please send your music-related announcements or comments to: [class105@connect.com](mailto:class105@connect.com) or P. O. Box 676, Okoboji, Iowa 51355-0676

Greg Forney takes time during the May 9th jazz band concert to talk about the music program and praise the student band members -- many of whom are involved in several extra-curricular activities and hold jobs in their 'spare' time. Bass player Austin Kolegraff appears with Forney and trumpet player Luke Thompson.

**Volunteer For Water Quality**

Summer is just around the corner, and so is Iowa Lakeside Laboratory's lake monitoring season.

If you would like to learn about lake ecology, water quality, or just enjoy being on the water, the Cooperative Lakes Area Monitoring Project is looking for you! Free training and equipment are provided, all you need is to attend one free training session, have access to a boat, and to be willing to volunteer about a half-day of your time at least three times a summer. Participating lakes include Big Spirit Lake, Little Spirit Lake, Center Lake, East Okoboji, West Okoboji, Upper Gar, Lower Gar, Minnewashta Lake and Silver Lake. Volunteers are especially needed for Center, Silver and Little Spirit Lakes.

Four training workshops will be offered: Friday, May 29 from 10:00am to noon; Saturday, May 30 from 10:00am to noon or from 1:30pm to 3:30pm; or Monday, June 1 from 10:00am to noon. Training will also include updates on the Global Lake Ecology Network (GLEON) buoy recently installed on Lake West Okoboji.

To register for a workshop or for more information about how to get involved in CLAMP, please contact Jane Shuttleworth at 712-337-3669 ext. 7, or jane-shuttleworth@uiowa.edu.

CLAMP is coordinated by Iowa Lakeside Laboratory and sponsored by the Friends of Lakeside Lab. For more information and to review previous year's data, visit CLAMP1909.blogspot.

Dickinson County Conservation Student Plantings

The Dickinson County Conservation Board is committed to protecting monarch butterflies and other pollinators through the planting of milkweed and other native prairie species throughout the community.

Students from the four Dickinson County school districts assisted in this mission during a planting project Tuesday, May 12, on six acres adjacent to Pure Fishing's facility in Spirit Lake. Pure Fishing partnered with Dickinson County Conservation, the Iowa Great Lakes watershed coordinator, The Prairie Flower of Fostoria and Dickinson County Pheasants Forever to plant a native prairie plot.

About 225 students were able to spread seed, plant prairie plugs and learn about how pollinators make possible one in every three bites of food that we take. Fifth-grade classes from Graettinger-Terrill and Okoboji as well as sixth-grade classes from Harris-Lake Park and Spirit Lake participated in the event.

"The teachers had very positive feedback, and I think the whole day was a success," said Kares Knudson, environmental education coordinator with the Dickinson County Conservation Board. "It was wonderful to see all the agencies come together to make it successful for the students."

The conservation board staff have been growing hundreds of native prairie seedlings at the Dickinson County Nature Center which were used for the Pure Fishing planting project and will be utilized for other student planting programs.

The sixth-grade environmental club at Spirit Lake Middle School planted native prairie and woodland species at the Audubon Sanctuary in Spirit Lake Monday, May 18. The sixth-grade class and environmental club have worked for the past three years to rejuvenate the Audubon Sanctuary located at 2510 Denver Ave., and they have learned what conservation professionals do to restore pieces of property.

Naturalist Charles Vigdal said the environmental club students have been testing out a growing system that they could utilize next year to grow native species for the Audubon Sanctuary as well.

The Okoboji fifth-grade class also had the chance to plant native species in three ecosystems at Kenue Park in Okoboji, wrapping up a year-long project with the conservation board.

The class began the year with a field trip to learn about the different ecosystems in Kenue Park and then spent time in the classroom researching pollinators, plant structure and certain prairie plants. That classroom knowledge was then put into action as students were able to plant the specific species that they researched.

"This type of project enables students to transfer

the knowledge gained in the classroom into hands-on application in the field," Knudson said.

The push for protecting monarchs and other pollinators does not stop with students though.

"We are growing limited quantities of milkweed plants to sell to the general public throughout the season, so they can be part of the solution," Knudson said. "Our aim for these projects is two-fold --- we want to get plants in the ground, but also we are aiming for an 'awareness campaign' where Iowans commit to providing space in their yards for milkweed and other native flowers. We are working to have some of those plants available for purchase at the nature center, but there are also other local growers that have varieties of flowers for sale."

Milkweed is a vital plant for monarch butterflies, because monarch caterpillars eat that plant exclusively. Increasing milkweed habitat will help to increase monarch populations.

"Monarch butterflies are an iconic representation of pollinators, which also include native bees, honeybees, other insects and hummingbirds," Knudson said. "We need to increase habitat for pollinators as they are an intricate link to our food supply, pollinating at least one out of every three bites of food."

Monarchs are the quintessential pollinator, representing a whole host of species quietly doing one of the most important jobs on the planet, but the species is in trouble, having lost 96 percent of its population since 1992.

Iowans of all ages have an opportunity to make a real difference in the monarch population and for pollinators in general. It's simple --- plant native flowers in your yards, from milkweed species for monarchs to a variety of other native flowers for other pollinators.

"Monarch caterpillars only eat milkweed plants," Knudson said. "Therefore, if we provide milkweed habitat, we will increase monarch populations. Everyone can help, no matter how big or small your backyard. No milkweed means no monarchs. It's that simple."

## Iowa Lakes Grad To Glide In World Championships In Lithuania

Not every student who takes flying lessons at Iowa Lakes Community College majors in aviation and goes on to be a commercial pilot. Take Tony Condon, pictured, who majored in pre-engineering and transferred to Iowa State University in Aerospace Engineering.

Now the Estherville native is preparing to compete in the World Gliding Championships.

World Gliding Championships are held every other year. Typically each country sends two pilots to each competition. This summer the two pilots are Condon and Francois Pin from Knoxville, Tennessee. They go to Lithuania to compete from July 28 to August 16.

Glider pilots find pockets of rising air – thermals – and ride them to achieve distance and speed. Condon's longest glider flight was about 525 miles, from Wellington, Kansas to DeQuincy, Louisiana.

There are seven different classes in glider competition. They all compete in different world locations. The class Condon flies is new this year. The new class Condon competes in has a limited wingspan of 13.5 meters.

While at ISU, Condon worked as a flight instructor at the Ames airport. He took a glider course there and soon joined a community glider club, eventually becoming an instructor.

From ISU, Condon moved to Wichita, Kan., joined the glider club there and began competing. Now he's a flight instructor for the Textron Aviation Employees Flying Club.

His first national contest was south of Dallas in 2014, where he did well enough to make the team. He just got home from the Pan American Gliding Championships, a Continental Championship held in Athens, Tenn. The United States, Canada, Brazil and Argentina competed.

He said, "The flying was at the same level of competition as the World Championships; I won the final day of the contest so it was good practice and experience for Lithuania."

Condon is the son of Tony and Jody Condon, both Iowa Lakes employees, of Estherville.

## Diabetic Support Group

Knowledge is power lending to better understanding and managing a disease that affects the whole body and the whole family. Knowledge is power that motivates to a healthier attitude and body. With the power of knowledge, diabetes care can be focused on inspiring, encouraging, and making life better while "taking over the management of the pancreas".

## Spirit Of Harmony Chorus Names 2015 Sweet Adeline Of The Year

Spirit of Harmony Chorus, award winning chorus of Sweet Adelines International, has named their SAY award recipient for 2015. SAY stands for Sweet Adeline of the Year. This year's winner is Sally Bohmer of Estherville, Iowa. Sally was honored May 11, 2015 at the annual Spirit of Harmony banquet. Sally is a 5 year member and has spent countless hours of her own time as our treasurer. She has encouraged us to be physically fit. She is a faithful member and likes to share a joke with the chorus. She is a great addition to the bass section... a member extraordinaire. Two other members of the chorus were selected to be on her court. They are Linda Rubis and Gerry Shuck. Congratulations go to Sally, Linda and Gerry.  
 Chorus members come from Spirit Lake, Milford, Emmetsburg, Estherville, Lake Park, Arnolds Park, and Marshall, MN. They meet on Monday nights to sing a cappella, four part harmony at 7:00 p.m. at Immanuel Lutheran Church, located south of Lakes Regional Health Care on Highway 71 in Spirit Lake. Women who love to sing and perform are invited to attend a rehearsal and join in the fun.  
 For more information, you may call their director, Judy Weipert at 712-336-9107.

## Family Adventures Explored At Lifetree Café

How to have family adventures will be discussed at Lifetree Café on Sunday, May 31, 2015, at 6:30pm.  
 The program, titled "Low-Cost No-Cost Adventures," features a filmed interview with the Abbotts, a family that regularly sets off on family adventures.  
 "You don't have to spend a lot of money to have a great adventure. I think it's more about working out problems as a family that brings us closer together," says Brian and Jodi Abbott's oldest, Graham.  
 Participants will get practical tips for having low-cost or no-cost adventures and explore the barriers to family adventures. Admission to the 60-minute event is free. Snacks and beverages are available. Lifetree Café is located at the Good News building, 1010 Julia Street, Okoboji, IA 51355.  
 Lifetree Café is a place where people gather for conversation about life and faith in a casual coffeehouse-type setting. Questions about Lifetree may be directed to Kelli Achenbach at 712.332.5698 or lifetreecokoboji@yahoo.com.
