use prevention/treatment services, and Mount Morris Village Board leadership met to begin a collaboration on identifying and addressing Mount Morris' challenges due to the effects of poverty and high risk/unhealthy behaviors. Another goal of the event was to continue down the road of maximizing the village's relationship with some of the many key stakeholders critical to helping Mount Morris be the best it can be. A key takeaway from the evening was the concept of expanding the delivery of year-round local programs and venues that will allow especially our youth to forge effective relationships with healthy role models as well as offering experiences and activities that build self-esteem and instill healthy habits. The group also agreed that the need for Mount Morris community volunteers to participate in these opportunities will be key and necessary for any sustained and long term success. Please be on the lookout for future opportunities to volunteer for our community.
