Our families would like to thank everyone for their show of support following the passing of James John Donegan of Mount Morris. Though this was admittedly a difficult time for our families, our community made it easier to bear by sharing their stories of "Jimmy" as well as their prayers. To everyone who stopped by Mary Ann's house or Martin's Funeral Home with food, flowers, and their condolences, please know that we are eternally grateful. A special thank you to all of you that made donations to Saint Patrick's Cemetery on behalf of "Jimmy."

With Gratitude,

SPEAK OUT

Dear "Speak Out,"

While reading Reverend Vogel's entry in the July 2nd "Speak Out" I was very pleased at the recognition that he was expressing regarding our American forefathers and the roles they played in our history, as well as the burdens they faced.

However, after reading further, my pleasure soon changed to disappointment. Reverend Vogel made it a point for us to remember the importance of the men and others that fought in the American Revolution, the Civil War, the Alamo, World War One, World War Two, the Korean Conflict and the Near East. However, no mention of the Far East. Once again the Vietnam Veteran is excluded from any recognition due to them. The 58,220 KIA's and the 1,260 MIA's from this conflict would be rolling over in their graves if they knew of the disrespect the Vietnam Veteran is still facing some 40 plus years after the end of this conflict.

Wisdom Teeth

Wisdom teeth are always the last teeth to typically erupt in the mouth. Although your teen's mouth may seem big enough to accommodate them, most often it is not. As soon as it is clear that the wisdom teeth, technically known as third molars, will not grow in normally, they should be removed. Early removal of the wisdom teeth lessens the risk that your teen will experience impacted or partial eruption, and the complications that often result.
