Bijou Gallery to Celebrate Second Birthday and New Spirit Lake Location

"We have a lot to party about, this weekend," explains Kathryn Buckley, owner of Bijou Gallery, a new addition to Spirit Lake. "Bijou is entering its third year in the Lakes Area, the shop is now in a terrific new location at Center Lake Plaza, and this coming Thursday is our Second "Gallery Day" of 2017. Everyone's invited to drop by Thursday through Sunday for cupcakes, free soap samples, and a discount on every purchase from our extensive selection of gifts, home décor, jewelry, collectibles and art for all tastes and budgets."

Haven't discovered Bijou Gallery, yet? Then you're in for a pleasant surprise. New to the Lakes Area in 2015, the shop offers area residents and visitors a colorful, convenient place to shop for the unusual. "Everything here is made by hand in North America," states Kathryn. "As an American fine crafts gallery, we feature and promote the quality and creativity of artists from throughout the United States and Canada." Browsers are treated to a diverse selection of work by more than 100 artists – glass workers, potters, wood crafters, fabric artists, jewelry makers, metal sculptors, photographers and more. "And several well-known local artists have joined the family here, too" she continues.

Bijou Gallery was formerly located in the old stone cottage at Okoboji Commons, where Kathryn moved the shop after leaving Parkville, Missouri, an historic river town on the northwest edge of Kansas City. Buckley owned and operated the shop for several years under a different name (River's Bend Gallery), but decided on the new name upon moving to Iowa. Bijou means 'little gem' or 'little masterpiece' – a perfect description for the work that's represented in the shop.

Bijou also offers several amenities for customers including special orders, shipping arrangements, all-occasion gift registry services, gift certificates, lay-away, a customer rewards program, corporate gift sourcing, and all major credit cards are accepted. Current hours are 9:30am to 5:30pm Monday through Saturday, and noon to 4:00pm on Sundays and holidays. Bijou is open all year long, and you can follow the shop on Facebook @ Bijou Gallery of Iowa.

They were taught about farming during class time by members of the 4H club's Ag Committee, then given paper on which to make their posters. The top three prize winners will each get to spend a day (or part of a day) with a local farmer, seeing and learning about what farmers do, and seeing where their food comes from. The top three winners are pictured above: Elliana Antoine, Riley Meyer and Laylah Riley. Ag Committee members are shown in back-- Clare Schoelerman (left) and Alexis Neilsen.

LETTERS TO THE EDITOR

Dear Editor:

May is Mental Health Month. Mental health is essential to everyone's overall health and well-being, and mental illnesses are common and treatable. People experience symptoms of mental illnesses differently—and some engage in potentially dangerous or risky behaviors to avoid or cover up symptoms of a potential mental health problem. Mental Health America (www.mentalhealthamerica.net) reminds us that sometimes people—especially young people—struggling with mental health concerns develop habits and behaviors that increase the risk of developing or exacerbating mental illnesses, or that could be signs of mental health problems themselves. Activities like compulsive sex, recreational drug use, obsessive internet use, excessive spending, or disordered exercise patterns can all be behaviors that can disrupt someone's mental health and potentially lead them down a path towards crisis. It is important to understand early symptoms of mental illness and know when certain behaviors are potentially signs of something more. We need to speak up early and educate people about risky behavior and its connection to mental illness—and do so in a compassionate, judgement-free way. When we engage in prevention and early identification, we can help reduce the burden of mental illness by identifying symptoms and warning signs early—and provide effective treatment Before Stage 4 (#B4Stage4). Contact your local mental health and/or substance abuse treatment provider for assistance. If your needs require immediate attention, please contact the Northwest Iowa Care Connections' Crisis line at 844-345-4569.

Sincerely:

Kim Wilson-Secretary NAMI of Northwest Iowa

Local EMS Saving Lives

In January 1972, the premier episode of Emergency! aired on NBC. Over the next six years, audiences watched firefighter paramedic Johnny Gage and Roy Desoto along with the fictional crew of the Los Angeles County Fire Department, delivered 51 babies, taught CPR, treated seizures and rescued people trapped in car wrecks, storm drains and even a man-eating sofa bed. By bringing paramedics into American living rooms for the first time, the show was more than entertainment. In an era when there was still only a handful of programs about emergency medical services (EMS) nationwide, Emergency! educated Americans about pre-hospital medicine, helping to build support for the growing profession while inspiring a generation of young Emergency Medical Technicians (EMT) and Paramedics. As early as January 1974, Lakes Regional Healthcare (LRH) provided ambulance services staffed with EMTs and by 1985 Paramedic-Specialists were added to the roster. Currently the service is staffed by an all paramedic crew well educated in Advanced Life Support care. Eight full-time staff members and 13 supplemental staff ensure that a paramedic-staffed ambulance is available 24 hours a day, seven days a week.

National EMS Week was May 21-27 and this year's theme, "Always in Service," was reflected across the nation and at Lakes Regional Healthcare. On behalf of everyone at Lakes Regional Healthcare and the visitors and residents of Dickinson County, we want to give special thanks to the volunteer members of the Arnolds Park/Okoboji Fire and Rescue, Lake Park Ambulance, Milford Fire and Rescue, Spirit Lake First Responders, Superior Fire and Rescue, and Terril Ambulance. They support us in this journey every day and their dedication and service is top notch.

Annie (played by Tatum Iverson), and her new dog Sandy, (Robert Frederick) get caught by a Hooverville police officer (Ben Saxton) in the Emmetsburg Community Theatre's production of *Annie Jr*, set for the first two weekends in June.

Annie Jr coming to EMSCT

Emmetsburg's Main Street Community Theatre is celebrating the 40th anniversary of the Broadway opening of *Annie* with six performances of *Annie Jr*, the first two weekends in June.

Both *Annie* and *Annie Jr* are set in 1933 — the middle of The Great Depression. The EMSCT production will see more than 40 local student actors, singers and dancers involved with a condensed version of the original script and music — to be more easily produced and enjoyed by the younger generation.

The shows are based on Harold Gray's long-running comic strip *Little Orphan Annie*, with music by Charles Strouse, lyrics by Martin Charnin, and book by Thomas Meehan. The original production ran for nearly six years on Broadway, earning a Tony Award for the Best Musical. *Tomorrow* and *It's the Hard Knock Life* are two of the best-known songs from the shows.

The EMSCT will see Tatum Iverson as Annie. Jonah Morlock portrays Oliver Warbucks. Hannah Joyce is Grace Farrell, Warbucks' secretary, and Ben Merwald is Drake, Warbucks' butler. Peyton Kennedy is Miss Hannigan, the orphanage director. Josh VanHuevelen is Rooster, Hannigan's brother, and Kristen Davis is Lily St. Regis, Rooster's girlfriend.

Jack Meyer, from Ruthven, plays President Roosevelt. and Alex Meyer is radio announcer Bert Healy. Sandy the dog is played by Robert Frederick. Ben Saxton is police Lt. Ward.

Annie Jr will be staged Friday, Saturday and Sunday, June 2nd, 3rd, and 4th, and Friday, Saturday and Sunday, June 9th, 10th, and 11th. Curtain time for both Friday night shows is 7:00, with all four Saturday and Sunday performances at 2:00 each afternoon.

Tickets are available at the door one hour before curtain. The theatre is located at 2206 19th Street, in Emmetsburg. It's well worth the drive!

Closer to home this week, Glenn Henriksen & Friends will be returning to Keelson Harbour in Spirit Lake tonight (Tuesday) to help celebrate the facility's 10th anniversary. The music begins at 6:30, and will continue until about 9:30...

And Piano Glenn's house concerts will begin next Tuesday and Wednesday, starting at 7:00 each Tuesday and Wednesday night through the summer months...

The Lake Patrol will be performing **Wednesday night**, from 7 - 9:00, at Table 316 in Arnolds Park...

The Little Swan Lake Winery will see **Emma Wicks** return to the stage in the barn on Thursday night, from 6 - 8:00. And **The Scott Larsen Band** will return to the same stage on Sunday afternoon, from 4 - 6:00...

Following The Inn's grand opening party last week, **The South 71 Trio** will be performing in The Lounge at The Inn, Friday night, from 6 - 8:00...

And with the Dick Bauman Big Band starting its summer season at the Pearson Lakes Art Center on Memorial Day, we note that the **Jazzed Up Big Band of Okoboji** will be returning to the Majestic Pavilion stage in Arnolds Park next Tuesday night for its first performance of the 2017 summer season...

As we begin the summer season at the Iowa Great Lakes, research director RD tells us "*Some Like It Hot*, and some like it hotter!" She does all this quite naturally in musical fashion...

In addition to Broadway actress and singer Idina Menzel turning 46 today, RD found that Melvin Jerome 'Mel' Blanc and Benjamin David 'Benny' Goodman share the birthday as well, though a year apart, in 1908 and 1909, respectively. Blanc's natal day also connects with Hug Your Cat Day, which falls on Sunday, as Mel is the guy who told everyone he, "taut i saw a puddy tat"...

Goodman, of course, was known as "The King of Swing." If you don't have his music to listen to, it can be found easily on the Internet.

Today is also Mint Julep Day — which you might think should be on Kentucky Derby Saturday. (We do!) For what it's worth, RD checked to find that it was Ray Charles who stirred up the musical concoction known as *One Mint Julep* on his 1961 LP *Genius + Soul = Jazz* — an album that was entered into the Grammy Hall of Fame in 2011...

Marilyn Monroe's birthday and co-star Tony Curtis came close to sharing birthdays, as well, with Marilyn born on June 1, 1926, and Tony a year earlier, on June 3. Monroe co-starred with Curtis and Jack Lemmon in the 1959 motion picture *Some Like it Hot*, which included Marilyn's very breathy rendition of *I Wanna Be Loved By You*...

New Jersey- born arranger, composer and bandleader Nelson Riddle was also born on June 1st — in 1921. While Riddle's *Route 66* was a huge hit in 1962, *Lisbon Antigua* did very well six years earlier...

June 1st is also Say Something Nice Day, which brought to RD's mind songs like, *I Love Being Here with You*, a song written and first recorded by Peggy Lee in 1961. Diana Krall released her own very special version of the song in 1995, as did Connie Evingson in 1999. But somehow our favorite version of Peggy's tune is done by Marilyn Maye — usually to open her performances, at least at The Inn. Yes, that's the second time we've mentioned Marilyn's Okoboji gig in the last two weeks. But no, Marilyn is not paying us for the mentions.

We just like what we hear!

All the news that fits we print.

Milford Library News

Stem Lab & Literature in the Library
Seeking all Pre-K – 4th grade students to attend the Stem Lab & Literature in the Library workshops at the Milford Memorial Library. The workshops will be put on by an intern, Bradi Baschke. The internship is an Extension and Outreach Project directed by Constance Beecher. The dates of the workshops are: June 9, 16, 23 and 30. The themes will be: Colors, Playdough, Pollination and Bridges. The workshops will be from 10:00 – 11:00am at the Milford Memorial Library.

Stem Lab & Literature in the Library is a summer internship program delivered in collaboration with community libraries and Extension and Outreach for teacher candidates from Iowa State's Elementary Education program and other CHS majors. In these internship positions candidates receive the experience of planning programs for children, focused on literacy and STEM.

STEM is a curriculum based on the ideas of educating students in an interdisciplinary and applied approach in the areas of science, technology, engineering and mathematics. Rather than teaching the four disciplines individually, STEM integrates them together using inquiry based and real world problem-based learning.

During the workshops, students will be partaking in hands-on and inquiry based activities. For the color activity, students will learn about the role of chromatology along with how primary colors make up secondary colors and the color black. During the playdough activity, students will identify the properties of playdough that makes it a quality playdough by using the engineering design process. Students will learn about the different parts of a flower and how flowers get pollinated during the pollination lab. The last activity will be on bridges. Students will learn about different types of bridges while building and testing each type along with using the engineering process to design their own bridge. All supplies will be provided.

The overarching goal of Stem Lab & Literature in the Library is to enhance opportunities for learning STEM literacy in informal settings, such as libraries. It also seeks to provide an opportunity for teacher candidates to engage with families around STEM & Literacy in community settings, provide resources for community libraries to deliver quality STEM literacy programs for children and their families, and promote learning, engagement and positive STEM identity development of youth.

The intern, Bradi, is an Iowa State University student. She is majoring in Elementary Education with specializations in Reading and Mathematics and will graduate this fall. Bradi is very excited to have this opportunity to work with students this summer during the Stem Lab & Literature in the Library.

The Library is located at 1009 9th Street, Milford, Iowa 51351. For questions or more information contact the library at 712-338 – 4643 or info@milford.lib.ia.us.

A Farewell Worship Service will be held at 10:00am, June 4, at the Spirit Lake United Methodist Church, 1812 Gary Avenue, Spirit Lake.

Following the service a Farewell Luncheon will be held for Pastor Lon and Nancy at Wesley Place to celebrate his retirement and wish them both the best as they move to West Des Moines to retire.

During his ministry Pastor Lon has served in the following United Methodist Churches in Iowa: Fort Dodge First, Nora Springs, Ogden, Grinnell, and Ottumwa First before coming to Spirit Lake in 2008.

Milford Needs Volunteers for Quasiquicentennial Celebration

The Milford Commercial Club is asking for the community's involvement to make Milford's Pioneer Days/Quasiquicentennial celebration a success. Since the event is a week-long celebration, that means a lot more volunteers are needed. A volunteer sign up for all events has been created. For more information, or to sign up, you can go to the Milford Commercial Club's website: <http://milfordcommercialclub.com/pioneer-days/> and click on the button for volunteering, or if you do not have access to the website you can call Dawn at 712-320-4512.

Also, there are still sponsorship opportunities available. If you would like to consider making a financial donation, there are still several events that can use additional funds to make it successful.

The Milford Quasiquicentennial Souvenir Committee has worked hard to offer you an appealing selection of apparel and keepsakes to help you celebrate and commemorate Milford's birthday. The proceeds raised from the items will go towards improving the Florence Park Shelter House. To view and purchase the selection of keepsakes visit Milford's City Clerk office located at 806 N Avenue, Monday thru Thursday, 8:00am - 5:00pm, and Friday 8:00am-4:00pm.

LETTERS TO THE EDITOR

The publisher does not necessarily share the views/opinions stated in the "Letters to the Editor" published in The Lakes News Shopper.

To The Editor:

Is There Confusion Here? Just the facts please.

There seems to be some confusion in politics these days. Often it's caused by not looking at all the facts. In a recent letter, the author thought that a reference to "super rich" should describe Hillary Clinton rather than President Trump because she raised more campaign money than he did. The Clintons are well off, but speaking of his personal wealth, President Trump, stating that he is very, very rich surely has the edge here. Be that as it may, President Trump stated early in his campaign that he would self-fund it. That, naturally, took the pressure off for his deep pocket contributors for sending big bucks to his campaign. He even promised to spend \$100 million of his own money for the effort. He later stated that he could not "self-fund" it by himself and asked for outside contributions. He also missed his own \$100 million promise and actually kicked in just \$66 million – about a \$34 million short fall. Looking at the facts, it's not surprising President Trump came up lacking in funding.

He then mentions the Clinton Foundation using funds for the Clinton lifestyle. I wonder if he is aware of charity rating organizations. Charity Navigator, the largest of the rating organizations gives The Clinton Foundation four stars out of four, their highest rating. Another ranker, Charity Watch gives them an "A" ranking, which happens to be just higher than the Red Cross. President Daniel Borochoff lists it as "top tier" in the philanthropy world. Compare that to the Trump Foundation which was proven to practice "self dealing" by using Foundation funds of \$258,000 to pay for Trumps personal legal problems, \$5,000 for advertising Trumps hotels, \$10,000 for a portrait of himself, and \$100,000 political contribution to Citizens United, the Koch brothers PAC. It doesn't sound very charitable to me. And then there's the \$25 million Trump paid to settle the Trump University fraud scandal. Wow!

Finally, he says that I erroneously stated that "the constitution could be changed by a vote of two thirds of the states". I actually stated "a constitutional amendment ratified by 2/3 of the states". It should be common knowledge that a constitutional amendment is a congressional bill, not subject to presidential action, that must be passed by 2/3 margin in both the Senate and the House and then additionally ratified by 2/3 of the states. Again, let's look at the facts.

Lakes-Opoly Games For Sale

Profits from the sales of Lakes-Opoly, a monopoly game with a local twist, are going to help fund Milford's upcoming Quasiquicentennial Celebration. Because it contains many historical facts about our area, along with references to many of our current and past businesses, it would make a great gift for anyone who has ever been lucky enough to live here. We have a limited supply of these games, when they are gone they will not be reordered. Seasons Center Receives Funding to Provide Mobile Crisis Services

Seasons Center received funding from Northwest Iowa Care Connections to provide mobile crisis services in six counties in north-west Iowa beginning January 1, 2018. The mobile crisis services will cover Clay, Dickinson, O'Brien, Osceola, Lyon and Palo Alto counties.

Mobile crisis services involve a crisis response staff who provide on-site, in-person intervention for individuals experiencing a mental health and/or substance abuse crisis, provided in the individual's home or at locations in the community. Mobile crisis is delivered by trained professionals and sometimes in conjunction with law enforcement.

"The purpose of the proposed project is to provide a call center, on-site screening, consultation, treatment engagement, brief treatment, and referral for residents of Northwest Iowa Care Connections who are in need of crisis services regardless of funding," said Christina Eggink-Postma, Vice President of Program Coordination and Compliance at Seasons. "Funding from NWIACC will provide us with the opportunity to deliver mobile crisis services to several counties."

The mobile crisis response team will be responsible for fielding calls twenty-four hours a day, year round, delivering mobile crisis services to the individual's location, and coordinating follow-up care. Seasons will begin recruiting and training staff and providing education on the mobile crisis prior to implementing services beginning January 1.

"We are excited and grateful to be chosen as a recipient of these grant funds," says Kim Scorza, President/CEO, for Seasons. "This funding will allow us to better meet the needs of our clients and patients in a community based setting. We greatly appreciate Kim Wilson, Chief Executive Officer at Northwest Iowa Care Connections, for her leadership and the board for making the money available to those in crisis."

For more information on services provided by Seasons, Autumn's Center, and Camp Autumn, please visit our website at: www.seasonscenter.org or call 1.800.242.5101.

Heart to Heart With Heritage Landing

by Sally Anderson

Life began in a garden!

One of the most exciting things we experience with a new garden is that day when you see some tiny green shoots coming out of the ground. When the conditions are just right, we see that faint indication of a row appear. We look at the row with the anticipation and hopes of the harvest that is to come. There is nothing like a fresh tomato on a BLT sandwich or green beans picked right out of the garden.

Our garden at Heritage Landing has literally grown and expanded over the past few years as more and more of our tenants have taken interest. We started with just a small patch on the south side of our building which has now turned in to two raised gardens and a much larger plot. We have many gardeners with many different styles of gardening.

You will find all kinds of vegetables and beautiful flowers along with dedicated gardeners who weed, water and keep the garden healthy. These gardeners combat bugs, frost, and inclement weather as best they can so that in the fall they will enjoy the fruits of their labor! A garden truly renews our hope in the delicious things to come.

I guess you could compare gardening to the transformation that has taken place at Heritage Landing over the last four years. In 2013 our building had only about half of the apartments occupied. We knew we needed to roll up our sleeves and start planning our garden. We started planting seeds and nourishing our garden by hosting events, attending trade shows, speaking at clubs, and building relationships with the people, churches and businesses in the Lakes area and beyond. We started to water our garden by advertising and educating the community about who we are, where we are located, and what services we provide. Before you know it we saw the first sprouts popping through the soil and by the fall of 2014 our garden was fruitful and in full bloom. All of our apartments were full and have remained full or nearly full ever since. We have even started a waiting list for people who would like to move-in and are waiting for an opening or for those who aren't quite ready to make the move but like the assurance that they will be called when an apartment becomes available.

If you walk through our building you will see the bounty from our garden. You will see and feel a sense of community and the freedom each person has to be who they are and living the life they want to live - Blooming where they are planted....

Sally's Quip of the day: Gardening: It's cheaper than therapy and you get tomatoes!

Beach Yoga

A warm breeze, the quiet lapping of the waves, the chirping of shorebirds searching for breakfast --- one of the most peaceful ways possible to start a summer day would be on the shore of Big Spirit Lake.

The Dickinson County Conservation Board is offering the opportunity to gently wake up with Beach Yoga 7 a.m. the first and third Wednesday in June, July and August at Ainsworth-Orleans Beach on the south shore of Big Spirit Lake.

All ages and levels of practice are invited to attend these events which will be taught with the YogaFit Training mindset.

"Yoga by the water is one of the most relaxing ways you can start your day, with the beauty of nature and the calmness of water and the gentleness of yoga," said Kiley Roth, community relations coordinator for the Dickinson County Conservation Board. "We wanted people to experience a new way to utilize one of our parks, and we thought stretching out into Beach Yoga for the first time would be a great way to do that."

Beach Yoga will cost \$10 per person, and everyone should bring their own yoga mats. No registration is required.

Outdoor yoga will also be offered during the Nature Explorers and Young Naturalists programs for ages 6-9 and 10-12 this summer, a part of the bi-weekly summer series. Instructor Kelly Thelen will lead these programs to expose the next generation to this great way to get outside. The free Nature Explorers yoga program will be 10:30 a.m. July 20 and Young Naturalists will try it out 1 p.m. July 27 at the Dickinson County Nature Center in Okoboji.

"Yoga means oneness, and outdoor yoga helps us connect with the environment and our surroundings," Thelen said. "Yoga is a great activity because you can do it anywhere, at any time, and it's as good for the body as it is for the mind."

To register for the youth programs, call 712-336-6352. Find out more about Beach Yoga and other Dickinson County Conservation Board programming at www.dickinsoncountynaturecenter.com. You can also keep up with the latest happenings on Facebook, Instagram and Twitter.

DAR Presents Local Speaker

Slate pencils, a corncob stove, McGuffey readers --- the Westport Schoolhouse in Okoboji is a step back into time.

Kiley Roth, community relations coordinator for the Dickinson County Conservation Board, which runs the Westport Schoolhouse in Kenue Park, will talk about the historical attraction during the annual Country School Preservation Conference October 6-7 at Northwest Iowa Community College in Sheldon. "Westport Schoolhouse is a wonderful attraction to have in the county," Roth said. "It gives youth and adults the chance to experience what life was like in the days of one-room schoolhouses. Plus, we have many visitors who either attended, taught at or know someone who attended a country school, and it is so much fun to hear their stories."

Westport Schoolhouse was originally located in the center of Westport Township, in the southwest corner of Dickinson County. Built in 1895, the schoolhouse was the largest in the township, even featuring a stage room for school programs that was added in the 1920s.

Pupils attended the school until 1952, and then it was used as a community center for the township, for voting and social events.

In 1996, part of Iowa's sesquicentennial celebration was to have each county in the state select a project to emphasize its history. Dickinson County decided to move Westport No. 5, one of the last remaining schoolhouses in the county, 22 miles to Kenue Park. Volunteers painted the school, landscaped and helped build fences, and a handicap-accessible walkway was also constructed.

Westport Schoolhouse is open to the public 10 a.m.-2 p.m. Tuesday-Saturday the second Tuesday of June through the first Friday of September.

"I am appreciative of the opportunity to speak about the Westport Schoolhouse during the Country School Preservation Conference," Roth said. "I look forward to seeing the Ladies of the Lakes DAR members, local history buffs and other northwest Iowa residents there."

The Country School Preservation Conference will have a wide variety of speakers, including people who run country schools, Western Iowa Tourism director Shirley Phillips, UNI Museum curator Nathan Arndt and country school authors and researchers. The event includes a trip to the Prairie Arts Historical Park in Sheldon, a Sheldon Prairie Museum tour as well as tours of other local museums on Saturday, October 7.

Conference registration is due by October 1. Registration forms can be found at the Dickinson County Nature Center or by contacting coordinator Bill Sherman at ws Sherman41@gmail.com or 515-278-2242.

For more information on the Westport Schoolhouse, visit www.dickinsoncountynaturecenter.com or call 712-336-6352. You can also keep up with the latest Dickinson County Conservation Board happenings on Facebook, Instagram and Twitter.

**To The Editor:**

Upper Des Moines Opportunity Inc, would like to thank our postal workers for all the extra work that was put in with collecting over 1500 pounds of food on Saturday, May 13. Your support is greatly appreciated. Also, we would like to thank the community for your support with food that was donated. Dickinson County is truly a giving community. Thank-you for your generosity.

Pictured are volunteers Delmar Duhn and Gregg Winterfeld, outreach specialist Deb Weir, and Postmaster, Dan Jondle. Not pictured are volunteers Mary Rumbaugh, Kathy Reynolds, Dorothy Wagner, and Jerry Duhn. These volunteers sorted food by date and kind, then put away. UDMO could not run as smooth as it does without these dedicated individuals.

LETTERS TO THE EDITOR

To The Editor:

The Lakes Area Hockey Association would like to thank the Good Neighbor Fund for their continuing support of the Boji Bay Ice Arena and its programs.

Their gift this year will allow us to purchase an ice edger for maintaining the edges of the ice where the larger Zamboni cannot reach. The arena hosts thousands of visitors each season and we are grateful that the Good Neighbor Fund helps us provide them with an excellent experience.

USDA Offices Will Soon Begin County FSA Committee Nomination Process

The election of agricultural producers to Farm Service Agency (FSA) county committees (COC) across the United States is important to all farmers and land owners, whether they be a beginning or longtime producer, or whether they have a large or small operation. Every eligible agricultural producer whether they own or operate a farm, should participate in the FSA Committee election process because FSA county committees are a link between the local agricultural community and the U.S. Department of Agriculture (USDA). Farmers who serve on FSA county committees apply their judgment and knowledge to help with the decisions necessary to administer FSA programs in their counties, ensuring the needs of local producers are met. FSA county committees operate within official federal regulations so that local input is provided on federal programs such as:

- Income safety-net loans and payments
- Conservation programs
- Incentive, indemnity and disaster payments for some commodities
- Emergency programs
- Payment eligibility

According to Dickinson and Emmet County Executive Director Larry Lago, "The Dickinson County Farm Service Agency will soon begin the initial stage of the nomination and election process in which the farmers and land owners of Dickinson County from the townships of Westport, Okoboji, Milford, and Lloyd townships, will elect an individual to serve a three year term to begin January 1, 2018 on the local Farm Service Agency (FSA) County Committee, (COC)." These specific townships constitute the local agricultural voting representation district or FSA Local Administrative Area #1 (LAA) of Dickinson County farm owners and farm operators that will be involved in this year's FSA election. Current serving FSA County Committee person Tim Hemphill is the COC incumbent and is eligible for re-election having served that LAA area for the past three years. Lago adds, "The COC nomination period begins June 15th, 2017 and runs through August 1st, 2017 for any qualifying individual from those townships who would be interested in running for election."

Agricultural producers who participate or cooperate in an FSA program may be nominated for candidacy to the county committee. Individuals may nominate themselves or others as a candidate. Additionally, organizations representing underserved (minority and women) farmers or ranchers may nominate candidates. Nomination forms are filed for the county committee election at the office that administers a producer's farm records. To become a nominee, eligible individuals must sign nomination form FSA-669A. The form includes a statement that the nominee agrees to serve for a three year term if elected. This form is available at the FSA county office and online at www.fsa.usda.gov/elections. Nomination forms for the 2017 election must be postmarked or received in the local FSA county office by close of business on August 1st, 2017.

To be nominated to be on the election ballot as a potential FSA county committee member, a person must meet each of the basic eligibility requirements of:

- Participate or cooperate in a program administered by FSA.
- Be of legal voting age and eligible to vote.
- Reside in the FSA LAA in which the person is a candidate.
- A person must not have been removed for cause from any public office or have been convicted of fraud, larceny, embezzlement or any other felony or dishonorably discharged from any branch of the armed services.

People uncertain about their eligibility to vote in the FSA county committee election should contact their local FSA office. Affirmation of eligibility to serve and vote must be determined in order for a nomination to be considered in an election.

USDA relies on the local leadership of farmers that are elected to the Farm Service Agency's County Committee system. Farmers know their communities best, and the Farm Service Agency draws from their local knowledge to make national farm programs work here at the county level. FSA County Committees operate within official regulations designed to carry out federal laws. County Committee members apply their judgment and knowledge to make decisions at the county level.

For anyone who would like to learn more about the FSA County Committee system, please visit www.fsa.usda.gov/elections or contact Larry Lago, County Executive Director at the Dickinson County FSA Office located at 3302 18th Street, Spirit Lake, Iowa 51360 or 712-336-3782 extension 2.

Tony's Pizza & Lakeland Drive-In Theatre, Milford, Iowa • Circa 1950s

Stepping Back in Time by Jerry and Irene Clark of the Clark Museum of Okoboji area and Iowa history – Milford, Iowa.

This picture of an early lakes area pizza establishment is a favorite for many. I knew Tony and Almeba Campiano very well. Jim and Jean Travis owned the Drive-In Theatre, one of the earliest outdoor theatres built. Rev. Schuller gave his first outdoor services at this theatre. The pizza establishment, theatre, race track and Teege's Steak House are all gone now. The museum has the bottom sign from Tony's, speakers from the Theatre, items from Teege's, and pictures of race days at the race track.

The Clark Museum is located one mile west and a half mile north of the Milford Catholic church. For more information, call 712-338-2147 or email ijclark1@msn.com. The Clark Museum is a 501 (c) 3 Non-Profit.

S.A.L.T. Trail Patrol Begins 20th Year

What does salt do? "It adds flavor." S.A.L.T. here in the Iowa Great Lakes is the local committee of Senior Citizens And Lawmen working together to identify and meet community needs and problems and find ways for senior citizens to help local law enforcement meet community needs.

In 1997 Sheriff Greg Baloun identified the need for patrol of our expanding trails in the Iowa Great Lakes and Seniors on the committee said they would be able to volunteer the time to patrol. In the spring of 1998 Sheriff Baloun was able to work with the local Polaris plant to purchase an ATV to be used on the patrols and trail patrols began daily throughout the summer in the Iowa Great Lakes. The original trail patrol members were Fred Schmidt, John Rohlk, Bob Uteck, Gene Fokken, Ron Allanson, George Morris, Dean Hess, Arlan Draayer, Herbert Hackbarth, Jim Bonstetter, Sam Reed, Lynn Wallace, Wesley Lynn and Vivian Lynn. Trail patrols continue mornings, afternoons and some evenings and over the years have expanded from the spine trail to around Spirit Lake and West Okoboji as the trail system expanded. Seniors are able to notice problems from picking up litter, reporting questionable activities, giving information and directions to Lakes visitors and emergency needs and problems with the trail itself. The patrol vehicles are equipped with radios for communication with the com. center to report emergencies and problems. Vehicle maintenance is supervised by Dave Kol-lasch and Trail problems are referred to the Trail Executive. The vehicle carries minor repair equipment and marking devices to tag dangerous obstructions. Over the years senior volunteers have identified and handled many problems from minor bandaids for "road rash" to calling for the Ambulance in a major emergency. Most patrols involve observing problems with the trail, picking up trash left by the careless, and responding to questions from persons on the trail.

Seniors enjoy seeing the changing season on the trail, the return of the osprey to the Nature Center and the increase in young new riders when school is out. Riders have called the ambulance, blocked the trail with the ATV at the direction of the Police to protect an emergency site, helped with equipment repair, cleaned dangerous debris from the trail and marked fallen trees to warn bikers, directed visitors to Camp sites and local locations and explained the attractions and services in the Iowa Great Lakes. Riders demonstrate safe riding and equipment by using helmets and educating about the use of helmets and equipment for young riders. McDonalds, Dairy Queen and the Spillway Café have provided coupons which trail members give to very young children to remind them of safe equipment and riding.

Polaris has been a partner in this endeavor by providing reduced price vehicles and contribution of vehicles for the service. Other local grants have been received from the Dickinson County Endowment fund, Alliant Energy and many other local businesses. One of the vehicles "the riders called it, old blue" provided years of service and logged more than 42 thousand (42,000) miles on the trails. Current vehicles include a Ranger 2 passenger vehicle, valuable in training of new riders, an Ace and two ATV's. Two vehicles are kept at the county garage and the two others at Oh Shucks on West Okoboji in a shed he allowed volunteers to build on his site. An east team and west team is assigned with separate volunteers for morning and afternoon. Teams of volunteers usually average more than 12 hours of service and ride more than 150 miles daily in their patrols. There are currently 45 senior volunteers and 3 new volunteers are being trained for this year. A record kept of the trail observations in 2016 shows that riders saw 9197 people on the east trail and 5465 on the west trail. Those 14662 persons give just a peak at the number of persons who are using the trails in the Iowa Great Lakes. Trail Patrols have begun again for the season and this rider noticed many walkers, runners and riders enjoying the trail.

Justin Moore to Perform at 2017 Clay County Fair

The Clay County Fair proudly announces that Justin Moore with special guests Parmalee and Jordan Rager will perform at the U.S. Cellular Grandstand on Saturday, September 9 at 7:30pm.

"A great night of country music will be the perfect way to kick-off our Centennial Celebration," said Fair Manager Jeremy Parsons.

Arkansas native Justin Moore spent three years putting together his fourth studio album, KINDA DON'T CARE, which earned the singer his third consecutive No. 1 album debut. The platinum-selling entertainer kick-started the album with his sixth chart-topping single, "YouLookLikeINeed ADrink," and follow-up single, "Somebody Else Will."

Moore, who has shared the stage with Hank Williams Jr., Brad Paisley, Miranda Lambert and Brantley Gilbert and is currently on his headlining American Made Tour with Lee Brice, has an impressive string of hits, from his five #1 singles, including "Small Town USA" and "If Heaven Wasn't So Far Away," to the gold-certified singles "Bait a Hook" and "Backwoods." All of those songs possess an undeniable confidence and attitude that distinguishes Moor from the crowded Nashville pack.

2016 ACM nominee for "New Vocal Duo/ Group of the Year," Parmalee is one of country music's most successful new acts. Their debut country album, Feels Like Carolina, has earned the group three top ten hits including their multi-week #1 smash hit "Carolina." Heralded as "Country Music's Breakout Stars" by MSN Entertainment, Parmalee has supported Brad Paisley and Jake Owen on national tours.

Jordan Rager picked up the guitar at 15,

and never looked back. Rager's first gig was a county fair where he played four of his favorite covers for a crowd of 50. "When I got offstage I walked up to my mom and said, "That was fun. I want to do that forever."

In 2013, after years of playing the club scene, frat parties and college, Rager got the call to tour with Justin Moore. Rager released his debut single "Southern Boy" via Broken Bow Records in February 2016, which features Jason Aldean on duet vocals. Rager's second single, "Now That I Know Your Name," released to country radio in September 2016.

Tickets will go on sale Thursday, May 25 at 10:00am. Prices are \$43 (general admission stage front standing), \$38 (reserved Grandstand seating), and \$33 (general admission bleacher seating). Tickets will be available online at www.midwestix.com, by phone at 515-244-2771, or in person

at the Events Center Box Office. There will be no additional fees applied to any of these purchase methods.

"Come Home" September 9-17, 2017 to Spencer, Iowa for our Centennial Celebration! "The World's Greatest County Fair" since 1917, the Clay County Fair attracts more than 300,000 guests each September. "Come Home" for unique experiences including world-class Grandstand entertainment, award-winning fair food, daily livestock and horse shows, more than \$150,000 in free entertainment, thousands of competitive exhibits, the thrilling GoldStar Amusements Midway, hundreds of commercial vendors, and the largest farm machinery display at any fair in the United States. LETTERS TO THE EDITOR

To The Editor:

Thundercloud District of the Mid-America Council, Boy Scouts of America, would like to extend our thanks and gratitude to the Good Neighbor Fund for their donation this year, as well as the many donors that contribute to this worthwhile fund.

Thundercloud District provides unparalleled experiences for more youth through the Scouting program to over 650 Scouts in Cub Scout Packs and Boy Scout Troops in eight Iowa counties: Dickinson, Clay, Palo Alto, Emmet, Buena Vista, Cherokee, Osceola, and O'Brien. Scouts learn leadership and life skills through character-building activities, outdoor events, and camping adventures; skills our scouts take back to their communities.

If you know of someone interested in Cub Scouts (boys 5-11 years), Boy Scouts (boys 11-18 years), or Venturing (boys and girls 14-21 years - we are looking to start a Venturing Crew in this area), go online to beascout.org for more information. Again, thank you to the Good Neighbor Fund. We are honored to be a part of this program.

Jennifer Meyer
Thundercloud District Executive

LETTERS TO THE EDITOR

To The Editor:

History, we all are an important part and have a place in history. Whether it's studying in school; taking part in marches; being part of any organization or having a family; history is important in many ways. The Lakes Area Senior Citizens Center is celebrating their history and would like you to join us on June 11.

In the late 1980s a committee was formed with the task of finding a building large enough to hold a senior center. Many buildings were considered, some too expensive to purchase, some too expensive to remodel and some did not have adequate parking. The search also stalled by a proposal for creation of a new Senior Center/Public Library at the site of the 1914 building of the Spirit Lake Community School. (The bond was voted down by the residents of the district.) Berkeley and Elinor Bedell graciously donated the site where the Lakes Area Senior Citizens Center now resides. We sincerely appreciate their generous donation. Without their foresight we would not have the beautiful building you see today.

A fundraising committee, headed by Diane Dowden, set to work to raise \$200,000 in order for ground breaking and the beginning of the new facility. This took more than two-years to raise the funds. The Farmer's Home Administration was contacted and an \$80,000 grant was awarded. The day of ground breaking, November 8, 1989, the \$200,000 was raised! Even with ground breaking, an additional \$100,000 was needed to be used in the cost of construction, equipment of the building and operational costs of the facility.

June 1991 an open house was held, with invitations to our State Representative, Senator and Governor. The staff consisted of a building manager, maintenance/custodian and cooks. Funding was lost for the cooks and Northwest Agency on Aging rented the building for noon meals for the seniors of Dickinson County. Northwest Agency on Aging closed and Elderbridge now provides the noon meals. Meals are catered by Kim-Bucks in Emmetsburg. Lunch is served Monday through Friday at noon. Please call 712-336-5247 for more information.

Activities were and continue to be an important part of the Lakes Area Senior Citizens Center. This includes: Bridge; 500 cards; pool; poker; puzzles; low impact exercise class; Zumba class; monthly dances; exercise bike and machines and movies, to name a few. Kiwanis, Order of Easter Star and Retired Teachers meet at the Center. Rooms, large and small, are available to rent.

Fundraising was needed to make the Lakes Area Senior Citizens Center a reality and continues to be a vital part of keeping the Lakes Area Senior Citizens open. From a Harvest Meal, Salute to Veterans, Soup-er Sunday to Dad's Waffles, we try to have something every month. Donations and memorials are also welcome.

History happens in the blink of an eye! Join us on Sunday, June 11, from 2:00-4:00pm, to celebrate our "First Anniversary of Our Second Quarter Century" or (to shorten it...) join us to celebrate our 26th year of history in Dickinson County! We will serve cake, coffee and punch and ask you to bring a "First Anniversary gift of paper: (paper towels, toilet paper, napkins, copy paper (letter or legal), stamps, envelopes), and, of course, cash is always welcome. We will also have a craft sale and a mini garage sale during the festivities.

We hope you will be a part of our history and join us as we celebrate our history and begin another quarter century on Sunday, June 11.

Beverly Atwell, Building Manager

THE BOARD OF DIRECTORS of the Senior Citizens Center includes the six men and women seated in the front row of this group. The seventh director, Mrs. Earl Waisner, treasurer, was absent when the photograph was taken. The directors are, from left: The Rev. B. J. Swede, Maurice Singer, the Rev. Walter Flesher, Mrs. Marie Kirby, Mrs. Roy Smith and L. K. Bennett.

TOPS Meets Monday Evenings

Come for group support to eat healthy and exercise wisely to reach your goal weight as so many have already done.

MUG Discussion

The Morning Users Group (MUG) meets Fridays at 9:30am in the Black Box Theater of the Sami Center at the Spirit Lake High School. This group of beginner and experienced computer users discusses the latest trends in computer technology and how to solve problems brought by the users. Come and listen to how others have fixed their computer problems to learn possible solutions to your computer issues. The meeting lasts about an hour. The group does not meet if Spirit Lake Schools are delayed or cancelled that day due to weather.

Centennial Birthday Bash to Close Out 2017 Clay County Fair

A birthday party worthy of 100 years will close the 2017 Clay County Fair. The Fair's Centennial Birthday Bash, honoring Grandstand spectacles of the past as well as local entertainers of today, will take the U.S. Cellular Grandstand Stage on Sunday, September 17 at 7:00pm. The Bash is presented by BIG Country 107.7, More 104.9 and KICD AM. "This unique night will celebrate not only the tremendous history of the Fair, but also create a legacy in our local communities," said Fair Manager Jeremy Parsons. "Daring thrill acts, comedy, music, and the largest fireworks display ever seen at the Fair will create an once-in-a-lifetime event you won't want to miss."

A variety of acts will be featured during the two-hour show, which is a re-creation of the famous Grandstand "spectaculars" that entertained fairgoers from the 1920s to the 1940s. Acts scheduled to perform include:
• Moto Maniacs is a daredevil stunt show features a variety of thrilling displays including the Cyclone Cycle, a contraption involving a motorcycle spinning a flying aerialist; the Sky Cycle, where a daredevil and a fearless acrobatic ride a motorcycle up a high wire; the Moto Sphere, a high-speed motorcycle chase inside a large steel-caged sphere and other aerial acts.
• Comedian C. Willi Myles has the gift of connecting people with each other through humor and storytelling that everyone can relate to. His career highlights include several appearances on national television and at the legendary Apollo Theater in New York City.
• Human cannonball Jennifer Smith gets fired from her job on a daily basis. Smith, aka "The Cannon Lady," gets shot out of a 27-foot-long cannon with full force, propelling her body 60 feet in the air before landing in a 19-foot-by-52-inch net 125 feet away. Smith is one of just three known female cannonballers in the world with more than 3,000 successful launches.
• Appearing first at the Fair in 1922, the Karl King Band entertained Grandstand audiences for 38 years at the Fair. King was a renowned circus march composer. In fact, fairgoers celebrated "Karl King Day" at the 1952 Fair, one of the rare times that an individual was honored with a special day at the Fair. The Band still operates today out of Fort Dodge. Entertainer Sean Emery will entertain the crowd with his circus skills, comedy, and showmanship. Professionally trained with Ringling Bros. and Barnum & Bailey, Emery is one of the most in-demand entertainers for fairs, festivals, and corporate events around the country.
• Special performances by Spencer Community Schools students, Clay Central-Everyly Community Schools students, Sioux Central Community Schools students, and Spencer Community Theatre, as well as other local entertainers will fill out an unforgettable evening to conclude the 2017 Fair.

The Bash will also provide fairgoers with a chance to give back to their local community.

"While this Birthday Bash is a chance to honor the Fair and its rich history, it is also a chance for us to give back," said Parsons. "The Grandstand (both the original structure and the current structure) has provided memorable performances for 100 years and we want to ensure that the next generation of performers has an opportunity to shine."

Spencer Community Theatre and the music departments of Spencer, Clay Central-Everyly, and Sioux Central school districts will each receive \$1 of each ticket sold - meaning \$4 of each ticket sold will support the performing arts in Clay County.

Tickets on sale now. General admission adults \$15, kids 12 and under free. Tickets are available online at www.midwestix.com, by phone at 515-244-2771, or in person at the Events Center Box Office. There will be no additional fees applied to any of these purchase methods.

"Come Home" September 9-17, 2017 to Spencer, Iowa for our Centennial Celebration! "The World's Greatest County Fair" since 1917, the Clay County Fair attracts more than 300,000 guests each September. "Come Home" for unique experiences including world-class Grandstand entertainment, award-winning fair food, daily livestock and horse shows, more than \$150,000 in free entertainment, thousands of competitive exhibits, the thrilling GoldStar Amusements Midway, hundreds of commercial vendors, and the largest farm machinery display at any fair in the United States. IGL TeleConnect Expands Wireless Service to Dickens and Terril

IGL TeleConnect, the area's fastest growing internet service provider, has announced that it is now able to provide internet service in Dickens and Terril. The company is also expanding their footprint into Sioux Rapids with additional equipment and will erect another tower in Spencer to better serve the increasing demand in town.

The company has been strengthening its position in the local market over the last couple of years using wireless technology. This technology has been especially beneficial in rural areas around Spencer and north-west Iowa where wired technology isn't always feasible. Less than one year ago, the company had announced its expansion into the Everyly community and currently serves almost 1,800 households and businesses in Northwest Iowa and southern Minnesota. "We invest quite a bit of time and capital into building the wireless infrastructure when we expand into a new area," shared Operations Director Karli Kelley. "IGL TeleConnect understands that offering wireless internet helps rural communities as well as helps drive down costs of other providers in the area. It's a win-win for all residents, whether they use our service or not. Providing affordable internet to rural communities is really at the heart of our mission." "We are proud to offer wireless internet for just \$40 a month," added Kelley. "We are known for our 5-star reviews on Facebook and are very proud of our customer service." IGL TeleConnect is a family-owned, Spencer-based company founded in 2012. The company provides internet service to the Iowa communities of Dickens, Everyly, Milford, Lake Park, Superior, Langdon, Greenville, Gillett Grove, Webb, Linn Grove, Sioux Rapids, Terril and areas of Spencer, Okoboji, Arnolds Park, and Spirit Lake as well as some southern portions of Jackson and Nobles counties in Minnesota.
