VINESTOCK WINE & ARTS FESTIVAL

Since 2010, the Spencer Radio Group of Newsradio 1240 KICD, MORE 104.9 and CD 107.7 have hosted the popular Hiney Wine & Arts Festival in beautiful Peterson, Iowa, a wine, art and food festival centered around the fictional Hiney Winery. Dave Putnam, President and General Manager of The Spencer Radio Group, said "in the past five years we've seen growth in both vendors and attendance. This event has become one of the top festivals in the state of Iowa, an estimated crowd of 3,000 people attend every year." Station Management made the announcement this week that the Festival will be returning to Kirchner Park in Peterson on Saturday, October 3rd! Putnam adds the Festival will have a new name, it will now be referred to as the Vinestock Wine & Arts Festival.

Putnam said "the Hiney Wine brand has been a lot of fun and has created a lot of attention and humor over the years. But in order for the event to continue to build and grow, we felt it was time to change the name. It will be the same Wine & Arts Festival in its same location, just under a new name." The 6th Annual Vinestock Wine & Arts Festival will be from 10am-4pm at Kirchner Park. There will be a \$10 fee that includes your own personal tasting glass. We're anticipating over 80 vendors, including wine and beer tasting, food, crafts, arts, desserts, lotions, candles, as well as items for the home and yard. Patrons will also get to enjoy LIVE music in the park during the festival. If you'd like to be a vendor at this year's Vinestock Festival, contact Spencer Radio Group Local Sales Manager, Stephanie Heide at 712-262-1240 to reserve your booth space.

Wailers Concert on Preservation Plaza July 25

Preservation Plaza will be the site for the Wailers concert on July 25th at 7:30 pm for another great concert, sponsored by Vugteveen Lawn Service. This will be an exciting night filled with great reggae music. Together with Bob Marley, the Wailers have sold in excess of 250 million albums worldwide. In England alone, they've notched up over twenty chart hits, including seven Top 10 entries. Outside of their groundbreaking work with Marley, the Wailers have also played or performed with international acts like Sting, the Fugees, Stevie Wonder, Carlos Santana, and Alpha Blondy, as well as reggae legends such as Peter Tosh, Bunny Wailer, and Burning Spear. Their most recent collaborators include Kenny Chesney, Eve, Jason Mraz and Colbie Caillat.

As the greatest living exponents of Jamaica's reggae tradition, the Wailers have completed innumerable other tours, playing to an estimated 24 million people across the globe. They have also been the first reggae band to tour new territories on many occasions, including Africa and the Far East.

Thank you to Vugteveen Lawn Service for bringing the Wailers to Preservation Plaza on July 25th to continue celebrating 125 years at Arnolds Park Amusement Park.

All the 2015 Live at the Lake concerts are FREE to the public. Don't forget your lawn chair because this is one concert you don't want to miss!

The next concert on August 1st will be Massive Brass Attack sponsored by Arrowwood Resort and Conference Center, Bridges Bay Resort, and Okoboji Entrepreneurial Institute.

For a full list of the 2015 Live At The Lake concert schedule, go to ArnoldsPark.com.

Diabetic Support Group Meeting

The Spirit Lake area Diabetic Support Group will meet Monday, August 3, 2015, at 7:00pm. Diabetes is a controllable disease with education on the importance of how and why of caring for the body. Knowledge is power that motivates steps taken to a healthier attitude and body. With the power of knowledge, diabetes care can be focused on inspiring, encouraging, and making life better while "taking over the management of the pancreas".
The local diabetic support group meeting led by local patient facilitator, Marcia Young, is open to anyone dealing with diabetes, spouse, family members, or friend.
The presentation will be held on Monday, August 3, 2015, at 7:00pm in the Big Spirit Room in Lakes Regional Healthcare's Education Center, on the hospital's lower level. Admission is free.

Making Waves For Children

Fighting cancer or battling an illness can be difficult at any age but can be especially difficult for children and their families. Arnolds Park Amusement Park, Blink Marketing, Arrowwood Resort & Conference Center, Bridges Bay, Clary Lake Service, Piccadilly Pizza, Sanford Children's Hospital out of Sioux Falls, SD, and The Strand - Stephanie Parks, have all come together to provide children from Sanford Children's Hospital, and their families, a much needed break by offering a weekend getaway at beautiful Lake Okoboji.
"We all believed offering a program like "Making Waves for Children" in Okoboji would be an excellent way to truly give back specifically to these children and their families. Lake Okoboji has so many amenities to offer, and since we are located so close to Sioux Falls, the trip is obtainable for the families," said Di Lorenzen, Marketing Director at Arnolds Park Amusement Park.
The children from Sanford Children's Hospital came with their families to Okoboji Sunday, July 19th for a kickoff party that included enjoying Bridges Bay Waterpark sponsored by Arrowwood Resort and Conference Center, free Piccadilly Pizza sponsored by LandMark products and for a meet and greet with all the other families.
Monday morning, July 20, the families enjoyed the day at Arnolds Park Amusement Park, a BBQ lunch sponsored by Clary Lake Service and an excursion boat ride on the Queen II and carnival, also sponsored by Clary Lake Service, in the Majestic Pavilion with a handful of prizes to win.
"We are pleased to have the opportunity to work with Arnolds Park Amusement Park, Arrowwood Resort and Conference Center and Blink Marketing on the "Making Waves for Children" event. I am grateful we have the chance to provide such a wonderful event like this to the patients and families of Sanford Children's Hospital," said Erin Rohrer, Program Director for Sanford Children's Miracle Network & Cure Kids Cancer - Eastern South Dakota.
If you would like more information about this topic, would like to help or sponsor next year or to schedule an interview, please call Blink Marketing at 712-332-2151 or email JillHarms@blink26.com.

Edwin Jacob Mulder was born June 19, 1933, near Carnes, Iowa, the son of Cornie and Fannie (Tromp) Mulder. He was first educated in a country school near Carnes before graduating from LeMars High School. He then attended, and graduated from, Iowa State University.

Ed enlisted in the US Army on March 24, 1954, serving during the Korean Conflict until he received his Honorable Discharge on December 23, 1955. Ed was united in marriage to Wanda Mullenburg in 1954 and were blessed with four children, Luann, Tom, Jerry and Bill. They made their home in State Center, Spencer and Des Moines, Iowa, as well as Hutchinson, Kansas and Plainview, Texas. In 1991, the couple moved to Spirit Lake, celebrating fifty-one years of marriage until her death in 2005. Ed joined Deloris Tonsfeldt in marriage in 2009, and continued to reside in Spirit Lake.

Ed was a member of First Presbyterian Church in Spirit Lake. He was also a member of Civitan International, serving as the Governor of the Oklahoma-Kansas District, when he was in Kansas.

Ed began his career teaching vocational agriculture at State Center and then Spencer, Iowa. He then joined Pioneer Hi-Bred International, working in upper management for the next twenty-eight years. In retirement, he enjoyed repairing, restoring and refinishing old furniture. He equally enjoyed a good sense of humor and a positive outlook on life. Ed died Friday, July 10, 2015, at Lakes Regional Healthcare in Spirit Lake at eighty-two years of age.

Summer still sizzles!

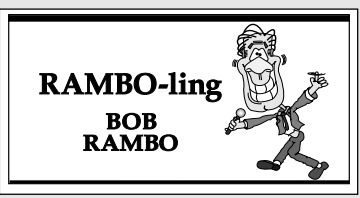

While we've enjoyed a most-sizzling summer in recent weeks, Professor A. Good Outlook's forecast is for cooler, more enjoyable temperatures and lower humidity this week. Amen.

We do expect things to heat up, however, when the *Jazzed Up Big Band of Okoboji* takes the Majestic Pavilion stage, tonight, at Arnolds Park, starting at 7:00; and Glenn Henriksen puts on the first of his two shows of the week at his place across from the former Presbyterian church, on Highways 9 & 71 in Spirit Lake...

Wednesday night will see *Daybreak* performing from 7 - 9:00 at Table 316, in Arnolds Park, while just down the road a bit, the free outdoor movie in Preservation Plaza at Arnolds Park Amusement Park will be Walt Disney's *Frozen*, starting at dusk...

Singer-songwriter Steven Michael is the star of this week's Thursday night *Music on the Square* in Estherville. Michael will perform in Library Square from 5 - 7:00; while Jack Ryan and Friends will be performing from 6 - 8:00 at the Spencer Farmers' Market, on the Courthouse lawn in Spencer...

Thursday night will also see *The Castles* and *The Expressions* on stage as part of the *Iowa Rock 'n' Roll Music Association's Rock The Roof* summer concert series in the Roof Garden at Arnolds Park; and Charlie Leissler on stage, in the barn, at the Little Swan Lake Winery, from 6 - 8:00...

Boji Bay Fun House and Pavilion in Milford plans to rock the Fun House with *Massive Brass Attack*, outdoors or inside, Friday night, from 7 - 10:00. Billed as having the "biggest, and baddest horns in the region," *MBA* features at least two well-known area players, Brian Moore and Ken Hoyne...

The Wailers will appear on stage in Preservation Plaza starting about 7:30, Saturday night. And adding to the Saturday night fun will be the Pearson Lakes Art Center's 50th anniversary "Bop 'til you drop," Sock Hop, which will kick off at 7:00...

Bill Carpenter will be featured (again) during the Diamond Lady's Saturday night sunset cruise, from 7 - 10:00...

Sunday will see Ryan Sather joined by Adam Layman, on the stage in the barn at the Little Swan Lake Winery, from 4 - 6:00...

And, of course, the *Dick Bauman Big Band* is to be back at the Pearson Lakes Art Center, Monday night, from 7 - 9:00...

Mark your calendar now for Spencer's annual Arts On Grand Backyard *Bach and Blues Festival*, Saturday night, August 8th, when Damon Dotson will be the featured entertainer...

It isn't often that serious dramas like *To Kill a Mockingbird* are produced in rural Iowa. The glitzy musicals, comedies and farces usually outsell the more important works -- especially in a resort area where most people are looking for fun.

Set in a fictional Alabama community during the Great Depression, Harper Lee's 1960 novel that deals with social injustice was produced for the motion picture screen just shy of three years after the book was released.

The movie starred Gregory Peck. Then just 10 years old, Mary Badham portrayed Peck's daughter Jean Louise 'Scout' Finch, and earned an Academy Award nomination as Best Supporting Actress in her debut role. (The award that year went to another child actress, Patty Duke, for her role in *The Miracle Worker*.)

Mary Badham, now and then...

We mention all this as *...Mockingbird* opens tonight and continues through Sunday at the Okoboji Summer Theatre. And Mary Badham will become part of the Friday night presentation.

Badham will be available for a meet and greet session inside the theatre, from 5:30 - 7:00, Friday night; then again, from 7:15 to 8:00 on the Weaver Patio.

Following the Friday performance, Badham will also join the cast on stage for a talk back -- similar to what the OST did for many years.

We expect the actress will be subjected to a wide range of questions -- everything from what it was like for a 10-year-old to work with Gregory Peck, to what it was like to have become a part of cogent social commentary at a very young age. It should be an interesting night.

In recent weeks Badham has been the subject of several interviews, worldwide, in regard to the recent release of Lee's earlier novel, *Go Set a Watchman*.

We should note, too, that the OST is making a limited number of *...Mockingbird* tickets available to area high school students throughout the week as seats are available. Interested students should call the OST box office for details...

You are invited to join the *Old Professor for Ballads, Blues and Big Bands*, too, at *Class 105, The LIVE Broadcast from the College of Musical Knowledge at the University of Okoboji*. *Class 105... airs Sunday mornings from eight 'til noon, on 105.7, KRAQ-FM.*

LETTERS TO THE EDITOR

To The Editor:
With gratitude we thank these businesses and individuals for a successful Veterans Salute at the Lakes Area Senior Center: Hy-Vee, Fareway, Silver and Gold, Ace Hardware, Ms. Margies Flower Shop, Bam'd Sales, Pizza Ranch, Ailene Gray, Stan Tripp, Elaine Kieter, Glenda and Maury Kruckenberg, Orville Berg, Ray Miller, Sue Johnson, Rick Stransky and members of the Senior Center Board. We are also grateful for the people volunteering and contributing food.

This event was made possible because of the community's support and donations of food, door prizes and money.

Special recognition was given to the oldest veteran attending, age 93. A quilt made by the Senior Center Craft Ladies was presented to him. A short program honoring all branches of the service was enjoyed by all.

The Lakes Area Senior Center would like to remain a presence in the lakes area, as our facility has a lot to offer. These things are on our wish list:

- New board members and volunteers needed
- Encourage card groups to meet at the center on a regular basis.
- If interested, inquire at 712-336-5247.
- More rentals for all occasions.
- Possibility of vendor fairs.
- Bingo on a regular basis.

If any of these ideas are of interest to you, please visit the Senior Center or give us a call at 712-336-5247.

Gooch And The Guys At The Inn

Gooch and The Guys will be at The Inn on July 29 in the Lake View Room 7:00 – 9:30pm. Tickets are \$10.

Michael "Gooch" Gurciullo started playing trumpet at 9 years old. His musical journey has taken him from Australia to Europe and many locations in between. He studied music at the prestigious North Texas State University, considered by many to be the "Harvard" of music schools.

Gooch worked the Las Vegas Strip for 15 years where he performed at most of the major showrooms with the various headliners. His last job was the lead/jazz trumpet chair for Wayne Newton. In 2004, Gooch also founded the Las Vegas Big Band. He assembled the top-call players with him on Monday nights to bring some of the hottest big band jazz to the Las Vegas scene.

In 2008, Gooch returned to his hometown, Omaha, and reassembled the Las Vegas Big Band with the finest players in the area. They perform every Monday night at Anthony's Steakhouse. Their first CD was released in 2011. It was entitled, "The Other Half of Me." They have a second CD release due out in June 2015. It is entitled, "Start of Something Big."

For more information on Gooch and his band visit the website GoochBigBand.com

Dan Cerveney has been a much "in demand" keyboardist for over 30 years. Known for his ability to play in different musical styles he has performed with such notable and diverse artists as Bo Diddley, Wayne Newton, Chris Isaac, Neal McCoy, the Omaha Symphony, the USAF Heartland of America Band and has worked with most of the Midwest's great musicians like Michael "Gooch" Gurciullo, Joey Gulizia, Matt Wallace, Susie Thorne, Jimmy Weber, and Billy McGuigan and bands as varied as "The Continentals" (R&B), "Blue House" (Blues), and Omaha's "Las Vegas Big Band" (Big Band Swing) and many great jazz soloists and vocalists. He recently had one of his songs recorded by 3 time Grammy nominee, jazz vocalist, Karrin Allyson on her Holiday CD called "Yuletide Hideaway".

Cost Share Available For Conservation In Dickinson County

Dickinson Soil and Water Conservation District Chair, Chris Hoffman, announced today that funds are available to help local farmers and landowners install conservation practices through the Iowa Department of Agriculture and Land Stewardship (IDALS) cost share program. Interested farmers and landowners should contact the Dickinson district office by calling 712-336-3782, Ext 3. Financial assistance is available up to 50% percent of the project cost.

"The cost share program is a partnership between the District and local landowners to help get conservation practices on the land that prevent soil erosion and protect water quality. Now is the time for farmers to plan ahead," said Chris Hoffman.

This year the District will also encourage cover crops, and related management practices such as No-Till and Nitrification Inhibitors. A major portion of the District's state funds will be allocated for these practices.

Other conservation practices eligible for assistance through this program include terraces, waterways, ponds, buffers, and several other practices.

The Dickinson Staff with IDALS and the USDA Natural Resources Conservation Service assure the technical quality of the practices and further, help farmers develop conservation plans for their farms.

"These funds are a great investment by the state and historically, farmers contribute \$ 1.50 for each dollar invested by the state. There continues to be strong interest in the cost share program. Since there are funds available, farmers are encouraged to contact our office to discuss various options for their farm," Hoffman further commented.

Miracle Burn Camp Observes 20th Anniversary At Camp Foster

Pediatric burn survivors get the camp experience.

Miracle Burn Camp, a week-long camp for children who have experienced a traumatic burn injury, celebrated its 20th anniversary on Friday, July 17. The celebration included a welcome dinner, carnival, and campfire. Family members and sponsors joined campers during the anniversary celebration.

Miracle Burn Camp is sponsored by the Burn Treatment Center at University of Iowa Children's Hospital, the St. Florian Fire and Burn Foundation and Camp Foster YMCA of the Okobojis. It is provided at no cost for pediatric burn survivors ages 8 to 18.

"Summer at the Camp Foster YMCA is always a magical time, but I am always so inspired during the week of the Miracle Burn Camp," said YMCA of the Okobojis CEO Norm Johnson. "It really emphasizes the fact that you can really be yourself at Camp with no fear of judgment – and I believe that is something that we should strive for in our everyday lives."

The goals of Miracle Burn Camp are:

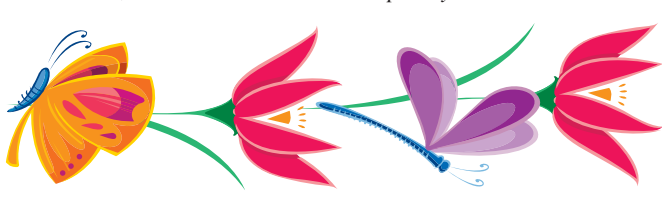

- 1) To provide pediatric burn survivors a fun camp experience while giving them opportunities to have a sense of accomplishment.
- 2) To allow interactions between pediatric burn survivors and burn center staff away from the stresses of the hospital.
- 3) To introduce the burn survivors to one another and provide the opportunity for survivors to spend time with others who have had similar experiences.

"This partnership, created two decades ago, has made a lasting impact on the survivors and many YMCA staff including myself," said Josh Carr, Camp Foster YMCA Director. "I owe much of the power behind my passion to the strength and courage of these brave kids."

The UI Children's Hospital's Burn Treatment Center teamed up with St. Florian Fire and Burn Foundation in 1997 to create Miracle Burn Camp. The camp is staffed with Burn Camp counselors in every cabin, made up of professionals from the UI Burn Treatment Center, fire service professionals and adult burn survivors.

Miracle Burn Camp is one of the more than 40 Burn Camps in the U.S. and Canada. It is the only Burn Camp where burn survivors attend together with children who have not suffered a burn injury. The burn survivors are in a cabin with only burn survivors – and so have the comfort and safety of that support – and they are also able to have fun with their peers in a supportive environment.

For more information: Contact Alison Pauley, Miracle Burn Camp Co-Director, at 319-330-0225 or alison-pauley@uiowa.edu.

Talk On Patriotism Ends With Surprise

What is your definition of "patriotism"? In a presentation on that topic at the July 14 meeting of the Daughters of the American Revolution, DAR member Charlene Thomsen quoted Webster's Dictionary and Wikipedia:

"Love, devotion, support, defense of one's country. National loyalty. Generally speaking, it is a cultural attachment of one's homeland, or deep devotion to one's country. A patriotic song with a strong content causes people to rise to standing. Patriotic people also stand when their flag passes by in a parade or is presented in an event. Hats and caps are removed. We celebrate Memorial Day and Independence Day now mainly called 'the Fourth of July!'"

While voting is important, she remarked that it is not necessarily based on patriotism since there are many underlying reasons why voters choose a certain candidate.

At the conclusion of her talk, Mrs. Thomsen commented "Call it patriotism, freedom or liberty, it's the bedrock of caring for our town, our state, our country. And I know of no more patriotic person than the Regent of the Ladies of the Lake Chapter of the Daughters of the American Revolution, Colleen Lemkuil, Mrs. Stanley Lemkuil of Spirit Lake."

With this tribute, she presented Regent Lemkuil with an unusual gift – a reverse tinsel painting on glass of the DAR symbol. Mrs. Thomsen explained that this craft was very crude in the early 1800s but by 1850, tinsel paintings were very ornate. Modern versions may be obtained from the Alumna Art Co. of Bergenfield, New York.

After expressing her surprise and appreciation, Regent Lemkuil urged members and guests to take part in the Lake Park Parade on August 1. Participants should gather at 8:30am. For information, contact stancolleen37@gmail.com. In conjunction with the national project to honor Vietnam veterans, Veteran Gerry Phipps, Spirit Lake, husband of DAR member Pat Phipps, will carry the special DAR /Vietnam Flag.

Carstens Recognized at Annexus® Inner Circle Network Event

Kirt Carstens, president of Carstens Financial Group, attended the Annexus Success Academy held June 26 and 27, 2015, in Scottsdale, Arizona. The two-day event served as training for high-level financial strategies including Social Security, income planning and lowering risk in retirement portfolios. The Annexus-hosted event included speakers from reputable companies such as Nationwide and J.P. Morgan.

Carstens was featured on an agent panel, which comprised of Annexus Inner Circle top producers. The Inner Circle is reserved for the top 150 financial professionals representing Annexus. He discussed best practices for advisors in the retirement market and was commended for his success in his Iowa marketplace.

"It's always an honor to be part of the Annexus Inner Circle. It's nice to know my hard work pays off in a way that benefits my clients," Carstens said. "Doing my job allows me to help them reach their goals of a comfortable retirement. They feel confident and I'm thrilled to have helped them get there. Being part of the Inner Circle gives me access to some of the top minds in the industry, which gives me ideas on how to better serve my clients."

Annexus provides retirement planning income strategies using innovative technology to enhance product performance. Annexus is unique in that it hand-picks 5,000 out of 400,000 financial professionals worldwide to represent the company. Of the 5,000, only 150 succeed in reaching the Annexus Inner Circle, which the company reserves for its "best of the best."

To qualify as the "best of the best," Carstens had to achieve production goals in his business. As part of the Annexus Inner Circle, Carstens has earned exclusive access to benefits and programs hosted all over the world.

Carstens, a long-time resident of the Iowa Great Lakes region, has been offering financial services to area residents since 1991. His full-service business specializes in providing asset management, estate planning, and life insurance strategies for retirees and pre-retirees. Backpacking Adventure Camp

Hiking, cooking over an open fire, camping – children who learn these backpacking skills will be able to use them for the rest of their lives.

Dickinson County Conservation invites children ages 10-12 to take part in a three-day Backpacking Adventure camp August 10-12.

The first day of camp, kids will spend time at the Dickinson County Nature Center learning some backpacking, outdoor and survival skills. A snack will be provided during the 9:00am – 2:00pm session; campers just need to bring a sack lunch.

Then everyone will test their adeptness during a supervised backpacking overnight trip at two Dickinson County Conservation Board Milford parks. Parents will drop campers off at 9:00am on August 11, at the board's newest area at the corner of County Road A34 and 195th Avenue, and the hike will proceed through the park into the Horseshoe Bend Wildlife Area, where campers will spend the night tent camping. Parents will pick up the following day at noon at the far east entrance of Judd Wildlife Area, located at 1987 250th St., Milford.

Backpacking Adventure costs \$130 for Conservation Foundation of Dickinson County members or \$150 for non-members, and the price includes a T-shirt as well as meals during the overnight trip. Register online at www.dickinsoncountynaturecenter.com/event-registration by July 28.

A minimum of five children are needed for the camp to be held, and the maximum is set at 15 campers.

Okoboji Summer Theatre Presents "To Kill a Mockingbird"

The Okoboji Summer Theatre is pleased to present the American classic, "To Kill a Mockingbird" by Harper Lee, adapted by Christopher Sergel. The production runs from Tuesday, July 21 through Sunday, July 26, Okoboji Summer Theatre, 2001 Highway 71 North, Okoboji, Iowa. This week's show is generously sponsored by the Okoboji Summer Theatre Association, Steven J. Graeber, and the Glass Family.

Mary Badham, the actress who played Scout in the original 1962 film, will be at the theatre on Friday, July 24.

Special guest, Mary Badham, who played "Scout" in the movie version of "To Kill a Mockingbird" with Gregory Peck, will be at the theatre prior to the show, Friday, July 24, speaking about the film's message of social justice and her experiences with the film's impact. Ms Badham will also do a talk back after the show. Mary Badham's appearance is being sponsored by a grant from Humanities Iowa and National Endowment for the Humanities. Badham, who splits her time between homes in Allentown and Virginia, travels the country promoting the message of the play and movie based on Harper Lee's 1960 Pulitzer Prize-winning book. The book recounts the story of the young girl whose lawyer father, Atticus Finch, agrees to defend a black man falsely accused of raping a white woman in 1935 Alabama.

The opportunity to have Mary Badham in person at this time is very relevant, with the social/cultural/racism discussion happening in the country. It is also very timely with the recent release of Harper Lee's book "Go Set a Watchman," the follow-up to Lee's 1960 Pulitzer Prize-winning novel "To Kill a Mockingbird."

"To Kill a Mockingbird," a timeless tale, this beloved Pulitzer Prize winner lights up the OST stage, having been last on the OST stage in 1999. Set in the Deep South during the Great Depression, To Kill a Mockingbird follows Scout and Jem Finch as their father, Atticus, defends an innocent man against racial injustice. With moral courage and compassion, he brings hope and healing to a community in turmoil. As important now as ever, Mockingbird is a poignant and moving tale that has lessons for all of us.

Dr. Gail Humphries Mardirosian, Co-Artistic Director and Dean of the School of Performing Arts at Stephens College, makes her OST directing debut with the show. Mardirosian has directed all over the world (Russia, Czech Republic, Greece) and for many years was a professor of theatre and chair of performing arts at American University in Washington DC. Her new book, Arts Integration in Education: Teachers and Teaching Artists as Agents of Change will be published in December. The cast welcomes several professional actors including Jay Huguley from Los Angeles, Ryan Burke from Washington DC, and Okoboji veteran Rob Doyen, along with a company of students from Stephens College.

Special Ticket Discounts: Two students, 13 and above (including college students), will be admitted for the regular price of one on Wednesday and Thursday evenings. Two senior citizens, age 60 or older, will be admitted for the price of one on Saturday matinees (4:30pm) and Sunday evenings (6:00pm). All Saturday evening (8:00pm) performances are now available at the two-for-one ticket price for all ages. All Active and Reserve military may purchase two-for-one tickets for any 8:00pm performance.

Free babysitting during the Friday night show. Call the Box Office to reserve a spot for your child.

Raising Awareness, Raising Funds, Raising Heart Rates

Paul Golke's 100 Mile Bike-a-Thon Challenge For Camp Okoboji

Paul Golke joined the Camp Okoboji staff two years ago, as its Ministry Advancement Director. He is also an avid bike rider. Part of his position is to raise awareness of camp needs and fund funding for them.

This week, he is rolling several of those aspects into one cause... A 100 mile bike-a-thon type of challenge to raise funds for their "Discover" building project to replace two older buildings. He will be participating in RAGBRAI and doing the 100 mile Karras Loop portion on July 21. Paul wants to thank the staff at Okoboji Expedition Bike Shop, Thrivent Financial, and all his sponsoring for their support.

By the way, the heart rate portion of this challenge is that Paul is also a heart attack survivor of 3 years. His recovery has been an inspiration to many. Paul is a strong advocate of heeding the warning signs of a heart attack and heart disease prevention.

If you would like to support or join with Paul in his challenge, please do so by going to the camp website: campokoboji.org; contact the camp: 712-337-3325 or email paul@campokoboji.org.

"Discover CAMPAIGN OKOBOJI" has been chosen as the theme for this fundraising campaign. The Discover building will provide a state-of-the-art activity center for guests to meet and to experience a variety of experiential and interactive programs. Staff housing will also be incorporated at a future time as funding permits. Camp Okoboji is excited to offer a future vision for the next generation of campers and guests.

Camp Okoboji has served the lakes area for 75 years. An outdoor ministry site of the Lutheran Church – Missouri Synod; Camp Okoboji offers summer programs for youth and families, as well as retreats year-round. The camp is nearly surrounded by the waters of Little Emerson Bay and Breezy Point. This unique setting provides many opportunities for relaxing and enjoying God's creation. Its numerous cabins and lodges can accommodate nearly any size family, group and/or organization. Come and experience Jesus at the Lake.

Green Thumbs and Wine Makers at the 2015 Clay County Fair

Green thumbs and wine makers will have a great year of competition at this year's Clay County Fair, September 12-20.

"We are asking fairgoers to 'Take It All In' this year," said CCF Manager Jeremy Parsons, "and one of the most important things to 'take in' is the competitive agriculture departments. Everyone, no matter where you live, can win a blue ribbon at the Clay County Fair."

The agriculture department receives hundreds of entries each year, but you do not need years of experience to enter. Anyone who grows fruits and vegetables, including the container gardener, can enter in the Fair. According to the Agriculture Superintendent Jerry Greenwald, the judges look for many different things. "No spots on tomatoes and they need to be fresh. You don't want your items to be over mature and past the stage of when you want to eat them. If you are exhibiting in a class that requires more than one item in the exhibit, the judge looks for uniformity," he said.

Two more fun classes in the agriculture department are the garden scarecrow contest and the yard people contest. All ages can enter their creations of "outdoor people."

The country wine competition has been steadily growing over the years. Exhibitors have the chance to enter in ten different categories including grape, fruit, vegetable and wild fruit wine.

View the exhibitor handbooks online at www.claycountyfair.com to find the rules and guidelines to enter your fruits, vegetables and wine at the fair. Entry times for the agriculture department are Thursday, September 10 from 5:00-8:00pm and Friday, September 11 from 8:00am-5:00pm. Entry times for the country wine department are from 1:00-5:00pm on Friday, September 11.

"Take It All In" September 12-20, 2015 at the Clay County Fair in Spencer, Iowa. Known as "The World's Greatest Country Fair" since 1917, the fair attracts more than 300,000 people each September for world-class grandstand events, daily livestock and horse shows, more than \$140,000 in free entertainment, thousands of competitive exhibits, the thrilling GoldStar Amusements Midway, every imaginable type of fair food, hundreds of commercial vendors and the largest farm machinery show at any fair in the United States. For more information, visit www.claycountyfair.com.

LETTERS TO THE EDITOR

To The Editor:

I want to thank everyone who came out to watch the 4th of July fireworks, held picnics, and enjoyed the day with friends and family. I also want to thank all of the fireworks sponsors and those that helped put it together and help make the event safe and fun. I am a huge patriot so July 4th is a special day for me and I have told you before that one goal I have as Mayor is to get friends and family together and enjoy our town. If you enjoyed them and want to see Milford continue the fireworks display next year, please let one of the City officials know or send an email to info@milford.ia.us.

You will all be getting a "city survey" in the mail very soon. Please take the time to fill it out and send it back in as the City Council along with the Administrator and myself really want to know how we are doing from your perspective and what your thoughts are on each of the questions asked in the survey.

Our parks Department and Park Board are doing a great job of adding new equipment and continue making plans to improve the parks. We are installing new playground equipment in Florence Park this week, added Frisbee Golf to Calkins Park, and recently put new equipment at Buchanan Park! Milford has several great parks and I hope everyone gets out and enjoys them. With that said, people renting the shelters or just gathering are not doing a great job of picking up after themselves. We provide dog bags for dog waste yet we see it all over the grounds. There are garbage cans available so please use them. Please, please pick after your pets and yourselves. We don't need kids stepping in dog waste and people leaving our beautiful parks with trash. Please get out and enjoy all Milford offers, just take care of it and keep it clean! And please watch out for kids/people destroying things or pulling out the flowers. It is expensive to maintain the parks and keep them in good shape. Thank you for understanding and I appreciate your help with this. They are your parks, please enjoy and take care of them!!

Also, Pioneer Days are right around the corner. I'm excited to enjoy the activities this year! I know we could use more volunteers and I appreciate all of you that do volunteer. If you want to know how you can help, contact Dawn Powell and the Commercial Club or call the City office and we can direct you. Milford is a great city and we are excited about trying out some new events to draw business to Milford and provide entertaining things to do for our citizens. If there is anything you would like to see happen in Milford, contact me or City Hall. Thank you and have a wonderful summer!

Okoboji Christian Women's Prayer Connection

All women in the lakes area are invited to Okoboji Christian Women's Prayers Connection. Come to Perkins on Wednesday, July 29, at 12:00pm. Each one pays for her own lunch.

Annual U Of O Open Water Swim

The Bedell Family YMCA will again coordinate the U of O Open Water Swim. This year's swim is August 1.

Swimmers are required to arrange their own escort (a boat and paddler). If they do not have access to an escort, they may purchase this service from the event organizers for an additional fee. Swimmers must be at least 13 years of age by the day of the swim.

Spirit Lake Library News

Spirit Lake Public Library Hosts Children's Author
Looking for a great book to read with your grandkids? Spirit Lake Public Library is hosting children's author, Marie Senter, on July 28 at 1:00. Marie is the author of a mystery trilogy titled "Trestle Over No Name Creek".

In Marie C. Senter's percolator brain, some of 'some of' everyday happenings bubble into not-so-ordinary adventures. Her ability to blend childhood events she lived through with old headlines and stories shared by others created a believable world junior high kids mighta', maybe, coulda' survived in 1960.

"Frank, a dark-skinned old man, is found dead in No Name Creek under the railroad trestle. The local small town kids unravel the mysteries surrounding the old man they called "Friend." In the 1960s, the idea of a friend over 30, a grown-up they could call by first name, a friend with no last name who liked to visit and teach them interesting stuff was reactionary—and now he was dead! The grown-ups ignored him. No one knew or cared who he was except the kids. Surviving life controlled by rigid codes of conduct, every move monitored by grown-ups (and the local tattle-tale cop), the junior high kids gather in the back booth of the local Drug Store n Soda Fountain Shop after school to share accumulated clues. They form the Meanderthaller gang and set out to uncover the truth. Was Frank's death an accident, as the grownups prefer to think, or was Frank's death a murder?" (taken from book jacket).

The books are available at the Spirit Lake Public Library. Make sure to stop in and meet Marie on July 28 at 1:00!

New DAR Members, New Activities

The introduction of new and pending members was a highlight of the Ladies of the Lake, DAR, meeting on July 14. Registrar Bobbie Lea Holden, Arnolds Park, recently won a Daughters of the American Revolution Award for her successful research in documenting so many candidates for membership. The chapter serves all of Northwest Iowa.

Those who will be inducted at future meetings are Dian Steele, Spirit Lake; Bonnie Kubrick, Spencer, and her sister, Kristie Meyer, Paulina; Tanna Lair, Estherville, daughter of longtime member Wanda Merrill; and Marjorie "Margo" Sievers of Arnolds Park and Rembrandt.

New members who are not local residents but who annually visit family in the lakes area and can attend meetings are Trista Avila and her mother, Cynthia Hernandez of Taylor, TX; Janet Lorraine Blumenthal, Rapids City, S.D.; sister of Dian Steele; and Laura Boreen of Arizona, granddaughter of Vice Regent Ruth Ann Van Donstear, Milford. She will be inducted on August 1.

Other new members, Rita Brockshus, Spirit Lake; Marilyn Rowe, Huntington Beach, CA, who has a summer home here and Poke Jensen, Spirit Lake, were inducted in May and June respectively.

Women whose applications are in process include Janell Holstad, Spencer; Sharon Godfrey, Cherokee; Vera Verdorn, daughter of longtime member Anne Boonestro, Okoboji, and Anne's three granddaughters: Priscilla Verdorn Gammon, Jillian Verdorn Olson, and Gina Verdorn; Jeanne Hanby and her daughter, Diana Sanders, Spirit Lake, and granddaughter Moya Saunders, Lake Tahoe, CA, also Kim Weaver, Sheldon.

The program was the enactment of the life of a 1880 founder of the DAR, Margo Sievers, Arnolds Park, based her dramatic presentation on the book "Indomitable Spirit: The Life of Ellen Hardin Walworth" by Patricia Joy Simkovich.

In other action, Regent Colleen Lemkuil announced upcoming DAR events:

Economic Development Leaders Serving Iowa Lakes Region

Honored For Spurring Economic Growth, Creating Jobs In Northwest Iowa

The Iowa Lakes Corridor Development Corporation is being honored with Iowa Farm Bureau's second 'Inspiring Community Growth Award' for its efforts growing existing businesses and fostering entrepreneurial development in the Iowa Great Lakes region. The Iowa Lakes Corridor Development Corporation is the regional economic development agency for Buena Vista, Clay, Dickinson, and Emmet Counties and has played an instrumental role in the area's economic vitality.

"The Iowa Lakes Corridor Development Corporation is a great success story for economic development in northwest Iowa," said Iowa Farm Bureau Federation (IFBF) Economic Development Administrator Sandy Ehrig. "From helping youth understand and appreciate entrepreneurship and business development to helping executives take the next steps to grow their business, the Iowa Lakes Corridor Development Corporation is a valuable asset to the four-county region."

The four-county Iowa Lakes Corridor features a blend of commerce, recreation and leisure, culture, education, and hospitality. The organization provides guidance and training to individuals as young as middle school students to executive-level professionals serving as company presidents and CEOs.

The Iowa Lakes Corridor Development Corporation, formerly the Great Lakes Corridor of Opportunity, was organized in 1992 to foster, encourage, promote, assist, and aid economic growth and development in the Iowa Lakes area. Their success in growing the local economy has been nothing short of remarkable.

Since 1999, the Iowa Lakes Corridor Development Corporation has been responsible for over 3,000 new jobs, the retention of 1,100 jobs, the addition of 40 new companies, and have completed 84 projects. Additionally, the Iowa Lakes Corridor Development Corporation has assisted over 760 students with entrepreneurial training, involved more than 1,000 students in Junior Achievement programs, and held countless regional events promoting professional growth and career opportunities.

"In May, the Iowa Lakes Corridor Development Corporation co-hosted a very successful seminar, "A Journey to Your Vision," with the Iowa Farm Bureau's Renew Rural Iowa program, and some great connections were made and ideas shared," said Kiley Miller, president and CEO, Iowa Lakes Corridor Development Corporation. "There is no doubt that the seminar helped spark economic growth in the four-county Lakes Region, and that is what it takes to keep rural Iowa prosperous."

The next Renew Rural Iowa "A Journey to Your Vision" seminar takes place September 3 in Dubuque. The seminar helps business leaders tap into expertise, recognize their top five challenges, complete a business model for growth and tap into resources that can take them to the "next level" of success.

Additionally, in cooperation with the Okoboji Entrepreneurial Institute, Renew Rural Iowa is hosting the "Rural Innovators Meetup" on Thursday, August 6, from 6:30-9:30 p.m. Hosted at Okoboji Boat Works, 1401 Lake Shore Drive, Okoboji, Iowa 51355, attendees will hear from an inspiring panel and enjoy food, drinks, and a boat ride.

"Renew Rural Iowa is all about helping small businesses grow and thrive in rural Iowa because we know how vital they are to the sustainability of our rural communities," says Ehrig. Farm Bureau's Renew Rural Iowa program has helped more than 2,800 Iowans successfully own and grow their business since the program launched in 2006. More than 38 RRIA seminars have been held around the state since the program began, connecting entrepreneurs, business leader mentors and finance opportunities. For more information on upcoming seminars or for more information on Renew Rural Iowa, call 800-254-9670 or go to www.renewruraliowa.com.

LRH Provides Tips To Prevent Heat Related Illnesses

For many, summertime in the Iowa Great Lakes is synonymous with a fun time enjoying the outdoors and warm weather. However, when the temperatures and humidity levels rise, it can be harder to sweat, which is the body's way of cooling off - and eventually result in heat exhaustion, heatstroke, or heat cramps. According to Lakes Regional Healthcare (LRH) Mobile Intensive Care Services Supervisor Chris Yungbluth, the best defense is prevention. He said staying cool and hydrated and replacing lost electrolytes are of utmost importance and gave the following tips to prevent heat related illnesses:

- Drink more fluids, regardless of activity level. Don't wait until you're thirsty, because once you are, you're already dehydrated.
- Don't drink liquids that contain alcohol or large amounts of sugar or caffeine. These actually cause you to lose more body fluid. Also, avoid very cold drinks, because they can cause stomach cramps.
- Stay indoors and, if at all possible, stay in an air-conditioned place. If your home does not have air conditioning, go to the shopping mall or public library. Even a few hours spent in air conditioning can help your body stay cooler when you go back into the heat.
- Electric fans may provide comfort, but when the temperature is in the high 90s, fans will not prevent heat-related illness. Take a cool shower or bath, or move to an air-conditioned place for a much better way to cool off.
- Wear lightweight, light-colored, loose-fitting clothing.
- Limit necessary outdoor activity to morning and evening hours. Try to rest often in shady areas.
- Cut down on exercise. If you must exercise, drink two to four glasses of cool, nonalcoholic, non-caffeinated fluids each hour. A sports beverage can replace the salt and minerals you lose in sweat.
- Protect yourself from the sun by wearing a wide-brimmed hat (which will also keep you cooler) and sunglasses and by wearing UVA/UVB sunscreen of SPF 15 or higher.

Heat exhaustion, heat cramps, and heatstroke may still occur in hot, humid weather if the body has excessive loss of fluids and electrolytes from heavy sweating or even worse, becomes unable to sweat enough to lower body temperature. Yungbluth said, "Mild to moderate sweating is good because it cools the body. However, excessive sweating depletes the body of essential electrolytes, which hinders blood circulation and the ability of the brain to function."

Even without strenuous activity, you can develop a heat emergency in as little as two to three days if you do not have some way or somewhere to cool off and escape the heat and humidity. The hospital's waiting areas and dining room are available to those individuals without air conditioning who need a break from the heat and humidity.

Brownmed Selected As An Exporter Of The Year

by *Export USA Magazine*

Think Global recently recognized Brownmed as one of six 'Exporter of the Year' award winners in its most recent issue of Exporter USA magazine. Among other factors, winners were selected based on "total number of documented export deals completed... the company's commitment to exporting... and the company's innovation and originality in marketing products or services."

"We are honored to once again achieve this distinction," said Ivan Brown, President and CEO of Brownmed. "Our steadfast commitment to developing and manufacturing quality products that improve the lives of patients is one that resonates worldwide."

Currently, exports contribute approximately 20% of sales to the company and Brownmed has distribution relationships in 130 countries. Success internationally has been largely due to the strength of products like Seal-Tight, the market leader in moisture protection for casts and bandages for nearly 25 years and Plastalume, a line of splints developed and invented by the company's founder more than 50 years ago.

In addition to expanding these lines, Brownmed is actively seeking to expand distribution relationships for other brands including NuRoo, a line of products for mom and baby designed to enhance the practice and benefits of kangaroo care and IMAK Compression, a line of products featuring the only gloves on the market to receive the Ease-of-Use Commendation from the Arthritis Foundation.

Complete results of the Exporter of the Year Award winners, including company profiles and an interactive showcase can be found at www.thinkglobal.com.

About Brownmed: Brownmed is a leader in manufacturing products aimed at improving the quality of life for patients, and has been for more than 50 years. Products address a variety of ailments including arthritis relief, ergonomic comfort, carpal tunnel syndrome, plantar fasciitis, kangaroo care, vibration therapy and moisture protection for casts, wounds and bandages.

Today, Brownmed employs more than 70 people with executive offices in Boston, sales in Kansas City and an 81,000 square foot manufacturing facility in Spirit Lake, Iowa.

Brownmed is a 6-time recipient of the Inc. 5000 award, as one of the Fastest-Growing Private Companies in the United States, and manufactures and sells more than 100 different products to a worldwide market.

To inquire about becoming a distributor, please email Nancy Kennedy, Director of International Sales, at nancy.kennedy@brownmed.com or visit www.brownmed.com.

Farm Market News

by Mike Miller

Located at Dickinson Co. Fairgrounds
15th Street & Peoria Avenue Spirit Lake, IA 51360

Corn Is Here!

Welcome to Farm Market News. Last Saturday, the first truckload of corn arrived at the market. Now it is officially summertime. We are lucky to have competent growers and I pace myself with just three ears at a time. Biting into fresh picked corn is such a simple pleasure and we all look forward to eating our fill. The summer produce is now in full swing as vendors are selling tomatoes, green peppers, summer squash and a host of other delicious vegetables at peak ripeness. This would be a good time to plan for your canning and relish needs. There are many vegetable varieties to choose from and the vendors love large orders. Speaking of large orders...

A Shout Out To Local Restaurants

Why not sponsor a vendor and show local and summertime residents that you are not only a good corporate citizen, but your kitchen is all about the flavor and freshness. The easiest thing in the world is to put together a menu with local produce and fruits. In fact, I am surprised that some of the more upscale Bistros have not done it and advertised that fact; or bought flowers from the vendors who are producing such wonderful blooms. Now is the time for action and this column will be happy to give updates as they occur. It works both ways, the vendors will chat up your establishment, as well.

County Fair

The market moved outside on Saturday and will be outside again on Wednesday. It's fair time for the kids of the county. Please stop by and show support for all their hard work. My wife and I were at the horse show on Sunday and believe me, those ponies are loved. There will be a pancake and sausage breakfast on Thursday, indoors, from 6:30 to 8:00am. The breakfast supports the 4-H in Dickinson County. So, eat well with homemade sausage and pancakes.

Lakeside Invites Public To Writer-In-Residence Live Reading

Iowa Lakeside Laboratory and the Friends of Lakeside Lab are currently hosting Writers-in-Residence Adam Blake Wright (Iowa State University) and Sam Collier (University of Iowa) for three weeks each. The residency program allows undergraduate/graduate writers to work alongside scientists, students, and community members. In turn, writers-in-residence produce creative works inspired by Lakeside Lab's environmental mission.

In celebration, Lakeside Lab will host a live reading. Current writers-in-residence will present selections of their environmental writing as part of community outreach. The Live Reading will be on Thursday, July 23 (7:30pm-8:30pm in Mahan Hall). The event is a fun and free way to interact with two outstanding young writers who equally value art and science.

Writer-in-Residence Adam Blake Wright is currently a dual degree graduate student at Iowa State University, where he pursues an MFA in Creative Writing and an MS in Sustainable Agriculture. As a recent Julia Child Foundation food writing scholar, his work has appeared or is forthcoming in *Alimentum* and *Edible: Iowa*. Adam most recently served as the nonfiction editor for *Flyway: Journal of Writing and Environment*, and previously worked as an arts educator in his hometown of Asheville, North Carolina. "My work focuses on issues such as agriculture, science communication, social justice, and environmental education," Adam said. "In doing so, it is my greater hope that readers will consider their own personal connection to land, community, and family."

Writer-in-Residence Sam Collier recently completed an MFA in playwriting at the University of Iowa. Her plays have been developed and/or produced by the University of Iowa, New Ground Theatre, Horse & Cart, PTP/NYC, Theatre Nyx, and the Berlin Brandenburg International School in Berlin, Germany, and her poems have been published in *Guernica* and *Pure Francis*. Sam has taught playwriting with Young Playwrights' Theater, Imagination Stage, Indiana Repertory Theatre, and Combined Efforts Theater, and she has studied writing at the NTI Theatermakers program and the Bread Loaf Writers' Conference. "In my poetry and in my plays, I explore interactions among people, other species, and the histories that are layered into the landscape," Sam said. "I use myth, magic, and surrealism to expand our understanding of what is possible for our future as a species and as a planet."

For more information about the residencies or the Live Reading, please contact: Lisa Roti, 712-337-3669 Ext 1 or friendsoflakesidelab@gmail.com.

Farmland Leasing And Land Values

Farmland Leasing And Land Values informational workshops will be offered across northwest Iowa from July 23 through July 31. More than half of Iowa farmland is rented. In some Iowa locations, as much as 70 percent of the land is farmed by farmers who don't own the land.

In Northwest Iowa, the result is many conversations and negotiations between farmland owners and producer-tenants to determine what makes sense for farmland leases and cash rental rates.

These are just a few reasons why Iowa State University Extension and Outreach offers workshops designed to answer questions that land owners and tenants have about farmland leasing and land values. These workshops will be held across northwest Iowa counties starting July 23 through July 31.

Melissa O'Rourke, ISU Extension Farm & Agribusiness Management Specialist will present a wide range of topics related to farmland values and leasing.

O'Rourke is a licensed attorney with extensive experience in working with farm, ranch and agribusiness interests.

"Year after year, I receive numerous contacts from persons who have questions about farmland values and rental rates," says O'Rourke.

"The interest in and conversations about farm leasing arrangements continues to grow, and 2015 is no different," O'Rourke noted. "We always have good attendance and discussion at these meetings."

"Due to the volatility of land and commodity markets, we have seen increased inquiries regarding flexible cash lease methodologies," says O'Rourke. "There are dozens of methods for putting together flexible cash lease arrangements, and we will work through several examples."

O'Rourke has also had calls from landowners about filing landlord liens to help assure the rent is paid, so she will be present some information on that topic.

O'Rourke has also seen that farmland owners and producer-tenants need to have more conversation about the cost of inputs to put in the crop and reasonable expectations on profit margins.

"ISU Extension and Outreach has good resources for people to use to gain an understanding of how crop input costs can be considered in setting cash lease rates, and I'll show how those can be used."

O'Rourke also noted is the increasing age of farmland owners. "ISU Extension research indicates that the average age of farmland owners continues to rise," stated O'Rourke. "Fifty-five percent of Iowa's farmland is owned by people over the age of 65, while 28 percent of the land is owned by individuals over age 75. We find that children and surviving spouses may be less likely to continue operating the farm themselves. That's a major reason why farmland leasing continues to increase."

O'Rourke encourages anyone with an interest in farmland rental rates to attend these meetings. "Both farmland owners and producer-tenants should attend. In fact, the ideal situation is for these folks to attend together and then sit down at the kitchen table to discuss their farm lease arrangements for the coming year."

Workshop attendees will receive a comprehensive workbook packed with information about land values, leasing and different types of farm lease arrangements. "Everyone should leave with a heightened understanding of farmland leasing."

A registration fee of \$20 per person is charged to cover costs and includes a 90-page workbook. Pre-registration is preferred by calling the local county extension hosting the meeting. Walk-ins may attend for a \$25 fee at the door.

More information about this and other farmland leasing meetings in Iowa can be found at ISU Extension's Ag Decision Maker website: www.extension.iastate.edu/agdm

WILBOR Becomes BRIDGES!

Best-selling and classic titles available anytime, anywhere

Several Dickinson County Libraries are now participating in BRIDGES: Iowa's eLibrary, offering eBooks and audiobooks available to download for free anytime, anywhere. Library card holders can check out and download digital media by visiting <http://bridges.lib.overdrive.com>.

Library patrons have access to more than 16,500 eBooks and 7,500 audiobooks. Many titles offer multiple copies for checkout, and users can request to be emailed or automatically check out items when they become available. Digital content is borrowed for a set period of time and titles automatically expire at the end of the lending period- there are no late fees!

Iowa libraries used to belong to either WILBOR (western Iowa) or NEIBORS (north-eastern Iowa). These two separate e-book libraries have joined to become BRIDGES. All of the library materials and records from both consortiums have been combined into one larger consortium.

If you were using WILBOR, your information has been transferred and you'll be very familiar with how things work. If you were on a reserve list for a certain title, the WILBOR list and the NEIBORS list have been combined and resorted by the date of your reserve, so your place in line may have changed but the number of copies of each title have also been combined so wait times should be comparable.

Users can browse the library's website, check out with a valid library card, and access borrowed titles via PC, Mac, and mobile devices with free desktop and mobile apps.

This service is powered by OverDrive, which supports all major computers and devices and is free for patrons with their library card. To get started downloading audiobooks & eBooks, visit <http://bridges.lib.overdrive.com>.
