Anniversary Announcement

Dwayne and Connie Sidles, of Terril, are celebrating 50 years of marriage! They fell in love while Connie was becoming a nurse and Dwayne was working with his family's house moving business and serving in the National Guard. They were wed in the Lutheran Church at Terril on August 6, 1967, but ended up members of the Methodist Church where they remain active. They have shared many joys in their time together. They became parents to Natalie and Nathan, in-laws to Craig and Marisa, and grandparents to Brooke and Courtney. They purchased a house and farm together in Terril and have enjoyed raising all sorts of animals, from traditional farm stock like cattle, hogs, chickens, dogs and cats to novelties such as bison, fox, and Canadian geese. As job and family responsibilities have slowed, they have become travelers, enjoying visits to family in Arizona and North Carolina and even heading offshore to the Bahamas.

Please join their family in congratulating them on 50 years together and wishing them many more joyful years of marriage! Greetings may be sent to them at 2343 340th Street, Terril, Iowa 51364.

Obituaries

Zilace E. "Lacie" (Jacobsen) Thrall, 64, of Mesa, Arizona, passed peacefully on May 11, 2017, into the loving arms of Almighty God and into the warm embrace of her earthly family now in heaven. Lacie valiantly and courageously fought a series of cancers for thirteen years with grace and dignity.

Born August 19, 1952, in Spirit Lake, Iowa, she was the beloved daughter of Leonard G. (Butch) Jacobsen and Eileen (Barney) Sears. She is survived by her loving and devoted husband, Colonel (Retired) Terry Thrall and her four precious "fur" children: "Gracie", "Zeke", "Hershey" and "Sam, I Am." She was preceded in death by her parents, stepmother Norma and beloved brother Marc. Lacie graduated from the University of Minnesota at Mankato and began a lengthy career in the food service industry as an Inspector for the Iowa State Department of Inspections and Appeals. She was a Certified Food Safety Professional and retired as the Director of Food Safety Management Services for Foodhandler, Inc., a supplier of food safety barrier products to the food service industry. Lacie had a nation-wide reputation and was called upon frequently by food safety professionals in both the private and government sectors. In retirement, Lacie pursued a long-time goal of competing in dog shows and was successful in showing her Bedlington Terrier "Hershey" to a "Champion" designation by the American Kennel Club. She was an expert trainer and groomer, and was highly regarded by the entire Bedlington Terrier owner/trainer/handler community. She was especially interested in the rescue and re-homing of Bedlington Terriers. She and Terry drove countless miles to retrieve and deliver rescued dogs. Memorials may be sent to the Bedlington Terrier Club of America Health, Education and Rescue Trust (BTCA-HEART), c/o Lisa Clarkson, 2 North Canton Road, West Simsbury, CT 06092. Memorial services will be held in Arnolds Park, Iowa, on August 19, 2017, and in Mesa in December 2017.

PIONEER PARK NATURE PRESERVE GRAND OPENING – Along with their granddaughter Carlie (center), Linda and Mike Knudtson listen to Lee Sorenson, executive director of Dickinson County Conservation, during last Tuesday's grand opening of the Pioneer Park Nature Preserve south of Milford. The preserve is located south of the Polaris plant on Highway 71, on a 35-acre parcel the Knudtson's sold to the Iowa Natural Heritage Foundation in 2013.

First Ever Boji Brew Fest July 29

The Iowa Great Lakes Rotary Club and Spirit Lake's PEO Chapter PA are partnering in a first time ever event in Arnolds Park this summer.

Twenty breweries from around the region, including our two local breweries - Okoboji Brewing Company and West O Beer, will participate in a craft beer festival to be held at the new Arnolds Park Central Park shelter house located just south of Yesterday's Restaurant and Arnold's Perk Coffee Shop. The event will take place on Saturday afternoon, July 29, starting at 12:00 noon for VIP ticket holders and 1:00pm for General Admission ticket holders. The craft beer tasting event will run until 4:00pm.

The event will be secured and monitored as a ticket holder must be 21 to enter. Proceeds from the event will go toward renovations and improvements at Shelby's Playground at Elinor Bedell State Park on East Lake Okoboji. The project is being spearheaded by the Iowa Great Lakes Rotary Club and the Spirit Lake PEO Chapter PA, who annually plant flowers, pull weeds, prune shrubs and provide general maintenance of the playground.

Tickets are \$45 for VIP and \$30 for general admission and can be purchased online at www.bojibrewfest.com.

The Joy of Life Foundation Debut Event

The Joy of Life Foundation, created by The Walz Family of Spirit Lake, will be hosting their debut event at The Boji Bay concert stage on Sunday, August 6, from 4:00 to 8:00pm. The event will be in honor of their mother and wife who passed away due to Melanoma Skin Cancer a little over two years ago. Two local favorites, Lake Patrol and Rock A La Carte will be performing, along with Element Variety Band out of Omaha, for an enjoyable family fun night. Concessions will be available at the event, as well as many valued items in a silent auction. A freewill donation at the door will see proceeds going to The Melanoma Research Foundation in hopes that some day, sooner than later, a cure can be found for this awful disease. The mission with this foundation is to provide education and spread awareness about the terrible disease of Melanoma.

Although the hope is to reach millions of people, if our family has an impact on just one person then the mission was a successful one. If you are unable to be at the event, but would like to make a donation, you can contact Morgan at morgan.walz@jacks.sdstate.edu or by phone at 712-330-0695. The Joy of Life Foundation has a Facebook page to stay updated on the cool stuff we have going on as well.

We thank you from the bottom of our hearts for helping us help others. Don't forget to join us, August 6th from 4:00 to 8:00pm, at the Boji Bay stage to make a difference. - Walz Family

OST Presents *Sylvia*

The Okoboji Summer Theatre continues its 60th anniversary season with its eighth production of the summer: *Sylvia* by A.R. Gurney. The production runs from Tuesday, August 1, through Sunday, August 6, and is generously sponsored by Andrea Waitt Carlton Family Foundation and Rosemary Sackett & Family.

This modern romantic comedy is a true battle of the sexes as a man is forced to choose between man's best friend (his dog) and his wife. It was called "one of the most involving, beautiful, funny, touching and profound plays I've ever seen." (*New York Daily News*)

Sylvia runs Tuesday-Sunday, August 1-August 6. Curtain times are Tuesday through Saturday at 8:00pm; Saturday matinee at 4:30pm, Sunday evening at 6:00pm. Tickets are \$18 and may be purchased at the OST box office at 2001 Highway 71 North, by calling 712-332-7773, or by email at: boxoffice@okobojisummertheatre.org.

Boulders Inn & Suites Continues Expanding in 2017

It was a cool Tuesday morning in April, as members of the Oelwein Hotel Group, along with developers and members of Boulders Inn & Suites, broke ground at the site of Oelwein's newest hotel: a 32-room Boulders Inn & Suites.

"For Boulders, this location will definitely be one-of-a-kind," said Tim Stuart, founder of Boulders Inn & Suites. "We're looking to set a new benchmark for the look and feel of our hotels," says Stuart. "This hotel will have a unique personality that sets it apart from all the other locations."

The new Boulders Inn & Suites Oelwein is expected to open in the winter of 2017. This will be the 13th Boulders Inn & Suites location in Iowa.

2017 has been a busy year for Boulders. In March, the Iowa-based company opened their 12th hotel in Maryville, Missouri. In early July, their Fort Madison location debuted a new expansion which included 38 additional rooms, an event center, and a patio area. There is also talk of developing two additional Boulders locations to serve central and southwest Iowa.

"The future is bright for Boulders Inn & Suites, and we will continue to make our presence known across the Midwest," said Stuart.

To learn more about Boulders Inn & Suites, visit their official website at www.BouldersInnAndSuites.com or follow the company on Facebook.

LETTERS TO THE EDITOR

The publisher does not necessarily share the views/opinions stated in the "Letters to the Editor" published in The Lakes News Shopper.

To the Editor:

Wake Up and Hear the Truth
Most of the LNS pro-Trump Letters to the Editor have been written by one or two people, who will probably call me a complaining liberal. I am a complaining independent.

P.P. (Phil Petersen) thinks it is refreshing to have a President who says what he means, and means what he says. Horse muffs. From Russian Collusion, campaign promises, the Mexican Wall and healthcare, this President has changed his answers to the same questions so many times his tongue has whiplash. The sad part is he believes all his answers.

P.P. then goes on to praise Trump for his presidential achievements. Everything he's done has been by executive order, except the passage of a Supreme Court justice. And even that took the senate changing their own rules for a lower vote count. All this under complete republican contest. The reason Trump's cabinet won't lobby for 5 years? They won't have to. Instead of "draining the swamp," as promised, he just appointed the richest reptiles in U.S. history to guard their swamp. Most of these reptiles made so much money raping and plundering Wall Street, during the Bush years, they can afford to wait for 5 years. As far as popular government regulations, ask the folks in Flint, Michigan, how happy they are that Trump is cancelling water quality regulations that would give millions of Americans clean water?

P.P. also wonders why the national news media are out east, with few conservatives. Simple - that's where the people are. CNN is based in Atlanta, Georgia. Did Georgia vote Democratic in 2016? I doubt if Petersen has ever watched anything but FOX, but CNN has a large percentage of their anchors being republican. FOX and CNN thought about broadcasting from Langdon, Iowa, once, just to get the conservative vote. But they were afraid they might lose their eastern voters. While Trump gets his criticism from news media, he gets his news from the National Enquirer. At least he doesn't get fake news that way. For the last 20 years, FOX news has created an environment for just such a President as this. The FCC ruled FOX doesn't have to tell the truth, and since Donny doesn't know what the truth is, they get along quite well.

P.P. wonders why the Democrats lost in 2016. Hillary has forgotten more about being a president than Mr. Trump will ever know, but she is a poor candidate. Another reason could be the republican gerrymandering to ensure future victories. After 8 years of one party, the country usually is ready to change direction. Even so, had Clinton gotten a percentage of Bernie's backers, there would be a different person in the White House. One thing is certain. The left will have a candidate in 2020, and if Trump is still in office, then he will be a better liar than he is today.

During his campaign, Trump said the U.S.A. would be so tired of winning, because we would win all the time. At everything. It would be huge!

Are we there yet?

Farmers Market News

Located at Dickinson Co. Fairgrounds
15th Street & Peoria Avenue, Spirit Lake, IA 51360

As gardeners, we all fight insect pests in our garden. But some insects are beneficial, such as bees or butterflies. There are plants you can grow that will attract these insects. Some plants are flowers, like bee balm, some are herbs, such as dill, and some are considered weeds, like milkweed. Learn more about butterflies and how to attract and sustain them at Lakes Area Farmers Market on Wednesday, July 26. Charles Vigdal from the Nature Center will be talking about butterflies around 10:00am.

This week's featured produce vendors also drive some distance to get to the market. Brian Quiring comes from Wilder, Minnesota, where he grows a large assortment of vegetables. Right now he has summer squash, potatoes, onions, cucumbers and more. Later he will have melons, squash, pumpkins and sweet potatoes. You can also find Brian at his natural food store, Wilder Thymes, in downtown Spirit Lake.

Robert Keller comes from the May City area. He is well known for his radish varieties but also has plentiful green beans, and zucchini, and will soon have tomatoes and watermelons. He will be cooking up samples of some of his vegetables this Saturday. Robert is also a storm chaser and can tell you tales about the storms he has seen.

If you enjoy good food and good conversation, nature and butterflies, the Farmers Market is the place to be. Join us on the fair grounds in Spirit Lake on Wednesday and Saturday, 7:30am to 12:00 noon. We hope to see you there.

Eddie Quinn, Spencer, Iowa • 1950s

Stepping Back in Time by Jerry and Irene Clark of the Clark Museum of Okoboji area and Iowa history - Milford, Iowa.

Here is a nice photo of a popular clothing store, Eddie Quinn, in Spencer, Iowa. Like all towns, time makes for many changes in Spencer. I used to enjoy going to Miller's Hamburger Cafe, also in Spencer. The building was small, so there were times you had to wait your turn. A Miller hamburger, beans and pie was worth the trip and time. The Clark Museum has many photos with stories and business advertisements of Spencer and Clay County. Many towns in Iowa have lost their businesses, churches and schools. A visit to the museum will bring back memories of their busy days. Visitors can sit and view photos of towns from all 99 counties along with thousands of advertisements. Bring some friends and view all the original items from the old Arnolds Park. You will be amazed at the collection. The air conditioned museum is located one mile west and a half mile north of the Milford Catholic church. For more information, call 712-338-2147 or email ijclark1@msn.com. The Clark Museum is a 501 (c) 3 Non-Profit.

LETTERS TO THE EDITOR

The publisher does not necessarily share the views/opinions stated in the "Letters to the Editor" published in The Lakes News Shopper.

To the Editor:

As I write this, Donald Trump has been informed that FBI Special Investigator Mueller has access to several years of Trump income tax reports. It is now reported that he is asking for legal counsel on the "pardoning" process for a president... This guy was elected - not by even close to a majority of voters but with the help of another country, Russia. I believe he is a pathological liar who believes in making himself greater than ever. I look forward to the truth coming out and wonder who will be left standing with him.

I also look forward to the insightful and intelligent letters from Robert Sneitzer (July 3)! Keep them coming! To readers who agree with letters from Peterson (July 11), Smith and Kersting (July 18) paper, I kindly suggest they expand their news sources to the Des Moines Register, PBS, or NPR - something in addition to Fox News.

'Make Your Own Emergency Grab and Go Case' Workshop

Iowa State University (ISU) Extension and Outreach is offering a free "Make your Own Emergency Grab and Go Case" workshop on Aug. 3 from 10:00 a.m. to 11:00 a.m. at the Calvary United Methodist Church located at 679 West Okoboji Grove Road in Arnolds Park.

Throughout the workshop, tips and information will be shared on how to make an individual or family's own 'grab-and-go' file case so that a person can quickly 'grab it and go' in a crisis situation.

"Have you ever wondered what you would do if you had to leave your home suddenly? What would you grab if you only had minutes to escape?" asked Jan Monahan, workshop presenter and human sciences specialist in family finance with ISU Extension and Outreach. "Devastating disasters like a flood or a tornado are a vivid reminder of life's uncertainty. I remember a few years ago when we had a storm that came through and took the roof off our condo. I grabbed my file and went to the basement."

Monahan recommends taking time now to plan ahead and safeguard an individual or family's investments by attending this workshop.

"If we fail to plan, we plan to fail," Monahan said. "Take steps now to protect yourself."

The 'Make Your Own Emergency Grab and Go Case' workshop is free to all participants thanks to the sponsorship of the Dickinson County Extension Council.

Pre-registrations are requested to plan adequately for materials and refreshments. Pre-register to the ISU Extension and Outreach - Dickinson County office at 712-336-3488 or jnepp1@iastate.edu.

Diabetic Support Group Meeting

The Spirit Lake Area Diabetic Support Group will meet Monday, August 7, 2017, at 7:00pm at Lakes Regional Healthcare, Spirit Lake.

"How to Slow and Avoid Diabetic Retinopathy" for Type 1 and Type 2 diabetics will be the topic for learning and discussion by Diabetic Support Group facilitator, Marcia Young. People with diabetes hold the greatest power in keeping their eyes healthy according to the research reported in Diabetes Forecast Magazine.

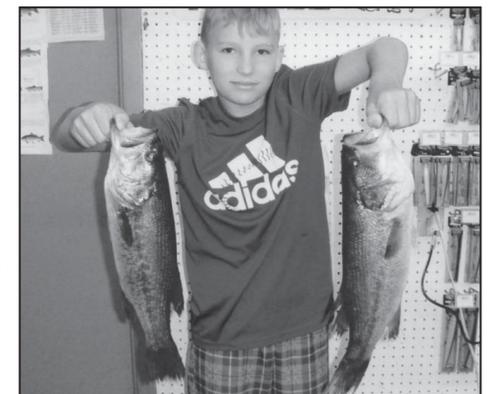

Diabetes is a chronic but controllable disease with education being an important tool in management of the disease. Knowledge is power for motivation in steps taken to a healthier attitude and care of the body. With the power of knowledge, diabetes care can be focused on inspiring, encouraging, and making life better while "taking over the management of the pancreas."

The local diabetic support group meeting, led by local patient facilitator, Marcia Young, is open to anyone dealing with diabetes, spouse, family members, or friend.

The presentation will be held Monday, August 7, 2017, at 7:00pm, in the Big Spirit Room at Lakes Regional Healthcare's Education Center, on the hospital's lower level. Admission is free.

St Alban's Service Aboard the Queen II

St Alban's Episcopal Church, at 23rd and Zenith in Spirit Lake, will be quiet again on Sunday, July 30, 2017. Instead the church will hold its annual Holy Eucharist service aboard the Queen II on West Lake Okoboji. The service will be led by St. Alban's new priest in charge, Father Tom Early.

The Queen II will leave Arnolds Park promptly at 9:00am and transportation from the parking lot to the boat (and back again) will be provided. There will be coffee and donuts on board, following the service.

For those who can't sail on the Queen II, there will be Holy Eucharist at 5:00pm, on Saturday evening, July 29, at the church.

Tickets are only \$6 and can be purchased from John Barrow (612-845-6963), the church office (712-336-1117) or, on Sunday, at the Queen II itself. All are welcome to join us for worship and fellowship.

For more information, please contact the church at 712-336-1117, or email: stalbanchurch@qwestoffice.net. You can also check the church's website at www.stalbanepiscopalchurch.org or Facebook page at www.facebook.com/stalbanspiritlake.

Good Luck in Chicago!

The Miss Amazing Pageant is a non-profit organization aimed towards raising self-confidence in girls/women with disabilities. There were six 2017 state queens selected at the Miss Amazing Pageant in Council Bluffs on February 17-18. Lynn Murphy, right, of Spirit Lake, was awarded the title of Sr. Miss Amazing Iowa Queen. This gives her the opportunity to go to nationals and to represent the state of Iowa in Chicago, Illinois, during the first week of August 2017. Lynn is the daughter of Gerald and Lori Murphy, of Lake Park, and she works at Echo Plus and the Calvary United Methodist Church in Arnold Park. Megan Vierkant, left, was crowned Iowa Miss Amazing Teen Queen. This honor now advances her to compete in the Miss Amazing National Competition in Chicago the first week of August. Megan graduated from Spirit Lake High School in 2016 and currently works at Echo Plus and Little Hands Daycare. Megan is the daughter of Jeff and Nancy Vierkant of Spirit Lake. To support Megan's trip to the National Pageant please visit online www.donate.missamazing.org/meganvierkant or contact Nancy at 712-330-4266 to make a tax deductible contribution.

Plein Air Painting and Landscape Photography Exhibits at the Pearson Lakes Art Center

Two upcoming exhibitions at the Pearson Lakes Art Center are seeking artwork for a common subject matter: The Northwest Iowa Landscape.

Set up your easel - or your camera - to capture your perspective on the beauty of Northwest Iowa. Then, submit your artwork for exhibition at the Pearson Lakes Art Center.

The Plein Air Painting Exhibition, a bi-annual favorite at the center, invites painters to work outdoors in the Iowa Great Lakes Region and surrounding communities. This event is for all artists who paint using the plein air technique (all art created in the field, no studio work allowed) in oil, watercolor, acrylic, gouache, and pastel. Artists will have their canvas or papers stamped and authenticated prior to painting beginning August 11th and ending August 16th, during art center hours. Finished works must be delivered to the center, ready for gallery presentation, by noon on Wednesday, August 16. The work will then be judged - and awards given - at the opening reception held Thursday, August 17, 5:00 - 7:00pm.

The Pearson Lakes Art Center's Landscape Photography Exhibition encourages photographers of all skill levels to exhibit their photography work featuring the landscape, with an emphasis on Iowa and the Iowa Great Lakes region. This exhibit will be held alongside our Plein Air exhibit, August 17 - September 16. Each artist may submit up to three photos, to be delivered to the center by August 13, during business hours, and the work must be ready for professional gallery presentation (framed, canvas wrapped, etc.). Artists are encouraged to attend the opening reception for this exhibit to be held Thursday, August 17, from 5:00 - 7:00pm.

There is a \$10 entry fee for each exhibit. For more information, email visual@lakesart.org to receive the complete information form or visit www.lakesart.org and click on our Call to Artists tab.

The Pearson Lakes Art Center has no admission charge. Summer hours: 10:00am - 4:00pm, Tuesday - Saturday; 10:00am - 9:00pm Thursday, 12:00 - 3:00pm Sundays.

Founded in 1965, the Pearson Lakes Art Center has focused on broadening horizons through the arts for more than 50 years. For more information or to become a member, please contact the Art Center at 712-332-7013, by email info@lakesart.org, or visit the website at www.lakesart.org.

Come Home and Enjoy Unique Entertainment at the 2017 Fair

This year's Clay County Fair, September 9-17, 2017, will feature two exciting shows, "Dis-Connected K9s" and "Wild about Monkeys."

Fairgoers will be in awe of the world champion dogs with their unique tricks and stories, as well as the movie-star monkeys and the educational experiences that come with them.

"One of our free entertainment goals is to provide unique experiences for our fairgoers," said CCF Manager Jeremy Parsons. "These two great acts are just a portion of the \$180,000 in free entertainment we will be offering at this year's Fair."

The Dis-Connected K9s has been entertaining audiences since trainer Lawrence Frederick discovered the disc dog world in 1989. The team, which has performed all over the world in many different events, consists of several dogs, many of which have champion titles to their name.

One unique factor of the Dis-Connected K9s is every dog on the team is a "rescue" dog, meaning they have come from either abandoned, homeless, sheltered, humane society, etc. backgrounds. Frederick hopes this shows audiences that any dog can become incredible if they are well cared for and shown the love and attention they deserve.

With over 25 years of experience in the animal business, Kevin Keith brings an exciting show to not only entertain, but to enrich audience members' knowledge about relationships and bonds that exist between animal and man. After a decade working at Marine World, Keith created his own company, Monkey Business Productions, and started the show "Wild about Monkeys" alongside Martina Tamelova-Keith. He and his animal family have accumulated an impressive list of credits that include titles from feature films, television, and commercials. In fact, Mickey, one of the stars of the show, starred next to Tom Cruise in the movie "Rock of Ages" as "Hey Man" back in 2012. Along with these features, "Wild about Monkeys" continues to rate among the highest live animal productions in the nation.

"Come Home" September 9-17, 2017, to Spencer, Iowa, for our Centennial Celebration! "The World's Greatest County Fair" since 1917, the Clay County Fair attracts more than 300,000 guests each September. "Come Home" for unique experiences including world-class Grandstand entertainment, award-winning fair food, daily livestock and horse shows, more than \$150,000 in free entertainment, thousands of competitive exhibits, the thrilling GoldStar Amusements Midway, hundreds of commercial vendors, and the largest farm machinery display at any fair in the United States. Visit claycountyfair.com to plan your visit.

Heart to Heart With Heritage Landing

If it's too hot, stay out of the kitchen!

The dog days of summer are upon us and there have been a few times that I have questioned "Could I fry an egg on that sidewalk?"

It may not be quite that hot but it is definitely the time of year that we need to protect ourselves from the Iowa, summer heat.

Did you know that people 65 and over are more prone to heat stress?

Seniors cannot adjust as well as young people to sudden changes in temperature. They are more likely to have a medical condition that changes how their body responds to the heat. They are also more likely to take a medication that can affect the body's ability to control its temperature or sweat.

To stay healthy in the summer heat it is important to:

Stay Cool - Stay in where there is air conditioning. If your home does not have air conditioning, contact your local public health department or seek out places to stay with air conditioning. A fan is likely not enough to keep you cool or safe in the heat.

Don't use your stove or oven to cook as it will make the house warmer. Make sure to get plenty of rest and it is best to stay away from doing any strenuous activities in the heat. A nice cool bath or shower is also a good way to help you cool down.

Stay Hydrated - Drink Plenty of Liquids.

Dehydration is often the cause of many heat related health problems. Drink plenty of water or juice, even if you're not thirsty and avoid alcoholic or caffeinated drinks, as they contribute to dehydration. If you are on a fluid restriction or you are on water pills, ask your doctor how much you should drink during hot weather.

In extreme heat check on a friend or neighbor and have someone do the same for you.

At Heritage Landing, our apartments are air conditioned and each tenant controls how warm or cool their apartment is. There is no need to heat up that kitchen as we have a noon meal that is served here daily. Pair that with a light breakfast and eating at one of the many local restaurants or enjoying a cold plate or salad for Dinner, you may not have to run your stove all summer! No need to exert yourself by mowing the grass in the heat - relax and let us take care of the maintenance.

Feel like some company? Need to have your hair done or maybe you could really use a massage but it's just too hot to go outside? All of our apartment entrances are indoors so it's only a matter of stepping out your door into an air conditioned hallway to our beauty shop, massage therapy room or to have lemonade in the dining room with a friend.

Maybe the greatest asset of living at Heritage Landing is the neighborhood atmosphere; neighbors always looking out for neighbors. Let us help you beat the summer heat! Schedule a tour today by calling 712-338-2909.

Sally's Quip of the Day: If you saw a heat wave, would you wave back?

Thelen to Hold Fishing Seminar at Okoboji Blue Water Festival

by Steve Weisman, Outdoor Editor

The Okoboji Blue Water Festival scheduled for August 11-12 at Preservation Plaza in Arnolds Park has something for everybody. According to organizer Greg Drees, fishermen will have a special seminar on Saturday, August 12 at 10:30 in the morning. "I am excited to announce that Jon Thelen, who has spent 15 years as a full time professional angler, fishing guide and educator, will be our fishing clinician. His topic will be 'Walleyes in the Weeds,' which is certainly appropriate for fishing walleyes on the Iowa Great Lakes in August!"

The hour-long seminar will take place under the big tent. Thelen says, "I am excited to be able to spend the day talking fishing in a great community on the shores of a world class fishery in Lake Okoboji."

In addition, Thelen will spend the rest of the day joining in the Okoboji Blue Water Festival. First, he will spend time with members of the Iowa Great Lakes Fishing Club in their tent and talk fishing with those who stop by during the day. Later in the afternoon, Thelen will also be part of the state panel discussing clean water, which is tremendously important to the future of the fishing industry. "Clean water is the key to so many of our weekend activities in the Midwest. Great fishing, watersports opportunities and thriving wildlife all depend on keeping our water systems naturally clean."

During his time as a professional angler, Thelen has made a name for himself on the tournament trail. During this time span, Thelen has competed on the Professional Walleye Trail, a circuit in which he reached several championships.

Thelen has 26 top ten finishes to his credit on various walleye circuits on waters ranging from Mille Lacs Lake in Minnesota, south to Bull Shoals Reservoir in Arkansas, east to Sault Saint Marie in Michigan and west to the Missouri River in North and South Dakota.

Throughout the years, he has also been a guest host on over 75 TV episodes and is currently the host of the popular Lindy's Fish Ed Television series, which can be seen 26 weeks per year throughout the Midwest on the Fox Sports networks. Additionally, Fish Ed Internet episodes can be seen on YouTube with 26 new and unique episodes posted each year.

Jon has been the source for over 100 magazine articles while also being featured on dozens of magazine covers. Whether Jon is in the boat on open water or drilling through the ice-covered lakes of the Midwest, he strives to teach the Midwestern angler both tactical and locational lessons aimed at helping those anglers catch more fish day in and day out, all year long.

Drees says, "I think Jon's seminar will be very informative for anglers wanting to know more about catching walleyes in the weeds this time of the year."

Photography Contest

A broken ice trail, a downy woodpecker poking its head out of a hole, a macro shot of tree bark --- these three photographs were the winners of the spring photography contest at the Dickinson County Nature Center.

"There is so much in nature to be in awe of, and photographers are all inspired by different subjects," said Kiley Roth, community relations coordinator. "We love going through all of the photo entries, because we see so many different compositions. The contests are usually close, because the staff members who vote all have their favorites and are also inspired by different subjects."

The Dickinson County Conservation Board wants all photographers to get outside and capture shots that make them stop and appreciate the beauty of nature. Then submit those photos for the next photography contest at the nature center, with a deadline of September 1.

Images must have been taken in the last year and should highlight the diversity of life on Earth, including wildlife in its natural habitat, plant life, weather, landscapes and seasons.

"In the last few photography contests, we have gotten requests from people to open up the parameters to beyond Dickinson County, so this fall nature photographs taken anywhere in the world are welcome," Roth said. "We certainly hope people will take advantage of beautiful places in the county like the John Wildlife Area or Westport Park, but we can't wait to see the other gorgeous places that people have also been inspired by."

Photographs are due by September 1 and will be classified into three age groups: 13 and younger, 14-18 or 19 and older. All submitted images will be on display at the nature center through March.

Winners in each age group will be notified via e-mail by September 15. Their images will be featured prominently in the photography display at the Dickinson County Nature Center, as the nature center's October Facebook cover photo and on the nature center's website. Winners will also receive a \$5 gift certificate to the Nature Store at the nature center.

How to enter: Photographers may enter up to three photos 1 to 15 MB in size to naturecenter@co.dickinson.ia.us labeled as `firstnamelastname_location`, for example `johnsmith_horseshoe-bend`. Photos should be jpeg, png or tiff files. In the body of the e-mail, include the photographer's name, location of the photo, approximate date taken, age of photographer, city of residence and a short photo caption.

All images should display content appropriate for all ages. Please do not include photographs of pets or domestic animals, human recreation, the willful harassment of wildlife, damage to the environment by the photographer, photos that put any individual or animal in danger or images that infringe on the rights of another photographer or person.

Photographers retain all rights to their images except for use by Dickinson County Conservation.

For more information, contact 712-336-6352, e-mail naturecenter@co.dickinson.ia.us, visit www.dickinsoncountynaturecenter.com or stop by the Dickinson County Nature Center, 2279 170th St. in Okoboji 10 a.m.-4 p.m. Tuesday-Saturday. Enroll in Agriculture Risk Coverage (ARC) and Price Loss Coverage (PLC)

U.S. Department of Agriculture (USDA) Iowa Farm Service Agency (FSA) Acting State Executive Director (SED) Bob Wegand reminds farmers and ranchers that they have until Aug. 1 to enroll in Agriculture Risk Coverage (ARC) and/or Price Loss Coverage (PLC) programs for the 2017 crop year. These programs trigger financial protections for participating agricultural producers when market forces cause substantial drops in crop prices or revenues.

"Producers have already elected ARC or PLC, but to receive program benefits they must enroll for the 2017 crop year by signing a contract before the August 1 deadline," said Wegand.

"Please contact your local FSA office to schedule an appointment if you have not yet enrolled."

Covered commodities under the programs include barley, canola, large and small chickpeas, corn, crambe, flaxseed, grain sorghum, lentils, mustard seed, oats, peanuts, dry peas, rapeseed, long grain rice, medium grain rice (which includes short grain and sweet rice), safflower seed, sesame, soybeans, sunflower seed and wheat.

For more program information, contact your local FSA office or visit www.fsa.usda.gov/arc-plc. To find your local FSA office, visit <http://offices.usda.gov>.

- Prevent or detect medical problems earlier
- Save you time and money
- Help you remain independent longer
- Help you have a better quality of life
- Update your health records

Annual Wellness Visits are available after you have been enrolled in Medicare for 12 months and are absolutely free for you, the patient - there are no co-pays or deductibles applied.

Schedule your visit by calling your healthcare provider's office now. Tell them you would like to schedule your **Medicare Annual Wellness Visit**. They will help you plan for the visit and may send you a form about your health to fill out and bring to your appointment.

LETTERS TO THE EDITOR

The publisher does not necessarily share the views/opinions stated in the "Letters to the Editor" published in The Lakes News Shopper.

To The Editor:

Is A Positive Outlook Justified?

The solitary writer of Anti-Trump Letters to The Editor in our community continues to be worried about our future. His negative view is probably shared by leftists on the East and West coast, mainly because President Trump was elected. Meanwhile, most of us in the Midwest - who voted for Trump - are enjoying our summer. More than 90 percent of the people who voted for President Trump say they would do it again. The movement to abolish the Electoral College has fizzled like a bad Fourth of July firecracker.

So how does one know if the country is headed in the right direction? The best barometer of how people feel about the country is the stock market. It is a matter of "putting your money where your mouth is". Your IRA, 401K, pension fund, etc. - that are invested in the stock market - are all doing quite well. The broad stock market is up 17 percent over its value on November 8, 2016. You may recall the predictions - just days before the election - that if Trump was elected the stock market would crash. Take a look at the stock market now that we have six months to evaluate President Trump's performance.

In the last anti-Trump Letter to the Editor it was stated that President Trump at the G20 conference accepted Vladimir Putin's word that Russia did not attempt to influence our election. That is an untrue statement. President Trump brought up the election issue several times, but when it became clear that Putin was not going to admit to any wrongdoing, President Trump decided to move on to other critical issues. That would include the defeat of ISIS, the war in Syria, and the North Korean nuclear threat. We could pester Russia for a long time to admit wrongdoing, but sometimes it is better to move on to other issues that could provide a greater benefit.

Some pessimists look at the world and see impending disaster. I have a more positive view in that I see a world that is far from perfect, but I believe the United States of America has - and will continue - to make our world a better place. The pessimist complains about the wind; the optimist expects it to change; the realist adjusts the sails. The good news is that we have three and one-half more years of President Trump.

Dickinson County Dean of the Fairs

Each year the Dickinson County Fair Board names a Dean of the Fair. This person must promote the true spirit of the Dickinson County Fair by touching the lives and warming the hearts of our youth. Pictured are Dean of the Fair Jeff Johnson, Dickinson County Fair Board President Dr. Jack Johnson, and Dean of the Fair Joyce Overocker. Johnson, most known as the "gate man" for the cattle show, has over 41 years of volunteer service while Overocker has over 55 years of service as a 4-H leader and in the static exhibit department. The awards were presented Sunday night, July 16, during the Fair Board BBQ dinner and dance. (Photo courtesy Susan Reiser)

Carstens Financial Group Announces Third-Annual Charity Pro-Am Golf Tournament

Local financial firm two-day charity golf tournament to benefit the Wounded Warrior Project

As an extension to THEIR commitment to service and placing the needs, goals and desires of others first, Carstens Financial Group is proud to announce the return of the third-annual Carstens Financial Group Charity Pro-Am.

This year's Pro-Am, benefiting the Wounded Warrior Project (WWP), will be held August 7 and 8, 2017, at Emerald Hills Golf Club in Arnolds Park. The Pro-Am will feature professional golfers from The Dakota Tour, a 19-event professional golf tour played in the Midwest states of Minnesota, Iowa, Nebraska, Wyoming and North and South Dakota. Players will be paired with up to 80 amateurs during the Pro-Am.

"Carstens Financial Group is committed to helping our clients, as well as residents in our surrounding communities, through any circumstances that come their way, both financially and personally," said Kirt Carstens, president of Carstens Financial Group. "The Carstens Financial Group Charity Pro-Am is our chance to give back to veterans and active duty service members who do so much for us. Many of the soldiers' circumstances have changed, and we owe them our help and gratitude."

The benefactor of this year's golf tournament, the WWP, was formed in 2003 to raise awareness and enlist the public's aid for the needs of injured service members. The non-profit aims to foster the most successful, well-adjusted generation of wounded service members in our nation's history by raising awareness and aid for the needs of injured service members. Last year's tournament raised more than \$17,500 for the WWP.

This year's Pro-Am will include an auction as well as the involvement of local veterans and service members. In order for this event to be a success, Carstens Financial Group is reaching out to individuals and businesses in the Iowa Great Lakes area for their support.

"At Carstens Financial Group, we believe it's important to provide support to local organizations that improve the lives of Iowa Great Lakes' citizens, and the Wounded Warrior Project does just that," said Carstens. "We're excited to involve local veterans in the event and hope to have strong community involvement. You don't have to play golf to be part of this great event. Any amount of support—including financial or participating in any of the various events—makes a difference in helping aid these brave individuals."

There are varying sponsorship levels for the Carstens Financial Group Charity Pro-Am. If you are interested in sponsoring, donating or playing in the tournament, please contact Carstens Financial Group at 712.332.5960 or Randy Rohlfsen at Emerald Hills Golf Club at 712.332.7100.

Carstens Financial Group understands that your retirement needs are as individual as you are and works to address those unique needs through estate strategies, pre-retirement and retirement funding and business insurance services. By taking a "big-picture" approach, the company provides clients with solid communication and candor, as well as a full range of products and services to meet the individual goals and objectives of each client. PRINT MARKETING vs DIGITAL MARKETING

CONSUMER BEHAVIOR & NEUROMARKETING PRINCIPLES

One of the most common questions that I get from new clients is "should I focus on digital ads or print ads?" There is no easy answer to this question, but my general answer to that question is both. And, for the clients that want to move completely digital, there is new data out that suggests you should put the brakes on that thought and rethink.

Why? Simply put, it's about how our brain works. In a recent study, based on brain scans, a print ad appeals more to the part of the brain that has the highest correlation with advertising effectiveness than a digital ad. Brand recall is up to 70% higher in print advertising than in digital media. In a study that measured 1,400 campaigns using a variety of ad venues, print advertising resulted in the highest return on ad spending. Consumers are 70% more likely to remember a company name from a print ad than a digital ad. There is also a 75% print ad recall, (meaning they remember the ad) in comparison to a 44% digital ad recall.

Generally speaking, consumers tend to be more relaxed and focused when they read print magazines or newspapers. As a result, they are less likely to be distracted by other options and they therefore make decisions more quickly and are generally more likely to feel satisfied with purchases they make in this mindset.

Researchers are just starting to understand the neurological pros and cons of online versus print advertising. But, it may come as no surprise that print and digital media excel in different areas. One of the most notable benefits of print ads is that they are better at stimulating emotions and desires. Engaging with a physical ad can also improve recognition and recall because paper stimulates more senses and is therefore more real to the brain. And for those of us trying to build a brand that connects emotionally with our customers, to create brand loyalty, it builds a case for continued print ad spending.

So, you may still be thinking, who reads print anymore? It comes as no surprise to me that based on this study, magazine readers are wealthy and well educated. However, they also found that the Millennial did not get lost, as data shows 95% of Americans under the age of 25 still read print magazines. And that's the real story.

Coping with Dry Pastures Most Northwest Iowa counties are currently rated abnormally dry or under moderate drought which causes major concerns for farmers with livestock on pasture. "Pasture conditions vary widely, with a few pastures rated as good," said Beth Doran, beef program specialist with Iowa State University (ISU) Extension and Outreach. "But, the majority of the pastures are beginning to look more like mid-August, with limited re-growth." However, according to Doran, beef producers are not out of options. One way to reduce grazing pressure on the pasture is to reduce the number of animals grazing the pasture. This may involve early weaning of the calves, placing them in dry lot. Early weaning reduces the energy needs of the grazing cow by 30 to 40 percent which helps to stretch the grazing capacity of the pasture. However, if pastures are really short, cows may also need to be placed in dry lot. If there is some pasture, producers may opt to reduce the forage intake of the calves or cows. Providing creep feed to the grazing calves is a common way to shift a portion of the calf's diet from grass to grain. "Creep feeding helps some, but the biggest user of the pasture is the cow," Doran said. "Consequently, cow-calf producers may need to provide supplemental feed to the cow while she is grazing the pasture." Economics will dictate which supplemental feeds are provided to the cow. Hay is one alternative, but local prices for hay are running from 5 to 15 percent higher than a year ago. Other feeds that may be supplemented include: whole shelled corn, distillers grains or green chopped corn. If the corn is drought-stressed, it should be tested for nitrate level before chopping it and managed accordingly. "The worst case scenario is to sell some of the cows," Doran said. "If this is required, remove problem cows first - those that are open; old cows; cows with poor udders, feet or teeth; cows with a bad disposition and poorer producing cows." For more information about supplementation strategies and early weaning, visit the Iowa Beef Center at www.iowabeefcenter.org or contact Beth Doran at 712-737-4230 or doranb@iastate.edu.

Questers Visit Baker Township School House #5

Members of the Okoboji Queen Chapter of Questers along with current and past Iowa State Quester officers recently visited the Baker Township School House #5 which is being renovated in Sheldon. They viewed the work financed by two grants awarded to the project by Questers.

In 2016, the International Organization of Questers, headquartered in Philadelphia, Pennsylvania, financed the replacement of the large windows in the school house building. In 2017, an Iowa State Questers grant supported the replacement of the original room-darkening shades and the new window curtains sewn out of patterned seed sacks by Evelyn Hakes Okoboji Queen chapter member from Laurens. Thanks to area contractors and construction firms, all building replacements authentically duplicated the originals. The Van Kekirikis of Orange City and The Landings of Spirit Lake donated the refrigerator. Colleen served ice tea drinks from the refrigerator now working.

The July 15 tour was arranged by Colleen Lemkuil of Spirit Lake, Okoboji Queen Chapter member and grant writer who is now a board member of the Prairie Arts Council in Sheldon. Sue Fontaine of Wahpeton coordinated the event with Vicki Baker of West Des Moines, newly elected Iowa State Quester President, and past State Quester Officers Elaine Estes and Ivy Ward of Des Moines and Fay Gish Hill of Ames. They were the corps group which assisted Fontaine and Daphne Davis in chartering The Okoboji Queen Chapter #1489 in 2010. Fontaine served as first president. Davis, formerly of Orleans, is now President of the Arizona State Questers.

Donna Mau of West Okoboji is current president of the Okoboji Queen Chapter which has also donated to The Maritime Museum, Arnolds Park and the Dickinson County Historical Museum in Spirit Lake. Quester members internationally and locally are dedicated to the preservation of historic sites and objects.

Historical Park Receives Award

The State Historical Society of Iowa has awarded the Baker School Renovation Project in Sheldon a 2018 Country School Grant of \$1,400 which must be matched by local contributions. When that goal is reached, a second \$1,400 check will arrive from the Historical Society. Throughout the state fifty projects received grants. A Sunday Supper at Baker School will be held on July 30, at 5:00 to 7:00pm with corn, sandwiches and drinks and music and a celebration for Harold Tuttle's 90th Birthday. Donations to this project will be appreciated.

The Baker Township School #5 aka Baker Center School was the last school in Baker Township, O'Brien County in Northwest Iowa, and after its closing the building was used for voting for many years. In 2015 the building was moved to its present site in Sheldon, Iowa, at 1423 Park Street in Sheldon, on Highway 18, next to the Shopko Store. Photos of the building in its new location were sent with the grant application.

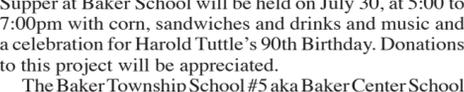

This grant will cover the painting of the coat room, toilet, kitchen and entrance to the basement where the Kids Art Club meets. The coat room and the toilet and kitchen paint were intentionally painted to match the original yellow paint. Vogel Paint of Sheldon mixed the matching paint. The Paint Iowa Beautiful grant program and Diamond Vogel Paint have supplied the paint which will be part of the matching funds donated for this project. Jesse Grady and his construction crew from Sheldon have repaired the holes and cracks in the walls and done the painting.

The next part of the grant covers the installation of the lights from the 1913 Shriner's Hotel at Spirit Lake, Iowa. Many of the lights in the building have only draw string pulls and the electrician Keith Kreykes and John Pennings are replacing these with light switches so the antique lights will match the other lights in Baker School and yet preserve the era of the school's active functioning.

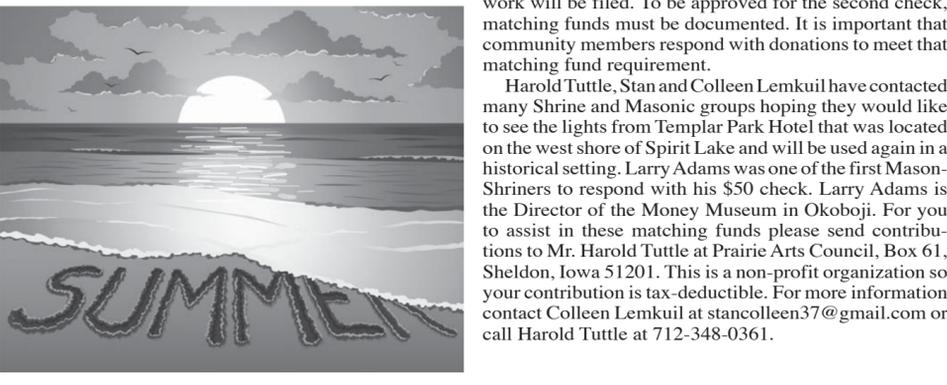

The railing to the basement has been installed as it was in the original school. The ND Millwert Salvage company from Paullina found us the right long walnut railing, and it has been renovated and installed.

When the grant-supported part of the Renovation Project is completed, a report accompanied by photos of the work will be filed. To be approved for the second check, matching funds must be documented. It is important that community members respond with donations to meet that matching fund requirement.

Harold Tuttle, Stan and Colleen Lemkuil have contacted many Shrine and Masonic groups hoping they would like to see the lights from Templar Park Hotel that was located on the west shore of Spirit Lake and will be used again in a historical setting. Larry Adams was one of the first Mason-Shriners to respond with his \$50 check. Larry Adams is the Director of the Money Museum in Okoboji. For you to assist in these matching funds please send contributions to Mr. Harold Tuttle at Prairie Arts Council, Box 61, Sheldon, Iowa 51201. This is a non-profit organization so your contribution is tax-deductible. For more information contact Colleen Lemkuil at stancolleen37@gmail.com or call Harold Tuttle at 712-348-0361.

LETTERS TO THE EDITOR

The publisher does not necessarily share the views/opinions stated in the "Letters to the Editor" published in The Lakes News Shopper. To The Editor:

Why Does Hearing President Trump's Words Offend His Supporters?

The American media plays a central role in a functional democracy. In the political arena its function is not only to transcribe the words of our politicians to the public, but to analyze the statement for truth and consistency. Here, statements are fact checked to determine truth. They are also compared to previously recorded statements to detect contradictions. They also sometimes report inappropriate or embarrassing actions. It seems lately those caught by the media often call the truth seekers by a myriad of names: "the enemy", "low IQ", "overrated", "third rate reporter", "showboat" "fake news", etc.

In my most recent letter to the editor I listed 100 statements made by President Trump that were fact checked as lies. Also two embarrassing recorded "tawdry" interviews made by Trump. It seems repeating Trump's words is a source of irritation for him and his supporters. This must have prompted today's signed letter from an admitted Trump voter stating that I had a severe mental problem and conveniently listed the Spencer Psychiatric Service at 2016 HWY Blvd, 712 580 3882 where they could deal with my stress, pain and struggles. It sounds like he follows the lead of the President by throwing insults at the ones you oppose.

He further stated that Bill Clinton had some embarrassing sexual behavior too. It brought to mind the times I scolded my teenage children for bad behavior, and they said in defense "but the other kids were doing it too".

The big news from the Hamburg G20 conference: An announcement by President Putin that after President Trump brought up Russian tampering in our election, he said "no, we didn't" and President Trump accepted it. No Trump response yet. It would appear that he chooses to believe Putin over our entire intelligence community. What's wrong here?

Celebrating 125 - 40

Just 40 years shy of celebrating Milford's 125 years with the city, Spencer's Junior Handy recruited several ladies from the crowd to dance with him at Boji Bay, Friday night -- after doing much the same Thursday night at the Rock the Roof concert. Sioux Citian Jill Lesline was Junior's lady of choice when *The Ides Of March* played.

Everything but Lutefisk!

Jack Parkins emailed last week to inform us that Glenn Henriksen will be appearing in concert at the Okoboji Lutheran Bible Camp, in Milford, (next Friday night, August 4th, at 7:00.

The concert is a benefit fund raiser for the camp and will follow the Uff da Scandinavian Feast which runs from 5:30 to 7:30, with a menu including Alaskan Pollock, Swedish Meatballs, Roasted Pork Loin, New Potatoes with Parsley Butter, Creamed Peas, Red Cabbage, Pickled Herring, Aebleskiver, Krumkake, Rice Pudding, Almond Sugar Cookies & Lefse. Yum!

Both events are benefit fund raisers for the camp. "But, no Lutefisk?" we asked in a subsequent email.

"Naw. 'Have to settle for Alaskan Pollock! But there will be great music -- and probably a little hymn singing will occur."

Glenn will be performing his house concerts this week, on Tuesday and Wednesday nights at 7:00, then heading to The Lounge at The Inn, for a sing along Friday night, from 6 - 8:00...

The *Jazzed Up Big Band of Okoboji* will be seen and heard(!) on stage in the Majestic Pavilion, tonight (Tuesday), from 7 - 9:00...

Proving again, that you're never too young or old to enjoy good music, members of the *Northwest Iowa Concert Band* will play Wednesday night at the Hawkeye Care Center in Spirit Lake, starting at 6:30. The show is open to the public -- of any age!

Kris Karr will be back on the barn stage at the Little Swan Lake Winery, Thursday night, from 6 - 8:00... And the Rockabilly Kid, Andy Yaun, will be rockin' the roof along with *The Velaires*, Thursday night, in the Roof Garden Ballroom, starting at 6:00... Also Thursday night, *The Itty Bitty Boji Band* (Boji Bill and Barb Johnson, this week) will be highlighting Spencer's Main Street Market, from 6 - 8:00, while Jen & Company will be performing at Estherville's Farmer's Market with music on Library Square, from 5 - 7:00...

After a huge *quasiquintennial concert* last week at Milford's Boji Bay Legacy Park, the fun continues Friday with the "Bubblegum" sound of the *1910 Fruitgum Company*, starting at 7:00...

Not everyone gets paid to tour the country. But blues guitarist, singer and songwriter Walter Trout is one who is really "hitting the road," with a stop Saturday night for a concert in Preservation Plaza. In the 10 days prior to his stop here, Trout will be in Grand Rapids, Toledo, Chicago, Milwaukee, Omaha, Minneapolis, and Fargo, then head to Des Moines for a Sunday show. 'Sure hope someone else is driving the bus...

Chad Elliott is returning to Spencer's Arts On Grand for what is billed as an "informal session," Saturday night, starting at 7:00... Saturday night will also see Terry Brooks at the Little Swan Lake Winery, from 6 - 8:00. And *Sly James* will take that same stage Sunday, from 4 - 6:00...

Depending on your point of view, all of this brings us back to either the beginning or end of the week, with the *Dick Bauman Big Band* returning to Pomerantz Hall at the Pearson Lakes Art Center starting at 7:00...

Today is the 25th of July. And even with the heat we've been experiencing the last week or so, research director RD is already thinking of Christmas -- which is just five months ahead.

Meredith Willson's musical *Here's Love* closed on Broadway on this day in 1964, after 334 performances. One song from the show, *It's Beginning To Look A Lot Like Christmas*, gives RD relief from the heat. Adding some fun to the song, RD cites a most unusual version of the song, recorded by Alvin and the Chipmunks, on their 1961 Christmas album...

Today is also Annie Ross' 87th natal day. Annie was an essential part of Lambert, Hendricks, & Ross fame -- the precursor to the *Manhattan Transfer*. She recorded many great jazz albums with LH&R, and later on her own...

Wednesday is "All Or Nothing Day," which recalls the 1939 Arthur Alman, Jack Lawrence song, *All Or Nothing At All* -- a song that has enjoyed at least eight decades of popularity starting with Frank Sinatra in 1939 and continuing with the likes of Kurt Elling, when he recorded it in 2009...

RD also managed to tie this to Kevin Spacey, who will turn 59 on Wednesday. The actor, film director, producer, screen writer and singer won two Academy Awards with his 2004 CD *Beyond the Sea*, which included the song *That's All*...

Maureen Therese McGovern turns 68 on Thursday, and recorded at least three "rain" songs, *Come Rain or Come Shine*, *Over the Rainbow*, and *Right as the Rain*. RD also notes that Saturday is "Rain Day." So maybe we should remember to grab an umbrella this weekend...

Proving that she is a super researcher, RD has also found that Sunday is "Cheesecake Day" -- for which she found the ideal song, *Cheesecake*, recorded by Louis Armstrong in 1966...

To show that no two people think alike, back in the sixties when someone mentioned "cheesecake," our thoughts were not about Sara Lee, but more about swim suit models. And we have the 35mm transparencies to prove it!

All the news that fits we print.
