TRAILS TALK

Erin Reed, Executive Director, DCTB

Dickinson County Recreational Trails

dctrails@co.dickinson.ia.us

Rail Trail Rally—DCTB’s 2017 fundraiser event is coming up this weekend on Saturday, June 24 at the Arnolds Park Pavilion. This year’s event will highlight the Rail Trail and kickoff the effort to raise local matching funds for its construction. Get your Steampunk gear on and come celebrate 37 miles of Rail Trail. There will be music and fabulous food provided by Chef Suzanne Bicknese along with some great auction items. You can find more information on sponsorships and tickets at www.dickinsoncountytails.com. Tickets are also available at The Three Sons and Okoboji Expedition Company. Thank you for your support.

Trail Maintenance – We have been really busy with trail maintenance this spring. The work by Ranch Okoboji is now complete, Diamond Concrete did a great job providing a smoother ride and the drain manufactured by Fairchild Welding is a must see. The East Okoboji Slough area south of Gingham Inn is now open after stabilization of the bank and replacement of pavement provided a much safer condition. The south 3.2 miles of the Spine Trail from Milford through Henderson Woods received a fog seal treatment last week that will help maintain the surface of the pavement. Fort Dodge asphalt will be crack sealing and slurry leveling the Spine Trail starting this week from Kiwanis Park and north through East Okoboji Slough. The leveling will offer a smoother ride for users and help preserve the life of the pavement.

Bike Route Painting – Executive Director Erin Reed and Spirit Lake DCTB Director Yvonne Taylor have been out painting symbols to help users navigate the bike routes that are most difficult to follow on our system. We will continue to work on these areas so that everyone can find their way around our beautiful Iowa Great Lakes.

Memorial Benches—New memorial benches have been placed this spring and the program is up and running to replace old benches that are beyond repair. If you are interested in replacing or getting a new bench to honor someone in your life, visit www.dickinsoncountytails.com/donate to get information and the Bench Program form.

Until next time, as always, Happy Trails to you and yours.

Quasquicentennial Souvenirs

The City of Milford has graciously agreed to display the Quasquicentennial souvenirs in the office of the City Clerk. New items may be added as they become available, but many of these items will not be re-ordered so, when they are gone, they are gone. Please feel free to stop in during their office hours (8:00am – 5:00pm on Monday – Thursday and 8:00am – 4:00pm on Friday) to view and purchase these collectibles. Our celebration will be July 17 – 23, 2017. You can find our tentative schedule posted on both our website (www.milfordcommercialclub.com) and our Facebook page. We hope you will be able to join us!

Pioneer Theatre Expanding

The Pioneer Theatre, located in downtown Milford will soon be expanding. If you’ve been to a movie in Milford recently, you may have noticed the former-ly-abandoned building just to the south of the Pioneer Theatre has been under construction – and it’s about to be turned into another theatre. Pioneer Theatre business partners Rob Mayer and Tom Struthers

bought the building at a public auction back in March, with plans to add another auditorium. “A new theater really gives us the ability to bring more movies to Milford,” says Mayer. “Our customers will now have more options for a night out of the house.” Mayer hopes the new theatre will be open by Friday, June 23rd but no date has been finalized yet. The new auditorium will be one of a kind in the area, featuring full stadium seating, a wall to wall curved screen, a QSC 7.1 audio system and approximately 50 high-back leather recliner seats with tray tables, which guests have already enjoyed in the renovated Pioneer Theatre balcony. The online seating reservation system currently in use will be provided for the new theater, and due to the small capacity (recliners take up much more room than standard chairs), guests will be able to guarantee their seat before they even head to the show. Tickets in the new theatre will be priced in the \$5.00-\$8.00 range, depending on the date and time of the movie. Discounts will still be offered to children and seniors in the new theatre. Also coming soon to the Pioneer Theatre is the offering of beer and wine: “Many guests have requested this, so with the new seats and snack tables, we think it’s the right time and the right venue to offer some more upscale menu items” says Mayer. Part of the project also involves a remodel of the storefront, as required by the purchase agreement with the City of Milford. As part of that agreement, the Pioneer Theatre will update the front to a similar look with what Marc Steffes did with his building in downtown Milford. This will create a brand new 625 square foot retail space that will be offered up for a commercial lease when the project is finished.

Mayer is very excited to be contributing to the positive growth and development in the community: “Our goal is to set a positive example of what a little bit of energy and investment can do, and we would especially like to thank United Community Bank and the administrators from the City of Milford for their help in making this project happen,” says Mayer. The cost: just over \$200k, employing contractors all located within Milford city limits. “This really will be a first class movie experience for our incredible customers, who definitely deserve the best we can offer them- we hope that the new theatre will give people one more way to see Milford as a great place to live and work,” said Mayer.

For more updates on the project as well as current movie shows and times, view the Pioneer Theatre ad every week in The Lakes News Shopper, check out their website at milfordpioneertheatre.com, view their Facebook page, or give them a call at 515-207-2306.

Farmers Market News

Located at Dickinson Co. Fairgrounds
15th Street & Peoria Avenue, Spirit Lake, IA 51360

Radishes are plentiful right now and this is a good time to take advantage of that. Radishes can be used in many ways besides snacking and salads. You can grate them and use them in batter breads, slice them thin for a pizza topping or to make radish sandwiches, radish leaves can be used in salads or in soups. For a warm dish, radishes can be sauteed or roasted. Here is a recipe for roasted radishes.

Roasted Radishes—1 pound radishes, tops and roots removed, 1 tablespoon olive oil, salt and pepper. Slice radishes in half and toss with the olive oil and salt and pepper to taste. Arrange them cut-side down on a heavy, dark sheet pan (a cast iron skillet is good) and roast at 450 degrees F for about 10 to 12 minutes. Roasting mellows the spice and turns them into sweet, juicy little bites.

There are several vendors at Lakes Area Farmers Market that sell radishes. The Farmers Market is open from 7:30 to 12:00 noon Wednesday and Saturday, and is located on the fairgrounds in Spirit Lake.

If something sweeter is more to your liking, come to the annual Cookie Bake-off on Saturday, June 24, at the Farmers Market. Various vendors will have samples of their home baked cookies for you to taste. Use the poker chip you are given to vote for your favorite. The winning vendor will receive a traveling trophy and will have bragging rights for one year. And, as always, there will be other tasty treats and neat things to purchase. We hope to see you there.

PEBC Public Programs

Prairie Ecology Bus Center (PEBC), located at Sparks Park, 939 North Highway 86, Lakefield, Minnesota, will host the following public program:

- Wild Trekkers Camp - Monday thru Thursday, June 26-29, from 9:00am - Noon, for kindergarten - second grades (completed). Campers become explorers in this hands-on discovery camp. Campers will expand their observational skills on scavenger hunts, leave no stone un-turned on insect walks, craft an animal home, and many more fun games and activities. We promise you will get messy.
- Pre-registration is required - Please call 507-662-5064 or email marilyn@ecologybus.org.

Jazzed Up
Big Band

Trombonist Ken Hoyne performs with *The Jazzed Up Big Band of Okoboji* each Tuesday night at the Majestic Pavilion in Arnolds Park.

Three OST dates sold out!

Ruth Ann Burke has always kept notes on the Okoboji Summer Theatre's sold-out shows — mostly musical performances. But it seems there's no firm record of how early in the season those shows have been sold out. That said, there's no way to be sure, but it appears that three performances being sold-out the first week of the season is probably a record. And while the shows are popular musicals, they are from very different musical decades.

The 1949 Rodgers and Hammerstein musical *South Pacific* was an immediate hit on Broadway, running for more than 1,900 performances, and winning numerous awards. So it was really not a surprise that the Saturday, August 12th matinee, and the Sunday, August 13, performances were sold out the first week of the season. And, this is probably the earliest time and extra staging has been added to the schedule. That performance will be a 4:30 matinee on Friday, August 11th, and Ruth Ann, being the promoter she is, reminded us, "there are plenty of good seats for that extra show!"

The big surprise came with *Footloose* — the 1998 Broadway show that was spawned by the 1984 motion picture of the same name. It is the Sunday, July 9th, performance of *Footloose* that is also sold out!

The OST's Boji Bantam Children's Theatre — with its new red roof — is opening a musical of its own this week, with *Pinkalicious The Musical*. Pinkalicious is a young girl who can't stop eating pink cupcakes, despite warnings from her parents. We're betting there are no spankings — but several lessons to be learned in this fun show that runs Wednesday through Saturday, with 10:30 curtains each morning...

This is the week that the Iowa Lakes, University of Okoboji Summer Jazz Camp is in full swing, with *The Headliners* performing on campus four nights in a row! The band members worked with *The Dick Bauman Big Band*, Monday night, and will return to the Pearson Lakes Art Center for a 7:00 concert on Wednesday night.

Tonight (Tuesday) *The Headliners* will be doing a free outdoor concert at Thoreson Memorial Park Shelter House, on 6th Avenue North in Estherville, starting at 7:00. Bring a lawn chair or two. Rain (or snow) will move the performance to the Iowa Lakes gymnasium in Estherville. Then, following Thursday's student concerts in Estherville, the band will head to The Little Swan Lake Winery for its grand finale of the summer. "The Jumpin', Jivin' and Wailin'" will start at about 9:00...

Tonight (Tuesday), will also see The Jazzed Up Big Band of Okoboji back in the Majestic Pavilion for listening and dancing, starting at 7:00...

'Piano' Glenn Henriksen will be hosting his regular Tuesday and Wednesday night house concerts starting at 7:00. And those who are wondering why they rarely find Glenn in public performances will be pleased to know he's working a lot of overtime with private parties, including three (in two states!) on Saturday, followed by a Sunday morning service at the Methodist Camp. We're doubting that Glenn will have time to drive back to Armstrong Saturday night...

Wednesday comes with a surprise: The Itty Bitty Boji Band will be appearing in the Conference Center at The Inn for a BBQ buffet and dance from 7 - 9:00. The BBQ will be served starting at 5:30. The *IBBB's* Boji Bill will also handle the entertainment on the Diamond Lady's Sunset Cruise, from 6:30 - 9:30, Saturday night...

With The Headliners' show set for Thursday night at The Little Swan Lake Winery, this will be one of its busiest weeks entertainment-wise for the place where the buffalo roam. Chicks, Flicks and Wine Night is Wednesday, with Mark and Rowaida Lair stepping up to the barn microphones Thursday night, from 6 - 8:00. And Kris Karr is expected to entertain on Sunday, from 4 - 6:00...

Thursday night will also see Jessie James & The Outlaws performing in Estherville's Library Square, from 5 - 7:00...

And The Beyond Blue Trio will be the entertainment in The Lounge at The Inn, from 6 - 8:00, Friday night...

The weekend's major concerts include: Denise Shipler and *Surfin' Safari* rocking the roof, Thursday night from 6 - 8:30, in the Roof Garden at Arnolds Park; the Kiss tribute show, *Strutter* will be at Boji Bay Legacy Park Friday night, starting at 7:00; and Canaan Smith and Steve Moakler will be performing in Preservation Plaza at Arnolds Park, Saturday night...

Then the week begins again on Monday night, with the *Dick Bauman Big Band* performing from 7 - 9:00, in Pomerantz Hall, at the Pearson Lakes Art Center...

With today being the first official day of the hot summer season, research director RD reminds us that, "It's a jungle out there."

Beach Boy Brian Wilson turns 75 today. Can you picture him on a surfboard in West Lake Okoboji? One of his most recent albums was the 2011 release, *In The Key of Disney*, that featured *Baby Mine*, from *Dumbo*; *The Bare Necessities*... from *Jungle Book*, and *Can You Feel The Love Tonight*, from *The Lion King*. RD really stretched for those...

Wednesday is the first full day of summer, which brought the blonde to think of Benny Carter's *Summer Serenade*; *Summer Samba*, by Astrud Gilberto; and Ed Ames and Marilyn Maye singing *Think Summer*, as they did for RCA Victor in 1969...

Wednesday is also Daylight Appreciation Day, with songs like Jimmy McHugh's *On the Sunny Side of the Street*, along with *Sunshine, Lollipops, and Rainbows*, the 1963 hit for Lesley Gore that was written by Marvin Hamlisch, whose natal day she/we missed celebrating on June 2nd...

Walt Disney's 15th animated feature, Lady and the Tramp, was released on June 22, 1955, with the songs *Bella Notte*, and *He's a Tramp*, which was performed by Peggy Lee, who co-wrote it with Sonny Burke...

Just in time for Pinkalicious, we will celebrate National Pink Day on Friday, which brings Perez Prado's *Cherry Pink and Apple Blossom White* to mind, along with Henry Mancini's *The Pink Panther Theme*.

As always, RD is right. It is a jungle out there. Stay cool with Carly Simon's rendition of *Moonlight Serenade*. Carly will be just three years younger than Brian Wilson when she turns 72 on Sunday...

All the news that fits we print.

"Rockin' the Boat" in Arnolds Park

On the weekend of June 24, 2017, Oak Hill Marina, in partnership with The Foundation for Exceptional Warriors (The FEW), is hosting a community event, "Rockin' the Boat," in Arnolds Park Preservation Plaza.

The goal of this event is to give back. Each year, Oak Hill Marina and The FEW organization bring veterans and their families from across the country to Lake Okoboji for a free weekend getaway. After coming home, many service men and women deal with the emotional and disabling stress of war. We want to support and thank them for fighting for our country and protecting our freedoms. There will be a free concert for the entire community in their honor on June 24, in Arnolds Park, featuring headliner Canaan Smith and special guest Steve Moakler, both popular Nashville recording artists, and opener Casey Muessigmann, local performer and former contestant on The Voice.

For a \$20 raffle ticket, you get the chance to win VIP elevated seating for 8 during the concert, VIP meet & greet tickets, dinner at Maxwell's lakeside restaurant, a fully stocked YETI cooler with your favorite drinks, and other gifts including gift certificates to Riddle Me That, a fire pit from Clary's Lake Service, rounds of golf at Indian Hills, Brooks Golf Course, Estherville Golf Course, and Emerald Hills, gift cards to many local businesses, and so much more that adds up to a total value of over \$8,500. All proceeds from this raffle will go to The FEW, and the winner will be announced after June 17th. We are grateful for your support!

If you are interested in getting involved in this event, we would love to hear from you. Please contact Jake Jostand at Oak Hill Marina, 712-320-2701.

Join the Fight to Protect Our Water by Steve Weisman, OPA Publicity Director

We are so fortunate to have the lakes here in northwest Iowa. However, with these bodies of water come the responsibility for us-both residents and visitors-to do our part in protecting them and working to ensure clean water for today's and for future generations.

Ever notice how people react to what they see? For instance, when we something like the explosion of curly leaf pondweed on the north end of East Okoboji or the masses of zebra mussels clinging to the hoists and docks when they come out of the water in the fall, we get all fired up and want something done. The trouble is they are both exotics, and both were introduced most likely unknowingly when a trailer was backed into the lake, a boat was launched or a hoist was brought in from somewhere else.

We also know that a few exotic bighead carp made it upstream into the lakes. Luckily, money was quickly raised and the electric barrier was installed to stop any future infiltrations. It appears that we, for the most part, dodged this bullet.

Unfortunately, these are only the tip of the iceberg, so to speak, regarding things that could adversely affect our lakes. There are so many other exotics knocking on the door, which is why the Iowa DNR continues its "Clean, Drain and Dry" campaign to protect our waters from aquatic hitchhikers. Sadly, there are not enough volunteers to be at all of our boat ramps 24/7 to ensure that everybody using public waters will do this. It comes down to individual integrity and people knowing we need to do what is RIGHT! However, that is where the trouble comes...many people don't adhere to this, because it's not meant for them!

Never give up - Yet, we can't give up. We need to do what's right ourselves and find ways to positively influence others. One of those ways is to become involved in one of the many protective associations here in the Iowa Great Lakes: Iowa Great Lakes Association, Okoboji Protective Association, East Okoboji Lakes Improvement Corporation, Spirit Lake Protective Association, Center Lake Improvement and Protection Association and the Silver Lake Park Improvement Association. All of these organizations have signed a memorandum of understanding to work together for this common goal.

The old adage that there is "power in numbers" really fits in here. I am a member of several of these and the publicity director for the Okoboji Protective Association. My family and I enjoy being on these lakes, so my question is this: Why wouldn't I be a member and do my part? My next question is this: Why does each of these associations not have a huge membership? After all, thousands of us live here and use these waters. Plus, thousands more come as summer residents or visitors. Think of the \$\$\$ power if we all joined the protective organization of our choice. These dollars could then be matched with local, state or federal grants that would expand even more the financial power to help protect these waters.

I was visiting with a friend the other day, and he happened to see our Okoboji Protective Association spring newsletter. It contained great articles that all revolved around clean water and protecting our lakes:

- 1-President's Message by John H. Wills
- 2-Carpe Diem by Mike Hawkins
- 3-Plans for 2017 Okoboji Blue Water Festival by Steve Weisman
- 4-Iowa Lakeside Lab Summer Programs by Jane Shuttleworth
- 5-Educational Opportunities in IGL by John H. Wills
- 6-Lakeshore Landscaping Ordinance by Steve Weisman
- 7-Looking at the Impact of Clean Water by Mark Schutt
- 8-Mussel Madness by Eric Stoll
- 9-A Pollinator's Paradise by Kiley Roth
- 10-First Ever Climate Conference by David Thoreson
- 11-IGLSD: Working to Protect Water Quality by Steve Anderson
- 12-Thoughts From the New Face at Lakeside Lab by Mary Skopec
- 13-In Remembrance

At this point, he asked, "How do you become a member?" My response, "Well since you asked..."

- This is what I told my friend. "The OPA has been around for over a century (1905 to be exact) working to preserve West Okoboji, the Iowa Great Lakes Watershed and surrounding bodies of water. Its membership is comprised of dedicated volunteers, just as the members are for the other protective associations. I then showed him the goals for the Okoboji Protective Association:
- preventing invasive species
- preserving and protecting the wetlands in the Iowa Great Lakes watersheds
- participating in the control of lake developments to prevent environmental threats
- promoting sustainable urban and agricultural development that won't upset the delicate ecological balance of the lakes and watershed
- informing the community of any concerns and actions that must be taken to act on those ecological concerns

Memberships for any of these protective associations are reasonable, less than the cost of a meal for two at a local supper club. Please consider becoming a member of the organization of your choice and becoming a part of the solution!

4th of July Fireworks

One of the many special aspects of the Iowa Great Lakes Area is the abundance of traditions that are shared here. An annual favorite is the 4th of July fireworks show, a celebration cherished by friends and family from near and far. The beautiful display of fireworks by J&M Displays will light up the sky over West Lake Okoboji for all to enjoy on Tuesday, July 4, at 10:07pm.

Your help is needed to keep this tradition alive. Please visit www.okobojichamber.com to make an online contribution, or send checks to: IGLCC Fireworks Fund, P.O. Box 9, Arnolds Park, IA 51331

All donations will be listed on www.okobojichamber.com. Donors with gifts of \$250+ will be acknowledged during a patriotic salute on KUOO 103.9 Campus Radio prior to the fireworks show.

Your contribution is greatly appreciated by generations who continue to enjoy this Okoboji tradition. For more information, contact the IGL Chamber at 712-332-2107.

Come Celebrate June Goldman's Birthday!

by Jan Donaldson

On Sunday, June 25, from 1:00 to 4:00 a very special birthday party for June Goldman will be held at Rolling Oaks, the large barn across the highway from the Pearson Lakes Art Center. Everyone is invited to attend this party and give thanks to June for her many efforts to improve our world. June has requested that rather than flowers or gifts that monetary donations be given to the Humane Society of Northwest Iowa..

All are encouraged to send birthday cards including a loving donation recognizing June's work to establish the Humane Society, of Northwest Iowa. These donations will go directly to care for the shelter animals. Checks should be made out to the HSNWI and sent to June's Birthday Party, PO Box 378, Okoboji, IA 51355.

Our local Humane Society receives no federal or state funding and relies solely on your private donations. The shelter cares for over 125 animals on a daily basis. This care includes spaying and neutering, all veterinary care, feeding, and the socialization so often needed to place these precious pets into forever homes. So far this year the shelter has facilitated over 150 adoptions - approximately one a day since January 1.

At the party animals from the shelter will be there to help June celebrate, but not her favorite cat Tabitha who will be staying home says June. The story of Tabitha that follows is typical of June's compassionate nature...a facet of her personality that has made our Lakes area a better place to live for all of us humans and animals alike.

Tales of Tails

by Jan Donaldson

The "tails" of Northwest Iowa and the human residents too owe a great debt of gratitude to June Goldman, a community "mover and shaker" who was the primary force in the establishment of the local Humane Society.

Recently June herself told of her debt of gratitude owed to her friend Mary Cornell, a long-time Spirit Lake resident. One stormy winter day Mary called June requesting her help. A stray cat had been huddled outside Mary's home for some time seeking shelter from the wind, ice, and snow.

June and her husband responded immediately arriving at Mary's apartment with a borrowed pet carrier and cat food ready to entice the poor cat into captivity. The food wasn't necessary, for the ice-encrusted cat saw the carrier as shelter from the storm and rushed inside it.

Then with the cat and carrier safely in their car, June and her husband were headed to the Humane Society when he said, "Why don't we keep her?" ...and they did.

June named their new companion Tabitha after the Biblical Tabitha or Dorcas who was resurrected by Peter. Surely this feline Tabitha had also narrowly escaped death.

Tabitha has enriched the lives of her compassionate owners. As rescued "tails" do, she realizes their kindness saved her life and shows her love and devotion by purring and snuggling whenever possible. Love and loyalty from a rescued pet is always special.

June and her husband are just as grateful as Tabitha for Mary Cornell's phone call. Tabitha's presence has filled their home with love and gratitude.

Remember..."In a perfect world every animal would have a home, and every home would have a pet."

Check out the animals on Facebook and Pet Finder or come see the animals at 607 28th Street, just north of Milford - open Thursday through Sunday, noon to 6:00pm. One can call the Humane Society of Northwest Iowa at 712-338-2738.

Everyone invited...see you there.

Heart to Heart With Heritage Landing

Heritage Landing Celebrates 15 Years In the Iowa Great Lakes Area! by Sally Anderson

On Saturday, June 17, 2017, Heritage Landing held an anniversary celebration commemorating 15 years of senior living with services in West Okoboji.

Tours of the apartments were offered along with refreshments and a picnic meal followed by a well-known and well-loved, local celebrity, Glenn Henriksen performing. We had a great time celebrating but anniversaries are for more than just celebrating.

Whatever the anniversary, we take the time to look back over the years since Heritage Landing opened the doors and reflect on the people who were instrumental in getting us up and running and the people we served. Each one has helped shape us into who we are today. Remembering the past can be an important part of understanding who we are and to help us grow as we enter into the future.

Oftentimes when I am out and about at a trade show or when we host events here at the apartments I am approached by someone who has had a loved one or a friend who has lived at Heritage Landing at some time in the past 15 years. They will say things like "I used to come to Heritage Landing a lot when my friend lived there. It's a great place." Many times it has been years since they had anyone they know living here but it warms my heart that their recollection is that "It's a great place!"

We have tenants who have moved on to places that can offer them more assistance who return to visit and we have family members of past tenants who still check in from time to time.

We remember Pastor Bob Vaage who was just one of the many people who were instrumental in bringing Heritage Landing to the Lakes area. He served on our Advisory Board for many years and was always so supportive of our mission.

Though we take this time to reflect and celebrate this 15th Anniversary we recognize that this is just a chapter for Heritage Landing. We look forward to continue nurturing a sense of community and to providing a place where people will feel at home - building a life doing the things they enjoy, spending time with the people they love and living happy and fulfilled lives. To learn more about Heritage Landing call 712-338-2909.

The 3 Ks will be performing in the Lounge at The Inn on July 15, from 6:00 to 8:00. If you like some good "toe tappin" music you will love this group. Millie Kittleson toured with Roy Acuff and replaced Kitty Wells on the Grand Ole Opry. Billye Jane Kruse (Millie's niece) is a fine vocalist and plays a "mean Fiddle", mandolin, and guitar. Billye Jane and (brother Bryon) have played for a long time in a very popular family band called the Bee Kay's, and during the winter, Billye Jane travels to Texas and performs with a wide variety of bands. Millie's nephew, Bryon is accomplished on many instruments as well as a fine vocalist. Some of the instruments include steel guitar, fiddle, banjo, acoustic and electric guitar, and mandolin. Musical Treats: Blue Grass, Classic Country, Gospel, and more. Also, enjoy the great food provided by "Crazy Bob's" in the Lounge and Restaurant.

Raising Awareness, Raising Funds, Raising Heart Rates

Paul Golke's 100 Mile Bike-a-thon Challenge For Camp Okoboji
Paul Golke joined the Camp Okoboji staff as its Ministry Advancement Director in 2013. He is also an avid bike rider. Part of his position is to raise awareness of camp needs and find funding for them.

On June 24, he will be rolling several of those aspects into one cause. Paul is conducting a 100 mile bike-a-thon type of challenge to raise funds for A/V equipment for Camp Okoboji's new Discover Center. He will be participating in the University of Okoboji Campus Ride around the Iowa Great Lakes. Paul wants to thank all those already sponsoring and helping him; fellow Camp Okoboji bikers, Thrivent Financial, and the staff at Okoboji Expedition Bike Shop.

Paul invites people to support, pledge and/or join him in this challenge. More information can be found at: www.campokoboji.org (click on Camp Schedule) or contact the camp: 712-337-3325 or email Paul: paul@campokoboji.org Donations can be sent to camp, memo 'Bike Challenge.'

The Discover Center is a state-of-the-art activity center for guests to meet and to experience a variety of experiential and interactive programs. The A/V equipment will greatly enhance the quality of activities, presentations, and meetings. It will even integrate with the internet for off-site broadcasting. Camp Okoboji is excited to offer a future vision for the next generation of campers and guests.

By the way, the heart rate portion of this challenge is that Paul is also a heart attack survivor of 5 years. His recovery has been an inspiration to many. Paul is a strong advocate of heeding the warning signs of a heart attack and heart disease prevention.

Camp Okoboji has served the lakes area since 1940. An outdoor ministry site of the Lutheran Church - Missouri Synod; Camp Okoboji offers summer programs for youth and families, as well as retreats year-round. The camp is nearly surrounded by the waters of Little Emerson Bay and Breezy Point. This unique setting provides many opportunities for relaxing and enjoying God's creation. Its numerous cabins and lodges can accommodate nearly any size family, group and/or organization. Come and experience Jesus at the Lake.

REAL ESTATE ROUNDUP

Presented by **RE/MAX Lakes Realty**

Hello again folks! What a summer so far for the Iowa Great Lakes Region. I cannot believe the traffic on and off the lake. We have been blessed with some really great weather, and it's not even July 4th. Speaking of the 4th, the fireworks stands are popping up like crazy! Good for the Iowa Legislature bringing back lost revenue for the state. I can think of a few other things to legalize to help increase revenue. Can't you?

Not only are fireworks great for our area, but I think it's important to recognize some of the businesses who have taken on significant risk and invested substantially to help improve our local economy. Just look at the money that has been spent at places like the Amusement Park, the Nautical Bar, Captains Getaway, Bridges Bay, The Waterfront, The Gardens, Hi Point, The Okoboji Store, The Outrigger, and so many more. A rising tide lifts all boats! Mentioned or not, thanks to all of you local businesses for investing in the Okoboji spirit. You continue to give our locals and vacationers a better Okoboji experience, and as real estate professionals, we are indebted to you.

I want to reiterate from our last roundup that if you are here looking for your summer dream home or a year round home, **please make sure to download our custom search app at www.sellboji.com/app. Uninstall Zillow or Realtor.com from your phone or tablet and start using the Sellboji.com app today!**

On the Real Estate front, we are still seeing good buyer traffic in some market segments. If you own or have owned investment related property at **Bridges Bay**, the rental rates and occupancy continue to increase, which is driving up returns, which in turn, is driving up property values. It's a good time to be a Bridges Bay owner. However, in non-investment related property, whether on the lake or off the lake, we are not seeing any substantial appreciation in any single market. If houses or condos are overpriced, they are not selling quick or at all. Educated buyers are still not over-paying, even with reduced inventories in most market segments. **Big Spirit** has seen increased inventory, but slower sales. For **Lower Gar, Pelican Ridge** has a number of properties for sale and just this week, shares of the former Woodley's Park came on the Market. **Upper Gar and Minnewashta** have reported a big goose egg with no properties available for sale on the MLS. Sales on **East and West** have been far from brisk and could also use more inventory. If you would like to know what your home is worth or get some professional advice how your property might perform in your particular market segment, give one of our agents a call. We are glad to help.

C. & W. Depot, Ida Grove, Iowa • Early 1900

Stepping Back in Time by Jerry and Irene Clark of the Clark Museum of Okoboji area and Iowa history – Milford, Iowa.

The first train came into Ida Grove on August 30, 1877, and the Chicago and Northwestern Railroad accepted operation of the Maple River Railroad in November. Mail service routes from Ida Grove to Denison and Ida Grove to Mapleton were discontinued and mail service changed to the railroad in November and December. The water tank, windmill and depot were ready in September. The first stock train traveled September 4 and October 29. George T. Williams and Peter Amerman were among the passengers on the first run to Mapleton, leaving Ida Grove at 10:40 and arriving back at 2:30 with a half hour stopover in Mapleton. The original depot was moved to the north side of the tracks when a new depot was built

in 1905 and used as a freight depot. Passenger service was discontinued in 1952 and in 1971, a part of the depot was moved to Moorehead Park.

Many towns in Iowa have lost their school, churches, business stores, and railroads. A visit to the Clark Museum will bring back many memories with the thousands of pictures and business advertisements from 99 counties. It is here that you can remember the old Amusement Park and lakes area.

The Clark Museum, located one mile west and a half mile north of the Milford Catholic church, is educational, historical and entertaining. For more information, call 712-338-2147 or email ijclark1@msn.com. The Clark Museum is a 501(c)3 Non-Profit.

Milford Needs Volunteers for Quasiquicentennial Celebration

The Milford Commercial Club is asking for the community's involvement to make Milford's Pioneer Days/Quasiquicentennial celebration a success. Since the event is a week-long celebration, that means a lot more volunteers are needed. A volunteer sign up for all events has been created. For more information, or to sign up, you can go to the Milford Commercial Club's website: <http://milfordcommercialclub.com/pioneer-days/> and click on the button for volunteering, or if you do not have access to the website you can call Dawn at 712-320-4512.

Also, there are still sponsorship opportunities available. If you would like to consider making a financial donation, there are still several events that can use additional funds to make it successful.

The Milford Quasiquicentennial Souvenir Committee has worked hard to offer you an appealing selection of apparel and keepsakes to help you celebrate and commemorate Milford's birthday. The proceeds raised from the items will go towards improving the Florence Park Shelter House. To view and purchase the selection of keepsakes visit Milford's City Clerk office located at 806 N Avenue, Monday thru Thursday, 8:00am - 5:00pm, and Friday 8:00am-4:00pm.

Dow AgroSciences Announces Winners

Thousands of votes have been cast and three farmers have been awarded the power to do more with a \$10,000 donation to their community. Of the 10 finalists in the Power to Do More contest sponsored by Resicore® herbicide, Chad Hibma of Harris, Iowa, Curt Robbins of Fairfield, Illinois, and Lee Stammen of Fort Recovery, Ohio, were the top three to receive the most votes and each earn a sports trip for two.

Dow AgroSciences is donating a total of \$37,000, with \$10,000 to the three winning communities and an additional \$1,000 to the communities of the remaining seven finalists.

"Each of the winning farmers has a unique and powerful story, and we're excited to share it," says Lyndie Kaehler, U.S. corn herbicides product manager, Dow AgroSciences. "In addition to donating a total of \$37,000 to 10 community organizations, we are creating short videos to showcase the power of our three winning farmers later this year. We recognize the long hours farmers spend in their fields year-round, and we look forward to giving three farmers the power to do more off of the farm, too."

Between April 24 and May 21, friends, family and neighbors of the 10 contest finalists cast thousands of votes for their favorite finalist and community. Each finalist had previously entered the contest by submitting a unique photo and story about the power of their operations, many of which included family, farm equipment and picturesque landscapes. Resicore® herbicide, the sponsor of this contest, was designed to give farmers power over weeds and versatility to control more than 70 tough weeds that rob corn yield, profit and time.

Hibma submitted a photo of his daughter, Avery (2), and himself in his family's cornfield. He and his wife, Ashley, have three more children, ages 9, 11 and 13. Hibma farms corn and soybeans, and he raises hogs with his father right outside of Harris. When Hibma isn't farming, he enjoys spending time with his family, camping and watching his children play sports. As a winner of the Power to Do More contest, Hibma will receive two tickets to a football game at Sports Authority Field in Denver this fall, plus \$10,000 for the National FFA Organization chapter in his hometown. A former member of the Harris Lake Park FFA, Hibma is excited to give back to the current chapter and its members.

"We're pretty excited about it," Hibma says. "The school secretary sent out an email every day to remind people to vote. One kid came up to me after one of the school functions. It was a little girl I didn't know and she said 'Are you Chad from Iowa?' I said 'I am'. She said 'I've been voting for you every day' so that was kind of neat."

In appreciation of the finalists' effort and participation in the Power to Do More contest, Dow AgroSciences is donating \$1,000 to each community organization nominated by the remaining seven finalists.

To be the first to see the three winners' videos, sign up for an email notification at PowerToDoMore.com. For more information about Resicore® herbicide, visit PowerOverWeeds.com.

LETTERS TO THE EDITOR

The publisher does not necessarily share the views/opinions stated in the "Letters to the Editor" published in The Lakes News Shopper.

To The Editor:

Some say “You shouldn’t be talking about it”

I received a letter from a self-described “committed conservative and ardent supporter of the constitution” asking me to stop writing letters to the editor. Stating “Us Trump supporters certainly know by now that you don’t like or agree with him”. Further, that like so many of your fellow Trump opponents, your actions are counter productive and detrimental to the common good.

So, what are we talking about then? A president with an approval rating of just 34% and a congress (both houses with conservative majorities) with an approval rating in the single digits. The most recent poll states that only 33% of Americans feel we are going in the right direction – that’s down 4 points from 37% last month.

So, why do I write? There are several reasons: I am too old to travel and march in the numerous protest marches across the country and around the world. I consider myself to be a member of the loyal opposition. Concerned about preserving our environment, wise use of our natural resources, supporting efforts that minimize pollution and its effect on climate change, income and gender equality, immigration issues, education, and maintaining good and trusting relations with our international allies. I must also list the responses I get from friends and strangers. Democrats and Republicans that say they agree with me and look forward to reading my letters.

As a responsible citizen it is my duty to voice my support or peaceful dissent of our current administration’s policies. It is sad and almost unbelievable that our present administration is under investigation by a special council for collusion with our arch enemy for influencing our national elections. How could I remain silent?

All American Blood Drive Scheduled to Benefit Local Supplies

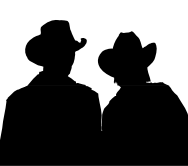

Ground Round, The Globe, Radio Works and Sanford Worthington will host a blood drive on Wednesday, June 21 from 11:30am to 4:30pm at the Worthington Ground Round (1290 Ryans Road) to keep local supplies at healthy levels going into the July 4 holiday week. All who donate will receive a special food voucher, compliments of Ground Round, a commemorative All American Blood Donor T-shirt and a chance to enter to win some great prizes.

Donating blood to Community Blood Bank will benefit all patients in need at Sanford Worthington and save lives in the community. The only way to ensure an adequate blood supply throughout the July 4 holiday weekend is for volunteer blood donors to give blood at this special blood drive event. All residents are encouraged to donate blood. All blood types are in immediate need.

“Summer is the time of year when many people are busy with family vacations and outdoor activities; people forget to donate blood due to their active schedules. Community support is vital to the local blood supply. We are in need of all blood types to bring the supply up to an adequate level to have available in the treatment of trauma, surgery, cancer and burn patients,” said Ken Versteeg, executive director, Community Blood Bank. “Community Blood Bank has been the sole blood provider in Worthington for more than 16 years. We are grateful for the opportunity to serve Worthington area patients and encourage the community to help us by donating on the bloodmobile when it visits Worthington on June 21.”

Community Blood Bank is a non-profit, cooperative of Sanford Medical Center and Avera McKennan Hospital. In addition to supplying Worthington we service many other local hospitals including Tyler, Tracy, Westbrook, Slayton, Pipestone, Luverne, Jackson, Sanford Medical Center, Avera McKennan Hospital, Avera Heart Hospital of South Dakota, and the V.A. Medical Center. Community Blood Bank is not affiliated with other blood bank organizations and takes pride in being a self-sufficient organization, thanks to the generosity of our local blood donors.

Donors must be at least 17 years of age (16 years old with signed parent consent form), weigh 110 pound or more and be in good general health the day of the blood drive. Please bring a form of I.D. with you. For more information log onto www.cbblifeblood.org or call Ground Round at 376-3043. Walk-ins are welcome.

Hope Haven Announces New CEO & Executive Director

The Search Committee and Board of Directors for Hope Haven, Inc. and Hope Haven International Ministries are happy to announce that Matt Buley will serve as the new CEO and Executive Director of the Rock Valley based organization. Hope Haven provides a variety of services to children, adults and families with unique challenges and disabilities.

Buley is currently holding a leadership position with a Minneapolis-based ministry that provides housing and education to homeless children in the Philippines.

"In every way, Hope Haven's work continues my call to ministry," said Buley. "I rejoice that I can serve and learn from the clients served by Hope Haven and advocate for them, and the organization, in this climate of changing funding streams and regulations."

The search for Buley began in early 2017, shortly after long-time CEO and Executive Director David VanNingen announced his plans for retirement.

Search Committee Chair David Heilman said they knew the process would take time and they are confident Buley is the right choice to lead the organization moving forward.

"This is a time of change and transition. The Board has felt the Lord's leading in the appointment of Matt," said Ron Boote, Board President. "It is sad to say goodbye to David. However, we are thankful that God has prepared someone to take over that position."

Under VanNingen's three decades of leadership, Hope Haven, Inc. expanded beyond Rock Valley and now offers residential, employment, mental health, recovery, religious and outreach services to 30 communities in Iowa and southwest Minnesota as well as internationally

Buley will fulfill his commitment in the Twin Cities and will officially join Hope Haven in August.

LETTERS TO THE EDITOR

To The Editor:

The Lakes Area Senior Citizens Center hosted their "First Anniversary of Their Second Quarter Century" Sunday, June 11. Thank you to Mike and Autumn Ross with Business Today for printing our cookbooks; Pam Foxhoven for setting up the country store; Glenda Kruckenburg for setting up the RADA products; Gloria Buckingham for the beautiful tomato plants. All was "for sale" in the card room and a special Thank You to everyone who donated crafts.

Cake, coffee and punch was served and a fun time was had by all who attended while reminiscing, looking at scrapbooks, old photos, the original model of the building made by the architectural firm in Boulder, Colorado, and the lap robe made by Avis Hackmaster, one of the founding members of the Senior Citizens and co-chair of the fund raising committee.

First anniversaries, according to Hallmark, is a "paper" anniversary; thank you to those who brought paper products and cash. Your donations are greatly appreciated; the Lakes Area Senior Citizens is a non-profit organization. We must rely on donations and rental fees to keep the doors open to all senior citizens of Dickinson County.

May 1, 1969, a group of local residents, with the assistance of the Spirit Lake Ministerial Association; Thomas Miller, a state senior citizen developer; and senior representatives of civil and social organization in the region had a vision to build a permanent home in Dickinson County, not only for Senior Citizens, but for everyone in Dickinson County. With much hard work this vision became a reality and we have a beautiful building that can be rented by anyone for birthdays, weddings, graduations, showers, dances and family reunions to name a few. We have a poker table, two pool tables, bridge and 500 card games, puzzles to put together or purchase hard-cover and paperback books and greeting cards for purchase. We have a few cookbooks for sale with recipes from the many volunteers at Lakes Area Senior Citizens. Stop in to purchase a copy, the cookbooks make a wonderful gift.

Meals are served Monday through Friday at noon; we ask you call the day before by 1:00pm to reserve a meal 712-336-5247. Menus are found on DickCo or stop in to pick one up or call and we will mail the monthly menu to you. If you are under 60 years of age, you can purchase a meal at the Lakes Area Senior Citizens however the cost of the meal is \$6.25 and a reservation is required by 1:00pm the day before.

We still have a few Farmer Market Coupon booklets, stop in to fill out the paperwork to receive your booklet.

Thank you to everyone who attended our party, you are now a part of our history, your support for the Lakes Area Senior Citizens Center is truly a blessing.
Beverly Atwell, Building Manager

The 2017 Jim Hall Outstanding Alumni Award was presented to Pastor Doug Burton, left, from the First Christian Church in Estherville, during the Iowa Lakes Community College Spring Commencement on Friday, May 12. Burton, and his wife, Beth, and their two children, Chris and Kelly, are graduates of Iowa Lakes Community College.

Chris Fuhrman, right, Iowa Lakes Alumni and Friends Association President, presented the award memorializing Jim Hall, a 1968 Iowa Lakes graduate and strong supporter of the college. Established in 1992, the recipient is selected annually by the Iowa Lakes Alumni and Friends Association. It honors graduates who exemplify outstanding support of community, business and/or service clubs and serve as role models.

In addition to serving the role as Pastor, Burton has shared his voice with the college and the community. Most recently he emceed the college's 50th Anniversary Gala as well as the Annual Sports Hall of Fame Banquet. He is also the court-side voice of the Lakers for most home basketball games.

"I have been blessed to be able to use my voice for many different events, including Iowa Lakes basketball games," stated Burton.

The Sweet Corn Days parade passing through the city on Central Avenue will find Burton in the announcer's booth in front of Steve's Sales and Service, announcing each of the participants as they pass. He also lends his voice, and support, to the Annual Relay for Life and the Gospel on the Square.

The same familiar voice can be heard on the college answering machines providing school information, and on the phone message for the Grand 3 Theaters where his animated voice shares movie information for avid film lovers.

Burton is also a member of the Estherville Noon Kiwanis, the Estherville Area Ministerial Association, the Good Samaritan Society Advisory Board, and the Iowa Partnership for Success and Making Optimal Changes for Successful Youth (MOCSY).

"Jim Hall had his passions. One was football. Another was this Community College," stated Burton. "He (Hall) shared that passion with the world around him. I am honored to receive this award." Burton urged the graduates and attendees to find their passion and then share it with the world.

The Iowa Lakes Alumni and Friends Association congratulate Burton as he joins the ranks of outstanding alumni. The entire group of recipients may be viewed on the perpetual Jim Hall Outstanding Alumni Award plaque in the Estherville camps gym lobby or on the Iowa Lakes website at www.iowalakes.edu.

How do you decide which one will satisfy both of you? After all, it's not a decision to be made lightly, and there are many things to be considered. Top of the list of musts will easily be apparent the minute you stop in to Pearl Valley Rehabilitation & Nursing at Estherville located at 2001 1st Ave N in Estherville IA; phone: (712) 362-3594. Everyone who works there is committed to providing caring, professional service, and, like we said, that is obvious the minute you go there.

It's also what goes on behind the scenes there that takes this care center those extra steps to make it deserving of the recommendations they get. Not to mention the gratitude of everyone who calls them their home. So, before you make your final decision, take our advice, talk to the good people at Pearl Valley Rehabilitation & Nursing at Estherville. See for yourself why they deserve to be recommended; and, get peace of mind knowing you made a wise choice. While you're there, stop and make a friend.
