### "Remembering Our Fallen"

Memorial Photo Exhibit of Iowa Fallen on Display July 30 - August 5, 2015, Lake Park, Iowa

"We must remember these American Heroes and speak their names when we see their family members. We can never forget those who sacrificed everything for our freedom," said Dr. Mary Hawkins, President, Bellevue University. "This exhibit is created in such a way so it can travel throughout Iowa, offering more people an opportunity to remember Iowa's Fallen."

A very emotional exhibit, "Remembering Our Fallen," is a stark reminder of the ultimate sacrifice made by 92 Fallen from Iowa killed in The War on Terror while wearing our country's uniform in a war zone. The photo exhibit, which includes military and personal photos of each of Iowa's Fallen, is traveling throughout the state and will be coming to Lake Park Iowa.

The American Legion Post #371 of Lake Park in conjunction with the Lake Park Public Library is thrilled to be bringing the "Remembering Our Fallen" to Lake Park over the Farmers Appreciation Weekend. The exhibit will be on display in the Lake Park Community Center from July 30 through August 5, 2015, with the hours of 9:00am to 9:00pm.

This exhibit, and 15 other state exhibits representing almost half of our country's Fallen since 9/11/01, have been created by Patriotic Productions, a non-profit organization, in Omaha, Nebraska. Their goal is to complete an exhibit for every state. More information is at: [RememberingOurFallen.org](http://RememberingOurFallen.org) or [PatrioticProductions.org](http://PatrioticProductions.org).

The financial sponsor of the exhibit is Bellevue University, a private, non-profit university in Bellevue, Nebraska. Founded in 1966, it has been a military-friendly school for 45 years. Bellevue University was an early adopter of distance learning and is now a leader in online education with students in every state and 55 foreign countries, including Afghanistan and Iraq. More information can be found at: [Bellevue.edu](http://Bellevue.edu).

**Interiors Donates to Local Charities**

Interiors recently celebrated their Grand Opening in the Great Lakes Mall. A percentage of the weekend's sales were donated to four charities: The Ronald McDonald House, The American Cancer Society Hope House, Gift of Life Transplant House and CAASA.

Interiors, (formerly a Thousand Baskets), features home furnishings and home decor and chose charities not only because they fit into the stores "home" theme, but also because Interiors' store manager, Lori Miller and her family have benefited from the first three.

"We are so blessed to have these charities available to us, and we also wanted to make sure we gave back in the area- so we wanted to include CAASA as well." Each charity received \$200. Interiors is open Monday - Friday 9:00am - 6:30pm, Saturday 9:00am - 5:30pm and Sunday 12:00 - 5:00pm, and is located in the Great Lakes Mall in Spirit Lake.

Stepping Back in Time  
by Jerry and Irene Clark of the Clark Museum of Okoboji and Iowa History.

Pictured is the High Point Hacienda and the beautiful Sky Lounge, long famous for "fine foods and entertainment, dancing nightly". Owners were Bill and Lou Houser. "Follow the beacon to the west side of Okoboji on Highway 32 (now Highway 86)". Many people will like this picture. The museum also displays a chandelier from the High Point's dining room and lots of other pictures. Many people remark, "How did you find all the signs, amusement park items, pictures and advertisements? Your museum is one of Okoboji's greatest treasures." These items are all original and they are owned by the Clark Museum. The museum is located 1 mile west and 1/2 mile north of the Catholic church in Milford. Call 712-338-2147 or email [ijklark1@msn.com](mailto:ijklark1@msn.com) for any information. The museum is air-conditioned.

## The Rusty Wright Band At PLAC

The Rusty Wright Band, a blues and Southern rock band from Flint, Michigan, will be performing at the Pearson Lakes Art Center on Wednesday, July 29 at 7:30 - 9:30pm.

What sets the Rusty Wright Band apart from the pack, is its music seamlessly assimilating everything from early prog-rock to "the intricate melodies and harmonies and counter-rhythms" of the Allman Brothers to the "cool riffs" and "right-in-the-pocket" grooves of Chicago blues guitarist Hubert Sumlin to the "big heavy bass beats" of electronic music. The Rusty Wright Band's music even appeals to people who think they don't like blues. Their other influences include Stevie Ray Vaughn, Robin Trower, Joe Bonamassa, and Freddy King.

John Sinkovics of LocalSpins.com writes, "Mix together equal helpings of top-notch musicianship, vintage blues passion, Southern rock verve, blue-collar sentiment and a joyous stage attitude, and you've got the Rusty Wright Band. Over the past decade, Michigan hasn't produced a more compelling rock-infused blues outfit."

For guitarist and singer Rusty Wright, it's "all about the moment," commanding the stage to deliver the musical heat, the infectious grooves and the penetratingly sincere songs that have earned the Michigan musician a burgeoning national audience and recognition as a Master Blues Artist in the International Blues Hall of Fame.

Those who have seen Wright and his top-drawer band - wife and singer-guitarist Laurie Wright, drummer Marc Friedman and bassist Dennis Bellinger (Grand Funk Railroad) - perform live will attest to the outfit's razor-tight, explosive delivery of inventive blues songs with tasty helpings of Southern rock and Detroit-bred grit.

It's that rare combination, along with Wright's trademark of flowing white hair and eye-popping guitar leads, that commands immediate attention and fills dance floors and earns roars of approval.

"Art gives life its real color and it's that joy that makes it more than just a day-to-day drudge," the guitarist says of creating music that audiences embrace.

Tickets are \$20, for PLAC Members \$16, and Students \$15. Get tickets by calling the PLAC box office at 712-332-7029 or online at <http://lakesart.org/event/rusty-wright>. More information about the band can be found at <http://www.rustywrightblues.com>. This concert is sponsored by Dan and Jane Hummel, and Dick and Judy Anderson.

## Artist Will Be At Okoboji Store And Iowa Great Lakes Maritime Museum

On Thursday, July 30, artist Candy Mayer will be present from 1:00pm to 3:00pm at the Iowa Great Lakes Maritime Museum gift shop and from 4:00pm to 6:00pm at the Okoboji Store. Candy's work is for sale at both places. She will be on hand to sign any of her work.

Candy was born and raised in the Lakes area. Her great-great grandparents, the Fred Roffs, arrived in Okoboji in 1881. Her great-great Uncle, Roy Roff, was the pilot of the Queen. Her great-great grandparents, the W.S. Wilsons, settled in Okoboji and purchased the Okoboji Store in 1888. Her grandfather, Zeke Wilson, operated the Okoboji Store Boat Livery for 47 years, from 1924-1971. The Wilsons were involved with the Store for 69 of its 92 years. Her mother, Doyne Hummel, still resides in Spirit Lake.

## Gooch And The Guys At The Inn

Gooch and The Guys will be at The Inn on July 29 in the Lake View Room 7:00 - 9:30pm. Tickets are \$10.

Michael "Gooch" Gurciullo started playing trumpet at 9 years old. His musical journey has taken him from Australia to Europe and many locations in between. He studied music at the prestigious North Texas State University, considered by many to be the "Harvard" of music schools.

Gooch worked the Las Vegas Strip for 15 years where he performed at most of the major showrooms with the various headliners. His last job was the lead/jazz trumpet chair for Wayne Newton. In 2004, Gooch also founded the Las Vegas Big Band. He assembled the top-call players with him on Monday nights to bring some of the hottest big band jazz to the Las Vegas scene.

In 2008, Gooch returned to his hometown, Omaha, and reassembled the Las Vegas Big Band with the finest players in the area. They perform every Monday night at Anthony's Steakhouse. Their first CD was released in 2011. It was entitled, "The Other Half of Me." They have a second CD release due out in June 2015. It is entitled, "Start of Something Big."

For more information on Gooch and his band visit the website [GoochBigBand.com](http://GoochBigBand.com)

Dan Cerveny has been a much "in demand" keyboardist for over 30 years. Known for his ability to play in different musical styles he has performed with such notable and diverse artists as Bo Diddley, Wayne Newton, Chris Isaac, Neal McCoy, the Omaha Symphony, the USAF Heartland of America Band and has worked with most of the Midwest's great musicians like Michael "Gooch" Gurciullo, Joey Gulizia, Matt Wallace, Susie Thorne, Jimmy Weber, and Billy McGuigan and bands as varied as "The Confessionals" (R&B), "Blue House" (Blues), and Omaha's "Las Vegas Big Band" (Big Band Swing) and many great jazz soloists and vocalists. He recently had one of his songs recorded by 3 time Grammy nominee, jazz vocalist, Karrin Allyson on her Holiday CD called "Yuletide Hideaway".

The Inn is located at 3301 Lakeshore Drive in Okoboji. For more information call 712-332-2113 or visit them on Facebook or their website [bojifun.com](http://bojifun.com).

## Okoboji Summer Theatre Presents The Taffetas

The Okoboji Summer Theatre is pleased to present The Taffetas by Rick Lewis. Love the music of the '50s? Then this is the perfect show for you! The production runs from Tuesday, July 28, through Sunday, August 2, and is generously sponsored by two sponsors: Syrena & Henry Whitfield and Rob, Joanie, Rosie, Goldie, Buzz, & Lucky Peters.

Because of popular demand, we have added an extra matinee on Friday, July 31 at 4:30pm. Call the box office at 712-332-7773 for more information.

A talented quartet of singing sisters is set to make their television debut. Will Ed Sullivan be watching and snatch them from obscurity to stardom, or will they have to return to Indiana with dashed hopes? This toe-tapping celebration of 1950s girl groups will have you humming for days. Featuring songs such as "Johnny Angel," "Mr. Sandman" and "Where the Boys Are," make the show a surefire crowd-pleaser. The Daily News says it's "the happiest night in town!"

Tricia Brook, a Stephens College alum, returns from New York to the Okoboji Summer Theatre for her second summer as a guest director. Not only do her credits include directing, but it also includes writing and choreography in several stage shows as well as for television. From the Broadway Workshop, to Atlantic Stage 2, to choreographing for Fox, ABC, and Showtime, OST is truly lucky to have Tricia back.

The Taffetas runs Tuesday-Sunday, July 28-August 2. Curtain times are Tuesday through Saturday at 8pm; Saturday matinee at 4:30 pm, Sunday evening at 6 pm. Tickets are \$20 and may be purchased at the OST box office at 2001 Highway 71 North, by calling 712-332-7773, or by email at: [boxoffice@okobojisummertheatre.org](mailto:boxoffice@okobojisummertheatre.org).

Spotlight Series: Join us on Friday night, July 31 from 7:15-8 pm for our spotlight series that highlights the talents of the OST company and provides some preshow entertainment. We also offer free babysitting during the Friday night show. Call the Box Office to reserve a spot for your child.

Special Ticket Discounts: Two students, 13 and above (including college students), will be admitted for the regular price of one on Wednesday and Thursday evenings. Two senior citizens, age 60 or older, will be admitted for the price of one on Saturday matinees (4:30 pm) and Sunday evenings (6 pm). ALL Saturday evening (8 pm) performances are now available at the two-for-one ticket price for ALL ages. All active and reserve military may purchase two-for-one tickets for any 8 pm performance.

Owned and operated by Stephens College, Okoboji Summer Theatre is proud to celebrate its 58th season in the Iowa Great Lakes region. Please 'Like' us on Facebook, and follow us on Twitter at @ExperienceOST to learn more about the exciting productions this summer.

## LETTERS TO THE EDITOR

### To The Editor:

The Milford Commercial Club would like to thank everyone who joined us for any part of our Pioneer Days celebration last weekend. It was a great weekend full of lots of fun activities and, we hope, something for everyone. We would also like to thank the numerous volunteers who helped in any way to make the weekend a success. ## LETTERS TO THE EDITOR

### To The Editor:

My family wanted to take the time to thank the staff at the Preservation Plaza for booking The Waiters to perform on 7/25/15 and to thank Vugteveen Lawn Service for their sponsorship of such a great show. My family and I are great fans of music and attend many of the outdoor concerts at the plaza. In my humble opinion this show was by far one of the best. To hear the legendary songs of Bob Marley played by the Waiters in a beautiful outdoor setting is part of what makes our area great. Kudos to those responsible for this amazing opportunity to see such a great band and we would love to see them again and again.

Sincerely,  
Kelly, Deb and Aidan McKeever • Spirit Lake

## Civic Music Association Presents Free Patriotic Concert

Civic Music Association and the Johnston Public Library are pleased to present a free patriotic concert featuring Keith Brion and his New Sousa Band on Monday, August 3 at 7:00pm at the Sami Bedell Center for Performing Arts in Spirit Lake, Iowa.

Iowa soprano Virginia Croskery, who is a veteran of several international tours and national and Broadway performances of Phantom of the Opera, will be singing with the band.

The New Sousa Band performs with the excitement, style, spirit and ensemble sound of John Philip Sousa's original band. The ensemble has been featured on PBS and BBC and has performed with major national and international orchestras. Their first public performance took place at the July 1987 WASBE Conference at Boston City Hall before a crowd of 10,000 people. Yearly tours throughout the United States have followed, making the band the first national professional concert band to tour extensively since Sousa's death in 1932.

In 1990 the band made their first CD: The All American Original, Sousa! for Delos Records at New York's BMG Studios. In 1996 they toured Japan, becoming the first American civilian professional band to go overseas since Sousa's 1911 Around the World tour. Other highlights have included a week at the Christy Lane Theatre in Branson, Missouri and the band's appearances as featured performers sponsored by the Minnesota Orchestra at Orchestra Hall and as guest substitutes for the Seattle Symphony on their five-concert pops series.

Musicians for the New Sousa Band are selected nationally. Players are chosen by invitation only from orchestras, current and retired military band musicians, university wind professors and outstanding freelance players from major cities. All are skilled in early 20th century performance practice and are committed to reviving the historic sound and programming of Sousa's Band. New Sousa Band musicians even perform in uniforms that are exact replicas of the Sousa Band uniforms of the 1920s.

Nixon and Virginia Lauridsen are sponsoring these concerts. For more information about this free concert, please visit [civictimusic.org](http://civictimusic.org) or call 515.280.4020.

Mainstreet Market events open to the public at 5:00pm each night, with music performance beginning around 6:00pm and concluding at 8:00pm.

### The Gifts Are in the People

Maisie Bentz, Photo Press Reporter - Intern

In last week's edition of the Fairmont Photo Press, the Okoboji Quilt Auction was introduced in a story about the Ingham Okoboji Lutheran Bible Camps.

The Okoboji Lutheran Bible Camp holds a quilt auction every summer. Jeanee Sorensen and her husband were directors of the camps when they heard about a camp in Wisconsin that held quilt auctions. These auctions

proved to be very beneficial and raised a lot of money, so Jeanee and the staff of the camp decided to have an auction of their own.

Whale quilt

generally ends up with over 160 quilts. Quilts come from many different people in many different states including Iowa, Minnesota, Nebraska, California, and Arizona. All sizes, colors, and styles are donated ranging from barn quilts, to baby quilts, to large quilts. All quilts are hand made. There are viewings of the quilts Friday July 31st from 5-7pm and Saturday August 1st from 9:30-1:00pm at the camp. You can also visit [www.okoboji.org](http://www.okoboji.org) for on-line viewing. There are pictures of the quilts, the name of the donor, and the sizes.

One of the quilts up for auction

Each year, the auction features a quilt. Ruth Ann Beckendorf of Fair-

mont was featured last year. This is her third time donating to the camp and her second year being a member on the quilt committee. This year the camp is featuring a group of quilters. The Lutheran Church of Hope in West Des Moines will be featured for the beautiful quilts they donate every year.

Friday July 31st there will be a silent auction of quilts from 5-7pm. This is the camp's first year having this silent auction. Renee St. John of

Okoboji quilt

Fairmont donated 8 Hardanger pieces of different sizes and colors and 3 of them will be on the auction this year. Hardanger embroidery originates out of the Hardanger Region of Norway and is a very

intricate art. St. John took a six-week class in Blue Earth in 1988 and took an advanced class a year later. "I fell in love with it," she says. Renee says she finds that most people who try to self-teach give up because of the difficulty. She taught a few classes and has donated her work before to places such as Grace Lutheran Church in Fairmont and the Opera House in Fairmont, but this is her first time donating to Okoboji.

"I don't know very many people who do it," Sorensen says. Hardanger is becoming more rare but St. John does meet with a small Hardanger group at Grace Lutheran Church to share patterns and ideas. The committee is excited to have these doilies on auction this year in addition to the quilts.

Friday there is also a Scandinavian feast on Friday from 5:30-7:30pm. This feast started 15-20 years ago as an Italian feast, according to Sorensen. It changed to a Scandinavian feast to better match the background of the area. There is generally more turnout for the feast than the auction, according to Rob Quanbeck, camp director. It is pay at the door and an excellent

such as moving quilts and displaying them. Letters from the administrative office are sent out asking for donations months in advance and again when the auction nears to those who have purchased quilts in the past. Advertising in newspapers and radios play a huge part. There was difficulty in the past getting the news over the border of Iowa to Minnesota, according to Jan Menefee, co-chairperson of the committee. Beckendorf helped get the news to Fairmont and other towns in Minnesota, Menefee explains.

The auction and other events are always such an immense help to the camp. Around \$30,000-40,000 is made each year with the highest price ever received for a quilt being \$700. This money doesn't go to separate funds but rather is used wherever the camp needs

it the most. "The cost of the camp is highly subsidized by donations," camp director Rob Quanbeck says. Repairs, utilities, and staff salaries are the three main areas to which the money goes. "Those funds are used to undergird the ministry," Quanbeck says. He doesn't want to miss an opportunity to thank the committee for all the hard work and hours of their time they have put into this auction. Thrivent Fi-

ancial for Lutherans provides supplemental funds for this auction which is a great help as well.

Quilt block

the quilt auction's theme this year is "The gifts are in you!" "It starts with God-given gifts," Sue Parkins, co-chairperson of the quilting committee, says. "The identity is in Christ and that's where we want the focus to be."

"It's more than a quilt auction fundraiser for the camp. You give more than a quilt," Sorensen adds. "We use this as an opportunity to share with people the vision of the camp," Quanbeck says. "To know Jesus Christ and make Christ known to all." That is the main goal of this auction.

The presentation will be held on Monday, August 3, 2015, at 7:00pm in the Big Spirit Room in Lakes Regional Healthcare's Education Center, on the hospital's lower level. Admission is free.

### Diabetic Support Group Meeting

The Spirit Lake area Diabetic Support Group will meet Monday, August 3, 2015, at 7:00pm. Diabetes is a controllable disease with education on the importance of how and why of caring for the body. Knowledge is power that motivates steps taken to a healthier attitude and body. With the power of knowledge, diabetes care can be focused on inspiring, encouraging, and making life better while "taking over the management of the pancreas".

The local diabetic support group meeting led by local patient facilitator, Marcia Young, is open to anyone dealing with diabetes, spouse, family members, or friend.

The presentation will be held on Monday, August 3, 2015, at 7:00pm in the Big Spirit Room in Lakes Regional Healthcare's Education Center, on the hospital's lower level. Admission is free.

## Funding Available For Water Quality Improvements

The Dickinson County Soil and Water Conservation District has been granted nearly \$150,000 to help financially support water quality projects in the Iowa Great Lakes area over the next 12 months. "We have helped individual homeowners, small businesses, and commercial properties add water quality practices to their landscape for many years" says project coordinator Jim Sholly. Over the past 10 years, the Iowa Great Lakes Watershed Project has helped to pair almost \$1.2 million of public grant money with \$500,000 of private support to accomplish a wide range of projects aimed at protecting our lakes. Anyone within the Iowa Great Lakes area is eligible to request assistance to implement low impact development practices at their homes or business. Jim Sholly also stressed that "While many projects have focused on the urban landscape, we also work with the landowner and tenant farmers in the area who want to include water quality initiatives into their farm plans." Financial assistance is available to farmers in Dickinson County interested in addressing erosion issues they might find in their fields or practices they want to add to their current rotation that will benefit water quality. Anyone interested in learning more about what they can do to help protect our lakes is encouraged to contact Jim Sholly at 712-336-3782 Ext. 3 for more information.

## Increased Number Of Care Providers Improving Access

Lakes Regional Healthcare (LRH) is dedicated to providing patients with great care, as soon as it can be provided. As departments of LRH, the Avera Medical Group (AMG) family practice clinics have taken steps to see patients as quickly as possible.

LRH Vice President of Outpatient and Clinic Services Lois Hawn said, "In the past year or two, we've recruited physicians and nurse practitioners to meet patient demand, and have been successful in doing so. In the past it hasn't always been easy to get in to see the physicians because of their availability relative to the number of people requiring care, but that has changed because we have a number of new providers that have recently joined the groups and more yet to come."

AMG-Lakes Family Practice (LFP) welcomed Nurse Practitioner Natalie Potrament last fall and Andrew Mueeting, D.O., will join the group on August 3. "Natalie's helped tremendously. Patients love her caring attitude and how she doesn't rush them. She takes time to educate them, and she also helps the physicians focus on patients that require ongoing care for chronic conditions," said Hawn. "Dr. Mueeting is going to be a fantastic addition - he's already been met with much enthusiasm by the community, as he's attended various events we've held such as our Brunch and Baby Talk event and has had a chance to meet people."

AMG-Spirit Lake Medical Center (SLMC) has added three full-time providers and one temporary provider, and will welcome another provider next year. Nurse Practitioner Jessica Kelley started caring for patients nearly two years ago, when Drs. Webb and Brevik left to pursue other opportunities. Hawn said, "Jessica was our first nurse practitioner and really demonstrated how physicians and nurse practitioners working together can provide the best overall care for the patient."

Since that time, AMG-SLMC has added Zachary Borus, M.D., M.P.H., and Nurse Practitioner Marsha Haar. "I can't tell you how many compliments we receive about Dr. Borus - he takes a holistic approach to patient care, treating the whole person. Marsha joined the group in the last few weeks and we anticipate patients and physicians alike will enjoy her as well."

Mara Groom, D.O., will join AMG-SLMC in August 2016. Dr. Borus said, "Dr. Groom will be a great addition to our clinic and community, with a goal to provide timely, quality care."

In order to be as responsive as possible to patients needing to be seen in the clinic, which can be tough especially during the summer season when vacations are often taken. Hawn said they've been fortunate that Dr. William Held has been working two or three days per week and will continue to do so until Dr. Groom arrives. Dr. Held is from Sioux Falls and has provided family medicine for most of his career. He most recently retired from working in emergency medicine at the Sioux Falls VA Medical Center.

In addition to the new providers being able to see more patients, AMG-LFP has a QuickCare clinic Monday through Thursday to see people with urgent, acute injuries and illnesses such as minor burns, cuts, caraches, allergies, and nausea. Hawn said, "We have open spots into the early evening to better accommodate work and school schedules. To get in, you just need to call 712-336-3750."
