## Fallen officers remembered

By Linda Cranford

The annual National Police Week and Peace Officers' Memorial Day was held in Laurel Monday, May 15, at the Laurel First United Methodist Church with the Jones County Sheriff's Department and the Laurel Police Department coming together for the ceremony.

The ceremony gives local officers and members of the community an opportunity to pause and honor those who have made the ultimate sacrifice - to lose their life in the line of duty.

Major Jamie Tedford with the Jones County Sheriff's Department welcomed everyone and FUMC pastor Reverend Mark Anderson gave an opening prayer, followed by the presentation of colors by the LPD Color Guard. The National Anthem was sung by Emily

Taylor.

Jones County Board of Supervisors President Jerome Wyatt read a proclamation declaring Monday, May 15, Peace Officer's Memorial Day in Jones County.

A table of honor was set up next to the podium and Sheriff Alex Hodge explained its significance. "The table, with its place setting, is a way of symbolizing the fact that members of our profession are missing from this event. The table is set for one, though the number is many. The chair is empty. They can no longer join us. The tablecloth is white - symbolizing the purity of their intentions to serve their communities. The candle is lit - symbolizing their spirit to serve. The glass inverted - they cannot drink nor toast

See OFFICERS, page 4

LPD Chief Tyrone Stewart and Jones County Sheriff Alex Hodge take their turn in completing the memorial wreath by placing a red carnation in the center. Each person in attendance did the same. Photos/Linda Cranford

## Jones County says farewell to Garbage Director

Submitted

Jones County says farewell to Ronnie Compton. Compton began working for Jones County Beat 3 after retiring from Masonite, where he worked for 35 years. He then became garbage director of the Jones County Garbage Department. Compton worked approximately 15 years for Jones County. He is married to his lovely wife, Louise. Together they have one son, William Cory Compton, and two granddaughters. "He is the best I have worked with since 2002. With a sad heart, I hate to see him go," expressed Faye Eldridge, director of Garbage Office. The Jones County Board of Supervisors along with the constituents of Jones County thank you, Mr. Compton, for your years of dedication and service in making Jones County an extraordinary place to call home! Happy Retirement to you and enjoy.

Ronnie Compton

## Wayne County band slated to perform at national parade

Submitted

The Wayne County High School Band will be representing the state of Mississippi in the National Memorial Day parade in Washington D.C. by the invitation of United States Congressman Steven Palazzo on Monday, May 29. The band's performance will be televised on a live PBS national broadcast. The students have a once in a lifetime opportunity to experience all that our nation's capital has to offer.

On the first two days in Washington, they are scheduled to visit the U.S. Holocaust Memorial Museum, Ford's Theater, the Petersen House, the Lincoln Memorial, Korean Memorial, MLK Jr. Memorial, Vietnam Memorial, and WWII Memorial. On the final day, the band will visit Arlington National Cemetery and will have the honor of participating in the Wreath Laying ceremony as well as witness the Changing of the Guard ritual. Later that night, they will be in attendance on the West Lawn of the U.S. Capitol for the National Memorial Day Concert, featuring the National Symphony Orchestra.

## LMS students study fashion design

Laurel Middle School students will soon complete the first year of Artistic Design class. The class was added at the beginning of the 2016-17 school year to offer a different style of art elective. The students learned a variety of design concepts including fashion design and makeup artistry. Through a local grant, art teacher Sonya Hamilton was able to purchase several sewing machines and other materials that allowed the students to learn clothing design and creation. During one project, the students were given a decade in fashion to research. After they completed their research, the students had to style an outfit inspired by the decade, and present their project to the class. The students did an outstanding job putting together decade appropriate fashion trends. ## D-Day 5K set for June 3

Submitted

For the last three years, the Veterans' Memorial Museum in Laurel has hosted an Annual D-day 5K, in memory and recognition of those who served in the Normandy invasion. As part of this event, the museum has hosted a 5K t-shirt design contest. It includes all interested 6th graders from the city, county, private, and home schools.

This year's winners were from West Jones Elementary: First Place - JaSean Cohen (Ms. McIntosh's class), Second Place - Desean Dinkins (Mr. Evans' class), and Third Place - Carter Jones (Mrs. Lowe's class).

The first place winner's design will be featured on all this year's 5K t-shirts. The 3rd Annual D-Day 5K/2 Mile Walk and Kids Fun Run will be held June 3 at 7:00 a.m., starting at the museum on Hillcrest Drive. This year we are adding the kids' fun run for 12 years of age and under. Kassy's Concessions will be here. You may register at [www.southernracetraining.com](http://www.southernracetraining.com) or go by the museum. We have flyers around town also. A huge "thank you" goes out to all patrons, sponsors, and friends, who make the museum and its events a reality. For more information, call us at 901-428-4008 or visit our website at [www.veterans-memorial-museum.org](http://www.veterans-memorial-museum.org).

# South Jones' Brown caps off season with state title

By Zac Chamblee

To the outside eye, Brooklyn Brown doesn't look like your run-of-the-mill athlete. She's small in stature and only a soon-to-be ninth grader at South Jones. All that doubt dissipates quickly though when you get Brown in her natural element—a track.

"I've coached for 31 years and several people who were Division I athletes and state champions," South Jones track coach Roger Satcher said. "None of them are going to outwork Brooklyn."

"I hope she inspires other people to say, 'You know what, if you work, you can make it.'"

Brown just recently capped off an incredible 2017 season with a storybook ending, a Class 5A State championship in the 3200 meter run with a time of 12.24 seconds. It came a year after she finished third in the same event as a seventh grader. All the blood, sweat and tears, they were definitely worth it.

"It's really nice since I worked so hard for it," Brown said. "It took me two years to get there. For most people it takes them until their senior year. I was pretty sure I was going to get it this year. I was glad I did. Everybody is so proud of me, especially all of my friends that helped me get here."

"She did a lot of things strategy-wise that last year she couldn't do," Satcher added. "Last year, she got trapped. This year, nobody could trap her. She's learning a lot about running. She's getting more competitive. The sky's the limit."

Hard to beat that ending. Or is it? Aside from winning more state championships in the coming years, Brown

Brooklyn Brown (right) poses alongside her track coach, Roger Satcher (left) shortly after claiming the Class 5A state title in the 3200 meters. Photo/submitted

hopes to break the state record in the 3200 meters, which is 10.36 seconds. Brown will begin summer training very soon with that figure in mind.

"We're going to work on her first mile time this summer," Satcher said. "We're going to make that time competitive for a championship. If we can get that, then we're going to cut a lot of time off her two-mile, which is going to put her in position to get that lofty goal. But we're going to have a lot of goals in-between."

All of them are attainable, too. If the last few weeks of track season showed us anything, it's that you can never count out Brooklyn Brown.

"If you love sports, you gotta love Brooklyn Brown," Satcher concluded with a big smile. "She is always out there giving it 100%."

A Memorial Day Program will be held at Joe D. Hudgies American Legion Post #210 (1038 E. Elmo St., Laurel) on May 27 at 6:00 p.m. Guest speaker will be Lt. Col. Earnest Dixon, Retired.

Please come join the Jones County Genealogical and Historical Organization on Saturday, May 27, for the monthly meeting of the organization. This meeting will begin at 10 a.m. and will be held at the Laurel-Jones County Library, 530 Commerce St., Laurel. Everyone is welcome.

Magnolia Boys will be in concert Saturday at 6:30 p.m. at Antioch UM Church, 845 Lower Myrick Road. A nursery will be provided. Come out for a good time and a blessing.

May 28

Calvary Baptist Church, 143 Central Avenue, Laurel, invites you and your church family to our Annual Choir Day on May 28 @ 3:00 p.m. Our theme for this occasion is "No Greater Love" John 15:13. Your groups, soloist, and praise dancers are all welcome.

New Prospect MB Church invites you to our annual Choir Day anniversary at 2:00 p.m. on May 28. The theme is "It Was God's Grace!" All choirs, groups, soloist are welcome to come and render an A and B selection.

May 29

Rock of Ages of the Apostolic Faith Church, 2609 North 5th Avenue, Laurel, invites the public to help us celebrate Bishop Gary Gully and First Lady Joanne Gully's 10th year appreciation on Sunday, May 29 at 3:00 p.m.

June 1

The Jones County Forestry Association would like to sponsor four local educators at the Teacher Conservation Workshop which will be held June 25-30 at Jones County Junior College. This workshop is a practical, hands-on conservation workshop with emphasis on forests and other natural resources. The latest in conservation education is presented in the classroom and numerous field trips including mills, harvesting operations, management practices, and nature trails. Participants learn how conservation practices can be integrated into classroom work and student projects. Teacher will receive 5 CEUs. If you are interested in this workshop, please contact the Jones County Extension Office at 601-428-5201. Space is limited for

the workshop. The deadline is June 1.

The Arc of the Pine Belt Region will hold its fourth annual golf tournament to benefit people with intellectual and developmental disabilities on Thursday, June 1 at the Laurel Country Club. Tee off time for this four-man scramble will be at 9:00 a.m. Lunch and drinks will be provided for each golfer with a \$75 entry fee. Contact Stephanie Robertson, Arc Board member: steph.sinclair1132@gmail.com or 601-606-8709 or Abby Willis, The Arc director: abigailsandswillis@gmail.com or 601-433-3852 for more information.

June 4

New Prospect MB Church invites you to come and fellowship with us during our Annual Men and Women Day celebration. This event will begin at 1:30 p.m. on June 4. The speaker for the occasion will be Pastor Renay Dawkins of Lake Central UM Church and Union Chapel UM Church. All men and women will be dressed in white with red accessories. The theme is "This Means War!" Ephesians 6:10-18.

The "Vets" are coming June 4 at 6:00 p.m. in the Multi-Purpose Building, Raleigh, MS. Approximately ten doctors of veterinarian medicine will be keynote speakers for the Community Unity Scholarship program. Please come out and support C U S P. There will be no charge for the program; however, donations are accepted. For more information, call Dr. Peyton at 601-764-7109.

June 5

Glade Baptist Church, 72 Triangle Drive in Laurel, will be having Vacation Bible School on June 5-9 from 8:30 am. - 12:00 p.m. The theme this year is "Galactic Starveers: Discovering the God of the Universe." This will be for kindergarten- 6th grade. For more information, call the church office at 601-649-4246.

July 14

The 2017 Mississippi Watermelon Festival is currently accepting applications for arts and crafts vendors for this year's event on July 14 & 15. In our 39th year, the festival is held downtown Mize in the City Park. The festival is a fundraiser for the Mize Volunteer Fire Department. With an average attendance of 5000, we offer lots of activities for everyone over two days. The festival features a 5K run, Biggest Watermelon Contest, and entertainment throughout both days, as well as arts and crafts. Spaces are limited this year so get your applications in. Applications may be found on the website www.mswatermelonfestival.com or by calling 877-790-9722.

July 22

J. H. Springs Recreation League Registration for the 2017 football season is being held now and will end on July 22 and August 5. We are interested in your child or children's participation which will increase their athletic as well as social conduct skills. You can contact Rashawn McClendon, league commissioner @ 601-342-7961 or Harvey Hardy @ 601-470-7861 for more information.

## OFFICERS, continued from page 1

with us this day. A slice of lemon is on the bread plate to remind us of their bitter fate. The single red rose displayed in the vase is to remind us of their families and loved ones. The salt upon the plate is symbolic of their tears. The blue ribbon tied so prominently on the vase reminds us of the "Thin Blue Line" which stands strong before those who would destroy law and order in our great nation. Many of us served with these peace officers and called them "partner." We relied upon them; depended upon their might and their aid. We called them "brothers." We called them "sisters." They watch over us still - and we honor them today."

Following the table of honor description, the sound of bagpipes echoed through the church as Matthew Beall performed "Amazing Grace."

Jones County native and Mississippi Highway Patrol Trooper Lt. Trea Staples was the keynote speaker. Last year in the early hours of February 20, following a six-hour standoff, Staples was seriously wounded when MHP and MBN SWAT teams entered a home in Tishomingo County where an individual was holding his wife and 10-year old daughter hostage. Two other fellow troopers were injured that day including another Laurel native Bubba Holifield. Sadly MBN Special Agent Lee Tartt was killed. The suspect was also killed.

Staples recalled the events of that day and the days and weeks that followed. The gunshot wound Staples received severed a main artery in his leg. He said he could feel life draining away from him. By the time he got to a hospital in nearby Iuka he was convinced he was dying. "I was praying, not for myself, but for my family; my wife and children, and my mother and father."

"Here lately I have heard the term hero used way too loosely and way too often," exclaimed Staples. "Before I go any further I

want to clarify what the definition of a hero is. A hero is a person who is admired or idolized for courage, outstanding achievements, or other qualities. Synonyms for a hero include a person of courage, a brave person, lion-heart, knight and my favorite, warrior."

"The fallen we are here to honor today are just that, they are heroes," said Staples. "These heroes went out and fought for us. They fought to ensure our freedoms and our rights. And, they fought for our peace of mind."

"Today and this week is about fallen police officers, but they're not the only heroes," said Staples. "There are firefighters, EMS, and nurses." Two of Staples former nurses surprised him and drove to Laurel from Corinth for the ceremony.

In talking about the fallen, Staples said, "If we could turn back the clock and bring them back, and give them the option of doing what they did knowing the outcome, or not doing it, I can guarantee you that they would all do the exact same thing."

Following Staples address, Kevin Price sang "I Bowed on My Knees and Cried Holy." But, before he began singing he told how Officer Kim Stewart with the LPD encouraged him to go to the hospital when he saw him in a convenience store. Price said he didn't realize how sick he was and credits Stewart's encouragement to saving his life.

Each person assembled for the ceremony proceeded to place a red carnation in the unfinished memorial wreath. After the wreath was completed, the sound of a bugle echoed from the balcony of the church as Kirk Royal played TAPS.

The ceremony concluded with LPD Chief Tyrone Stewart giving a closing prayer.

Following the ceremony, a procession escorted by the Jones County Sheriff's Department and Laurel Police Department traveled to the grave site of Deputy Randy Chancellor, who was killed by a drunk driver while on duty in 2001, at Bethlehem Baptist Church Cemetery for a Wreath Laying Ceremony, conducted by Dr. Cary Kimbrell.

Keynote speaker MHP Trooper Trae Staples is pictured with his nurses from Corinth, Anna Palmer and Laura Lancaster, who administered to him after he was shot in Tishomingo County February 20, 2016.

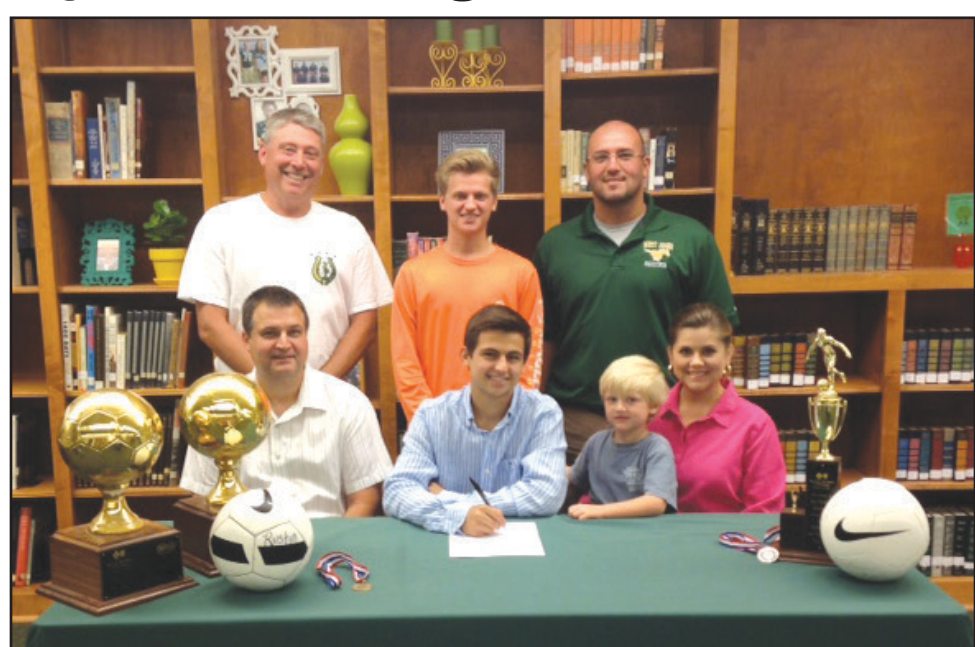

Laurel Police Department Color Guard presented the colors.

## WCSD leases backhoe for CTE students

The Wayne County Career Technical Education Center recently acquired a backhoe for their students. The first school district in Mississippi to have a backhoe, the WCSD leased the equipment for their students' use as part of their Heavy Equipment Operators program. Rex Buckhaults is the director of the Wayne County CTE center. *Photo/submitted*

Pictured are : l-r---Kevin Rustin, dad; Dillon; Stone Rustin, brother; Vanessa Rustin, mom; Standing are : l-r---Coach Craig Winship; Braxton Rustin, brother; and Coach Josh Sullivan. *Photo/submitted*

## Pro-Life Mississippi getting ready for Annual Walk 4 Life

*Submitted*

One of the most important (and fun) fund-raising efforts for Pro-Life Mississippi is the annual Walk 4 Life. This year's walk will be Saturday, June 10 at St. Richard's Catholic Church, 1242 Lynwood Dr. in Jackson. Participants will gather in the Church parking lot starting at 7:30 a.m., and the walk will start at 8 a.m. The group will walk to the abortion clinic on N. State St. in Fondren. There they will gather on the public sidewalk for a time of prayer and then head back to the Church for a total of about 4 miles.

Participants can begin gathering pledges now. Pledge sheets are available at [Prolifemississippi.org](http://Prolifemississippi.org). Every walker who turns in a pledge sheet of \$25 or more will receive a commemorative T-shirt. A portion of the money raised in this year's Walk 4 Life will help send some Mississippians to the big March For Life to be held in Washington D.C. this coming January. Brunch will be provided for all participants and volunteers courtesy of the St. Richard Knights of Columbus.

Special thanks to St. Richard Catholic Church, the St. Richard Knights of Columbus, the Hinds Co. Sheriff's Dept. and all volunteers. More information is available at 601-956-8636 or [Prolifemississippi.org](http://Prolifemississippi.org).

## THANK YOU, THANK YOU, THANK YOU!

To all of you, and especially Kim and Stephanie, who stopped and physically helped remove us from the wreckage of a smoking Buick Rendezvous, we thank you. To those who helped slow and divert the traffic, we thank you. To Dan McKenna and the Volunteers from Powers, M&M, Glade, Rustin, and Calhoun, who skillfully used your training and equipment to extricate Mrs. Betty Lou Henry Tiner from entrapment in the vehicle, we thank you. To the EmServ and AirCare ambulance crews who did your best that day, we thank you. To the staff at SCRMC, we thank you. To all who offered up a prayer on our behalf, we thank you. To the responding officers with the Jones County Sherriff's Department and the Mississippi Highway Safety Patrol, we thank you.

It has been said, "Time heals all wounds". Our healing began that morning when so many people unselfishly gave up a portion of their day to help us. You honored "Mrs. Betty", who had taught Sunday School for about 55 years, with your selfless actions to help others. We mentioned only a few names, because those are all we know.

*Just please understand, if you were there for us in any capacity that morning of April 19, 2017 on Hwy 84 East of Laurel, please accept our earnest Thank You and we are forever grateful to you.*

*Sincerely,*

*Larry Dale Tiner, Vera Vannette Tiner, Melissa Miller,  
and the family and friends of Mrs. Betty Lou Henry Tiner*

# Laurel High School 2017 Top Ten Seniors

Submitted

**Valedictorian Tierra Cooper**, the daughter of Melicia and Dwight Cooper, plans to attend the University of Southern Mississippi where she will major in biological sciences and minor in communications. Her future goal is to become a pediatric dentist. While at Laurel High School, Cooper was a member of the Student Council where she served as Student Body Vice President her senior year and

Tierra Cooper

Student Body Vice President her junior year. She was also a member of the choir, Beta Club and Fellowship of Christian Athletes. She was a Superintendent's List Scholar, Mississippi Scholar, Miss LHS, Association for Excellence in Education Student of the Month, member of the Future Leaders of Jones County and 2017 Junior Page for Lt. Governor Tate Reeves. She received the FCA Pink Huddle Christian Leadership Award, Perfect Attendance, Do You Know Foundation of Mississippi 2017 Youth of the Year, and was named Magnolia Girls State Secretary of State and South Central Sports Medicine Scholar Athlete. She was a captain of the cheer squad and soccer team. Active in the community, she served as a member of the Delta Gems, Girls Scouts

and 180 Youth Ministry.

**Salutatorian Pamela Salgado**, the daughter of Martha Munguia, plans to attend Mississippi State University on an academic excellence scholarship where she will major in marketing with a concentration in international business. Her future goal is to one day travel the world while owning an international company. While at Laurel High School, she was an active member of Student Council where she served as Senior Vice President, Interact, Beta Club, Academic Ambassadors, Mississippi Scholars and Select Choir. She received numerous awards including Superintendent Scholar Award, Top English Student, Top History Student, Class Favorite, Most Likely to Succeed and Association for Excellence in Education Student of the Month. Active in the community, Salgado assisted with breast cancer awareness activities and helped plan the Veteran's Day program and senior lunch.

Pamela Salgado

ar, Pridgen was a Mississippi Scholar and an active member of the Video-game club. Pridgen played varsity tennis for five years and played football and soccer during his time at Laurel High School. Active in the community, he has served numerous hours volunteering with Laurel First United Methodist Church. He works at Southern Motor Company after school.

Christopher Pridgen

Ranking fifth, **Miah Davis**, the daughter of Richard and Juanita Davis, plans to attend the University of Southern Mississippi where she will major in nursing. Her future goal is to work in a neonatal intensive care unit and one day become a nurse practitioner. While at Laurel High School, she was a member of the Concert Choir, Student Council, Beta Club and Key Club. She was an Advanced Placement Student, Superintendent's List Scholar and Mississippi Scholar. She is an active member of the Judah Missionary Baptist Church Youth Department and serves as a Parks and Recreation Youth Worker.

Miah Davis

**Historian Keelyn Brown**, the son of Michael and Melissa Brown, plans to attend Seton Hill University on football and academic scholarships where he will major in medicine. His future goal is to become a doctor. While at Laurel High School, he was an active member of the Fellowship of Christian Athletes and the Videogame Club. He was a Mississippi Scholar, Superintendent's List Scholar and in 2016 placed first in the school science fair, first at regionals and third at the state science fair. A standout member of the Golden Tornadoes Football Team, he signed a football scholarship and was selected First Team All-District. He also participated in powerlifting and archery. Active in the community, Brown volunteered numerous hours reading to students at Maddox Elementary School. Brown is an active member of Providence Baptist Church where he is a member of the choir and drill team.

Keelyn Brown

Ranking sixth, **Kalen Brown**, the son of Michael and Melissa Brown, plans to attend Seton Hill University on football and academic scholarships where he will major in astrophysics. His future goal is to work for NASA. While at Laurel High School, he was an active member of the Fellowship of Christian Athletes, Beta Club, and Videogame Club and was a Mississippi Scholar and Superintendent's List Scholar. In 2016 he placed first in the school science fair, first at regionals and third at the state science fair. A standout member of the Golden Tornadoes Football Team, he signed a football scholarship and was selected Defensive First Team Honorable Mention.

Kalen Brown

Ranking fourth, **Christopher Pridgen**, the son of Stephanie Pridgen and Bill Pridgen, plans to attend Penn State University. His future goal is to become a landscape contractor. A Superintendent's List Schol-

ar, Pridgen was a South State qualifier in powerlifting and a member of the archery team. Active in the community, he volunteered at the soup kitchen and assisted with tornado relief efforts. Brown is an active member of Providence Baptist Church where he is a member of the choir and drill team.

## 2016 Annual Drinking Water Quality Report Whistler Water Association PWS ID: 0770004 May 2017

We're pleased to present to you this year's Annual Quality Water Report. This report is designed to inform you about the quality water and services we deliver to you every day. Our constant goal is to provide you with a safe and dependable supply of drinking water. We want you to understand the efforts we make to continually improve the water treatment process and protect our water resources. We are committed to ensuring the quality of your water.

If you have any questions about this report or concerning your water utility, please contact Jessica Wood at 601.735.3531. We want our valued customers to be informed about their water utility. If you want to learn more, please attend any of our regularly scheduled meetings. They are held on the third Tuesday of each month at 4:00 PM at the Whistler Water Office.

Our water source is from four wells drawing from the Catahoula Formation Aquifer. The source water assessment has been completed for our public water system to determine the overall susceptibility of its drinking water supply to identify potential sources of contamination. A report containing detailed information on how the susceptibility determinations were made has been furnished to our public water system and is available for viewing upon request. The wells for the Whistler Water Association have received lower to higher susceptibility rankings to contamination.

We routinely monitor for contaminants in your drinking water according to Federal and State laws. This table below lists all of the drinking water contaminants that were detected during the period of January 1st to December 31st, 2016. In cases where monitoring wasn't required in 2016, the table reflects the most recent results. As water travels over the surface of land or underground, it dissolves naturally occurring minerals and, in some cases, radioactive materials and can pick up substances or contaminants from the presence of animals or from human activity; microbial contaminants, such as viruses and bacteria, that may come from sewage treatment plants, septic systems, agricultural livestock operations, and wildlife; inorganic contaminants, such as salts and metals, which can be naturally occurring or result from urban storm-water runoff, industrial, or domestic wastewater discharges, oil and gas production, mining, or farming; pesticides and herbicides, which may come from a variety of sources such as agriculture, urban storm-water runoff, and residential uses; organic chemical contaminants, including synthetic and volatile organic chemicals, which are by-products of industrial processes and petroleum production, and can also come from gas stations and septic systems; radioactive contaminants, which can be naturally occurring or be the result of oil and gas production and mining activities. In order to ensure that tap water is safe to drink, EPA prescribes regulations that limit the amount of certain contaminants in water provided by public water systems. All drinking water, including bottled drinking water, may be reasonably expected to contain at least small amounts of some contaminants. It's important to remember that the presence of these contaminants does not necessarily indicate that the water poses a health risk.

In this table you will find many terms and abbreviations you might not be familiar with. To help you better understand these terms we've provided the following definitions:

**Action Level** - the concentration of a contaminant which, if exceeded, triggers treatment or other requirements which a water system must follow.

**Maximum Contaminant Level (MCL)** - The "Maximum Allowed" (MCL) is the highest level of a contaminant that is allowed in drinking water. MCLs are set as close to the MCLGs as feasible using the best available treatment technology.

**Maximum Contaminant Level Goal (MCLG)** - The "Goal" (MCLG) is the level of a contaminant in drinking water below which there is no known or expected risk to health. MCLGs allow for a margin of safety.

**Maximum Residual Disinfectant Level (MRDL)** - The highest level of disinfectant allowed in drinking water. There is convincing evidence that addition of a disinfectant is necessary for control microbial contaminants.

**Maximum Residual Disinfectant Level Goal (MRDLG)** - The level of a drinking water disinfectant below which there is no known or expected risk of health. MRDLGs do not reflect the benefits of the use of disinfectants to control microbial contaminants.

**Parts per million (ppm) or Milligrams per liter (mg/l)** - one part per million corresponds to one minute in two years or a single penny in \$10,000.

**Parts per billion (ppb) or Micrograms per liter** - one part per billion corresponds to one minute in 2,000 years, or a single penny in \$10,000,000.

### TEST RESULTS

Contaminant	Violation Y/N	Date Collected	Level Detected	Range of Detects or # of Samples Exceeding MCL/ACL	Unit Measurement	MCLG	MCL	Likely Source of Contamination
<b>Inorganic Contaminants</b>								
10. Barium	N	2016	.0366	.0081 - .0366	ppm	2	2	Discharge of drilling wastes; discharge from metal refineries; erosion from natural deposits
11. Beryllium	N	2016	.08	No Range	Ppb	4	4	Discharge from metal refineries and coal-burning factories; discharge from electrical, aerospace, and defence industries.
14. Copper	N	2014/16	.1	0	ppm	1.3	AL=1.3	Corrosion of household plumbing systems; erosion of natural deposits; leaching from wood preservatives
17. Lead	N	2014/16	2	0	ppb	0	AL=15	Corrosion of household plumbing systems, erosion of natural deposits
19. Nitrate (as Nitrogen)	N	2016	1.45	.28-1.45	ppm	10	10	Runoff from fertilizer use; leaching from septic tanks, sewage; erosion of natural deposits
<b>Disinfection By-Products</b>								
Chlorine	N	2016	1.4	1 - 1.9	mg/l	0	MDRL = 4	Water Additive used to control microbes

\* Most recent sample. No sample required for 2016.

We are required to monitor your drinking water for specific contaminants on a monthly basis. Results of regular monitoring are an indicator of whether or not our drinking water meets health standards. We did complete the monitoring requirements for bacteriological sampling that showed no coliform present. In an effort to ensure systems complete all monitoring requirements, MSDH now notifies systems of any missing samples prior to the end of the compliance period.

If present, elevated levels of lead can cause serious health problems, especially for pregnant women and young children. Lead in drinking water is primarily from materials and components associated with service lines and home plumbing. Our water system is responsible for providing high quality drinking water, but cannot control the variety of materials used in plumbing components. When your water has been sitting for several hours, you can minimize the potential for lead exposure by flushing your tap for 30 seconds to 2 minutes before using water for drinking or cooking. If you are concerned about lead in your water, you may wish to have your water tested. Information on lead in drinking water, testing methods, and steps you can take to minimize exposure is available from the Safe Drinking Water Hotline or at <http://www.epa.gov/safewater/lead>. The Mississippi State Department of Health Public Health Laboratory offers lead testing. Please contact 601-576-7582 if you wish to have your water tested.

All sources of drinking water are subject to potential contamination by substances that are naturally occurring or man made. These substances can be microbes, inorganic or organic chemicals and radioactive substances. All drinking water, including bottled water, may reasonably be expected to contain at least small amounts of some contaminants. The presence of contaminants does not necessarily indicate that the water poses a health risk. More information about contaminants and potential health effects can be obtained by calling the Environmental Protection Agency's Safe Drinking Water Hotline at 1-800-426-4791.

Some people may be more vulnerable to contaminants in drinking water than the general population. Immuno-compromised persons such as persons with cancer undergoing chemotherapy, persons who have undergone organ transplants, people with HIV/AIDS or other immune system disorders, some elderly, and infants can be particularly at risk from infections. These people should seek advice about drinking water from their health care providers. EPA/CDC guidelines on appropriate means to lessen the risk of infection by cryptosporidium and other microbiological contaminants are available from the Safe Drinking Water Hotline 1-800-426-4791.

The Whistler Water Association works around the clock to provide top quality water to every tap. We ask that all our customers help us protect our water sources, which are the heart of our community, our way of life and our children's future.

Ranking seventh, **Kahdejah Moody**, the daughter of Dedra Wallace, plans to attend William Carey University where she will major in music and minor in math. While at Laurel High School, she served as captain of the softball team, captain of the cheerleading squad and ran track. She was a member of the Future Leaders of Jones County, Concert Choir, Student Council, Fellowship of Christian Athletes and Fashion Club where she served as vice president. She was a Principal's List Scholar, Mississippi Scholar and named Class of 2017 Most Talented. She is graduating with highest honors. Active in the community, she served meals at the senior citizens luncheon and is a member of her church youth department, youth and adult choir and praise team.

**Kahdejah Moody**

Ranking eighth, **JaMarcus White**, the son of James White and Rowena White, plans to attend the University of Mississippi on an academic scholarship where he will major in political science. His future goal is to be a human rights activist. He was a Superintendent's List Scholar, Principal's List Scholar and received awards for citizenship and academics. He was named Student of the Year and Top History Student. He also received academic achievement awards in health and biology. He was a member of the Student Council and Speech and Debate Team. He has volunteered with the Highland Baptist Church Youth Club and assisted with promotions for the Hillary Clinton campaign.

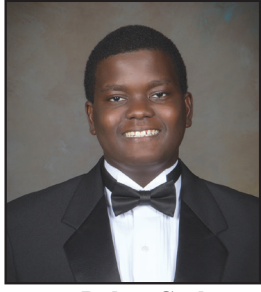

**JaMarcus White**

lege where she will pursue an associate's degree in nursing. She then plans to attend Alcorn State University where she will major in nursing. While at Laurel High School, she was an active member of Interact, Beta Club, Key Club and Student Council where she served as Junior Class Reporter and Senior Class Secretary. She was a Superintendent's List Scholar, Principal's List Scholar and received highest honors. She was a member of the varsity cheer squad for three years. Active in the community, she has assisted with providing winter jackets for families, helped provide meals for the elderly and has volunteered numerous hours reading to children. She is an active member of Judah Missionary Baptist Church.

**Raven Evans**

Ranking tenth, **Joshua Cooley**, the son of John Cooley and Temeka Evans, plans to attend Mississippi State University and major in international business with a minor in education. His future plans are to own a business and one day be a teacher and archery coach at Laurel High School. While at Laurel High School, he participated in culinary arts, Interact and archery. He was named a Mississippi Scholar Tech Master. He received the medal for highest male archer and served as archery team captain. Active in the community, he has volunteered numerous hours preparing meals for local churches, assisted at the local Good Samaritan Center and helped serve spaghetti plates at the downtown YWCO.

**Woman "Soaks Away" Cracked Heels After Discovering New Footbath Powder Man Ends Foot Itch and Odor After Twenty Years!**

**Little Rock** – Friends were amazed when a woman who for years had suffered with painful corns and cracked heels, suddenly took up jogging again.

Asked about her remarkable recovery, she explained that a friend had recommended a product called **Liquid Pedicure Footbath Powder**. By soaking her feet in this soothing solution, her corns and cracked heels were literally soaked away.

A New Orleans man who suffered with foot itch and foot odor for 20 years also tried the product. "My foot itch disappeared in one 15 minute footbath. My foot odor was gone in just two soakings" he said.

In an interview with the President of **Liquid Pedicure** – "People are suffering needlessly with painful corns, cracked heels, foot odor and agonizing foot itch.

**Liquid Pedicure** can help! It's guaranteed to work or your money back."

**Liquid Pedicure** is a powder that when dissolved in warm water forms a soothing 15 minute footbath solution. It smoothes rough, cracked heels, soaks away corns, stops foot itch, rejuvenates tired feet and eliminates foot odor.

It works by loosening and soaking away unhealthy dead skin, which destroys odorous bacteria, uncovers healthy skin and allows feet to breathe.

In just one 15 minute footbath, your feet will start to look better, smell better and feel better!

## SJH Bravettes receive State Championship Rings

By Linda Cranford

To the cheers of their fellow classmates, the members of the South Jones High School Bravettes Dance Team were presented with State Championship Rings Wednesday, May 17, in the High School Gymnasium prior to the faculty basketball game. The Competition Dance Team program started six years ago and although the team placed each year they competed this was their first State Championship.

Former team member Baily Davis, who dances professionally with the Saintsations, commented saying, "It's awesome to see this. We started out with six girls. It's awesome to see how our hard work back then is now paying off."

Bravettes Dance Team Sponsor Kelly Tucker said most people don't realize the athleticism required in participating in competition dance. The girls spend hours in training. Many also compete outside the school. Each week they go through different classes including technique class where they work on physical and skills training, and choreography class where they work to perfect their routines which require precision, agility, endurance, and strength. With the schedule the girls keep discipline is required in balancing their training and academic demands. Tucker said the T-Shirt slogan "Can't...Got Dance" sums up the girls' life. She said prior to state competition in November and December the girls have no social life.

"This is a great group of girls," exclaimed senior Haley Smith. "They bring me so

Bravettes' State Championship Ring.

much happiness. I am proud of these girls for keeping up their grades with the number of ours we spend in training and practice and for working through their injuries."

Dance Team Choreographer Lora Davis said, "The team is judged on technique, creativity, accuracy, choreography, precision and stage presence."

The Dance Team won state championship in the MHSAA small varsity kick competition and placed third in the 5A/6A small pom category.

According to Tucker, in the dance team's short existence 23 girls have gone through the program; ten have received collegiate scholarships and two have gone on to dance professionally.

The Bravettes – L-R, Lora Davis – Choreographer, Natalie Strickland, Timber Prince, Victoria Strickland, Rylee Gavin, Taylor Martin, Holly James, Morgan Breland, Kelly Tucker – Sponsor, and Haley Smith. Photos/Linda Cranford

## JCJC Nurses Honor Society inducts five graduation candidates

Submitted

Jones County Junior College's Gamma Mu chapter of the Alpha Delta Nu Nurses Honor Society held its Spring 2017 induction ceremony April 27. Out of a graduating class of 27, five students were chosen to be

inducted into the society.

Requirements for inductees include an overall college GPA of 3.0, a B or better in all nursing courses, which can be taken only once, and a demonstration of compassion and professionalism.

JCJC's Gamma Mu chapter of the Alpha Delta Nu Nurses Honor Society inductees are pictured with advisor Danielle Brownlee after the ceremony. Front row, left to right, are Elise Bowie of Hattiesburg, Brittany Lee of Laurel, Joetta Stewart of Ellisville, Kaitlyn Sullivan of Mize and Gabriella Watson of Laurel. Photo/submitted

# Goodbye Loft Life, Hello Suburban Home

By Linda Cranford

HGTV's "Home Town" Episode Tuesday, May 16, featured Ben and Erin renovating the new home of their friends of six years Dawn and Michael Trest.

Dawn and Michael and their two children, 10-year old Anne, and 4-year old Liam, had been living in a loft in downtown Laurel for several years. Even though they enjoyed the loft life, it was time for a change.

Dawn said she didn't want anything fussy or modern, but a place that felt like home. She preferred a place with an open kitchen and living room concept.

After looking at several homes, the Trest decided on the Stringer House, a split-level home located in the suburbs of North Laurel just off Bush Dairy Road.

Transforming the split-level home into a dream home for the Trest involved a great deal of innovation and renovation on the part of Erin and Ben. The transformation included the removal of several dividing walls, one of which was an exterior brick wall. With just a few adjustments the closed-off kitchen was opened up to provide Dawn with her open kitchen and living room concept plus an adjacent open breakfast and dining room area.

Michael and Dawn Trest's home was featured in HGTV's "Home Town" episode Tuesday, May 16.

Photos/Linda Cranford

"In the loft, we didn't have a dining room," said Dawn. "I love our dining room and breakfast nook. In November we had over 15 people at our table for Thanksgiving dinner."

Dawn said that 90% of their decision was made with the two children in mind. Anne was happy with decision because one of her best friends

lives across the street. "We love the neighborhood," said Dawn. "I really just love it all."

She added that there were lots of cozy nooks in every room and each room had its own unique feel.

Michael's favorite is the living room which includes the addition of bookshelves that surround the fireplace with its unique cast iron wood heater and the custom made built-in desk.

On the outside, they removed the carport and Ben replaced it with an arbor. He also used the cedar wood found in one of the interior walls they removed to make a beautiful window planter box.

Making a visit to Laurel Machine and Foundry during the episode, Ben utilized the talents of Trent Mulloy and his staff to help him create an iron frame for an outdoor table. While at the foundry Ben was given an opportunity to pour molten metal.

During the episode, Ben said, "You know, there's a saying that 'worlds were not conquered with wood; they were conquered with iron and steel.' Today, I conquered the world."

Although Ben and Erin renovated a majority of the home, as with any home Dawn said they have ongoing projects that include the first level den, upstairs bathrooms and laundry room.

Dawn said she loves the dining room. Living in the loft they had no dining room.
