National Child Support Awareness Month AUGUST 2017

Children thrive in all areas of their lives when they are able to maintain meaningful relationships with both parents. During this month and throughout the year, Livingston County is dedicated to the ongoing nationwide effort acknowledging the vital role both parents have in providing emotional and financial support to their children.

The Child Support Unit provides assistance in obtaining financial support and medical insurance coverage for children through parent location, paternity and support establishment, and collection and disbursement of child support payments. Livingston County Social Services is firmly committed to helping children receive the financial support they need. Ensuring that children's basic needs are met is our ultimate goal. Child support services are available to any parent, guardian, or caretaker of a child for whom child support is needed, regardless of income.

● The last day to pay Village taxes with a 6 % penalty is August 31st.

● **Leash and clean up after your pets!**

LEASHES - Dog owners derive great joy from their dogs. It is important to consider those that do not like or are fearful of animals. In public places, dogs should be kept on a properly fitting collar/harness and leash – using the wrong type will not give the owner sufficient control of the dog.

Dog owners are required by law to leash a dog in public.

WALKING AND CLEAN UP - It is common for dogs to use their walks as a toilet break, and when this happens, owners should have a plastic bag ready to clean up. Not cleaning up after your dog can lead to foul smells, staining and transmission of infectious/parasitic diseases. In addition, someone might accidentally step on it! **Dog owners are required by law to clean-up after their pets.**

Local Law ANIMALS §59-10, fines up to \$50.00.

Dogs are not allowed in Bellamy Park.

Dial 911 to contact the Village Police Department to report stray or vicious dogs. If the stray or vicious dog is not seen by the officer, you will need to sign an official complaint.

THANK YOU to all the residents and property owners on Dudley Road for their patience while the Town Highway Department was making road improvements. Your cooperation is much appreciated.

LABOR DAY

The Town Clerk's Office will be **CLOSED** Monday September 4th in honor of Labor Day. Wishing all a safe and happy holiday weekend.

NEW SCHOOL YEAR

Please be aware that school reopens on Thursday September 7th, and keep your eyes open for children crossing the street. Remember, when a stopped school bus flashes its red light(s), traffic that approaches from either direction, even in front of the school and in school parking lots, must stop before it reaches the bus. You should stop at least 20 feet away from the bus. You can identify this bus by a "SCHOOL BUS" sign, the red lights on the top, and its unique yellow orange color. Before a school bus stops to load or discharge passengers, the driver will usually flash yellow warning lights. When you see them, decrease speed and be prepared to stop. When you stop for a school bus, you cannot drive again until the red lights stop flashing or when the bus driver or a traffic officer signals the you can proceed. This law applies on all roadways in New York State. You must stop for a school bus even if it is on the opposite side of a divided highway. After you stop for a school bus, look for children along the side of the road. Drive slowly until you have passed them. Remember that vehicles that transport people with disabilities can be equipped as school buses and you must stop for them as you would for other school buses.

Wishing all our students, their parents and staff at MMCS and all area schools a safe, productive and awesome school year!!

DONATED AUGUST 19, 2017 BY
GARY AND MYRA PASSAMONTE, DAVID J. STALKER,
ARCHIE MONUMENTS, AND FRIENDS OF ROSS BARNES

On Saturday, August 19th, a memorial was dedicated honoring Mount Morris native and early baseball pioneer/star Roscoe C. (Ross) Barnes. The ceremony took place at the pocket park on Main Street in Mount Morris. The weather cooperated and close to 100 people were in attendance.

The memorial is part of a series of monuments honoring 19th century and early 20th century baseball players and teams. David Stalker from Watertown, Wisconsin, who is responsible for the memorial series, collaborated on the project with Mount Morris native Gary Passamonte, for close to a year.

Immediately following the ceremony, a vintage baseball game was played at Bellamy Park using the rules of Ross Barnes time. The Live Oak Vintage Baseball Club of Rochester, as well as some local players, participated in the game. By all reports, players and fans had a great time.

Thank you to all the organizations, businesses, and individuals who contributed in any way and helped make this happen. This was truly a Mount Morris community effort and everyone is to be commended for their efforts.

August is Immunization Awareness Month

and the Livingston County Department of Health would like to remind everyone how important vaccines are in protecting children from serious, and sometimes deadly, diseases. Given the recent outbreaks of mumps, measles, and pertussis (whooping cough), it's important that children be protected from these dangerous and highly contagious diseases.

As you get ready to send your children back to school, please schedule a visit to their physician or clinic to make sure your child has the needed vaccines. Most schools require children to be up to date on vaccinations before starting school in order to protect the health of all students. Vaccines don't just protect your child in school - some diseases, like whooping cough, can be deadly for newborns or infants who are too young to receive the vaccination. By vaccinating family members, you are protecting the youngest members.

The Livingston County Department of Health offers low-cost and free immunization clinics to its residents. For information on the next available clinic, please call (585) 243-7299.

Fall Prevention Tips and Workshop

Each year, thousands of older Americans fall at home. Many of these falls result in serious injuries and some become disabled. Falls are often due to hazards that are easy to overlook, but can be simply fixed.

To help prevent falls, it is important to follow these tips:

- ⌘ Begin a regular exercise program
- ⌘ Have your health care provider review your medications
- ⌘ Have your vision checked
- ⌘ Make your home safer
- ✓ Remove things you can trip over
- ✓ Remove small throw rugs or tape them down to keep from slipping
- ✓ Have grab bars next to your toilet and in the tub or shower
- ✓ Use non-slip mats in the bathtub and on shower floors
- ✓ Improve lighting in your home to see better
- ✓ Have handrails and extra lighting put in stair cases
- ✓ Wear shoes both inside and outside of the house. Avoid going barefoot or wearing slippers, unless they have a skid-proof sole.

September is Fall Prevention Awareness Month and Genesee Valley Health Partnership, UR Medicine/Noyes Health, Wegmans and Livingston County Department of Health are sponsoring a **Fall Prevention Workshop** on **Friday, September 15th** from 10 am until 1:30 pm at the Lakeville Training Grounds. Lunch is included. Please join us to learn strategies and skills to prevent falls in the home, connect with local resources and review your medication with a local pharmacist. Registration is required. Please call the Noyes Community Outreach Services by September 8th, 2017 or e-mail lifeline@noyeshealth.org to reserve your spot for this event.
