Congressman Palazzo speaks to Rotary Club

By Linda Cranford
 While back in the state from Congress' August departure from Washington, House Representative Steven Palazzo stopped in Laurel to speak to members of the Laurel Rotary Club on Tuesday, August 8. Club President Stover Smith introduced Palazzo to the members.
 "I call this District Work Month," said Palazzo, referring to the August break. (Congress did NOT actually adjourn. Neither House nor Senate voted on an "adjournment resolution" for the August break, which is the usual practice for Congressional breaks. To meet constitutional requirements, even though most of the Congressmen are gone, every third day a brief "pro-forma" session is being held in both chambers by an assigned Congressman.)
 "It's been a busy eight months," exclaimed Palazzo. "With the new administration, something exciting is happening every day. I know you're not hearing about everything we're doing successfully. We're getting legislation passed and repealing regulations. We're looking to have tax reform, and we're looking to have an infrastructure package. We're staying

Tigers stand strong in jamboree

By James Pugh
 Inexperienced is the word that was used to best describe the Northeast Jones football team this off-season. It didn't define the Tigers in the North Forrest Jamboree Friday night at D. I. Patrick Stadium on the campus of Hattiesburg High School.
 Northeast Jones faced former Region 5-4A foe Greene County and Purvis, a team many expect to win the 4A South, in the jamboree. Both games lasted 12 minutes and ended in a scoreless tie.
 Instead of showing their inexperience, the Tigers methodically moved the ball downfield on offense and even converted a fourth-down on their first possession against Greene County. The night had its blunders too, including a fumble in the red zone on the 3-yard line. Northeast Jones defense made up for it a few plays later, picking off a Greene County pass near midfield. The Tigers also found the red zone on their opening possession against Purvis but failed to put up any points. Here is what Northeast Jones head coach Keith Braddock had to say

at the end of the night.
On his team's overall performance:
 "I'm proud of them. It was what it was. It was a two-quarter jamboree, and we don't make these games a game of the year or anything like that, but we needed some-

extremely busy. We're ready to pass all 12 appropriation bills out of committee. This is the first time that's been done in a long time."

Palazzo went on to say they passed a security package which included 1.6 Billion dollars for the Wall. "That was at the President's request. We made that request a reality," said Palazzo. Commenting on the Wall Palazzo said, "The major media outlets paint the Wall as a huge wall going from point A to point B. But, it's going to be a combination. It's going to be a foundation wall, technology, and boots on the ground where we need them." He added that the package included one of his original Border Security Bills as part of the re-authorization of the Department of Homeland Security where the President and Administration can use the National Guard if necessary to help secure the border. "This is something I've been pushing for a long time," exclaimed Palazzo.

Palazzo spoke about the House voting to Repeal and Replace Obamacare and sending it to the Senate where Republicans couldn't get the votes to pass it. He commented on what has become the routine Senate Filibuster 60-vote rule saying that it is only been around for approximately 50 years and was not established by our founding fathers. He said as long as the political climate remains as it is and the 60-vote rule remains in place they are not going to be able to get anything of significance passed in the Senate whether it's parliament reform, tax reform, or regulatory relief. "We're never going to do anything big," said Palazzo. "We're not going to do anything bold, and we're not going to get this country truly pointed back in the right direction as long as they need 60 votes."

He said they were able to fix the GI benefits and Tri-Care insurance where National Guard and Reservists were not being treated the same as active duty service members.

Addressing the VA situation, Palazzo said, "We finally got a bill signed into law by the President that give VA officials and administration the ability to fire people. I think you're going to see a change of attitude at the VA when people start being shown the door."

"We passed over 240 bills in eight months," noted Palazzo. "A lot of things are taking place. The President is doing a good job and his administration is starting to pull-out. I've known General Kelly for a long time. He's a great Marine and I think he's just what the White House needs to be able to focus more on America's agenda and start executing."

During the Q&A, Palazzo was asked how he got along with Paul Ryan. "I have a good relationship with him," said Palazzo. "He calls me Enrico... Enrico Pallazzo!" Enrico Pallazzo is a satirical character portrayed by actor Leslie Neilson as Lt. Frank Drebin in the movie "The Naked Gun."

thing positive, and we protected the ball, except for that one drive, and we make several key stops on defense. We wanted to play hard, and we did that. We just have some kids that need to play, and they got their chance tonight. Overall, I was pleased. These kids and this team have a great attitude."

On junior running back Jazaylon Morris, who had several big runs:

"He is a really good player, and Jazaylon was a good player for us last year. The challenge for Jazaylon is that he will have to carry it for us 20 times a game this year. He's only used to carrying the ball eight or ten times a game, but this year we're going to feed him the ball more. I'd say about 20 or 22 times a game. Jazaylon is a special kid, and boy is he tough."

On his team's defense:

"You know what I am proud of? They (Purvis) have a D1 type receiver, and we have a kid that has never played before yet he covers him like a blanket. We roll the safety over, and they both cover him, and he makes the play. I'm more proud of the fact that our guys lined up and make the challenge. If you do that and your attitude, work ethic and mental toughness are there, I'll show you a kid that will be successful. So yes, I was proud of our defense getting after it. We have a long way to go, and I know that, but everybody is kinda in this boat early. That is where we're at."

On getting in the red zone but failing to score:

"We have to finish. We can't turn the ball over right there no matter what. I don't care if they blitz or we don't block; we still can't afford to turn the ball over. We cannot do that at all. We have got to finish. We have to find a way, and that is what great teams do."

Northeast Jones opens the 2017 season next Friday night at Taylorsville at 7 p.m.

Northeast Jones faced Greene County and Purvis last Friday night in the North Forrest Jamboree held at D.I. Patrick Stadium on the campus of Hattiesburg High School. Both jamboree games featuring NEJ ended scoreless. Pictured are Jazaylon Morris (26) and Javier Magee (13). Photos/James Pugh

Junior Auxiliary members attend NAJA meeting

Junior Auxiliary of Laurel members attended the Southern NAJA Area Meeting on Saturday, August 12 in Hattiesburg. The National Association of Junior Auxiliaries is made up of 92 chapters in AR, AL, FL, LA, MS, MO, and TN. Junior Auxiliary represents a serious endeavor on the part of women to be active and constructive community participants and to assume leadership roles in meeting community needs. Junior Auxiliary provides the member with the opportunity to serve and to be a vital part of the community. The objectives of the Association are to unite in one body all Junior Auxiliary chapters and members to promote National and individual chapter purposes; to encourage members to render charitable services which are beneficial to the general public, with particular emphasis on children; and to cooperate with other 501 (c) (3) organizations. Junior Auxiliary was founded on the principles of helping children and making a difference in their lives. Laurel-Jones County Library System receives LSTA funding

By Michelle Anderson-Jones

The Laurel-Jones County Library recently applied for and was awarded four LSTA grants for the year 2017. Two of the grants were for \$15,000 and the other two were for \$3,000. These additional funds allowed the library system to add to and enhance the services that we provide the residents of Jones County.

The Early Literacy and After School Edge Project enabled the Library System to purchase 6 new children's computers, all of which are preloaded with gold standard, engaging, educational programming. These computers are designed to promote and foster learning in all subject areas for children ages 2-12. To learn more about the Early Literacy Stations and the After School Edge Computers, visit www.awelearning.com. The Enhancing Communications Project provided the funding for the library to purchase much needed audio and video equipment for the auditorium, as well as a portable P.A. system for outdoor programs. One of the non-competitive grants awarded was used to purchase new digital signage and the other was used to purchase early childhood educational and development stations.

All four of these grants were funded through a Library Services and Technology

Enjoying the new computers are, L-R, Annalee Milner, daughter of Ryan and Heather Milner, Anne Clark Cooley, daughter of Scott and Julie Cooley, and Kristina McRae, daughter of Chris and Krysta McRae. *Photosubmitted*

A Shepherd's Heart – Beast of burden

Dr. Timothy L. Hubbard

One of my favorite preachers to listen to is Dr. Tony Evans, senior pastor of the Oak Cliff Bible Fellowship in Dallas, Texas. He is a gifted communicator and author. I was recently reading through his book, "Tony Evans' Book of Illustrations," and ran across this story.

An old man and a young boy were walking a donkey. Somebody saw them making their way along the road and said, "Look at that waste. The old man and boy are walking with the donkey and not using the donkey for what he was created for." The old man thought the passerby had a point and so he got up on the donkey and rode while the boy led the donkey. Someone else along the way saw the threesome and said, "Look at that old man making the boy walk while he rides!" The old man thought the second passerby had a point too, so he switched places with the boy. The young boy got on the donkey and the old man led. A little bit down the road, they passed a third person. That person said, "Look at that young boy making that old man walk while he rides. He is younger and stronger." Yet again, the old man thought that the point was valid. The next person who saw them looked on with disbelief as the donkey was riding on the old man's back.

This story illustrates a great point for us. The point

is this, "When you try to please everybody, you will go stark raving mad." I don't know about you, but there have been times in my life that I have been guilty of trying to please everybody. What I have found to be true in these situations is a statement that I heard many years ago, "You can please some of the people some of the time, all of the people some of the time, some of the people all of the time, but you can never please all of the people all of the time."

When we live to please others, we end up carrying an unnecessary burden. In the story above, the donkey was used. The donkey is also known as a beast of burden. They are a pack animal and are well suited for that task. However, donkeys do not do well with carrying the burdens that are on the hearts of man. The Psalmist in Psalm 55:22 shows us where we need to unload our burdens. He states, "Cast thy burden upon the Lord and He shall sustain thee."

The psalmist was dealing with a friend that had betrayed him, certainly a burden to him. As he cries out to the Lord, he asks the Lord to hear his prayer and begins to unload his burden to Him. The word used for "sustain" in this verse, is also translated as the word "support." This paints a picture of the Lord picking up and carrying our burdens for us when we cast them onto Him. Whatever your burden may be today, be sure that you cast your burden on the Lord and do not try carrying it by yourself. Otherwise, you may find yourself like the old man in the story and end up struggling to carry it on your own while trying to please others along the way. Let's face it: which of us wants to be seen by others with a donkey on our back?

By Dale McKee

I recently had the honor of attending the 2017 Mississippi Sports Hall of Fame Induction ceremonies and found time over that weekend to tour the Hall. It is such a great place to visit for a true sports fan. The HoF prominently displays Jones County Junior College's memorabilia, including items from the Rose Bowl game as well as from various national championships in both football and basketball. It also features a Sanderson Farms Golf Tournament display.

Notable past athletes from the area who are enshrined in the HoF include the likes of track star Ralph Boston, Laurel coach Buck Cameron and his tennis star son (Mack), the great golfer Spec Wilson, football standout Hal Eastwood, sportswriter Carl Walters, baseball great Fred Walters, and football player Bobby Collins. Bay Springs native Hill Denson and Waynesboro's Claude Passeur, both outstanding baseball players, are also residents of the HoF. Two past greats that I knew little about were Ellisville native Buddy Meyer and Moselle great Thurman Blackledge. While in college Meyer hit the first grand slam in Mississippi State baseball history and went on to be a major league all-star who played with both Washington and Boston. His story is a great read. Blackledge, a star basketball player at JCJC (1937-1939) and also an All-American at Delta State in 1941, was the first Mississippian to be awarded an All-American jacket.

Bulldogs vs. Golden Eagles

Mississippi State and USM will meet on the gridiron again. The schools agreed to meet twice in Starkville (2019 and 2023) and once in Hattiesburg (2024). The all-time series is tied at 14-14-1. MSU won the last game in Hattiesburg, 34-16, in 2015. The schools will

meet on the hard-court and on the baseball diamond this school year. The hoopsters clash is on December 23 in Jackson. The baseball teams will meet in Hattiesburg in a three-game series February 16-18, 2018, at Pete Taylor Park. They will also meet in their annual baseball contest at Trustmark Park in Pearl.

JCJC football is almost here

The JCJC Bobcats will travel to Scooba on August 31 to open their 2017 season. Second year head coach Steve Buckley returns 25 sophomores from last year's 6-3 club. JCJC won a 27-25 thriller over East Mississippi in 2016. It was the Lions' only loss of the season. East Mississippi is ranked first in College Football America.

Dozier shines

Former USM baseball star Brian Dozier hit his first grand slam of his career last week. The Fulton native has hit at least 20 home runs in each of the past four years.

San Diego's Hunter Renfroe (MSU) and McComb native Corey Dickerson (Tampa Bay) have both hit over 20 home runs this season.

Billy Hamilton entered the week with a dozen doubles and nine triples. He is also on pace to break his own personal stolen base mark of 58 this year.

Ole Miss will appear before the NCAA on September 11. Ole Miss is charged with 21 rules violations, including 15 Level 1 violations, which are the most serious. The charges include academic, booster and recruiting misconduct. Ole Miss got a little good news when a Federal Judge dismissed the Houston Nutt lawsuit against the school.

Special People

I would like to wish my grandson Cayson Miles McKee, who turned one on August 15, a happy birthday. Also, I want to wish my wife a happy 37th anniversary on Wednesday.

Sylva-Bay Academy hosts STEP supper

Submitted

On Thursday, August 3, Sylva-Bay Academy held its annual Staff and Teacher Enhancement Program appreciation dinner honoring patrons for their commitment to excellence in teaching. The STEP program, as it has become known, was instituted to allow individuals and businesses an opportunity to support Sylva-Bay Academy teachers and staff through financial contributions.

Board of Directors President Jamie Holder, along with headmaster Mike Sumlin, spoke briefly to supporters and board members during the annual dinner. Sumlin addressed the group with changes that have been implemented over the past year, as

well as projections for the year ahead. Sumlin also detailed the additional classes being offered, as well as the new staff members that have been added in recent months.

Holder gave an overview of the renovations being made to the SBA campus including its new main entrance and administrative offices. Holder provided an overview of the facility and its objective to provide more usable space as well as a more energy efficient and secure environment for staff and students. Following the dinner, Holder gave a tour of the new facilities. To become a member of the STEP Program or for information about Sylva-Bay Academy's K3 - 12th program, call (601) 764-2157.

Southern Miss set to implement additional fan safety measures for 2017-2018 athletic season

Submitted

The University of Southern Mississippi announced a pair of updated safety measures for its 2017-18 home athletic events, Friday, with the implementation of both a clear bag and golf cart policy.

CLEAR BAG POLICY

The clear bag policy enhances safety and expedites fan entry at Southern Miss athletic events, beginning with the Sept. 2 football contest against Kentucky at Carlisle-Faulkner Field at M.M. Roberts Stadium. The policy will be in effect for all athletic venues.

"As a part of our review of Safety and Security for our major events on campus and moving forward with suggested protocols that are considered best practices, the University Police Department with the assistance of Southern Miss Athletics will be instituting a "clear bag policy" beginning with this year's athletic season," said University Police Chief Bob Hopkins. "This new policy will allow for an extra level of security and protection for those attending events, but will also decrease wait times at entry points

and dissuade those who may attempt to bring items into the event which would prevent them access."

Only one clear plastic bag no larger than 12x6x12 inches, or a one-gallon, resealable clear plastic storage bag, per person will be admitted into the athletic venue. Fans will also be allowed a small clutch purse not to exceed 4.5x6.5 inches.

Exceptions will be made for medically necessary items after proper inspection at a gate designated for this purpose.

No other bags will be allowed inside athletic venues, including M.M. Roberts Stadium. All items, including clear bags and clutch purses, are subject to search at the gates.

Fans wishing to purchase clear bags for the upcoming athletic season may do so at Barnes and Noble at Southern Miss or Campus Book Mart (2906 Hardy St.).

GOLF CART POLICY

The golf cart policy goes into effect for the Sept. 2 home football opener versus Kentucky, restricting golf cart access on campus, beginning three hours prior to that day's kickoff. The change in this policy allows for an extra level of security and protection in providing efficient access for spectators attending M.M. Roberts Stadium on Saturdays this fall.

"Beginning this football season, only authorized vehicles will be allowed access to the stadium's inner security perimeter starting three hours before kickoff," said University Police Chief Bob Hopkins. "We remind fans to obey all barricades and signage. Only Southern Miss vehicles, law enforcement, fire, medical, or the official Southern Miss game day shuttle/escort service will be allowed access to this secured perimeter. No privately owned golf carts or other non-traditional modes of travel will be authorized."

The change in the golf cart policy resulted as a part of a review of Safety and Security for major events on the Hattiesburg campus.

The University Police Department also reminds all those who bring a golf cart or other modes of non-traditional transportation on to campus that they are considered vehicles under state law and should abide by all of the Rules of the Road (Mississippi Traffic Code) as well as campus policy that would govern a non-traditional vehicle and to include only licensed drivers, insurance, tag and proper equipment.
