OKOBOJI FOUNDATION
COMMUNITY FOUNDATION FOR THE IOWA GREAT LAKES REGION

Spring/Summer 2017

EXPANDED IMPACT & COMMUNITY SERVICES

WHAT IS THE OKOBOJI FOUNDATION?

- Okoboji Foundation is a donor-driven, public community foundation that improves the quality of life in our Lakes Community. Donor gifts and endowment investments provide community resources and services.

EXPANDED IMPACT in the Lakes Community

- ***Gifts of any size make the impact happen.*** **We thank all donors who invested in the Lakes Community through our *25th Anniversary Campaign*.** Your generosity, along with our Youth In Philanthropy's astounding success, means we have ***a quarter-million dollars for 2017 Grants to our Lakes Community.***
- This campaign, and your continuing gifts, keeps expanding Granting Endowments to provide significant awards every year. We also created a Separate Endowment for Operating Costs. ***Very few nonprofits can direct 100% of a gift to community grants.***
- ***Overwhelmed by so many nonprofit requests?*** Donors can make gifts to a single source and any area nonprofit may apply for grants. Okoboji Foundation is the center point of giving for grants to vital nonprofit capital projects in our Lakes Community.
- ***Assuring your money is spent as designated*** - Our Grant Committee's due diligence assures awards are reviewed and prioritized for impact. Grants are paid after we receive receipts for approved projects.

- Free ***Lakes Nonprofit Summit*** with professional training and grant information sessions for all area nonprofit leaders and board members.
- ***Family of Funds*** allows nonprofits, individuals, families and businesses to create partner funds and benefit from ***Endow Iowa Tax Credits***.
- ***GiveOkoboji.com*** is a one-click site for secure giving to YIP, Okoboji Foundation and several Nonprofit Partner Funds. *(see more below)*

HELP US, RESTORE THE PARK

WE HAVE A VISION.

ARNOLDS PARK® AMUSEMENT PARK Lake Okoboji

To create the picturesque of what once was, the majestic park that sits along the beautiful blue glacial waters of Lake Okoboji. To Improve our current facilities, restore the historical structures, and develop functional facilities for today's modern world.

Historic Arnolds Park Amusement Park – an "American Classic" that celebrated its 125th anniversary in 2014 – was born of humble beginnings along the southern shore of West Lake Okoboji in 1889. It was there, on a property owned by Wesley Arnold, that a 60-foot tall toboggan-style waterslide was constructed, the very first attraction of what would become a full-scale amusement park. Arnold was a visionary who first conceptualized a public entertainment complex at the coveted site, he challenged himself and others to build attractions that would attract and win over visitors, for years to come.

The amusement park began to flourish in the Roaring Twenties. The iconic Roof Garden – which would become famous throughout the Midwest for hosting marquee swing and then rock n' roll bands – became the heart and soul of the burgeoning park. There are places in everyone's lives that resonate with bold memories. It's not so much the buildings – although you may recall the curvatures of the windows or the warmth of the sheer immensity of the wooden dance floors – but the memories they evoked.

The much-anticipated Legend roller coaster was opened in 1930 and remains one of only a handful of functioning wooden coasters in the country today. In 1991, Captain Kennedy, of the Queen II, opened the Iowa Great Lakes Maritime Museum in a small lakeside building in the park but it quickly outgrew its confines and is presently housed in the IGL Welcome Center. It has grown into a rich gallery of Okoboji nautical and entertainment lore.

Arnolds Park Amusement Park remains one of only five such non-profit entertainment facilities in the country. The Park is an excitable destination for Iowa Great Lakes visitors, young and old. It has withstood the sternest tests of time and today stands poised for a bright future under the direction of a community-based and dedicated board of directors.

"We continually invest in strengthening the appeal and capacity of Historic Arnolds Park. By working toward creating a place of dreams, where guests gain a whole new experience of happiness and family fun in each visit, only then, are we able to succeed as a sustainable venue." said Charley Whittenburg, CEO. "Our larger efforts with the new fundraising campaign, are to see the restoration of the Roof Garden both inside and out, the restoration of the pavilion and expansion of our Maritime Museum. In addition, there will be many things upgraded to bring us into the 21st century and poise us for sustainability for future generations. The Park is the epi-center of our community and remains the heart of Okoboji."

REMEMBERING THE PAST, AND CREATING A SUSTAINABLE FUTURE.

YMCA of the Okobojis Receives Gift from Polaris Foundation

The YMCA of the Okobojis is pleased to announce the receipt of a Ranger Crew 570 from Polaris as part of the Polaris Foundation Grant.

Polaris gives back to local communities and gives priority to requests received from organizations within communities in which Polaris' manufacturing and distribution centers are located.

The YMCA fit the criteria areas of Youth Safety, Community Development, and Environment and Land Access to qualify for this generous gift. Both the Bedell Family YMCA and Camp Foster YMCA will make use of this utility SxS (Side by Side) vehicle.

"On behalf of the Polaris Foundation, our local organization is happy to donate the Ranger Crew 570 to the YMCA of the Okobojis," said Anthony Stecker, Production Director with Polaris. "We're proud to join with the YMCA to promote Community Development in and around the lakes area. It is exciting to see Polaris vehicles being used where many of our Polaris team are involved with family and camp activities."

Camp Foster will use the Ranger to maintain the 214-acre property. Clearing trails and clearing brush will create easier access to all parts of camp, which is essential, especially in the case of an emergency where time is of the essence. The unit will also be used for feeding the camp's horse population and mending fences along the property.

The Bedell Family YMCA will use the Ranger to help maintain the 17-acre property, including its 10 soccer fields. It will be used to transport large programming equipment, namely soccer goals, from the maintenance shed to the playing fields. Additionally, the unit will be used for grounds maintenance and clean up, with a priority on snow removal in the winter months.

"We'd like to thank Polaris for their continued support of the YMCA of the Okobojis," said YMCA CEO Andrew Fisher. "We're thankful to have them as a community partner. This Ranger unit will allow the YMCA to better serve our members and program participants and provides Camp Foster with a tool to make camp more accessible."

Creative Small Business Solutions Welcomes Summer James to Staff

Creative Small Business Solutions in Olde Town Spirit Lake is pleased to announce they have recently hired Summer James as a part-time addition to their staff. Already employed by CSBS is Ken Lockard (owner), Brenda Schultz, Diane Lockard, Bart Bonnstetter, and Haley Tardiff.

Summer James, a lifelong lakes area resident, began working at CSBS in June as a Special Assignment Accounting Associate. James has experience working as a tax practitioner with H&R Block for 3 tax seasons. She earned her BA Degree in Organizational Leadership/Business (with a minor in Accounting) from Buena Vista University, and is NCRC certified in the state of Iowa. She is also continuing to work towards her CPA (Certified Public Accountant) certification.

"I enjoy working with numbers," said James, who spends her spare time boating, traveling, and networking. She is also passionate about women in education. Her daughter, Sunny, is a senior this year at Spirit Lake High School.

"I look forward to helping the people of Dickinson County and beyond with Creative Small Business Solutions."

Creative Small Business Solutions has been helping taxpayers and business owners in the area since December of 1989. After a humble start as a home business, Lockard moved it to its current location at 1715 Hill Avenue in Spirit Lake in 1991. Over the next 16 years, a series of franchise-buy outs would result in three different company name changes. But in November of 2005, Lockard bought out the remainder of the franchise agreement and has been doing business as Creative Small Business Solutions ever since.

CSBS provides accounting, bookkeeping, tax preparation, and payroll services to small business owners. Together they enjoy enthusiasm, sarcasm, spontaneity, and confidentiality. They have over 27 years experience, and pride themselves on getting to know their clients by name, understanding their situation, and helping them to get the maximum tax refund possible. CSBS also provides business counseling: "Don't start, buy, or sell a business without talking to us first!"

For more information, call 712-336-2355 or stop by the office (located at 1715 Hill Avenue in Olde Town Spirit Lake). Regular business hours are Monday – Thursday, 8:30am – 4:30pm, and 8:30am – 12:30pm on Fridays. You can also visit Creative Small Business Solutions online 24/7 at http://CSB.Solutions/ .

Abu Bekr Shrine White Horse Mounted Patrol to Ride in BBW

by Jay Schoning

Ask any kid, nothing, absolutely nothing, on the face of the earth can beat a white horse. And this coming July 8th, the White Horse Mounted Patrol Unit of Abu Bekr Shrine Temple of Sioux City, Iowa, will be bringing their beautiful white horses and riders to perform in the Bully Bullhead Weekend Parade. The unit, sponsored locally by the Lost Island/Ruthven Betterment Association, will highlight the 25th edition of the Bully Bullhead Weekend celebrations in Ruthven.

The White Horse Patrol has ridden everywhere across the country and Canada. But essentially, the Patrol belongs to the communities of Siouxland, to their civic celebrations and fairs, all within one day's drive for the big red and white semi-trailers that transport the horses. A child on the streets of Ruthven, Iowa, Ponca, Nebraska, or Viborg, South Dakota shares the same excitement as a tot on States Street in Chicago or Pennsylvania Avenue in Washington when prancing white chargers pass in review.

Since its inception, the patrol has traveled across the county and into Canada, beginning with its first major trip to Washington, D.C., in 1923. The fleet has appeared at the Presidential Inaugural Parade, twice at the Tournament of Roses Parade in Pasadena, Calif., and once in the Cotton Bowl Parade in Dallas, Texas. And now the world-famous Bully Bullhead Weekend Parade in Ruthven.

Make plans now and put Saturday, July 8, on your calendar to attend the BBW 2017 parade and see this beautiful mounted team in action along with other parade entries such as the Shriners ATV Corps from Spencer, the Pony Express Riders, and entries from surrounding communities advertising their summer events. This is the 25th continuous year for Bully Bullhead Weekend – make it one to remember.

Harry's Kurio Kastle, Arnolds Park, Iowa • Circa 1950s

Stepping Back in Time by Jerry and Irene Clark of the Clark Museum of Okoboji area and Iowa history – Milford, Iowa.

Harry's Kurio Kastle was a very interesting museum and gift shop to visit. Harry Tenant, a taxidermist, collected shells from Florida and made interesting items with them. The light house on display in the museum is one item Harry made. Notice the "spoonbill" fish in the picture. The Clark Museum displays the 146 pound fish from East Okoboji Lake from 1914. The Clark Museum owns a bird bath made of rocks on display at the Maritime Museum made by Harry. The Clark Museum, one of Okoboji's greatest treasures, displays thousands of pictures and advertisements from all 99 counties of Iowa.

The Clark Museum is located one mile west and a half mile north of the Milford Catholic church. For more information, call 712-338-2147 or email ijclark1@msn.com. *The Clark Museum is a 501 (c) 3 Non-Profit.*

PRINT MARKETING vs DIGITAL MARKETING

CONSUMER BEHAVIOR & NEUROMARKETING PRINCIPLES

One of the most common questions that I get from new clients is "should I focus on digital ads or print ads?" There is no easy answer to this question, but my general answer to that question is both. And, for the clients that want to move completely digital, there is new data out that suggests you should put the brakes on that thought and rethink.

Why? Simply put, it's about how our brain works. In a recent study, based on brain scans, a print ad appeals more to the part of the brain that has the highest correlation with advertising effectiveness than a digital ad. Brand recall is up to 70% higher in print advertising than in digital media. In a study that measured 1,400 campaigns using a variety of ad venues, print advertising resulted in the highest return on ad spending. Consumers are 70% more likely to remember a company name from a print ad than a digital ad. There is also a 75% print ad recall, (meaning they remember the ad) in comparison to a 44% digital ad recall.

Generally speaking, consumers tend to be more relaxed and focused when they read print magazines or newspapers. As a result, they are less likely to be distracted by other options and they therefore make decisions more quickly and are generally more likely to feel satisfied with purchases they make in this mindset.

Researchers are just starting to understand the neurological pros and cons of online versus print advertising. But, it may come as no surprise that print and digital media excel in different areas. One of the most notable benefits of print ads is that they are better at stimulating emotions and desires. Engaging with a physical ad can also improve recognition and recall because paper stimulates more senses and is therefore more real to the brain. And for those of us trying to build a brand that connects emotionally with our customers, to create brand loyalty, it builds a case for continued print ad spending.

REAL STORY

So, you may still be thinking, who reads print anymore? It comes as no surprise to me that based on this study, magazine readers are wealthy and well educated. However, they also found that the Millennial did not get lost, as data shows 95% of Americans under the age of 25 still read print magazines. And that's the real story.

Red Cross Disaster Workers Respond to Storms Across Iowa

Storm damage was reported in Fremont, Jones, Linn, and Marion Counties with disaster responders in each location working to provide care and comfort to displaced families. Disaster workers also provided drinks and food to 65 responders at the scene in Linn County.

Red Cross disaster responders are in Prairieburg working with the Salvation Army to provide food to affected families. A Red Cross emergency response vehicle is driving through storm-damaged neighborhoods, delivering food, water, and clean-up supplies such as bleach, mops, gloves, rakes and shovels.

As with any disaster, preparation can be the difference between life and death. The Red Cross recommends that individuals and families prepare for tornadoes by:

Downloading the free Red Cross Tornado App to your mobile device. The Red Cross tornado app includes a high-pitched siren and warning alert that signals when a tornado warning has been issued, as well as an all-clear alert that lets users know when a tornado warning has expired or has been cancelled. The app also includes tips on how to assemble an emergency kit for your family in the event of a power outage or evacuation, an "I'm Safe" button to let loved ones know you are okay, and a real-time map to help you find the location of Red Cross shelters should you need to leave your home. The app has a Spanish language toggle switch and can be downloaded by visiting redcross.org/apps.

Creating and practicing a home tornado plan. Pick a "safe room" or uncluttered area without windows where family members and pets could seek shelter on the lowest floor possible. The safest place to be is an underground shelter or basement. If no underground shelter or safe room is available, a small, windowless interior room or hallway on the lowest level of a sturdy building is the safest alternative. Putting as many walls between you and the outside provides additional protection. Mobile homes are not safe during tornadoes or other severe winds. Practice periodic tornado drills so that everyone knows what to do if a tornado is approaching.

Assembling an emergency preparedness kit. Pack a first aid kit and a seven-day supply of essential medications, foods that don't require cooking or refrigeration and manual can opener, bottled water, flashlights and a battery-powered radio with extra batteries, copies of important documents like your insurance policies, cell phone chargers, family and emergency contact information, maps of the area and other emergency items for the whole family.

Heeding storm warnings. Watch for tornado danger signs, including: dark, often greenish clouds (a phenomenon caused by hail), a wall cloud (an isolated lowering of the base of a thunderstorm), a cloud of debris, large hail, a funnel cloud (a visible rotating extension of the cloud base), or a roaring noise. Listen to your local radio and TV stations for updated storm information. A tornado WATCH means a tornado is possible in your area. When a tornado WARNING is issued, go to the safe room you picked to protect yourself from glass and other flying objects. If you are caught outdoors, seek shelter in a basement, shelter or sturdy building.

Preparing for high winds. Make trees more wind resistant by removing diseased and damaged limbs, then strategically removing branches so that wind can blow through. Install permanent shutters on your windows and add protection to the outside areas of sliding glass doors. Strengthen garage doors and unreinforced masonry. Move or secure lawn furniture, outdoor decorations or ornaments, trash cans, hanging plants and anything else that can be picked up by wind and become a projectile.

The Red Cross depends on the generous support of the American public to fulfill its crucial mission. Help people affected by disasters like tornadoes and countless other crises by making a donation to support Red Cross Disaster Relief. These gifts enable the Red Cross to prepare for, respond to and help people recover from disasters big and small. The vendors at Lakes Area Farmers Market appreciate your support, especially as we move around. On July1 and July 5 we moved outside for the Flea Market. On July 8 and July 12 we will be back in the building and then will move outside again during the 4-H fair. We know the moves make it confusing for you and more difficult to shop. However, we appreciate your loyalty and support as you hunt us down.

One loyal customer is Michael Dunn, who comes twice a week to shop for fresh produce to use in his Farm to Fork Food Truck. There are many other people who shop at least once each week. Whether you are a first time visitor or a repeat customer, all of the vendors at the Farmers Market appreciate your support. And don't forget that you can shop at the market in Arnolds Park on Thursdays from 4:30 to 6:30pm. We hope to see you there.

Franker Celebrates 90 Years

From growing up in a small Plymouth County, Iowa town, living through the depression, going to a one room schoolhouse, marrying a WWII soldier, raising four children -- she's still the same sweet, smiling, positive person that we love to come home to. Happy 90th birthday Betty Franker. If you know her, please send her a card and share a memory with her. Warm wishes can reach her at 305 24th Street, Spirit Lake, Iowa 51360.

LETTERS TO THE EDITOR

To The Editor:

Hi, My name is Nicole Hintz. If my name sounds familiar, it is most likely because I was a Milford resident for about fifteen years. I am probably remembered most for being seen driving my wheelchair around Milford, or being seen at an Okoboji Community School sporting event. I am writing this piece because I would appreciate if the readers, as well as the community, would assist me in reaching a goal that I have set for myself. I have launched a GoFundMe campaign in order to raise funds for an accessible wheelchair van. My family and I had a van that we used for many years. In 2008, I underwent a total spinal fusion. Due to the surgery, I grew six inches. Unfortunately my new height left me with inadequate head space in our van. My Doctors deemed it unsafe for me to ride in therefore, we had no choice but to get rid of it.

We have been looking for a new van ever since. I hope to be able to raise enough money via my GoFundMe campaign to purchase another accessible van. The name of my campaign is Accessible Van for Nicole. I would truly appreciate it if readers would take the time to read my campaign and story, and spread the word however they can.

My campaign can be found by going to https://www.gofundme.com/accessible-van-for-nicole.

Salute to the Vets!

Many of the dinner guests at the Lakes Area Senior Citizens Center are retired members of the armed services of the United States. These people need to be recognized for the work they have done for the safety of our country.

On Tuesday, July 4, the Lakes Area Senior Citizens Center plans to celebrate the work these men and women have done by inviting them to the 5th annual picnic dinner at the Senior Center at 2101 Zenith Avenue in Spirit Lake (under the water tower). The festivities will begin with a short program at 11:00am, followed by dinner. To help plan for the number of visitors, call 712-336-5247. There will be no charge for widows, families of deceased veterans and all veterans. Please leave your name, phone number and number of guests you are bringing. There will be no "Dinner Date" meal that day.

If you would like to help in anyway, such as donation of food items, decorating the dining room, or entertainment, please call 712-336-5247. Leave a message with your name and phone number if no one is available to speak to you.

The Lakes Area Senior Citizens Center is excited to host this "Thank You Celebration" for our veterans for the 5th year and they hope you will want to participate too.

Research director RD has some grand songs for this grand holiday week.

After more than 100 years, there is still a debate about George M. Cohan being born on either the 3rd or 4th of July, as he noted in his *Yankee Doodle Dandy* song. Cohan gave us some great (now old) patriot music throughout World War I, and died in November 1942, just weeks before he intended to return to the stage with another patriotic show — and to his job as an air raid warden in New York. Cohan was absolutely Red, White, and Blue!

Google Cohan's *New York Times* obituary. It's worth the read.

Friday being Tell the Truth Day might mean a confession would be in order. RD suggests *I'm Confessing That I Love You*, written by Fats Waller in 1929, an old song reprised by Diana Krall in her current album...

Jazz and pop singer William Clarence 'Billy' Eckstine's Saturday birthday brought another old song to mind — *I Gotta Right to Sing the Blues*, which Eckstine recorded for his *Imagination* LP in 1958 — when the song was already a quarter century old...

In addition to the 4th of July we celebrate several birthdays this week...

Lyricist and composer Irving Caesar (July 4, 1895) had great old songs like *Sometimes I'm Happy* (1927), and *Crazy Rhythm* (1928), long a jazz standard...

Oboist, conductor and longtime Columbia Records producer Mitch Miller is also an Independence Day offspring — and is best known for his popular chorus and its renditions of some great old songs...

And Wednesday marks the day in 1946 that the Bikini Swim Suit was introduced by Paris fashion designer Louis Reard. Nearly a quarter century later Brian Hyland recorded the now-famous song about the *Itsy Bitsy Teenie Weenie Yellow Polka Dot Bikini* that has since become background for a yogurt commercial on television — not exactly what most "dirty, old men" were thinking about in 1946 or in 1960, when Hyland recorded the silly song that became his only #1 hit...

Whether you feel young or old, here's hoping you have a Grand Old 4th of July week out and about on the Campus of the U of O — And do it safely!

All the news that fits we print.

"The story begins in 1953, a time when the oppressive Russian secret police has forced numerous Estonian resisters into hiding, including Endel (Mart Avandi), who flees his home in Leningrad and heads to the small, remote town of Haapsalu. There, "Comrade Nelis" determines to start a quiet new life and accepts a job as a gym teacher at the local school, where his efforts to give his students a proper physical education are frustrated by a lack of resources, as well as by the toad-faced indifference of the principal (Hendrik Toompere Sr.). But when Endel, a skilled fencer, locates a few foils in the gym, he decides to start an after-school fencing club for the kids. These include Jaan (Joonas Koff), an earnest, good-looking youth who's eager to learn, though perhaps not quite as eager as the spirited young Marta (Liisa Koppel), whose combination of inexperience and enthusiasm will inevitably pay off down the road. Endel is a stern, demanding instructor but also a skilled one, and before long the students slowly begin to learn and improve." - VARIETY

Family Nature Night

Gather your most competitive, outdoorsy family members for the next Family Nature Night.

The family-friendly event will take place 6:00pm, Monday, July 10, in Kenue Park in Okoboji and will focus on camping skills, with a little friendly competition thrown in.

When not pitching a tent, try your hand at casting and try to reel in a faux fish which will garner the talented fisherman a prize. All ages will also enjoy creating a camping-themed craft to take home.

At the end of the night, gather around the fire rings in Kenue Park to make s'mores and tell stories around the campfire.

For the event, park in Kenue Park near the Westport Schoolhouse. Pre-registration is not necessary for this free monthly event.

Family Nature Nights will culminate with a Disc Golf Challenge Monday, August 14, at the Okoboji Gold Disc Golf Course in Kenue Park, which is also home to the Dickinson County Nature Center. Learn basic disc golf throws and rules of the game, then try your hand at the fast-growing sport on the 18-hole professional level disc golf course.

For more information on Family Nature Night or other year-round Dickinson County Conservation Board programming, call 712-336-6352 or visit *www.dickinsoncountynaturecenter.com*. You can also keep up with the latest happenings on Facebook, Instagram and Twitter.

Blue to Brown Connection Program for College Students

Southwest Minnesota State University and Minnesota West Community & Technical College are pleased to announce the Blue to Brown connection program to students.

The two institutions have partnered to create a program designed to allow students the opportunity to start with Minnesota West courses and complete their bachelor's degree with SMSU while living on SMSU campus.

Students can directly enroll at Minnesota West to earn an eventual bachelor's degree awarded by SMSU. Students will transfer from Minnesota West to SMSU after successful completion of 24 Minnesota Transfer Curriculum credits in 2-3 semesters. The students will take Minnesota West course work at SMSU, and live on campus at SMSU. The program is an opportunity for students who do not initially qualify for admission to SMSU to enroll at Minnesota West to gain sufficient academic standing to qualify for acceptance at SMSU.

SMSU President Connie J. Gores comments, "SMSU is delighted to partner with Minnesota West on this exciting program that will give students a jump-start on their educational goals and provide a residential living experience in a student-focused environment. It's a benefit to students and our entire region."

Dr. Terry Gaalswyk, Minnesota West President notes, "As our region's college and university, this collaboration of Minnesota West and SMSU focuses each of our institution's resources and talents to advance our collective mission - student success. As the state's #1 community college, students enrolled in the Blue to Brown program will be advantaged in studying with gifted Minnesota West faculty and our proven instructional practices evidenced in our 'best in class' persistence and graduation rates."

Minnesota West & SMSU will be hosting an event for students who are interested in the Blue to Brown program on Monday, June 26, from 12:00-4:00pm at SMSU. For more information contact Matt Suby at 507-537-7145 or *matthew.suby@smsu.edu*.

Minnesota West and SMSU are members of the Minnesota State System. The largest provider of higher education in the state of Minnesota. An Equal Opportunity Educator/Employer.

Heart to Heart With Heritage Landing

We Are Not Created To Be Alone

We all know what it's like to feel lonely at times. It's a hollow emptiness, a feeling of isolation and disconnection. Loneliness isn't just a feeling. It can cause depression, anxiety, chronic pain, sleep problems and other health issues. Lonely adults age 60 and over are at greater risk of mental & physical decline.

Pursuing interests and being social can alleviate some of these concerns.

*Start or resume a hobby – golfing, gardening, scrapbooking, fishing, writing - whatever you find pleasure in doing.

*Attend Church Service, a book club or join a community group, or a club.

*Develop meaningful relationships – Have coffee with your neighbor, go to a movie with a friend, or invite a family member for lunch.

* Don't drive? Get a ride. – Ride with a friend or neighbor. Use public transportation.

*Volunteer – making a difference in someone else's life can make a big difference in yours.

If you ever visit us at Heritage Landing Senior Living Apartments you will recognize the strong sense of community - people having coffee, putting a puzzle together, going for a walk or working in the garden. When winter comes and it's cold & icy, you just step out your door into a warm hallway to find a card game or to go to have lunch with your friends. You never have to be lonely when you have a friend right next door.

To schedule a tour of Heritage Landing give us a call at 712-338-2909. We would love to hear from you!

Sally's quip of the day: You're not losing your memory, you're just really good at letting go of the past!

Arnolds Park Amusement Park Announces Public Fundraising Plan

The Board of Directors of Historic Arnolds Park Inc. (HAPI) announced plans for a major public fundraising campaign to update the facilities of the 128-year-old operation. Fundraising is taking place for the renovation of the Maritime Museum, new parking, completion of the restoration of The Majestic Pavilion, a new Roof Garden, a new bathroom inside the amusement park, a lake front pedestrian commons area, updated infrastructure throughout the property, a new stage on preservation plaza, and many more improvements.

An anonymous group of donors have come forward and pledged a matching grant of up to $6 million dollars for the renovation project. The capital fund raising project called "Restore the Park" will begin July 1st. CEO Charley Whittenburg stated, "All members of both HAPI and The Park Foundation Boards have made financial commitments to the project. This 100% commitment from the Boards has paved the way for the upcoming fundraiser." A committee composed of current and former board members has been established to spearhead the fund-raising project to accomplish the $12 million-dollar goal. The group has already begun making calls and has about $2 million of the $6 million matching funds raised.

Phase I of the project is almost complete. The Arnolds Park Foundation supplied the funds for planning and infrastructure such as updated electric, sewer and fiber optic lines to prepare the property for the upcoming improvements. Also in phase I of the project is additional parking located on Highway 71 and new restrooms inside the amusement park. The final touches of the parking lot will be finished in the next few days and a ribbon cutting was held. New bathrooms were opened on Memorial Day weekend and have been a big improvement inside the park.

Phase II of the project will begin in the Fall of 2017 with the expansion of The Maritime Museum, completion of The Majestic Pavilion, a renovation of The Preservation Plaza Stage and the addition of fiber optic lines throughout the park for ride operations. The Maritime Museum expansion will include a significant increase in the size of the facility and will provide a new home for The Iowa Rock and Roll Hall of Fame as well as green room facilities for guest bands and offices for the Okoboji Foundation, Iowa Great Lakes Chamber of Commerce and Okoboji Tourism. The completion of the Majestic Pavilion will also include new flooring and new administration facilities.

Phase III of the project will consist of the building of a new Roof Garden. The new facility will have the look and feel of the original Roof Garden with updated amenities to make it a much more functional space. Whittenburg stated at the press conference held that "Our private fundraising has gone well so far and we are excited to kick off the public campaign. We've had many questions about the projects coming up over the next few years, and we are excited to get that information out to the public." More information can be found and donations can be made at www.RestoreThePark.com.

New Laws Take Effect in July

Rep. John Wills (R-Spirit Lake) and Rep. Megan Jones (R-Sioux Rapids) released information on a few notable bills that were passed during the 2017 legislative session which go into effect on July 1, 2017.

According to Rep. Wills and Rep. Jones, the following is a brief list of bills that will take effect July 1:

- *House File 565 – School District Flexibility Fund.* This law will give school districts additional flexibility to address the specific needs their schools have. The law allows schools to create a Flexibility Account where the district can transfer unused funds from other sources, if those funds have already been used to fund its designated purpose and has a carry-over balance. The "flex" funds can then be used to enhance local programs and provide more educational opportunities.
- *Senate File 234 – Texting and Driving.* This law will improve road safety by expanding Iowa's texting and driving ban to a primary offense. It allows for a peace officer to stop or detain a person solely for texting and driving but makes clear that drivers are allowed to use their phone as a GPS. The fine for violating this new law $30.
- *Senate File 444 – 24/7 Sobriety and Distracted Driving.* This law also makes our roads safer by addressing impaired driving. The new law implements a 24/7 sobriety program for persons convicted of drunk or drugged driving and requires them to submit to twice daily alcohol or controlled substance testing at set times and implements penalties for failing the tests. The law also makes it a class "C" felony if a person is driving distracted (using electronic devices) and kills another.
- *House File 296 – Synthetic Drugs.* This law protects Iowa's kids and families by keeping dangerous synthetic drugs off the streets. House File 296 allows the Iowa Board of Pharmacy to temporarily designate certain chemical compounds as Schedule I drugs, to stay ahead of synthetic drug manufacturers and gives the Legislature more time to take action. Other changes will make it easier to prosecute those who create and sell synthetic drugs.
- *House File 410 – Palmer Amaranth.* This bill puts Palmer Amaranth on the primary noxious weed list and the list of invasive plants that are prohibited to import, sell, or distribute in Iowa. Palmer Amaranth is an edible flowering plant that crowds out crops such as corn, soybeans, and cotton.

A more detailed list of laws can be found at *www.iowahouserepublicans.com.*

UU Fellowship

On Sunday, July 9, Rev. Joe Callahan will present his third program in the series of six sermons on "Introducing Adults to Theology" at the Iowa Lakes Unitarian Universalist Fellowship. The title of his program is, "Theology of the Medieval Period." Some of the important figures during this time were: Anselm, Abelard, Francis of Assisi, Thomas Aquinas, and John Wycliffe. Questions regarding salvation were a major part of this era. Debates raged around such matters as: How are we saved? How does it work? and What are we saved from? The Iowa Lakes UU Fellowship meets at the Arrowwood Conference and Convention Center in Okoboji. Rev. Callahan was an ordained minister in the United Church of Christ. He is retired. The UU Fellowship begins with coffee at 10:30 and service begins at 11:00. An optional lunch ($10) follows the program. For more information, check the UU website *uuokoboji.com*. Visitors are always welcome.

20th Anniversary Celebration at Smith Wellness Center

An anniversary celebration is scheduled for Friday, July 7 to observe the 20th anniversary of the operation of the Smith Wellness Center/Library Complex at Iowa Lakes Community College in Emmetsburg.

The open house/chamber coffee starts at 9:30 a.m. in the rotunda with refreshments and self-guided tours. Staff will be on hand to answer any questions.

The Smith Wellness Center will offer free admission on Friday, July 7 through Sunday, July 9.

The Smith Wellness Center/Library Complex was a cooperative effort of Iowa Lakes Community College, the city of Emmetsburg and area citizens. When it opened its doors in July 1997, it was distinctive because of the partnership of a college and the city, not only providing a year-round swimming pool, but related exercise areas and a gym. In addition, the collaboration of the city library and college library was considered unique.

An official opening ceremony was held in 1997 when Willard Scott came to Emmetsburg for a formal dedication and meal in a packed gymnasium. And, for those individuals who desire exactness, the official day of opening was July 19, 1997.

Spirit Lake Library News

From the Kid's Corner of the Library:

It's been wonderfully busy in the kid's corner of the library. The children are enjoying their new space, playing with old and new friends, reading books, participating in programming and spinning the prize wheel. It's a great place for a play date especially on hot or rainy days.

Allison Antoine will be joining us at storytime this week to give us a taste of the Kindermusik experience with fun music and movement activities. She has recently completed training and will be offering Kindermusik classes at the Pearson Lakes Art Center in the fall.

Come have a blast with the folks from Absolute Science who will be here July 10, at 11:00am. Absolute Science is a brand new, educational and fun hands on program for all ages. Come watch and take part in awesome experiments!

The "Build a Better World" summer reading program comes to a close this week with storytime at both 9:30 and 11:00am on Thursday, July 6, and the last day to spin the wheel on Saturday July 8.

Our extended summer reading program will pick up on July 10, and continue through the end of the month. Kids may sign up and participate in this reading incentive program any time while it is in progress. Storytime will be at 10:30 on Thursdays, July 13 and July 20. The last Thursday of the month, the 27th, we will have a "Block Party" from 10:30 to 11:30am. A "Block Party" is a come and go time for children 1st grade and under to play with building blocks and figurines with their peers while their caregivers socialize with other adults.

School age children have some building opportunities on Tuesdays at 2:00 pm during the month of July. Legos at the Library will be July 11. On July 18, there will be a "Junk Build" where kids have the opportunity to recycle and make a creation from assorted items that have been discarded. Think egg cartons, plastic lids, pie tins, etc. Then on July 25, we will be building and/or creating with cardboard.

Thank you to our many summer reading program sponsors including Casey's, Dairy Queen, Godfather's Pizza, Jimmy Johns, Pizza Ranch, Pronto, Subway and Taco Johns.

Please join us at the library for some summer fun. Check us out at our website *slpublib.weebly.com* or on Facebook. If you have any questions, please feel free to call us at 712-336-2667 or stop in. We hope to see you soon.

Local Miss Iowa wins National Title

Madilynn Mandelkow of Lake Park took home the title as Miss Iowa Princess last year. She believes life is about doing the best with what God gave you. So along with the help of her family and sponsors, Madilynn gave this year her all.

The community service started right away with a trip to Mayo Clinic delivering books to the Children's hospital. Walking road ditches, the nursing home fashion show, yard work for the elderly, and even starting a non-profit called The DEN teen center. The DEN is located on the lower level of Capt'n Ken's in Lake Park, and its open Wednesdays and Fridays. See "The DEN-teen center" on Facebook for more info.

During her reign, Madilynn also performed in a live production of The Wizard of Oz, danced in two dance recitals, rode in 4 parades, and kept up with her girl scouts, 4-H, and sports involvement. She saw a lot of countryside too. She traveled as visiting royalty to Nebraska, Wisconsin, & Minnesota. She helped in a handful of community events locally, as well photoshoots, news interviews for radio and newspaper, and she was even on a Minnesota local TV station for her involvement at the Jackson County Fair.

Her biggest adventure was her trip to Nationals, in California. While in Hollywood, Madilynn saw "Dancing with the Stars" live. She was only a couple feet away from USA Olympic Gold Medalist, Laurie Hernandez. Madilynn did excellent at the National Pageant. She made *top ten* out of all the states for the National American Miss title. She took 3rd runner up in National Actress, and she won 1st runner up Miss Personality. To top off this amazing adventure, Madilynn won the National title of "National Runway Model". With her new title, she won a cash prize, a crown & banner, and she is now a model on file with Mon Cheri.

Madilynn will be crowning her successor at the 2017 Iowa Pageant, July 8th in Waterloo. So this will wrap up her year, and be the beginning of the next chapter in her young adventurous life.

Madilynn says her biggest blessing this year was her amazing Sister Queens, Cover girls, and her new best friends from all over the country. She is very thankful to the NAM organization for giving her and so many other girls the chance to be their best. She is extremely thankful to her family and sponsors for their faith and support. Her final message to the world is, "Don't worry about what you are *not*, instead, focus on discovering everything you *are*".

CITY OF MILFORD: BOARD REPRESENTATIVES NEEDED

The City of Milford is looking to fill two vacancies and is seeking applicants to serve on the Board of Adjustment (5 year term). The Board of Adjustment has the following responsibilities: (1) Administrative review where it is alleged that there is error in any order, requirement, decision, or determination made by the Zoning Administrator; (2) Hear and decide special exception use applications; and (3) Authorize in specific cases a variance from the terms of the Zoning Ordinance when the variance is not contrary to the public interest and, due to special conditions, a literal enforcement would result in unnecessary hardship, and so that the spirit of the ordinance is observed and substantial justice is done.

If interested in either position, please contact LeAnn Reinsbach, City Administrator @ 712-338-2741, email lhouge@milford.ia.us, or visit www.milford.ia.us for a board member application.

Milford Fire Fighters Support MDA with Fill the Boot Drive

The Milford Fire Department is showing its support for the Muscular Dystrophy Association (MDA) as its members kick off the annual Fill the Boot fundraising campaign to help kids and adults with muscular dystrophy, ALS and related muscle-debilitating diseases live longer and grow stronger.

Continuing a more than 60 year tradition, the Milford Volunteer Fire Department will hit the storefronts of local businesses and place their boots for the month while customers make donations as they frequent the businesses. This business collection will take place the entire month of July at various businesses in the area. Make sure to check out your local shop and make a donation to help support the four patients in Dickenson County living with muscle-debilitating diseases. To round their Fill the Boot collection off, the Milford Fire Department will be holding a collection at the Pioneer Days on July 22.

"We are thrilled to be working with the Milford Fire Department for another year of Fill the Boot to help provide the funds needed to find treatments and cures for muscular dystrophy, ALS and related diseases that severely limit strength and mobility," said Fundraising Coordinator Kristiana Wright. "The dedication of these fire fighters to MDA's mission is unwavering, spending countless hours both with Fill the Boot and MDA Summer Camp to care for the kids and adults in Milford and the greater Dickenson County. We know that their devotion to our families will make this year's drive a success."

Funds raised through Milford Fill the Boot events in 2017 empower families who inspire everyday Americans to help kids and adults with Muscular dystrophy and related muscle-debilitating diseases live longer and grow stronger, displaying how we all can truly live unlimited no matter what limits we may face.

Contributions also help fund groundbreaking research and life-enhancing programs such as state-of-the-art support groups and Care Centers, including the MDA Care Center at University of Iowa Hospitals in Iowa City.

MDA is leading the fight to free individuals — and the families who love them — from the harm of muscular dystrophy, ALS and related muscle-debilitating diseases that take away physical strength, independence and life. We use our collective strength to help kids and adults live longer and grow stronger by finding research breakthroughs across diseases; caring for individuals from day one; and empowering families with services and support in hometowns across America. Learn how you can fund cures, find care and champion the cause at mda.org.

25th Annual BBW July 7 - 9 'Kickin It Old School'

by Jay Schoning

What's your favorite thing about Bully Bullhead Weekend? This year's theme – Kickin It Old School – was chosen as the Ruthven/Ruthven-Ayrshire All-School Reunion will be held on Saturday evening in conjunction with BBW celebrating its 25th year. The annual celebration, July 7, 8 and 9, 2017, brings former Ruthvenittes and family back to town for a fun-filled family celebration that is three days long.

BBW 2017 kicks off on Friday morning with the BBW Tractor Ride with registration beginning at 7:00am. The ride will take off towards Lost Island, Graettinger and Trumbull Lake at 8:00am. The noon lunch will be back at Bully's in Ruthven with an optional afternoon ride to Salton Park at Silver Lake and back to Ruthven. There will be a bike ride around Lost Island Lake Friday morning as well with bikers leaving the Lost Island Nature Center at 9:00am. Other Friday events include the free community pork patty/hot dog feed sponsored by the Iowa State Bank. This is also the location for Jon Josephson to be honored as Citizens of the Year at 5:40pm. Other Friday events include the 4th grade through high school 3 on 3 basketball tournament at Centennial Park & Pool. The Kids Pedal Tractor Pull begins at 6:00pm near the Catholic Church. End the night at Bully's Bar & Grill with Big Nacho Karaoke starting at 9:00pm.

Set the alarm clock early on Saturday as things get going early with the BBW Fishing Contest at 7:00am. This year's contest features over $3,000 in cash prizes and has contests for all types of fish from walleye to carp – and of course still has the 3 tagged bullheads worth $500 each. Register and get more details at Grandview Resort, Bobber Down Bait & Tackle, Lost Island Bait & Tackle (formerly Murphy's Bait Shop), or Redwood Resort.

Other events include the garage sales in Ruthven and a craft show which begins at 7:30am, by the Blue Daisy Café. There is also a bake sale at the Methodist church, antique tractor and machinery show, mini doughnuts downtown, food vendors, history slide show and so much more.

The 5K, 10K and Fun Run event will be held at Huston Park on Lost Island Lake at 8:00am. Other Saturday morning events include kite flying for the entire family at the Lost Island Nature Center at 9:00am with the library book sale and history show with Sandra Dvorsky also at 9:00am. The Mason's Turkey Fillet & Brat feed will again be located on the green space across from the post office starting at 11:00am. And of course, look for the Ruthven-Lost Island Railroad Express giving free train rides for the kids.

At noon, the BBW Cruise In kicks off at Cricket Park on Gowrie by the railroad tracks and one event everyone loves — is the large parade. The BBW parade featuring the 'World Famous Abu Bekr White Horse Mounted Patrol' will start at 1:30pm leaving from the south end of the football field and traveling the same parade route as years past east past Lakeland EZ Stoppe then north through the residential area back to Gowrie Street through the downtown area. After the parade there will be the Bean Bags Tournament at the R/A Athletic Complex (football field). Want to cool off? The Ruthven Pool will be open from 2:30 to 8:00pm.

This year being the 25th annual celebration, LIRBA will be sponsoring an All-School Reunion for past Ruthven and Ruthven/Ayrshire graduates. There will be school tours beginning at 4:00pm on Saturday with the All-School Reunion Supper held from 5:00 to 7:00pm in the bus barn. The BBW Street Dance, the annual event sponsored by the Ruthven Fire Department, will be held uptown near the American Legion on Saturday night at 9:00pm until 1:00am featuring the 'Judd Hoos Band.'

Sunday morning kicks off at 7: 30am with the American Legion presenting their pancake, egg and sausage breakfast along with the Legion Auxiliary's Bake Sale. Morning church services are held at regular times at the four Ruthven churches. The GT/RA Bulls Eyes trap team will be hosting the Bulls Eyes Trap Shoot at the range on the Bill Grange farm one mile southeast of Ruthven beginning at 10:00am.

The Co-Ed volleyball tournament, open to all ages, kicks off at noon at the softball fields and at 1:30pm the Progressive Organ Recital begins at Zion Lutheran Church, proceeding to each church in the community and finishing at the Lost Island Lutheran Church where there will be an ice cream social and maidrite supper at 4:00 PM until 7:00 PM. The Ruthven Pool will be open 1:00pm to 8:00pm and the fishing tournament ends at 10:30am with the awards presentation to be held at Lost Island Bait & Tackle (Murphys) north of Ruthven.

Never a dull moment in Ruthven during Bully Bullhead Weekend - and this year's event promises to be just as big and fun as last year's event. Come celebrate the 24th annual BBW this July 7, 8, and 9 in Ruthven.

Bully Bullhead Fishing Tourney Features Over $3,000 in Cash Prizes

by Jay Schoning

When Bully Bullhead Weekend comes around each year, there is the anticipation of catching a tagged bullhead – but this year there will be the anticipation of catching any fish in the lake all of which are worth cash. Yes, there will still be 3 tagged bullheads released and they will be worth $500 each if you catch them and are entered in the contest; but there will also be 30 cash payouts for other fish as well. Cash prizes will be given out: $100 for the heaviest, $50 for the second heaviest and $25 third heaviest and those fish include walleye, perch, bullhead, crappie, bluegill, catfish, northern, largemouth bass and carp. Yellow bass will also be given the 3 cash award levels but not for the heaviest but for the most caught as there is no limit on these.

The contest starts at 7:00am, Saturday, July 8, 2017, ends at 10:30am, Sunday, July 9, 2017. You must register before 3:00pm, on Saturday, July 8, at Bobber Down in Ruthven, Grandview Resort on Lost Island Lake, Lost Island Bait & Tackle one mile north of Ruthven, or at Redwood Resort on Lost Island Lake. You must weigh in your fish before 11 a.m. Sunday, July 9 at Bobber Down in Ruthven or Lost Island Bait & Tackle just north of Ruthven. Awards will be presented at 11 a.m. Sunday, July 9 at Lost Island Bait & Tackle north of Ruthven. There is an entry fee of $20.

All fish must be caught by baited hook or artificial lure by the mouth. All fish must come from Lost Island Lake. Carp may be harvested by any method allowed by law. You must abide by Iowa DNR Conservation Laws and no refunds will be given. There will be no late entries accepted and the decisions by judges are final, ties decided by judges.

LETTERS TO THE EDITOR

The publisher does not necessarily share the views/opinions stated in the "Letters to the Editor" published in The Lakes News Shopper.

To The Editor:

What can we believe from President Trump ?

A few days ago, the New York Times published an article listing lies told by President Trump since he took office. As I went through the list I counted just about 100 up until June 21. They were easily fact-checked statements ie: crowd size at his inauguration, claim that he had the record for times on the cover of Time magazine (he had 11, President Nixon had 55), claimed the U.S. murder rate was the highest in 47 years (1980's and 90's were higher), claimed his electoral college victory was the largest since Ronald Regan (George H.W. Bush, Bill Clinton and Obama's were larger), there is currently no vetting process for immigrants (actually, there is a very strict process taking up to two years), Obama Care covered very few people (actually had a net increase of 20 million people), we are one of the highest taxed countries in the world (we are not). The list goes on and on – you can Google it. There is another big lie currently in the making. In public forum, he stated "there will be no cuts for Medicaid." But he is actively pressuring reluctant Senate Republicans to vote for the Senate Health bill that drastically cuts Medicaid funding?

So why does he do it? It's hard to imagine that he does it on purpose. As I run through the list of possible reasons I will dismiss unkind ones. My best guess is that he is not properly informed and that he says what he would like to be true instead of checking out the facts. I think Kellyanne Conway correctly described the process, calling it "alternate facts". Personal interviews may also give a clue about character flaws. In 1997 in a recorded interview with Howard Stern he stated that his bravery in having sex with so many women and risking STDs was like that faced in Viet Nam. He said "a woman's vagina is like a land mine." Then there was the Billy Bush interview in 2005 where he boasted that because of his celebrity, he could grab women by their genitals and not worry about being accused of sexual abuse. Wow, how presidential!

So, what are we as citizens to do when our President speaks to us and we just cannot believe him? How can the international community believe and trust him when he speaks for our country? I write letters . What else can you do?

ADENDUM – I just received an 8 page letter insulting and demeaning me and my positions in previous letters - foul language included. It states that my letters amount to OBSTRUCTION. It ends with a baby photo crying and the word STOP in bold print. The concept of free speech promised in the first amendment seems to have slipped the writers attention. The letter was unsigned – I wonder why.

Writing Your Retirement Paycheck

How can I be sure my retirement funds will last my lifetime? This important question will be addressed in an Iowa State University Extension and Outreach workshop on two Wednesdays, July 19 and July 26, at 6:00pm, at the Spirit Lake Public Library located at 702 16th Street; Spirit Lake, Iowa.

Writing Your Retirement Paycheck is designed to provide information needed by those approaching retirement within the next ten years. The workshop outlines key factors to consider prior to retirement and describes two strategies for structuring your retirement income. "For most of us," says Jan Monahan, Human Sciences Specialist in family finance, "our paychecks have been determined by someone else all our lives. But in retirement, many of us are responsible to write our own paychecks. How will we know how big it should be?"

According to Jan Monahan who will lead the workshop, topics include: inflation, health costs, Social Security, required minimum distributions, annuities, and more. "Individuals need to make their own decisions about retirement," says Jan Monahan "but clear and non-commercial information is a necessary ingredient for decision-making."

Monahan points out that even those who work with a trusted financial professional must ultimately make the decisions themselves. A financial professional can suggest or recommend products and strategies, but it is the consumer who decides and then lives with the results of the decisions.

There is no cost for Writing Your Retirement Paycheck workshop due to the generous contribution of Iowa State University Extension and Outreach – Dickinson County. Be sure to register by Monday, July 17 by contacting the Spirit Lake Public Library at 712-336-2667 or by email: *admin@spiritlake.lib.ia.us*

4th of July Safety Tips

The much-anticipated 4th of July fireworks display will take place on Tuesday, July 4, at 10:07pm, over West Lake Okoboji. Below are tips to keep everyone safe while enjoying the holiday here in the Iowa Great Lakes Area:

- Keep your radios tuned to KUOO Campus Radio 103.9 FM for up-to-the-minute weather and show updates
- Sign up for DickinsonAlert – Text the word DICKINSON to 69310 or sign up online at *www.dcem.us*.
- Please keep boats and personal watercraft at least 700-feet from the fireworks barge to protect not only you, but also the firework techs and safety boats making this show possible. Please maintain that 700-foot radius around the barge as it departs the water.
- Get off of the water during the threat of severe weather, such as the lightning during past years' displays
- Designate someone to be a sober operator on your boat
- Be a courteous and patient boat operator
- Follow speed and distance regulations
- Make sure that your boat's lights are functioning
- Be aware of landmarks and which lake you are on should problems arise where you need to call for help

While enjoying the display off of the water, please keep your pets at home. More pets go missing on July 4th than any other day of the year. Should your pet go astray or you find a lost animal, please contact the Humane Society of NW Iowa at 712-338-2738 or call the non-emergency line for local law enforcement at 712-336-2525.

Many of us will be enjoying the fantastic lineup of performers on Preservation Plaza throughout the weekend in Arnolds Park — including Kory & The Fireflies on the 4th. Absolutely no fireworks, this includes sparklers, will be permitted in the amusement park complex. Crowds in and around the amusement park are dense, so please keep a close eye on your children at all times.

Abide by the law to keep yourself and those surrounding you safe. Keep an eye on friends and family members, and exercise common sense to keep everyone safe this busy holiday in the Iowa Great Lakes.
