Nunda Community Benefit Fund

We would like to thank everyone who supported our mission by stopping by our booth at Nunda Fundays again this year! We would also like to thank those of you who donated baskets and items for our Chinese raffle or items for the bigger raffle! There are too many of you to mention, but we appreciate you very much!

Who We Are

We were established in 2013, beginning as a fundraiser for a dear friend undergoing treatment for cancer. We then decided to go forward and develop a fund to help anyone in need who resides in the Keshequa Central School District.

What We Do

We will do one or more fundraisers throughout the year to build the community fund, and we will disperse the funds based on the need and availability of such funds. We are not only here in times of sickness.

We can help with many types of financial burdens.

To all my wonderful customers:
Please allow me to clarify the rumors regarding the sale of my company and my retirement. Neither are true! I do intend to transfer my business by January 2019, but will continue to have an active role in its production and function. I am proud of the 37 years of service that I have offered the region and plan on many more years of being the **"BUG LADY."**

What You Need To Know About Heat Safety

The summer months are upon us and the warm weather can take a toll on our bodies. Everyone is at risk for heat-related illnesses when temperatures rise above 90 degrees. The elderly and the very young are more likely to be affected by the heat. Heat-related illnesses can be very serious and even result in death. Muscle cramping is usually the first sign of heat-related illnesses (heat exhaustion or heat stroke). Symptoms of heat exhaustion include nausea, vomiting, cold/pale/clammy skin, heavy sweating, fast and weak pulse and weakness or fainting.

Victims of this illness should be moved to a cool place, be cooled using any method available such as ice packs, cool wet cloths or by applying water to the body, and sip on water.

If a victim is continuously vomiting or loses consciousness, call 9-1-1 or your local emergency number immediately. Symptoms of heat stroke include hot body temperature, hot/red/dry/moist skin, rapid and strong pulse and possible unconsciousness. Victims of this illness should be treated in the same ways as those with heat exhaustion but do not give fluids. Also, 9-1-1 should be immediately called, as heat stroke is a medical emergency.

Tips to beat the heat and stay safe during the summer months include:

- Dress for the heat. Wear lightweight, light-colored clothing. It is also a good idea to wear hats or to use an umbrella. It's also important to wear sunscreen to prevent sunburn and to protect against skin cancer.
- Drink water. Carry water with you and drink it continuously even if you do not feel thirsty. Avoid alcohol and caffeine, which dehydrate the body.
- Eat small meals and eat more often.
- Slow down. Avoid strenuous activity. If you must do strenuous activity, do it during the coolest part of the day, which is usually in the morning between 4 a.m. and 7 a.m. If you must be outdoors, try to limit your outdoor activity to morning and evening hours. Try to rest often in shady areas so that your body's thermostat will have a chance to recover.
- Stay indoors when possible. If air conditioning is not available, stay on the lowest floor out of the sunshine.
- Stay informed. Check the local news for extreme heat alerts and safety tips. Learn the symptoms of heat illness and check on those who are most at risk.

For more information on heat safety, please call the Livingston County Department of Health at (585) 243-7299 or visit www.livingstoncounty.us/doh.htm.

CLIP & SAVE BOX TOPS

Box Tops for Education can be found on many of the products we all use everyday.

General Mills provides us with 10¢ for each Box Top.

The MMPTSA returns the funds to each classroom.

Students help earn \$2000 for teachers to spend in the classroom each year. The MMPTSA also provides prizes throughout the year to classes bringing in the most Box Tops.

Please leave your Box Tops in the Main Office at MMCS or call Pam at (585) 704-4513 for pickup.

The recent election has caused many reactions. Some people may feel satisfied, even excited, while others may be filled with shock, uncertainty and fear. Many questions remain.

One certainty is that RESTORE Sexual Assault Services will continue to offer services for all who are impacted by sexual violence throughout Monroe, Livingston, Genesee, Orleans and Wyoming county. Domestic violence services are also offered in Wyoming county.

A proud program of Planned Parenthood of Central and Western New York, RESTORE is an example of the graceful strength that comes with a long-enduring struggle.

RESTORE has been in existence for nearly 50 years. This year, Planned Parenthood celebrated 100 years of care. Our nation's history shows us that with support, care and encouragement, we will endure. These doors stay open, no matter what.

There is great energy to join the movement and support social justice causes. Volunteers are needed now more than ever.

RESTORE would not be able to maintain the vital 24-hour availability of services without the dedication of committed volunteers. There is an urgent need in Monroe, Genesee, Livingston, Orleans and Wyoming counties.

Those interested in volunteering for RESTORE must be at least 20 years of age and be comfortable working with victims in a crisis situation. RESTORE is seeking volunteers who can take phone calls from their home, as well as volunteers who are able to accompany victims to the hospital or police station, which will require access to transportation. The time commitment is flexible, and at the volunteer's discretion. All applicants will be screened and must complete 32 hours of training before taking calls.

For more information about volunteering with RESTORE, email volunteer@ppcwny.org or call (585) 658-2370.

#####

RESTORE, a program of Planned Parenthood of Central and Western New York, leads the community response to sexual violence through advocacy and education by providing the safety, support and validation that changes the lives of all those affected by sexual assault.

Trained counselors are available 24-hours a day, seven days a week to provide information and support, enabling clients to make informed choices concerning medical, legal and counseling needs, while offering advocacy and information about their rights. Counselors also offer short-term counseling sessions and legal and medical accompaniment. Services are free and confidential.
