CARDS WITH AN EXTRA LEVEL OF SECURITY NOW AVAILABLE.

First Vision Bank is helping to protect you from debit card fraud. Our cards now come with EMV chip technology which brings greater security to your transactions. This technology reduces the potential for fraudsters to create counterfeit cards due to the dynamic data created during a transaction. Every time your card is used for payment, the chip creates a unique transaction code that cannot be used again.

To find out more about our EMV chip cards, please call us at 931-454-0500 or visit us online at www.firstvisionbank.com
