I've had issues with back pain ever since I can remember. I've tried to ignore the pain in my back. I wanted natural treatment rather than be put on harsh medications. I tried other things, but it didn't correct the cause of the pain. Since seeing Dr. Kanan I've regained feeling in my hands, my legs don't go numb, I've returned to yoga and my strength and flexibility are improving!

-Shalene S.

When I came to Dr. Kanan, I could barely walk. The pain was so severe it made me sick to my stomach! Dr. Kanan and his staff are true professionals. Dr. Kanan told me what was wrong with my back and the preventative measures I needed to take to fix it. Dr. Kanan and his staff took me from hardly walking to running and exercising again. My quality of life is much better!

-Health L.

I had trouble moving comfortably and breathing normally for about a year! Ever since my adjustments I feel like new! I now have full movement without pain and more energy throughout the day. I finally feel relaxed and calm again! I definitely recommend Dr. Kanan he helped me tremendously!

-Justin R.

*I started my journey with Exchange Media Group in December 2007. While some things have changed, our commitment to small businesses has never wavered. We take pride in the fact that we've helped so many over the years. Our market saturation, strong readership, great customer service and vision for the future are what sets us apart from the rest. While our print product is strong, we realize the need to have a presence online. It's exciting to tell people the new digital products and services we've added to accommodate our growing clientel.*

*I love my job and my customers!*

*"Bill Thomas, founder of the Exchange, brought me on board 25 years ago. We had 1 edition at that time and now have grown to 6 editions. Our weekly Exchange reaches over 83,000 homes and thousands of people visit our website. I love seeing my customers connect to their customers and watching their businesses grow. Many of my customers over the years have become very good friends, which has been rewarding. I have been a member of the Fayetteville Kiwanis Club for 24 years and have loved working and helping serve children in our community. I feel very fortunate to have been a member of Team Exchange Media Group for so many years."*

**Sandra Thomas**

*I can remember when Exchange made it's debut. It was just what the community needed - a place to bring buyers and sellers together; a place to showcase products and services; a place to inform, congratulate, or thank others. I know personally how well Exchange works because my family and I have used it for years. Therefore, it is an honor to recommend Exchange to my friends and customers*

*I love working with the people in the communities that make up Franklin County. From the Chamber staff and local community administrations, to the business owners and individual Exchange readers, I have met the nicest folks. They care about their neighbors and their community which makes my job meaningful.*

## Meet.. Slappy

Slappy is a goofy Coonhound, approximately 3 years old, great with children and other dogs, he is up-to-date on his vaccinations, heartworm negative and on a flea/tick preventative. He will receive a free neuter with a \$35 adoption fee.

Hercules the Shepherd mix from last week is still waiting on a great forever home.

The \$35.00 adoption fee is minimal when compared to the years of joy a pet can offer your family. The shelter has an ongoing need for donations of dog food, collars, leashes, treats, stainless steel food bowls and monetary donations to provide medical care. We greatly appreciate all donations made to the shelter.
