**YIP Grant for Memorial Flag Display**

The Okoboji Foundation's Youth in Philanthropy (YIP) team encourages you to join them in honoring our veterans whose Memorial Flags are part of the annual Memorial Day Avenue of Flags at the Dickinson County Courthouse.

YIP proudly provided a \$4,500 grant in 2016 to the VFW/ American Legion for the memorial flag storage and transport trailer pictured below. This trailer holds over 350 veteran's memorial flags. We thank Denny Perry, Commander of American Legion Post #23 and all the volunteers who work so hard to put these meaningful flags on display.

Youth in Philanthropy is a group of 25 area high school students who learn about the importance of community giving through the Okoboji Foundation. These students immediately voted to give this grant to assure all veterans that they are never forgotten and our next generation of community leaders salutes their service and dedication.

Okoboji Foundation is the Community Foundation for the Iowa Great Lakes Region. For additional information about Youth in Philanthropy, please visit [okobojifoundation.org](http://okobojifoundation.org), click on YOUTH tab or contact Mary Freiborg or Holly Skopec in the Okoboji Foundation office at 712-332-7177.

**First Ever Boji Brew Fest July 29**

The Iowa Great Lakes Rotary Club and Spirit Lake's PEO Chapter PA are partnering in a first time ever event in Arnolds Park this summer.

Twenty breweries from around the region, including our two local breweries - Okoboji Brewing Company and West O Beer, will participate in a craft beer festival to be held at the new Arnolds Park Central Park shelter house located just south of Yesterday's Restaurant and Arnold's Perk Coffee Shop. The event will take place on Saturday afternoon, July 29, starting at 12:00 noon for VIP ticket holders and 1:00pm for General Admission ticket holders. The craft beer tasting event will run until 4:00pm.

The event will be secured and monitored as a ticket holder must be 21 to enter. Proceeds from the event will go toward renovations and improvements at Shelby's Playground at Elinor Bedell State Park on East Lake Okoboji. The project is being spearheaded by the Iowa Great Lakes Rotary Club and the Spirit Lake PEO Chapter PA, who annually plant flowers, pull weeds, prune shrubs and provide general maintenance of the playground.

Tickets are \$45 for VIP and \$30 for general admission and can be purchased online at [www.bojibrewfest.com](http://www.bojibrewfest.com).

### OHS Receives Bronze Ranking in the U.S. News and World Report 2017

Okoboji High School is proud to report that it has received the Bronze Ranking in the U.S. News and World Report 2017 Rankings of the Best High Schools in the United States. This is the second time Okoboji has received the honor, the last time occurring in 2015.

The U.S. News and World Report rankings examine over 22,000 public schools across the country. This year the top 29% of all schools achieved a Gold, Silver, or Bronze ranking.

The awards are determined by looking at several factors including:

- How students performed on reading and math measures as compared to others in their state
- How disadvantaged students (economically or otherwise) fared as compared to similar peers across the state
- The school's graduation rate

OHS scored significantly above the state average in terms of the percentage of our students who were proficient in reading and math as measured by the Iowa Assessments. For the year in question, 89% of our students were proficient in reading as compared to a state average of 80%. In math, 86% of students were proficient as compared to 80% across the state.

Much of the reason for Okoboji's Bronze Award is due to the high levels of achievement of our students who fall into a disadvantaged category either economically or otherwise. As a subgroup, 80% of these students showed proficiency as compared with the rest of Iowa who had an average of 67% proficiency. This means our students outperformed the state average by 13%.

No matter the background or life circumstances, we hold fast to the mission of preparing each learner with the knowledge and skills necessary for a productive life in a changing world. While this ranking is only one measure, Okoboji is proud of this recognition as it is one more piece of evidence that shows how we are Pioneering Pathways for Every Student.

For more information on the U.S. News and World Report rankings and specific information on Okoboji High School, please visit their website: <https://www.usnews.com/education/best-high-schools/iowa/districts/okoboji-comm-school-district/okoboji-high-school-7476>.

"Putting for Patriots" Event to be held mid-May through Memorial Day Weekend

Pirate's Cove Adventure Golf, in Arnolds Park, will host the Eleventh Annual Putting for Patriots fundraiser Saturday, May 20, Sunday, May 21, and May 27 through Monday, May 29. This national event will occur simultaneously at 33 Pirate's Cove, Pirate's Island and Jungle Golf miniature golf courses throughout the United States.

This May event will culminate on Memorial Day weekend and support three charities, which serve our wounded veterans, their families and survivors of the fallen. These organizations include: "Hope For The Warriors", "Homes for Our Troops" and "TAPS—Tragedy Assistance Program for Survivors." Pirate's Cove, Jungle Golf and Pirate's Island will donate a percentage of their total sales on Saturday, May 28 through Monday, May 30. In addition, from May 13 through May 30, each golf course will accept donations to be turned over to the three charities. Since its inception, this event has raised over \$363,000.

"Memorial Day was specifically founded to remember those who died serving our nation," notes Brad Graft, Pirate's Cove Partner and Regional Director. "The Pirate's Cove / Pirate's Island family thought it appropriate to establish an annual event to serve charities that assist our living veterans and the survivors of fallen military members. These are men and women who have sacrificed so much for our freedom."

Pirate's Cove, Pirate's Island and Jungle Golf operate 33 miniature golf courses throughout the United States. For more information, visit their Web sites at www.piratescove.com, www.piratesislandgolf.com, and www.junglegolfminigolf.com. Additional information on the above charities can be found by accessing their Web sites: www.hopeforthewarriors.org, www.homesforourtroops.org and www.taps.org. To become a participating Putting for Patriots golf course, see the Putting for Patriots tab on the home page of the Pirate's Cove Web site: www.piratescove.com.

## 92 Years of June! June Goldman's Birthday Celebration

Mark your calendars for Sunday, June 25, as we celebrate 92 years of one of our cherished community members, June Goldman. In addition to serving as a minister the vast majority of her life, June has also been a Dickinson County Supervisor, a founding member of the Humane Society of Northwest Iowa and Cherish Center and has been involved in countless endeavors enhancing the lives of everyone, including our animal friends, she comes into contact with.

This come-and-go celebration will be held at Rolling Oaks Barn (2325 41st Street, Spirit Lake) on Sunday, June 25, from 1:00-4:00pm. In lieu of gifts June has requested that donations be made in her honor to the Humane Society of Northwest Iowa to: Happy Birthday June P.O. Box 378, Okoboji, Iowa 51355.

## Quasquicentennial Style Show

In conjunction with Milford's Quasquicentennial Celebration July 17-23, the Quasquicentennial Committee will host a luncheon and style show on Wednesday, July 19, 11:30am at the St. Joseph Catholic Church Parish Center, in Milford.

Fashions from Elegance by Sarah, in Okoboji, will be featured. An additional feature will be the modeling and display of wedding gowns from throughout the past decades. If you still have your wedding dress and would consent for it to be shown, please call Susan Reiser at 712-338-2274 or Brenda Harmon at 712-204-0180. If you can still fit into that gown and would like to model it or if you have a granddaughter or friend who can fit into the gown and would like to model it, please call us also. It will be great fun to see wedding dresses from the past years.

Tickets are \$12/person and are available at Milford Communications, in Milford, or the St. Joseph Church Office during normal business hours.

## Grant Applications Now Available at Area Libraries

The Avera Lakes Regional Healthcare Volunteers Auxiliary will be awarding a \$1,000 William F. and Neva Clifton Grant. The Clifton's bequeathed money to LRH Volunteer Auxiliary to award a \$1,000 scholarship each year to a resident or a graduate of the lakes region and bequeathed money to the LRH Volunteers with the stipulation that the money be used to provide grants for prospective nurses. Those receiving the Judd Grants are chosen by a random drawing. Residents of Dickinson County or a graduate of a Dickinson County High School are eligible to apply for these grants if they are entering or are enrolled in an LPN, RN or BSN program with preference given to full time students.

Applications for either of the grants are available at any of the public libraries in Dickinson County now and must be returned by June 30. Avera Lakes Regional Healthcare will not have the necessary application blanks available. Any questions may be directed to Jona Forbes at 712-330-5508.

### Twins Weekend

Every summer I try to get up to a couple Minnesota Twins games for a weekend with great friends Aaron Barriage from Des Moines and Ryan Naatjes who lives in Minneapolis. We have made it up nine of the 11 years we've been back and look forward to the weekend every year. The weather didn't cooperate this past weekend, but we did get to see a great game on Friday night as the Twins rallied to beat the Royals in thrilling fashion with a two-run game tying home run by Kennys Vargas in the ninth inning, and then won it in walk-off fashion in the 10th inning. Saturday's game got rained out (still not sure why they didn't put a roof on Target Field as they've now been rained out three times already this season) but we still had a great time hanging out and catching up. We always enjoy the baseball but the weekend is a great chance to spend some time with two great high school friends, which we don't get to do enough of, as we all get busy with our own lives. As you can see from this picture, none of us has really grown up as we still act like little kids when we get together. No matter how often you get to see close friends like this, it's always a great time and we seem to pick up like we were back in high school hanging out every day; even some cold, rainy weather can't ruin that!

### Memorial Day

While Memorial Day Weekend marks the unofficial start of summer in the Iowa Great Lakes, let us not forget the real meaning of Memorial Day, to honor our United States Military men and women who have died serving our great country. We could not enjoy the many freedoms we have without the sacrifice of all of these great patriots. So many of the things that we enjoy in the Iowa Great Lakes- the beautiful lakes, Arnolds Park, our awesome schools and their unbelievable facilities, the golf courses, the bike trails, the Pearson Lakes Art Center, the facilities that host the awesome free concerts in the summer, the fantastic shops and restaurants and everything else we are so fortunate to have in the Iowa Great Lakes; none of these things would be here today without the sacrifices of the military members and their families. Please continue to pray for those who have lost loved ones protecting our freedom, as well as for those who are currently serving our country and for their families, and give thanks for those who have served and given so much so that we may be FREE! While you are enjoying this holiday weekend with your family and friends, think about those who are serving overseas, as well as those who have served, and their families who are missing them, or are now happy to have them home, and make sure you tell them and their families, THANK YOU!!!

# Obituaries

A funeral service celebrating the life of **Vance Logan Peterson**, age 23, of Milford was held Thursday, May 18, at 3:00pm at Turner Jenness Funeral Home in Milford.

Vance Logan Peterson, the son of Jerry and Cindy (Burt) Peterson, was born August 27, 1993, in Emmetsburg, Iowa. He attended Okoboji School and then earned his GED through the Job Corps.

Vance enjoyed hunting, fishing and arrowhead collecting and hunting. Throughout the years, he invented all kinds of things as well as enjoyed his music and spending time with friends, family and his dog, "Chief". Vance was currently employed servicing and installing docks in the lakes area.

Vance was always up for anything! He was kindhearted and was known to be a good listener. He was headstrong and also a very positive person, always smiling, funny and simply a goofball. He will be sorely missed!

Vance passed away May 12, 2017, at Lakes Regional Healthcare in Spirit Lake, Iowa at twenty-three years of age.

Vance is survived by his parents, Jerry and Cindy Peterson; big brother, Jeffrey Peterson; girlfriend, Jenni Good and her two girls, Keala and Layla; grandparents, Morris and DiAnn Peterson and Jack and Bea Burt; many aunts, uncles and cousins too many to list that loved him.

Turner Jenness Funeral Home was in charge of arrangements.

## Help Hang Avenue of Flags

The Lake Park Avenue of Flags is looking for volunteers to help hang the Avenue out at the Silver Lake Cemetery on Monday, May 29, 2017, at 7:30am. Volunteers will help place the poles and flags around the north cemetery.

Volunteers will also be needed to help take down the Avenue at 5:00pm on Monday, May 29, 2017. Poles will have to be placed back in storage and the flags folded properly for storage in the Legion Hall. Everyone is welcome to come out and help honor our deceased Veterans on Memorial Day.

## Hannah DeWild Honored with Kiwanis Scholarship

Hannah DeWild is being honored with one of four Nebraska-Iowa District Kiwanis Key Club scholarships during ceremonies that will be held on May 17, 2017.

Miss DeWild is a member of the Spirit Lake High School Key Club, a Kiwanis youth leadership program that provides high school students with opportunities to serve their communities. Students also learn leadership and decision-making skills and self and social awareness.

"While academics are important, we believe that students who selflessly give of themselves to serve others are worthy of this special recognition," said Jim Dane of Iowa City, Iowa, Governor of the Nebraska-Iowa Kiwanis District. "Our youth programs are designed to build leaders, and this is one way to recognize our future leaders."

Students were nominated by their Key Club Advisors from sixty-four Key Clubs across the Nebraska-Iowa District. Honorees were selected based on their years of service in Key Club living up to the Key Club service leadership model: discovering the heart to serve, answering the call to lead, and exercising the courage to engage.

The Kiwanis Club of Spirit Lake sponsors the Spirit Lake High School Key Club. Ms. Lisa Duffy, Special Education instructor at Spirit Lake High School, is the student club's advisor.

The honor comes with a \$500 scholarship, which will be used for Miss DeWild's continuing education at Augustana University.

While in high school, Hannah DeWild was a charter member of the Key Club. She accumulated over 450 hours of service during her high school years. She initiated the "Warm Hearts, Warm Hands" clothing drive that resulted in more than 500 pieces of winter clothes being donated in two years. She helps with "Bleacher Creatures" and has served meals at the Banquet soup kitchen in Sioux Falls, South Dakota. In addition she is Class Vice-President for Student Council and a mentor for Youth Connect at the elementary school.

### Farmers Market News

Located at Dickinson Co. Fairgrounds  
15th Street & Peoria Avenue, Spirit Lake, IA 51360

Did your rhubarb and asparagus freeze in the late cold snap? Rhubarb that has frozen is not safe to eat because the toxins in the leaves are forced down into the stems. Simply pull the affected stems or cut off the frozen asparagus and soon you will have new shoots growing again.

But there is good news! Lakes Area Farmers Market will be opening next week on Saturday, June 3, at 7:30am. Most of the vendors will be returning this year and there will be a few new vendors. Lakes Area Farmers Market offers a large variety of items such as meat, eggs, rubs, wines, coffee beans, honey, soap, cut flowers, jewelry, baked items, a variety of crafts, as well as produce. While the delicious spring vegetables may not be abundant for a while, there will still be plenty of other items to purchase. We hope to see you there.

## Area Students Pay it Forward

Each year the REALTOR® Foundation of Iowa contributes thousands of dollars to promote programs across the state. Project Jack is a program created in memory of Jack Lindaman, who passed away from spinal muscular atrophy in 2010 at the age of 6.

Project Jack encourages fifth grade students to give back to their community by awarding them grant money toward a project of their choosing. Fifth grade students in Spirit Lake, Okoboji, Harris-Lake Park, and Spencer were each awarded \$250 as part of Project Jack.

Students in Spirit Lake chose to participate in Project Jack by donating to and helping stock the food pantry at Good News Community Church, which serves two Saturdays per month. Students in Okoboji chose to serve an appreciation lunch to area law enforcement and firefighters. Harris-Lake Park students chose to prepare care packages for veterans and distribute them at the local VA Medical Center. Students in Spencer chose to design, package, and distribute Pay it Forward bracelets to schools across Iowa to be used as tokens to reward observed acts of kindness.

For more information about Project Jack, visit [www.projectjack.org](http://www.projectjack.org). To find a local REALTOR®, visit [www.iglb.com](http://www.iglb.com).

## Camp Okoboji to Dedicate Discover Center May 28

Camp Okoboji will be dedicating its new innovative and contemporary 1.4 million dollar Discover Center on Sunday, May 28, at 4:00pm, and the public is invited. A light meal and Open House will follow. The Reverend Dr. Steven Turner, President of the Iowa District West of the Lutheran Church Missouri Synod (LC-MS) is the guest speaker. Camp Okoboji is located at 1531 Edgewood Dr, Milford IA 51351. To get to the camp, take Hwy 86 and turn at the Crescent Beach Resort sign.

The purpose of the Discover Center will be to serve as an activity and resource center that will redefine activities and programs that historically define camp. It will also provide many new opportunities to Camp guests and the Iowa Great Lakes community.

Four impact areas of the Discover Center include; Camp Programs, Family Encouragement, Education Programs, and Community Connections. The Discover Center will bring new and exciting programs and activities that are image-rich, multi-sensory, and interactive. The goal is to attract more campers to this area, and provide them with opportunities to further experience nature in this unique setting. The Discover Center will bring new insight, awareness, and growth in the areas of nature orientated camps, art appreciation, science and technology, and community socialization.

Camp Okoboji has served the lakes area for 76 years as an outdoor ministry site of the LC-MS. Located on West Lake Okoboji, Camp Okoboji offers summer programs for youth and families, as well as retreats year-round. ## REAL ESTATE ROUNDUP

Presented by **RE/MAX Lakes Realty**

**Welcome to summer 2017 Okoboji style.** It's time to brace ourselves for another fantastic whirlwind of work, play, and everything in between. Memorial Day is about much more than the kickoff of summer, it is about remembering and honoring those that have made the ultimate sacrifice for our country, so that we all may pursue happiness and enjoy freedom. Find a way to remember and give thanks this weekend.

If you are here for the weekend or here for the summer make sure to **download our awesome search app on google play or the store by Search Sellboji.com or RE/MAX Lakes Realty**, or get the app link at [www.sellboji.com/app](http://www.sellboji.com/app). In partnership with our software team, we custom developed this search app to not only provide you the best search experience, it is also designed to help our clients view and stay up to date on their transactions! You don't need Zillow or Realtor.com apps. You need a search app focused on Okoboji and we have delivered.

**This week, I want to discuss the topic of For Sale By Owner or FSBO (pronounced fiz-bo).** As more and more homeowners become self-educated on the Internet or HGTV, we are seeing a small spike in for FSBO listings. For some, it works, but for the majority, whether buyer or seller, it is simply a bad idea. Would most of you perform your own surgery? Invest in the stock market with no experience? Defend yourself in court with no legal knowledge? There are a tremendous number of caveats for buyers and sellers who are looking to save a few bucks. In the long run, for most, a FSBO is a bad idea. Here are a few reasons why:

**1. Paperwork and contracts:** Realtors use and know standardized forms approved by an attorney and have the experience to know what to look for in a contract or disclosures. Can you as a buyer or seller really feel protected during the offer process without the help of an expert? Save now, pay later!

**2. E & O insurance:** Do you Mr. Seller have E&O insurance to cover you when the buyer sues you for stating you had wood floors when you really had laminate?

**3. Money:** FSBO's nearly ALWAYS sell for less and are rarely priced correctly. First of all, if a smart buyer wants to buy your FSBO, they are going to immediately demand a 6% reduction, because they know you, as the seller, are "saving" that 6%. Also, simple economics prove that if you sell a home privately, the market exposure is less. A smaller buyer pool equals less money.

**4. Negotiations:** Every buyer and seller believes they are master negotiators without any practice or study. Realtors negotiate for a living and are there to represent your best interests and get a seller the most money or get the buyer the best deal. Don't leave thousands on the table trying to do this yourself.

As I said above, for some, selling a home privately has worked and may work again, but for most, there is far too much liability, work, frustration, and potential loss to not be using a Realtor. My agents at RE/MAX Lakes Realty would love the opportunity to show you how a RE/MAX agent can make all the difference in the world when listing your home or helping you buy your new dream house.

## Memorial Day Open House

The Historical Society of Lake Park invites you to a Memorial Day Open House at Heritage Square, West Railroad Street in Lake Park, on Monday, May 29, from 10:00am to 2:30pm. Tour the museum with Military uniforms, attire and accessories, enjoy the Prairie House displays with authentic furniture, dishes and accessories and take a tour of the old Lake Park Jail. A hot dog lunch will be served from 11:30am to 1:00pm for a free will offering.

On Saturday, May 13, the Okoboji FFA Chapter held it's 20th annual Fishing Tournament. The tournament brought together FFA participants from all corners of Northwest Iowa for a day of friendly competition. The proceeds from registration fees are used to sponsor prizes for the winners of the different categories. All participants fished from 9:00am to 3:00pm in hopes of catching the big fish. Caleb Lambertus a student from Okoboji FFA Chapter brought in the day's largest fish, a three pound 15.5 lb Catfish. A team of three from Pocahontas took first place with 31.7 lbs in the Crappie, Bullhead, Perch, and Sunfish category, with Zach Heikens a member from the Harris Lake Park FFA and Kyle Martin from the Okoboji FFA Chapter teaming up to come in second. The team of Luke Bossard, Caleb Lambertus & Cain Hanson of the Okoboji FFA took first in the Bass, Walleye, Catfish and Northern category, weighing in at 31.4 lbs and Oskaloosa FFA participants came in second. First place winners received rods and reels. Second place took home rods. All prizes were purchased from Pure Fishing in Spirit Lake. We would also like to thank Pure Fishing for donating fishing bait for all participants at the tournament.

Dee Wermersen of Okoboji, is the Week #3 winner of the Milford Quasiquicentennial Trivia Challenge. You could be the winner next week but you can't win if you don't play! ### Okoboji Yard Waste Pickup

Yard waste pickup has begun for the city of Okoboji. Pickup will be on Wednesdays, weather permitting. Yard waste such as grass clippings, leaves, and brush must be placed in 30-gallon paper bags for curbside pickup. These bags must not exceed a total weight of 40 pounds per bag. Residents can obtain these 30-gallon paper yard waste bags from local retailers such as Bomgaars, Ace Hardware, Walmart, Fareway and Hy-Vee. Yard waste in plastic bags will not be picked up.

### Symphony Comes to Lake Park

For the third year in a row the All Strings Attached Orchestra Studio brings their music to the Harris-Lake Park Middle School/High School Auditorium on June 3, 2017, at 7:00pm. The evening starts with selections from the ASA Big Band Sound like "Birdland", "Spain", "Samantha", "Get It On" and "Cut to the Chase", and amazed audiences last year with their warm and lively interruptions of the great big band and jazz sounds from today and years past.

The Carroll Area Symphony Orchestra then presents their "March Rocks" concert with rock n' roll sounds from Journey, Led Zeppelin, The Eagles, Elvis "The King" Presley and Jesus Christ Superstar. You will be amazed by the quality of the music and how they will transport you to places portrayed in the music.

The All Strings Attached Orchestra Studio is a group of volunteers and students from all over the western side of Iowa. The volunteers help mentor the students in playing the music, but also how to be professional players of quality music. They present three shows a year in the Carroll Recreation Center Auditorium, with smaller groups and the true beginners performing as well during each concert. Then once a year the volunteers take their show on the road to spread their love of music to others.

So all are welcome on Saturday, June 3, to see and hear some amazing music in the MS/HS Auditorium at 905 South Market Street, Lake Park. There will be a free will donation to help offset the performers expenses for the tour.

### Art Meets Science At Lakeside Lab

The public is invited to experience the intersection of art and science in two different venues at Iowa Lakeside Laboratory on Thursday, May 23 and Tuesday, May 30.

On Thursday, May 23 at 7:00pm, three 2017 Lakeside Artists in Residence will host an interactive Open Studio in Bodine Lab. The public will have the opportunity to view works in progress and interact with three artists, each with a different approach to exploring the interface between art and science.

Quin Kennedy is a digital artist from Seattle, Washington, with a background in dance, theatrical lighting, and programming. His art work features inter-active installations that explore how non-human elements – such as a computer program or a natural force like the wind– displace the artist in direct decision making.

Mary Claire Becker is an MFA candidate in printmaking at the University of Iowa and is also working towards a Certificate of Book Art at the UI Center for the Book. Her work is inspired by ecology and merges decorative elements with the complexity of scientific illustration. Her compositions question how we think about nature by exploring the boundary between the decorative and the wild.

Eric "Oz" Andre is a creative technologist from Seattle, Washington, whose artwork is influenced by his Midwestern upbringing. Born in Illinois and raised in Iowa, his world view focuses on the importance of character and the rewards of hard work. Andre explores the relationship between humans and technology. His MFA thesis, titled "I can so I will now we must: a creative response to selfie culture" is an exploration of online social networking and its effects on our sociological, psychological, and physical wellbeing.

On Tuesday, May 30, at 7:30pm Alex Braidwood, Sound Artist and Director of the Lakeside Artist in Residence program, will present "Listen Right Here" at Mahan Hall as part of the Friends of Lakeside Lab Science Seminar Series. Braidwood teaches Acoustic Ecology at Lakeside and is an assistant professor at Iowa State University in the Graphic Design, Masters of Sustainable Design and Human Computer Interaction PhD programs. His work explores methods for transforming the relationship between people and the sounds in their environment. In addition to Lakeside Laboratory, Braidwood has also been an artist in residence in an Australian National Park and on an Iowa farm, and in 2016 was one of two Iowa Artists in Residence at the Des Moines Art Center. Braidwood has exhibited work, led creative technology workshops, lectured on his research process, and performed live at a variety of events throughout the US, Europe, Australia and Asia.

## Camp Autumn Receives Donation from Iowa Great Lakes Fishing Club

Camp Autumn received a donation of fishing supplies from the Iowa Great Lakes Fishing Club. The therapeutic day camp, located in O'Brien County, is home to a 30 acre lake, where many of the outdoor camp activities, like fishing, will take place.

The Iowa Great Lakes Fishing Club donated 25 rods and reels with tackle, as well as fully-stocked tackle bags. The club is also planning to volunteer at the camp and maintain the fishing supplies throughout the summer.

"We are so excited to have the support of the Iowa Great Lakes Fishing Club in helping our Camp Autumn children learn about fishing," said Kim Scorza, CEO/President of Seasons Center. "Fishing is a great way to practice skills of relaxation, problem solving, and promotes positive peer interactions. Through the generous gifts of fishing equipment some of our youth will be able to experience fishing for the first time which is absolutely wonderful!"

The fishing club's mission states that it, "strives to provide recreational and educational activities to support the improvement of our fishers, recruitment of youth and adults to the sport, and to promote positive contributions to the environment and our community."

"Our club is all about getting young people into fishing," said Terry Thomsen, Vice President of the Iowa Great Lakes Fishing Club. "The future of our fishing hobby lies with the youth."

## LETTERS TO THE EDITOR

**To The Editor:**

**Elections Are Important**

In a May 9 Letter to the Editor about “Dark Money” the writer expressed the opinion that the “super rich” get their way - implying he meant President Trump. I would have thought he meant Hillary Clinton since she raised twice as many dollars in campaign funds than President Trump. Most of Hillary’s campaign money came from the “super rich” and Wall Street.

And then we have the Clinton Foundation. This Clinton “fund raising vehicle” raised hundreds of millions of dollars while Hillary was Secretary of State. Some of the money was used for good causes, but much of the money was used for the “Clinton lifestyle” and to compensate Clinton friends and associates. Now that Hillary Clinton has lost the election contributions to the Clinton Foundation have dried up. The big contributions before the election and the fact they have dried up now is very revealing why these contributions were made originally.

In another Letter to the Editor the writer tried to make the case that we should abandon the Electoral College system and elect the President by popular vote. There is no doubt the Electoral College system has been around a long time, but it has served us very well. It would take a constitutional amendment to change our presidential election system. Our founders made it very difficult to change the Constitution for good reason. Any changes should not be taken lightly.

In the referenced Letter to the Editor it was stated the Constitution could be changed by a vote of two-thirds of the states. That is incorrect. Here is the main method by which the Constitution can be modified according to Article V of the Constitution: First, both the US House and the Senate would have to approve the amendment by a two-thirds vote in each body. Second, three-fourths of the state legislatures would have to ratify the amendment.

Why would we want to change the Constitution to elect the President by popular vote? If the popular vote was the Presidential election method campaigning would only need to be accomplished in New York City, Chicago, and California. There would be no need to campaign in any other part of the United States. Certainly not a good deal for Middle America.

## Autumn’s Center Serves 1,000th Child

On October 31, 2016, Autumn’s Center, in Spencer, opened its doors to provide specialty care for children ages 0-21 in northwest Iowa. In just over six months, Autumn’s Center, located in Spencer, is serving its 1,000th child.

“It has been such a blessing to be able to serve children in a facility that provides holistic, wrap-around care in a healing environment,” said Dr. Natalie Sandbulte, Vice President of Clinical Services at Seasons. “The team-approach provides children and their families with the support and evidence-based services they need to get healthy and stay healthy.”

At Autumn’s Center, we serve children and families who have experienced abuse, neglect, bullying, grief, loss, divorce of parents, anxiety or depression, parental substance abuse, or those who have developmental conditions such as a spectrum disorder, to name a few.

Autumn’s Center is designed to instill hope and healing through bright, vibrant colors and light-filled spaces.

“Autumn’s Center would not be able to be caring for our 1,000th child without the generous and faithful support of so many people,” said Kim Scorza, CEO/President of Seasons Center. “We can’t thank our donors and volunteers enough for all their help in caring for children in northwest Iowa. I am forever grateful to each of you.”

Several children who receive services at Autumn’s Center will attend Camp Autumn, a therapeutic day camp for children, beginning in June and throughout the summer months. Camp Autumn is still accepting campers and applicants do not need to be a client of Seasons in order to attend.

For more information on services provided by Seasons, Autumn’s Center, and Camp Autumn, please visit our website at: [www.seasonscenter.org](http://www.seasonscenter.org) or call 1-800-242-5101.

## Milford Needs Volunteers for Quasquicentennial Celebration

The Milford Commercial Club is asking for the community’s involvement to make Milford’s Pioneer Days/Quasquicentennial celebration a success. Since the event is a week-long celebration, that means a lot more volunteers are needed. A volunteer sign up for all events has been created. For more information, or to sign up, you can go to the Milford Commercial Club’s website: <http://milfordcommercialclub.com/pioneer-days/> and click on the button for volunteering, or if you do not have access to the website you can call Dawn at 712-320-4512.

Also, there are still sponsorship opportunities available. If you would like to consider making a financial donation, there are still several events that can use additional funds to make it successful.

The Milford Quasquicentennial Souvenir Committee has worked hard to offer you an appealing selection of apparel and keepsakes to help you celebrate and commemorate Milford’s birthday. The proceeds raised from the items will go towards improving the Florence Park Shelter House. To view and purchase the selection of keepsakes visit Milford’s City Clerk office located at 806 N Avenue, Monday thru Thursday, 8:00am - 5:00pm, and Friday 8:00am-4:00pm.

## Agronomy ADVICE:

Tips from the Channel Field Check Up Series

### Late Planting Soybean Recommendations

Due to the possibility of excessive rains in some areas this  
spring, some farmers may be planting soybeans later than normal.  
Late planting of soybeans requires a few more management con-  
siderations such as soybean maturity, row spacing, weed control,  
and planting rates.

Soybean maturity selection can be critical when late planting  
is being considered. Early maturity soybeans might not reach ad-  
equate height for setting pods to maximize yield potential. Often-  
times we select a later maturity range soybean due to the fact that  
in a normal year, the soybean will reach maturity before frost with  
time to spare. This may not be true, however, if the soybean in  
question is planted later in the year. In a late-planting situation, it  
may be a good idea to consider a mid-season soybean to minimize  
the risk of frost damage.

Weed management is a priority for late-planted soybeans due  
to the lack of a canopy to compete with weeds that are growing  
in the area. To counter this, row spacing should be less than 30  
inches if possible to hasten canopy closure and increase sunlight  
interception. A good burn down herbicide application followed by  
a pre-emerge herbicide application are good tools to kill both the  
weeds that have emerged already and the weed seeds that are still  
in the soil. Planting herbicide- tolerant soybeans provide more op-  
tions for post-emergence weed control.

Soybean planting population can make a big difference in yield  
when planting later in the season. Planting rates should increase  
anywhere from 10-15% in order to compensate for the smaller  
plants associated with later planting.

In a year with excessive moisture, there is a possibility of fields  
being switched from corn to soybeans. When this is the case, be  
sure to know if any corn herbicides have been applied. If not, soy-  
beans can most likely be planted. If corn herbicides have been ap-  
plied, herbicide plant-back restrictions found on the chemical label  
should be followed.

### Collectible Bottles from Spirit Lake, Iowa

*Stepping Back in Time by Jerry and Irene Clark of the Clark  
Museum of Okoboji area and Iowa history - Milford, Iowa.*

Pictured above are two very collectible antique bottles that we have  
here at the Clark Museum. One was from the T.J. Francis Bottling  
Company in Spirit Lake and the other was from the Egralharve Mineral  
Spring, also in Spirit Lake. More history about these two bottles can be  
found at the museum. These are just two items of the many thousands  
of advertisements that the museum has. If you want to know the his-  
tory of the area and beyond, it is at the Clark Museum.

The museum and antique shop will be open before Memorial Day,  
located one mile west and a half mile north of the Milford Catholic  
church. For more information, call 712-338-2147 or email [ijklark1@msn.com](mailto:ijklark1@msn.com). The Clark Museum is a 501 (c) 3 Non-Profit.

## MEMORIAL DAY MAY 29

### De Lay Coming to DAR Meeting

by Colleen Lemkuil

The Iowa Daughters of the American Revolution held their  
annual awards ceremony in April. Mary Potter Thunhorst sang  
in the Iowa Chorus directed by Carolyn DeLay and accompanied  
by Sharon Stiff. One of the songs the audience joined in at the  
end as follows:

And I'm proud to be an American, Where at least I know I'm  
free. And I won't forget the men who died, Who gave the right  
to me. And I'll gladly stand up next to you And define her still  
today- cause there ain't no doubt I love this land-God Bless the  
U-S-A God Bless the U-S-A.

We look forward to Carolyn De Lay to be in Spirit Lake on  
June 6, for the Membership workshop for pending members. We  
hope Mary and she will sing for us that night at the Sunrise Apart-  
ments, 1901 23rd Street, Spirit Lake, Iowa. Anyone interested  
in joining DAR is invited to be there that evening. For more in-  
formation contact Mary Thunhorst at [travelinmary5005@q.com](mailto:travelinmary5005@q.com).

Keynote Speaker was Ginger Hudson Trader, Historian  
General NSDAR. She and her husband and she were making  
their first visit to Iowa. They loved the farm country and own  
a chicken farm in Delaware. Where she is aCommodity Broker  
for Poultry. Her DAR duties include the Grave Markers for our  
members.

We will be doing Arlene Reed's grave marker after the June  
13th meeting at Lakeview Cemetery in Spirit Lake. Mrs. Trader  
also works with the History essays. Her other duty is working  
with the Outstanding History teachers nominated by DAR  
chapters. She talked about the DAR building and some of the  
new Historical documents they have stored at the museum and  
asked everyone to come to Washington, D.C. to see them. She  
talked about the Commerative markers. Iowa has 225 markers  
and we loved hearing our names. Ladies of the Lake Chapter,  
Spirit Lake, 2012 Dickinson County Museum and Spirit Lake  
Train Station. The Museum has been resided and the sign will  
be hung again with the Ladies of the Lake rededicating it this  
summer. Algona is the last chapter to get a commemorative  
marker for the Last Indian Battle in Iowa.

Marla Suter, State Historian, presented the Iowa Outstanding  
American History Teacher who was Daniel Stevenson, West  
Liberty Middle School, sponsored by Pilgrim Chapter, Iowa City  
NSDAR. Mary Potter Thunhorst who has just retired from the  
Okoboji Middle School has done outstanding work in our area  
in History teaching was nominated from the Ladies of the Lake  
for this award. Mr. Stevenson was sitting at our table and it was  
interesting to listen about his accomplishment volunteering at  
the Herbert Hoover Library in West Bend, assisting new immi-  
grants to study for their Citizenship tests and writing a history  
book every year for the last ten years on the city of West Liberty.  
Pictures were taken of Daniel after his presentation with Marla  
Suter and Ginger Hudson Trader, NSDAR Historian General.

If you know a great History teacher in the Northwest Iowa  
counties, notify Maryanna Hubbard, Ladies of the Lake His-  
torian at [jmhubbard@q.com](mailto:jmhubbard@q.com) to nominate a teacher for 2017.  
Applications should be done soon and need three letters of  
recommendation.

## ISU Solar Car Begins Statewide Tour

One hundred twenty Iowa State University students are putting the finishing touches on the world’s first Solar Utility Vehicle. Named “Penumbra,” this solar-assisted electric vehicle has been made to change the paradigm of transportation. During the month of June, members from PrISUm (the ISU student organization that manufactured the car) are traveling to all 99 counties in the state of Iowa to showcase the vehicle. #SunRun99 will be stopping at Arnolds Park on June 9, from 4:00 – 6:00pm on Lake Street in front of the pier.

Like most vehicles found in dealerships across the state, Penumbra contains four seats and features Bluetooth audio and wireless charging for cell phones, Mistry explained. Where the differences begin is how Penumbra is powered. Instead of having a gas or diesel tank, Penumbra receives its energy from the sun. As the vehicle drives across the state, the sun recharges the onboard batteries. Fully charged, Penumbra has a “best in class” 200-mile range. On a sunny day, a constant speed of 40 mph can be achieved without any energy from the batteries. Once Penumbra completes #SunRun99, the vehicle will be flown to Australia to compete in the 2017 Bridgestone World Solar Challenge.

Interested in learning more about the vehicle, team, or renewable energy? Be sure to stop by Arnolds Park on Lake Street in front of the pier on June 9, from 4:00 – 6:00pm.

“Iowa State University Extension and Outreach is pleased to partner with the #SunRun99 tour through our #99CountyCampus,” Janet Neppl said.

“ISU Extension and Outreach carries Iowa State’s land-grant mission throughout the state -- everywhere for all Iowans. We serve as a 99-county campus, connecting the needs of Iowans with Iowa State University research and resources. We provide education and partnerships designed to solve today’s problems and prepare for the future,” Janet Neppl said.

## Heart to Heart With Heritage Landing

by Sally Anderson

Do not resist or run from the difficulties in your life...find support. “When it rains it pours!” How many times have you felt like you were drowning in all the difficulties that life throws at you?

Often times we have no control over what is happening around us. As we listen to the news of all the unrest in our country and all over the world we can get lost in all the distress and chaos.

As we face our roller coaster life, every day can bring a new challenge. The car breaks down, you lose your job, your health fails, your air conditioner breaks and the temperature just keeps rising! How do we handle all the difficulties in an ever changing and challenging world?

Your friends might say “What doesn’t kill you makes you stronger” or “God won’t give you more than you can handle.” I suppose there is truth in both of those statements but in the middle of a crisis I am not sure it’s what we want to hear.

I think in times of difficulty we look for support. From God, friends, family or from people that can offer us solutions for our difficulties. Prayers, hugs and a good repairman can often offer a solution or at least make an unbearable situation more bearable.

At Heritage Landing we like to offer support for those who are feeling overwhelmed at the thought of leaving their current home to move to a new, more manageable home. For adult children who see their parents struggling to keep up a house, but just don’t know how to talk to them about making a much needed change. We want to help you manage those concerns and we want you to know we are here for you.

We can set down with a cup of coffee and answer any questions you might have about senior housing and hopefully help you make a good, informed decision about where you want to live and the best way to get there.

Always feel free to give us a call at 712-338-2909 and let us be there to help you turn a difficult situation into a new dream.

"And we know that God works all things together for the good of those who love Him, who are called according to His purpose." Romans 8:28

# All Strings will rock you

It probably matters little how many years Carroll's *All-Strings Attached Orchestra* and *The Carroll Area's Symphony's Jazz Band* have been opening the summer season in Okoboji — first at Arnolds Park, then at the United Methodist Camp, and more recently adding the Harris - Lake Park High School auditorium to its venues.

What does matter is that the concerts initially set for the second weekend in June have been moved up a week, to Friday, June 2nd, at the Methodist Camp; and Saturday, June 3rd, at the Harris - Lake Park High School.

This year's focus is the music of the 1970s and '80s with the theme, *We Will Rock You* — the music of *The Eagles*, *Journey*, *Jefferson Starship*, *Led Zeppelin*, and *The Beatles*.

ASA director Rebecca Windschitl is in her 40th year of teaching with emphasis in violin, viola, cello and bass; and told us over the weekend, "If you knew how to rock in the seventies and eighties, you'll love this show!"

The aggregations will be on the road with 72 members for these stops, with burgers and the trimmings served at the campgrounds on June 2nd. There is no charge for admission. Free will donations will be accepted for each concert.

Bring lawn chairs for the Friday night show, which is to begin at 6:30; Saturday night's performance in Lake Park will begin at 7:00...

**Glenn Henriksen will be featured at The Inn**, Wednesday night, from 5:30 - 7:30, as The Inn hosts its season-opening night outdoors — weather permitting. Then, Glenn will be hosting the first sing-along in The Lounge, Friday night, from 6:00 - 8:00...

*The Senders return to Table 316* in Arnolds Park, from 7 - 9:00, Wednesday night...

**Ashley McDonald** be taking the stage in the barn at the Little Swan Lake Winery, Thursday night, from 6 - 8:00. A special Saturday show will see Sly James on the same stage, from 4 - 6:00 — with an encore, Sunday, from 4 - 6, as well...

**Flutist Catherine Glackin will be accompanied by Stephen Baker**, Saturday night, at 7:00, as a part of the Music in the Gallery series at Spencer's Arts on Grand. The next MITG session will be June 17th...

**With a repertoire of folk, rock, blues (and more)**, *The South 71 Trio* will be performing from 7 - 10:00, Saturday night, at the Okoboji Brewing Company in Spirit Lake...

**And, just as it has for the last 20 years**, *The Dick Bauman Big Band* will open its summer season on Memorial Day. The concert in the Pomerantz Hall at the Pearson Lakes Art Center will start at 7:00 Monday night, and continue each Monday night through Labor Day. *The Jazzed Up Big Band of Okoboji* will begin its season Tuesday night, June 6th, in the Majestic Pavilion...

**Big John and Connie Pedersen**, from Ledyard, will be performing from 5 - 7:00, Wednesday, May 31st, for the VFW Auxiliary supper at the Estherville VFW Hall, 314 South 1st Street.

John is a 2012 inductee into the Old Time Country Music Hall of Fame. The duo will be playing country, classic rockabilly and some rock 'n' roll...

**Rich Nicklay is retiring from the Spirit Lake schools** in much the same way his teaching career began in Wellsburg, Iowa, in 1978, just a month after graduating from Luther College in Decorah. "Within two weeks of meeting the students, I was directing the school band in a traditional summertime band concert on a hay rack stage on the main street of Wellsburg — population 750," he explained recently.

Nicklay moved to Spirit Lake just two years later. His public duties here will end on Monday when he marches in the Memorial Day Parade with the 7th & 8th grade band. That will be just a couple weeks shy of 39 years after that first performance in Wellsburg.

In his recent final concert with the 5th & 6th grade band, Nicklay displayed the metal clarinet given to him by his 5th grade band director. Little did that teacher in Viola, Minnesota, know how instrumental the piece would be in his student's future endeavors.

Over the years Rich has "paid it forward" with instruments he found for students to use when they could not otherwise afford them...

In recognition of his retirement as Spirit Lake Middle School Band Director, Rich Nicklay received a silver travel mug from *Northwest Iowa Concert Band* President Steve Danielson (L) and *Northwest Iowa Jazz Band* Director Scott Benjamin (R) following the bands' recent Spring Concert in Estherville.

**Big show biz names highlight research director RD's efforts** this week starting with Rosemary Clooney's 89th birthday, today, even though she passed away 15 years ago. Rosie had two singing careers separated by several decades. One of her string of top hits in the 1950s was *Mambo Italiano* — a song she didn't want to record. The last decade of the 20th century saw Rosie's reincarnation as a very talented jazz singer...

**Born Norma Deloris Egstrom**, in Jamestown, North Dakota, on May 26, 1920, singer Peggy Lee became famous not only for her vocal efforts, but as a lyricist as well. Her first hit came in 1942, and they continued for several decades...

**As noted above, Monday is Memorial Day**. This year it is also Bob Hope's natal day. Bob was born Leslie Townes Hope in Eltham, Kent, England, in 1903.

In the five decades between 1941 and 1991, Hope completed 57 tours with the USO to build morale among American GIs serving throughout the world. In 1997 Hope was named an honorary veteran of the United States Armed Forces. So it is most appropriate to remember Bob Hope's efforts, too, when we're thinking of deceased veterans on Memorial Day...

**On a lighter note**, RD tells us that May 29, 1942, was the day Bob's pal Bing Crosby was the first to record Irving Berlin's *White Christmas*.

We could be celebrating a *White Christmas* in just about 200 days...

## Slow Roll Comes to Okoboji

On June 28, members of Calvary United Methodist Church are leading a new kind of community bike ride - a Slow Roll. Slow Roll is a bike ride for everyone; all ages, all skill levels and every type of bike is welcome. Starting at the new Calvary Church south of Casey's in Arnolds Park, it will be a 5 mile ride returning to the church for free sandwiches, drinks, marshmallows and bonfire. Registration is free and begins at 5, ride begins at 6 with drinks and food following the ride. Neighbors are especially welcome to come to get to know each other.

The Slow Roll began with two friends in Detroit who wanted a casual bike ride that would welcome everyone. Calvary UMC had a youth mission trip to Detroit in 2015 where they met the founders of the Slow Roll and heard about the benefits of the ride.

"We were excited that the ride focuses on community building - getting neighbors to know one another and enjoy some time in the sun together," states Rev. Dr. Sarah Rohret who was on the mission trip with the youth. "We wanted to bring that community-building opportunity to our area as soon as we had a way to host the event."

The Slow Roll idea is in its 7th year in Detroit, and has spread across the US to many major cities including Chicago and Minneapolis. The slow pace keeps the group safe and gives riders a unique perspective of their city and its neighborhoods. In 2016, Slow Roll grew to over 12,000 registered riders across the USA and that number continues to increase.

There are many bicycle rides in our area, but none quite like the Slow Roll. Volunteers are welcome to help - contact Calvary UMC 712-332-2447. To register for the event you can go to the Calvary website [www.calvarylovesall.com](http://www.calvarylovesall.com).

## HPV Vaccine: Encouraging Parents To Protect Their Teens Against Cancer

Recent updates to the human papillomavirus (HPV) dosing schedule for teens and young adults has made it easier for parents to protect their teens against HPV. In October, the Centers for Disease Control and Prevention (CDC) recommended that 11 to 14 year olds receive two doses of HPV six months to a year apart rather than the previously recommended three doses to protect against cancers caused by HPV infections.

In December 2016, Dickinson County Public Health reported 29% of 13-15 year olds in Dickinson County received the HPV vaccine. Teens often receive other immunizations that protect against meningitis, tetanus, diphtheria, and pertussis, but are not receiving the HPV vaccine. In April, a report released by the CDC stated that nearly half of US adults under 60 years old are infected with the human papillomavirus or HPV, putting them at risk for certain cancers. Despite the growing prevalence of HPV in today's society and the shift to a two-dose regimen, health care providers are still facing opposition when speaking with parents about the vaccine.

In contrast to other vaccines, the HPV vaccine is not required for admittance by school systems. Additionally, some parents are concerned that vaccinating a child with the HPV vaccine is granting permission for sexual activity. For maximum protection, the immunization should be given before young people become sexually active. To date, there is no evidence that providing the HPV vaccine to young girls and boys will encourage them to have sex.

There is optimism among health professionals that the shift to a two-dose regimen could make a big difference for teens and parents. Since the second shot can be given anywhere from six months to a year after the first one, parents will be able to schedule the immunization along with a yearly checkup.

The Give It A Shot Primary Care campaign is currently underway and aims to encourage parents of all ages to get up-to-date on their immunizations. The HPV vaccine is among the recommended immunizations for teens and young adults. This vaccine has the potential to reverse the epidemic and prevent thousands of cancers in the United States every year. As awareness grows and more people are vaccinated, further declines in HPV and the cancers it causes will be evident.

For more information on the HPV vaccine and for other school vaccine information, visit <http://www.idph.iowa.gov/immunization/laws>. If you have questions about immunizations, contact Dickinson County Public Health at 712-336-2682.

## Local Pizza Ranch Goes Solar

May is bringing more than just spring flowers to a local Iowa town, it also brings a large solar asset installation for a Spirit Lake business. Pizza Ranch in Spirit Lake announced that they have entered a contract with Trusted Energy to install 178KW of solar assets which consist of 518 solar panels. These panels will produce the power needed for the business.

To install that many panels will require covering the whole roof area except within the area of the required safety setbacks.

When asked about the driving decision to install their own power assets Terry Veldman, the owner of the pizza ranch, told us "As we look into the future we have to control some of our fixed costs to do business, thus we are choosing to generate our own power at a predictable rate". Mr. Veldman also commented "it's also the right thing to do for us and our customers, solar just makes sense."

Currently, there are Federal and Iowa tax credits in place to stimulate solar installations. Even without any incentives, according to the solar industry, the cost of solar has dropped around sixty percent over the last ten years.

Trusted Energy, the company that designed and are installing the panels for Pizza Ranch, also commented on the project. VP for Trusted Energy, Tony Petersen explained, "Businesses and Ag Producers are starting to take control of their own power generation and the Pizza Ranch is just one of many. When asked about how feasible it is for businesses to install their own solar system, Mr. Petersen explained, "With the electrical usage at the Pizza Ranch vs. what they are going to be able to produce with their own solar asset, they are looking at less than a five-year payback."

Trusted Energy is a full-service renewable energy company based out of Storm Lake Iowa. Trusted Energy provides engineering, design, installation, and maintenance of renewable energy projects for farms, businesses, homes, and municipalities.

Seasons Center for Behavioral Health received \$2,500 from the Renaissance Initiative to install a koi pond at the healing garden/courtyard located at Autumn's Center in Spencer.

"Seasons is grateful for the support of the Renaissance Grant for this project at Autumn's Center," said Kim Scorza, CEO/President. "It is wonderful to be a part of a community that cares so much about our children!"

The garden/courtyard has been specially designed to create a space that is sensitive to the health and healing needs of children and families accessing services at Autumn's Center. In addition to the koi pond, the space will include specialized seating, a walking path, and landscaping to be used prior to, during, and/or after therapy sessions by children, parents, and clinicians.

"Sometimes children have a difficult time processing their feelings and experiences in an office setting," said Dr. Natalie Sandbulte, Vice President of Clinical Services at Seasons Center. "The healing garden/courtyard will allow children to move about if they need to, thereby facilitating the therapeutic process and the child's ability to learn. The healing garden/courtyard will be a wonderful addition to the existing therapeutic playground also located at Autumn's Center and another opportunity for children to learn new skills in a natural and familiar environment."

For more information on this project and Seasons' services, please visit our website at: [www.seasonscenter.org](http://www.seasonscenter.org) and Facebook page [www.facebook.com/SeasonsCenterForBehavioralHealth](https://www.facebook.com/SeasonsCenterForBehavioralHealth)

## Estherville Woman First Iowan Accepted to Hive Global Leaders Program

Amy H. Peterson, local journalist/playwright and nonprofit leader, has been accepted to the Hive Global Leaders program to take place June 23-26 in Boston. She is raising funds to offset the unexpected expense of attendance.

Hive is a 3-day leadership training program for mission-driven leaders, innovators, and entrepreneurs held at Harvard Medical School and other locations in Boston. It is designed as the entry into a lifelong community of leaders working together on creating a better world.

Hive Global Leaders so far include CEOs of \$250 million companies, award-winning Ashoka Fellows, elected leaders, neuroscientists, Olympic Gold Medalists, Rwandan genocide-survivors turned inspiring public speakers, technology entrepreneurs, Harvard and Stanford professors, Sudanese refugees turned scientists, renewable energy investors, Nepalese activists, World Economic Forum Young Global Leaders, IDEO design thinkers, top engineers from Facebook, Google, and Apple, World Bank and UN researchers, venture capitalists, Virgin Galactic astronauts, and many more extraordinary leaders working to create a better world.

Peterson earned a partial scholarship to Hive. Christine Luang, program director, wrote in the acceptance letter, "We believe in the importance of bringing unique and diverse individuals like yourself to our program, so I'm excited to offer you a scholarship."

The expense of travel, lodging, and the remainder of the program fee comes to \$1,700. Peterson is raising funds on Generosity.com, a division of Indiegogo.

In her application, Peterson wrote, "I write plays based on selected women saints and a few other historical women. The directors, actors, crew, and audience are transformed through going out to Do Something about the issues raised in the play. The Feast of Jovi Bono is about hunger and homelessness. So far, crew and cast from those plays have: volunteered for #BostonWarm, served at the St. Luke's Theater soup kitchen in New York, delivered food for Rescuing Leftover Cuisine, and started a free, monthly meal with social life and community in Estherville, Iowa.

Peterson said, "The leaders of Hive saw something in what I do -- what we do together -- I believe this is my shot. Our shot. What are the odds that a journalist/playwright/activist from rural Iowa (and I am the first ever participant from Iowa out of 1,300 in Hive gatherings so far) could be invited to a gathering of purpose-driven leaders, technologists, change-makers, CEOs, astronauts, Olympic medalists -- all of whom are working to create a better world?"

Peterson is seeking sponsors to make her trip possible. Donations can be made online at <https://www.generosity.com/community-fundraising/help-amy-go-to-hive-so-we-can-change-the-world>. Tax deductible donations can be made through her fiscal sponsor, Fractured Atlas. Checks can be made out to Fractured Atlas and mailed to Amy Peterson c/o Estherville News, 10 N 7th St. Estherville, IA 51334. Peterson can be reached for more information at 712-330-2593.

## SCT Playhouse Presents Tonic Sol Fa

The SCT Playhouse welcomes Tonic Sol Fa on Thursday, June 22, at 7:30pm. Tonic Sol-fa has established itself not only as the most in-demand vocal group in the Midwest, but also one of the most successful independent acts in America. In addition to substantial CD sales of its own independent releases (2,000,000 copies sold), the group has toured extensively throughout the U.S. and abroad, building their financial base with a steady list of festivals and private shows that eventually led to numerous sold-out tours of theaters and small arenas.

Tonic Sol-fa began at St. John's University in Central Minnesota and includes lead vocalist Shaun Johnson, tenor and vocal percussionist, Greg Bannwarth, and bass, Jared Dove. Together the group reached national prominence with appearances on NBC's Today Show and in Newsweek magazine. Along the way, they shared the stage with a number of recognizable performers including Jay Leno, Jeff Foxworthy and Lonestar, and were recently part of Garrison Keillor's 30th Anniversary celebration of A Prairie Home Companion.

SCT is excited to bring Tonic Sol Fa to Spencer in June. Tickets are on sale now at the Spencer Community Theatre Box Office, located at 518 1st Avenue East in Spencer, or by phone at 712-262-7336. This is a show you won't want to miss! Tonic Sol-fa was voted by Campus Activities Magazine as "One of the top five 'MUST SEE' groups in America." And, The New York Times described Tonic Sol-fa's sound as "A vocal kaleidoscope...unique to the human voice."

## Discover the History of Okoboji and the Iowa Great Lakes in New Book

*Okoboji and the Iowa Great Lakes* is the newest addition to Arcadia Publishing's popular Images of America series. The book is written by local author Jonathan M. Reed, and was set to release on May 22, 2017.

Generation after generation, families of vacationers have returned to northwestern Iowa's Okoboji and the Iowa Great Lakes for summertime rest and recreation. From the earliest pioneer days to the Spirit Lake Massacre to the first rustic outdoorsmen's accommodations, this deep glacial lake and its sister prairie lakes have been embraced by visitors for more than 150 years.

Resorts of all sizes drew the wealthy and modest alike. Among the area's attractions were Arnolds Park Amusement Park; the Roof Garden; the Casino, Central, and Inn ballrooms; thrilling boat rides; skating; and summertime "bathing" in the revitalizing waters. Now largely given over to private residences of all sizes, the many marinas and public areas still draw summertime visitors intent on forging their own indelible memories.

*Highlights from the book:*

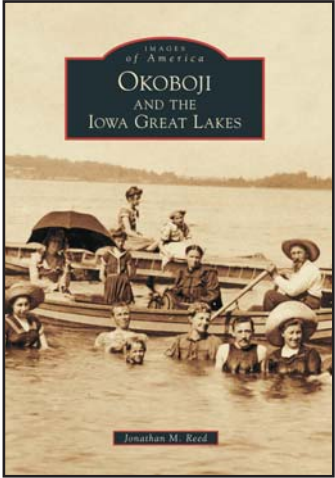

- The majority of the images in the book come from the collection of the Iowa Great Lakes Maritime Museum.
- Mary Kennedy - IGLMM curator and widow of Capt. Steven Kennedy, who brought the Queen II to the Lakes - contributed heavily to the book.
- Long-time tourists and residents will be surprised at the backstories from well-known names and venues.
- Newspaper archives provided a wealth of information, and the sometimes flowery language from the early days of news coverage will bring a smile to the reader's face.

With his earliest recollections of times spent at the family cottage on Hayward's Bay, Jonathan Reed's memories of the area stretch back nearly six decades...and he wishes now he had paid more attention when he was younger.

For years, family vacations were spent visiting history centers researching family genealogy, often tracking down ancestors' final resting places in cemeteries. With a varied career in journalism, advertising, public relations, and marketing research, he has come full circle and is currently contributing editor and feature writer for a country lifestyle magazine.

Jonathan hopes that this work will bring back fond memories of family vacations at Okoboji, whether they involved swimming, sailing, boating, reuniting with far-flung relatives, or scooping the loop in search of a potential love interest at the Arnolds Park Amusement Park.

"It is my hope that the book will help vacationers, tourists, and residents answer the questions that frequently come up in conversation about Okoboji and the Iowa Great Lakes, especially 'Hey, whatever happened to...?' and help them re-live enjoyable past times of recreation at the Lakes area," said Reed.

## Upcoming Receptions At The PLAC

An Artist Reception for *Local to Global: The Unique Stories of Three Midwestern Photographers* will be held on Thursday, May 25, 5:00 – 7:00pm, with an Artist Talk at 7:00pm in the Lauridsen Performing Arts Theatre. Each artist will present for 20 minutes with Q & A panel discussion. This event is free and open to the public. The exhibition will be on view through July 1, in the Monte Pearson Gallery of the Pearson Lakes Art Center.

The works of Mark Hirsch, David Thoreson, and Brian Peterson explore the delicate yet complex intricacies and nuances Mother Nature has to offer. Each artist, with his own unique story, offers insight and a distinct take on the beauty of our planet, captured through nothing more than the lens of a camera.

Signed copies of the artists' books - *That Tree* by Mark Hirsch, *Over the Horizon* by David Thoreson, and *State of Wonder* by Brian Peterson - are available for purchase in the center's gift shop.

*It's All About the Light: Paintings by Linda Hopkins.* Artist Linda Hopkins will share her work in the Wikert Gallery of the Pearson Lakes Art Center May 25 – June 24. Meet Linda at her Opening Reception, Thursday, May 25, from 5:00 – 7:00pm.

Born and raised in Jacksonville, Florida, Hopkins attended the University of Colorado and Florida State University, receiving a BA degree in English in 1961. She moved to Iowa with her husband, John, and have been summer residents of the Okoboji area since 1967. Hopkins became a serious acrylic painter after studying with Francesco Agresti in the Venice Art Center (Venice, FL). Previously, Hopkins primarily worked in watercolors while taking classes at the Venice Art Center and Pearson Lakes Art Center. For the past eight years Hopkins' focus has been acrylics – and this media has changed her direction entirely as she studies light and her own emotional response to the subject.

When considering rolling over the proceeds of your retirement plan to another qualified option, one of several options is to leave the funds in your existing plan or transfer them into a new employer's plan. You should consult with the Human Resources department of the applicable employer to learn about the options available and any potential tax consequences, applicable fees and expenses. Depending on the state where you reside, assets held in a retirement plan may enjoy greater protection from creditors than in other types of tax-qualified vehicles. Neither New York Life, its subsidiaries, nor its agents can provide tax or legal advice, so please consult with a tax or legal advisor before taking any action.

Services, investment options, fees, expenses, and liquidity in the new option under consideration may be different from your current retirement plan's.

LETTERS TO THE EDITOR

The publisher does not necessarily share the views/opinions stated in the "Letters to the Editor" published in The Lakes News Shopper. To The Editor:

Great Letters to the Editor

Thanks to our local papers for providing a venue for people concerned about their government who are willing to take time to make their thoughts known. A recent piece "Dark Money" dealt with benefits being afforded so the super-rich get their way and the dictatorial order by President Trump to fire rockets on Syria without congressional approval. Thanks Ray for your thoughtful note!

A second writer seems to think today's electoral system, which embraces the Electoral College, in use since the inception of our country, is a great system for our 21st century presidential elections. History tells us that the Electoral College system, which applies only to presidents, not governors, was employed for three basic reasons. 1. Our country had just been freed from the dictatorial power of England. However, there were many citizens that supported the monarchy causing fear by the founding fathers that if the country's leader was selected by a direct vote, a monarchist could swing a popular vote. 2. It balanced the influence of smaller states. 3. The country in the 1700s was basically rural and news traveled slowly. There was concern that the populace would not be well enough informed to vote based on issues. How much of this is of concern in today's USA? I would say not much! Never the less, it is the law of our land and is extremely difficult to change. It would require a constitutional amendment ratified by 2/3 of the states. Not surprisingly there are many that think it is time to make the effort for change.

The words "used since the inception of our country" as validation of the system falls far short for me. At the inception of our country: Slavery was the law of the land, only land owning white men could vote. Women could not vote, blacks could not vote. In time constitutional amendments were made and ratified to meet the times. I think it's time again.

Iowa Lakes Students Perform for Veterans on Honor Flight

Eight Iowa Lakes students performed as part of a 63-piece band honoring veterans returning from a visit to Washington D.C. Saturday, at Fort Dodge Regional Airport. More than 150 veterans spent the day in Washington D.C. and upon their return to Fort Dodge, they received a Hero's Welcome ceremony that included a band concert provided by 63 volunteers, including Iowa Lakes students Evan Mattioda, clarinet; Lincoln Larson, trumpet; Carol Ayres, tenor sax; Kevin Davis, tenor sax; Travis Meyer, alto sax; Tim Soper, bass drum; Jacob Ladwig, alto sax; Brandon Conway, trombone; and Connor Obermeier, alto sax.

"I am so proud of my students for giving up a Saturday evening, driving the distance and playing the late night concert," said Carol Ayres, Iowa Lakes instrumental music professor. Ayres participated in the concert and helped organize it, along with its director, Paul Bloomquist. "Considering the sacrifice all of our veterans endured to secure our liberties, this is a small price for a worthy cause that will make a lifelong memory."

The Brushy Creek Area Honor Flight, one of many similar programs nationwide, helps fly veterans to visit war memorials and Arlington National Cemetery in Washington D.C., at no cost to them. Originally set up for World War II veterans, Honor Flights have since expanded to include those who served in the Korean and Vietnam war eras.

For more information on the music program at Iowa Lakes, visit [www.iowalakes.edu/music](http://www.iowalakes.edu/music).

LETTERS TO THE EDITOR

To the Editor:

Thank you again, Spirit Lake, for coming out and giving the blood of life on May 15, 2017, for the American Red Cross. We had a fairly good turn out but missed our goal by 3 pints. We had only 2 deferrals, 6 for 12 double red cells making a total of 44 units and our goal was 47 so only missed it by a few. We had 40 presenting donors. We also gave a 9 gallon pin to Linda Rubis. Congratulations!

A big thank you to all that donated and mark your calendar for August 17, 2017. Let's make our goal this time!

A big thank you to all the volunteers for their help in the canteen: Becky Berg, Karol Larsen, Lois Hansch, and Judy Hagedorn and to Walmart for providing such wonderful cookies. Your generosity is most appreciated by those needing transfusions in trauma situations and for on-going treatment of chronic life-threatening illnesses.

Chamber Helps To Cultivate Local Leadership

This month marked the end of the 2016-2017 Leadership Martin County program. The 9-month program saw 18 local participants graduate, armed with a greater knowledge and understanding of the assets, complexities and potential of our community. The Leadership Martin County program began in the Fairmont area in 2010 with the mission “To develop community leaders to ensure the future vitality of our area.” Over 90 participants have now graduated the program with candidates drawn from business, industry, education, public and private agencies, civic groups, non-profit organizations and virtually every other corner of the professional community.  
The Leadership Martin County program was designed to enable candidates to learn about Martin County resources, values, strengths, weaknesses, and challenges. It is an unparalleled learning experience in our area and is geared toward providing an in-depth look at eight key elements of our community. Focus topics include education, economic development, government, healthcare, public safety, quality of life, agriculture, and culture & diversity. The program has been a cooperative effort between the Fairmont Area Chamber of Commerce and Riverland Community College with additional funding provided by the Fairmont EDA, Martin County EDA (Ignite), Mayo Clinic Health Systems and Rosen’s Diversified, Inc.  
They are now accepting applications for the Leadership Martin County program for 2018-2019. Be sure to submit your applications soon as class sizes are limited to around 20 participants on a first come, first serve basis. Additional information is available on our website at [www.FairmontChamber.org](http://www.FairmontChamber.org). You can reach the Fairmont Area Chamber by phone at 507-235-5547 or by email at [info@fairmontchamber.org](mailto:info@fairmontchamber.org) with any questions regarding the program or the application process.

# Benefits for Iowa Veterans

**Veterans Designation on Iowa Drivers Licenses & IDs**  
Honorably discharged veterans may request the “Veteran” designation be placed on their driver’s license or non-operator identification card. Veteran must present a copy of their DD214 or applicable discharge document to the County or State Veterans Affairs Office to have their eligibility certified. That office and the veteran will complete an Iowa DOT Application form. **Note:** Veterans may request the “veteran” designation anytime they seek a new card, not just at the time of renewal. The cost for a duplicate DL or non-operator ID is \$10.

**VA Pensions**  
Veterans with low incomes who are either permanently and totally disabled, or age 65 and older, may be eligible for monetary support. Payments are made to bring the veteran’s total income, including other retirement or Social Security income, to a level set by Congress. Un-reimbursed medical expenses may reduce countable income for VA purposes. VA also provides pensions to low income surviving spouses.

**VA Healthcare**  
Increased annual income limits. No asset limits! Out of pocket medical expenses are deducted from income. Transportation available to VA medical appointments at the VA Medical Center in Sioux Falls.

**Disabled Veteran’s Homestead Tax Credit**  
This recently-enacted legislation (2014) provides 100% exemption of property taxes for 100% disabled service-connected veterans and Dependency and Indemnity Compensation (DIC) recipients, as well as veterans being paid the 100% rate due to unemployability. **Information:** Department of Iowa Revenue (<https://tax.iowa.gov/disabled-veteran-homestead-property-tax-credit>)

**Military Retirement Tax Exemption**  
This recently-enacted legislation (2014) exempts federal retirement pay received for military service and survivor benefits from state individual income tax. **Information:** Military Retirement Tax Information (<https://tax.iowa.gov/2014-tax-year-information>)

**Lifetime Hunting and Fishing License**  
Veterans with at least a 0% service connected disability rating may be eligible to receive a lifetime hunting or fishing license for a fee of \$7.00

**Veterans with Service-Connected Disabilities**  
Disability compensation is a monetary benefit paid to veterans who are disabled by an injury or illness that was incurred or aggravated during active military service. These disabilities are considered to be service-connected. All veterans who develop Amyotrophic Lateral Sclerosis (ALS), also known as Lou Gehrig’s Disease, at any time after separation from service may be eligible for compensation for that disability.

## Diabetic Support Group

The Spirit Lake Area Diabetic Support Group will meet Monday, June 5, 2017, at 7:00pm at Lakes Regional Hospital, Spirit Lake. Admission is free.

The Type 2 Connection will be topic for learning and discussion by Diabetic Support Group facilitator, Marcia Young based on research as reported in the Diabetes Forecast Magazine. The cause of Type 2 diabetes is varied and has many connections to the diagnosis.

Diabetes is a chronic but controllable disease with education being an important tool in management of the disease. Knowledge is power for motivation in steps taken to a healthier attitude and care of the body. With the power of knowledge, diabetes care can be focused on inspiring, encouraging, and making life better while "taking over the management of the pancreas."

The local diabetic support group meeting, led by local patient facilitator, Marcia Young, is open to anyone dealing with diabetes, spouse, family members, or friend.

## Memorial Service Held at the DAR Annual Meeting in Ames

Cindi Carter, State Regent, opened the Saturday morning Memorial Service. The Service was conducted by Judith Mc

Namara, State Chaplain. The Necrology report was read by Jodi Freet, State Registrar. The cover of the program said, "I will never forget you." Susan Harris, Honorary State Regent, light the Memorial Candle.

This event is formal with hats. DAR is happy to have Deborah Reed-Margetan of Ames join them to honor her mother, Arlene Reed of Spirit Lake. Ladies of the Lake had two members recognized. Anita Skewis Rosendahl and Arlene B. Gantz Reed. Northwest District Director Missy Franks place lilies in the vase in honor of Mrs. Rosendahl and Mrs. Reed. Mary Potter Thunhorst, pictured, and Colleen Cleveringa Lemkuil were in attendance and stood in honor of our two members.

The service ended with the singing of *Let There Be Peace on Earth*.

*Let there be peace on me, the peace that was meant to be.  
With God as our Father, children all are we.  
Let us walk with each other in perfect harmony.  
Let peace begin with me; let this be the moment now.  
With every step I take, let this be my solemn vow,  
To take each moment and live each moment in peace eternally  
Let there be peace on earth and let it begin with me.*

The local Ladies of the Lake Chapter will honor these women on June 13, at Miniwaukan Park at 24490 100th Street, Spirit Lake, on the North side of Big Spirit Lake. After the meeting, Deborah Reed-Margetan will be at the Lakeview Cemetery to place and dedicate her Mother's marker on the grave of Arlene Reed of Spirit Lake.
