**PAROCHIAL SCHOOL UPK TECHNOLOGY GRANTS**

All children deserve a quality education, which requires access to new technology. I was able to provide a series of technology grants to UPK programs housed in our local parochial schools. Over \$500,000 in capital funds was allocated to various schools, with each school receiving anywhere from \$35,000 to \$65,000 depending on the number of classes. The funds were used for laptops, smart boards and wiring upgrades. Last week I visited St. Lucy's in Pelham Parkway where I witnessed first-hand how truly enthusiastic the students were about this fantastic introduction to technology.

**SENIOR SATURDAY SPRING CONCERT**

The first two installments of my 'Senior Saturday' spring concert series were a huge success! The next and final installment of the series will be held on Saturday, June 17th at the RAIN Middletown Senior Center located at 3035 Middletown Road.
