Bernard Blues and BBQ Festival Set for September 9-10

BERNARD BLUES AND BBQ

ARTS • CRAFTS • MUSIC
CULLMAN, AL

SATURDAY AND SUNDAY
SEPTEMBER 9TH TO SEPTEMBER 10TH
9AM TO 5PM

STBERNARDPREP.COM BERNARD BLUES AND BBQ

Bernard Prep School is adding the BERNARD BLUES AND BBQ FESTIVAL to the Cullman Calendar of Events for 2017. This arts, crafts, and music festival will be held on Saturday and Sunday, September 9-10, 2017 on the beautiful campus of St. Bernard Abbey and Prep School.

Due to the popularity of the School's Spring Bloomin' Festival, many artisans and patrons have expressed a strong interest in a fall festival. "We have received numerous request for the school to host a fall festival, so we felt it appropriate to wrap up the 125th Anniversary celebration at St. Bernard with the Bernard Blues and BBQ Festival," President Fr. Joel Martin said.

Festival Director, Joyce Nix, who has directed thirty-three festivals at the school, says artisans are registering now to participate in the busy weekend. "Whether one is shopping for seasonal decorations such as Halloween, Thanksgiving or Christmas, something unique will certainly be available at Bernard Blues and BBQ," she said.

Handmade quilts, brooms, pottery, jewelry, children's clothing, doll clothes, ragdolls, pillows, Christmas ornaments, driftwood creations, birdhouses, ceramics, flowering plants, fiber art, honey, handmade soaps, hand painted door hangers, photography, oil paintings, wooden music boxes, ladies clothing, woodcarvings, handwoven baskets, yard art - these are just a small sampling of what patrons can expect.

Everyone is invited to attend and support the handmade works of the artisans while enjoying a variety of music. Get ready to tap your toes while enjoying live entertainment throughout the weekend. Visitors can expect to hear live blues music provided by Microwave Dave and the Nukes of Huntsville, Dixieland Jazz from Sweet Licks Dixieland Band of Birmingham, bluegrass and sacred music from Chimney Branch of Addison, and Americana Blues by Coco O'Connor and the Redeemers of Nashville, TN, and others.

The hickory smoked aroma of Barbeque ribs, pulled pork, hamburgers and hotdogs will fill the need to satisfy the palate. Pair that with ice cold tea, Pepsi or freshly squeezed lemonade, and top it off with St. Bernard's famous strawberry waffles, funnel cakes, fried spiral potatoes, caramel apples, kettle corn, monks bread and more.

A hands-on art and craft center for children is available in addition to other fun games and activities at the festival.

Bernard Blues and BBQ promises to have something for the entire family! Mark your calendars -- September 9-10, from 9 a.m. to 5 p.m. each day! An admission donation of \$5 per person is requested.

Anyone wishing to participate should contact the school at (256)739-6682 to request a booth application for original handmade items only. This is a juried show and all work must be preapproved.

All proceeds from the event benefit St. Bernard Prep School in Cullman. Operated by the Benedictine monks at St. Bernard Abbey, St. Bernard Prep is a college prep boarding and day school for grades 7-12.

A new study published in JAMA Neurology has found that men and women who took statins two years or more has a lowered risk of Alzheimer's disease. Simvastatin was linked to a reduced risk of Alzheimer's for white women, Hispanic women and black women, as well as for white men and Hispanic men. Atrovastatin was associated with a reduced risk of Alzheimer's for white women, Hispanic women, black women and Hispanic men. Pravastatin and rosuvastatin results showed a statistically significant reduction of Alzheimer's risk for only white women.

Antipsychotic drug use is associated with a 60 percent increased risk of mortality among persons with Alzheimer's disease, shows a recent study published in the Journal of Alzheimer's Disease. The risk was highest at the beginning of drug use and remained increased in long-term use. Use of two or more antipsychotic drugs concomitantly was associated with almost two times higher risk of mortality than monotherapy. Haloperidol was associated with highest risk of mortality, and the use of higher doses of haloperidol and risperidone were associated with an increased risk of mortality compared with low-dose risperidone use.

A new study published in the journal JAMA Oncology discovered that proton pump inhibitors (PPIs), which are very common medications for heartburn and gastrointestinal bleeding, decrease effects of capecitabine, a type of chemotherapy usually prescribed to gastric cancer patients, as well as early-stage colorectal cancer patients. PPIs are very popular for their efficacy and many of them are over-the-counter drugs (some common brands are Nexium, Prevacid and Protonix).

Questions You Might Ask When Considering Cremation:

- Where will my loved one be taken to be cremated?
- Are the operators licensed funeral directors and certified to conduct cremations?
- Can I inspect the crematory?
- Can I be present during the cremation procedure?
- What steps are taken to insure I receive my loved one's remains?
- What are my options for my loved one's final resting place?
- What if all my family members aren't in agreement with my wishes to be cremated?
- Can I have a funeral service/visitation before cremation?

The Flexsteel Difference
You'll find our namesake Blue Steel Spring at the core of our upholstered seating. Unlike eight-way hand-tied springs, it never needs retying or replacing to keep you from getting that sinking feeling in your seat.
Our design and construction go hand in hand to create comfortable, long-lasting furniture with durable wood frames and exceptionally soft seat cushions.

Thanks for the opportunity to use The Holy Bible and history to reveal publicly the difference between The Biblical unchangeable Christ (Heb 13:8) and the church's changed Christ (Dan 7:25)! Now, it is time for a recess. If it be The Holy Father Elohim's will, may peace be with you. So long for now. So Be It!
