HEALTH NOTIFICATION

Are You Hard of Hearing?

A major name brand hearing aid provider wishes to field test a remarkable new digital hearing instrument in the area. This offer is free of charge and you are under no obligation. These revolutionary 100% digital instruments use the latest technology to comfortably and almost invisibly help you hear more clearly. This technology solves the “stopped up ears,” and “head in a barrel” sensation some people experience. If you wish to participate, you will be required to have your hearing tested in our office FREE OF CHARGE to determine candidacy and review your results with the hearing instruments with our hearing care specialist. At the end of this evaluation, you may keep

your instrument, if you so desire, at a tremendous saving for participating in this field test. Special testing will be done to determine the increased benefits of this technology. Benefits of hearing aids vary by type and degree of hearing loss, noise environment, accuracy of hearing test, and proper fit. This is a wonderful opportunity to determine if hearing help is available for your hearing loss and get hearing help at a very affordable price.

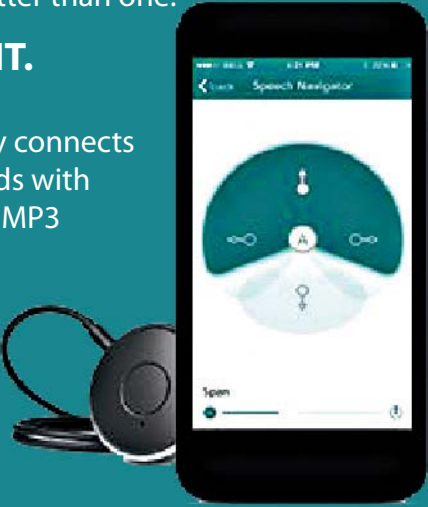

NEW GENIUS™ TECHNOLOGY

ENJOY MORE NATURAL SOUND QUALITY, WHEREVER LIFE TAKES YOU:

- Directional Focus helps you hear front and center, blocking unwanted noise around you
- Wireless Windscreen takes away the wind noise, allowing other sounds to be heard more clearly
- Voice Target 360 zeroes in on the people and conversations you want to hear
- HD2Sound processes sound the same way your brain does naturally, because two ears are better than one!

DON'T JUST HEAR IT. STREAM IT:

The GENIUSLink wirelessly connects your GENIUS™ hearing aids with your smartphone, tablet, MP3 player or other Bluetooth®-enabled device. One touch sends phone calls, music, TV, and more directly to your ears for superb clarity.

You will be able to walk into our office and walk out knowing how much help there is for you!

FFA Feeds The Farmers

by Carson Miller, Okoboji Reporter

Friday, October 9th, farmers from around the lakes area lined up at The Anderson's in Milford and MaxYield elevator in Fostoria. Each person was given a sack lunch, hand packed by Okoboji FFA members. The lunches included all the staples: a ham sandwich, chips, an apple, a cookie, and water. A total of 90 sack lunches were made and roughly 45 were taken to each location.

As a chapter, the Okoboji FFA would like to use this event to thank our farmers for all their hard work and remind them to stay safe this harvest season.

Okoboji Board Members Return to "Classroom"

Okoboji school board members and administrators assumed the role of "learners" last week by holding a work session to discuss how to continue moving our district forward as one unified leadership team.

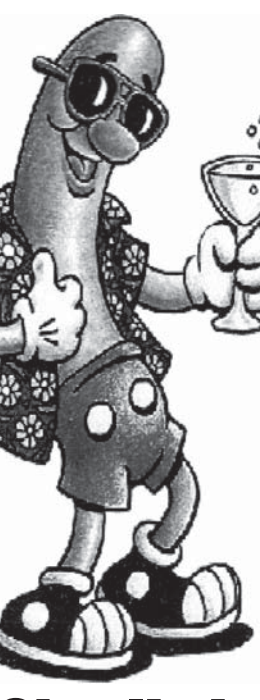

The discussion, facilitated by Jeff Herzberg, Prairie Lakes AEA Chief Administrator, included topics such as communication, roles and responsibilities, expectations, and focusing on district priorities. On November 3, the five board members and I will also be attending a "new board member workshop" hosted by the Iowa Association of School Boards.

District leaders are committed to focusing all work on our mission statement, "to prepare each learner with the knowledge and skills necessary for a productive life in a changing world". Okoboji's three district priorities include financial responsibility, community connections and student achievement, with a focus on reading, math, science, safety and technology.

In order to make good decisions and to serve students well, school boards must be "learning boards" committed to understanding district needs and knowing how the district operates. To make work more focused, Okoboji's school board has six established committees. They include communication, finance, performance monitoring, student achievement, facilities and athletic leadership. Each committee's responsibility is to work with district administrators in obtaining good information for making recommendations for board action.

I appreciate our Board's willingness to continue learning how to be effective district leaders. Being a school board member is sort of like being a parent – it is a lot of work for no pay, you can't ever make everyone happy, and the work is very frustrating at times (but also equally rewarding). Okoboji's board members include President Stacy Titterington, Vice President Jeff Nielsen, Scott Dodge, Bob Hansen, and Jay Weaver.

Annual Adopt A Family Program

Upper Des Moines Opportunity, Inc. (UDMO) is taking applications and donations for the annual Adopt A Family program in Dickinson County.

For this program to be successful, it needs the continued support of the community. Upper Des Moines would be most appreciative if you could fit Adopt A Family program into your holiday plans this season. They would encourage you to adopt a family, but if that is not practical for you, the program also accepts monetary donations of any amount that would be used to purchase gifts for those that do not get adopted.

UDMO recognizes that the economy is placing significant stress on many families, the elderly and the disabled, so they would like to be able to meet some of their needs through this program. They also realize that this is an uncertain economic time for those who give, and that makes them especially appreciative of the community's generous spirit.

If you are someone that may benefit from the Adopt A Family program, consider coming to the UDMO office at 1575 18th Street in Spirit Lake, to obtain an application.

Both those wishing to be adopted and those wishing to adopt a family or contribute a monetary donation, can receive further information by calling the UDMO office at 712-336-1112.

Cyclone Shakeup Works

It was a very eventful week in the Iowa State football world, as head Coach Paul Rhoads announced last Monday that offensive coordinator Mark Mangeno has been released and that sophomore quarterback Joel Lanning would take over the starting duties from senior Sam Richardson. Apparently Mangeno and Rhoads could not get on the same page regarding the direction of the offense, and I'm guessing that the ego of Mangeno wouldn't allow him to change his mindset. Lanning taking over for Richardson was less of a shock as Sam has really struggled lately and Lanning played extremely well in the second half of ISU's 45-27 loss at #2 Baylor.

Both changes apparently were just what the Cyclones needed, as Iowa State played one of their better four quarters of football on Saturday night, shutting out Texas 24-0. While this isn't the dominant Texas team of the past, the Longhorns came into the game on a roll, having defeated #13 Oklahoma and Kansas State in their past two games. While Lanning played a very good game passing for 188 yards a touchdown and running for another 66 yards, it appears he brings something to this team that goes beyond the stats. The Cyclones have a different energy about them with Lanning than they did with Richardson, it was very evident during the Baylor game and it continued in Saturday night's game. ISU also got another solid performance from freshman phenom Mike Warren who rushed for 157 yards and a touchdown. The game ball for this game, however, must go to the ISU defense, which dominated Texas the entire game. The Longhorns could not get past the Cyclone 47 yard-line until the final drive of the game and could manage only 119 yards of offense through the first three quarters. The Iowa State defense was coming off a brutal three week stretch where they played three of the top offenses in college football and they showed a ton of heart and desire with their effort against the Longhorns.

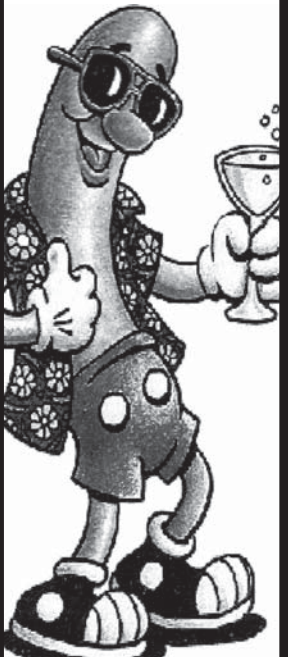

While this isn't a season saving win for the Cyclones, it does validate where the program is heading. ISU is loaded with young talent at many of their key positions and you have to give Coach Rhoads and his staff credit for keeping this team together during some very tough losses. If not for a missed field goal at the end of the Toledo game, ISU fans could actually be talking about a bowl. I don't see the Cyclones being able to win 3 of their last 4 games, but, if they continue to play with the same energy and execution they did on Saturday, good things will continue to happen for them. I'll leave you with this interesting stat, since Joel Lanning was inserted into the line-up at Baylor, Iowa State has outscored Baylor and Texas 51-10, not too bad for a 3-5 team!

Grace Soeth To Celebrate 90th

Mark and Joan Soeth and family invite you to join them on Dec. 21, 2015 to celebrate the birthday of Mark's Mother, Grace Soeth, for her 90th birthday on December 21, from 1 to 3 p.m. at Welcov at 1819 23rd Street Spirit Lake. Cards can be sent to Grace at 1819 23rd St. Spirit Lake, Iowa 51360. Grace will be joined by her Ladies of the Lake Daughters of the American Revolution friends that day. Grace joined DAR and her patriot is Daniel Watson of New Hampshire. Grace's grandmother was also in DAR. Grace has been active in the Spirit Lake PEO group. She has been a sponsor for the Cliff Hinderman students in Oaxaca, Mexico, and went on one of the trips to see her student. When Colleen Lemkuil, Regent of the Ladies of the Lake, went to get her birth certificates and information to assist her in joining DAR in October 2012 she said, "Oh, you are the woman that went to Oaxaca Mexico with me. We were there for Oct. 31, the Day of the Dead celebration." Grace wanted to join so her granddaughter could also join DAR. If you want to join DAR, contact Bobbie Lea Holden at bobbieleaholden@gmail.com or call her at 712-330-5925. Mary Cornell will be at the birthday celebration for Grace Soeth and will give her a special DAR card for her 90th birthday, and she will receive cards from the ISDAR and the NSDAR. Ninety is a special birthday. We hope you can attend.

Tempt Your Tastebuds With Free Samples On Try It Tuesday

Spirit Lake Blue Zones is kicking off a "Try It Tuesday" event this month in an effort to introduce delicious, healthy appetizers, entrees, and recipes to local residents. The initiative allows people to receive free samples of various food items at area Blue Zones locations, along with a recipe of the item. Spirit Lake Blue Zones Engagement Co-Chair Sonja Hamm said, "The items are inspired by Blue Zones and the Plant Slant Power 9 characteristic common among Blue Zones communities. Each organization will make their Try It Tuesday item the special of the day, and allow as many people to taste test as possible. Some organizations may even deliver samples to area businesses so more people can sample these items."

The lineup of organizations providing the samples for the remainder of the year is:

November 10 – Hey, Good Cookies!
November 24 – Lakes Café at Lakes Regional Healthcare
December 1 – Hy-Vee
December 15 – Fareway

Hamm said a Try It Tuesday event will be held once each month in 2016. She said, "We hope to begin offering cooking classes in the near future as well, to demonstrate how easy it can be to prepare and eat healthy meals that are also delicious."

Those interested in pursuing Blue Zones initiatives personally are encouraged to visit www.bluezonesproject.com and those interested in pursuing Blue Zones in the worksite are encouraged to call 712-336-8799.

Married On Purpose Workshop At CrossWinds Church

Are you Married on Purpose? Do you want to ignite the passion in your Marriage? Any couple is invited to ask these questions the weekend of November 13-14, at CrossWinds Church.

The speakers for the marriage event are Dr. Mike and Lee Ann Hartwig and Mark and Jody Stevenson. Both couples have years of experience supporting and promoting healthy marriages and will be sharing that with the event's attendees.

The Hartwigs have a unique passion for helping people establish and maintain healthy marriages. Through the years, they have counseled hundreds of people to deepen their relationships. Mike is a nationally-known speaker with specialty in the fields of church ministry and business and was the former Project Director of the Federal Discretionary Grant known as the "Iowa Healthy Marriage Initiative." It was designed to strengthen at-risk marriages by recruiting and training healthy couples to work with struggling couples. The Hartwigs have also received the following awards: National Service Award, National Excellence in Parenting Award, and Iowa Parents of the Year.

The Stevensons have been married for over 30 years, growing through the joys and challenges of life. They have served in a number of areas in the church and were co-directors of the Okoboji Bible and Missionary Conference for over five years. They currently live in West Des Moines and use their passion for healthy marriages by operating Treasure Chest Ministries (www.treasurechestministries.org). Through this ministry, they mentor couples, train mentors and help with marriage enrichment. Both gifted musicians, the couple will also be sharing their musical ability during the marriage weekend.

The Married on Purpose weekend will be held at CrossWinds Church Commons in Spirit Lake, IA (2805 Erie Avenue) on Friday, Nov. 13, with the event beginning at 6:30 p.m. Dessert will be served. On Saturday, Nov. 14, the conference begins at 8:30 a.m. with a continental breakfast and runs through 4:30 p.m. A lunch will be served. Total cost is \$60, payable at the door, and covers the entire weekend. You can pre-register for the event at <http://vid.us/67sbbw> or www.crosswinds.tv or CrossWinds Church Spirit Lake and CrossWinds Church Spencer Facebook pages.

Put 'November Into Words' At Lakeside Writers Workshop

The public is invited to put "November into words" at a free writing workshop at Iowa Lakeside Laboratory to be led by Genevieve Guzmán, Lakeside Writer-in-Residence. The workshop will be held in the Lakeside Dining Hall on Sunday, November 8 from 2:00 to 4:00 pm.

"We'll spend the first hour reading reflections on the month of November by literary greats such as Aldo Leopold, Annie Dillard, Paul Gruchow, and Wallace Stevens," explains Guzmán. "Then we'll disperse onto the Lakeside grounds to pen our own Novembers—in verse or prose, as wished. Afterwards, we'll regroup and compare notes."

Interested persons should register for the workshop by e-mailing Guzmán at gkguzman@alumni.uiowa.edu. Youth in high school or younger are encouraged to query Guzmán before registering.

Guzmán is a writer, translator, and editor from California. She has an MFA in literary translation from the University of Iowa, an MA in Russian literature from Columbia University in New York, and a BA in English from Stanford University. Her writing and poetry translations have appeared or are forthcoming in St. Petersburg Review, The Brooklyn Quarterly, Ulbandus, and Serpentine Magazine, and on the blogs of Asymptote and Words Without Borders.

The Lakeside Writer-in-Residence program is sponsored by the Friends of Lakeside Lab, Lakeside's community support organization. Iowa Lakeside Laboratory is a field station serving Iowa's state universities, located on West Lake Okoboji in Northwest Iowa. Founded in 1909, it provides summer courses and research opportunities for college students and year-round public programs. The 147-acre campus includes lake shore, prairie and woodland habitat and is managed as a nature preserve.

Identity Restored: Women's Retreat

Plan to attend a community-wide women's retreat to explore the topic "Identity Restored: Who I Am in Christ," which will be led by speaker and musician Becky Linn of Follow Hard Ministries. The one day retreat will take place in Lakeview Lodge at Lakeshore Center at Okoboji, 1864 Highway 86, Milford, Iowa, on Saturday, November 7, from 8:30am – 4:00pm.

The majority of women today struggle with "identity theft" – negative and false perceptions of who they are. Take time to spend a day understanding God's truth about ourselves as we experience a time of refreshing, renewal, and fellowship.

For more information, see Becky's website www.followhardministries.com. To register online, go to <http://fpcspiritleake.org/news/> or call First Presbyterian Church, Spirit Lake, 712-336-1649. Registration is \$30 per person and includes the all-day retreat, lunch, breaks, and child care. For overnight lodging Friday night, call the camp at 712-337-3313.

Poe Family Ag Scholarship Established at ILCC

Iowa Lakes Community College would like to announce the establishment of the Poe Family Ag Scholarship.

“We Believe and our love for the Iowa Lakes Community College Farm,” prompted Greg and Janet Poe to establish the scholarship. Greg and Janet were both long-time employees of the college and during their employment were generous enough to set aside funds for a future scholarship. Now, after their retirement, they have decided to start awarding the funds to Iowa Lakes Ag Production students.

Students enrolled in the Ag Production program are eligible for the \$500 Scholarship awarded in the fall to be used for tuition and books.

Candidates must complete the Iowa Lakes online scholarship application and be enrolled as a full-time student in the Ag Production program. In addition, they must hold a 3.0 GPA with preference given to a second year student.

To establish a scholarship contact the Iowa Lakes Community College Institutional Advancement/Foundations Office at 712-362-0491 or 800-242-5106 ext. 4491. To apply for scholarships visit www.iowalakes.edu.

Flu Shot Clinics November 9 and 16

Influenza vaccinations, or “flu shots,” are available to area residents through Dickinson County Public Health (DCPH) at their new location at Lakes Regional Healthcare just inside the west entrance off Highway 71. The cost per vaccination at DCPH is \$30. Medicare B eligible clients must bring their Medicare cards with them. The next upcoming, walk-in flu clinics are as follows, and no appointment is needed for either:

- Monday, November 9, 3:00pm – 5:30pm
- Monday, November 16, 3:00pm – 5:30pm

Those interested in receiving the vaccine that are unable to attend the walk-in clinics can call DCPH at 712-336-2682 to schedule an appointment.

The Centers for Disease Control and Prevention (CDC) recommends annual influenza vaccinations for everyone 6 months of age and older. This year’s flu vaccine protects against the most common flu viruses expected to circulate this year. Influenza is a respiratory illness that most often causes fever, headache, extreme tiredness, muscle pain, dry coughing, sore throat, and runny nose. In children, diarrhea sometimes accompanies the respiratory symptoms. The flu virus is spread when people who are ill cough or sneeze without covering their mouths and noses. Others get sick when they breathe in the air containing the flu virus. A person can also get the flu by touching a surface or object (like a door handle) that has been touched by someone with the flu (who coughed into their hand), and then touching their own mouth, eyes, or nose.

For more information about the influenza vaccine, visit <http://www.cdc.gov/flu/about/season/flu-season-2015-2016.htm>.

Phyllis Norane Beving, née Winter, formerly of the Fostoria/Everly area, passed away October 29, 2015, in her Casa Grande, AZ home. She was born Oct. 8, 1933, in Lakota, North Dakota and moved to Northwest Iowa with her parents and siblings when she was three years old. Phyllis lived in rural Milford where she attended grade school and graduated from Milford High School in 1951. In June of 1952, Phyllis married Merlin Beving of Everly in Biloxi, MS where he was stationed in the Air Force. Phyllis spent her adult life as loving wife to her husband Merle and as the co-caretaker of the family farm west of Fostoria, working alongside Merle in the fields and in animal husbandry.

Phyllis was a tireless volunteer during her lifetime, lending her boundless energy and enthusiasm to many causes. She will probably be most remembered for her music ministry which spanned most of her lifetime. She sang, played guitar, and performed as a soloist and with various groups in countless settings. She provided music therapy through Hospice, and entertained in nursing homes, hospitals, and elsewhere. For the last decade, Phyllis led a band of musicians in Casa Grande, AZ. This talented group of individuals practiced twice a week and performed every Monday night, usually to standing room only audiences. Phyllis taught many people to play the guitar and sing, including her children and grandchildren, and leaves a lasting legacy of musical joy on this earth.

She is survived by her daughter Laura S. Beving of Denver, CO. Other survivors include: four grandchildren; four great grandchildren; a brother, Norman Winter and his wife Stella of Milford; a sister, Anne Scarff of Omaha; a brother-in-law, Hal Mills of Maui; sister-in-law, Jeanine Winter of Fostoria, IA; sister-in-law, Annetta Laubach of Hartley; a brother-in-law, Leonard Clausen of Omaha; daughter-in-law, Marilyn Millang of Phoenix; other relatives including cousins, nieces and nephews.

Preceding her in death were: her spouse, Merlin James Beving, in 2014; her son, James Steven Beving in 2007; her parents, Claus Winter and Audrey Lloyd Winter; and three siblings, Clifford Winter, Dorothy Parks and Marlene Mills.

Phyllis' remains were donated to science and services will be held next spring in Iowa at the First Reformed Church of Clay County cemetery. The family request that memorials be designated for CrossPurpose, a Denver faith-based charity. CrossPurpose, P.O. Box 2483, Denver, CO 80201. Daughter Laura can be contacted at beving@aol.com.

They brought in chicken noodle soup and chili to serve alongside water and pink cookies in support of Breast Cancer Pink Out Night. They also sponsored a half-time event – Kick for Cash. Area High School Musicians Form Heartland Honor Choir

Students from nine area high school choirs are joining forces to create music together at the Heartland Honor Choir which is hosted by Iowa Lakes Community College Nov. 5. Singers from Estherville-Lincoln-Central, Graettinger-Terril-Ruthven-Ayrshire, West Bend-Mallard, Clay Central-Everly, Marcus-Meridan-Cleghorn, Remsen-Union, South O'Brien, and Pocahontas will all be part of the mass choir.

The Honor Choir takes place on Thursday, November 5, and it will be capped-off with a concert at 6 p.m. at the Estherville campus gymnasium of Iowa Lakes Community College. Tickets for the concert are \$5 for adults, and students can attend for free. The Iowa Lakes Chamber Choir and Men's Ensemble will also be featured at the concert.

The Honor Choir is being conducted by Dr. Kurt Runestad. Dr. Runestad has been the Director of Choral/Vocal Activities at Doane College for over 10 years, and he conducts the acclaimed Doane Choir, which tours nationally and internationally. Runestad is a frequent clinician, arranger, and adjudicator for choirs throughout the Midwest. In 2009 he received the "Outstanding Teacher of the Year" award from Doane's Student Congress. Area residents might remember Dr. Runestad as the choir director at Spirit Lake Schools many years ago.

"This is the first time we've had an honor choir at Iowa Lakes, and it's going to be an incredible sight to have over 180 singers, with the Iowa Lakes college singers joining the high school students. That's going to be a remarkable choral sound," said the Iowa Lakes choir director, Brett Fuelberth, "I hope everyone comes out at 6 p.m. on November 5 to support our inaugural honor choir event!"

Dave Gottsche, Jane Nolan Goeken, Janice Lund and Arden Kinnander received the oath of office from Board Secretary Tony Condon.

New Trustees Sworn In As 'New Year' Begins For ILCC Trustees

The Trustees of Iowa Lakes Community College wrapped up one year and began another at their monthly meeting held at the Administrative Offices in Estherville late Tuesday afternoon.

Their first step was to accept the election results from September. That board (2014-2015) was then adjourned by Board of Trustees President Jan Lund and the new board was called to order by Board Secretary Tony Condon. That was followed by the oath of office being administered to incumbents Jane Nolan Goeken of Spencer; Dave Gottsche of Milford; Arden Kinnander of Armstrong and Janice Lund of Estherville.

The Trustees then elected officers. Janice Lund was re-elected as the President of the Iowa Lakes Trustees and Pat Kibbie was re-elected to the position of Vice President. In addition, Tony Condon was appointed to serve as secretary, and, Bob L'Heureux as treasurer. Scot Bauermeister was selected as the attorney for the Trustees.

After finishing other organizational business, the Trustees heard from Delaine Hiney, the Facilities Management Executive Director. Bids were opened Monday for a new beef facility on the college farm laboratory which will include a custom feedlot, student work and training area, manure storage and a cow/calf area. The Trustees held a public hearing Tuesday and decided to award the project to the low bidder of Quail Construction of Spencer for the amount of \$412,000.

The Trustees then took up a proposed bond referendum. After discussion, the Trustees adopted a resolution for a Special Election on the issuance of not to exceed \$16,000,000 in School Bonds. If approved by voters, the bond would fund major capital improvement projects at each of the college's five campuses in Algona, Emmetsburg, Estherville, Spencer and Spirit Lake. Hiney outlined the projects on each campus and explained that all projects total \$18,275,517. The balance of the project costs will be covered by the college's facility budget.

On a home valued at \$100,000, the cost would be approximately \$11.70 annually. The vote requires a 60 percent overall majority. The bond payment would sunset in 15 years. Individuals who would like to know more about the value of the bond to their community/county may contact the President's office to schedule a speaker for their club or civic organization. That number is 712-362-0434.

Several student leaders were on hand at the Thursday afternoon meeting. Julie Williams, Executive Dean of Students, introduced students serving in key leadership positions at the college. In addition, a number of resident assistants for housing at the college spoke with the Trustees about their responsibilities. Student Senators also shared what activities they have planned at their respective campuses. Student ambassadors and graduate assistants also spoke. In January, a contingent of student senators will travel to Des Moines to meet with legislators about issues that impact their education.

Following that, Jolene Rogers, Executive Director of Community and Business Relations addressed the Trustees. She reported that in the first quarter of the fiscal year, GAP program enrollments have increased 120 percent this year and that overall attendance in continuing education courses is up more than 11 percent.

In other business, the Trustees heard routine reports from members serving on statewide and regional boards and then adjourned. The next meeting of the Trustees will be on Tuesday, Nov. 17 in Estherville.

Thanks, Veterans!

BeatleMania LIVE And Clint Black Christmas Show

The Clay County Regional Events Center is excited to announce two upcoming shows: BeatleMania LIVE on Friday, November 20 at 7:00pm and Clint Black's Christmas Show with local support from The Farmers Bank on Thursday, December 17 at 7:00pm.

BeatleMania LIVE has authentic costume changes to accompany the music from every Beatles era - Ed Sullivan, Shea Stadium, Sgt. Pepper and Abbey Road. Broadway lights and sound with multimedia production featuring rear-image projection, strobe lights and clouds presents a dazzling show and captures the original sound of many of the Beatles greatest hits including "Yesterday," " Sgt. Pepper's Lonely Hearts Club Band," "Magical Mystery Tour," "Penny Lane," "Let It Be," "Something," and many more.

BeatleMania LIVE uses the original model guitars and drums as used by the Beatles in combination with theatrical make-up, original costumes, and stage choreography to authentically recreate the image of a live Beatles concert. (BeatleMania LIVE is not sponsored, endorsed by, or affiliated in any way with Apple Corp. Ltd. or The Beatles).

Prolific singer-songwriter Clint Black has long been heralded as one of country music's brightest stars and will bring his Christmas show to the CCREC on December 17. To date, Black has written, recorded and released more than 100 songs, a benchmark in any artist's career. An astounding one-third of these songs eligible for major single release also achieved hit song status at country radio, while more than 20 million of his albums have been sold worldwide.

While it's well-known that Black is an accomplished singer and guitarist, people may be surprised to learn that he is also proficient on drums and harmonica. Black's continued success can be attributed in part to his deep sense of country music history, and his humble gratitude in being an important part of it.

The 1989 debut of his critically acclaimed fan favorite, the triple platinum "Killin' Time", marked a shift in the industry, with a return to the more traditional sounds of the genre. CMT lists this album as one of the 100 greatest albums in country music history. Released while Black was still an unknown Texas-based artist and writer, the album boasted five #1 hits - unprecedented for a debut album in any genre - and won Black a collection of awards that included Country Music Association Horizon Award, Country Music Association Male Vocalist of the Year, American Music Awards Favorite New Male Country Artist, Academy of Country Music Best New Male Vocalist, Academy of Country Music Best Male Vocalist, Academy of Country Music Album of the Year ("Killin' Time"), and Academy of Country Music Single of the Year ("A Better Man").

Since then, Black has had nearly two dozen #1 hit singles, and almost as many top 5 and top 10 hits - all of them his original compositions, which is itself a notable rarity in popular music. The overall number of his awards, including a star on the Hollywood Walk of Fame, surpasses the number of his hit records, while he has performed for a staggering number of dedicated music fans in concerts through the years.

Tickets for the concerts are on sale now. Ticket prices for BeatleMania LIVE are \$25 and \$35. Tickets prices for Clint Black's Christmas Show are \$25, \$35, and \$45. Tickets can be purchased at the Events Center Box Office (M-F, 9a-5p), online at www.midwestix.com, or charge by phone 515-244-2771.

Fill A Boat, Fill A Tummy Oak Hill Marina Food Drive

Oak Hill Marina is pleased to announce the start of their 5th annual food drive, Fill A Boat, Fill A Tummy. The community is being asked to donate nonperishable items to Oak Hill Marina between Monday, November 3 and Friday, November 21, in order to help the hungry this holiday season.

Oak Hill Marina is reaching out to the public to help fill a boat full of food, which will be donated to the Dickinson County Food Pantry/Upper Des Moines Opportunity. "Oak Hill Marina wanted to do their part in helping those in need this holiday season and we are hoping to collect enough food to help feed the hungry during Thanksgiving," commented Jake Jostand, an owner of Oak Hill Marina. The employees of Oak Hill Marina will deliver the boatload of "hope" to Upper Des Moines Opportunity.

Non-perishables will start being collected Monday, November 3rd until Friday, November 21. Food may be dropped off at Oak Hill Marina during regular business hours which are as follows: Tuesday-Friday 9:00am- 5:00pm, Saturday 9:00am- 4:00pm, closed on Sundays and Mondays, or by appointment. Oak Hill Marina encourages everyone to give back to the community and to those who are less fortunate this holiday season. Another unique aspect of Oak Hill Marina Food Drive is the focus on "giving the good stuff," which encourages families to donate the kinds of foods that have the most impact at a pantry - such as peanut butter, canned tuna fish, and canned vegetables.

Oak Hill Marina is owned and operated by Jake Jostand and Tim Sather. Oak Hill Marina is a family friendly marina in the Iowa Great Lakes, committed to making a difference for families in northwest Iowa. In addition to their food drive, Oak Hill Marina also participates as volunteers for Meals On Wheels during the winter. "Laugh. Share. Reconnect." Oak Hill Marina.

New Book Celebrates 50th Anniversary Of Iowa Community Colleges

A new book released today by an Iowa State University professor and doctoral students celebrates the 50th anniversary of Iowa community colleges.

"Iowa's Community Colleges: A Collective History of Fifty Years of Accomplishment" provides a history of the statewide development of the community college system, through a focus on the individual college stories and dynamics.

"Iowa State University is proud to be a part of the history and evolution of the community colleges through our continued collaborative efforts related to articulation, transfer, research, and community college leadership and professional development," said Iowa State University President Steven Leath.

"The success of many Iowa students is because of our mutual commitment and on-going efforts to enhance student transition and transfer," Leath said. "Iowa State celebrates the first half century of each community college's growth and their many regional, state and national contributions."

A history of community colleges

The commemorative book has been two years in the making and contains detailed updates from a book written a decade ago. The new book is edited by Janice Nahra Friedel, an associate professor in the School of Education, and recent doctoral students Cristobal Salinas Jr. and Zoë Mercedes Thornton.

While several community colleges have recorded their own histories in various formats, others have not had the resources to compile a formal historical piece. This book provides a concise history of Iowa's community colleges available for public review.

"Iowa's community colleges have a rich and distinct history of serving the educational needs of their communities," Friedel said. "Each district holds a distinct history and identity, as well as goals for the future, even within the shared mission of the statewide community college system. In fact, many of the colleges have early histories of educating their communities long before the system was formed in the mid-1960s."

Salinas, who's now an assistant professor in the Department of Educational Leadership and Research Methodology at Florida Atlantic University, said community colleges are a true representation of access, affordability, and success.

"Our book highlights the accomplishments of Iowa's community colleges," he said. "These accomplishments have changed the lives of students, administrators, and faculty who otherwise would have been overlooked by academia, and in turn helped make Iowa's future brighter."

Fifteen chapters of the book are dedicated to Iowa's 15 community college districts, with each college authoring its own chapter. The book also includes briefings on some of the pioneering staff, faculty, trustees, alumni, and legislators who have contributed to the development and success of Iowa's

community colleges.

"This book recognizes the distinct histories and identities of each of the community colleges, as well as their collective goals in advancing the welfare of the entire state and all Iowans," Leath said. "The book begins with an overview of the state system of community colleges, followed by chapters on each of the fifteen community colleges, and it concludes with a summary and look to the future. It is our hope that this book serves as a resource on the histories of all of Iowa's community colleges for public review."

Iowa State cultivates community college leaders

Iowa State University's Community College Leadership Program in the School of Education has cultivated 10 of Iowa's 15 community college presidents, two-thirds of those colleges' administrators, and three-fourths of their leadership teams. It's also prepared several college presidents and cabinet-level administrators in Minnesota, Illinois, Nebraska, and Kansas.

The 232-page book by Friedel, Salinas, and Thornton reflects Iowa State University's pride in Iowa's community colleges and commitment to successful partnerships with each school. It's priced at \$20 and is available online through the ISU Extension and Outreach store.

This book is a collaborative project involving Iowa State University, Iowa's 15 community colleges, the Iowa Department of Education — Division of Community Colleges, the Iowa Association of Community College Presidents (IACCP), the Iowa Association of Community College Trustees (IACTT), numerous community college employees and retirees, ISU Community College Leadership Program faculty and doctoral students, ISU Extension and Outreach, and ISU Printing Services.

Taylor Wertzberger, an Iowa State senior in graphic design, developed the book's design, layout, and cover design.

Authors received some funding from a Publication Subvention Grant through the ISU Office of the Vice President for Research. The grants are intended to support the publication of the scholarly writings and other worthy productions of the faculty and staff of Iowa State University, as well as selected manuscripts by others with the additional restriction that those manuscripts deal with topics related to the state of Iowa and the surrounding region.

A Familiar Presence from Buena Vista University

Five students from Buena Vista University will be displaying their artwork at Arts on Grand from Tuesday, November 3 through Saturday, November 28. The works in the exhibit, A Familiar Presence, are connected by common themes of memory, narration, nostalgia, and life experiences.

Ariana Rodriguez is an Iowa native and a senior Graphic Design major at Buena Vista University. Although her education is primarily focused in design, she is fascinated by the stories told by the human face through the drawing and photographing of portraits. Ariana embraces the mixing of different media by utilizing her computer illustrations and bringing them into her drawings and prints. Ariana says about her work, "Wrinkles, blemishes, and eyes that sting like bullets are what fascinate me. My interest in photojournalistic portraits has led me to appreciate these imperfections in people and is what inspires me to capture a subject's persona through a portrait. I believe my subjects hold stories worth telling and wish to introduce them to my viewers."

Hayeon Park was born in Seoul, South Korea and began studying abroad in Iowa in 2014. Hayeon majored in Ceramics and graduated from Hanyang Woman University in South Korea in 2013. She received an award for ceramics from Haeng-Ju Grand Art Exhibition in 2012. She began studying abroad in Iowa in 2014 at Buena Vista University in pursuit of a degree in Graphic Design with a minor in Art. Hayeon reflects on the focus of her artwork: "My artwork reflects nostalgia about love of parents and comfort of home during my time studying abroad in the USA. Through each piece, I hope to re-think and observe moments from when I was young, and in doing so, to portray how much I now cherish those moments, since being away and realizing how much the love of my parents means to me. My artwork captures moments depicting how my parents are and were heroes for me in parts of my childhood, adult life, and eventually, future."

Emily Bunch is a Hinton, Iowa native and is currently a junior at Buena Vista University, where she is an Art major with a minor in Graphic Design. Emily's work has recently become influenced by her travels to Japan, where she spent three weeks in January 2015. Japan's traditional artwork, culture, and anime techniques are unique to the country and are often motivation for her own artwork. She also finds inspiration in the naturalism found in ancient Greek and Roman artwork. Emily explains the influence of Japanese culture on her artwork: "Storytelling is the predominant focus of my work. Through the use of skillful line, precision, and subtleness, I attempt

to establish a connection with the viewer. Traits of animation, both current and historical, play a valuable role in not only the visual perception of my work, but also provide the conceptual foundation for the chosen narratives."

Rebecca Armitage is an Illinois native. She began to take collegiate-level art classes at the age of fourteen at a local community college and is currently enrolled at Buena Vista University in pursuit of a degree in Art Management with a minor in Graphic Design. As a freshman, she received the Fine Arts Award, which is presented to a BVU student for outstanding work in the fine arts. "My artwork reflects the various stages of growth corresponding with my continuous studies and grows upon each new experience. Through each piece, I hope to explore and expand upon my artistic repertoire while continually improving my technical ability. My pieces attempt to compass hidden elements: portions of which may be originally overlooked, but are emblematic of a larger idea or overall theme."

Taylor Wieland is a Perry, Iowa native. She is a Sophomore at Buena Vista University majoring in Art and Spanish. Taylor found her love for art through taking art classes, but taking literature classes sparked new ideas and inspiration for her. Reading Alice Walker, Henry David Thoreau, and Walt Whitman sparked her curiosity in new experiences and free thinking. Taylor explains her unique life experience and how it affects her artwork: "I have a reading and writing disability. I always thought it was odd when I would write letters out of order, leaving letters out of words I knew how to spell, or writing the letters in the wrong direction. Creating art pieces from this experience has been a new experience in itself. The process of sewing is very meditative and nostalgic to me. My grandmother taught me that there is a give and take relationship between the sewing machine and you. I have learned to give special attention to letters. In return, I receive a new appreciation for the beauty of words in reading and writing."

An opening reception featuring a meet-and-greet with the artists and refreshments will be held Friday, November 6 from 5 – 7 PM at Arts on Grand, located at 408 N Grand Ave in Spencer, Iowa. This event and exhibition are free and open to the public. All are invited to enjoy the work by these talented students, which will be on display from Tuesday, November 3 to Saturday, November 28. This exhibit is sponsored by Buena Vista University. For more information contact Arts on Grand at 712-262-4307 or email curator@artsongrand.org.

When the men and women in the United States Armed Services are sent far away from home for lengthy periods of time and to sometimes far away dangerous locations, they turn to music as a "creature comfort" from home.

IRRMA recognizes Iowa veterans by hosting a thank you evening of music and dancing in appreciation of their service to our country. Rock4Vets is an annual event that has taken place for more than a decade. The Senders, IR-RMA Hall of Fame Class of 2005, will play for this year's celebration honoring all military veterans. The event will be held in The Pavilion at Arnolds Park from 7:00 - 10:00pm. Doors will open at 6:30.

All military veterans and active duty personnel will be admitted free. Admission for others is \$10 with a portion going to sponsor a veteran on a future Honor Flight. Attendees are encouraged to dress in red, white and blue if possible. A military color guard from Dickinson County will present the colors to open the show. Everyone is invited to attend, enjoy the music and express their gratitude to military veterans from northwest Iowa and southern Minnesota.

Sponsors for Rock4Vets include: Gene Krueger Construction of Spirit Lake, MHR Insurance of Milford, Strategic Agri Marketing of Ruthven, Midwestern Mechanical of Spencer, Nolin Milling of Dickens, Dickinson County News, The Lakes News Shopper, and Meridian Manufacturing of Storm Lake.

If you know of a less fortunate child in the Okoboji School District, please call Julie Weaver at 712-338-2591 or Susan Reiser at 712-338-4674. Deadline for inclusion is Friday, November 6. Under terms of this project, persons selecting a tag will shop for items listed. The gifts should be gift wrapped and marked with the letter and number from the original tag and returned to Melander’s by Wednesday, December 9 at 5:00pm. Names of all participating children are kept confidential. Children are only identified by a letter and number on their tag. Members of the Campus Women’s Club, along with Santa Claus, will distribute these gifts to the children Monday, Tuesday and Wednesday, December 14-16. Tales of Tails

This week's tale is of Mr. Wiggles whose name perhaps originated from his enthusiastic show of affection for humans. In fact his affection for those who care for him is perhaps his flaw. He was originally adopted from the shelter by a couple who grew to love him, but he couldn't cope with being home by himself all day. Realizing he was unhappy, his concerned owners returned him to the shelter hoping he could find a forever home where he could have the companionship he craves. He suffers from "separation anxiety."

Mr. Wiggles is an interesting brindle tan, black, and white Vizla and boxer mix. He loves walks and is rather athletic, being a "fence climber" that needs a secure kennel since he loves playing outside. He especially enjoys playing with his owners, again, because he craves companionship.

A forever home for Mr. Wiggles would be one where he could play outside with his owners or perhaps with another dog. Boxers are very "social" dogs and enjoy companionship. Owners of Mr. Wiggles would find themselves worshipped by a loyal and fun-loving pet.

Remember... "In a perfect world every animal would have a home, and every home would have a pet."

Call the Northwest Iowa Humane Society at 712-338-2738 or come see the animals at 607 28th Street, just north of Milford - open Thursday through Sunday, noon to 6:00pm.
