Wednesday, June 14, 2017 at Higgins Funeral Home with Bro. John Hathcock officiating. There will also be a very special funeral send off at the Madison County Executive Airport in Meridianville, Alabama on Thursday, June 15, 2017. A reception will be held at 11 a.m. followed by a service and a fly over honoring Mr. Shelton at 1 p.m. Burial in Riverview Memorial Gardens with Military Honors. Mr. Shelton passed away comfortably in the arms of his beloved wife of 62 years, Mrs. Sara West Shelton, on June 10, 2017 after a brief illness. Mr. Shelton was born in Taft, TN. He worked hard early, operating a paper route to support his mother and younger sister at age 12. He went on to graduate from Central High School in 1949. He worked at Kraft Foods until joining the United States Air Force in 1951, where he trained as a Crew Chief on T-33 and F86 aircraft. During his service, Mr. Shelton developed an insatiable interest in aviation and vowed to one day buy his own aircraft. Following his honorable discharge in 1955, Mr. Shelton finished his Business Degree at Indiana Tech. He soloed and began earning his pilot's credentials at Wilkes Field in Fayetteville where he did buy that aircraft and began flight instructing both in Fayetteville and Huntsville, AL in 1963. Mr. Shelton, still actively flying until November 30, 2016, ended his aviation career having given well over 20,000 hours of flight instruction. He graduated over 1,000 students as an FAA Flight Examiner and beginning in 1987, he administered a United States record 10,379 checkride flights. His personal logbook documents 38,971 actual flight hours with ratings as an Airline Transport Pilot, Single and Multi Engine Instrument Instructor, and Cessna Citation Jet. Mr. Shelton actually had two careers. A charter member of NASA, the Marshall Space Flight Center, he and his colleagues made aerospace history during our nation's space race. He was there from the beginning working with Dr. Werner Von Braun working on all the launch vehicles from the Redstone Rocket to the Saturn V Moon Rocket, finishing after 38 years with the Shuttle program in 1993. The patriarch of three generations of pilots, Mr. Shelton instructed his wife Sara in 1966, his son Scott, now a Boeing 747 Captain for Delta Airlines on his 16th birthday, and his grandson Nevada, currently a Captain in the United States Army flying the Black Hawk helicopter on his 16th birthday as well. Mr. Shelton's legacy is firmly established in those lives he touched. He was a genuine aviation professional. He was a man whose integrity, character, fond nature, and sincere interest in his students defined him as a man of competent humility.

For his extraordinary and endearing contributions to aviation, Mr. Shelton was elected into the Tennessee Aviation Hall of Fame in 2010 and the Alabama Aviation Hall of Fame in 2016. Mr. Shelton was preceded in death by his parents, Thomas Hamilton and Louella Shelton; and brother, Thomas Owen Shelton. Mr. Shelton will be missed by all he touched during his long historical career, but most importantly by his wife, Sara; sons, Steve and Scott (Gwen); grandchildren, Ashley Davis (Johnny), Chase (Ashley), Nevada, Whitney (Marcus), Richard (Chelsea), and Cooper; great grandchildren, Emma Grace, Anna Elizabeth, Abby, Walker, Ryder, Gunner, Ronin; sister, Jodeen Steeleman; and brother-in-law, Ron (Dianah) West. Visitation, 1-4 p.m., Wednesday, June 14, 2017 at HIGGINS FUNERAL HOME, Fayetteville, TN. (931)433-2544.

About our county mayor, you should know, that his incompetence is only out shadowed by his ignorance! And his total disrespect for our vets. He canned our V.S.O. on June 2nd with no transition in place and left all our vets in the lurch for our health care transportation. This is a slap in the face to all vets, and I hope you all remember this next election day! His actions are totally irresponsible.

Sincerely Yours, Frank M. Bohacek

Business Development

I started my journey with Exchange Media Group in December 2007. While some things have changed, our commitment to small businesses has never waived. We take pride in the fact that we've helped so many over the years. Our market saturation, strong readership, great customer service and vision for the future are what sets us apart from the rest. While our print product is strong, we realize the need to have a presence online. It's exciting to tell people the new digital products and services we've added to accommodate our growing clientel.

I love my job and my customers!

Mary Ann Marsh

Business Development

"Bill Thomas, founder of the Exchange, brought me on board 25 years ago. We had 1 edition at that time and now have grown to 6 editions. Our weekly Exchange reaches over 83,000 homes and thousands of people visit our website. I love seeing my customers connect to their customers and watching their businesses grow. Many of my customers over the years have become very good friends, which has been rewarding. I have been a member of the Fayetteville Kiwanis Club for 24 years and have loved working and helping serve children in our community. I feel very fortunate to have been a member of Team Exchange Media Group for so many years."

Sandra Thomas

Business Development

I can remember when Exchange made it's debut. It was just what the community needed - a place to bring buyers and sellers together; a place to showcase products and services; a place to inform, congratulate, or thank others. I know personally how well Exchange works because my family and I have used it for years. Therefore, it is an honor to recommend Exchange to my friends and customers

I love working with the people in the communities that make up Franklin County. From the Chamber staff and local community administrations, to the business owners and individual Exchange readers, I have met the nicest folks. They care about their neighbors and their community which makes my job meaningful.

A person wearing a light blue button-down shirt is holding a black tablet horizontally in front of their chest. The text "DREAM BIG" is superimposed in the center of the image in a large, bold, black-outlined font with a hand-drawn texture. The background is a light gray wall, and the entire scene is decorated with various space-themed illustrations. These include a yellow crescent moon, a yellow rocket with a red and blue flame, a green planet with a ring, several yellow and green stars, and a molecular structure with green and blue spheres. The illustrations are scattered around the person and the text, creating a dreamy, cosmic atmosphere.
