South Jones' Holmes signs with JCJC

By Zac Chamblee

South Jones basketball standout Bill Holmes will not be going far to continue his playing career. On Monday, Holmes made it official, as he signed with Jones County Junior College.

"I didn't want to leave my family," Holmes said shortly after signing. "I wanted to stay close to my mom. Stuff like that. My family has been everything and very supportive. They've been with me through everything."

Holmes is going to a program that's com-

ing off both an MACJC State and Region 23 Championship, as well as an appearance in the national tourney in Hutchinson, Kansas. The Bobcats also recently hired a new head coach in Randy Bolden, who replaced now Ole Miss assistant, Rahim Lockhart. Holmes has already conversations with Bolden and likes the direction the program is heading.

"We talked and I sat down with him," Holmes concluded. "He said I just have to get stronger and get in the weight room. And put in a lot of work."

West Jones, Wayne County to participate in Timber Bowl

Submitted

The Wayne County EDA and Wayne County High School Athletic officials have developed plans to bring back a updated version of the Timber Bowl to be played on Friday, Aug. 18 at War Eagle Stadium. A pair of games will be played, with Wayne Academy facing off against South Choctaw, Ala., Academy at 6 p.m., followed by a WCHS-West Jones contest. Tickets will be \$7 per person, and the game is included in season ticket packages for WCHS fans.

Patterned after the Red Carpet Bowl that kicks off the season in Vicksburg each season, officials said they wanted to name it the Timber Bowl in honor of the old high school bowl game that was played at the end of the season back in the 1960s. Plans are to host the event each year as a way to begin the football season, with proceeds from the game and events surrounding it to help fund scholarships for local student- athletes and help with local charities.

A FCA banquet will be hosted by First Baptist Church of Waynesboro on Tuesday, Aug. 8. Players from both Wayne Academy and WCHS, along with sponsors and business people, will be in attendance. Luke Johnson, a former player at the University of Southern Mississippi who now conducts overseas ministries, is scheduled to be the guest speaker. A silent auction to raise money for scholarships is also planned for that same night.

Sponsorships for the event are available at various levels, and more information on those sponsorship opportunities for the event will be released at a later date.

A Shepherd's Heart - A few words

Dr. Timothy L. Hubbard

Let My Words Be Few Be not rash with your mouth, but let your heart be hasty to utter a word before God, for God is in heaven and you are on earth. Therefore, let your words be few. - Ecc. 5:2 (ESV)

Phillips, Craig and Dean recorded a song several years ago entitled "Let My Words Be Few" which is based on Ecclesiastes 5:2. Churches around the world have sung this song, since it was first released. It has become one of my all time favorite songs to sing in both private and public worship. The reality of what the writer of Ecclesiastes states in this verse is such a great reminder for us, even today. He reminds us to not be rash with our mouths or hasty of heart to speak words before God. The reason: "For God is in heaven and you are on earth."

The writer is cautioning us concerning our words in the context of our worship. (Ecc. 5:1) He has stated that it is best to listen rather than to offer the sacrifice of fools. This sacrifice of fools is later described as being, "many words." In the song, "Let My Words Be Few," they emphasize this truth

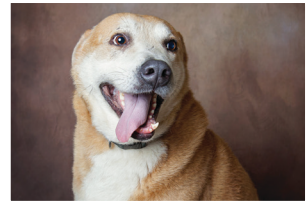

by helping us to realize the greatness our God. When we acknowledge Him for who He is, we cannot help but to stand in awe of Him. As we stand in awe of Him, our words will be few. As I think back over my life, I cannot help but stand in amazement and wonder at all that God has done for me. He is the giver and sustainer of my life. He is the provider of my every need. He is my Redeemer, My Savior and my Lord! He has promised to me eternal life through His Son, Jesus. He has filled me with His Holy Spirit as a Comforter, Guide and Helper in this abundant life.

So indeed, I stand in awe of Him! Do you know Christ personally? If you do then you understand fully what it means to stand in awe of God because you have experienced His greatness in your life. As we live our lives and seek to worship and honor God, may our expressions of worship be honest. May our worship flow out of the truth of who God is and what He has done for us. May our words be few, but may they be words of awe, reverence, praise, adoration and thanksgiving. To God be the glory!

LUCA
arrived at the Animal Rescue League in 2015, in sad condition. His age was estimated to be around 10 years. He developed a strong bond with Lalena, another resident at the shelter. Lalena was just adopted, so Luca is missing his friend. Staff members would love for Luca to find his own family. Luca has been vaccinated and neutered; he is heartworm positive, but he is being treated. He is available at the Animal Rescue League, located at 2511 Moose Drive in Laurel. ARL is open Monday-Saturday, from 10 a.m.-2 p.m. If you have any questions about adopting, volunteering, or donating, you can call us at 601-649-0821. You can also find us on Facebook as the Laurel Jones County Animal Rescue League or visit our website at <http://arllaurel.webs.com>. DeYoung named Laurel School District Teacher of the Year

Submitted

For her exemplary performance in the classroom, Mason Elementary School teacher Jennifer DeYoung was named the Laurel School District Teacher of the Year.

“We are so proud to have Jennifer DeYoung representing the Laurel Schools as our Teacher of the Year,” said Superintendent Dr. Chuck Bengino. “Mrs. DeYoung’s love for teaching and compassionate approach exemplifies exactly what you look for in a teacher. Her willingness to go the extra mile with her students makes each child she works with feel valued and appreciated. It is such a joy to see her receive this much deserved award.”

DeYoung began her education career in 1999 as a teacher in the Mutchmor Public School system in Ottawa, Ontario, Canada. She also worked as an educational technology integrator, early intervention teacher, developmental specialist and a pre-kindergarten teacher before joining Mason Elementary School in 2015.

DeYoung received a Bachelor of Arts in psychology with a concentration in English and a Bachelor of Education in primary and junior education both from the University of Ottawa in Ontario, Canada.

Since 2015, DeYoung has served as a special education teacher at Mason Elementary

School, where she has worked to make sure all children have the opportunity to learn in a safe, caring and encouraging learning environment.

“I have seen that Mrs. DeYoung shows great passion for students,” said Exceptional Education Director Dr. Dorsetta Jordan. “She has a great relationship with students, a positive attitude and a great work ethic. She is a true team player who communicates well with teachers, students and parents. Mrs. DeYoung’s ability to connect with each student, addressing each student’s unique talents and specific needs is absolutely incredible.”

Not only is DeYoung a passionate teacher, she is also a dedicated community volunteer. For two years she has volunteered with the Kids’ Hub Advocacy group and she is actively involved with the Southern Cross Animal Rescue League. She is also a member of The ARC of Mississippi and a prospective member of the Kiwanis Club, where she recently volunteered with fundraising for high school scholarships.

Due to her selection as the Laurel School District’s Teacher of the Year, DeYoung’s nomination was forwarded to the Mississippi Department of Education’s Teacher of the Year Program for consideration on the state level.

Woman “Soaks Away” Cracked Heels After Discovering New Footbath Powder Man Ends Foot Itch and Odor After Twenty Years!

Little Rock – Friends were amazed when a woman who for years had suffered with painful corns and cracked heels, suddenly took up jogging again.

Asked about her remarkable recovery, she explained that a friend had recommended a product called **Liquid Pedicure Footbath Powder**. By soaking her feet in this soothing solution, her corns and cracked heels were literally soaked away.

A New Orleans man who suffered with foot itch and foot odor for 20 years also tried the product. “My foot itch disappeared in one 15 minute footbath. My foot odor was gone in just two soakings” he said.

In an interview with the President of **Liquid Pedicure** – “People are suffering needlessly with painful corns, cracked heels, foot odor and agonizing foot itch.

Liquid Pedicure can help! It’s guaranteed to work or your money back.”

Liquid Pedicure is a powder that when dissolved in warm water forms a soothing 15 minute footbath solution. It smoothes rough, cracked heels, soaks away corns, stops foot itch, rejuvenates tired feet and eliminates foot odor.

It works by loosening and soaking away unhealthy dead skin. This process destroys odorous bacteria, uncovers healthy skin and allows feet to breathe.

In just one 15 minute footbath, your feet will start to look better, smell better and feel better!
