Best Wishes on the Retirement of **Donna Palermo Guido**

Parishioners of Saint Patrick's Church and the Mount Morris Community fondly acknowledge the June retirement of Pastoral Minister Donna Palermo Guido. She is retiring from Saint Luke the Evangelist Catholic Parish with forty-three years of faithful service.

We proudly reserve most of Donna's career for Saint Patrick's Church. At Saint Patrick's, she was dedicated to serving numerous priests, organizing the offices, creating bulletins, and directing the wealth of

volunteers. She performed the duties of secretary, as well as office, business and cemetery manager. We especially celebrate Donna's ability to care for and grow Saint Patrick's finances.

"Nothing you do should be just good enough!" was one of her favorite sayings. Her work for the Church was of the highest caliber - even if it meant late hours or taking work home. Saint Patrick's Rectory was open to everyone. Donna was present to help any person; she was never at a loss for an idea. Her kind smiles were there to comfort a sad heart. When the office was closed, she was a phone call away.

Working for the Church was truly Donna's ministry. We are deeply grateful for her wonderful service to Saint Pat's and its parishioners, and to all of Saint Luke's Parish. We offer our very best wishes, and hope that she will continue her volunteer ministries in the future. We were blessed to have her.

To all my wonderful customers:

Please allow me to clarify the rumors regarding the sale of my company and my retirement. Neither are true! I do intend to transfer my business by January 2019, but will continue to have an active role in its production and function. I am proud of the 37 years of service that I have offered the region and plan on many more years of being the "BUG LADY."

Wisdom Teeth

Wisdom teeth are always the last teeth to typically erupt in the mouth. Although your teen's mouth may seem big enough to accommodate them, most often it is not. As soon as it is clear that the wisdom teeth, technically known as third molars, will not grow in normally, they should be removed. Early removal of the wisdom teeth lessens the risk that your teen will experience impacted or partial eruption, and the complications that often result.

Tina, has been diagnosed with a very rare, very aggressive, untreatable form of cancer. Tina has spent a lifetime loving, caring for, & giving to anyone who had a need, with any means she had available to assist. Tina is facing a battle that will take every ounce of her and everyone who loves her, focus, thoughts, will power, means, hopes & prayers to fight as long as possible. She has the spirit, she has the reasons to fight, she has the desire to fight, she has the emotional support from everyone who knows her, what she lacks is financial. Her husband Todd has & will increasingly have to take time off work, take on medical deductibles, tests, prescriptions & as the sole bread winner will face even more financial impact into the future. With all that Tina, Todd, & Jacob have and will face, it is the desire of everyone who love them, that we can come together in a common cause to help alleviate as much financial burden as possible they may face now and in the future. On behalf of Tina, Todd, Jacob, & every single person who loves Tina we thank you and ask for your support. Any proceeds collected will be given to & used at Todd & Tina's discretion as they see fit to best serve their family needs & or Tina's treatments. *Thank you.*
