## Explore Careers, the 'Lakes Life' at Opportunities Hub During Clay County Fair

Area employers are sending a clear message: "We're hiring!" The Iowa Lakes Corridor Development Corporation will help share this good news during the Clay County Fair, September 9-17, at the Northwest Iowa Opportunities Hub in the new Centennial Plaza, formerly the site of the Ag Building. In addition to learning about area job opportunities, fairgoers who visit the Northwest Iowa Opportunities Hub can test their skill in operating a variety of construction vehicles and other heavy machinery. The simulator is free.

"Our goal is to give fairgoers a hands-on experience using equipment simulators, showcase great businesses, explore career and education opportunities and discover the quality of life we all enjoy living in Northwest Iowa," said Joanne Follon, Corridor Business Retention and Workforce Partnership Coordinator. "We invite everyone to stop by the Northwest Iowa Opportunities Hub and explore all that our region has to offer."

While jobs and employers are the primary focus, the Northwest Iowa Opportunities Hub, will also inform visitors of our area's high quality of life that features award-winning schools, safe communities and excellent outdoor recreation activities.

Hub visitors will be able to visit [getalakeslife.com](http://getalakeslife.com) and sign up to learn more about our region's recreational resources, including our lakes, bike trails, golf courses, fishing, hunting and a lot more. While signing up online, people can include their job interests to receive career information.

"As part of the Northwest Iowa Opportunities Hub, we'll be encouraging folks who are visiting our area for the Clay County Fair to 'Get a Lakes Life,'" Corridor President and CEO Kiley Miller said. "Our region and our neighbors in Northwest Iowa are committed to population growth. The Corridor strongly believes that when we show people what it means to 'Get a Lakes Life,' they will be drawn in and consider our region as a place they could call home."

The Northwest Iowa Opportunities Hub is presented in partnership by the Iowa Lakes Corridor, Iowa Lakes Community College and IowaWORKS.

Platinum sponsors are the City of Spencer, GKN Wheels Armstrong, GrapeTree Medical Staffing, Graves Construction, Rosenboom, Seasons Center for Behavioral Health, Spencer Hospital, Trusted Energy.

## Watercolor Class Exhibit

The Pearson Lakes Art Center invites you to the opening reception featuring an exhibit of work created by Avis Davis' watercolor students on September 9 through November 4, in the Wikert Gallery. Meet the artists at the reception on Saturday, September 9, 1:00 – 4:00pm with a gallery talk at 2:30pm.

This year the students expanded their experiences into abstract watercolor as well as realism and drawing classes. The students were challenged to push their imaginations and creativity to explore a variety of designs. Their unique approaches make this exhibit an eye-catching delight.

The Pearson Lakes Art Center has no admission charge. Hours are 10:00am – 4:00pm, Tuesday – Saturday; 10:00am – 9:00pm Thursday.

Founded in 1965, the Pearson Lakes Art Center has focused on broadening horizons through the arts for more than 50 years. **Big Game Preview**

This is always a hard article to write because we go to press on Friday night for this September 5th paper, which means I don't know how Iowa and Iowa State did in their openers last weekend before trying to predict who will win The Big Game on Saturday. Last year I correctly picked an Iowa victory, however the game was not nearly as close as the four point margin I thought it would be as Iowa dominated from start to finish in their 42-3 victory.

I believe both teams will be 1-0 entering this game; with Iowa hanging on for a 34-31 victory over my second favorite college team, the Wyoming Cowboys. I'm hoping Iowa State avoided the same fate as 2016 when UNI ruined the first game Matt Campbell coached with a 25-20 victory that wasn't even as close as the final score. The 'Clones are much better than 2016 and I don't think this is a great UNI team so ISU should be 1-0 with a 41-24 victory. The Big Game will definitely be a contrast in styles as Iowa has the edge up front on both offense and defense with impressive lines and a great group of linebackers; Iowa State has the edge in the backfield on both sides of the ball and also holds the edge on the outside with an incredibly talented group of wide receivers. ISU also has the edge at quarterback with second year QB Jacob Park leading the Cyclones' offense while Iowa's Nathan Stanley will be starting just his second college game and will be playing his first road game. Look for Iowa to win the battle on the ground with a tough 1-2 punch of Akrum Wadley and James Butler, but not by as much as you would think as ISU also has some very talented running backs. The key to the game will be if ISU can limit Iowa making it a ball control game while also protecting Park and making holes for David Montgomery and Mike Warren. I am predicting that ISU's receivers will be too much for Iowa's inexperienced secondary to handle and propel the Cyclones to a 34-28 victory. While I'm not as confident in this prediction as the Vegas oddsmakers were on Floyd Mayweather beating Conor McGregor, I do have a good feeling that it will be a Cyclone State for the first time since 2014.

**LETTERS TO THE EDITOR**

Pearl Valley Rehab and Nursing of Lake Park held their annual Sky Lantern Release on August 30, 2017.

Without the sponsorship and support of the Lake Park Utilities and Kindred Hospice this event would not be possible. We cannot thank them enough for helping our residents and community members remember and honor loved ones.

A special thank you to Pastor Tim Harmon for opening with prayer and to the Lake Park Fire Department for being on hand just in case!

A huge thank you to everyone who stepped up and ran torches and helped to get the sky lanterns ready. We could not do this event without all of you. We are blessed with a great community.

Thank you to everyone who came,  
Lynette Ehret

**Milford Library News**

The Milford Memorial Library is excited to announce that Caroline Perkins and her dog, Hank, will be available to listen to stories Saturday, September 9, from 12:00 to 1:30pm. Caroline and Hank are a therapy dog team, licensed by the Pet Partners Therapy Animal Program. In the past they worked for 5 years in Cable, WI, as part of the Reading Education Assistance Dogs (R.E.A.D.) program. Prior to the R.E.A.D. program Caroline was a Special Education Teacher. Hank is a great listener and loves to listen to all kinds of stories. Children who are beginner readers or just want a chance to improve on reading aloud are encouraged to come read to Hank. Children can read to Hank on a first come, first serve basis. The amount of time a child will get to read to Hank is determined by the length of the book, child's reading level, and the number of children waiting to read to Hank.

Join us for great stories and much more every Friday morning at 10:00. Betty, our Children's Librarian, looks forward to sharing stories with you! No pre-registration is necessary. The theme this week is "Grandparents."

The Milford Memorial Library Adult Craft Series is back! Join us as we make Wine Bottle Wind Chimes on Wednesday, September 13, from 5:30pm - 7:30pm, at the library. Registration for this event is required and the cost to participate is \$2. Please register by Tuesday, August 15, to make sure we have enough materials. Contact the library for more information.

## Farmers Market News

Located at Dickinson Co. Fairgrounds  
15th Street & Peoria Avenue, Spirit Lake, IA 51360

Now that September is here, it is time for fall vegetables, such as squash, pumpkins, and sweet potatoes. There have already been a few pumpkins showing up at the Farmers Market and more will be arriving in September and October. You will also find many different varieties of winter squash. Acorn, Carnival, Butternut, Sweet Dumpling, Buttercup, and Delicata have all been available in past years. Sweet potatoes are usually not available until late September or October because, in our northern climate, they do most of their growing in August and September. Squash, pumpkins, and sweet potatoes all store well. Just keep them in a cool, dry place that will not freeze. Handle your sweet potatoes as little as possible because too much handling will cause them to spoil faster.

In the fall, also shop at Lakes Area Farmers Market for home decorating items. Besides pie pumpkins, you can also buy miniature pumpkins, jack-o-lantern pumpkins, warty pumpkins, or painted pumpkins for decorating. There are also a lot of gourds and Indian corn.

Fall crops, like squash, onions, potatoes, and carrots make excellent soups. Be sure to watch next week for details about Souper Saturday, when you can taste vendor made soups and vote for your favorite. In the meantime, keep checking for your favorite vegetables, meat, baked items, or crafts at the Farmers Market. We hope to see you there.

## 5th Annual 4-H Glow Run/Walk

The 5th Annual Glowing 4-H Foot Race, a fundraiser for the Emmet County 4-H Foundation, is Saturday, September 30, at 7:00pm. The race will kick-off at the Emmet County Fairgrounds. Races include a 1 mile run/walk, 4-mile relay (team of 4), and a 5K. The deadline to register in order to receive a T-shirt is Monday, September 18. *Note:* you can still register after this date but will not be guaranteed a shirt. ALL current 4-H members receive a \$5 discount! Register online: <http://glowing4hfootrace.zapevent.com>, or pick up a form at the Emmet County Extension and Outreach office. Come run, walk, and most importantly have fun at the 5th Annual Glowing 4-H Foot Race.

Don't want to run or walk in the race? You can still purchase a T-shirt for \$15 - contact the office. There will also be a meal from 6:30 to 8:00pm - open to the community. The meal includes a burger grilled by the Emmet County Cattlemen, chips, bar and beverage.

Come join the fun and support your local 4-H Program and youth.

## LETTERS TO THE EDITOR

The publisher does not necessarily share the views/opinions stated in the "Letters to the Editor" published in The Lakes News Shopper.

To The Editor:

### Fourth Amendment nullified?

It guarantees - The right of the people to be secure in their persons, houses, papers and effects, against unreasonable searches and seizures, shall not be violated and no warrants shall issue, but upon probable cause, supported by oath or affirmation, and particularly describing the place to be searched, and the persons or things to be seized.

The pardon of Sheriff Joe Arpaio by President Trump this week tells the country and the world that, while he is president, our Constitution and its amendments only apply if they are supported by the president. Sheriff Joe openly arrested and jailed persons based only on the basis of their appearance. He brazenly continued the practice in the face of a judge's ruling that he stop and was convicted of contempt of court. In issuing the pardon the president commended him on the work he was doing. Though this action is within the power of the president he must also be held responsible for his judgment and the lack of knowledge and respect of our constitution.

## Blue Ribbon Pork Cook-Off A Success For 20 Years Running

The 20th Annual Blue Ribbon Pork Cook Off was held Wednesday, August 16 from 5:00pm - 7:00pm, at the Martin County Fairgrounds. Awards for Connoisseurs' Choice went to Cup N' Saucer of Sherburn (1st Place), Blazer Bar & Grill (2nd Place), and Green Mill of Fairmont (3rd Place). The Peoples' Choice awards honored Cup N' Saucer (1st Place), Fairmont Butcher Block (2nd Place), and The Marina Lodge (3rd Place). Congratulations to our 2017 cook-off winners. We want to thank each of the many volunteers who have helped to make this a successful event over these past 20 years.

Proceeds from this event support two local \$4,200 Agri-Business Scholarships each year. Thank you to our generous event sponsors, the Agri-Business Committee of the Fairmont Area Chamber, Bank Midwest, Cargill Inc., Compeer Financial, Dutch Creek Farms, Fairmont Veterinary Clinic, Kahler Automation, Martin County Corn and Soybean Growers, Martin County Pork Producers, Preferred Capital Management, Profinium Financial, Valero Renewables, CFS, and Zoetis for helping to make these scholarships possible.

We would also like to thank our contestants; Ambiance on Albion, Cup 'N Saucer in Sherburn, Fairmont Butcher Block, Green Mill Restaurant, The Marina Lodge and The Blazer Bar & Grill for the time and skill they contributed. All six contestants gave an outstanding effort, with imaginative and flavorful pork creations that participants agreed made selecting this year's favorites especially difficult. Remember to mark your calendars for our 21st Annual Blue Ribbon Pork Cook-Off to be held on August 15, 2018.

## Spirit Lake Homecoming 2017

Homecoming 2017 is just around the corner, and the Student Advisory Council is excited to announce that this year's homecoming begins Monday, September 18th, and continues until the 22nd. S.A.C. has been working on the theme and the events for homecoming prior to school beginning.

This year's theme is "Spirit Lake's Got Game," which are board games. The high school dress up days this year are Monday "The Game of Life," which is dressing as what each student intends to be in "life." Tuesday is "Guess Who," which is dressing up like any famous person. Wednesday is "Cranium vs. EA." Students dress as an athlete or mathlete. Thursday is "Jumanji" or dressing up as any animal, and finally Friday is traditionally "Spirit Day." Besides the dress up days, there are many other festivities that are planned for this year.

On Monday night, there is a Powder Puff football tournament at 8:00. Throughout the week, students participate in spirit games, choreograph class dances, and create festive hallway decorations. The time of these events is to be determined at a closer date. Tuesday night there will be both an away cross country meet at Sheldon and an away volleyball game at Western Christian. As it is homecoming week, both teams would love to see your support at these events! Wednesday is Coronation at 8:00pm in the Sami Center. The Grand Marshall is Sharon Schunk, a recently retired educator at Spirit Lake High School; the scepter bearer is Keegan Hackbarth, and flower girl is Clara Petty. Thursday night there is a home volleyball game and following the game is powder puff volleyball coached by the girls.

Friday is game day and a day packed full of fun! Friday begins with pep assemblies involving the sports teams at the elementary and middle school. During the afternoon, the high school has spirit games; however, the best part of the day begins at 2:30 with the parade. If anyone is interested in participating in the parade, please feel free to contact the school. Later that night at 5:00, tailgating starts with the Booster Club, right before the football kick off at 7:00 against Algona. Immediately following the game, there is a high school dance until midnight. This wraps up the homecoming week and hope to see everyone as excited as the student body for homecoming!

## Relief Fund for the Mitchells

Friends of Mike and Jill Mitchell have set up a relief fund to assist them in recovering from devastating losses they suffered as a result of Hurricane Harvey.

Mike and Jill Mitchell were the longtime proprietors of the Four Seasons Resort in Arnolds Park. Mike Mitchell served as Mayor of Arnolds Park for nearly 20 years. The Mitchells moved to Port Aransas, Texas, three years ago. Port Aransas was the bullseye for Hurricane Harvey and sustained winds of 132 miles per hour. The Mitchell's home suffered nearly 100 percent destruction in the storm.

A fund has been established at Northwest Bank in Arnolds Park to help the Mitchells defray storm expenses and assist them in returning some normalcy to their lives. Anyone interested in helping with a donation should stop at the bank or call the bank at 712-332-5636. Further inquiry can be made by calling Lonnie Saunders at 712-336-3410.

Iowa Sugar Factory, Waverly, Iowa • Early 1900  
 Stepping Back in Time by Jerry and Irene Clark of the Clark Museum of Okoboji area and Iowa history - Milford, Iowa.

For many years Waverly had the only sugar beet factory in Iowa. In the year 1905, a representative of the Bay City, Michigan Sugar Beet Company visited Waverly and suggested moving the factory there. The Waverly people were told, however, that there would have to be a pledge on the part of the farmers of the area to put in not less than 1,500 acres in sugar beets the first season and not less than 3,500 acres for the next two seasons. Most of the buildings were completed in 1907. In 1913, a capacity of 7,000 tons were filled. The beets arrived by wagon and rail. That fall, a yield of 45,000 tons of beets made about ten million pounds of sugar. With higher cost of production by farmers, the factory shut down. During 1942-1943, the factory made sugar syrup and did well until the rationing was lifted and it marked the end of business. This picture is interesting and so was the business. Waverly in Bremer County had a population of 8,968 in 2000. The Clark Museum displays pictures and advertising from Janesville, Fredericks, Tripoli, Waverly, Readlyn, Irma, Plainfield and Sumner in Bremer County as well as all other 99 Iowa Counties. The museum, located one mile west and a half mile north of the Milford Catholic church, is a great place for your club or organization to visit. Many signs and history from the old amusement park are on display. Bring a friend or a group. You will be amazed! For more information, call 712-338-2147 or email [ijclark1@msn.com](mailto:ijclark1@msn.com). The Clark Museum is a 501 (c) 3 Non-Profit.

# HURRICANE HARVEY

Friends of **MIKE AND JILL MITCHELL** have set up a Relief Fund to assist them in recovering from the devastating losses they suffered as a result of Hurricane Harvey.

Mike and Jill Mitchell were the longtime proprietors of the Four Season's Resort in Arnolds Park. Mike Mitchell served as Mayor of Arnolds Park for nearly 20 years. The Mitchells moved to Port Aransas, Texas three years ago. Port Aransas was the bulls eye for Hurricane Harvey and sustained winds of 132 miles per hour. The Mitchell's home suffered nearly 100% destruction in the storm.

A fund has been established at Northwest Bank in Arnolds Park, located at 46 Hwy. 71, to help the Mitchells defray storm expenses and assist them in returning some normalcy to their lives.

Anyone interested in helping with a donation should stop at the bank or call Northwest Bank at 712-332-5636.

## Iowa Great Lakes Climate Meeting to Be Held September 9

Are you concerned about climate change? Do you wonder what you can do about it? Consider joining the Iowa Great Lakes Chapter of the Citizens Climate Education and Lobby, two sister organizations working together to empower citizens to act on solutions for climate change through education and advocacy. The Iowa Great Lakes CCE/L Chapter will hold their monthly meeting at 11:00am on Saturday, September 9 in Mahan Hall, Iowa Lakeside Laboratory. Refreshments and snacks will be served.

Citizens' Climate Education (CCE) is a registered nonprofit 501(c)(3) that provides resources to educate ordinary citizens about the scientific, economic, policy, and environmental implications of climate change and climate change solutions. CCE, by contrast, has lobbying powers as a 501(c)4 organization, and is dedicated to a bipartisan approach empowering citizens to connect with and

influence their members of Congress. CCE provides the educational foundation for CCL and for any organization wishing to hone its climate communication, while CCL volunteers advocate with their members of Congress for climate solutions such as a national, revenue-neutral, carbon fee-and dividend system.

Prior to the meeting, persons new to the CCL are encouraged to visit and explore the CCL website, particularly the introductory call page: (<https://citizensclimatelobby.org/new-member/>). Existing members are encouraged to read about the Five Levers of Political Will on the CCL website, and be prepared to talk about which most interests them (<https://citizensclimatelobby.org/about-ccl-levers-of-political-will/>).

Other agenda items include the upcoming regional conference to be held at Lakeside Lab October 13 to 15. At noon we will connect with over 400

chapters from across the United States and the world in a monthly guest speaker video-conference. September's speaker is Dr. Shi-Ling Hsu, Associate Dean for Environmental Programs at the Florida State University College of Law. He is the author of *The Case for a Carbon Tax: Getting Past our Hang-ups to Effective Climate Policy*, which remains the most comprehensive general treatment and argument for carbon taxation. He teaches and writes in the areas of environmental and natural resource law, climate change, law and economics, and property.

For more information about CCE and CCL, visit [www.citizensclimateeducation.org](http://www.citizensclimateeducation.org) and [www.citizensclimatelobby.org](http://www.citizensclimatelobby.org). For information about the September 9 or local Iowa Great Lakes chapter, send us an email at [igclcl@gmail.com](mailto:igclcl@gmail.com). Everyone is welcome.

## Take Off Pounds Sensibly TOPS Club Inc.

TOPS is a non-profit organization that has been everywhere since 1948 and it is in Spirit Lake every Monday at 4:00pm at the United Methodist Church in Spirit Lake, 1812 Gary Avenue, off of highway 71. There are two rooms used. One room is the private weigh-in room and the other is for club meetings. There are nine members and several leave for the winter so they are looking for people to join. The cost is \$32.00 a year and you get a great magazine and support group. There are weekly assignments to lead the program, so having a group of ten is ideal.

Betty Sangel, President of the TOPS Club, retired from the Spirit Lake United Methodist Church after being there for over 30 years. Pictured is Betty and fellow TOPS member Cheryl aka Sherry Kloster (Loon Lake) at the retirement party held at the United Methodist Church in the Wesley Place with over 100 people attending and 22 speakers.

Come join Betty and the group. For more information contact Betty Sangel at [bsangel06@gmail.com](mailto:bsangel06@gmail.com) or just come to our next meeting on Monday, September 11, at 4:00pm.

New Powerline Technology Facility at Minnesota West

Minnesota West Community & Technical College in Jackson, Minnesota, celebrated the opening of a new indoor Powerline Technology Facility with a ribbon cutting ceremony Wednesday afternoon. Members of the community, Minnesota State Representatives, and Minnesota West constituents had the opportunity to explore and experience the hands-on training that will take place in the new 7,244 square foot, \$2.55 million state of the art indoor training facility.

Attendees were greeted by 40 powerline technology students situated at the top of ten 35 foot climbing poles as they entered the facility. A short ceremony of recognition and thanks was presented by numerous speakers, including Dr. Terry Gaalswyk, Minnesota West President, Representative Bob Gunther, Senator Julie Rosen, Brian Yoltiz, Minnesota State Associate Vice Chancellor Facilities, Doug Schuett, Minnesota West Faculty Powerline Technology Instructor, and Collin Nestande, Minnesota West Powerline Technology Student. The Jackson Chamber of Commerce and all individuals present were invited to ceremoniously cut the ribbon. Following the ribbon cutting attendees were invited to try their hand at climbing on top of the poles, under guidance and direction from the instructors and students.

Spencer Hospital Continues to Exceed State & National Averages for Value

When seeking services, consumers look for a good value which can be defined as receiving a quality product at a below average cost. For the fifth consecutive year, the federal government has recognized Spencer Hospital as a cost efficient healthcare provider that's achieving quality outcomes exceeding both state and national averages.

Six years ago, the Centers for Medicare and Medicaid Services initiated a quality initiative, called the Value Based Purchasing Program (VBP), which assesses hospital performance across a range of clinical, patient safety, patient satisfaction and cost efficiency measures. VBP represents an increasing focus by healthcare payers to slowly transition reimbursement models to be based on care outcomes and cost rather than the number of visits, tests or procedures provided.

"The evolving methodology utilized by the Medicare program is to reimburse healthcare providers based on overall value rather than volume," explained Spencer Hospital President Bill Bumgarner. "This means quality outcomes and improvement efforts are carefully measured and rewarded. Hospitals that offer quality care in a cost efficient manner can earn additional reimbursement for services provided."

In 2018, Spencer Hospital will receive an additional 0.74 percent in payment for a specific range of Medicare services. To fund the VBP program nationally, all participating hospitals receive a two percent across-the-board reduction in their Medicare reimbursement. Hospitals have the opportunity to earn the 2% back - partially or in full - or even a little extra, such as Spencer Hospital has accomplished in each of the last five years.

"While the additional dollars currently don't represent a significant increase in payments, it is a strong testament to the high quality of care being provided by local physicians and hospital employees," said Bumgarner. "We greatly appreciate the commitment of our outstanding medical staff and dedicated healthcare team for joining together to consistently achieve quality outcomes for our patients."

Worthington Regional Hospital Auxiliary Awards Scholarships

The Worthington Hospital Auxiliary presented two \$1,000 scholarships at a recent meeting. Recipients of the scholarships are:

- Dee Dee Behnke, currently the Respiratory Care Manager at the hospital, is pursuing her Bachelor's Degree in Nursing from Minnesota State University in Mankato. She plans to graduate with that degree in December 2018.
- Jacob Schemmer, currently an LPN at the cancer center, is pursuing his Associate's Degree in Nursing at Minnesota West Community and Technical College. He plans to graduate with that degree in June 2018.

The scholarship program was developed by the Auxiliary more than 30 years ago and annually awards scholarships to graduates of Minnesota West Community and Technical College, Worthington Campus, who are planning to seek additional training in the health field and/or to an employee of Sanford Worthington who is planning to further his/her education in the health field.

The 2017 Auxiliary Scholarship Committee members include Sara Ricker, co-chairperson, Holly Sieve, co-chairperson and Clara Jewson. The committee also had advisors that helped in the selection process including Kathi Haberman, lead learning and development specialist and Jena Versteeg, performance improvement specialist and risk manager.

There were four applicants - three are current Sanford Worthington employees who are furthering their education and a Minnesota West student who has completed at least one year of their medical program and are continuing their education in the health care field. All applicants had excellent grade point averages and were involved in additional activities either on campus or in the community.

Based in Worthington, Minnesota, Sanford Worthington includes Sanford Worthington Medical Center, Sanford Worthington Clinic, Sanford Worthington Acute Care Clinic, Sanford Worthington Surgery Clinic, Sanford Worthington Outreach Specialty Clinic, Sanford Worthington OB-GYN Clinic, Sanford Worthington Orthopedics & Sports Medicine and Sanford Worthington Cancer Center.

Sanford Worthington Medical Center is a 48-bed facility offering services in medical, diagnostic, therapy and outreach, surgery, women's health care, emergency and acute care. It includes 23 providers and over 400 employees and is a member of Sanford Health, an integrated health system headquartered in the Dakotas. Sanford Health is one of the largest health systems in the nation with 45 hospitals and nearly 300 clinics in nine states and four countries. For more information, visit sanfordworthington.org.

Annual Precision Agriculture and Animal Science Field Days

Iowa State University (ISU) Extension and Outreach will host its annual Precision Agriculture and Animal Science Field Days for area high school students on Tuesday through Thursday, September 5-7, at the Northwest Iowa Research Farm near Sutherland.

Over one hundred agricultural education students and their instructors are welcomed each day to take part in hands-on agriculture, and Science, Technology, Engineering and Mathematics (STEM) related activities.

"The two overall goals of Precision Agriculture and Animal Science Days are to engage youth in hands-on learning and to connect them with colleges and business and industry leaders, thereby creating awareness of the ever-evolving agriculture industry and the career opportunities within it," said Beth Bunkers, event coordinator and O'Brien and Sioux County Associate Educator with ISU Extension and Outreach.

Since the event's inception in 2015, nearly 1,000 ninth through twelfth grade students from eight Northwest Iowa Counties have attended. This year, Bunkers expects over 450 youth to attend during the three-day time period.

This year, Precision Agriculture and Animal Science Field Days will focus on precision agriculture, equine, goats and small animals.

There will be 12 different presentations each day, with a keynote speaker during the noon lunch.

"We always get great positive feedback from students and instructors, as well as our industry partners," Bunkers said. "The students and instructors appreciate having an opportunity for hands-on, out-of-the-classroom applications of what they are studying, and the industry leaders appreciate the opportunity to meet and interact with their future workforce. All of this is provided at no cost to the school, youth or presenters thanks to many generous community sponsors."

Precision Agriculture and Animal Science Days are hosted by ISU Extension and Outreach with help from several industry partners. Businesses and organizations providing financial support and in-kind donations for the 2017 Precision Agriculture and Animal Science Days include: Ag Partners, LLC; the O'Brien, Lyon, Sioux, Osceola, Dickinson, Plymouth, Buena Vista and Clay County Farm Bureaus; HyVee Distribution and Western Iowa Dairy Alliance (WIDA).

For more information on the Precision Agriculture and Animal Science Field Days, contact Bunkers at 712-957-5045 or bbunkers@iastate.edu.

"Heroes Behind the Badges" Event Helps the Community Blood Supply

The 12th annual "Heroes Behind the Badges" blood drive ended with tremendous success. The August 1 blood drive was a friendly competition between Worthington / Nobles County law enforcement and Worthington Fire Department / EMS. In the end it was the Worthington Fire / EMS winning with 83 donations compared to 41 for Worthington / Nobles County law enforcement.

A total of 135 community members participated in this blood drive event, and up to 327 lives will benefit from the blood collected. During the blood drive, donors could designate their donation to the department of their choice. Up to this point, the Worthington Fire Department / EMS has won the traveling trophy nine times and the Worthington / Nobles County Law Enforcement has won it twice. All the blood collected helped local patients.

"This was a very successful event," said Ken Versteeg, executive director of the Community Blood Bank. "The summer is a very difficult time for the blood supply, primarily due to a decrease in donations and a consistent need for blood within the community. This was a well-attended event and will make a difference in many local lives."

Community Blood Bank is the sole provider of blood and blood products to Sanford Worthington and 28 other local hospitals. For more information about blood drives, donating blood or how to schedule the bloodmobile log onto www.cbllfjeblood.org.
