Governor goes to school

EL-G Schools host visit from top Wisconsin official

By Mike Mathes
for the Depot Dispatch

Students and staff members of the Elkhart Lake-Glenbeulah Elementary and Middle Schools paid host to an important dignitary Thursday, May 11.

Wisconsin Governor Scott Walker toured the school as part of a statewide effort to highlight the historic K-12 and rural school investments included in his biennial budget proposal.

Although the governor had his sights set on highlighting the budget package, he also made the tour more personal for the students, taking time to visit their classrooms and to speak to an all-school assembly.

Governor Walker was escorted on his school tour by the “school administrators for the day”—sisters Abby and Alyssa Tegen.

The governor stopped in to kindergarten classes and talked with students about their art projects. He shared a visit with the fourth graders, looking in on their social studies work, then whisked off to science classes where students were honed in on robotics projects.

At the school assembly, Governor Walker touted the importance of education, commending the quality teachers and principals that make the Elkhart Lake-Glenbeulah system work.

He recalled the importance of summer reading programs he participated in during his youth, and encouraged students to read during the summer months.

“Reading is a great way to see the world without ever leaving home,” he told the students.

“Getting a good education is one of the most important things you can do. You help yourself and you help yourself prepare for a career,” the 45th governor of Wisconsin told the student gathering.

Budget push

Governor Walker told the students that the proposed budget brings help to the more rural districts like their own.

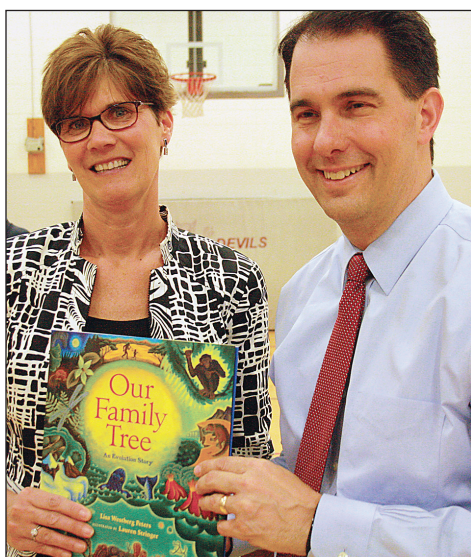

The governor’s budget lifts K-12 investment to \$11.5 billion over two years, an all-time high and includes \$649 million in new state aids for all K-12 schools in the state.

“Since taking office, we’ve implemented

Sharing our Journeys

By Carol Edler Baumann

"Spring"

One of the most frequent tasks we all face in our daily lives is the need to plan ahead—whether it be for that once in a lifetime overseas vacation or for what dress or suit to wear to a high school dance. We all face the need to plan for upcoming exciting events as well as for the routine requirements of our day-to-day existence.

The following questions may seem overly obvious to the frequent traveler, but they could make the difference between an exciting and fun-filled trip and the disaster of arriving at our destination without required medications or appropriate clothing for the weather. This assumes we have already answered the even more basic questions as the following: Where and when should we plan to go? What clothes will we need for the weather we might expect? And equally important, how much cash will we need?

But, let's explore these questions a bit more broadly, their answers dependent on our own specific ages, interests, and relationships. The plans we adopt will depend partly on our age (A 17-year-old in excellent health is likely to view the opportunities of travel quite differently than someone who is retired and/or physically handicapped. Can you imagine the teenager without his/her cell phone and unable to text?). The interests

of the elderly will be limited by their overall health and stamina, whereas the teenager may want the thrills of rough travel in developing countries.

The requirements of sound planning also include our day-by-day living needs, though we may not think about it that way. Take shopping as an example. Regardless of age, we all have to plan our meals and the food needed to make those meals or to accompany them. When shopping for meats or vegetables, we frequently add other items to our grocery lists, even if they were not included in our original plan. Looking ahead need not dictate inflexibility or exclusions.

Planning is a function of living that all of us are to some extent dependent upon, whether we recognize it or not. Simple living requires at least some planning: When do we want to get up? Go to bed? What are we going to do today? If we shower, which soap and washcloth do we want to use? What are we going to wear? More specifically, what are our plans for the day? Where do we want to go if anywhere? Admittedly, routine actions determine many of our daily decisions, like the above. But when the option of choice enters the picture, then planning also has its role.

So? What are your plans for the day?

Governor

continued from page 1

common-sense reforms to get Wisconsin back on track and move it forward," Governor Walker said.

"Thanks to these reforms, we now have the Reform Dividend. The Elkhart Lake-Glenbeulah School District, like every other school district in Wisconsin, is directly benefiting from these savings as we invest more money than ever before into K-12 education. One of the most important keys to the future success of our state is skilled workers and strong leaders, so it's crucial we provide them with the best education possible."

The Elkhart Lake-Glenbeulah School District is estimated to receive more than \$1.4 million in funding from the state under Governor Walker's biennial budget, including:

An increase of \$269,988 in Per Pupil Aid. Governor Walker's budget proposal increases per-pupil funding by \$200 per pupil in Fiscal Year 2018 and \$204 per pupil in Fiscal Year 2019 - the largest increase since the 2005-2007 biennium.

An increase of \$105,792 in Sparsity Aid. Sparsity Aid provides \$300 per pupil of additional funding to small rural dis-

tricts that have less than 745 pupils and a population density of fewer than 10 pupils per square mile of district attendance. Governor Walker's budget proposal also creates a \$100 per pupil tier of Sparsity Aid funding for districts with 746-1000 pupils, which provides additional stability for school districts that hover around the 745 buffer.

The Elkhart Lake-Glenbeulah School District may also be eligible for further funding under Governor Walker's budget proposal, such as mental health grants, energy efficiency incentives, and special needs grants.

Aspira Spa adds new acupuncture feature

Aspira Spa, located inside the AAA Four Diamond Osthoff Resort along the shores of Elkhart Lake is adding another exciting facet to their approach of unifying body, mind, and spirit by introducing acupuncture beginning Monday, May 8.

Acupuncture is a form of traditional Chinese Medicine that aids in addressing issues of varying degrees by balancing energies of the meridians throughout the body to promote a healthy and relaxed state of being. Spa Director, Shannan Roeh, curated three distinct acupuncture services to address the concerns of today's holistic-minded spa clientele.

Acupuncture for Pain Relief - Reduces inflammation, promotes blood flow, and stimulates the natural healing process while releasing endorphins to aid in the reduction of pain.

Acupuncture for Well Being - This treatment may also include energetic healing techniques, qigong, acupressure, or essential oils to enhance the healing process. Special attention is given to the aura and chakra systems in determining energy imbalance.

Facial Renewal Acupuncture - Facial acupuncture rejuvenates and revitalizes the facial tissue by allowing muscles to lift and tone organically while softening lines and wrinkles. Herbal masks are applied for enhanced nourishment and reducing facial inflammation and under eye discoloration. This holistic approach addresses the entire body as well as the face to aid in relaxation and general wellness.

Acupuncture will be available Mondays

and Fridays. Aspira's emphasis on the Healing Arts also includes Reiki Healing Treatment, Craniosacral Therapy, Myofascial Release, and Mind, Body, & Spirit Alignment. A complete list of services can be found at <http://www.aspiraspa.com/services>. To make an appointment, please call 920-876-5843.

Meaning, "Infused with Spirit," Aspira embraces the healing wisdom of indigenous peoples from around the world for a holistic, organic approach to the spa experience. Aspira is recognized as one of the top destination spas in the nation. Earlier this year, Spas of America ranked Aspira Spa, the number two Spa in North America.

Aspira invites you to experience the Healing Arts as well as our other signature services with "The Spa's Included" package; book an elegant resort suite at published rates and receive one complimentary Aspira Spa service valued up to \$120 per night. Available through May 25, 2017. Available Sunday-Wednesday, June, July and August 2017.

All packages include unlimited use of spa facilities on the day of your spa service(s), including meditation sanctuary, learning center, indoor and outdoor hydromassage whirlpools, warming fireplace area, sauna, and luxurious changing rooms with cascading showers.

To book The Spa's Included and view Aspira's full menu of services, log on to www.aspiraspa.com or call 920-876-5843. Take a peek inside Aspira Spa.

Dogs, cats, owners love it at Christel's

By Mike Mathes
for the Depot Dispatch

One of the Elkhart Lake Chamber of Commerce's newest members has literally gone to the dogs. It's gone to the cats, too, for that matter.

In the most positive sense, Christel's Pet Supplies & More, literally reaches out to serve furry friends of Eastern Wisconsin and their owners.

Last May, Christel's Pet Supplies & More opened its second store, at 232 E. Mill Street in Plymouth, following the original Kiel location that made its debut in 2014.

Christel's Pet Supplies & More offers a holistic, all-natural approach to pet food (Fromm and American Natural Premium), treats, and chews. The "& More" portion of the name refers to such as animal themed birdhouses, garden art, memorials, picture frames and even paw print fashion scarves.

Mary Christel, who owns and operates the two stores with her husband, Dan, said, "We focus on purchasing products made in the U.S. This does limit our selections at times but we are happy and proud to say that 95 percent of our merchandise is made in the U.S. We research and look hard to find U.S. vendors. In some cases we go without a product because we have not yet found a U.S. source."

Though Kiel was the first location for Christel's Pet Supplies and More, Mary said that Plymouth's location was always part of their five-year plan.

Thanks to a nudge from Plymouth's downtown planners five years was reduced to two. "The downtown development manager came to us in August of 2015. We had a successful booth for Mill Street Days. The development manager came to us, found us a location and helped us with our business plan," she said.

Another factor that helped facilitate the growth plan was the availability of a ready and eager store manager in the person of Mary's daughter, Nadine Becker.

Food a staple product

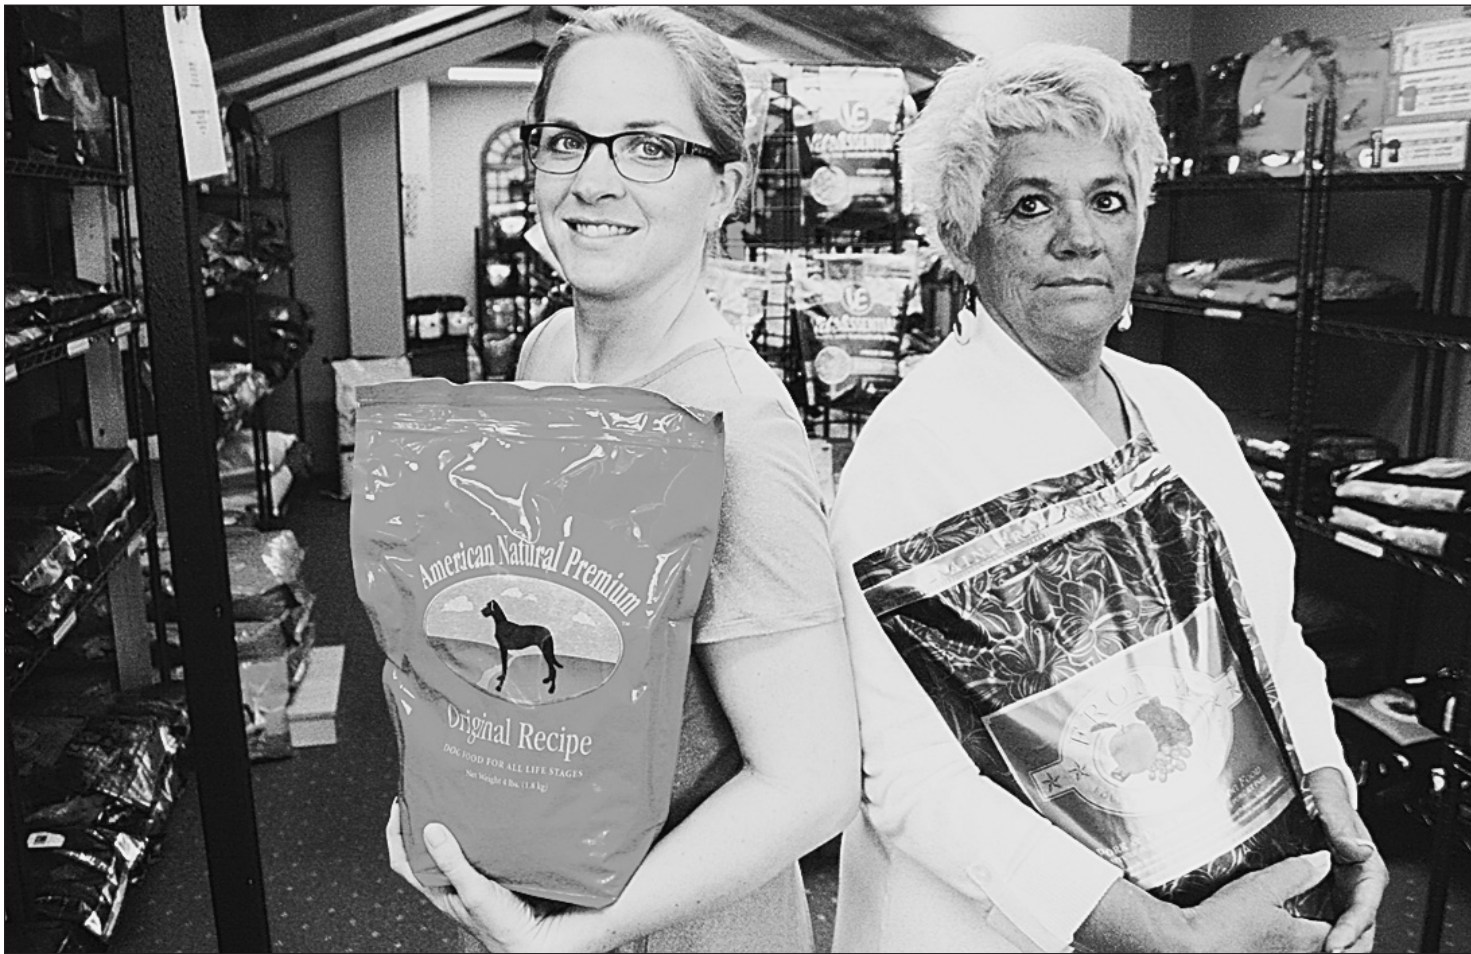

The dog and cat food products are the staple for Christel's Pet Supplies & More.

"In addition, to being made here in Wisconsin, our pet food brands are known for their pet health benefits," Christel said. "These aren't the kind of products you would buy in a big box store. They are specially selected."

But, the selections of items help please pets and their owners in many other ways.

Treats for dogs and cats top the list of accessory products, along with leashes, collars, chew and play toys, stain and odor removers, flea and tick sprays to name a few.

About 95 percent of the items are manufactured in the US, with a handful from

Store manager Nadine Becker, and owner Mary Christel display some of the healthy brands of dog foods offered at Christel's Pet Supplies & More on East Mill Street in Plymouth. The store is a new member of the Elkhart Lake Chamber of Commerce.

Canada. Christel acknowledged that one leash variety is made in China, but she made the exception to feature it, since the firm was started by a US veteran.

Other forms of animal-friendly items include fair-trade constructed bird houses, and garden art items that are sold to benefit various animal rescue programs.

Christel's Pet Supplies & More believes in supporting rescue organizations.

"Almost monthly we hold some type

of event, at one or both of the stores, that benefits Pur-Fect Match Animal Rescue, ranging from nail clipping, to pet photos to specials on cookies, donating the proceeds," Mary said. "We plan to continue and expand our events for this rescue with a Poker ride this fall called 'Hogs for Dogs' (tentative date is Saturday, September 16, 2017) and a Jingle Bell Walk in December."

For now, the store staff is comfortable in their location on the sunny side of Mill

Street in Plymouth and Fremont Street in Kiel. Although expanding the Plymouth site may be in future plans, Christel said the most important thing is to "focus on providing exceptional customer service."

Store hours for Christel's Pet Supplies & More are Mondays 10-2, Wednesdays 10-7, Thursdays and Fridays 10-6 and Saturdays 9-3.

The store is closed Sundays and Tuesdays.

EL florist recognized in national trade pub

Enchanted Florals of Elkhart Lake is pleased to announce that owner Mary Forstner has been recognized by the prestigious national floral industry magazine Florists' Review, with a photo of her work published in the April 2017 Weddings Issue. The published photo, taken by Carrie Kost of Kost Plus Marketing, was of a bride's bouquet for a June 2016 wedding held at the Wade House Historic Site. Additional photos from the wedding can be viewed on the Enchanted Florals website: <http://www.enchantedfloralsofelkhartlake.com/sarah--zach.html>

Mary Forstner and her husband Craig opened Enchanted Florals of Elkhart Lake in October 2012. They offer full floral design services, tuxedo rentals, and crafting workshops, as well as an eclectic selection of gifts, garden and home décor items in

their charming gift shop. Enchanted Florals quickly earned a reputation for being a "wedding destination," specializing in custom designs that reflect the unique personality of each couple. In 2016 they were honored with a "Best of Sheboygan County" Reader's Choice Award for Best Wedding Supplies.

Plymouth Dirt Track Racing in full swing

Plymouth Dirt Track Racing is already in full swing, with several racing slates completed in the month of May.

“Let’s Go Racing” is the cry to all PDTR fans, competitors & crew members as another season of the nation’s number one spectator sport “Auto Racing” is underway.

The racetrack located at the Sheboygan County Fairgrounds has grown from Midget and Jalopy racing in the early 1950’s to what it is today. With the exception of several years in the mid-fifties, weekly race programs have been available to race fans ever since.

PDTR invites you to see dirt-track racing at its finest on the third-mile Fair Park Speedway, this is where our fearless drivers do battle week-in and week-out, in the most exciting form of motorsport! No 400 lap races here!

The PDTR agenda offers heat races with 8-12 cars that will determine a starting grid for our 15 to 30 lap “Main” events with up to 22 cars! Where all the money is on the line!

PDTR offers a wide range of vehicles, consisting of five divisions, Late Models, Sprint Cars, Grand Nationals, B-Mods, and the very fast Micro 600’s.

“Special Events” including the IRA Sprint Cars on four separate occasions, motorcycles, vintage super modifieds, and new this season, the “Dirt Kings Tour,” a

special Late Model show, also, the Cheese Capital “Checkered Chase” USMTS Modifieds and Cowbell Street Stocks.

Be sure to view our complete season schedule for all of our exciting programs.

Make plans to attend the Sheboygan County Fair on Labor Day weekend and take in the all Sprint Car show on Saturday night.

Former and current racers are well known and more than a few have been inducted into the Wisconsin Short Track Hall of Fame.

The 2017 inductees include, Dick Hed a two-time champion and current competitor with PDTR, Brian Gilles, a 14-time track champion and current competitor, Dan Sorce a past PDTR champion and current competitor, and Bob Wondra, former car owner and crew chief of several champions.

Events specifically geared to youngsters will be featured again throughout the summer. A feature popular with the young fans is the bus ride through pits prior to the races and the bus ride around the track during the National Anthem

Other popular events include autograph night and the driver autographed “back-pack” giveaway just to mention a few.

The large grandstand features seat backs for fan comfort, a roof over your head, and the menu at the concession stands includes many favorite foods popular with our racers and fans alike.

Siebkens adds hours for summer

Siebkens Resort is switching its hours this summer from prior years to meet customer needs.

The Main Dining Room will be open Wednesday through Sunday from 5:30 to 9:30 p.m. Reservations are appreciated.

Hours at the Stop-Inn Tavern are also expanding. The Stop-Inn Tavern will be open Mondays from 5 p.m. to closing (late) and on Tuesdays through Sundays from 11:30 a.m. to closing.

Lunch will be served at the Stop-Inn Tavern from 11:30 a.m. to 2 p.m. Tuesdays through Sundays. The bar menu will be available nightly from 5-9 p.m.

Hours at Sissy’s Coffee and Ice Cream Shoppe will be 8 a.m. to 10 p.m. Mondays through Thursdays and 6:30 a.m. to 10 p.m. on Fridays through Sundays.

All of the hours listed are changes from prior summer seasons.

Students spend time at camp

On May 4 & 5 Elkhart Lake-Glenbeulah students from Ms. Kessenich's and Mrs. Meyer's sixth grade classes went to Camp Anokijig. The environmental camp is located on Little Elkhart Lake. The students participated in many activities; boating, archery, horseback riding, fishing, arts and crafts, a challenge course, a boating safety class, problem solving activities, and creative dramatics. Many valuable skills were learned and many wonderful memories were made over the course of the two days.

A team of volunteers helped make this experience possible; Officer Niemi, Officer Renee, Mr. Davin Hill, Mrs. Amy Hammes, Mrs. Melanie Bunyea, Mr. Don Feldmann, Mr. Kevin Capelle, Dr. Buechel-Haack, Deputy Steve Wimmer,

staff at Camp Anokijig, and parent volunteers. In addition to wonderful volunteers, camp was made possible by monetary donations from the Elkhart Lake-Glenbeulah PTA, Winooski Bowmen Archery Club, and Johnsonville Rod and Gun Club.

Decorate a Paddle!

This year the Downtown Night Committee will be auctioning off decorated Paddles in place of the birdhouses.

Here's your chance to get creative, don your art smock, and donate your artistic talents to help decorate these paddles! Please stop by the Chamber office and pick up your paddle(s).

We are asking that they be **returned, fully decorated to the Chamber office, 41 E Rhine Street, Elkhart Lake no later than Wednesday, August 9** (return them earlier and we'll share them on our facebook page!).

Please be sure to use weatherproof paint (or a sealing lacquer topcoat) and décor items on the paddles if they are intended to be displayed outside.

Once decorated, each paddle (or set of paddles if decorated as a set) will then be auctioned off at Downtown Night through our silent auction and the proceeds will help fund various Elkhart Lake Chamber activities and initiatives; including Downtown Night and marketing/promoting Chamber businesses like you!

We can't wait to see all of the fun, unique paddles that our Chamber community creates!

Thanks and happy decorating!

Cafe aims to be cultural Hub

By Mike Mathes
for the Depot Dispatch

Great coffee and a new community gathering place are blooming like a May flower in what was once an abandoned Plymouth automotive service building.

Hub Studio Cafe aims to bring its sense of community and sustainability to the Eastern Avenue site alongside the recently relocated Seranya Studios Art Boutique.

Local art now shares the same building with great coffee, tea and food, thanks to the vision of owner Susan Radke and her team.

A new member of the Elkhart Lake Chamber of Commerce, Hub Studio Cafe opened its doors in mid-May, offering breakfast, lunch and “items substantial enough to carry into dinner.”

Sandwiches, paninis, pies, bakery, soup and salads are featured. But the mainstays for Hub Studio are great coffee and awesome tea.

Hub Studio Cafe also offers a slow bar, which is a unique way of brewing coffee.

French press, pour-overs and lattes are also on the menu.

Space and culture important

More important to Radke than the menu, is the kind of space and culture being offered through Hub Studio Cafe.

She wants the cafe to be a “hub” or central part of community. “We want this to be a beautiful community gathering place for co-workers, artists or other people who want to be part of something.”

“Our goal is to be friendly enough that people will come here to meet friends and make friends,” Radke said.

“We are hoping to do some really cool things, even allowing our customer to create art, perhaps. We want people to hang out in the cafe, and feel free to go into the artists space and beyond,” she added.

An outdoor patio on the west side of the studio offers open-air space for socializing and relaxing.

Hub Studio Cafe comes complete with the convenience of wi-fi and device plug-ins, making it a perfect place to connect with the outside world.

The Hub Studio Cafe also looks to occasionally offer live bands and local musicians.

“We may also consider a little theater night, a poetry night or even some impromptu performances,” Radke said.

Sustainability focus

Carrying over a sustainability focus from her art studio, Radke said the same culture will permeate the Hub Studio Cafe portion of her venture.

“Just like all of our artists are local, we want to be a leader in the community in terms of sustainability and reducing our footprint,” she said.

Sustainability in Radke’s eyes is a life style that allows harmony between land, people and community.

“We use things that are organic to the extent that is possible,” and our waste stream will be locally compostable and recyclable as a goal.”

Radke said Hub Studio Cafe has a strong commitment to sourcing its products as much as possible from local small farmers. A commitment to natural and organic foods goes beyond sourcing, to a responsible use and re-use of materials.

“That’s part of the leadership we hope we are creating here,” she added.

In fact, the whole business location is a major community recycling project.

“Coffee grounds can be composted. We get our organic tea from a source that has pouches which can be composted,” she said. “This makes growing and recycling a beautiful circle.”

Not only are the products organic, Radke believes strongly in promoting the use of fair-trade items.

Reclaiming a building

Radke is using the presence of Seranya and Hub Studio Cafe to reclaim a building and lot that once housed an automotive service business. Owner Brian Zurn has been a strong partner with Radke to convert a former automotive service business into an interesting and functional space for the twin businesses.

“The building had been empty for 10 years, and we are excited to be giving it a new life,” Radke said.

The owner of the former downtown Plymouth art boutique had been looking for a location to expand.

After driving by the building, she happened to stop for a peek inside. Seeing a ceiling tile askew, she notice an amazing wood ceiling. “I knew this had to become the place,” she said.

That’s when Radke jumped on the idea to move Seranya Studios from its former East Mill Street location to the corner of Eastern and Highland Avenues.

Carrying over philosophy

Radke first opened Seranya Studio in 2013.

Hub Studio Cafe is being opened with the help of two of her daughters, who have a combined 20 years of experience in food service.

“It’s great to have my two daughters here and bringing them into the purpose and vision we see for Hub Studio Cafe,” she said.

Hub Studio Cafe will be open seven days a week. Most days the cafe will be open from 6 a.m. until at least 7 p.m. Sundays hours will start later and conclude by 4 p.m.

The Wild West

Buffalo Bill, Annie Oakley and more come to the Wade House

On Saturday and Sunday, June 24 & 25, from 10 a.m. to 5 p.m., visitors to the Wade House historic site in Greenbush will have the opportunity to spend the day amidst the legends of the Wild West, including the likes of Buffalo Bill and Annie Oakley. Plan to join us for Buffalo Bill's Wild West Show, an iconic Wade House favorite. The 1 p.m. daily show will bring the thrill and excitement of fast horses, trick riding and fancy shooting.

William F. Cody originally brought Buffalo Bill's Wild West to Sheboygan County in 1896, and again in 1912, and 1915. His tribute to The Great American West blurred the lines between history and entertainment. But during its run that spanned four decades, Buffalo Bill's Wild West helped shape a global identity for an emerging nation. At a time when technology was transforming everything in its path, Buffalo Bill's Wild West ensured that the spirit of the West would live on in the hearts and minds of virtually every man, woman and child on the planet for generations to come.

Be sure to join us as Buffalo Bill's Best of The Wild West brings this iconic Wade House favorite back to life right before your eyes. Catch all the action and adventure of this grand enterprise of sharp shooters and Congress of Rough Riders of the World, in what many consider to be the finest and most faithful portrayal of a true American original.

This event is definitely meant for kids of all ages. Tour the canvas boomtown camp and the entire Wade House grounds. Shop

for period fashions, leatherwork and your own treasures from the Wild West. Try your hand at rope twirling. Stop by Annie Oakley's rubber band shooting gallery. Be fascinated by Wild West memorabilia.

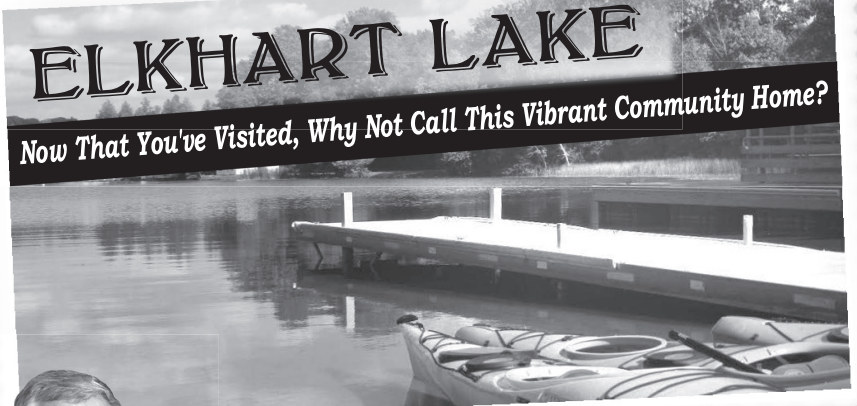

Visitors will begin the special experience at the new Wade House Visitor Center and Wesley W. Jung Carriage Museum, located at W7965 State Highway 23. Admission is adults \$14; students/seniors \$12; children (5-17 years) \$7; children under 5 FREE; family (2 adults & children through age 17) \$38. For more information, please call 920-526-3271.

Old World charm for the ages

Nestled on both sides of County Road A just a short distance east of Elkhart Lake is St. John's Cemetery. On the south side is the new section with its first burial in the mid 1900's. On the north side is the older section with its earlier burials dating back to the mid 1800's.

It is on the older section that improvements have been made with funding generously given by a lady who has developed a sense of belonging to our charming village and its surrounding area.

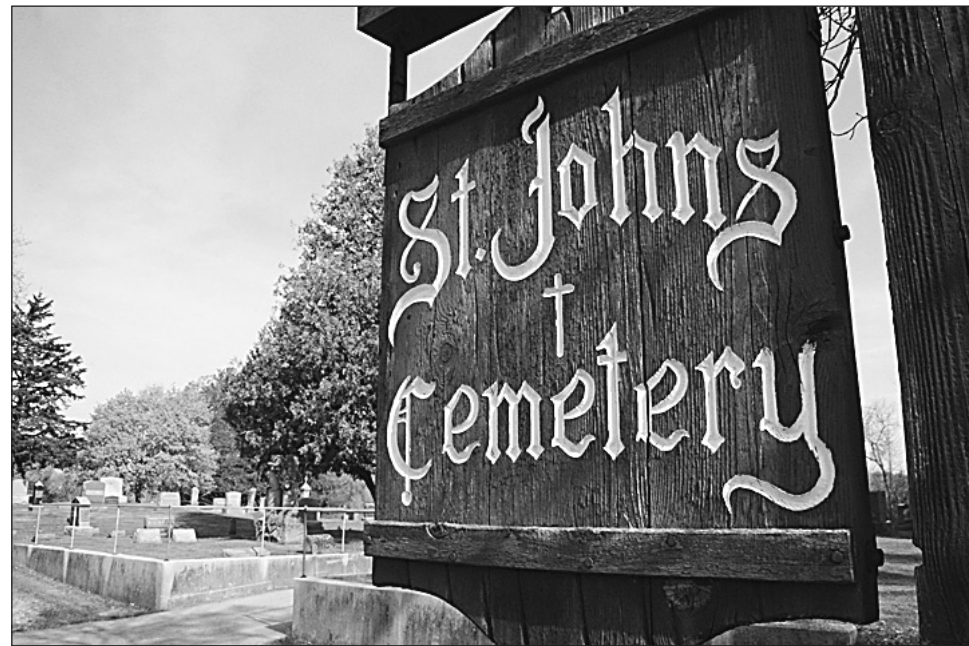

Visits with her husband to his family's gravesite, as well as leisurely sunset walks through the cemetery, became lessons in community history as the names on the memorial stones became persons known to her husband while he grew up in Elkhart Lake. Some contributed considerably with their civic involvement, but most were just common folk whose lives were woven together through work and love.

After her husband's death several years ago, further visits became an inspiration to preserve the somewhat old-world charm of St. John's not only in its landscaping, but also with a new chapel-like storage building built for the ages.

Construction began in late summer of 2016, with the stonework completed this spring. New plantings and flowers will enhance the site as St. John's "residents" now have a cemetery that continues to offer a quaint and comforting charm to its visitors.

As you and your children take flowers to relatives' grave sites this spring, or at any other time of the year, take a few minutes—or longer—to meditate not only on the lives of those near and dear to you, but also on the lives of those names you recognize on other memorial stones. Help your children to absorb some family and community history while they walk around, unknowingly enjoying your togetherness and the peace you share.

The voices of those buried at our cemeteries have been silenced, but those of us who remain have a responsibility to keep their spirit—their history alive for future generations. We also have a responsibility in maintaining the cemetery-shared areas as a tribute to our ancestors and others who have laid the foundations for our lives today. Volunteers in this endeavor would be appreciated.

Thank You!

Study Club hosts spring luncheon

It truly felt like spring as guests entered the banquet hall of Three Guys and a Grill East on April 29, for the "Spring into Style" Fashion Show and Luncheon, hosted by the Elkhart Lake Women's Study Club.

Fourteen tables were beautifully set in a variety of seasonal and holiday themes. As guests meandered through them, they were aided in their viewing by a descriptive program guide. They then purchased raffle tickets to hopefully win one of the numerous, wonderful prize baskets, also reflecting the various seasonal themes, donated by club members and area businesses.

TLC Casuals of Sheboygan provided the lovely spring and summer fashions, modeled by club members Sally Willison, Brenda Dell, Laurelle Lubotsky, Nancy Hanlon and Marcie Zimmerman. Along with the fashion, fun, and fellowship, and making 38 prize winners happy, the event succeeded in raising funds to meet

the Study Club's goal of donating about \$4,500 annually to the following: Elkhart Lake Public Library, Rocky Knoll, Badger Girls, Outdoor Skills Center at the Marsh, High School senior scholarship, Reading Intervention Program, RCS Empowers, Inc., Post-Prom Party, Meals on Wheels, Firemen's Picnic Parade, Safe Harbor and the First Responders.

The Study Club would like to thank the guests attending and the following businesses for helping make this fund-raising event a success: Plyco Corp., Quit Qui Oc Golf Course, Osthoff Gift Store, Enchanted Floral, Three Guys and a Grill, Compassionate Care Veterinary Services, Pick 'N' Save, Piggly Wiggly, Walgreens, Lake Street Cafe, Blue Harbor, Rudnick Jewelry, Andrew Chevrolet of Glendale, Road America, Moraine Gardens, Sargento, Wreath Factory, Vintage Elkhart Lake Wine Shop, and Pat Robison of Two Fish Gallery.

De O'Malley's Pizza Pub, 417 E. Mill St., Plymouth, has announced that its sixth annual free summer outdoor concert series will begin June 2 and will run through Aug. 26.

Concerts will occur each Friday and Saturday from 7 to 9 p.m. on the outside

back patio adjacent to the parking area and are open to the public. In case of inclement weather, please call (920) 892 8485 for possible cancellation updates. A complete menu of food and beverages will be served outdoors from 6 p.m. throughout the evening in addition to the usual indoor

dining service.

Opening the concert series on Friday, June 2 is Hot Jupiter, performing acoustic and electric Americana rock and roll.

De O'Malley's will have the complete schedule of entertainment on their website, and will post the upcoming bands

and genre(s) of music on their facebook page weekly.

You can also pick up a copy of the entertainment schedule at De O'Malley's indoor reception area or at the outdoor back patio bar.

LEASE AN AMERICAN FLAG

Honor your country while supporting your community.

Become a subscriber; give a gift to a Veteran or to the special someone who has everything. For a tax deductible contribution of \$50 annually, members of the Sheboygan Rotary Club install a PVC sleeve in the soil below the grass mowing level in your front yard. Then during five national holidays (Memorial Day, Flag Day, Independence Day, Labor Day, and Veteran's Day) Rotarians will deliver a 3 x 5 foot American flag on a ten foot pole. Three days after each holiday a Rotarian will retrieve the flag.

You can start at any time. This is a great way for you to proclaim pride in our country while someone else takes care of the details.

Our lake has important rules!

Question: The no wake rule for Elkhart is only in effect once the buoys are out.

Answer: Wrong. The no wake rule from 7:30 p.m. to 10 a.m. is in effect all year!

With the fishing and boating season getting started, it is probably a good time to review the rules that we have all likely looked at many times, but don't always exactly remember.

For example: No person operating a motorboat that is towing persons engaged in water skiing, aquaplaning or similar activity may operate the motorboat within 100 feet of any occupied anchored boat, or any personal watercraft or any marked swimming area or public boat landing.

No person may operate a personal watercraft within 100 feet of any of the following:

1. A motorboat towing a person who is engaged in water skiing, aquaplaning or similar activity. 2. The towrope of a motorboat towing a person who is engaged in water skiing, aquaplaning or similar activity. 3. A person who is engaged in water skiing, aquaplaning or similar activity.

There is no question that with the congestion on the lake this is almost impossible, but, that is the rule, and use of good judgment by all is required. The traffic level on the lake, as well as the size of the boats involved, has been steadily increasing. Larger boats, drawing deeper in the water, create more potential for wave action causing shoreline erosion. Not many of us think about that.

Keeping the lake safe for all who use it is one of the key goals of the Elkhart Lake Improvement Association. To this end, ELIA is working with the local police department to spend up to 400 hours patrolling the lake in 2017. This represents approximately 25 percent more hours on the water for enforcement officials who are there to help preserve a safe environment. And, to be there when help is needed!

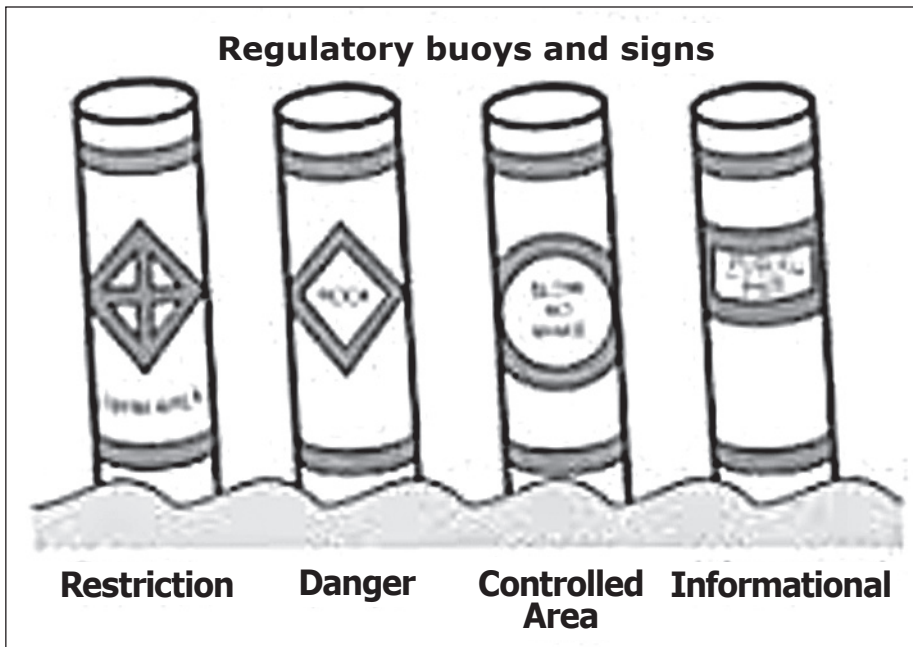

Take a minute and review the rules. If you have friends coming to the area, be sure they know the rules. If you rent to people who use the lake, make sure a copy of the rules is posted where they can see them.

Observe Wisconsin Boating Laws

- Wisconsin Statutes prohibit the transmission of invasive species. Any boat or boat trailer or boating equipment must be clean and free from any invasive aquatic plants or animals. Zebra Mussels and Eurasian Water Milfoil are inhabitants of Elkhart Lake, please clean off your boats!

- No person under the age of 10 can operate a motorboat. A Boating Safety education certificate is required of anyone over the age of 16 years of age. (Wisconsin Statute 30).

- All recreational vehicles must have Wisconsin Registration numbers and expiration decals visible. With exception to sailboats under 12 feet length, manually

propelled watercraft not equipped with a motor or sail, and/or watercraft currently registered in another state.

- Intoxicated operation of a watercraft is illegal.
- The Elkhart Lake Police Dept and the WDNR Warden are responsible for enforcing these boating regulations.

Historically, most of Wisconsin's boating fatalities have occurred in small boats or watercraft with persons not wearing a floatation device. Please remember; A Life jacket can only help when you are wearing it!

Elkhart Lake Improvement Assn (ELIA) A Non-Profit, 501c.3 organization

Our Mission is to promote, preserve, and enhance the general welfare of the

lake and the surrounding community through furthering water quality, water safety, environmental stewardship and public education. Since 1964, ELIA has been a voice to preserve the beauty and native ecology of Elkhart Lake. ELIA open to all interested persons who are interested in being advocates for the lake. www.keep-elkhartblue.org

Great finds for race-minded fans

Race fans have long appreciated the connection between Elkhart Lake and Road America and they are now able to visit Road America's official apparel and souvenir store, the Paddock Shop, year-round. The shop, which was completely re-designed and rebuilt in 2016, recently joined the Chamber welcomes anyone looking for Road America and motorsports themed items to stop in and see the wide selection of apparel and gifts. Built on the site of the former store, the new 7,500 square foot shop stretches 100 feet along the midway and has great central access to the paddock and victory lane.

While fan engagement is a natural occurrence for spectators watching high-speed action in the track's park-like setting, the Paddock Shop captivates fans with its bold design, presentation of track information and history, and an exciting mix of retail items. Design features include a 30' x 40' track outline suspended from the ceiling, archive photographs, and a media wall featuring live and archive video footage. A race-flag color scheme, old signs, and mannequins made of car parts also add to the racing vibe.

A substantial collection of wall art includes unique, one-of-a-kind pieces obtained from regional and national artists, and others whose works capture the essence of the automotive, motorcycle and motorsports community. That spirit is carried into chairs, tables, lamps, wall-

hangings, bar ware and home goods. Car enthusiasts enjoy lamps constructed from auto parts as well as ice chest coolers that look like sports cars and are fabricated from recycled oil drum metal.

A large portion of the retail space is devoted to apparel for men, women and children, including hats, shirts, sweatshirts, sleepwear and jackets. Menswear also features dress shirts, sweaters and leather jackets. For those who like to sport their favorite car or motorcycle brands, licensed products include hats, wallets, belts, wall décor and toys. Event-specific t-shirts and collectibles continue to be popular and, for those seeking memorabilia, the shop has several areas dedicated to past-event items including posters and framed pieces. The children's area is great for those needing baby gifts or children's toys—all of which have a focus on cars, motorcycles or racing. Gift giving and celebrating is also made easier with the shop's section of greeting cards and checkered flag party goods. The selection of items in the shop is constantly changing during the race season and enhanced with seasonal items during the holidays.

The Paddock Shop is open to the public most weekdays, 10 a.m. – 4 p.m. via the Gate 6 entrance on State Highway 67. Access during major race weekends may be limited. Please call 920/892-8116 to confirm shop hours.

Kids from Wisconsin make stop in Plymouth

The Kids from Wisconsin be making a stop in Plymouth. Plymouth Arts Center is proudly presenting this production, at the Plymouth High School Auditorium, 125 Highland Avenue, Plymouth on Friday, June 23 at 7 p.m.

About the Kids from Wisconsin
In this, their 49th season, the Kids from Wisconsin performs a diverse repertoire of musical entertainment for audiences of all ages, including the American favorites, big band, 50's-80's classics, Motown, country, Broadway and current top hits, filling a two hour, fully staged performance.

Plymouth's Hometown Show

It is a privilege and honor to any community and its arts program to have a student be chosen to take part in the professional performance experience of a KID. Alex Turicik, a second year hometown KID from Plymouth will be joined by Bridget Bullard, a performance student from Kohler, who will celebrate her hometown show in Plymouth along with Alex. How exciting it is that Sheboygan County has quality arts programs within their school and communities that help foster and grow talented artists.

Alex Turicik is thrilled to be joining KIDS for his second season as the guitarist. He will be a junior at Plymouth High School in the fall where he performs with groups such as Jazz I and Momentum Show Choir. Alex also performs with the UW-Sheboygan Jazz Band, Generations Big Band, the Sheboygan Theater Company pit band, and with his father in their group, The FlamingOs, on guitar and trombone. Alex thanks his musical mentors Paul Sucherman, Jason Sebranek, and Mike Slupski for sharing their wisdom as he prepares for another summer on the road.

Bridget Bullard recently completed her freshman year at Kohler High School. At fifteen, she is the youngest member of the troupe. Bridget's friends and family can attest to her love of musical theater as she is forever singing between classes, in the shower and on every stage she can find. This spring, on a choir trip to New York, she ran out on the empty Radio City Musical Hall stage to belt out a few notes.

Her favorite performances have been as Louisa in *The Sound of Music*, Baby June in *Gypsy* and as Godmother in *Cinderella*. She is so grateful to KIDS for this wonderful opportunity.

Afternoon Outreach

The Kids from Wisconsin invite community youth to share in their love of performing with a free afternoon outreach program.

"Realize Your Dream" is designed for children ages approximately 7 to 13 years of age and will be held the same day in the afternoon, Friday, June 23 from 3:30 p.m. to 4:30 p.m. in the auditorium. This FREE program is an opportunity for youngsters and youth groups to get a taste of life as a performer. KIDS troupe members "pay it forward" by teaching performance skills and tools that can be carried into daily life. These young people will work with a "KID mentor"; receive instruction in dance, instrumental/choral and technical through mini workshops; Q&A; perform a segment of the current show alongside a mentor; more experienced youth will receive audition tips. Those interested in attending are encouraged to pre-register soon through the Kids From Wisconsin website: <http://www.kidsfromwisconsin.org/info/tour>,

click on the June 23 date on the calendar.

Get your for the evening show at the Plymouth Arts Center Box Office at 520 East Mill St., Plymouth Tues-Fri. 10 a.m. to 4 p.m., OR go online: www.plymoutharts.org, call (920) 892-8409. Reserved tickets in advance and at the door are \$11 for ages 18 and under; \$16 for adults; (tax included.) The Plymouth High School Box office will open at 6 p.m. (one hour before showtime.) For handicap accommodations, please call the Plymouth Arts Center office. More information on the Kids from Wisconsin can be found on their website: www.kidsfromwisconsin.org.

The Plymouth Show is generously sponsored by The Sartori Company, Masters Gallery, Sargento, Kathy and Paul Sartori, and Bank First National. PAC's Media Sponsor is 1420AM The Breeze Radio Station.

June mystery photo

Down Memory Lane— Recognize these photos?

Take a look at June's mystery photo at the top. Do you know anything about it? Where was the location? What was the approximate year? Do you know anyone in the photo?

If so, let us know!

To enter the June contest, send an email or letter with as many details as you can include.

The person with the best submission will receive a finely matted, quality enlarged print of the original, courtesy of Schamberger Gallery in Elkhart Lake. Winners must pick their prize up at the Elkhart Lake Chamber office.

We had a lot of entries in May. And they were all good ones. Rather than single any of them out, we selected a winner by random drawing. Here are the entries. The winner is listed below.

The mystery photo was the bridge on Crystal Lake, the building on left was the Crystal Isle Inn, and it crossed to the island.

Tom Iserloth

I am writing about the May mystery photo. I believe it is a picture from the island on Crystal Lake looking north back to the north shore of the lake. Based on the cars it was probably taken in the late 1920s or early thirties. Don't know anyone in the photo but believe our neighbors, the Sartoris house now sits at the left of the photo.

Neal Lintecum

This photo was taken around 1920 on Crystal Lake neighbor to the south of Elkhart Lake and equally beautiful. It connects the larger of two islands to the mainland. The people in those cars were leaving the hotel and casino on the island that was in business at that time. Today when the lake is high small boats can pass under the bridge. The building above near right was a dance hall frequented by many at the time. Currently there are five private homes are on the island. And the dance hall property has four residences.

Barbara Barcal

The mystery photo in the May issue of the Depot Dispatch is of the bridge on Crystal Lake. The building in the background on the left is the old Crystal Isle Inn.

Carol Rost

Answer from my 8-year-old daughter, Greta Jarr... This is the bridge on Crystal Lake to the island. The cars are leaving the island. I guess it is around 1920. The sunken raft is on the other side of the bridge. It used to be a resort.

I like to swim under the bridge and play on the sunken raft.

Sarah Jarr

This is the Crystal Lake bridge. It went from Crystal Isle to the hotel on the island. The Public Beach would be in the foreground, and the swimming platform would be approximately in the right lower corner where the photo ends. The cement base of the platform is still there. Every summer my daughter and our grandsons have to paddle over to it and check it out, reminiscing how it used to look. The photo is from the early 1930s.

Kathie Zittel, Plymouth

This one is easy, it is the bridge on Crystal Lake that goes out to the island. You can see the old Uncle Otto's I believe it was called. My brother and I would fish a lot on this bridge in the early 60s for large mouth bass. The bridge in the photo looks a little dangerous without any side guards. A lot of good memories fishing with my brother on this bridge.

John Buss

What a great picture of the bridge to the island at Crystal Lake. The Crystal Isle Inn was located on the mainland to the left below the hill. Ralph and Evie Kretsch ran it when I was growing up. It hosted tons of weddings and parties. To the left of the picture there was a raft that had a high dive on it. I think the base of it is still there.

Gary Gritzmacher

And the lucky winner of the random draw is.....#3 Barbara Barcal.

We did have a correction sent in for the information for the April contest. Dan Garton informs us that the correct answer should have been the bench at Imig's Point. We appreciate the clarification.

Wade House to honor Wright

In 2017, Wade House Historic Site will celebrate the 150th birthday of famed architect Frank Lloyd Wright with season-long exhibits, lectures, and educational activities focusing on Wright's life and work in Wisconsin and his relationship with Sheboygan carriage collector and restoration expert Wesley W. Jung.

The next event in Wade House's celebration of Frank Lloyd Wright will be a 150th Birthday Celebration which will take place on Thursday, June 8 from 6-9 p.m. The festivities will include an exhibit opening, lecture and book signing.

The highlights of our 6 p.m. "Frank Lloyd Wright: A Wisconsin Original" exhibit opening include: The Wright Carriage Exhibit - A display of horse-drawn carriages owned and used by Mr. Wright from the Site's Wesley W. Jung Carriage Museum collection including Mr. Wright's 1890 roof-seat omnibus. A Taliesin Album - An exhibit featuring rare photographs from 1911-12 of the construction of Taliesin, prior to its substantial destruction by fire in 1914. Young Masters Workshop - Architectural toys, books and activities for children located in the Museum including sets of Mr. Wright's beloved "Froebel" blocks which first captured the famed architect's imagination as a child and influenced his future work.

The exhibit opening will be followed by a beer and light hors d'oeuvres reception, which will precede a 7 p.m. lecture by Ron McCrea. During his presentation, McCrea, author of Building Taliesin: Frank Lloyd Wright's Home of Love and Loss, will describe the love affair and personal drama of Wright and Mamah Borthwick Cheney that began in Italy in 1910 and led to the creation of the first Taliesin, their "Shining Brow" hillside retreat near Spring Green, Wisconsin, in 1911. McCrea's presentation will include many never-before-published photos and recent discoveries. Ron will chronicle the turbulent life lived at Taliesin and the creative work accomplished by Wright and Cheney until it ended in disaster with the fire and mass murder of August 15, 1914. The lecture will be followed by a book signing with Ron McCrea. Copies of McCrea's Building Taliesin: Frank Lloyd Wright's Home of Love and Loss will be available for purchase in the Wade House gift shop.

Ron McCrea is an award-winning

Author and award-winning newspaper journalist Ron McCrea, of Madison, will speak about his book "Building Taliesin: Frank Lloyd Wright's Home of Love and Loss" at 7 p.m. on Thursday, June 8th at Wade House.

newspaper journalist who has appeared in Frank Lloyd Wright documentaries including the Travel Channel's "Monumental Mysteries," the E! Entertainment Network's "Mysteries & Scandals," and the British Broadcasting Corporation's "Frank Lloyd Wright: Murder, Myth and Modernism." He publishes regularly in the Frank Lloyd Wright Quarterly magazine, and lectures in Wisconsin for his publisher, the Wisconsin Historical Society Press. A second Wright book by Ron, Frank Lloyd Wright and the Power of Women, is due for publication in 2018. Before retiring from newspapering in 2008, Ron worked as an editor for the Madison Capital Times, The Boston Globe, the Washington Post and Star, the San Jose Mercury News, and New York Newsday. He was the press secretary for Wisconsin Governor Tony Earl during his administration, and recently completed nine years of service as a non-architect member of the board of AIA-Wisconsin, the Wisconsin Society of Architects.

Need help with downloading an ebook from Overdrive or an emagazine from Zinio? Need help getting started using your new tablet or finding out about our databases? Can't come on Thursday, call and make an appointment.

Readers of all ages will explore the theme of "Build a Better World" this summer at the Elkhart Lake Public Library. The 2017 Summer Reading Program is open to everyone, preschool through adult, with programs, prize drawings, story hours, reading incentives, reading clubs, and more. Registration begins June 5. Weekly programs begin the week of June 12.

Families are invited to join us for "Story Time" with Nano on the first and third Thursdays each month at 10:30 a.m. Toddler Time (drop-in play group) will be held the second and fourth Thursdays each month at 10 a.m. Please check our website for those program dates.

Our Wednesday programs for elementary school children will include a group art project based on Linda Kranz's book Only One You, Magic with Kurt Kane, Music with Mr. Pete and a visit from Mary Tooley. Our Thursday programs for middle school students will include fun building challenges, creating book art, how to crochet class, and building sandcastles at the beach. A special evening program "Es-

cape the Library" will be held for middle school students on June 29.

Miss Betty is challenging the summer reading participants to read a combined total of 500 hours in five weeks to earn a Build-Your-Own sundae party!

Book Club on the Move meets the second Friday of each month. Check our website for each month's selection and meeting locations. Copies are usually available at the library.

Our program is still under construction, so be sure to check out our website www.elkhartlakepubliclibrary.org or pick up a schedule at the library.

Volunteers are needed to assist with several of the programs, preparing crafts, shelving and some clerical work. If interested, please drop by the library and complete a Volunteer Application.

Elkhart Lake Public Library Summer Reading Program is sponsored in conjunction with the Elkhart Lake-Glenbeulah Elementary School. The Friends of the Library provides monetary support. Elkhart Lake Public Library is part of the Monarch Library System.

Elkhart Lake Village Report

Emerald Ash Borer in Village

On Friday, April 21, the presence of the Emerald Ash Borer (EAB) was identified and confirmed in the Village of Elkhart Lake, on Village-owned property along Highway 67 south of the Fire Station. Elkhart Lake now joins a growing list of Wisconsin communities where the insect has been detected.

Sheboygan County, which includes Elkhart Lake, has been under an EAB quarantine for the past few years, since the borer was found in the southern part of the County in July of 2014. Residents should be aware that it is illegal to move firewood out of the EAB quarantined area, as it is the primary means for the EAB to spread. It is best to keep firewood onsite. Homeowners who would like more information on EAB and the quarantine area, or are interested in determining whether they have an ash tree on their property and information on how they protect it from EAB, should visit the State of Wisconsin's official website, www.emeraldashborer.wi.gov, and click on the link for Homeowners. Additional information on the EAB is also available at Village Hall.

In preparation for the EAB, Elkhart Lake has not planted ash trees on Village Parkways or in Village Parks since 2007. The Village's Tree Commission has been proactive in identifying the ash trees located in parkways and parks. There are less than 50 ash trees in these areas. The Tree Commission has completed treatment of the eight ash trees located in Village Square Park. These treated trees will not have to be retreated for at least two years and there is a possibility that the treatment may prove to last for an additional year. The rest of our parkway ash trees will be removed proactively based on the health of the tree. Any ash tree in our parks or parkway that becomes a safety hazard will be removed. The Village will continue to diversify the trees that are planted throughout the Village. The Village has begun "shadow" planting trees in the park and will continue this planting procedure as much as possible over the next few years.

The emerald ash borer is a major threat to Wisconsin's trees. Once present in an area, the EAB kills all untreated ash trees within a few years. Even young, healthy ash trees are killed within three-five years of infestation. Whenever making choices for EAB prevention and treatment, homeowners and commercial industries should review the latest research and decision-making tools available. The Village will strive to continue diversification of the trees along the parkways. There is no solution to stopping the spread of EAB and no way in which to eradicate the EAB. Citizens concerned with the condition of an ash tree are encouraged to contact a tree service they are familiar with or an ISA certified arborist. A listing of certified arborists may be found on www.waa-isa.org.

Property owners should take these measures:

- Keep a close watch on ash trees for signs of possible EAB infestation: Thinning in the canopy, D-shaped holes in the bark, new branches sprouting low on the

trunk, cracked bark, and woodpeckers pulling at the bark to get to insect larvae beneath it.

- Consider preventive treatments for property within 15 miles of a known infestation. Whether to treat depends on several factors: the age of the trees, the size of the trees, and the number of trees. Treatment costs vary depending on size of the tree and whether you do the treatments yourself or hire a professional.

- Consider planting different species of trees that are not susceptible to EAB.

- Homeowners should visit www.emeraldashborer.wi.gov or contact the WI Department of Agriculture, Trade, and Consumer Protection at 1-800-462-2803 if they would like more information on EAB and the quarantine area, or are interested in determining whether they have an ash tree on their property and information on how they protect it from EAB.

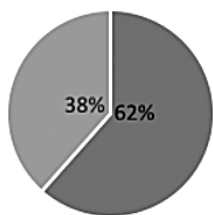

Recycling and Trash Removal

This majority of this month's article will deal with Village refuse collection and provide information on the Village's program. Advanced Disposal keeps records of what they collect in the Village. Advanced Disposal separates trash from recycled items. I will share some of the statistics that are available to us. I am also publishing a list of items that can and cannot be recycled.

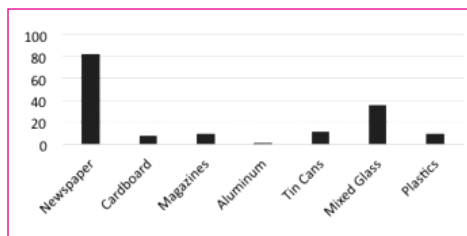

The chart below shows the amount of trash and recycled items that were collected in 2016.

	Tons
Total Trash	258.81

Village

continued from page 22

- Dehumidifiers
- Dishwashers
- Freezers
- Furnaces
- Microwaves
- Ovens
- Refrigerators
- Stoves
- Water heaters

- Electronics
- Cell phones
 - Computers – desktop, laptop, netbook, tablet
 - Computer monitors
 - Computer keyboards and mice
 - Computer scanners
 - Computer speakers
 - Desktop printers (including those that fax and scan)
 - DVD players, VCRs, DVRs and all other video players
 - External hard drives
 - Fax machines
 - Flash drives/USBs
 - Other items that plug into a computer
 - Televisions
- *These items may be burned in a solid waste treatment facility with energy recovery.

Why ban items from the landfill and incinerator?

The items on this list are made of materials that can be reused in new products. Some also have toxic components that we do not want in our groundwater, air or soil. Recycling and composting allow landfills to last longer, provide markets with valuable reusable materials, create jobs, and prevent pollution.

Why not ban more materials?

Corrugated cardboard is banned while waxed cardboard is not. Some things with plugs, like computers, are banned, while others, like toasters, are not. Why? Current bans cover some of the most easily reusable or most toxic materials on the market today. Eventually more items may be added to this list as new recycling markets develop or the types of materials we throw away change.

Fireman's Picnic

The Fireman's picnic will kick off on Friday, June 30. The featured entertainment will be The Toys. Fireworks this year will be provided by Bartolotta's and we are expecting a wonderful show.

Saturday will feature Elkhart Lake's own Bowser Band. The parade will kick off at 11:30 a.m. on Sunday featuring the University of Wisconsin Marching Band. Following the parade enjoy a rousing Fifth Quarter and music provided by The Jerry Schneider Band. Tax deductible donations

are welcome and can be sent to:
ELFD
P.O.B. 66
Elkhart Lake, WI 53020-0066
Feel free to designate your donation to the Fireworks, Parade or UW Band.

Boating Regulations

• Coast Guard approved Personal Flotation Device (PFD) in serviceable condition is required to be in the boat and accessible for each person in the boat.

• A speed of "SLOW NO WAKE" is in effect all year long from 7:30 p.m.-10 a.m. each day. "SLOW NO WAKE" is defined as the slowest possible speed at which a boat can operate while still maintaining steerage.

• Maintain a speed of "SLOW NO WAKE" at all times when operating a motor boat between the shoreline and the NO WAKE buoys and within 100 feet of any craft at anchor, adrift or not operating under engine power.

• No boat towing persons skiing, tubing or the like can come within 100 feet of swimmers, divers, rafts, other boats or restricted areas.

• All boats engaged in towing skiers, tubers or persons in similar activities must have a competent person, other than the pilot, observing the towed person(s).

• NO SUNDAY operation of motor driven boats, beginning the 2nd Sunday of June and ending the third Sunday of September. Note: Only electric trolling motors allowed.

• There is a radar-enforced speed limit of 35 m.p.h. on the water.

• A counter-clockwise course should be maintained while water-skiing, jet skiing, etc., and during the times of high-volume boat activity.

A complete listing of Elkhart Lake and the State of Wisconsin Boating Rules Regulations and Statutes is available at the Village Office in Elkhart Lake.

Dog Owners – Dog Refuse Stations

Just a reminder to please pick up after your dogs. We have installed bag stations throughout the village for your convenience. These stations will dispense plastic bags to help in the cleanup effort. The dog stations are located at:

Sitko earns Eagle Scout honors

Andrew Sitko was presented with scouting's highest award on April 30 at Elkhart Lake-Glenbeulah High School.

Pete Tarnowski served as master of ceremony and Larry Kraklau, grandfather, gave the invocation and benediction. Travis Moore, science teacher at ELGS, gave a speech about Andrew. Mr. Moore spoke about Andrew's Eagle Scout project, which was the construction of two compost tumblers. These tumblers are being used by the agriculture and family and consumer science classes to eliminate waste in high school. Sitko came up with the idea when it was being discussed in Moore's AP Environmental Science class.

Sitko is part of Troop 833 in Kiel, which he joined in the spring of 2010. As part of Troop 833 Andrew served as senior patrol leader, patrol leader, scribe, and Order of the Arrow Representative. Andrew is a member of the Order of the Arrow and Arrow Brotherhood. He earned 27 merit badges including the four centennial merit badges (Carpentry, Pathfinding, Signaling and Tracking) offered by the Boy Scouts of America only in 2010.

Andrew is the son of Chris and Amy Sitko of Elkhart Lake. His brother Bryce is also a member of Troop 833 and together they have enjoyed the scouting program.

Lumberjack Day offers learning opportunities

Mrs. Propson's 4th grade students recently enjoyed their annual Lumberjack Day on April 20. Students have been studying Wisconsin state history all year. An important part of Wisconsin's past was the logging era. To celebrate the time period, the students began the day by dressing up in lumberjack attire. They were then served a lumberjack style breakfast in the cook shanty (elementary cafeteria) which was served by cookees (parents of the students). The breakfast consisted of stovelids (pancakes), sinkers (doughnut

holes), murphys (fried potatoes), beans, applesauce, and sausage.

Students also had a visit from a real lumberjack in the afternoon. Students learned more about the lumberjack lifestyle from the lumberjack. In addition, students got to experience using a crosscut saw, a frying pan contest, and a logrolling contest.

A special thank you to everyone who helped to make the annual Lumberjack Day a success.

Jade Henschel of Elkhart Lake-Glenbeulah High School has been awarded the Elkhart Lake Study Club Scholarship for \$2,500. The scholarship was presented by Study Club President Diane Wagner at the school Awards Night May 3. The winner was selected based on academic record, leadership in school, community activities, and an essay. Miss Henschel, daughter of Larry and Judy Henschel, will attend the University of Wisconsin as a business major.
