Iowa Utilities Board Approves Territorial Modification Agreement

Throughout discussions of planning for building a new middle school in Milford, several patrons expressed a concern that Milford Municipal Utilities (MMU) may not be able to serve the new building if it is placed on the west side of the current high school building, located partially in Iowa Lakes Electric Cooperative (ILEC) territory. The north/south service boundary line ran through the center of the existing high school site directly behind the high school building.

To guarantee MMU service rights to the new building, a joint petition between ILEC and MMU was submitted to the Iowa Utilities Board requesting the service boundary be moved toward the west so the entire high school complex area would be located in MMU territory.

On July 6, the district received written confirmation from the Iowa Utilities Board stating that "The joint petition for modification of electric service area boundaries filed by Iowa Lakes Electric Cooperative and Milford Municipal Utilities, on May 22, 2015, is granted."

This guarantees MMU future service rights to the entire existing high school complex located in Milford. I want to formally thank ILEC officials for their professionalism in working through this utility issue and appreciate their cooperation in giving up a portion of their service territory so our local service provider can serve our school.

First Lutheran Welcomes New Staff Member

Just last month, First Lutheran Church of Milford was happy to include a new staff member to their team. Megan Timmer is the new Communication Coordinator at First Lutheran. The Communication Coordinator position is a new position at the church this year, and started after seeing the need for a position to communicate and outreach to people. Megan Timmer is from Dell Rapids, SD, and has recently graduated from Northwestern College in Orange City, IA with a degree in Art/Graphic Design. Megan also works part-time at Ingham Okobojo Lutheran Bible Camp, which has close ties with the church. Megan stated, "I'm excited for this opportunity to not only get to know people within the church, but also to use the gifts God has blessed me with". The church is excited to welcome Megan, and this new position to the staff.

Farm Market News

Hitting Stride.

Welcome to farm market news. What a terrific day to shop on Saturday. Many produce vendors sold out as there were almost 700 customers during the morning. When the produce starts coming in the market the place swells with patrons looking for fresh vegetables and fruits. So much variety if you know where to go. Like those miniature apricots that sell out so fast. They are so sweet and the shortest of seasons. Or the striped beans or heirloom tomatoes; you just have to know where to look.

Iowa State Pays A Call

This week we had a visitor from Iowa State and their "Rising Star Internship program" Cassie Cramer who is being mentored, was welcomed. We enjoyed the simple salsa she made with only ingredients bought at the farmer's market. She is traveling across the state to promote the need for older Iowans to mentor youngsters about small farms that utilize the farm markets. A family can make a living just working the farm markets and Saturday was a great example of how successful the producer can be.

4 Corner Tour

The corner vendors are needing some attention and none are more deserving than Rocking M Beef: a family beef producer for 75 years selling grass fed slow raised beef. Very tasty! Across from them is the Brandt's farm which sells produce and flowers and plants but they have a specialty that I stockpile for fall including shallots as good as any on the planet. Down from Bill is Pat's Garden, a sweet shy treasure. Jams and jellies; peas and beans, she is a must stop. The last corner is a new vendor, Travis. He has melons running sweet and they will be even sweeter now that the heat is setting in. Next week's subject will be potatoes and why we love them. Until that time *Eat well!*

Robert O. Eikleberry, "Bob", (age 82) passed away Monday, May 25, 2015, after a long illness. His last hours were spent comfortably with his family, listening to Handel's Messiah, and in particular "Comfort Ye My People". Bob was born to parents, Ezra and Jessie (Reeves) Eikleberry at home on the family farm near Milford, Iowa, on November 8, 1932. He was one of five children.

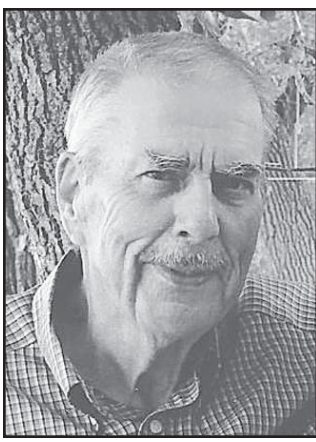

Bob Married Bett Coleman on August 11, 1954. After serving in the army and then graduating from the University of Iowa in 1959, he moved his family to Los Alamos, New Mexico, where he and Betty made a home for the next 54 years. Bob spent 27 years teaching genetics, physiology and biology at Los Alamos High School. He thoroughly enjoyed his students and the classroom and was a favorite among his students. He also served his community for two years as a Los Alamos County Councilman. During the summer months, he worked as a guide at Bandelier National Monument, as a research assistant at Los Alamos National Laboratory, and as a carpenter in town and on the Baca Ranch. Bob loved the mountains and spent endless hours in the Jemez, hiking, fishing, scouting, hunting and also repairing fences for the ranchers on the Baca Ranch.

Bob was preceded in death by his parents and three sisters: Velva Mae Soat, Vera Wing and Ruth Smith. He is survived by his wife, Betty; their two daughters, Deb (Robert) Fletcher and Mary (John) Inman; and his brother, Bill (Lois).

Twins Heating Up

One of the most pleasant surprises of this summer has been the play of the Minnesota Twins. As we approach the All-Star break, the unofficial half way point of the season, the Twins are 49-40 and only 4.5 games behind the AL Central leader Royals. This is an amazing turnaround for a team that has lost at least 90 games the last four years and started this season 1-6 with very low expectations. The Twins are heading into the break with a ton of momentum, having won 3 in a row, including 7 of their last 10. One of the most impressive wins of the season came on Friday night against the Detroit Tigers. The Twins trailed 6-1 heading into the bottom of the 9th and looked to have no chance of winning. Brian Dozier capped off a seven-run rally in the final inning with a three-run homer to pull out the improbable 8-6 victory. This win was huge for the Twins as they had lost a close 4-2 game the night before against Detroit, a team that has had the Twins' number throughout the last few years.

The reasons for the Twins' turnaround are numerous. One can start at the top with manager Paul Molitor and the job that he and his staff have done. Ron Gardenhire was great for Minnesota, but sometimes the players need to hear a different voice and change how they are doing things and this was obviously the case for the Twins. One of the biggest moves the Twins made in the off-season was bringing back fan favorite Torii Hunter. Hunter has been very solid on the field, hitting .257 with 14 home runs and 49 RBI, but what he brings to the clubhouse and the team is immeasurable. The Twins are having fun playing baseball again, acting like kids who love the game, and Hunter is a huge part of that. Another reason for the turnaround has been the pitching staff. Starters Phil Hughes, Kyle Gibson, Tommy Milone, and Mike Pelfrey have all been very good this season and All-Star closer Glenn Perkins has been phenomenal, saving all 28 of his save opportunities. The staff will only get stronger with the recent addition of Ervin Santana off the suspended list. The Twins are also having players step up who haven't been stars in the past. Brian Dozier has been amazing at 2nd base and was recently selected for the All-Star game; rookie Miguel Sano has been as good as advertised since he was called up; Eddie Rosario and Eduardo Nunez are both hitting above .284; and Aaron Hicks has been on a tear since coming back from an injury.

There's no telling if the Twins can keep this pace up through the rest of the season, but they certainly appear to have the ingredients to make a nice run at the post-season with their strong pitching, great fielding, solid coaching, strong leadership and contagious enthusiasm. Notice I haven't even mentioned Joe Mauer in this article? The highest paid player on the roster is having a nice season (.271 average, 42 RBI) but think how good this team will be if he could heat up like he has in past years? I'm not going to lie, I wrote this team off after their 1-6 start and recent struggles, but I am very happy to once again be wrong on a prediction of one of my teams. Go Twins!

Vietnam Vet Photos Wanted

In order to honor those who fought in the Vietnam War, yet were never thanked for their service and courage, The Daughters of the American Revolution are calling on area residents to bring photographs of Vietnam Vets to the Spirit Lake Library for display.

This is a national project to show appreciation to these service men and women who answered the call but who, due to the controversy of the era, were never officially recognized. Photographs in frames are being displayed on top of library shelves and those unframed are attached to a "Wall of Service" near the library's Community Room.

Colleen Lemkuil and Katherine Hall

In other action, the Ladies of the Lake Chapter of the DAR inducted Katherine Hall, a writer and editor who holds a PhD from the University of Washington and who recently retired from the UW School of Public Health. She is a Seattle resident who frequently visits her cousin, Jeane (Sue) Fontaine of Wahpeton. They share a common ancestor, Abraham Messinger, who fought in the Revolutionary War. His son, John Hill Messinger, settled in Bremer County, Washington, in 1848.

Women who can trace their ancestry back to those who aided the cause of freedom either in military service or with visible support are invited to trace their genealogy and become DAR members. Registrar Bonnie Lee Holden, Arnolds Park, (bobbieleholden@gmail.com) is ready to assist potential members in this process.

At the June 30 induction meeting, Katherine's friend Alison Lea Reichhle, PhD from the University of Arizona, spoke about her book "Strange Knowledge: Stories from Desert Flower." It describes her experience in conducting a course to help pregnant and parenting teenagers develop self esteem and realize their potential. A copy is being donated to the Spirit Lake Library. DAR Regent Colleen Lemkuil, Spirit Lake, presented new member Hall with Roger Stoner's book "Horse Women's Child."

For its July 14 meeting, the Ladies of the Lake has invited family and friends, including children, to share its annual potluck picnic. It takes place at the Landings Club House, Nautica Drive, off Highway 86, where the children can swim in the pool. Carol McDowell, Sheldon, is hostess, with Sammi Huseman as Co-Hostess. Maryanna Hubbard, Arnolds Park, will display the Ladies of the Lake scrapbooks which she has developed as DAR Historian. The group will also view the spectacular stained glass eagle, the symbol of our nation, as created by Stan Lemkuil, 20698 Nautica Drive, directly across from the club house. GrapeTree Medical Staffing Inc. Receives 2015 Best Of SL Award

GrapeTree Medical Staffing Inc has been selected for the 2015 Best of Spirit Lake Award in the Registered (RN) & Practical (LPN) Nurses category by the Spirit Lake Award Program.

Each year, the Spirit Lake Award Program identifies companies that we believe have achieved exceptional marketing success in their local community and business category. These are local companies that enhance the positive image of small business through service to their customers and our community. These exceptional companies help make the Spirit Lake area a great place to live, work and play.

Various sources of information were gathered and analyzed to choose the winners in each category. The 2015 Spirit Lake Award Program focuses on quality, not quantity. Winners are determined based on the information gathered both internally by the Spirit Lake Award Program and data provided by third parties.

"We are very excited about this honor," says Tim Kinnetz, President/CEO of GrapeTree. "It's proof that our healthcare providers are some of the best around and are dedicated to what they do on a daily basis. Our mission is to improve healthcare - and we do it every day!"

The Spirit Lake Award Program is an annual awards program honoring the achievements and accomplishments of local businesses throughout the Spirit Lake area. Recognition is given to those companies that have shown the ability to use their best practices and implemented programs to generate competitive advantages and long-term value.

The Spirit Lake Award Program was established to recognize the best of local businesses in our community. Our organization works exclusively with local business owners, trade groups, professional associations and other business advertising and marketing groups. Our mission is to recognize the small business community's contributions to the U.S. economy.

Additional information can be obtained by email the Spirit Lake Award Program at PublicRelations@awardcontact.org or online at <http://www.awardcontact.org>.

GRAND FALLS CASINO & GOLF RESORT

Generous Donations Helped Light Up 4th Of July Celebration

Grand Falls Casino and Golf Resort and The Sioux Falls Jaycees would like to thank all of the guests who took part in our "Win Win with a Bang" promotion. For the fourth year in a row, Grand Falls Casino & Golf Resort guests were asked to donate \$10 towards the Sioux Falls Jaycees 47th Annual Fireworks Celebration, held at the W.H. Lyon Fairgrounds this year. As a gift for their generosity, each guest who donated \$10 or more to the Jaycees 4th of July Celebration Fund received \$10 in free slot play from Grand Falls Casino & Golf Resort.

We're happy to announce \$13,096 was raised to help light up the sky on the 4th of July! Thanks to the donations of residents in the Sioux Empire and the surrounding areas for nearly \$53,000 over the past four years. The President of the South Dakota Jaycees, Travis Arneson, says, "Thank you to God and all the individuals and families who have or are serving so we may be free. It is truly an honor to be able to partner with Grand Falls for the fourth year. The support of the Sioux Falls community, as well as volunteers, is vital to help make this event a success."

About Grand Falls Casino & Golf Resort: Grand Falls Casino & Golf Resort (GrandFallsCasinoResort.com), located just minutes east of Sioux Falls, SD in Larchwood, IA, combines a Vegas-inspired casino experience with the amenities of a 97 room hotel, full service Aveda spa, shopping, a variety of dining options, an 1,120 seat event center and an 18-hole golf course.

Following the passage of a referendum approving a gaming structure by the citizens of Lyon County, Iowa in September of 2008, Grand Falls Casino & Golf Resort received an operator's license for a casino in Lyon County by the Iowa Racing and Gaming Commission in May of 2010. More than 450 Iowa residents own Grand Falls Casino & Golf Resort.

And The Winner Of The U Of O Winter Games Logo Contest Is...

A summer intern at BonFire Web Co. & Marketing was the committee's favorite when it came to the design for the 36th Annual University of Okoboji Winter Games.

Abby Goodenow (pictured center) is a junior at Iowa State University, was born and raised in Okoboji. This 2013 Spirit Lake High School grad is currently enrolled in the ISU Graphic Design Program. She is excited about being back in Boji for the summer to share her knowledge and design skills at BonFire. As an intern, Abby has learned a lot about web development and applying her graphic design skills to the real world. While creating the 2016 Winter Games logo, Abby states, "My favorite part of winter games has always been the burning of the greens, so I wanted to try to tie something from that into the logo. I am excited about how it turned out and can't wait to see it throughout the community."

The Iowa Great Lakes Chamber of Commerce is already planning the 36th edition of the frozen fun scheduled January 29-31, 2016. Visit University of Okoboji Winter Games or contact jen@okobojichamber.com to learn how you can get involved.

Miss Nebraska Junior to Enter National Pageant

Emily Lenser, daughter of Jeff and Jodie Lenser of Omaha, Nebraska, and Granddaughter of lake residents Chuck and Elaine Krumme, will represent Nebraska in Nashville, Tennessee. She is the reigning Miss Nebraska Junior Teenager for the America's National Teenager Scholarship Organization (ANTS). She was chosen based on scholarship, service to her school, volunteerism in her community, poise and personality. Emily has demonstrated leadership in her school and her community. She has been a summer visitor every summer at her grandparent's home in Okoboji since age 3 months - she feels that along with representing Nebraska she is an Iowa participant also as she loves the lake. Based on her selection as Miss Nebraska Junior Teenager 2015 she has won an \$11,000 scholarship. She hopes to add to that scholarship money by doing well in the national pageant the end of July.

New Art Work by Candy Hummel Mayer

Artwork by Candy Hummel Mayer featuring the Iowa Great Lakes is now available at both the Maritime Museum at the Arnolds Park Amusement Park and the new Okoboji Store Bar and Kitchen at the bridge on Highway 71. Prints in three sizes and note cards of scenes from the Amusement Park and the Okoboji Store are for sale. The art includes both current and nostalgic scenes from the past. Also available are prints and cards of the collage celebrating the 125 anniversary of the Amusement Park. Candy created and donated the large collage that will be auctioned off at the Party in the Park on August 1.

Candy was born and raised in the Lakes area. Her great-great grandparents, the Fred Roffs, arrived in Okoboji in 1881. Her great-great Uncle, Roy Roff, was the pilot of the Queen. Her great-great grandparents, the W.S. Wilsons, settled in Okoboji and purchased the Okoboji Store in 1888. Her grandfather, Zeke Wilson, operated the Okoboji Store Boat Livery for 47 years, from 1924-1971. The Wilsons were involved with the Store for 69 of its 92 years. Her mother, Doyné Hummel, still resides in Spirit Lake.

After moving to El Paso in 1999, Candy embraced the Border area, creating landscapes and still lifes of the Southwest and the borderland in pastels, acrylics, pen & ink, and mixed media collage.

Candy has a BFA in Art and Art Education from the University of South Dakota. She is a member of the El Paso Art Association, the Pastel Society, and the Plein Air Painters of El Paso. She has exhibited and won recognitions in competitions both in El Paso and Mexico. She has participated in international shows sponsored by the Mexican Consulate in El Paso. Three of her works traveled to the Department of Interior Gallery in Washington, D.C.

Candy has held two one woman shows at the Hal Marcus Gallery in El Paso. In July, 2007, she returned to her hometown in Iowa for a one woman show, "Borders," at the Lakes Art Center. Her first retrospective show, "Thirteen Years on the Border," was in 2012. She was part of the "Desert Modern-El Paso Art, 1960-2012" show at the El Paso Museum of Art.

In October 2008, Candy was inducted into the Hall of Achievement as an Outstanding Graduate of the Spirit Lake High School. www.candymayer.com

Update On GLEON Research Buoy

by Paige Ellensohn

This spring Iowa Lakeside Laboratory Regents Resource Center deployed a Global Lake Ecological Observatory Network (GLEON) research buoy at Pillsbury Point on Lake West Okoboji. The data generated by the buoy benefits the global scientific and Iowa Great Lakes communities through linkage to GLEON, a global collaborative network of scientists from around the world that are conducting cutting edge science by measuring changes in lakes at high frequencies. To listen to interviews from GLEON scientists, Evelyn Gaiser and Mindy Morales, visit Lakeside's Facebook page at <https://www.facebook.com/LakesideLab>. The research buoy collects and sends data to a computer at Lakeside Lab in 10-minute intervals that has already gathered resourceful datasets for Lakeside scientists, GLEON limnologists, and Okoboji residents.

One of Lakeside's artist-in-residence, Alex Braidwood, composed music using data from the GLEON buoy. Alex said, "During my time as an artist-in-residence at the Iowa Lakeside Laboratory, I began working with data from the research buoy in Lake Okoboji to develop audio compositions. I created a system that uses data from the buoy's sensors to generate, control, and modify sounds—including nature sounds recorded in the area surrounding the lake. The final composition is a representation of the data. Each point of sensor data is mapped to sound so the values can be heard and the changes can be observed in a different way." Alex's composition from the GLEON buoy can be listened to at <https://twitter.com/GLEONetwork/status/6142172675979648>.

Currently, the GLEON buoy has been brought back to the lab for repairs. The buoy will be fixed, placed back on West Lake and online in two to three weeks. We thank the community for their patience and support. Again we thank our project sponsors Okoboji Foundation, Okoboji Protective Association, Dickinson County Clean Water Alliance, Friends of Lakeside Lab, State Hygienic Lab, University of Iowa Office of Research and Economic Development, Iowa Lakeside Lab Regents Resource Center, Iowa Department of Natural Resources, and Danbom Engineering.

Original Lake Patrol Band Reunites For One Performance

The original line-up of the popular lakes area band, The Lake Patrol, is reuniting at The Ritz restaurant/bar Thursday evening, July 16 for a one-night performance from 7:00 to 10:00pm.

Band co-founder Mick Buckley says, "Dave Chapman will be joining us on bass guitar. We put the original line-up together once a year for a fun trip down memory lane."

Co-founder Tim Horsman comments, "We look forward to this gig every year. It's a chance for all of Dave's friends to say hello and see him perform."

The band formed in the mid 1980s as a trio with Chapman, Horsman and Buckley. Soon after, Joe Cuttill joined as a permanent member.

The Lake Patrol plays every Thursday from 7:00 to 10:00pm throughout the summer and fall at The Ritz as well as keeping busy on several other dates year round.

Understanding Grief Support Group

Losing a loved one is indescribable to someone who has not felt the loss of death. Hospice of Spencer Hospital's professional team understands the tragedy of losing a loved one and they identify with the difficult decisions and emotions that the person left behind faces.

To help people cope with the death of a loved one, Hospice of Spencer Hospital is offering a 6-week Understanding Grief Support Group. The group will meet each Tuesday evening beginning July 28th through September 1st from 6:30 – 7:30pm at Spencer Hospital's Women's Resource Center.

"During your time with the Understanding Grief Support Group, you will uncover techniques to help begin the healing process," commented Chelsea Reed, social worker for Hospice of Spencer Hospital. "We will help guide you and support you in your healing process. This group offers hope for the future in a caring setting."

Once the sessions start, the group will be closed to new participants. The course will be offered at various times each year to new groups. To register, please contact Hospice of Spencer Hospital at 712-264-6380.

Spirit Of '45 Ceremony

Governor Branstad signed a proclamation of the week of August 16 - 23, 2015, as Spirit of '45 Commemoration Week in Iowa.

The Spirit of '45 ceremony will be conducted at the Iowa Veterans Cemetery at 1:00pm, Sunday, August 16, 2015. The ceremony is one of many that will be conducted around the world that day to recognize and honor our World War II veterans for their service to our nation. On that day, Spirit of '45 ceremonies will be conducted at Arlington National Cemetery, all national cemeteries operated by the US Departments of Veterans Affairs and the Park Service and all American Battlefield Monument Commission sites, and many state cemeteries around the world. This is an international event being conducted at the cemeteries that are the final resting place of our veterans.

The Spirit of '45 is a national effort to recognize and honor our World War II veterans. Congress declared a national Spirit of '45 Day several years ago and Iowa has participated with visits and proclamations. The Iowa Veterans Cemetery is honored to be the Iowa location for the celebration of the international Spirit of '45.

Governor Terry E. Branstad will be the guest speaker. Capt. Jerry Yellin, of Fairfield, Iowa, and a World War II fighter pilot, will provide remarks. This will be a special ceremony for our World War II veterans and our state.

All are welcome and encouraged to attend. The next morning on Monday, 17 August 2015, will be the annual Iowa State Fair Veterans Day parade and continue the Spirit of '45. The parade time is 11:00am. Governor Branstad, the Commander-in-Chief of the Iowa National Guard, will officiate the parade. He will be joined by other dignitaries on the reviewing stand that is located in front of the fair's administration building. The grand marshals of this year's parade will be World War II veterans.

The Iowa State Fair Veterans Day parade is a long-standing fair tradition. The parade route is lined several deep as the parade makes its way down the Grand Concourse and its route around the fairground. The on-lookers are as varied as the parade entries. Veterans, veterans service and support groups, friends of veterans and good patriotic Americans. Many are Iowans; many come from across the country and around the world. The applications have been mailed and are also available on the IDVA website.

Lifetree Discusses If Prayer Really Works

The impact of prayer on people's everyday lives will be explored at Lifetree Café on Sunday, July 19, 2015, at 6:30pm.

The program, titled "How Does Prayer Work? Exploring the Mystery of Connecting With God," features filmed interviews with Nathan Matz and Tosha Williams, two people who pray daily, but in very different ways.

"I originally thought prayer was about pleading to God like he was a genie in a bottle," says Matz. "Prayer to me now is about trust. When I pray, sometimes I'm crying, sometimes I'm laughing, sometimes I'm screaming, and sometimes I'm angry. When I pray, I find God continuously pushing me into deeper waters."

Admission to the 60-minute event is free. Snacks and beverages are available. Lifetree Café is located at the Good News building, 1010 Julia Street, Okoboji, IA 51355.

Lifetree Café is a place where people gather for conversation about life and faith in a casual coffeehouse-type setting. Questions about Lifetree may be directed to Kelli Achenbach at 712-332-5698 or lifetreeokoboji@yahoo.com.

DCPH Relocating

Dickinson County Public Health (DCPH) is moving to Lakes Regional Healthcare's (LRH) main campus the week of July 13, resulting in a number of benefits for local residents. First, providing immunizations and other public health services out of LRH's main campus is expected to be an improved convenience to patients. LRH DCPH Manager Cyndy Powers said, "Patients often come to us after meeting with their local family physician and now we'll literally be steps away from the physician clinics, so patients won't have to take more time to see us; they can make the appointments the same day and walk down the hall. Plus, Lakes Regional Healthcare's service area is northwest Iowa and southwest Minnesota – and Dickinson County Public Health actually gets quite a few patients from Minnesota. Our new location will be more centrally located in these regards."

Another factor that influenced the move was the change in the health care delivery model from one of treatment to one of wellness and prevention. Powers said, "Being on campus supports an easier integration and involvement into processes and initiatives here, such as wellness initiatives and lowering readmission rates and hospital acquired pneumonia rates. Dickinson County Public Health influences these outcomes that ultimately benefit our community."

LRH was also approached by Home Instead, a senior care provider, to lease their Community Health Center space in Milford, which will be effective August 1. Home Instead will only occupy a portion of the building; LRH will continue to provide therapy services at their Milford location.

DCPH will be located in the former surgery area on the west side of the campus beginning July 13. There will not be any immunization clinics the week of July 13-17 due to the move. DCPH is considering adding more immunization clinics in August before school begins. Those interested in learning more can call DCPH at 712-336-2682.

"Every Hero Has a Story", the big summer reading program at the Spirit Lake Public Library, is history. It was a great success by all accounts. We had 88 sponsors who provided prizes, coupons, and funds to help finance entertainment and other prizes. 510 children were enrolled in the free 6-week program. This number includes 58 infants and toddlers, 122 preschoolers, 215 Kdgn through 3rd graders, and 115 4th through 8th graders. 107 kids turned in 153 challenge cards meaning they visited the library 8 days for each card and did the nature hike at Lakeside Lab. They received a trip to our "prize store" for each card finished. 17 babies or toddlers completed 35 cards with 50 pre-reading skills on each. They also got a prize for each card completed. Our grand prize winners were drawn from these completed cards and include: Paytyn Feese, Brooklyn Ferguson and Renee Raschio. Oliver Ross won the Mother Goose Club drawing. Most cards completed were 4 by Kai Li Dong, Anna Pritchard, and Charlotte Pritchard. Four Mother Goose cards were completed by Parks Nyvall, Clara Van Genderen, Noah Pritchard, and Veda Schneider. The winner of the registration drawing was Olivia Leistikow. Overall preschoolers through first graders read or listened to 7260 books. Second through eighth graders read 44, 370 minutes. 1590 pre-reading skills were completed. The prize wheel had 2196 spins. Thanks to all of the kids who read, the parents, grandparents and caregivers who brought them to the library and all the staff and community members who helped in any way. "It takes a village to raise a child" and also to run a big reading program. Thank you for your support!

The Extended Summer Reading program is in full swing. Kids read 90 minutes or younger kids may have 9 books read to them. They then receive a grabbag of small prize items and a food coupon. Storytime will continue through August 7th at 10:30 every Friday. Hope to see you at the Spirit Lake Public Library soon.

On Thursday, July 23, at 10:00am, we are excited to welcome cartoonist Dave Carpenter as a presenter for the Teen Summer Reading Program. Dave Carpenter has been a fulltime cartoonist since 1981. His cartoons have appeared in Reader's Digest, The Wall Street Journal, Better Homes & Gardens, GoodHouse-keeping, as well as numerous other publications. Dave has also illustrated books, magazine articles and covers, along with a variety of other humorous illustration projects. This programming is open to 5th-12th graders.

Milford Memorial Library's Annual Book Sale is on Friday, July 24, from 9:00am to 3:00pm. If you would like to volunteer, stop by the library, call 712-338-4643, or email info@milfordlibrary.net. Volunteers who set up on Thursday, July 23, at 5:30pm, for the book sale will get to enjoy a potluck and shop the book sale early.

Join cast members from Stephens College's Boji Bantam Theatre and the Milford Memorial Library on July 25, in Milford's Florence Park, at 1:00pm, for Story Time in the Park. Come listen to an enchanting story told by well-known characters. This program is open and free to the public.

We are looking for several local yearbooks from Okoboji and Milford to add to our collection. If you have any of the following yearbooks and would like to donate them to the library you can stop by, call 712-338-4643, or email info@milfordlibrary.net. We are missing 1919-1924, 1926-1945, 1947-1953, 1957-1959, 1961-1964, 1967, 1979, 1984-1987, 1991-1993, and 1997.

Jump Start to Reading is an opportunity for children to read to adults one-on-one on Friday mornings from 9:30 a.m. to 10:00 a.m. Registration forms are available at the circulation desk at the library. Adult volunteers may contact children's librarian Betty Naab at 712-338-4643 or betty@milfordlibrary.net.

Join us for great stories and much more every Friday morning at 10:00! Betty, our children's librarian, looks forward to sharing stories with you! No pre-registration is necessary. This week the theme is "Frogs."
