Stepping Back In Time at the Memorial Salute

By Linda Cranford

The Papa John's Red, White, and Blue Memorial Salute was held Saturday night, May 27, and the audience was taken back in time with the music of the Brick Street Barbershop Quartet from Clinton, the 41st Army Jazz Ensemble, and The Victory Belles from the National WWII Museum in New Orleans. The event was a fundraiser for the Veterans Memorial Museum in Laurel.

The harmonic sound of the Brick Street Barbershop Quartet echoed through the Bush Fine Arts Auditorium on the JCJC campus with songs such as "Hello Mary Lou," "Under the Boardwalk," "Sh-Boom," "Ghost Riders," and the quartet's own "Mississippi." The quartet's comedic act had folks laughing while swaying to the music. The four voices of the quartet included Tommy Steadman – tenor, Greg Gibson – lead, Brad Feaster – bass, and Bill Bacon – baritone.

The 41st Army Jazz Ensemble with two tubas, trombone, trumpet, sax, and entertained with more contemporary jazz music.

The highlight of the evening was the performance of the Victory Belles who provided the music and sound of three famous sisters from Minnesota who entertained the troops during WWII. With songs such as "In the Mood," "Boogie Woogie Bugle Boy," "The Trolley Song," "Chattanooga Choo Choo," and "As Time Goes By," the rich three-part harmony of Emily, Hannah, and Mandi took the audience back to the sound of America's war time sweet hearts, the Andrew Sisters.

The fundraising event was organized by John W. "John Boy" Pace. "I fell in love with the Veterans Memorial Museum in Laurel after spending more than two hours in the museum with Jimmy Bass," said Pace. Pace, who is known for organizing fundraising events across the Pine Belt, said he wants to help the museum not only raise money for day to day operations, but raise money to add on to the museum.

gram and introduced the Magnolia Chapter of the Armed Forces Top Enlisted Association who presented the colors prior to Gay Polk-Payton singing the "National Anthem." Dr. Tim Hubbard, Pastor of Seminary Baptist Church gave the opening prayer.

Papa John's Pizza was the main sponsor of the event. Other sponsors included Senator Chris McDaniel who dropped by to say a few words in support of the museum. He spoke of his admiration for the volunteers who help keep the museum open, and for all veterans. He concluded by saying, "The younger generation will have to step up and fill in as our veterans slowly pass away."

Vic Lee, Chairman and CEO of the Veterans Memorial Museum, thanked John Boy, Papa John's Pizza and all the sponsors for the event and spoke of how all funds raised for the museum go directly to the upkeep of the museum. There are no paid employees of the museum, all who works there are volunteers. The museum is run by a board of trustees.

A Shepherd's Heart – One life to give

Dr. Timothy L. Hubbard

We have recently observed the most solemn day of the year in America, Memorial Day. This day is a day for us as American citizens to pause and remember those who have given their full measure of devotion to this great nation. Their sacrifice was made while they were fighting to protect us as a nation and the freedom that we have as American citizens. This day serves to remind us that our freedom isn't free.

As we witness gatherings across our land on each Memorial Day to honor the lives of the fallen, we also view this day as the beginning of a summer vacation season. Just like other special days in the lives of Americans, we tend to run quickly away from the somber things to the celebratory things. My hope is that we would never lose sight of the price of freedom as a nation and as individuals. In Derric Johnson's book entitled, "The Wonder of America: Remarkable Stories Celebrating the Spirit of Our Nation," he recounts the story of a man named Nathan Hale. Nathan was a schoolteacher for two years when the war began. He was twenty-one years old and was involved in the Long Island campaign that was bordering on being disastrous. General Washington needed someone to sneak over the lines to gather some information. Nathan knew that spying was a dangerous job, but he also knew that taking on a job that had to be done was the custom of American heroes.

Dressed like a Dutch schoolmaster, Nathan ventured through enemy lines and gath-

ered the information needed. However, on his way back he was found with the information, and he admitted to the British that he was a spy. This led to his scheduled hanging. Before he died, they allowed Nathan to say whatever he wanted to. So with the noose around his neck he told them his name, his rank and then he added: "I only regret that I have but one life to lose for my country." In so doing, he showed the world what Americans are made of.

God's word teaches us about a costly freedom as well. In the Gospel of John, we are reminded of the words of Jesus as he was teaching his disciples, "Greater love has no man that this, than to lay down his life for his friends." (Jn. 15:13) As Jesus taught this truth to his disciples, certainly he was aware of the price He would pay for their freedom from the bondage of sin and death when he gave his life on Calvary's hill. When Jesus died for us, he was showing us the great love of God. This is the same God that our forefathers chose to serve as their Lord when they established America. Oh, how I would love to see our nation once again serve the Lord, our God. My prayer is that we will never forget the sacrifices made for our freedom as Americans and that we will always remember the cost of that freedom. I pray also that we would be willing to lay down our lives if necessary to protect these freedoms. Most importantly, I pray that we will never forget real freedom, freedom from sin and death, comes only through Jesus Christ, the only begotten Son of God.

Joint Fire Training between Laurel Fire Dept. and Jones County VFD

Submitted
Tuesday evening, Laurel Fire Department and three Jones County Volunteer Fire Departments came together to participate in a joint fire exercise at the Laurel Fairgrounds. Chief James Brown of Laurel Fire Department stated, “we had some dilapidated structures that were tore down by the fairground and they asked us to assist in doing away with them and we chose to burn them down, so it gave us an opportunity to work together - city of Laurel and the county volunteers.” And with a flick of a match, the firefighters did just that. Both city and county firefighters worked together to ensure the fire remained under control at all times and any surrounding structures were protected from the extreme heat. According to Jones County Fire Coordinator, Dan McKenna, the training exercise also gave the Laurel firefighters the opportunity to “[test] their ability to use the hydrants here at this location.”

and working with the fire hydrants, the training burn also provided a key opportunity for Laurel and county firefighters to work together, as a means to prepare for any incidents that may require mutual aid. “The more we work together on exercises like this is extremely important because when we have a real incident, it’s so much easier, it’s fluid,” said Dan McKenna. Understanding how to work together for future incidents is pivotal for a successful outcome.

Although these types of training exercises haven’t been common in the past, both county and city fire departments plan to conduct more in the future as a means to continue a positive relationship with one another, and to assure the public that they are protected against disaster. “We want to try to do this more regularly, so we can get a clear understanding as, you know, as we work together, to show the citizens of Jones County that they’re well protected,” Chief Brown said.

June 5-9 Wound Care Awareness Week

By Linda Cranford with Becky Collins

In accordance with the declaration by Governor Phil Bryant that the state of Mississippi will dedicate the entire week of June 5 to June 9 to educating physicians, patients and the general public about the chronic wound epidemic and the advanced wound care solutions, Mayor Johnny Magee presented a proclamation Tuesday, May 30, declaring June 5 - 9 as Wound Care Awareness Week in the City of Laurel.

According to Becky Collins, Director of Community Relations and South Central Health Care Foundation at SCRMC, the South Central Wound Care and Hyperbaric Medicine Center at South Central Regional Medical Center, a member of the Healogics network, is helping raise awareness of chronic wounds by participating in this fourth annual Wound Care Awareness Week. South Central Wound Care and Hyperbaric Medicine was recently named a Center of Distinction for excellent healing rates and superior patient satisfaction. The center offers advanced therapies to patients suffering from chronic wounds.

It is estimated that chronic wounds affect 6.7 million people in the U.S. and the incidence is rising, fueled by an aging

population and increasing rates of diseases and conditions such as diabetes, obesity and the late effects of radiation therapy. If left untreated, chronic wounds can lead to diminished quality of life and possibly amputation of the affected limb.

"We see patients living with non-healing wounds for a prolonged amount of time due to the lack of awareness of advanced wound care options," said Stacy Street, M.D., Wound Care and Hyperbaric Medicine Center Medical Director. "We work to educate community physicians about which of their patients can benefit from advanced wound care, and then provide coordinated care to heal that patient's wounds."

South Central Wound Care and Hyperbaric Medicine Center offers the following services: Debridement, Total Contact Casting, Wound Dressing Applications, Skin Subs, Vascular Testing, Diabetic Foot Screenings, Diabetic Foot Care, Nutrition Counseling, Smoking Cessation Counseling, Negative Pressure Wound Therapy, Compression Wraps, Burn management, Diagnostic testing, Radiation Injury and Osteoradialnechrosis. If you or someone close to you is suffering from a wound that will not heal, contact the center for help.

Pictured with Mayor Johnny Magee, seated, are L-R Deborah Myrick, Program Director of South Central Wound Care Michael Berry, Area Vice President of Healogics, Dr. Thomas Dobbs, Chief Medical Officer at SCRMC, and Leeann Bookout, Clinical Nurse Manager of South Central Wound Care. Photo/submitted

Office hours are Monday through Friday, 8 a.m. - 4:30 p.m.

South Central Wound Care and Hyperbaric Medicine Center is offering a free diabetic foot screening for the community on Tuesday, June 27th at South Central

Place. To schedule a free appointment time, please call 601-399-0501. Visit scrmc.com to learn more about Wound Care and Hyperbaric Medicine available at SCRMC. To schedule an appointment, please call 601-426-4739.

Remembering Those Who Gave Their All

By Linda Cranford

A large crowd gathered at the Veterans Memorial Museum in Laurel Monday morning for a Memorial Day Ceremony remembering those who gave their all in service to our country.

Rob Ruffin, with the museum, welcomed everyone and the Disabled American Veterans color guard presented the colors. As the flag was slowly raised in front of the museum, the "National Anthem" was sung by Penny Walters, as the flag was raised on the flagpole. Walters sang several songs throughout the program. Vic Lee led the assembly in the Pledge of Allegiance and Kent Miller gave the invocation. Ruffin recognized Gold Star Mothers in attendance which included only one, Mrs. Irma Poore who lost her son, Robert Poore, in Vietnam in 1969.

The keynote speaker was Pastor Matt Olson of the First Baptist Church of Sharon. Quoting Ezekiel 22:30 Olson spoke of how the verse describes God's reply to the request of the religious leaders of Israel for God to bless their land again. The leaders had become so wicked and turned away from God that He could not bless Jerusalem and Israel. Olson said, "In Ezekiel 22, verse 30, God said, 'So, I sought for a man among you who would make a wall and stand in the gap before me on behalf of the land, that I should not destroy it. But, I found no one.' I think God is still looking for men and women today who will stand up. Who will build a wall of protection, and will stand in the gap for God to provide continually for this nation. What we are doing today, is honoring those who have done just that. We are honoring those men and women who have given their lives, that ultimate sacrifice, and said we are building a wall to protect this nation that we love so dearly. We are willing to stand in the gap, so that we can provide for our families, the freedom, that we may not enjoy ourselves. God is saying today, I'm still looking for men and women who will stand in the gap. The question we should be asking today, is not will God bless America, but will America bless God."

The program ended with a 21-gun salute by the Rosin Heels Chapter of the Sons of Confederate Veterans and the playing of "TAPS" by John Rhoden, Jr.

Woman "Soaks Away" Cracked Heels After Discovering New Footbath Powder Man Ends Foot Itch and Odor After Twenty Years!

Little Rock – Friends were amazed when a woman who for years had suffered with painful corns and cracked heels, suddenly took up jogging again.

Asked about her remarkable recovery, she explained that a friend had recommended a product called **Liquid Pedicure Footbath Powder**. By soaking her feet in this soothing solution, her corns and cracked heels were literally soaked away.

A New Orleans man who suffered with foot itch and foot odor for 20 years also tried the product. "My foot itch disappeared in one 15 minute footbath. My foot odor was gone in just two soakings" he said.

In an interview with the President of **Liquid Pedicure** – "People are suffering needlessly with painful corns, cracked heels, foot odor and agonizing foot itch.

Liquid Pedicure can help! It's guaranteed to work or your money back."

Liquid Pedicure is a powder that when dissolved in warm water forms a soothing 15 minute footbath solution. It smoothes rough, cracked heels, soaks away corns, stops foot itch, rejuvenates tired feet and eliminates foot odor.

It works by loosening and soaking away unhealthy dead skin. This process destroys odorous bacteria, uncovers healthy skin and allows feet to breathe.

In just one 15 minute footbath, your feet will start to look better, smell better and feel better!

Liquid Pedicure is Now Available at:

What is the DD214/Military Discharge Paper?

Submitted

The DD Form 214 is an official document issued by the US Army, USAir Force, US Navy and the US Marines at the time of discharge or separation from Military service. The DD214 shows your status as a separated or retired military member and the nature of your service including dates, awards and decorations and other important details. The DD214 is usually issued at the final outprocessing appointment prior to retirement or separation.

The DD214 is your most important post-military document. Treat it the way

you would a marriage certificate, divorce decree, adoption papers or other important records. A DD214 is required to claim benefits post-retirement or separation.

If you lose your DD form 214, you will need to request a replacement for your records. You can do this by calling our office for an appointment and we will be happy to assist the veteran in getting a replacement copy. Please do not wait until you need your DD214 because it takes weeks to process your request. Call us today!

Lanier selected Laurel Administrator of the Year

By Lacey Slay, Public Information Officer

For his outstanding leadership and dedicated service, Oak Park Elementary School Principal Tito Lanier was selected as the Laurel School District's Administrator of the Year.

"Tito Lanier is truly one of the finest administrators I have had the privilege of working with," said Superintendent Dr. Chuck Benigno. "Mr. Lanier has a contagious energy that permeates the entire school building and his laser-like focus on teaching and learning is exemplary. Oak Park is in great hands with his dynamic leadership and we are blessed to have him as a part of our Laurel family."

To increase student success at Oak Park, Lanier encouraged his teachers to utilize data-driven instruction, which focused on identifying student weaknesses and gearing classroom instruction on moving students toward greater levels of academic success. He has worked closely with his teachers to create unique learning environments where students have the opportunity to excel in all areas of the curriculum.

"What I enjoy most about education is coaching both teaching and learning and building capacity through research based practices," Lanier said. "I also enjoy the assurance of knowing that I am helping today's students for tomorrow's future."

With over 18 years of experience in education, Lanier has continued a tradition of excellence at Oak Park Elementary School, and with the work of dedicated teachers has seen continued academic growth in the eight years he has been in leadership at Oak Park.

"I continue to be inspired by the steady improvement at Oak Park Elementary," Benigno said. "The school has improved an entire letter grade on the Mississippi Accountability Model and the recent Kindergarten Readiness scores and Third Grade Reading Gate scores confirm that Oak Park is truly on the move."

Due to his selection as the Laurel School District's Administrator of the Year, Lanier's nomination was forwarded to the Mississippi Department of Education's Administrator of the Year Program for consideration on the state level.
