2393 Highway 70 • Donaldsonville, LA 70346  
(225) 474-8115 • [www.freedomhomesontheriver.com](http://www.freedomhomesontheriver.com)

\*CONDITIONS FOR THE CHILL OUT PROGRAM (the "Program"): Program only available from participating Clayton Homes Family of Brands retailers ("Seller") with the purchase of a new home with the Energy Smart upgrade package with a sales agreement signed May 1, 2017 through August 31, 2017. Home must be purchased at the posted home only retail sales price to be eligible for the Program. Eligible buyers may select one or more buyer incentives not to exceed a total of \$1,500 (the "incentive"). Buyer incentive will be applied by the Seller, at buyer's choice, to any one, or any combination of two or three, of the following three forms: (i) toward the buyer's payment of utility costs for the home purchased; (ii) Seller paid closing costs (including Seller paid discount points that are not required by a lender); or (iii) a reduction in the total sales price of the home package consisting of the home purchased (plus all other items included in the sale (collectively the "incentive options"). If the posted home only retail sales price of the home is reduced by the Seller other than through negotiation with the buyer, or as a result of the underwriting requirements of the lender selected by the buyer, or if the Seller is required by the lender selected by the buyer to pay discount points or any other fees and charges, the incentive will be applied first to the amount of the negotiated or lender required reduction of the home sales price (incentive Option (ii)) and then to the lender required Seller paid discount points, fees and charges. Any remaining incentive will be applied at buyer's choice to one or more of the incentive options. Under no circumstances will any portion of the buyer incentive be applied toward buyer's down payment if buyer obtains financing for the home purchase from any lender of buyer's choice. Buyer will be solely responsible for paying the entire amount of any down payment. Buyer selects incentive Option (i). Incentive will be in the form of a check that will be issued in the name of and delivered to the primary buyer. Check will be delivered to buyer within six to eight weeks after the Seller has been paid in full for all goods and services purchased by the buyer (paid in cash by the buyer or by a lender selected by the buyer to finance the home purchase) otherwise known as the funding date which occurs after the home has been installed. Buyer may not combine the Program with any other offer or promotion made by Seller. The Program may not be available with USDA/FHA/VA financing, and may be subject to certain lender requirements that restrict the forms of buyer incentives that Seller can provide. The Program is void where prohibited, but only to the extent prohibited.
