Oldest Drive-In Worship In America Celebrates 69th Year

First Lutheran Church of West Okoboji began its 69th year of drive-in worship on Sunday, May 28. Back in 1949, First Lutheran then in Milford, used the grounds of a drive-in movie theater, located one mile north of Milford on U.S. Highway 71 at the present day site of Okoboji Village, for its outdoor worship.

This drive-in worship service was the pioneer in its field in the United States! Through the years, the site moved several times, staying in the Milford area. In 2006, when First Lutheran moved to their new church and campus just off Highway 86 in West Okoboji, the drive-in worship moved "on campus."

The drive-in service is held just to the north of the church in a beautiful outdoor setting. Some attendees bring lawn chairs, some visit on bicycle or motorcycle, and many stay in their vehicles. A new sound system brings the service clearly to all. Casual summer attire is the rule and some families bring their pets to join the worship. Coffee and donuts are available before the service at a table in the front of the service. Sunday drive-in attendance averages 300-400 weekly, with 150-200 cars packed on the grounds. Sunday services feature special musical talent, prayers, and sermon thoughts for the week from Pastor Perry Aalgaard or lay ministry team members.

First Lutheran invites area residents and visitors to join them for our outdoor worship experience in an inspiring setting. Services begin at 8:30am each Sunday morning through Labor Day weekend.

Hunziker Graduates

On Friday, May 5, Holt Hunziker, of Milford, graduated from Marshalltown Community College. Congratulations Holt.

Carlson Joins Iowa Lakes Corridor as Summer Assistant

The Iowa Lakes Corridor Development Corporation is pleased to welcome Blake Carlson to its team this summer as office and events assistant.

While with the Iowa Lakes Corridor, Carlson will assist staff with planning and managing events, including the Okoboji Entrepreneurial Institute in August and the organization's presence at the Clay County Fair.

"I am thrilled to join the team at the Corridor this summer and am looking forward to collaborating on all of the exciting projects happening here in the Iowa Great Lakes region," Carlson said. "Growing up in the area, I have a passion for seeing local industry thrive and grow, and networking with various businesses in the region is bound to create a terrific learning experience and open up doors for future opportunity."

Carlson, a Spencer native, will be a sophomore this fall at Simpson College in Indianola, where he is double-majoring in public relations and theatre, and minoring in arts management.

"We are happy to once again add a wonderful assistant to our team this summer," said Kiley Miller, Iowa Lakes Corridor President and CEO. "We look forward to providing Blake with a career experience he can take back to Indianola this fall and share with his friends at Simpson College."

Carlson is a 2016 Spencer High School graduate. He is the son of Mike and Darlene Carlson.

The Iowa Lakes Corridor Development Corporation is the regional economic development agency for Buena Vista, Clay, Dickinson and Emmet counties. The Iowa Lakes Corridor's mission is to foster, encourage, promote, aid or otherwise assist in the economic development growth and development of the four-county region.

The Toboggan in Arnolds Park, Iowa • Circa 1900s

Stepping Back in Time by Jerry and Irene Clark of the Clark Museum of Okoboji area and Iowa history – Milford, Iowa.

No doubt a crowd on a Sunday is enjoying the toboggan and just having a good time at the lake. A survey made by a local newspaper in the summer of 1929 disclosed 7,916 persons with 2,100 cars and 1,058 boats; no permanent residents included. Around Spirit Lake, there were 1,330 resorters with 385 cars and 319 boats. Those figures would swell considerably over weekends. During the middle 1940s, it was estimated that some 100,000 people were to be found within the resort area any Sunday or holiday weekend. My, how time has changed. The number of permanent residents and the 1,058 boats mentioned above were many row boats. People like to be near the Iowa Great Lakes, and why not? The Clark Museum has wheels used for the sled to go down the Toboggan.

The Clark Museum is located one mile west and a half mile north of the Milford Catholic church. For more information, call 712-338-2147 or email ijclark1@msn.com. *The Clark Museum is a 501 (c) 3 Non-Profit.*

Obituaries

Georgia Therese Sheley entered her Earthly Home November 15, 1934, and at age 82 entered her Heavenly Home Friday, May 26, 2017. She was the first of six children born to Matt and Mildred (Luchtel) Richter. A Mass of Christian Burial was held Thursday, June 1, 2017, at St. Joseph Catholic Church in Milford.

Having lived her entire life in Milford, she attended St. Joseph Catholic School until the tenth grade and graduated from Milford High School. Her youth was filled with hunting and playing softball.

Georgia married Roy Sheley on September 22, 1968, and had two children, Joy and Dean. She was an Office Assistant for Dr. Buchanan dispensing band aids, smiles and comforting words. Georgia wrote a weekly column in the Milford Mail entitled "Welcome Friends." Later, she joined the staff of The Three Sons and was referred to as "Upper Level Management" by helping customers on the second floor.

Her faith and friendship defined her life as she was an active member of St. Joseph Catholic Church, Catholic Daughters, Peace and Justice Committee, Opus Spiritus Sancti, and The Final Four. As chair of the University of Okoboji Winter Games Prayer Committee, it was her responsibility to see that we had snow and ice. She also proudly served as a member of the Iowa Navy Commodores as an ambassador for the Iowa Great Lakes Area Chamber of Commerce. Doing her civic duty, she served over 25 years on the Board of Adjustment for the city of Milford. Georgia was also an enthusiastic supporter of Marsh Marigolds and the ultimate cheerleader for all the organizations she belonged to. By all those whose lives she touched, she will be remembered by her caring kindness, phone calls to friends, and spunk.

Georgia also loved Angel pins, popcorn, scotcheroos, and anything chocolate but most all sports. Being an athlete in her youth, she was recruited to play on a professional women's softball team. Her love of sports was evident by her unwavering support of the Okoboji Pioneers. She also enjoyed biking on the Dickinson County Trails and most of all treasured time with grandchildren, Riya and Gabe.

Left to treasure Georgia's memory are her daughter Joy Sheley of Milford, and Joy's Hero, Larry Post; son Dean (Sally) Sheley of Brandon, South Dakota, and grandchildren Riya and Gabe Sheley. She is also survived by siblings, Marie Senter of San Antonio, Texas, Emil (Sue) Richter of Milford, Herman (Paula) Richter of Milford, Corinne Hummel of Panora, and several nieces and nephews to include Brian (Ashley) Richter of Milford, Jenna (Will) and Mason Dible of Arnolds Park, Matt Richter of Arnolds Park, Mia Richter of Iowa City, Mark Richter of Milford, Linda (Vern) and Vaya Pilling of Tucson, Arizona, Jim (Kelly) and Ruby Hummel of Yale, Iowa, and Bill, Madison and Evelyn Hummel of Panora.

"Love and Prayers" — Georgia

Lucille Edna Rush, age 90, was reunited with Les, the love of her life, on June 4, 2017, when she passed from this life at Hawkeye Care Center in Spirit Lake.

Born on June 15, 1926, in Ceylon, Minnesota, to Mary (Hass) and Charles Habben, Lucille graduated from Lake Park High School in 1944 and married Les on August 5 of that same year. They shared their whole lives together in Lake Park and their union welcomed five wonderful girls. Lucille cared for her home and her family, but she also enjoyed reading, crossword puzzles, bowling, golfing, playing cards, and birthday club with her friends.

Lucille was active in a number of organizations, including the Excelsior Women's Club, Farm Bureau, the United Methodist Church and the United Federated Women's Club, where she served as its president for a time. Anyone who knew Lucille would immediately characterize her as a vibrant and quick-witted woman who loved bright fashion and singing.

Visitation will be on Thursday, June 15, from 5:00-7:00pm, at Turner Jenness Funeral Home in Lake Park, and a memorial celebration for Lucille will be held Friday, June 16, 2017, at 10:30am at United Methodist Church in Lake Park. In Lucille's spirit, her family requests attendees dress colorfully. Burial will be at Silver Lake Cemetery.

Lucille is survived by her daughters, Linda Flippen of Coon Rapids, Minnesota; Lana Borland of Sioux City, Iowa; LaDean (Wayne) Untiedt of Lake Park, Iowa; Leah (Darcy) Voehl of Prior Lake, Minnesota; and Lora Milne of Madison, South Dakota; sister, Norma Anderson of Tigard, Oregon; thirteen grandchildren, twenty-one great-grandchildren and two great-great-grandchildren. Lucille was preceded in death by her parents, husband Les Rush, and five sisters.

Turner Jenness Funeral Home is in charge of arrangements.

Marvin Easadar Boever, 89, of Estherville, passed away May 24 at Avera Holy Family Hospital in Estherville.

Born April 12, 1928, on a farm in Ledyard, Iowa, Marv spent much of his adult life in Estherville. It was where he and Nina (Preston) Boever began a marriage that lasted 67 years, and where they started a family that grew to six children, 28 grandchildren and 68 great-grandchildren.

Marv had a deep affection for his community and a strong commitment to serving it. While working for 37 years at John Morrell Co., he volunteered his time as a member of the Estherville City Council, president of the school PTA and scoutmaster of Boy Scout Troop 21, for which he received the St. George Award. St. Patrick's parishioners knew him as a man of strong faith who served as a lay minister, parish council president, and organizer for the Legion of Mary.

He treasured his relationships with people across the community. Whether you were a member of one of his many coffee groups, a neighbor, co-worker, nursing home caregiver or grocery store clerk, there's a good chance Marv told others you were one of his best friends.

From Catholic youth groups to scouts and sports teams, Marv was particularly committed to working with young people. He was a dedicated follower of local high school sports -- winning notice as Estherville's Fan of the Year in 2015 -- and enjoyed sharing his love of boating with his children and their friends. (He claims he taught more than 100 people to water ski.)

Marv was hugely proud of his children, grandchildren and their families. His wallet was often overstuffed with newspaper clippings detailing his grandchildren's latest spiritual, athletic and academic accomplishments -- evidence he'd pull out at every coffee group to prove that his grandchildren were the best and brightest around.

In the later years of his marriage, as Nina suffered the effects of Alzheimer's disease, Marv was a constant and selfless caregiver who spent his days by his wife's side, making sure she was comfortable, content and never alone.

Marv is survived by his children: Wally (Katy) Boever of Lincoln, Nebraska, Theresa (Jim) Golden of Okoboji, Frank (Jane) Boever of Spencer, Mark (Janel) Boever of Worthington, Minnesota, and Bernadette (Keith) Duitsman of Estherville; grandchildren, their spouses and great grandchildren; sisters Arlene Bona and Betty Boever, sister-in-laws, Phyllis Griffith, Janyce Kelly, Marilyn Preston. He was preceded in death by his wife; son, Matthew; mother and father, Mary and Frank Boever; brothers, Arnold, Manfred, Norman and Darold; and sisters, Bernette, Doris and Rose Ellen as well as many brother and sister-in-laws.

Myles "Bob" Kass, 63, longtime proprietor of Bob's Drive Inn in Le Mars and Arnolds Park, passed away Monday, June 5, 2017, at his home in Le Mars surrounded by his family.

Myles Rasar Kass was born February 5, 1954, in Le Mars, Iowa, the son of Robert C. and Claudine (Rasar) Kass. He attended school in Le Mars and graduated from Le Mars Community High School. He attended college at Western Iowa Tech in Sioux City where he earned his associate's degree in refrigeration maintenance.

He was united in marriage to Roberta Robinette on February 16, 1974, in Le Mars. Early on, Myles and Roberta lived in Omaha, Nebraska, where he worked in refrigeration until moving back to Le Mars. He went to work for McCormack Distributing Company and helped his father in the family business, Bob's Drive Inn. After his father's sudden passing, Myles took over the family business. He and his family have continued the tradition that is Bob's Drive Inn. In 2003, Myles and his family opened their second location in Arnolds Park, Iowa. In January of 2007, they started a new business, 4 Brothers Bar and Grill, in Le Mars. After his diagnosis with cancer, Myles always remained positive and continued working right alongside his family. He enjoyed all his employees and he was so proud of all their accomplishments later on in life.

Being outdoors and spending time at Lake Okoboji was one of his greatest joys. Whether it was boating on the lake, listening to concerts in the "green space", riding his bike to and from work, or serving his many customers. Myles was a proud supporter of the Le Mars Little League Program. He enjoyed coaching and watching all the kids play ball. He also enjoyed playing cards, tinkering in his garage, or driving his RV to an unknown destination. But most of all, he loved the times spent with his family, especially his grandchildren, whom he loved dearly.

Survivors include his wife of over 43 years, Roberta of Le Mars; seven children: Dustin (Micki) Kass of Omaha, Nebraska, Clint (Allyce) Kass of Le Mars, Nathan (Tana) Kass of Le Mars, Kevin Kass of Le Mars, Kristi Kass of Iowa City, Katy (J.R.) Johnson of Des Moines, and Sarah (Jason) Boaz of Dallas, Texas; 15 grandchildren; two brothers: Chuck (Laura) Kass of Arrow Grande, Texas, and Scott (Marlene) Kass of West Okoboji; two sisters: Claudia Kalous of De Pere, Wisconsin, and Charmaine Kass (Ron Vornbrock) of Merrill; his mother in law: Rosemary Robinette of Le Mars; his in laws: Barbara Robinette, John Robinette, Rose (Terry) Nicosen, and Judy Robinette; his "special" son: Paul Hassman of Le Mars; numerous nieces and nephews; and his beloved dog, "Moses".

He was preceded in death by his parents, Robert and Claudine Kass; his father-in-law: Arnold "A.J." Robinette; two brothers: Douglas "Maynard" Kass and Mark Kass; his in-laws Joe Robinette and Bev (Norm) Cockrell; and his niece, Marni Lopez.

Happy Father's Day

Elizabeth Heikens (l) and Catherine Glackin (r) performed Sunday afternoon with the *Spencer Municipal Band*, as a part of Spencer's annual *FlagFest* celebration. The band's next concert will be Thursday night at 7:30, in Spencer's East Leach Park. The muni band's performances are free and open to the public.

The World Goes 'Round opening at OST tonight

While Memorial Day may mark the official start of the summer season, the calendar says we have to wait another couple weeks for the summer solstice, which, in the Central Time Zone, comes at 11:24 p.m., on Tuesday, June 20th. According to *The Old Farmers Almanac*, the only summer solstice in the Northern Hemisphere actually arrives in the 48 states at 12:24 a.m., on Wednesday, June 21st — which is really the same moment in time.

One indicator that we're headed in the right direction is Tuesday night's opening of the Okoboji Summer Theatre season with *The World Goes 'Round*, a musical tribute to John Kander and Fred Ebb. Whether you think *New York, New York* (That's in the Eastern Time Zone) or *Chicago* (in the Central Time Zone) makes no difference either. You might also think *Cabaret*. It's all great music that will keep you tapping your toes.

The OST's 60th anniversary opening show will continue through Sunday — but only if you get your seats early. Kander & Ebb should be quickly sold-out!

The award-winning Neil Simon comedy *Plaza Suite* will open next Tuesday night...

LifeLight Global, which produces one of the world's largest free, outdoor, Christian music festivals each Labor Day weekend, in Worthing, S.D., will be bringing an all new *LifeLight Okoboji Christian Festival* to Boji Bay Legacy Park on Saturday, July 8th.

Nine-time Dove Award nominee *Kutless*, from Portland, Oregon, will be headlining the free 3 p.m. show, which is to continue until 10:00 that night.

With 11 albums to its credit, *Kutless* has sold over 3 million copies. *Bread of Stone* will be opening for *Kutless*. *Bread...* is recognized for its national releases of *Hold The Light* and *All In*. LifeLight Okoboji will also be bringing the *BMX Stunt Dudes* bicycle stunt team show from LeMesa, California. The team has appeared all over the world doing their non-stop action BMX show. Other supporting artists include Cade Thompson and Rachelle Hope, of Sioux Falls; and former Michigan State University, football defensive end turned Christian rapper, Bobby Bugattii. LifeLight festival founder Alan Green will lead the festival...

The same day as the LifeLight festival will also see *The Iowa Great Lakes Music Festival Master Class* open to student musicians of all ages, led by artistic director Thomas Fortner, with guest artists from *The Trio Jinx*. Interested students are asked to register by calling 712-338-2274, by Friday, June 23rd.

Fortner and the trio will present *The Iowa Great Lakes Music Festival* concert the next day, at St. Joseph's, (Sunday, July 9th), at 4:30 p.m., with a reception to follow...

The Jazzed Up Big Band of Okoboji is appearing at the Majestic Pavilion tonight (Tuesday), starting at 7:00...

Jessie James and The Outlaws will be heard Wednesday night, from 7 - 9:00, at Table 316 in Arnolds Park...

While *Emma Wicks* is making an unusual Saturday appearance at The Little Swan Lake Winery (from 6 - 8:00), Thursday night's schedule has Kris Karr set to play on the stage in the barn from 6 - 8:00, and *Coolmhor* filling the Sunday slot from 4 - 6:00.

Cloud Ten - JVL and *The Interstate Cruisers* will be opening the *Rock The Roof* season Thursday night, starting at 6:00, in the Majestic Pavilion...

Adam Wakefield, a 2016 runner-up on *The Voice*, will be performing Friday night at Boji Bay Legacy Park, starting at 7:00...

Pianist Glenn Henriksen is returning to The Inn at Okoboji Friday night, for the third time in less than a month, with a sing-along in The Lounge, from 6 - 8:00...

The Itty Bitty Boji Band has a two-day gig set for Friday and Saturday, at the Barefoot Bar in Okoboji. Friday's set is from 2:30 - 6:30, with Sunday afternoon starting and finishing a half-hour earlier...

And, also Friday night, *Live at the Lake* will be hosting Randy McAllister and a bit of East Texas Roadhouse Blues in Preservation Plaza... That pretty-well covers the highway — except for *The Dick Bauman Big Band*, Monday night, in Pomerantz Hall, at The Pearson Lakes Art Center, from 7 - 9:00. Some of *The Headliners* from the Iowa Lakes, University of Okoboji Jazz Camp are expected to sit in with the DBBB, too...

When you see *Jessie James & The Outlaws* at Table 316 on Wednesday night, research director RD wants you to be sure to remind them that Wednesday is Flag Day. She's betting they might just have a patriotic tune or two in the music files...

Wednesday, RD reminded us over the weekend, is also Cy Coleman's natal day. The great composer, songwriter and jazz pianist, who was inducted into the Songwriters Hall of Fame in 1981, won two Grammy Awards and three Emmys. You'll remember *Witchcraft* (Think Frank Sinatra), and *The Best is Yet to Come* (Think Tony Bennett)...

And as strange as it might seem, it was July 14, 1946, that Nat Cole made his first recording of *The Christmas Song*, in a studio at radio station WMCB, in New York...

It was June 15, 1968 that the Broadway show, *I Do! I Do!* closed after 561 performances. A hit single from *I Do!*... became the title of the 1967 Ed Ames album *My Cup Runneth Over*...

You probably won't have to remind your father that Sunday is Father's Day. He'll be waiting for your collect call. But according to RD, Sunday is also "Picnic Day," remembering the 1955 motion picture starring William Holden and Kim Novak. The *Theme from Picnic* is a melody written by George Dunning, with lyrics by none other than Steve Allen. Enjoy some great music. Have a great week and weekend!

The Avera Lakes Regional Healthcare Volunteers Auxiliary will be awarding a \$1,000 William F. and Neva Clifton Grant. The Cliftons bequeathed money to LRH Volunteer Auxiliary to award a \$1,000 scholarship each year to a resident or a graduate of a Dickinson County High School that is pursuing a career in the field of physical and or health education. The student must be enrolled in school full time and will be entering their third year of schooling.

The Avera Lakes Regional Healthcare Volunteer Auxiliary will also be awarding four \$500 Judd Grants to students pursuing a nursing career. Clarence Judd was a long time resident of the lakes region and bequeathed money to the LRH Volunteers with the stipulation that the money be used to provide grants for prospective nurses. Those receiving the Judd Grants are chosen by a random drawing. Residents of Dickinson County or a graduate of a Dickinson County High School are eligible to apply for these grants if they are entering or are enrolled in an LPN, RN or BSN program with preference given to full time students.

Applications for either of the grants are available at any of the public libraries in Dickinson County now and must be returned by June 30. Avera Lakes Regional Healthcare will not have the necessary application blanks available. Any questions may be directed to Jona Forbes at 712-330-5508.

Hey, Good Cookies! Launches New Coffee Brand

Hey, Good Cookies! is proud to announce the launch of Schatz brand coffee. This new specialty brand offers authentic taste sensations that customers will love. Schatz is coffee with purpose. The initial introduction offers three signature blends, each carefully named to convey a message to our coffee lovers: Awaken, Evolve and Breathe.

Awaken is an Ethiopia/Guatemalan blend. With each sip your conscious begins to awaken and your focus on the present becomes more clear. Being awake and present in the now, allows you to be a co-creator of your experiences.

Evolve is a Single Origin/Organic Fair Trade from Peru. Evolve is a bold blend. Dark and Smoky. Appreciated by coffee lovers confident in their abilities and ready to move forward and embrace the day and open to new adventures.

Breathe is Ethiopian. It offers that gentle reminder to be present as the day unfolds. When things seem to be moving too fast- just breathe. Embrace the day your way.

Drifty Away Decaf is for those who want that gentle coffee experience.

Schatz Coffee also offers flavored beans. Schatz Coffee seeks to offer customers an experience with every cup. The brand's mission is to bring coffee lovers into the "Here & Now." Fully embrace this thought. Become present in the moment. Stay conscious. Be aware of yourself and all that is going on around you, in the Now. Everything happens in the Now. Don't go thru the motions of the day when you can become present for your every experience and co-create it.

Company CEO, Kelly Schatz, hopes customers will enjoy the experience of drinking Schatz coffee as much as she enjoyed creating it.

Hey, Good Cookies! is a coffee house serving the Iowa Great Lakes region since 1993. Initially known for delicious made-from-scratch cookies, the business continued to grow and flourish through expanded product lines including specialty beverages, breakfast & lunch menu items, and other sweet treats. Farm Gadget Show to be Part of Fair

Exhibitors everywhere are invited to be part of this year's Farm Gadget Show at the 2017 Clay County Fair.

The show, which started in 2015, began from the "All Around the Farm" page that comes out in the back of every "Successful Farmer" magazine.

"Exhibits don't have to be something you made (or make) from scratch, but could be something you have improved on to make it work for the job you need done on the farm," said Karen Schwaller, show superintendent.

Schwaller said farmers tend to be problem solvers. "If farmers can't find what they need or want, they often go back to their farm shops to make what they need--whether it's something they build from scraps out of the iron pile or wood pile, or they might make an improvement on an existing piece of machinery to change or improve the way it operates," she said.

Exhibits can be something as small as a hand-held object, to something that needs to be hauled onto the fairgrounds on a trailer. Whatever the "gadget," it needs to be something that can be used on the farm. Photo exhibits will also be accepted if the gadget cannot physically be brought to the Fair, but will be used for exhibit purposes only, and will not be eligible for cash prizes.

Farm Gadget Show exhibits are judged on workmanship, design, usefulness, appearance, safety and creative use of resources. The Fair offers \$100 for first place in each category, \$50 for second place and \$25 for third place.

"We have categories for adult and youth individuals, along with groups of adults and groups of youth," said Schwaller. "Any farm inventions or machine changes/improvements you bring are fair game as long as they follow the guidelines on the Fair's website."

Exhibitors don't have to be farmers, but the exhibit does need to be farm-related. Exhibits do not have to look like they came from the showroom floor, either, Schwaller said.

This year's show will also showcase old-time farm gadgets as the Fair celebrates its Centennial. Anyone with an old/antique exhibit they would like to bring in for display purposes only is welcome to do so. Those exhibits will be protected in glass cases, and fairgoers will have a chance to guess what the "gadgets" are to win gift certificates to eating establishments at the Fair.

"This new competition area has gotten much traffic in its first two years at the Fair, and fairgoers do seem interested in looking at the exhibits and reading about how they are used," said Schwaller.

Visit the Fair's website (www.claycountyfair.com) for an exhibitor handbook and learn more about the show's guidelines and rules.

"Come Home" September 9-17, 2017 to Spencer, Iowa for our Centennial Celebration! "The World's Greatest County Fair" since 1917, the Clay County Fair attracts more than 300,000 guests each September. "Come Home" for unique experiences including world-class Grandstand entertainment, award-winning fair food, daily livestock and horse shows, more than \$150,000 in free entertainment, thousands of competitive exhibits, the thrilling GoldStar Amusements Midway, hundreds of commercial vendors, and the largest farm machinery display at any fair in the United States. Funds raised have supported numerous needed Camp projects and improvements. This year's quilt auction will help with kitchen improvements.

Camp Okoboji has served the lakes area since 1940 as an outdoor ministry site of the LC-MS. Located on West Lake Okoboji, Camp Okoboji offers summer programs for youth and families, as well as retreats year-round. USDA Farm Service Agency County Committee Nomination

The U.S. Department of Agriculture announced today that the nomination period for local Farm Service Agency (FSA) county committees begins on Thursday, June 15, 2017.

"County committees allow farmers and ranchers to make important decisions about how federal farm programs are administered locally to best serve their needs," said Acting FSA Administrator Chris Beyerhelm. "We strongly encourage all eligible producers to visit their local FSA office today to find out how to get involved in their county's election. There's an increasing need for representation from under-served producers, which includes beginning, women and other minority farmers and ranchers."

County committees are made up of farmers and ranchers elected by other producers in their communities to guide the delivery of farm programs at the local level. Committee members play a critical role in the day-to-day operations of FSA. Committees consist of three to 11 members and meet once a month or as needed to make important decisions on disaster and conservation programs, emergency programs, commodity price support loan programs, county office employment and other agricultural issues. Members serve three-year terms. Nationwide there are over 7,700 farmer and ranchers serving on FSA county committees.

Farmers and ranchers may nominate themselves or others. Organizations, including those representing beginning, women and minority producers, may also nominate candidates to better serve their communities. To be eligible to serve on an FSA county committee, a person must participate or cooperate in an agency administered program, and reside in the local administrative area where the election is being held.

After the nomination period, candidates will encourage the eligible producers in their local administrative area to vote. FSA will mail election ballots to eligible voters beginning November 6, 2017. Ballots will be due back to the local county office either via mail or in person by December 4, 2017. Newly-elected committee members and alternates will take office on January 1, 2018.

To become a candidate, an eligible individual must sign an FSA-669A nomination form. The form and other information about FSA county committee elections are available at www.fsa.usda.gov/elections. All nomination forms for the 2017 election must be postmarked or received in the local FSA office by August 1, 2017. Locate your local office at <https://offices.usda.gov> and visit to get more information.

Spirit Lake Library News

Summer Reading at the Library

Predator vs prey, animal architecture and taking care of our world have been topics of the summer reading program, "Build a Better World" recently.

Last week children and their grown-ups enjoyed programming with local author Mary Meinking Chambers and naturalists from Iowa Lakeside Lab. This week the kids are excited to see Lisa Laird and her "Pockets Full of Fun" puppets. Artwork created by the kids last week included some clever "animal homes" and nature rubbings. Kids have also been busy reading and spinning the prize wheel. We're signing kids up every day to participate in the program and will continue to do so until the program ends July 8th. So whether your kids (babies through 8th grade) are able to read and spin every day, once a week, or for only a week we hope they can take part in this fun program. Please call or better yet, stop in the library if you have any questions: We are enjoying sharing our wonderful new children's area.

Thank you to our many summer reading program supporters including Fick's Ace Hardware, Pearson Lakes Art Center, The Wild Child, The Three Sons, Arnolds Park Amusements, Lakeland Realty and Arrowwood Resort.

Golfing for 4-H in Northwest Iowa

It's fun with a greater purpose. When golf teams in northwest Iowa gather at Emerald Hills Golf Course in Arnolds Park on June 16, 2017, it's a given that they will have a great time. The 'greater good' is that they will also help raise thousands of dollars to support Iowa 4-H scholarships, programs, awards and events. The sponsors of this tournament, hosted by the Iowa 4-H Foundation, are providing essential resources that will allow youth to develop their communication, citizenship and leadership skills through 4-H. Bob Butcher, President of Community Bank in Holstein, a cattleman in Ida County and former President of the Iowa 4-H Foundation, is organizing the sixth annual golf benefit with his wife, Connie. "The business leaders in northwest Iowa and beyond know that 4-H helps youth become their best, and that makes for stronger families, better communities and a brighter future," Butcher said. "Supporting the Iowa 4-H Foundation through this golf tournament provides a great opportunity for businesses to express their appreciation for 4-H and enjoy a day of networking on a beautiful golf course. We're excited to welcome a couple of celebrity golfers this year. Bill Northey, a NW Iowa 4-H Alumni and current Iowa Secretary of Agriculture, will join us for the day. Chuck Long, a former Hawkeye quarterback, NFL player and College Football Hall of Fame inductee, will also bring his best game to Emerald Hills."

The "Going for the Green" sponsors for 2017 come from many different counties in the northwest quadrant of the state. DuPont Pioneer and Syngenta are the Presenting Sponsors for this year's golf benefit tournament. These outstanding companies will be represented by a number of their local dealers and affiliates in northwest Iowa. Event Sponsors include Curry Seeds, Wyffels Hybrids, Availa Bank and Community Bank. Hospitality Sponsors are Quad County Corn Processors, Monsanto (Matt Otto Seed), Cornelius Seed, Nor-Am Cold Storage, Northwest Bank and Producers Livestock. The contributions of these sponsors help underwrite the major costs of hosting the benefit and enhance the opportunity to raise significant funding for 4-H. Because of this golf tournament's financial support, the Iowa 4-H Foundation has started offering \$1000 college

scholarships to two outstanding 4-H members from northwest Iowa. The 2017 recipients of these scholarships are Jill Berklund from Osceola County and Evan Hansen from Clay County. Both recipients will pursue agriculture degrees from Iowa State University. The tournament also helps make 4-H participation possible for all Iowa youth by offsetting the cost of program fees; providing incentive and award opportunities for 4-H members on local, state and national levels; providing learning opportunities through special programs, camps and conferences for youth and adult volunteers; recognizing Iowa 4-H youth and volunteers for their excellence in projects and service; making improvements to the Iowa 4-H camping center, and for many other worthy programs that benefit Iowa youth and families.

The event is filled with team sponsorships; 32+ teams have reserved their places for the golf benefit. Golfers will enjoy a lunch buffet; best ball, putting and hole contests throughout the afternoon; and a celebratory dinner and auction in the evening. The evening events begin around 5:00 with a social time, a brief program, auction and a dinner featuring ribeye steaks and all the trimmings. Golfers and their guests will also have an opportunity to bid on some valuable auction items, including ISU basketball tickets, seed corn or soybeans from sponsoring companies, athletic memorabilia, athletic ticket packages, and many other items donated by supporters of 4-H. 4-H supporters who will not be golfing are welcome to participate in the evening activities by contacting Butcher at 712 830-7372.

4-H is the largest youth organization in Iowa, providing 105,000 rural and urban youth with opportunities to learn and grow. 4-H alumni frequently credit their project experiences with helping them identify interests for higher education and career paths. Bob Butcher said, "By supporting the Iowa 4-H Foundation and this Northwest Iowa 4-H Golf Benefit, our sponsors truly are partnering with ISU Extension and Outreach and our county Extension offices to make sure that quality youth programs continue to be available in the future. We are thankful for their support and welcome all donations at any level."

4th of July Fireworks

One of the many special aspects of the Iowa Great Lakes Area is the abundance of traditions that are shared here. An annual favorite is the 4th of July fireworks show, a celebration cherished by friends and family from near and far. The beautiful display of fireworks by J&M Displays will light up the sky over West Lake Okoboji for all to enjoy on Tuesday, July 4, at 10:07pm.

Your help is needed to keep this tradition alive. Please visit www.okobojichamber.com to make an online contribution, or send checks to: IGLCC Fireworks Fund, P.O. Box 9, Arnolds Park, IA 51331

All donations will be listed on www.okobojichamber.com. Donors with gifts of \$250+ will be acknowledged during a patriotic salute on KUOO 103.9 Campus Radio prior to the fireworks show.

Your contribution is greatly appreciated by generations who continue to enjoy this Okoboji tradition. For more information, contact the IGL Chamber at 712-332-2107.

Zech Celebrates 80 Years

Marilyn Zech will be celebrating her 80th birthday on June 19, 2017. Please help her enjoy this special day by sending a card to her at 1912 Zenith Avenue, Spirit Lake, Iowa 51360.

Happy Father's Day

Milford Needs Volunteers for Quasquicentennial Celebration

The Milford Commercial Club is asking for the community's involvement to make Milford's Pioneer Days/Quasquicentennial celebration a success. Since the event is a week-long celebration, that means a lot more volunteers are needed. A volunteer sign up for all events has been created. For more information, or to sign up, you can go to the Milford Commercial Club's website: <http://milfordcommercialclub.com/pioneer-days/> and click on the button for volunteering, or if you do not have access to the website you can call Dawn at 712-320-4512.

Also, there are still sponsorship opportunities available. If you would like to consider making a financial donation, there are still several events that can use additional funds to make it successful.

The Milford Quasquicentennial Souvenir Committee has worked hard to offer you an appealing selection of apparel and keepsakes to help you celebrate and commemorate Milford's birthday. The proceeds raised from the items will go towards improving the Florence Park Shelter House. To view and purchase the selection of keepsakes visit Milford's City Clerk office located at 806 N Avenue, Monday thru Thursday, 8:00am - 5:00pm, and Friday 8:00am-4:00pm.

LETTERS TO THE EDITOR

The publisher does not necessarily share the views/opinions stated in the "Letters to the Editor" published in The Lakes News Shopper.

To The Editor:

In 2011, Dickinson County Court Judge Patrick Carr issued a ruling in a lawsuit filed by two residents of Meneyata Park section of Wahpeton. The issue involved a 300 foot access on the south side of Millers Bay. The plaintiffs in the suit contended that the access be closed to the public and that they have exclusive use of the access. Judge Carr ruled in their favor. Subsequently a public property that had been maintained by the city of Wahpeton for many years became an area only for the Meneyata's 180 lot owners.

Since the ruling, the Lot Owners Association has been maintaining the beach and erecting signs to keep the public from accessing West Okoboji Lake. Non lot owners have been requested to leave when they attempt lake access.

This property is in the name of the city of Wahpeton and is totally property tax exempt.

According to tax records, if that property was taxed at the same rate as the two adjoining properties, the taxes would be \$29,679 for the 300 feet of lake access. Why are county taxpayers picking up the tab for 180 lot owners in Wahpeton?

Boji Blowout Tournament

Colorful discs filled the air last June as amateur and professional disc golfers competed in the annual Boji Blowout tournament. Baskets will clang again as players score when the PDGA B-tier tournament returns Saturday-Sunday, June 24-25, at the Okoboji Gold Disc Golf Course in Kenue Park in Okoboji.

"I really enjoy the course," said tournament director Justin McLuen of Des Moines.

Festivities will actually begin on Friday, June 23, with a disc golf clinic at 3:00pm. Learn the basics of disc golf or find out how to improve your game from professionals during the free clinic for all ages.

Then amateurs and professionals are invited to take part in a doubles tournament, with registration beginning at 4:30pm and the tournament starting at 5:00pm. Registration will be \$20 per person the day of the event.

The Boji Blowout tournament will have a shotgun start on Saturday, June 24, and the public is invited to watch the fun as competitors play two rounds on the 18-hole course. Participants will then have tee times on Sunday, June 25, based on their Saturday rankings in their divisions, beginning with amateurs. The top four professionals will finish with an additional nine holes to end the tournament.

The tournament will have a 100-percent payout to competitors, with professionals winning cash purses and amateurs receiving fun money to use for prizes.

Registration for the Boji Blowout tournament is available at www.discgolfszene.com for the first 90 participants. Fees range from \$25-\$80 per player, depending on division. Competitors may register in any of 17 divisions, from recreational men and women through masters.

"Last year's tournament drew players from across the country and even from Canada," said Kiley Roth, community relations coordinator for the Dickinson County Conservation Board, which owns and maintains the Okoboji Gold Disc Golf Course. "The disc golf course has been a popular addition to Kenue Park, with people playing all year round. We are excited to have players come to the Boji Blowout tournament once again this year."

For more information on the Okoboji Gold Disc Golf Course, visit www.dickinsoncountynaturecenter.com or call 712-336-6352. You can also keep up with the latest Dickinson County Conservation Board events and offerings on Facebook, Instagram and Twitter.

Boulders Inn & Suites Managers Meet to Plan for the Future

Managers from 12 of the 13 Boulders Inn & Suites locations recently gathered to share notes and discuss new strategies as the company heads toward the beginning of its second decade next year. The first 32-room Boulders Inn & Suites opened in Denison, Iowa, in 2008. Since then, the company has opened hotels in 10 other Iowa communities and one in Maryville, Missouri.

"We've averaged the addition of more than one new location per year for our first decade of operation," said Boulders Inn & Suites Co-District Manager Julie Schroeder. "The managers meeting was a great opportunity for everyone to connect one on one and participate in conversations about where we are headed next."

In addition to the managers, five members of the Boulders consulting staff attended the meeting. Representatives of accounting, training and development, project management and brand standards provided the managers with a variety of information from a corporate perspective.

"It's been very useful to bring everyone together in the same place at the same time," said Schroeder. "We all have the same concerns and we're all working toward the same goal, but all our managers have had unique experiences, so it's useful for everyone to compare notes and talk about how to best approach specific issues."

One major topic of discussion addressed at the meeting was how to deal with reservations made through online travel agencies, such as Expedia or Booking.com. Schroeder said dealing with online travel agencies has been a headache for every Boulders Inn & Suites location, and for hotels in general, because of the difficulties hotel staff and customers have with changing and canceling reservations. The Boulders Inn & Suites managers were given standardized information about how to deal with online reservation changes. Managers were also provided information to give to customers to assist them in solving problems through the booking companies.

Other topics of discussion included human resource items, effective strategies for promoting the company through social media, and streamlining the organization of documents and forms used by all Boulders locations.

Schroeder said from the customer's standpoint, one of the most interesting developments coming from the meeting is the addition of Keurig coffeemakers to all Boulders Inn & Suites rooms. "Adding Keurigs is something we've wanted to do for a while," she said. "We've heard from our guests that this is something that would help them enjoy their mornings, so we made it happen."

She noted that new locations are being added all the time. Boulders Inn & Suites Oelwein broke ground in early May and a new location for central Iowa will be announced soon. The Fort Madison Boulders Inn & Suites is also being expanded to 78 rooms and will be completed by the first week in July.

"Boulders isn't slowing down at all," Schroeder said. "We're growing all the time and our managers are prepared to make sure we give every one of our guests the best experience possible."

Farmers Market News

Located at Dickinson Co. Fairgrounds
1518 Street & Peoria Avenue, Spirit Lake, IA 51360

Join us for breakfast at the Farmers Market. You can purchase breakfast bowls made with local eggs, vegetables, and bacon or sausage. Or pick up a handmade cinnamon roll to eat while you shop.

More produce will be arriving at the market soon, including strawberries. Remember that fresh produce may have been rinsed but you still need to wash it thoroughly before eating it. Fresh water that is safe to drink is best for cleaning produce. Soap, vinegar, bleach, and baking soda are not recommended as they may leave residue or alter the taste. Most produce shouldn't be washed until you are ready to prepare or eat it. Berries, lettuce, and cabbage should be gently washed under running water and dried before eating or storing it. Wash all fruits and vegetables even if you won't eat the rind. Dirt or organisms on the surface may be passed into the flesh when the skin is cut. If it has a firm surface, like melons, squash, potatoes, or carrots, gently scrub with a clean brush. Enjoy your fresh produce after cleaning it. And shop often at Lakes Area Farmers Market to see what new things have arrived. We hope to see you there.

Spirit Lake Library News

Lessons Of The Holocaust at Spirit Lake Public Library
Join member of the Iowa Holocaust Council and educator Brad Wilkening as he talks about Lessons of the Holocaust at the Spirit Lake Public Library on Monday, June 19, from 6:00pm to 7:30pm. Wilkening will address how people can apply lessons of the Holocaust in today's world where immoral acts are still happening. He started teaching in 1975 and has done extensive studies of the Holocaust since 2009.

Wilkening finds the need for Holocaust education and the lessons people can learn from it more relevant now than ever. Inhumanity occurs around the world almost daily and he wants to make a difference in the lives of as many people as he can reach. "After this event (Holocaust) we said 'NEVER AGAIN,' yet there are numerous places today where genocide is happening. We as individuals must do our part to help humanity survive the inhumanity that some have toward others," said Wilkening. His goal is to teach people that they need to create a safer more caring environment.

Wilkening's presentation will have 20 minutes of how he got involved in studying the Holocaust and the history. Then 20 minutes of stories from survivors and a 20 minute video of Wilkening talking to a survivor. There will be time at the end of the program to ask questions and make comments.

Wilkening started teaching in 1975 and has taught at more than 5 schools in the area. He has studied the topic intensively and in 2011 he was one of 35 people selected for a class at Columbia University and again in 2017 he was one of only 35 people to go to a class in Newark sponsored by the Jewish Foundation for the Righteous.

Wilkening will present his program at the Spirit Lake Public Library on Monday, June 19, at 6:00pm. The public is invited to attend, no pre-registration is necessary. For more information, visit his website at <https://sites.google.com/site/lessonsoftheholocaust/> or contact the library at 712-336-2667.

Corvette Clubs Autocross

Mark your calendar for June 17, 2017, for University of Okoboji Corvette Club's Autocross event fundraisers for Arnolds Park Amusement and Okoboji Foundation. The Corvette Club could not make this possible without help from local businesses. They would like to thank Rosenboom Machine and Tool in Spirit Lake for the location of the event and Polaris Industries for use of 6 passenger GEM. Additionally, the following businesses help the club purchase trophies: H&N of Spencer, Holtzhauser Motor of Cherokee and Sampson Corvette.

This is a free event. Those who want to try out their driving skills may pay an entry fee and must be at least 18 years old with valid drivers license and insurance. Go to www.uofocorvette-club.com for details.. Hope to see you this year rain or shine.

KICD Celebrates 75 Years

KICD AM 1240 has been broadcasting across northwest Iowa and southwest Minnesota for 75 years and is showing no signs of slowing down. For the first time ever, KICD has published a book titled "KICD - The First 75 Years" written by former KICD Meteorologist and announcer, Mark Bruggom.

The book includes fifteen chapters of several historical stories and pictures from some of KICD's most prominent personalities in its humble beginnings in 1942 to the state-of-the-art technology in 2017.

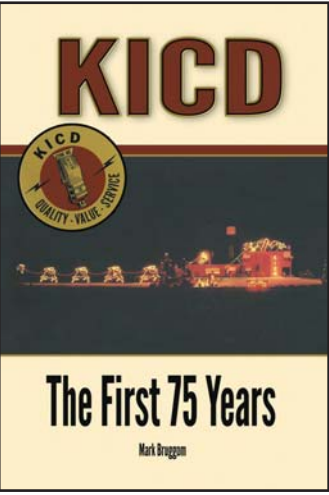

Mark Bruggom, author of the book, began working for KICD in 1995 until his retirement in 2010. It was shortly after that, when President and General Manager, Dave Putnam and Bruggom started having conversations on writing a book about KICD's history. Mark was intrigued with the idea and researched books published by other radio stations. Bruggom said "if I do this, I'd like it to be more than just a yearbook of names and faces. I want to tell a story. Because there's one common thread that goes through a good chunk of those 75 years." Mark uses his own experiences and the voices of several employees, past and present, to paint the picture of the roots KICD has in the community, as well as the growth and change necessary to remain relevant in the modern world.

"Mark was an ideal choice to write this book. He spent over two years researching and interviewing people to put these stories together. I know the listeners will love the book", says General Manager, Dave Putnam.

The book is available to purchase at the KICD Studios in north Spencer for \$15 a copy.

At Mr. Bruggom's request, he is not able to give interviews. If you would like to speak with someone about the book, or request more information, please contact KICD Operations Manager, Kevin Tlam, or KICD Farm Broadcaster, Katie Johnson.

KICD Radio has plans to celebrate their 75th Anniversary throughout the summer, including during this year's Centennial Clay County Fair September 9 - 17.

49th Annual Pachyderm Event

The Dickinson County Republican Central Committee announced Dr. Cody Hoefert will be the key note speaker at the annual Republican event to be held Thursday evening, June 15, at the New Inn. Hoefert currently serves as Co-Chairman of the Iowa Republican Party. He was elected to this position in June 2014. Dr. Hoefert has been instrumental in helping to lead the resurgence of the Republican Party in Iowa.

The annual event is scheduled to begin at 5:30 in the New Inn's Lakeview Room with the social hour followed by dinner at 6:30. Dickinson County Party Head Dave Rowley said ticket sales for the event have been strong, but added there is always room for more at this fund raising event for the county party. Tickets for the event are \$125.00 for couples and \$75.00 for singles. The tickets include the Thursday evening dinner and the August 24 event scheduled for the Barefoot Bar at Parks Marina in Okoboji.

The Farmers Trust and Savings Bank team took top honors

Many thanks to the sponsors and participants who attended the Iowa Lakes Community College Foundation Scholarship Event on Friday, June 2, at Spencer Golf & Country Club. The 18-hole, four-person best ball tournament included games, contests, and a raffle to help raise scholarship funds.

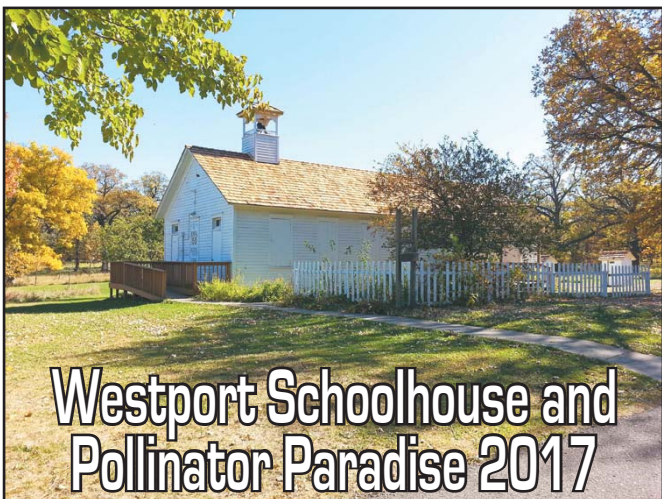

Clay County students attending any of Iowa Lakes Campuses were the winners.

Sincere appreciation to Iowa Lakes Alum Chris Mugge, for providing a three-hour cruise to the winning ticket holder, Stephanie Heide.

The Farmers Trust and Savings Bank team of John Beneke, Sid Fitch, Kent Nelson, and Bryan Harken posted the low score and took top honors.

Special thanks to the event sponsors: Ag Partners, LLC; Arnold Motor Supply; Avera Holy Family; Clay County Pork Producers; Cotton-Grave Farm Management; Dickinson County News/Spencer News; Dyno Oil Co & Dyno's C-Store; Emmetsburg Democrat and Reporter; Estherville News; Farmers Savings Bank; Farmer's Trust and Savings Bank; Fitzgibbons, Bauermeister, Sander, & Early, LLC; Graham Tire; Hy-Vee Food Stores; JB Mertz & Son, Inc.; JCL Solutions; KICD News Radio 1240/CD 107.7/Mo 104.9; KILR 95.9/AM 1070; Kingston Life and Health; KUOO Explore Okoboji/Y 100/Q102; Max Yield Cooperative; NorthStar Bank & Agency; Northwest Bank; Orthopaedics, PC; Pioneer/Chad Anderson; Pro Cooperative; Spencer Agronomy Services; Spencer Municipal Utilities; StateLine Cooperative; Tom Eischen Sales, Inc. and Williams and Company.

Beautiful script shows the names of students enrolled at Westport No. 5 and rows of Xs represent when they attended class.

One's mind wanders at the dates that don't have an X. What were the kids doing that day? Were they sick? Did they have to stay home and help with harvest? Was Mom ill and so daughter had to stay at home to care for her little brothers and sisters?

Stepping into the Westport Schoolhouse in Kenue Park makes people think about times gone by and all that historic building saw at its original location in Westport Township. Come see where your imagination might take you when Westport Schoolhouse opens for the season Tuesday, June 13, in Okoboji.

"We spent part of the winter and fall going through old papers and record books, pulling out teacher's paycheck stubs and attendance records," said Kiley Roth, community relations coordinator for the Dickinson County Conservation Board. "Many of those items from Westport No. 5 are now on display inside the building, offering a fun look back into the history of the schoolhouse."

Opening the same day in Kenue Park is Pollinator Paradise, located just south of the Dickinson County Nature Center.

The building houses exhibits on butterflies, native bees and pollinator plantings as well as a kids area and monarch butterfly enclosure where monarch caterpillars are raised throughout the summer. Dickinson County Conservation staff and visitors will bring in monarch eggs and caterpillars to safely raise until they hatch into butterflies, and then those butterflies are released into the wild.

“Seeing the monarch life cycle up close, from tiny caterpillars growing 2,700 times larger before they go into chrysalis to hatching out into an adult is just incredible,” Roth said. “Having that experience truly helps foster an appreciation for nature into people of all ages.”

Both the Westport Schoolhouse and Pollinator Paradise are open 10 a.m.-2 p.m. Tuesday-Saturday, June 13-Sept. 1.

The Dickinson County Conservation Board and Conservation Foundation of Dickinson County are also fundraising to create a new \$1.7 million Pollinator Paradise addition to the north side of the Dickinson County Nature Center. The project is expected to break ground this July, and then Phase 2 will be the addition of children's museum-quality exhibits including a walk-through caterpillar tunnel, life-size honeycomb, indoor pollinator plant greenhouse and more.

For more information on Kenue Park's offerings or on the new Pollinator Paradise addition to the nature center, visit www.dickinsoncountyconservationboard.com or call 712-336-6352. You can also keep up with the latest news on Facebook, Instagram and Twitter.

HOT DIGGITY DOG

Lakes Area Dog Park Board of Directors wish to thank the Kozy Heat Gallery in Arnolds Park for their generous sponsorship of the Hot Diggity Dog Party, Saturday, June 3, 2017.

With your support the event brought in several people who knew little about our dog park. They learned about it and donated to help out. You and all the attendees were very generous.

The Kozy Heat Gallery helped to guarantee that the Dog Park will have water stations for dogs and their humans by the end of the summer.

Thank you again, for such an enjoyable event. Dog bone hamburgers, WOW, delicious.

Sincerely,
The Lakes Area Dog Park Board of Directors

LETTERS TO THE EDITOR

Dear Friends:

Children and youth are looking forward to the summer months, and at Upper Des Moines Opportunity, we are preparing for the school year of 2018. Your support for this program is greatly appreciated.

On Sunday evening, August 13, 2017, our local Bomgaars will open the doors to income eligible Dickinson County children in grades K through 12. Our goal, as always, is that each child who qualifies will be able to select \$150.00 in new school clothes as well as some necessary school supplies.

The Back to School program is important to us because it allows children in need to enter the school year with pride and confidence. We are hopeful that this positivity will enhance the child's success and emotional well-being throughout the school year and promote social acceptance. Each child, no matter who he or she is, deserves the opportunity of positive self-esteem when going back to school.

Please know that any donation is helpful. Please help us make a difference in the lives of children in need in Dickinson County.

Please feel free to contact Upper DesMoines Opportunity at 712-336-1112 if you have any questions. We appreciate your consideration in support of this program.

Deb Weir,
Outreach Specialist

Iowa Lakes Gets Funding to Help Prepare Students For College

Iowa Lakes Community College will receive a grant to help prepare area students for college, the U.S. Department of Education announced recently.

The Upward Bound grant provides fundamental support as young people in ninth through 12th grade begin planning their education following graduation from high school.

"This is a good match for Iowa Lakes as it reflects how all our staff members work to assist students each day," said Valerie Newhouse, President of Iowa Lakes. "This grant helps to keep minds growing and it encourages these high school students to believe in themselves as they prepare for college."

"In addition, students who choose to settle in this area help improve economic development throughout the region," Newhouse added.

The program provides opportunities for participants to succeed in their precollege performance and ultimately in their higher education pursuits, according to the U.S. Department of Education. The goal of Upward Bound is to increase the rate at which participants graduate from high school and enroll in — and earn diplomas and degrees from — colleges and universities.

The Upward Bound grant is funded through a federal TRIO grant and will be administered as part of the college's TRIO programs.

"We were awarded a grant in the amount of \$257,500 each year for five years to serve 60 students in grades 9-12," said Trudy Ahrens, TRIO director. "The three target schools we will be working with are Estherville Lincoln Central, Emmetsburg and Spencer."

A student can join the Upward Bound program by meeting one of two qualifications: being a first-generation student (meaning neither parent has a four-year degree) or meeting a certain taxable income amount. However, 70 percent of students in the program are required to meet both qualifications.

Free services which will be provided include:

- Weekly tutoring sessions
- College campus visits and cultural enrichment opportunities throughout the Midwest
- Saturday activities and workshops
- In-school advising sessions with an adviser
- Six-week residential program on the Emmetsburg campus which will prepare students academically for the following fall
- A bridge program for high school seniors, which will offer up to six college credits

In addition, students in the Upward Bound program receive other services, including a full range of Federal Student Financial Aid programs and benefits.

The grant services will begin on Sept. 1 of this year and last for five years.

Individuals requesting more information about the Upward Bound program may contact Ahrens at 712-852-5302 or tahrens@iowalakes.edu.

Membership Workshop a Success

The membership workshop held June 6 at Spirit Lake by the Ladies of the Lake Chapter of the Daughters of the American Revolution was an enjoyable and worthwhile experience for everyone involved. Iowa State Daughters of the American Revolution Vice Regent Marsha Hucke of Iowa City and the ISDAR Researcher Carolyn DeLay of Atlantic, IA were present to provide guidance and information to members as well as to prospective members.

The workshop opened with the traditional DAR patriotic ritual followed by a business meeting conducted by Ladies of the Lake Regent Mary Thunhorst. Secretary Tanna Lair and treasurer Rita Brockshush gave their reports as did committee chairs that were present.

Of primary interest was the report of the chapter's participation in the birthday party planned for member June Goldman. Publicity efforts and the contributions of 400+ cookies are the responsibilities of the Ladies of the Lake. Everyone in the community is invited to attend this birthday celebration on Sunday, June 25 from 1:00 to 4:00 at Rolling Oaks. June has made a difference in the Lakes area by serving as a county supervisor and especially by championing the establishment of the Humane Society of Northwest Iowa. That shelter has grown to house approximately 125 animals, but it receives no federal or state financial support. For this reason June asks that no gifts or flowers be given but rather contributions to the shelter be donated in recognition of her 92nd birthday.

The focus of the evening's meeting was the tracing of family history. Regent Thunhorst asked that all members complete descriptions of their Revolutionary patriots' lives including any photos or interesting facts. She plans to compile a booklet of this information.

After reminding members to attend the June 13 meeting at Miniwakan Park when formal memorial services will be conducted for the four recently deceased members - Billy Rosendahl, Arlene Reed, Evelyn Schwenneker, and Bonnie Wunder, Regent Thunhorst adjourned the meeting.

ISDAR Vice Regent Hucke next spoke of the President General's project to repair and renovate the DAR Constitution Hall in Washington, D.C. She told not only of its attributes and its history but also of ways individuals and chapters could give financial support to this national project; she also told of the ISDAR Regent's project to erect a monument in honor of Revolutionary War veterans buried in Iowa.

The group then enjoyed pizza and drinks provided by the hostess Wanda Merrill before door prizes were awarded.

Finally Carolyn DeLay took over and the actual workshop began. A vivacious presenter DeLay stressed the importance of "linkage" using birth, death and marriage records to establish one's patriot or eligibility as a Daughter of the American Revolution. Following her presentation DeLay responded to questions and then distributed multiple-page handouts listing sources one can use to locate necessary documents. Following her presentation to the group she worked with individuals searching for their patriots in anticipation of joining DAR. All those in attendance left the workshop with worthwhile information having spent an enjoyable and productive evening.

Contact Ladies of the Lake Mary Thunhorst if you have any questions or are interested in joining DAR. She can be reached via email at or by calling 712-336-0240.
