The Classix to perform prior to mall fireworks show July 3

By Linda Cranford

The music of the 1960s, 70s, and 80s will echo through the Sawmill Square Mall prior to the mall's annual fireworks show on Monday, July 3. The band The Classix will perform on center court in the mall from 6:30 p.m. until 8:30 p.m. and the fireworks show will begin at 9:15 p.m.

The Classix is a mixture of several musicians who were members of popular local high school bands back in the 1960s including The Jagged Edj, The Untouchables, Kwinitz, and The CrackerJacks. John Helveston of The Jagged EDJ formed the band in October 2015 after moving back to Laurel from California. "The Jagged EDJ is spread all over the world," said Helveston. "I wanted to play more than just once a year."

For the past 18 years, on the third weekend in July, the band members of The Jagged Edj

have returned home to Laurel for a summer jam session. Many of the classes from the band members' alma matter, R.H. Watkins High School, have planned their class reunions around the annual jam session. "All good things must eventually come to an end," said Helveston. "This year will be the Jagged Edj's last performance." Two members of the band have traveled all these years from California and one from China to perform. The other two members of the band live in Mississippi.

Helveston said back in the 60s, The Untouchables, with lead singer Mike Walley, won the Laurel Jaycee's Battle of the Bands, competed on the state level and won a trip to the national competition, where they finished 11th on the national level.

THE CLASSIX, continued from page 1

Helveston formed The Classix specifically to perform at the 2015 annual PDI Reunion, and they also performed at the South Mississippi State Fair. The members of the Classix include two other Jagged Edj members, Johnny Hozey and Wilson DeWitt, Mike Walley from The Untouchables, and Ronnie Goss, who played in the bands Kwintz and The CrackerJacks. James Ducker will be the special guest performer. Rumor has it that Missy Fortner Sanderson will be making a cameo appearance during the performance as well.

Make plans now and bring your lawn chairs for an evening of fantastic music performed by very talented musicians. This year's fireworks show is sponsored by Sawmill Square Mall, SUEZ, Jones County Chamber of Commerce, Laurel Ford – Lincoln, Hellfighters Motor Cycle Shop, Kim's Toyota-Chrysler-Dodge-Jeep, West Quality Foods, Rapid Express, Sanderson Farms, The First, Laurel Machine & Foundry, Laurel Main Street, Community Bank, McDonalds and Howard Technology.

New principal academy offered for school administrators

Submitted

The Program of Research and Evaluation of Public Schools (PREPS) located on the Hattiesburg campus of William Carey University announces the addition of CEO Mississippi to their program. CEO (Collaborating to Empower Others) is an innovative program for current Mississippi school administrators.

CEO Mississippi will be accepting applications from Mississippi K-12 administrators for participation in an innovative principal academy which will take place during the 2017-2018 school year. Dr. Bob Thompson of Lamar University, Texas, will join Dr. Ben Burnett, dean of the WCU School of Education, and Superintendent Brain Freeman of Forrest County Schools in leading the six sessions of the academy. Dr. Thompson is renowned for his experience, unique proven methods, and successful past superintendent and principal academies.

Mississippi K-12 principals and vice-principals are encouraged to apply before July 15, 2017 by submitting an online application located on the PREPS website www.mspreps.org.

Enrollment is limited and competitive. PREPS was recently awarded a grant from the Phil Hardin Foundation which will significantly reduce the tuition for the academy participants.

For more information, contact Patti Permenter, William Carey University School of Education, at (601) 318-6229 or email pmenter@wmcarey.edu.

Stroud's dream becomes reality on Highway 588

Submitted

Nestled near the banks of the Leaf River on Highway 588 sits a general store like none other. Owners Steven and Terri Sue Stroud have always dreamed of owning this property and through prayer and God's perfect timing, their dream has come true. Of course, they offer gas, but the true gem is right inside the doors. You're guaranteed to be greeted by Steven and Terri Sue's son, Zack, as he gives you a tour of the store.

Memorabilia from Terri Sue's youth adorn the walls -- from her grandmother's teapot to her grandfather's military medals -- there's always a story to be told. A 1950s checkerboard is waiting to be played, so take your time when you stop in. Coming soon, the cafe will offer deli sliced meats and totally fresh hand-pattied hamburgers, Philly cheese steak sandwiches, and the Zack Special: cheese pizza with extra cheese!

Before you head to the Leaf River, be sure to stop by and see us for all of your fishing needs! From poles to crickets, we're your one stop shop! When you're on your way home from work and needing some milk and cheese, no worries! Leaf River General Store has got your covered with all the essentials. Come on by and sit a spell . . . you'll be glad you did!

A Shepherd's Heart – Peace in the Midst of the Storm

Dr. Timothy L. Hubbard
Then they cried to the Lord in their trouble, and He delivered them from their distress. He made the storm be still, and the waves of the sea were hushed. – Psalm 107:28-29 (ESV)

"Rain, rain, go away..." I am certain that many of you remember having sung this little song as a child wishing that the rain would stop so that you could once again go out and play. We have definitely had our share of rain over the last few weeks. So much so that I find myself singing this song as an adult now, wishing for the rain to cease.

These rains are the result of a tropical storm in the Gulf of Mexico. Cindy is the name given to the storm, and boy is she bringing the moisture into our part of the world. Flash flood warnings and tornado watches are common occurrences with storms like Cindy. These warnings always tend to make us very uneasy about the possibility of the unknown. As I have listened to the weather reports and storm updates today, I was reminded of a song written by Stephen R. Adams entitled, "Peace In The Midst of The Storm."

"When the world that I've been living in collapses at my feet, When my life is shattered and torn.

Tho' I'm windswept and battered I can cling to His cross. And find peace in the midst of my storm.

When in twenty-four short hours, years of living are brought to moments. And when life's final picture is taking form. In the dark-room of my suffering there's a Light comes shining through, He gives me peace in the midst of my storm

When my body has been broken, 'til it's wracked in misery. When all the doctors shake their heads, and look forlorn. Jesus comes to make my bedside a cathedral of hope and love, He sends His peace right in the midst of my storm

There is peace in the midst of my storm-tossed life Oh there's an Anchor, there's a Rock to cast my faith upon. Jesus rides in my vessel so I'll fear no alarm. He gives me peace In the midst of my storm.

Whether the storms that we face are hurricanes, tropical storms, physical illness, mental illness, addictions, family struggles, prodigal children, or any others that you could list here, the truth is that there can be peace in

the midst of the storm. When I am reminded that our God will never leave us nor forsake us, that brings me peace. He will guide us through the storms of this life.

The Psalmist understood this truth as well as he declared in Psalm 107:28-29 (listed above) that when the people cried out in their distress that God delivered them and that He made the storm be still. May we understand this truth once again as we wait on our God to make this storm, along with other storms in our lives be still! In the meantime, remember as Stephen Adams stated in his song, there is peace in the midst of the storm.

Sertoma pays for new LPD K-9 officer

By Linda Cranford

Sgt. John Strickland with the Laurel Police Department thankfully accepted a check for \$10,000 from Kevin Ishee, president of the Laurel Sertoma Club, during the club's weekly meeting on Thursday, June 22. The money paid for a new K-9 officer, Max, for the police department. Max is a 21-month old full-blooded German Shephard from Czechoslovakia referred to as a Czech Shephard.

Strickland, who is over the LPD K-9 Division, said after considering several officers, Cpl. Roman Moss was selected to be Max's handler and is presently going through the required 100-hour handler course.

"We are humbled by the generosity of the Sertoma Club to outright purchase Max for us," said Strickland. Normally it takes months to raise enough money to purchase a dog that is trained to hit the streets and assist the department in fighting crime.

Strickland said that Max's original cost was \$16,000. But, through negotiation efforts and a fortunate circumstance, he was able to get Max for \$10,000. Moss introduced Max to the entire Sertoma Club. Strickland pointed out how calm Max was with such a large group. He said Max has already proven himself to be a valuable asset to the police department.

"With Max we have a full K-9 Division of four now. We work four different shifts, so we now have a K-9 officer on each shift," said Strickland.

The other LPD K-9 teams include Strickland and Ringo, Cpl. John Windsor and Johnny, and Cpl. Heath Blancett and Recon. Strickland added that Johnny and Recon are older dogs (7 - 8.5 years old) and are approaching possible retirement within the next three to four years.

Strickland and Moss spoke about the dedication required to be a K-9 handler. "They become your child," exclaimed Strickland. "They are with you almost 24/7."

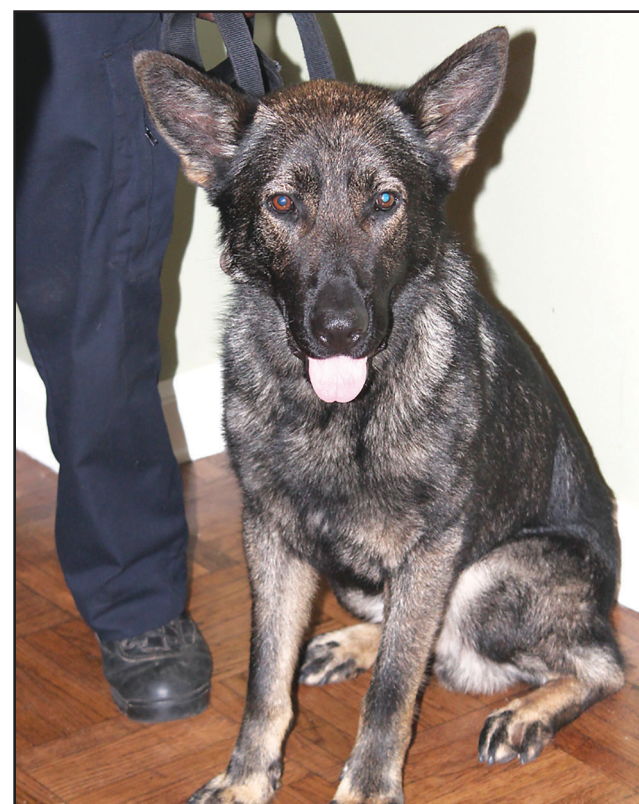

He added that a handler must walk a fine line with his K-9 between letting him become a pet and keeping him as a working K-9 officer.

Teams and donations needed for Bob Hearn Co-Ed Memorial Softball Tournament

By Linda Cranford

On June 9, at the age of 69, Bob Hearn lost his courageous battle with cancer. On July 15, at The Laurel Susan Boone Vincent Sportsplex, Mr. Hearn will be honored with a co-ed softball benefit tournament.

“Mr. Bob never missed a beat and was always at every single softball benefit regardless of who it was for, when it was, or even what the weather conditions were,” said tournament organizer Kelly Parker. “Now is our time as a community to give back to a man that gave all he had to help so many others.”

Parker said they are in need of items and monetary donations to help with the silent auction, live auction, raffle tickets and concessions. They also need more teams to sign up. All proceeds will go to the Bob Hearn Medical Fund. David Chancellor will light up the evening skies at 9 p.m. with free fireworks show. For more information or to donate and help with the benefit contact Kelly at 601-335-5132.

Laurel High School hosts 3rd Annual AD47 Football Leadership Academy

By Zac Chamblee

A little bit of mud would not stop Laurel native Akeem Davis from putting on his 3rd Annual AD47 Football Leadership Academy on Saturday morning at Laurel High School. Close to 100 campers from ages 8-12 learned football fundamentals, leadership qualities and whole lot of other things from Davis and a handful of other coaches.

“As rich as our English vocabulary is, I cannot put it into words what it feels like to come back and give back to the community that’s put so much into me,” Davis said.

“Year one, we had 53 guys. We even added a practice squad to make it 63 guys. Year two, 100 guys. This year, 100 guys in a monsoon. That’s just a testament to the parents and community for believing in what we’re doing and making their kids get out of the bed at 6:15 am to learn something that’s going to stick to them and make them better men.”

Davis, who played this past NFL season for the Jacksonville Jaguars, says the leadership academy is unique in many ways. For one, it’s sanctioned by the NFL and USA Football. It’s also managed by Doug Eldridge and the folks over at the DLE Agency, a full-service media, marketing and management firm in Washington, DC. On top of all that, AD47 is far more than just your average football camp. Real life lessons are taught in-between the whistles.

“We’ve basically built the program on 5 pillars,” Davis explained. “Those pillars are character, leadership, discipline, follow-through and grit. Those are things you have to have. The umbrella that falls under it is faith. You gotta believe in something and that faith is the Lord.”

“Sure, these guys are running around and having a good time playing football. But we’ll sit them in a group in the middle of the field to talk about these things and teach them how to practice these things. Not only on the field, but off the field, as well.”

Davis was joined Saturday by a handful of familiar faces like Keon Howard, Octavious Cooley, Thakarius Keyes and Dontrel Pruitt to name a few. Davis knows that group, as well as the kids on the field, are vital to the growth and future of AD47.

“Not only are we invested in the smaller guys, we invest in guys like Keon and Keon invests in us,” Davis concluded. “One day, I will not be able to come back and do this. It will have to be him. And one day, he will not be able to come back and do this. It will be one, two or three of these guys out here that come back and do it.”
