Share Your Light And Love

"Be an angel", "do a small act of service", "be a blessing to someone", angel day motto by Rev. Jayne Feldman.
 The new moon in Leo is an astrological time to be extra positive and follow your dreams, according to astrologer Diane Carbone, that is now!
 Many people dream of a life of following a higher power, living intuitively with common sense. Many are seeking spiritual holistic answers beyond the traditional, because the way things were done in the past aren't working.
 Follow your dreams.....What are your dreams? My dreams are about expressing my love of nature, Divine nature, beauty, and love of the earth and stars in the form of angel flowers fairy paintings, and pottery, and cards as healing, "heaven and nature sing" and in sharing community experiences like Angel Days Spiritual

Holistic Faire, with mural painting with native American flute music, open to everyone, all materials provided.
 My dream is also to be surrounded by angel friends all shapes, sizes and colors, sharing our talents to help the world be a better place, helping each other enjoy life, feel more like our divine selves through art, music, creative visualizations, reiki, reflexology, crystals, aromatherapy,.....Etc.
 Angel Days Spiritual Holistic Faire, Leesport Market Banquet Hall, air conditioned, Leesport, PA is Saturday, August 5 and Sunday, August 6, 10:00 to 4:00, public welcome.
 Admission \$6.00, \$5.00 if you donate cat and or dog food.

Fun By The Numbers

Like puzzles? Then you'll love sudoku. This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!

Here's How It Works:

Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!
