# Get your home ready for Summer

Summer is the prime season for enjoying warm weather, fresh air and time in the sun. Think about updating your windows and adding a beautiful sunroom so you can enjoy nature in any kind of weather.

It's a great time to get outside and work in the yard. Find fun gardening projects that the kids can be involved in. Beyond mowing grass and whacking weeds, yard care can do a lot for your home's curb appeal. Take time to plant a garden and lay out pebbles, mulch, or decorative stones. You can even add flower boxes to windows to add pops of color.
