INSIDE THE MODERN MAN CAVE

Modern man caves today are more of a sanctuary than a cave from years ago.

Plan the space around the interests and hobbies of the person who is going to be using it. Any room can be transformed into this amazing fun hobby room. Get creative, make it fun. These are no longer a room for just storage of old furniture items and left over junk. These caves are now being used for entertainment rooms for everyone.

Smart technology is also becoming part of these rooms with automatic lights and sound systems. Don't forget when you are creating your cave to have electricity for the refrigerator, microwave and run the cable for your entertainment devices.

These modern caves now are used by everyone. No more just for the man, but a room to have a great time in entertaining.

Terms & Conditions

As you know, your Oneida Daily Dispatch subscription is a continuous one, which means it automatically renews at the end of the SUBSCRIPTION TERM. The SUBSCRIPTION TERM is the billing interval that you selected as the initiation of the subscription. You may cancel or modify your subscription at any time by calling customer care. Furthermore, all home delivery subscriptions will include the Thanksgiving edition, which will be charged an additional \$3.00. In addition, all home delivery subscriptions will include no more than three (3) other Special Editions annually, which will be charged to the subscriber's account at \$1.50 each. If you do not want to receive these Special Editions, you may call customer care to opt out. If you do not opt out, your SUBSCRIPTION TERM will be shortened. Subscription credit will no longer be available during vacation periods. Subscribers going on vacation who want to stop delivery should call Customer Service at 1-888-699-2199 to request a vacation stop with delivery resuming upon the date you select for a return of service. Subscribers can continue to enjoy their newspaper upon return of service if a vacation pack (up to 2 weeks) is requested. Customer can also continue to donate their subscription value to our Newspaper In Education (NIE) program. You may cancel at any time by calling Customer Service. When you cancel, you cancel only future charges associated with your subscription. Such cancellation becomes effective at the end of your current billing period. You will not receive a refund for the current billing cycle. You will continue to have the same access and benefits of your product for the remainder of the current billing period. We reserve the right to issue refunds or credits at our sole discretion. If

we issue a refund or credit, we are under no obligation to issue the same or similar refund in the future. The Publisher reserves the right to change subscription rates during the term of any subscription. Rate changes may be implemented by shortening the duration of the subscription term. By agreeing to the Easy Pay option and signing the enrollment form, I authorize the Oneida Daily Dispatch to automatically charge my credit/debit card for my continuous subscription (and renewals thereof) at the listed monthly payment amount. I understand that the length of the SUBSCRIPTION TERM may vary because of the inclusion of special editions during the term. This authorization may be revoked by me at any time by calling customer service at 1-888-699-2199. This authority remains in effect until canceled by me. I will be notified no less than 10 days in advance of any price increase or any variation from the amount associated with my SUBSCRIPTION TERM. Revocation of this authorization does not cancel my subscription and I must pay for it by other means. I agree to all Terms and Conditions of this notice. While most subscriber issues are corrected quickly with a simple call to subscriber services, there are occasions where disputes are not immediately resolved. To remedy this, we have joined cable companies, cellular providers and others in instituting an arbitration program. This simply means that if a consumer files a claim, arbitration allows a prompt resolution to the dispute without requiring either party to invest the time and expense of a lawsuit in court. As a subscriber, participation in the arbitration program is automatic. Details of this program can be found on <http://local.digitalfirstmedia.com/common/dtm/arbitration.pdf>. If you have questions regarding these policies, please call subscriber services.
