### National Award Honors Mari Stewart

Mari Elizabeth Stewart, artist and former owner of the Side Street Gallery and Frame Shoppe, Arnolds Park, has been honored with the 2015 American Heritage Women in the Arts Award. It is given annually by the National Society of the Daughters of the American Revolution (NSDAR) to a woman who has contributed to her community through her artistic talents. Stewart was nominated by the Ladies of the Lake Chapter, DAR, which serves northwest Iowa and in which she has been an active member since 2006.

Mari Stewart's art work has been widely exhibited. She is a Blue Ribbon Winner at the Iowa Regional Artists Show and won First Place at Tri State Art Show, Rock Rapids. She has exhibited locally at the Pearson Lakes Art Center, Okoboji, and Arts on the Grand, Spencer. Other Iowa exhibitions include the Sioux City Arts Center and Buena Vista College, of which she is an alumna. Her work has been seen from coast to coast including shows in Naples FL and 29 Palms, CA.

At the DAR presentation ceremony, Spirit Lake Library on September 8th, another well known lakes area artist, Timothy J. Arand McIlrath, paid tribute to Mrs. Stewart and thanked her for "all that she had done as an advocate for artists in this area - a past chair of the Artisans Road Trip and a generous contributor of her time and talent."

McIlrath is chairman of the 2015 Artisans Road Trip which will take place on Saturday, October 10, 9:00am to 5:00pm and Sunday, October 11, noon to 5:00pm. He noted that this year, participants will have the opportunity to see a number of artists and their work just by going to the Pearson Lakes Art Center, Spirit Lake, and Arts on the Grand in Spencer.

DAR Regent Colleen Lemkuil said that "with her lively interest in history, Mari Stewart has restored Indian paintings for museums, and recently assisted the Dickinson County Museum with re-framing a 1912 pastel. She created note cards depicting four historical markers in this area and donated the original painting of the Abbie Gardner Cabin in the set to that historical site. She has often framed award certificates for the DAR".

DAR member Marilyn Rowe, a former art teacher from Huntington Beach, CA and Spirit Lake, spoke of her long time friendship with Mrs. Stewart and their travels in which she observed Mari's strong support of women in the arts.

**LETTERS TO THE EDITOR**

The publisher does not necessarily share the views/opinions stated in the "Letters to the Editor" published in The Lakes News Shopper. Shame On You!!

**To The Editor:**

Yes, Shame on all of you who turned your backs on children. Shame on you who ran the "Vote No" campaign against them. You were cowards to not sign your names to all of the anti-new school cards with which you stuffed our mailboxes. You called your group "Citizens For Excellence In Okobojo Schools". What kind of excellence for children's education is it to have them continue in an old, cramped school; having them go to a portable classroom in freezing temperatures; having them go across the busy street to a small patch of grass for exercise?

So what is your plan for excellence in our schools? Oh, that's right, you aren't thinking about our children. You're thinking about your pocketbooks.

What must our children think when they view the wealth in the Okobojo school district, yet they can't have a new school in a safe area? Shame on you!

And shame on those voters who believed all of that campaign against our children and voted no to them having a new school.

You anti campaigners were ashamed to sign your names, but we know who you are anyway. I'm not ashamed to sign my name.

Next time, vote for our children. Show them we care about them and their education.

### IBBB at Bison Burger Picnic

The Bison Burger Picnic which is held annually at the beautiful Prairie Heritage Center, located one mile north of Highway 10 on Yellow Avenue, near Peterson, Iowa has been re-scheduled for Wednesday, September 16 from 5:00 to 7:30pm. Make plans now to come out for this annual picnic and lawn concert. Food will be served from 5:00 to 7:30pm. Bison burgers will be served hot off the grill along with side dishes and watermelon. While enjoying the picnic, you can sit back and listen to music by the Itty Bitty Boji Band. They were a huge crowd favorite last year and they are back for the second year in a row to entertain. Bring your lawn chair for the outdoor concert and relax with your neighbors.

This event is a great way to catch up on the progress at this beautiful nature center overlooking the Little Sioux Valley, while connecting with friends and enjoying an evening on the prairie. Take the opportunity to view new exhibits and learn about up-coming projects. Tickets for the event and the meal are only \$9.00 for adults, \$4.00 for ages 5-8 and those under 5 are free. There is also a discount offered for families. Advance tickets can be purchased from the Conservation Board and tickets will also be available at the door. Advance reservations are not required. Proceeds benefit the Little Sioux Valley Conservation Association and the O'Brien County Conservation Board. This was re-scheduled due to a previous rain date.

**Fly-In Breakfast**

**To The Editor:**  
This past weekend, the Milford Airport hosted a Fly-In Breakfast. The local EAA Chapter gave free airplane rides to children and the Local Boy Scout Chapter. The Local Boy Scout troop cooked and served a Pancake and sausage breakfast served out of The Milford Fire Station...THANKS for all your help, we served over 200 people. Thanks Again Boy Scouts!!!!  
It all went really well except for a few glitches....The Fire Chief decided it wasn't necessary for us to have bathroom facilities therefore LOCKING THEM UP??? No place to wash our hands for sanitary reasons and also the real reason for bathroom facilities. We had people flying in from some distances, what a way to greet them when asked where the facilities were and had to respond "Sorry they're locked", was an embarrassing response for me to reply.  
As far as I know the Fire Station was built with OUR TAX PAYER DOLLARS!!!! The facilities belong to the taxpayers therefore we should have access to the restrooms when a fund raiser is being held. We apologize for the inconvenience!!! Hopefully something can be done about this situation and it won't happen again... and all can work together especially since it is TAXPAYER OWNED!!!!  
Respectfully,  
Char Bockman

# Obituaries

**Bruce Loren Bush** passed away on August 4, 2015, on Bainbridge Island, WA at the age of 69. Bruce was born October 14, 1945, in Lake Park, Iowa, to Addis (Mike) and Hertha Bush. After graduation from Lake Park High School in 1963, Bruce went on to receive degrees at Estherville Jr. College (AA in chemistry), Mankato State College (Bachelor's in chemistry education), and Arizona State University (Master's in inorganic chemistry). Bruce taught chemistry in Boulder, Colorado, until his retirement in 1990.

In his early years, Bruce enjoyed back packing, camping, fly fishing, and working outside around the property. His projects included quarrying rock and building fences. Before and after retirement, Bruce always kept up with current affairs, enjoyed reading, and couldn't pass up a history documentary.

After retirement, Bruce's greatest joy was to spend time with his grandchildren, Hague and Sagel. He felt very fortunate to be able to help raise them. In 2001 Bruce and wife Janice moved to Germany for 3 years and then on to Hawaii for 5 years to be assistant caregivers to the Grandchildren. Bruce and Janice recently resided in Milford, Iowa, for 5 years. A recent move to Bainbridge Island, Washington, in December 2014, was to reside closer to their son and grandchildren. Bruce continued to be a very doting Grandfather.

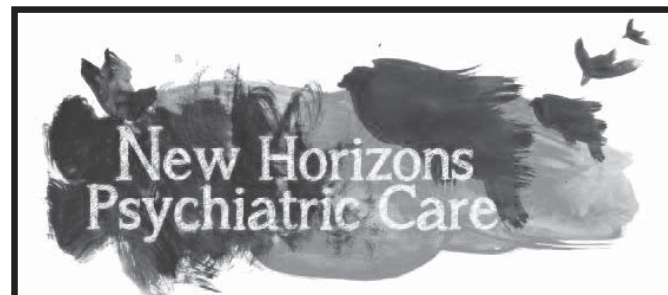

Bruce was a dedicated family historian who gathered as many pictures and stories as he could find in annuals and local publications. He called himself "Choreboy" and delighted in tackling projects inside and outside the home. He always kept the wild birds fed wherever he lived. Bruce was an avid Red Wing collector for about 20 years.

Bruce leaves his wife of 53 years, Janice (Richard) Bush; his son, Byron Bush; grandchildren, Hague and Sagel Bush; siblings: Bob (Pat) Bush; Judy Burns; Warren (Linda) Bush; Joyce (Ralph) Whalen; Ric Bush; Janell Bush; along with many nieces and nephews.

A "celebration of Bruce's life" is planned to be held at the next Bush Family Reunion next summer. Bruce's sense of humor, worldly knowledge, and generosity will be missed by all who knew him.

## The State Of Marriage Discussed At Lifetree Café

The state of marriage in America will be explored at Lifetree Café on Sunday, September 20, at 6:30pm.

The program—"Is Marriage Obsolete? Why More People Are Saying, 'I Don't'"—will examine the declining marriage rate and the underlying causes of the trend.

"With divorces on the rise and people getting married later or not marrying at all, the institution of marriage is coming under fire," said Lifetree representative Craig Cable. "Some wonder if marriage is an outdated concept and is still needed."

The program encourages those who attend to share their views of marriage.

Admission to the 60-minute event is free. Snacks and beverages are available. Lifetree Café is located at the Good News building, 1010 Julia Street, Okoboji, IA 51355.

Lifetree Café is a place where people gather for conversation about life and faith in a casual coffeehouse-type setting. Questions about Lifetree may be directed to Kelli Achenbach at 712.332.5698 or [lifetreecokoboji@yahoo.com](mailto:lifetreecokoboji@yahoo.com).

## Reasons To Attend A Grief Support Group

By Jo Winkowitsch, Milford, Iowa

As another GriefShare support group is about to start its fall session I thought about why a person might want to attend a grief support group. It has been many years since I was catapulted into grief by my daughter's death. Since then I have been trained in grief by my own losses and through education. I have been drawn into being part of the grief support community to help provide a safe place for people to be educated and supported as they processed their own pain and grief. GriefShare was born out of desire to help people find their way in their grief. For those who need the help, GriefShare is a wonderful resource. Here are some reasons for a person to consider attending a grief support group:

1. You feel alone or disorientated and can't seem to find your way. As your relationship with the deceased was unique, so is your grief journey. At a support group you will learn you are not alone on your grief journey, and will find hope that you can find ways to cope and adjust as you share your journey with those who understand. Grief reminds us of how fragile life is, and at a grief support group everyone knows how difficult it is to deal with the losses.

2. You find yourself wondering if you will "get over it" as you think about your grief and loss. As you share and process your grief you will come to understand that grief is a lifelong process when you lose someone to death. You will come to see that you must find your own way of grief, and that you must be patient with yourself as you go. While the agonizing pain of loss diminishes over time, it is never completely gone. People are irreplaceable.

3. Your life seems meaningless and you are having trouble finding a purpose in life. Being with people who are understanding and non-judgmental listeners will help you acknowledge your feelings and help you learn to adjust to your losses as you find your way in your new life. Finding a new purpose in life is part of the grief process and those at a grief support group know that and will support you as you listen and share.

4. You have people in your life who say things like... "God won't give you more than you can endure," or "It's all for the best", or "God needed another angel," or "You will be your old self soon." At GriefShare you will learn that everyone has to find their own way and that it is not helpful to share clichés or platitudes to try to help someone who is grieving the loss of a loved one. You are feeling what you feel and need not try to talk yourself out of your pain or to try to figure out the whys of what happened. A grief group will help educate you on what is healthy grieving and will help you process the helpful and not helpful things well-meaning people say.

5. You worry that death ended your relationship with the one you lost. At a support group you will likely find ways to celebrate the love you shared and the person you loved. Death may have ended your loved one's life, but it did not end your relationship with that person. You carry your memories and love with you as you live your life. Death cannot steal what you have in your heart and mind.

6. You have suffered losses in your life and don't want to think about them. "Blessed are those who mourn, for they shall be comforted." Matthew 5:4. The word mourn here means to get on the outside what is on the inside. I wonder what happens when a person fails to get their sadness on the outside, do they not find comfort? I have seen some come through groups who come in with frozen faces, finding it difficult to talk about or feel the pain of their losses. I have seen people thaw and change as they find a safe place to feel and share and learn. A grief group can be intimidating, but the benefits can provide an amazing freedom and relief, helping a person better deal with the natural process of dealing with the loss of someone special to them. Healing means that one can think about the loved one or be reminded of the losses without feeling like they will fall apart.

GriefShare is a grief support group that meets weekly for 13 weeks. It is meant to be a warm, caring environment and is designed to be an "oasis" on a journey through grief. Each week has time for grief experts and fellow grievers to share about a different subject, and a time for discussion. But no one is forced to talk if they don't want to.

The Okoboji GriefShare meets at the Okoboji Lakes Bible Conference Community Center at 45 S Highway 71, Arnolds Park, Iowa. It will begin at 6:30pm on Monday, September 21, 2015, and continue for 12 more weeks. Session 1 is titled... *Is This Normal?* This session explains what grief is like, why participants shouldn't be ashamed of their grief, and why they shouldn't rush their healing.

## Come Read The U.S. Constitution

Area residents are invited to join the Ladies of the Lake Chapter of the Daughters of the American Revolution in taking turns reading the U.S. Constitution aloud on Thursday, September 17 at the Spirit Lake Library, 701 16th Street, between 12 noon and 5:00pm.

Regent Colleen Lemkuil, Spirit Lake, is scheduling volunteers to read short sections. She can be reached at [stancoleen37@gmail.com](mailto:stancoleen37@gmail.com) or 515-229-4619.

The nationwide celebration of Constitution Week begins 9/17 at 4:00pm when bells will ring across the country. Schools and churches are urged to arrange for bell ringing at that time.

"This is our annual opportunity to raise awareness of this document which is the safeguard of our American liberties and to gain appreciation for our freedoms and protections," observes Regent Lemkuil.

The United States of America functions as a Republic under the Constitution which was framed in September, 1787. It is the oldest document still in active use that outlines the self-government of a people. This landmark idea that individuals have an inalienable right to be free and live their lives under their own governance was the impetus of the American Revolution.

For many years, the DAR has been the foremost cheerleader for celebration of the Constitution. In 1928, the National Society began work on a building as a memorial. John Russell Pope, architect of the Jefferson Memorial, was commissioned to design a performing Arts Center in Washington, D.C. which today is known as the DAR Constitution Hall. This historic building is open to the public along with the extensive DAR Genealogy Research collection, the Iowa Room, and other NSDAR Headquarters sites ([www.dar.org](http://www.dar.org)).

Now the largest women's patriotic organization in the world, 175,000 members promote patriotism, health, education and preservation of the environment in partnership with community organizations. For information on DAR membership and programs, all of which are open to the public, contact Registrar Bobbie Lee Holden, 712-330-5925, [Bobbielaholden@gmail.com](mailto:Bobbielaholden@gmail.com). Help in researching "family trees" will be available at a workshop in Spirit Lake on October 2.

# 'Tis almost autumn

It was a very hot, early autumn day not quite 50 years ago when we first stepped foot on rich Iowa soil and heard a native suggest, "If you don't like the weather, stick around a few minutes. It'll change."

He was right. After a week of excessive heat, this last week was a welcome contrast. Clay County Fair week seems about right as we approach next week's first day of Autumn.

Even while he has had to cancel this week's Tuesday and Wednesday night home concerts, Glenn Henricksen is even busier than usual with shows at the Clay County Fair. He will do several performances each day through Thursday. Then, Sunday afternoon, Glenn and several friends will perform in a mission fund raiser at the Estherville Lutheran Church from 2 - 4:00. The friends are to include Terry Klein, Millie Kittleson, Pastor Lynn Roesler, Susie Jensen, Gene Kaltvedt, and Denny Wheatly...

Jessie James and The Outlaws will be taking over Table 316 in Arnolds Park, Wednesday night, from 7 - 9:00. While the *Itty Bitty Boji Band* is often heard at Table 316, this Wednesday will see the *IBBB* 'on stage' at Prairie Heritage Center Park, on Yellow Avenue, in O'Brien County, just west of Peterson, for the Bison Burger Picnic that was postponed a month ago...

Adam Layman will be on stage in the barn at the Little Swan Lake Winery, Thursday night, from 6 - 9:00; while Dave Rowley and Ryan Sather (or Ryan Sather and Dave Rowley) will take over the same venue, Sunday, from 4 - 6:00.

Some weeks back we mentioned that Claudia Russell will be the featured entertainer at the Little Swan Lake Winery's October FUNd raiser for Jackson's *Rhythm of the River*. Tickets have finally been printed and are available from any *RotR* committee member, at Ashley's Hallmark, in Jackson — and even at the Winery. (As a committee member who never attends meetings, we even have a few tickets.)

As we are putting **RAMBO**ling together, we are looking forward to hearing the *Barbary Coast Dixieland Band* at the Winery the night before *The Lakes News Shopper* hits the streets. If you missed the merry men, they, too, will be at the Clay County Fair through Thursday, at the Northwest Bank stage for three shows a day.

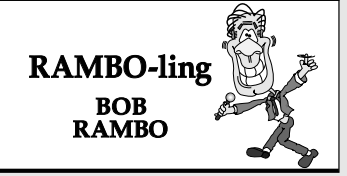

For more details on all the fair's performances, times and venues, look for the *Attractions* tab near the top of the Clay County Fair homepage, <http://claycountyfair.com/>

There was both joy and sadness on Labor Day when Pomerantz Hall at the Pearson Lakes Art Center was packed with toe-tappers and dancers alike, for the *Dick Bauman Big Band*'s final performance of the year.

While there is much conjecture as to why, there seems to have been much more dancing this year than in past years. Many of the sedentary toe-tappers enjoyed the extra entertainment from the dance floor.

One of the most active couples out on the floor that night was nonagenarian Claude Hone, who lives in Sioux Falls and has a home at the Harbor, along with his daughter Nancy, who lives in St. Paul.

The Old Professor was smart enough not to ask Nancy how old she is, or how she kept up to her dad. But we flat-out forgot to ask the WW-II Marine pilot what kind of vitamins he takes...

### Joan Becker To Speak At ILCC

An Iowa author will speak to the public and Iowa Lakes Community College students on Wednesday, September 16. Joan Becker has a 10:00am presentation at the Emmetsburg campus gymnasium and a 1:00pm speech at the Estherville campus gymnasium.

Joan is the author of "Sentenced to Life (The Mark Becker Story) Mental Illness, Tragedy, and Transformation." She is the mother of Mark Becker who lives with Paranoid Schizophrenia and tragically shot and killed Aplington-Parkersburg Coach Ed Thomas.

Joan regularly speaks to colleges, churches, National Alliance of Mental Illness groups, high schools, communities, and mental health service providers.

"The event is free of charge and community members are encouraged to attend either of the events," said Katie Larson, Student Activities Coordinator on the Estherville campus. "There will be time after each event for questions and book sales."

Joan and her husband, Dave, believe God wants them to share their family's story about Mark and the experience their family had of coping with Paranoid Schizophrenia in the hope that it will help other families, caregivers, and professionals understand how they can make a difference in moving forward and improving the mental health system.

"We encourage everybody to attend as Joan will deliver a different view to the tragic event that hit not only her family, but the Aplington-Parkersburg community," said Katie Larson, Student Activities Coordinator.

For more information contact Larson at 712-362-8367.

# To the Citizens of the OKOBOJI COMMUNITY SCHOOL DISTRICT

The Dickinson County Taxpayer Association would like to make four points regarding the September 8<sup>th</sup> Okoboji School election.

- The Dickinson County Taxpayer Association is not against spending money to improve the Okoboji Middle School overcrowding problem.
- Our question was - "had all the possible creative and innovative ways been investigated to solve the overcrowding problem?" We were not convinced spending \$19M was the right solution.
- Now that the \$19M PPEL tax levy proposal has been defeated for a second time we would suggest the Okoboji school administration and the new school board step back to more fully define the middle school overcrowding problem. Once the problem is correctly defined a search for the best and most economical solution can begin.
- We don't believe bringing the same \$19M solution back to the voters for a third time in February is in the best interests of the students or the taxpayers.

**LETTERS TO THE EDITOR**

**To The Editor:**  
On behalf of the Spirit Lake Community School District, it is with great excitement to announce that homecoming 2015 is drawing near! The events for this year will begin on Monday, September 21 and end on Friday, September 25. The Spirit Lake Student Advisory Council has put in a lot of time and effort to pick out a perfect theme and plan all of the fun events for this year's homecoming.

The theme for the 2015 homecoming will be "Time Machine". The dress up day on Monday is called "Greece or Grease". On this day students can participate by wearing some sort of toga (Greece), or dressing up like a "greaser" with their black leather jackets and blue jeans. "History through Film" will be the theme on Tuesday. Each grade in the high school is assigned a specific movie genre to dress up as. Freshmen are all Disney movies, sophomores are westerns, juniors are superheroes, and seniors are sci-fi movies. On Wednesday, we will be fast forwarding through time for "Elderly Day". Students can participate by wearing clothing that resembles an elderly person. The dress up day for Thursday is named "Throwback Thursday". On this day, students are supposed to dress in clothes that remind people of a child or infant. Spirit Day will take place on the Friday of homecoming week. All students are encouraged to show their school pride by dressing in red and black. Besides the dress up days, there are many other planned events as well.

On Monday night at 8:00 pm, the girls of Spirit Lake High School will compete in the annual Powder Puff football tournament. On Tuesday, September 22, there will be a home Junior Varsity and Varsity volleyball game against Spencer starting at 5:30pm; there is a cross-country meet in Sheldon as well. Coronation will be at 8:00pm on Wednesday night at the Sami Center. The Grand Marshall for this year is Barb Mendenhall, the flower girl is Cadence Carlson, and the scepter bearer is Kai DeGroot. On Thursday, September 24, there is an away volleyball game against Western Christian starting at 5:30pm. The Friday of homecoming week starts off with morning pep assemblies with our fall teams and bands. The afternoon includes spirit games and the homecoming parade starting at 2:30pm. The kickoff for the big football game will be at 7:00pm. Our Spirit Lake Indians will be playing the Cherokee Braves for this year's football game. Following the game, students will be able to get cleaned up and go to the homecoming dance at the Sami Center black box. Everyone is very excited for Spirit Lake homecoming 2015, and we hope you are too!

Thank you,  
Charlie Duncan - Publicity Chair Student Advisory Council

**Hawks Win Game, I Win Perspective**

I was out of town on Sunday and Monday this past weekend so I'm keeping my article shorter this week. I normally wouldn't write one, but I know my Hawkeye friends would think I was just pouting after Iowa handed my Cyclones a 31-17 loss in Ames this past weekend. This is the third year in a row that I have picked this game wrong, and several of my Cyclone friends were upset with me this week for picking ISU as they know my record when it comes to predictions.

This series has definitely turned into a nice rivalry, whether Iowa fans want to admit that or not, as the road team has won the last four meetings and in the last 16 years it is deadlocked with each school winning eight games. The recent games have been very entertaining (the last five have been decided in the last 2:00 of the game or overtime) and it's great to see the State of Iowa focused on one event on a fall Saturday, as it's hard to beat the pageantry of college football. Iowa definitely deserved to win this game as the Hawks coaches and players made much better adjustments coming out of halftime than ISU did. ISU took a 17-10 lead into the half and appeared to have momentum after stopping Iowa's fake field goal attempt on the last play of the half. Cyclone fans had to feel good as ISU would also receive the kickoff to start the 2nd half. This is when things went south for the 'Clones as they went three and out and set the tone for the rest of the game. Iowa did a great job on defense, even with star Drew Ott out with an injury, pressuring ISU QB Sam Richardson and covering the talented Cyclone receivers better than they did in the 1st half. The Hawks shut out the Cyclones in the last half while scoring 21 points behind the arm of QB C.J. Beathard, the hands of their receivers who made some great catches, and the legs of Jordan Canzeri. Make no mistake about it, Iowa was the better football team on Saturday and will have a much better season than ISU. Cyclone fans, we could be in for another long season, as we travel to Toledo on Saturday, and they are fresh off a road upset of #18 Arkansas.

While the Big Game is always fun, things really got put into perspective for me and hopefully countless others this past week with former Iowa star defensive back Tyler Sash passing away at age 27. It's always a tragedy when someone this young passes away, and we don't know all the details of Sash's death yet, but it appears he was really struggling with life after football. Former ISU running back Jeff Woody wrote one of the best pieces I have read in a long time that really puts sports and life in perspective, and I urge you to read it; you can find it at <http://jwoody32.blogspot.com/2015/09/tyler-sash-son-hawkeye-athlete.html>. I read it this past week and then on Saturday when I was pouting about the Cyclones losing, had a good friend remind me of the article and how it puts things into perspective. Please take the time to read the article, and the next time you are cursing out a 17 year old for overthrowing a receiver, screaming at a 20 year old for missing a block, or shaking your head about an 18 year old serving the ball into the net, you will hopefully remember the article and that these are kids out there, not just athletes that should be thrust up on a pedestal, but kids playing a game they love!

**Peter Karp And Sue Foley Concert At The PLAC**

The Pearson Lakes Art Center welcomes the music of Peter Karp and Sue Foley in concert in the Lauridsen Performing Arts Theatre at the Pearson Lakes Art Center in Okoboji, Iowa. The concert begins at 7:30pm on Thursday, September 24, and tickets are \$20, for PLAC members \$16, students \$15.

Peter Karp is a gifted singer-songwriter, guitarist, pianist, American troubadour and a master songsmith with an art for spinning true-to-life emotions, humor, and candor. Karp has established himself on the national scene as a critically acclaimed songwriter, and accomplished guitarist and pianist with the release of his debut album entitled "Shadows and Cracks." On the road across the U.S. and Canada, Karp repeatedly transfixed his live audiences. He personifies the amorphous Americana sound, seamlessly blending blues and roots music with a high sense of entertainment.

Sue Foley is considered to be one of the finest blues and roots artists working today. Born to a working class family, Sue spent her early childhood moving from Canadian town to town with her mother and at sixteen, she embarked on her professional career. By twenty-one, she was living in Austin, Texas, and recording for the legendary blues label, Antone's Records. Throughout the 90s she took to the road with her paisley Telecaster and honed her craft, working and sharing the stage with such artists as BB King, Buddy Guy, Lucinda Williams and Tom Petty. After moving back to Canada, Sue won the prestigious Juno Award for her critically acclaimed CD "Love Coming Down" as well as seventeen Maple Blues Awards.

Together, these two artists create a dynamic show of Americana and Blues music.

Call the PLAC box office for tickets at 712-332-7029 or buy them online at <http://lakesart.org/event/peter-karp-sue-foley>.

Founded in 1965, the Pearson Lakes Art Center has focused on broadening horizons through the arts for 50 years. **Thank You To IRRMA From The Castels**

To The Editor:  
 On Labor Day weekend, the Castels were inducted into the Iowa Rock and Roll Hall of Fame. We would like to take this opportunity to thank the members of the Iowa Rock and Roll Music Association, all of their wonderful volunteers and all of the participating sponsors for this honor. It truly was a weekend that we'll remember forever.

For anyone who hasn't attended the ceremonies and the concerts, we can only say that you are missing one of the premier events held in the Lakes area. We never could have imagined the depth and professionalism of the weekend's activities. The awards ceremony and the meet and greets were done first class; and the concerts Friday and Sunday evening showcased talent that would have wowed the audience on any stage in any big city or music venue. Thank you for this honor, and for bringing together all of the talent that you recognized and showcased this past weekend. As lifetime fans of rock and roll, we can truly say that we've never been to any concert anytime where that much talent was displayed in one evening.

Thank you,

**Donations Made in Honor of Dale and Faye Peterson**

Article by: Latona Irene Peterson Pisa

Donations were made this week to two area museums by Latona Peterson Pisa in memory of her deceased parents Dale Emerson Peterson and Faye Cave Peterson. Latona grew up in Milford where her father's family included two founding fathers, (family names Rasmussen & Peterson) operating two of the first local businesses in Milford, a blacksmith shop and a lumber yard. Dale's great grandfather Samuel Thompson Emerson originally homesteaded the land now known as Emerson Bay State Park on West Lake Okoboji. Emerson Bay was named after Dale's family. Dale was a third generation builder in the Lakes area.

Teresa Garvey and Latona Irene Peterson Pisa at the Dickinson County Museum.

The Iowa Great Lakes Maritime Museum in Arnolds Park received a donation of a compilation of historical documents and family genealogical materials dating back 15 generations. Family names include Peterson, Rasmussen, Emerson and Doolittle. Agnes Doolittle, a cousin of Latona's, helped Faye trace the family history. Their research that can now be viewed at the museum links Dale's lineage to Kings in England in the 9th Century a.d., signers of the Magna Charta, an ancestor who arrived in America on the Mayflower, and Rebecca Nourse who was one of the first three girls put to death during the Salem Witch Scare in Massachusetts. Agnes was a noted teacher and historian in the Lakes area.

The Dickinson County Historical Museum in Spirit Lake received a donation of historical documents and genealogical materials concerning Faye's paternal and maternal sides of her family with records dating back to the 1800s. Family names include Cave, Banning, Messenger and Lockmiller. This has been donated in recognition of Faye as co-founder and 30-year curator of the museum. Her family resided in the Spirit Lake and Arnolds Park areas.

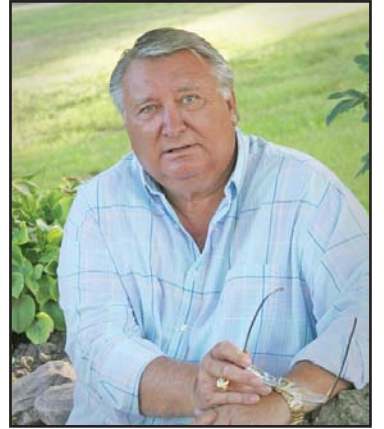

In addition to her role as curator for the museum as a 30 year volunteer, Faye conducted school and community group tours of the museum, taught Dickinson County history courses at the community college in Estherville, gave lectures on any number of topics to include antique lace, antique Christmas ornaments, antique fans and Valentines and co-authored a revised edition of a local book entitled THE SPIRIT LAKE MASSACRE. She also appeared on radio and television shows talking about Dickinson County history, the museum, and family contributions to area business and community endeavors.

Dale and Faye were very community minded. Dale was involved with the Milford Utilities Board for many years, was on the Board of Assessment for the county and was active with the local 4-H and Milford Saddle Club. Faye worked on the Community Fund for many years, was a member of the Womens Club in Milford, active in the church, the historical society, and participated in Census taking.

It is the hope of Latona and her family that the wealth of historical materials presented to these two museums can now be enjoyed by family members and interested parties as they visit the Lakes area and endeavor to learn more about its history and the pioneer families that forged that history.

## Northwest Financial Corp. Receives Top Workplace Award

Northwest Financial Corp. has been awarded a 2015 Top Workplace honor by the Des Moines Register. The Top Workplace lists are based solely on the results of an employee feedback survey administered by WorkplaceDynamics, LLC, a leading research firm that specializes in organizational health and workplace improvement. Several aspects of workplace culture were measured, including Alignment, Execution, and Connection, just to name a few.

"The Top Workplace award is not a popularity contest. And oftentimes, people assume it's all about fancy perks and benefits," says Doug Claffey, CEO of WorkplaceDynamics. "But to be a Top Workplace, organizations must meet our strict standards for organizational health. And who better to ask about work life than the people who live the culture every day—the employees. Time and time again, our research has proven that what's most important to them is a strong belief in where the organization is headed, how it's going to get there, and the feeling that everyone is in it together. Claffey adds, "Without this sense of connection, an organization doesn't have a shot at being named a Top Workplace."

## Krull's Creations Raffling Handcrafted Cutting Board

**Proceeds To Go To Feed Our Children**

Krull's Creations will be raffling a handcrafted cutting board at the Innovation Pavilion at the Clay County Fair starting Saturday, September 12. The maple and walnut cutting board is handcrafted and measures 13" x 18" x 2" thick. Raffle tickets can be purchased for \$1.00 each, and all the proceeds will go to Feed Our Children of Spencer.

Pete Krull, Owner of Krull's Creations, chose Feed Our Children as the receiving organization because of the alarming number of hungry children in the community.

"Until last year when I became a volunteer, I wasn't aware of the number of children in Spencer that are food insecure over the weekend," said Krull. "The organization has a broad base of support from the Spencer community including churches, businesses, civic groups and private donors, but it has and will continue to need all of our support to meet the needs of the communities' children."

Krull's Creations produces high quality and functional handcrafted utilitarian products for everyday use. Krull's Creations specializes in butcher block style cutting boards, made to order in a variety of sizes and woods. Krull's Creations also produces pepper mills and uniquely engraved pens using corn cobs and deer antlers.

Krull has hosted a booth in the Innovation Pavilion since 2014. Krull became acquainted with the Iowa Lakes Corridor through his former employer, who was an investor.

"I was familiar with the Corridor through my former employer, as they are an investor in the Iowa Lakes Corridor," said Krull. "As an individual, I knew when I retired I would want to start a business and attended the 'Prepare to Launch' workshop conducted by Brian Dalziel (the course instructor). The class helped me get my business off the ground, and I've enjoyed having Brian as a mentor after completing the class."

The Krull's Creations booth will be located in the northwest section of the Innovation Pavilion, and the Corridor's Innovation Pavilion is located on the southwest side of the fairgrounds. For more information about the raffle, contact Pete Krull.

Irene is pictured above with a nice old wooden sign from the Gates Wood Cottages at Arnolds Park. The sign was used as a shelf in an outdoor shed. Visitors to the museum are impressed with all the original signs, pictures and advertisements from the lakes area that we have. The Clark Museum makes a great place for a club or organization to visit and listen to me, Jerry, talk about history. The museum is located 1 mile west and 1/2 mile north of the Catholic Church in Milford. Stop by when going to or from the county fair. ## Milford Library News

The Milford Memorial Library will have four discs and a bag for people to check out to play disc golf. Milford just put in a new nine-hole disc golf course located in Calkins Park behind Dynos Gas Station. A special thank you to the Milford Parks and Recreation Department for purchasing the discs. Join us on Friday, September 18, at 4:00pm, to learn how to disc golf. The owner of Ascension Disc Golf, Tanner Lyons, will be teaching how to disc golf. Meet at the Milford Memorial Library and we will head over to Calkins Park and the new Milford Disc Golf Course.

One's Company, with actress Pippa White, will be performing "The Story of the Orphan Train" at 2:30pm on Friday, September 25, at the Milford Memorial Library. The show is sponsored by the Friends of the Milford Memorial Library and the Friends of the Spirit Lake Public Library.

Join us for great stories and much more every Friday morning at 10:00! Betty, our children's librarian, looks forward to sharing stories with you! No pre-registration is necessary. The theme this week is "Let's Be Friends."

Milford Memorial Library will be closed on Thursday, September 24, for Staff Development Day.

## New Equipment At Milford City Parks

A 9 hole Frisbee Golf Course was installed at Caulkins Park, in June, by volunteers from Polaris and the city of Milford employees. They would like to thank Sunshine Foods for the donation of water and donuts. The Milford Library has invited Tanner Lyons from Sheldon to do a program on how to disc golf on September 18 at 4:00pm.

## Brain Tumor Awareness 5K

Brains Together For A Cure (BTFC) is hosting a 5K Walk/Run For Brain Tumor Awareness on Saturday, September 26, at Fairview Elementary School Walking Trails (1508 5th Avenue East) in Spencer, Iowa. Registration is at 9:30am and the walk/run begins at 10:00am. The registration fee is \$20 (\$10 for event participation only) and includes a complimentary T-shirt and door prize.

The event will feature a silent auction, raffle items, a bake sale, refreshments, handmade beaded awareness bracelets and apparel available for purchase.

BTFC was established in 2007 by Mayo Clinic staff members along with brain tumor patients and their families. All proceeds raised by the group are donated to the Mayo Clinic to fund promising brain tumor research. Over \$400,000 has been donated for brain tumor research and education thus far.

Brain tumors do not discriminate. Primary brain tumors - those that begin in the brain and tend to stay in the brain - occur in people of all ages, but they are statistically more frequent in children and older adults. Metastatic brain tumors - those that begin as a cancer elsewhere in the body and spread to the brain - are more common in adults than in children.

## City of ARNOLDS PARK NEWSLETTER FALL 2015

### ATV, ORV & SNOWMOBILE ORDINANCE

The City recently passed an ordinance allowing ATVs, ORVs, and snowmobiles to operate on City Streets.

All persons operating must have a valid motor vehicle license, provide current proof of financial responsibility, and provided proof of registration as required by the Iowa Code Chapter 3211.

ATVs, ORVs, and snowmobiles are allowed to operate in the City from sunrise to sunset except for emergency situations or for loading or unloading from a transport trailer. ATV's may be operated during prohibited hours for snow removal purposes.

All ATVs, ORVs, and snowmobiles must be equipped with brakes, lights, muffling devices, and other equipment required by the State of Iowa law.

ATVs, ORVs, and snowmobiles will be allowed to cross Highway 71 at Broadway Street and 202nd Street, but will not be allowed to operate on Highway 71. ATVs, ORVs, and snowmobiles will be allowed on all other City streets.

ATVs, ORVs, and snowmobiles will not be allowed to operate in any City Park, playground, or upon any other City property without permission of the City.

No ATVs, ORVs, or snowmobiles shall operate on City streets at a speed greater than thirty-five (35) miles per hour even if the posted limit is greater than thirty-five (35) miles per hour.

Please stop by or contact City Hall for a complete copy of this ordinance.

### PROJECTS

**Main City Park:** The new shelter house, landscaping and lighting at the City Park is nearly complete. The City will hold an Open House on Friday, September 11 from 2:00-4:00 P.M. The address is 84 Dewey Street Arnolds Park, Iowa. Come join us for light refreshments and help us celebrate our new park. Hope to see you there!

**Watermain on Monument Drive:** The watermain project is complete. The street repair on Monument Drive is scheduled to be completed by the end of September.

**Lakeshore Drive:** The south half of Lakeshore Drive has been finished. The overlay on the north half of Lakeshore Drive is near completion.

### AT THE LIBRARY

As of July 1, 2015 the Arnolds Park Library met the conditions for state accreditation. Achieving state accreditation requires significant, ongoing commitment in all areas of library operations including governance, funding, staffing, library collection, services, public relations, access, and facilities.

With our new accreditation, the library will receive a higher rate of compensation through Iowa Library Services' Enrich Iowa program as well as the maximum amount of state aid allowed for tier III libraries.

The library will continue to host a Monday morning Mah Jongg club through the fall and winter months. The players meet at 9:30 A.M. every Monday. If you are a Mah Jongg player or would like to learn the game we invite you

to stop by the library on Monday mornings to meet this wonderful group of players.

Book club continues to meet the second Wednesday of each month at 10:00 A.M. The group has a wonderful list of books picked out for this fall. Each month a different book is discussed and coffee and treats are served. If you are interested in learning more about book club, please stop by the library.

Our children's and junior fiction sections have a new look this fall. All of the books have been colorized and separated into reading levels. The children's books are marked with a blue label. Children's books are great for family reading time. The easy reader books which are great for anyone beginning to read on their own are marked with a yellow label and have been given their own section to make it easy for kids to find books. Early chapter books which are located next to the easy readers are marked with an orange label. This section is perfect for older readers who aren't quite ready for junior level books. The junior fiction is marked with a green label on the books and is classified for ages 8-12. Junior books are for more advanced readers.

We hope that color coordinating the different sections of books available not only makes it easier for kids to find a book they're interested in, but to find a book that is appropriate for their reading level. Signs with the color distinctions have been posted in each section to help parents and kids with the transition.

The adult fiction section continues to add new books daily. The most popular authors are on standing pre-order and the library receives their newest book the day it is released. We invite you to come in and catch up on the year's best seller books and enjoy a cup coffee, tea, or cider at our coffee station.

### POLICE DEPARTMENT

Fall has arrived and the new school year is well under way. In an effort to keep all of our kids safe, we are asking that everyone use caution when approaching a stopped school bus from either direction. When the warning lights are flashing and the stop arm is extended, you MUST

stop and allow the children to enter or exit the school bus safely. Whether a school bus is picking up or dropping children off on either a two-lane road or three-lane highway, you must stop when the warning lights are activated. We appreciate everyone's cooperation in keeping our school children safe.

We can tell by the falling temperatures, that winter will soon be here. We would like to take this time to remind everyone of a few things:

- Keep your sidewalks free of snow and ice. This is the responsibility of the property owners in both the residential and business districts.
- During snow removal, do not park, abandon, or leave unattended vehicles on any public street, alley, or City owned off-street parking area unless the snow has been removed or plowed from said street, alley, or parking area and the snow has ceased to fall. Any vehicles left on City streets following a snowfall of 2 inches or more will be ticketed or towed at the owner's expense whether or not a snow emergency has been declared by the City.
- Keep a winter emergency kit in your car. You never know when or where you may become stranded.
- Drive Carefully. Please allow extra time to reach your destination and use caution when traveling on wet or snow covered roads.

Any resident of Arnolds Park that is leaving for an extended amount of time this winter may come to the Arnolds Park Police Department and fill out a House Watch form. This will allow the police department to contact you or an emergency contact should there been an incident that involves your residence.

If you have any questions or concerns, please contact the police department at 712-332-2227.

### YARD WASTE & OPEN BURNING

The City has proper disposal methods for yard waste and we ask that it never be blown onto or placed on the streets, public roads, or neighboring lots.

Yard waste is collected on Tuesdays. If you

wish to have your yard waste picked up it must be placed in City bags, tied shut, and placed at the curbside by 7:00 a.m. on collection days. If you choose to burn your yard waste, please be courteous to neighbors and use good judgment based on weather conditions. All fires must be attended by a person 18 years of age or older at all times. Any yard waste you burn on your property, must originate on your property.

**The burning of garbage, rubber, or anything of a toxic matter is strictly prohibited. Yard waste cannot be burned on City property.**

### WINTER UTILITY SHUT DOWN

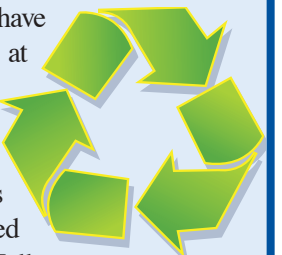

Every winter there are homes that have water lines freeze up and break. In addition to water issues, we have seen sewer back-ups over the past several years. If a homeowner is leaving for a period of time, the water to the house should be shut off. If for some reason there is a power outage, or the heat should go off, a flooded lower level might be avoided. In addition, it would be wise to have someone check the house periodically.

### REMINDER

Garbage pick-up switches back over to only being picked up on Mondays after the Labor Day holiday.

### RECYCLING

Shamrock is now picking up recycling at local businesses. If you wish to have them pick up recycling at your business you must contact them directly to set up a separate billing account. Local business recycling cannot be billed through utilities at City Hall. You may reach Shamrock at 712-922-4172.

### EMERGENCY NUMBER

If you have a water or sewer emergency on weekends or holidays, please call the Dickinson County Communications Center at 712-336-2525.

Take a look at our new, re-vamped, easy-to-use website [www.arnoldsparkcity.com](http://www.arnoldsparkcity.com)

**Reading the Constitution**  
Come and join the Ladies of the Lake Chapter Read the Constitution of the United States and the Declaration of Independence. People say "This is in the Constitution." Come and read it and get a copy and then you will know what is in the Constitution and with education you can make your own judgements. Come and read and bring others with you to listen and learn.

September 17, 1787, All 12 state delegates approve the Constitution, 39 delegates sign it of the 42 present and the Convention formally adjourns. June 21, 1788, The Constitution becomes effective for the ratifying states when New Hampshire is the ninth state to ratify it. March 4, 1789, The first Congress under the Constitution convenes in New York City. And then in April 30, 1789, George Washington is inaugurated as the first President of the United States. Yes, it took 2 years to get this done.

"You can read the Constitution pretty fast. It is 34 pages long in the booklet. Each person reads for 15 minutes and around 10 readers gets us through the Constitution. Some of our readers may trace their heritage back to one of the signers. They may stop and tell you that.

It really is fun and you learn and we will have treats for you. Have a cup of coffee and a cookie and hear the Constitution read. Times are from 12 to 5 on Thursday, September 17, at the Spirit Lake Library. See you there", said Sue Fontaine, Chairwoman.

Other readers include Maryanna Hubbard, JoAnn Heerd and Colleen Lemkuil and Paula Zenor and you and some of the library staff will join us on their breaks and you. Sign up at the library at the clip board or email Colleen at stancolleen37@gmail.com.

## DAR Receives Grant

The Ladies of the Lake Chapter of the Daughters of American Revolution has received funding from Humanities Iowa, a private non-profit state affiliate of the National Endowment for the Humanities, to host a free presentation called "Iowa's Hidden Treasures" at Keelson Harbor at 1:30, Tuesday, October 13. A cultural resource for Iowans since 1997, Humanities Iowa offers many cultural and historical programs and grants to Iowa's communities.

The program "Iowa's Hidden Treasures" will be presented by Dan Kaercher, long-time editor of Midwest Living magazine and currently host of IPTV's program "Iowa's Simple Pleasures." During his media career he has explored the Midwest and specifically Iowa for interesting places to go and things to do. In his presentation he will share much of what he has learned with his audience.

Keelson Harbor is located in Spirit Lake off Highway 71 at 2810 Aurora Avenue. Anyone needing special assistance to attend this presentation, please call DAR Ladies of the Lake Regent Colleen Lemkuil at 515-229-4619 or Maryanna Hubbard at 712-332-7919.

## The Lutat Girls Culminate Their Horse Show Season At The Top

Faith and Grace Lutat, daughters of Dan and Melissa Lutat, rural Estherville, spent their summer traveling around Iowa competing in the Northwest Iowa Horse Show circuit. This was their first year competing for year-end awards and they were excited to see a season of hard work pay off.

Faith, a sophomore at Estherville Lincoln Central (ELC) and the Estherville Saddle Club Queen, grabbed top honors in Showmanship at Halter and in Youth Western Pleasure for 13 – 17 year olds. She placed 2nd in Senior Pleasure for horses over 6 and 3rd in Youth Walk Trot. Her sister Grace had a great year too. Grace, a 5th grader at ELC, was 2nd in Showmanship at Halter and in Youth Western Pleasure for 12 years and under.

She is the third generation of the Henry Von Ohlen family. Her path took her out of Jackson County, but her memories of growing up on the farm remained strong. ## Treatments For Hip Joint Pain Discussion

The Centers for Disease Control and Prevention says that one in four people develop painful hip arthritis in their lifetime. However, according to Northwest Iowa Bone, Joint & Sports Surgeon Chris Rierson, D.O., there are many treatment options to reduce pain and inflammation and help you regain mobility and the lifestyle you desire. These treatment options and more will be discussed at a presentation by Dr. Rierson on Wednesday, September 23.

Dr. Rierson will specifically focus on osteoarthritis of the hip. Topics during the half-hour long presentation will include joint pain, arthritis, treatment options, and orthopedic surgery. There will be an opportunity to ask Dr. Rierson questions during and after the presentation.

"Although arthritis is common, it doesn't mean it needs to be common to live with the constant pain," said Dr. Rierson. "The presentation will be a great way to know what your options are to alleviate the pain and improve your quality of life."

The presentation, hosted by Northwest Iowa Bone, Joint & Sports Surgeons and Lakes Regional Healthcare, will be held on Wednesday, September 23 from 12:00 until 1:00pm in the Big Spirit Conference Room in the lower level of Lakes Regional Healthcare. Admission is free and a light lunch and beverages will be provided. Pre-registration is requested by calling 712-336-8799 by September 21, to ensure space and lunch availability.
