Message From James Vacca
NYC Councilman 13th District

AROUND THE DISTRICT

Last weekend was another busy one for me. It was great seeing so many friends throughout the community and keeping up with all that's going on. Friday night I visited the Greek Church Carnival and had a fantastic time and delicious food! The church members and volunteers did a great job. Saturday I had a full house at the Senior Citizen concert I sponsored at Middletown Plaza Senior Center. From there it was off to the 9th Annual Fair @ Westchester Square, followed by a quick stop at the Morris Park Community Association to see the AARP "Smart Driver" defensive driving course I offered. It was a great weekend full of events that showcase all our community has to offer.

NEW LEARNING GARDEN AT P.S. 83

On Monday I was proud to join P.S. 83 students in Morris Park to dedicate their new Learning Garden. I was able to include P.S. 83 in a New York City Council funded project called "Greener NYC" which teaches and encourages young people to grow natural fruit and vegetables! The kale salad I ate from the garden was delicious and I was even given radishes to plant at home. Healthy eating is so important in our fight against obesity, and teaching youngsters about how plants grow positively contributes to the environment we want them to live in.

MOVIES UNDER THE STARS

All summer long I will be showing free movies in our parks, which I sponsor through the Neighborhood Initiative Development Corporation (NIDC). The first installment is Friday, June 30th, with a showing of "Trolls," in Colucci Park. The movie will begin at 8:30 P.M. The following installment will be held on Friday, July 7th in Loretto Park, with a showing of "Ice Age: Collision Course." The movie will begin at 8:30 P.M. Call my office at 718-931-1721 for more information.

SUMMER MEALS FOR KIDS

During the summertime many children who normally eat free or reduced price meals miss out on healthy breakfasts and lunches. Hunger Free America is offering Summer Meals, a free U.S. Department of Agriculture program, for children under the age of 18. There will be 3 sites around the Bronx, starting June 29th, which will serve breakfast from 8:00 A.M. to 9:15 A.M and lunch from 11 A.M to 1:00 P.M. The meals will be offered at the Abrams Playground- Bronx Park East, Loreto Playground, and at P.S. 89 Bronx. The Summer Meals program will make a difference in fighting summer childhood hunger.

How to Write a Book or an eBook Part 1 & 2, Saturday, July 1st @ 2:30pm The session will give pointers on how to properly write that eBook that you've kept inside and how to promote yourself so that others will know you have a voice. Part 1 will cover creating a central theme for your story, building on characters, building a plot, tying up loose ends, unresolved issues and grammatical errors. Part 2 will cover placing your work on a website, dealing with self-publishing companies, becoming an independent publisher and sending your work to publishing companies. Lloyd A. Green, published author, will utilize his book, *Castle on the Hill: Secrets*, as an example for the session.

Book Discussion - Girl in the Blue Coat, Monica Hesse, July 8th & 11th "Girl in the Blue Coat is a powerful, compelling coming of age story set against the dark and dangerous backdrop of World War II. It's an important and page-turning look at the choices all of us-including young adults have to make in wartime. A beautiful combination of heartbreak, loss, young love, and hope." Kristin Hannah, #1 New York Times bestselling author of *The Nightingale*.

Meet Author Valerie Auguste'-Partin for Book Reading/Q&A - July 8, 2017 2:30 pm Valerie is an author, entertainment writer, and poet! People who lose loved ones to terminal illness grieve differently than those who lose loved ones that just pass away. Long after our loved ones are gone we still carry the emotional baggage and invisible scars of watching them in pain and in suffering. Hopefully my challenging grief journey will be inspirational and give hope to anyone who has lost someone to a terminal illness or disease. Remembering that grieving is a highly individual experience. Grieving is a process that requires hard work. Information on pre-diabetes and diabetes will be distributed.
