# Thank You...

Bennie and I do not know how to start thanking everyone for what has been done for us. From building ramps, donating time and food, and of course the most amazing benefit! No words can describe how we felt when we arrived at the Boonshill gym and saw every seat filled with our family, friends, and loved ones. The hard work of those involved was evident in the unbelievable success of the night. We cannot begin to name all the places and people who donated auction items or made monetary donations. Our hearts are filled with so much gratitude. To see Bennie WALK into the benefit is such a testament to the dedication of his therapy team and to amazing works of our Jehovah-Rapha, the Lord who heals! Over the years we have participated in many benefits, never thinking we would be on the receiving end, but we still cannot grasp the outpouring of love and support that was shown that night. We live in such a great community. A community, including folks from surrounding counties, who support us every day in a variety of ways. We are so grateful and blessed with friends and family. We know we will never be able to repay the kindness you have shown. We love each and every one of you and pray that someday we will be able to again give back that which was so freely and unconditionally given to us. We are more than appreciative of those who worked so hard to put this together and those who unselfishly showed up to support us. We will never forget that night; we are beyond thankful.

*With Love and Gratitude,  
Bennie and Priscilla Brewer*

*I started my journey with Exchange Media Group in December 2007. While some things have changed, our commitment to small businesses has never waived. We take pride in the fact that we've helped so many over the years. Our market saturation, strong readership, great customer service and vision for the future are what sets us apart from the rest. While our print product is strong, we realize the need to have a presence online. It's exciting to tell people the new digital products and services we've added to accommodate our growing clientel.*

*"Bill Thomas, founder of the Exchange, brought me on board 25 years ago. We had 1 edition at that time and now have grown to 6 editions. Our weekly Exchange reaches over 83,000 homes and thousands of people visit our website. I love seeing my customers connect to their customers and watching their businesses grow. Many of my customers over the years have become very good friends, which has been rewarding. I have been a member of the Fayetteville Kiwanis Club for 24 years and have loved working and helping serve children in our community. I feel very fortunate to have been a member of Team Exchange Media Group for so many years."*

**Sandra Thomas**

*I can remember when Exchange made it's debut. It was just what the community needed - a place to bring buyers and sellers together; a place to showcase products and services; a place to inform, congratulate, or thank others. I know personally how well Exchange works because my family and I have used it for years. Therefore, it is an honor to recommend Exchange to my friends and customers*

*I love working with the people in the communities that make up Franklin County. From the Chamber staff and local community administrations, to the business owners and individual Exchange readers, I have met the nicest folks. They care about their neighbors and their community which makes my job meaningful.*
