Thank You So Much!

Perhaps you sent a lovely card,
Or sat quietly in a chair.
Perhaps you sent a floral piece,

As any friend could say;
Perhaps you were not there at all,
Just thought of us that day.
Whatever you did to console our hearts,

HAPPY 70TH BIRTHDAY to Vacation Bible School at West Sparta United Methodist Church! Each year the children and families help support the theme of VBS by supporting mission work. Last year they raised \$450 to purchase three water pumps for the International Heifer Project. This year, bottles were collected through the week and the monies will be donated to "Hero's" of the week.

The theme for this year's VBS was Hero Central. The purpose was to discover your strength in GOD!! **God's Heroes have wisdom, courage, heart hope and power!**

Each day, community heroes visited VBS. They included firefighters from West Sparta, the Dansville Police Department, the Ambulance crew, and even members of the military. Children were able to meet these heroes and ask them questions about their jobs, how they became involved in their careers and how they help people in our communities.

The program was a huge success exceeding past years' attendance records. Gotham City looked so great and the staff was wonderful. A special Thank You to all the teachers, planners, teen leaders (who return every year after having grown up in the program) and to everyone who supports the program. See you next year!

**“When I needed a new knee,
WCCHS was the place for me!”**
— Cheryl Volk

When Cheryl Volk started having pain in her left knee, she went to see Dr. Paul Mason, a board-certified orthopaedic surgeon with Wyoming County Community Health System.

“Dr. Mason is so professional and kind, I actually enjoyed going to his office,” says Cheryl. “For a time the alternate treatment methods really eased my pain.”

Eventually, though, it was time for knee replacement surgery. “Dr. Mason told me that the technology available at Wyoming County Community Health System is equal to the other hospitals where he performs joint replacement surgery,” says Cheryl. “About 10 years ago, I had my other knee replaced at a major Rochester hospital. And I have to say that the pain that’s inevitable with this

type of surgery was much, much less this time around. Plus the care I received at Wyoming County Community Health System was absolutely phenomenal. I so love WCCHS!”

Cheryl did have one complaint about her stay, though. “I’ve been trying to lose some weight recently,” she says. “But the hospital food was so good, I just couldn’t resist cleaning my plate!”

Today, Cheryl is well on her way to a full recovery. “In the past two or three years, I’ve really seen a positive change in the reputation of Wyoming County Community Health System,” says Cheryl, who recently made a donation to WCCHS in appreciation of the care her late husband received in its Skilled Nursing Facility. “And that makes me feel good about the future of our community!”

Prenatal Care

30 seconds:

Are you pregnant or thinking of becoming pregnant? If you are, the Livingston County Department of Health would like to remind you of the importance of prenatal care. Prenatal care is crucial to your baby's development. Please remember to see your health care provider regularly, take at least 400 micrograms of folic acid before and throughout your pregnancy, exercise, eat healthy meals including fruits and vegetables, and if you smoke, drink, or do drugs, STOP! Your baby eats, drinks, and inhales everything that you do.

If you have any questions or concerns please contact your health care provider or call the Livingston County Department of Health at 243-7299.
