**MAIN HUNTING SEASON JUST AROUND THE CORNER**  
*By Douglas H. Domedion*

*Everyone will be looking for this guy soon!*

The early resident goose season opened the beginning of September along with squirrel season. However things really begin to get in gear by the beginning of October. Rabbit, grouse, coyote and deer with a bow open the first of October.

A little story on our early bow season. As you bow and muzzleloader hunters know, last year someone got a brain storm in Avon about antlerless should be the only deer being legal in our area (and the counties bordering us) the first two weeks of bow and the first week of muzzleloading. Many said screw it and hunted some other county or did not hunt the early part at all. So there is doubt if they did any good at reducing the deer population like they thought it would help to do and supposedly were dropping it for this year. But when I picked up my 2016-2017 New York Hunting and Trapping Guide to Laws & Regulations the Town clerk told me that the early bow season was incorrect. The Guide again listed the same area as last year for "antlerless deer only" for the first two weeks but that was not correct. She said some guy had checked it out and there was no "antlerless only" this year. To me that wasn't "official" so a call was made to the Law Enforcement office at our Region 8 headquarters in Avon. There seemed to be some confusion about whether what was correct. After a pretty good "on hold" period the answer came back "yep the same as last year." "Well how come the licensing agent told me it was wrong in the Guide, that it wasn't "antlerless only" this year?" Another long "on hold" with another person eventually coming online to tell me the license agent was right, there was no "antlerless only" season this year and it was printed incorrectly in the Guide. "How come there hasn't been a news release on that mistake?" The Guide was out the beginning of August! I was told that it is on their web site. Of course everyone has a computer, right? And no one reads the paper or watches the news on TV anymore, so why put it in those medias? Anyways this was for all of you who still might be confused!

Talking about mistakes in the Guide here are a few more: pg 36 – Youth Waterfowl Dates are all from 2015 and are wrong, see page 51 for correct dates, pg 49 – Woodcock/Crow/Snipe/etc Hunting Dates/Bag Limits/etc table – The heading says for 2015-16, but the dates are for 2016-17, pg 51 – Written descriptions of Goose/Waterfowl hunting areas are on page 72, not 74 and pg 56 - Fisher Trapping Map – map has dark blue in new areas when key has light blue.

On Oct. 15 the pheasant season starts and runs until Dec. 31 (cocks only), with turkey also starting and then running to Oct 28 (one bird of either sex). Our duck season, along with regular Canada goose season begins on Oct. 22 and closing on Dec. 4 and then opening again on Dec. 31 and running to Jan. 15. Goose ends Nov. 24 and opens again Dec. 31 to Jan. 15 with a 3/day bag limit in our area (West Central). If you hunt geese in the South Area (which includes Niagara, some of Genesee and Livingston and the Southern Tier areas) the season runs a little different then our West Central area. Their season starts on Oct. 22 but ends Dec. 17, then opens again Dec. 31 running to Jan. 15 and then opens again March 4 running to March 10. The bag limits are also different with 5/day instead of 3/day. Bag limits on ducks is 6 /day and in the Snow goose season (Oct. 1 to April 15) you are allowed 25 per day. The smart waterfowl hunter really needs to study the seasons, areas and bag limits for the areas they hunt in.

Now for the big favorite – regular deer season! As mentioned above the bow season starts on Oct. 1 and goes to Nov. 18. In that season, from Nov. 5 to Dec. 18 , a crossbow may be used.

The regular gun season starts Nov. 19 and runs until Dec. 11, with muzzleloading season beginning on Dec. 12 and going to Dec. 20, with deer of either sex being legal.

Now to get yourself prepared for bow season you should be doing a little shooting every day now. A good place to test your skills is at the Bow Bending Believers annual 3-D Shoot at the 20 different animal targets. It is on Sept. 24 between 8am and 12pm at the Yates Carton Sportsmen Club at 12286 Lake Shore Road in Lyndonville. Cost is only \$10 and you can shoot for four hours!!

**Tips on how to write CLASSIFIED ADS that**

- 1. USE A KEY WORD.** This immediately tells the reader exactly what you have to sell.
- 2. Make your description CLEAR AND FACTUAL.** State the year, make, model, color & size and tell what condition the item is in. Also, state the special features.
- 3. STATE THE PRICE.** Successful classified advertisers have learned that the price in an ad helps increase the chances for results.
- 4. IF THERE IS A GENUINE SENSE OF URGENCY,** say so. The words "We're moving," or "Must sell fast," suggest that readers respond immediately.
- 5. INCLUDE YOUR PHONE NUMBER.** Classifieds get results fast and often generate immediate sales. If you cannot be available to answer the phone at all times, be sure to specify special calling times such as "after 9pm" or "before 11am."

### Did You Know?

Though the idea that white wedding dresses symbolize virginity and purity is often cited as the reason behind wedding dresses being white, a 2014 exhibit at the Victoria & Albert Museum in London indicated that white wedding dresses were a symbol of wealth and had little, if anything, to do with virginity. The exhibit, titled "Wedding Dresses 1775-2014," noted that, during the 18th and 19th centuries, white wedding dresses indicated a family could afford to buy a dress the bride would wear only once. During that time, white dresses were especially difficult to clean and that made it impractical for any but the wealthy to purchase dresses that would likely never be worn a second time. England's Queen Victoria, who married Albert of Saxe-Coburg in 1840, is widely credited with popularizing the white wedding dress. White dresses remain a traditional and popular choice today, though many brides opt for various shades of white if not an entirely different color. ■

## ADVICE FOR RENTERS

As rents continue to rise, it is more important than ever for renters to pay careful attention to the lease or rental agreement, which sets the rules for tenants and landlords to follow. With an eye toward preventing potential problems and legal hassles, it is recommended that the lease or rental agreement state in clear terms the limit, use, and return of security deposits. The dollar amount of the security deposit should comply with any state laws that might set a maximum limit. In addition, mention should be made of how the tenant might use the security deposit (for instance, to repair damage) and how the landlord may not (applying the security deposit to the last month's rent).

Rental law can be tricky, both legally and emotionally, and disputes can become embittered very quickly. That's why you need a lawyer with both expertise and compassion. At the Law Office of Mack & Pace, our attorneys have years of experience dealing with all sorts of legal issues, including estate planning, criminal law, family law, and renter/landlord law. Call to make an appointment with one of our experienced lawyers.

(585) 798-1000

534 Main St., Suite 6  
Medina, NY 14103

*HINT: A rental contract should make clear what, if any, legal non-returnable fees the tenants can expect to incur, such as for cleaning.*

*"The Right Lawyer Matters."*

## Dress Up Desserts

The following are some ways to dress up store-bought treats to make them look like impressive desserts.

- Gourmet ice-cream sandwiches: Purchase ready-made cookies in your favorite varieties as well as a flavor of ice cream that coordinates with the cookies (chocolate and mint works well). Allow the ice cream to soften slightly, then spoon a bit onto one cookie and sandwich the ice cream with another cookie. Place the sandwiches back into the freezer to harden and set before serving.

- Decadent drizzle: Any dessert can look like a professionally concocted confection with a creative display. Drizzle chocolate or raspberry syrup on the plate before placing your slice of cake or pastry. Top with a dusting of confectioner's sugar.

- Shaved chocolate: Turn an ordinary brownie or sundae into something stunning with shaved chocolate. Run a vegetable peeler along the side of a favorite bar of chocolate to create a garnish. ■

### Chicken, Crawfish & Sausage Gumbo

Serves 4 to 6

- 2 pounds bone-in, skin-on chicken thighs
- 4 teaspoons kosher salt, divided
- 2 tps cracked black pepper
- 1 stick unsalted butter
- 8 oz. andouille sausage, finely diced
- 4 ounces ham, finely diced
- 2 cups diced yellow onions
- 1 cup finely diced celery
- 2 tbsps chopped garlic
- 3 dried bay leaves
- 1 tbsps gumbo filé powder
- 3/4 tsp cayenne pepper
- 1 tsp chopped fresh oregano
- 1 tsp fresh thyme leaves
- 3/4 cup all-purpose flour
- 1 quart clam juice
- 1 1/2 quarts chicken stock
- 1 cup sliced okra
- 1 cup finely diced green bell pepper
- 1 cup finely diced red bell pepper
- 1 pound crawfish tail meat (substitute 16/20 shrimp if you can't find crawfish tails)

1. Preheat the oven to 350 F.
2. Season the chicken with 2 teaspoons of the kosher salt and the cracked pepper. Bake in a roasting pan for about 45 minutes, or until the chicken reaches 165 F.
3. Remove the chicken and allow it to cool slightly. Pull the meat from the bones and separate it from the skin. Set aside the meat and discard the rest.
4. In a low and wide 6-quart (or larger) stockpot over medium-high heat, add the butter and sauté the sausage and ham with the onions, celery and garlic. Cook for about 4 minutes.
5. Add the bay leaves, gumbo filé, cayenne, oregano, thyme, and the rest of the salt. Cook until the mixture begins to pick up some color.
6. Add the flour and stir in to form a roux. Continue to cook until the mixture turns a fairly dark brown.
7. Add the clam juice and stock and whisk out the lumps. Add the okra and bell peppers, bring to a boil and then reduce to a simmer (the mixture should begin to thicken). Simmer for about 20 minutes.
8. When the texture becomes stew-like, add the pulled chicken and crawfish (include any liquid from thawed crawfish). Bring to a boil and then remove from the heat.
9. Taste and season with more salt, pepper or cayenne, as desired. Remove the bay leaves. Serve with cooked long grain rice. ■
