NORTHWESTERN COLLEGE

FIELD PLACEMENT AND LICENSURE COORDINATOR (EDUCATION)

Northwestern College has a ¾-time position available for a field placement and licensure coordinator in the education department beginning mid-August. Responsibilities include assisting with field placements in the undergraduate and graduate programs, communicating with student teachers and cooperating teachers, and systemizing licensure applications for undergraduate and graduate teacher candidates. The coordinator will track and communicate with graduate students as they progress toward graduation or licensure. Also included are duties relating to accreditation, managing assessment data, and preparing assessment reports.

The ideal candidate will possess excellent interpersonal and organizational abilities. Proficiency in Microsoft Word and Outlook is essential. A high degree of professionalism, confidentiality, efficiency and accuracy is also vital.

The successful candidate will have an authentic Christian faith and support the college's mission (www.nwciowa.edu/mission) and identity as expressed in our Vision for Learning (www.nwciowa.edu/vision), Vision for Diversity (www.nwciowa.edu/vision4diversity) and Statement of Christian Identity (www.nwciowa.edu/christian-identity).

Northwestern College is affiliated with the Reformed Church in America and seeks to more fully reflect the cultural and ethnic diversity of the body of Christ in its faculty, staff, administration and students. Women and candidates from historically under-represented groups are enthusiastically encouraged to apply. Review of applications will begin immediately and continue until an appointment is filled. To apply, submit a letter of application, résumé or vitae, and Northwestern College application form to:

Director of Human Resources
Northwestern College
101 7th St. SW • Orange City, IA 51041
Phone: 712-707-7224

Quality Control

Vogel Paint has an opening for a **QUALITY CONTROL TECHNICIAN** in our Liquid Paint Production plant in Orange City, IA. Primary duties include routine testing of raw materials and finished goods in direct support of the paint production team. This job is also color related, so a detailed eye for color is important.

On-the-job training will develop the following technical skills:

- Perform routine tests with minimal supervision
- Maintain accurate records of all results and samples
- Communicate observations, test procedures and related data verbally and in written form with team members
- Maintain a clean and hazard free work area

If you are thorough and have a strong work ethic, join our technical team in a professional environment making a top-quality product. We offer competitive wages and a complete benefit package, including health care & dental, 401k with employer match, life & disability insurance, HSA (health savings account), PTO (paid time off), and more.

Please apply at the Corporate Support Center, or email to: hrmanager@vogelpaint.com

BROCK AUCTION COMPANY, INC.
EXCELLENT APPROX 125 ACRES M/L HIGH QUALITY Johnson Township, Plymouth County, Iowa Farmland FARMLAND AUCTION
Friday August 11th, 2017 @ 10:00 am - Sale Held At Farm Site

LOCATION: From Le Mars - 10 miles West on Hwy 3, then 2 miles North on Hwy K-22, then 1 1/2 miles West on 160th St.; From Akron - 8 miles East on Hwy 3, then 1/2 mile North on Fir Ave.
From Craig - 3 miles West on Hwy C-12, then 5 miles South on K-22, then 1 1/2 miles West on 160th St.

GENERAL DESCRIPTION: Awesome Centralized Location!!! Offered is a tremendous 125 acres of super high quality bottomland. Everyone asks for good creek bottom farmland because of the rich soils associated with them. Though they are extremely rare and super hard to find, here is 125 acres M/L that perfectly fills that bill. Not only does bottomland have high indexing soils, this farm has a great history of having cattle manure spread on it and good farming practices utilized to enrich it even further and keep it in a high state of production.

The Plymouth County FSA Office shows 123.48 Cropland Acres, w/a 64.32 Acre Corn Base w/a 145 Bu. PLC Yield, a 56.6 Acre Soybean Base w/a 50 Bu. PLC Yield. The Plymouth Co. Assessor and NRCS Office Shows the main soil types to be Galva, Kennebec-McPaul, Kennebec, and Radford plus a small spot of Ida. The farm carries a very nice weighted CSRII Average of approximately 80.6.

With these numbers and the richness of the soils, plus the great husbandry shown on this farm, you will be hard pressed to find better quality in this area. We all know the value of owning the better ground in our area and how seldom we get an opportunity to buy it. You are being presented a chance at a piece of property that may never be offered again in your lifetime or your children's. I hope you will give this farm careful consideration and have the foresight to see what this can do for your operation for generations to come. All the Best! *Bruce R Brock*

If you want to buy or sell Agricultural property of any kind, **Brock Auction Co. Inc. & Bruce R. Brock Real Estate** will be glad to sit with you for a confidential, no obligation consultation. See for yourself why the professionals at Brock Auction sell 10's of millions of dollars worth of Real Estate every year for customers & clients just like you.

Put the Brock Team to work for you! If you would like more info on this property or any others we have, or if you are considering selling property, we have a nationwide network of investors & buyers looking for property of all kinds. Contact **Brock Auction Company, Inc. or Auction Realty of America** & we will be glad to help you.

All maps and acreages are approximate and not exact and will be determined by an exact survey.
