A WET AND WILD RIVER QUIZ

See if you can come up with these waterways without using an atlas. In our puzzle grid, there is room for the names of nine famous rivers of the world. Below are hints to get you started. There is a dark frame around one of the columns in the grid. If you correctly name all of the rivers, the letters in this frame, top to bottom, will spell out the name of a famous North American river.

1. An old Italian river.
2. Cleopatra sailed on it.
3. Gold made it famous.
4. Made famous by boatmen's song.
5. A type of wine is named for it.
6. Home of terrifying fish.
7. Reputed to be blue at times.
8. Flows through Pakistan and India.
9. Overlooked by Big Ben.

The Big Sale
It was the day of the big sale. Rumors of the sale (and some advertising in the local paper) were the main reason for the long line that formed in front of the store by 8:30, the store's opening time.

A small man pushed his way to the front of the line, only to be pushed back, amid loud and colorful curses. On the man's second attempt, he was punched square in the jaw, and knocked around a bit, and then thrown to the end of the line again.

As he got up the second time, he said to the person at the end of the line, "That does it! If they hit me one more time, I'm not opening the store!"

Rough School Quotes

"I was scared of the headmaster. He had incredible aim with an eraser. He could sit in front of the classroom, and if you were just leaning a little bit to the side as if to talk to the person next to you, he could hit you with an eraser upside your head from, like, 40 feet." - Actor KEVIN KLINE

"I won't say our school was tough, but we had our own coroner. We used to write essays like: What I'm going to be if I grow up." -Lenny Bruce

"My school days were the happiest days of my life; which should give you some indication of the misery I've endured over the past twenty-five years." -Paul Merton

OBITUARIES

"For whether we live, we live unto the Lord; and whether we die, we die unto the Lord: whether we live therefore, or die, we are the Lord's." - Romans 14:8

Lavonne (Taylor) Lawrence

Mrs. Lavonne Lawrence, age 79, of 219 Greenwich Circle, Danville, entered the portals of Heaven to meet her Lord and Savior on Thursday, September 7, 2017. She had been in declining health for the past three weeks. She had been hospitalized in Danville and then was moved to Kindred Hospital in Greensboro where she passed away.

Mrs. Lawrence was born in Roxboro, N.C. on July 24, 1938, a daughter of the late Willie Taylor and Addie Oliver Taylor. She had retired from the former Dan River Mills, Inc. after many years of service as an inspector. Mrs. Lawrence was a member of Victory Baptist Church, but, as health allowed, she attended Spring Garden Community Church, where her son is pastor. She was predeceased by her first husband, the Rev. Vernon Crowder. On October 31, 1980, she married Wayne Lawrence who also predeceased her on July 16, 2015.

Mrs. Lawrence was a very simple woman with a heart of gold. In 2002, she had a leg amputated. She was a very strong and independent woman. Even though she was confined to a wheel chair, it never stopped her from doing her daily activities. She enjoyed cooking and was an excellent cook. She always enjoyed preparing food for people during a time of sickness or death in someone's family. She enjoyed flowers, at which she had a green thumb, and most of all, she loved her family.

Mrs. Lawrence is survived by her two sons, the Reverend Clark Crowder and wife, Linda and Carl Crowder and wife, Bonnie; one daughter, Cynthia Crowder; and a step-daughter, Pam Lawrence, all of Danville, Va. Other survivors include three grandchildren, Kitty Scott and husband, Roy, of Keeling, Lisa Crowder, and Laura Bush of Danville; three great-grandchildren, Hueston, Auston and Weston Scott; numerous nieces and nephews; her best friend, Vickie Ring and husband, Ronnie; and special neighbor, Nita Patterson. In addition to her parents and husbands, Mrs. Lawrence was predeceased by one brother, Fred Taylor; and one sister, Barbara Ann Oakes.

Funeral services were held on Sunday, September 10, 2017, at 2:30 p.m. at Barker Funeral Home Chapel, 2025 North Main Street, Danville, Va., with the Reverend Clark Crowder officiating.

Our mother has heard the Lord say, "WELL DONE THOU GOOD AND FAITHFUL SERVANT". She has fought a good fight, She has finished her course and kept the faith. Now, she is safe in the arms of Jesus.

Catherine Roberts Chandler

Mrs. Catherine Roberts Chandler, age 88, of 49 Schoolfield, Danville, VA, passed away on September 11, 2017 at Carillion Roanoke Memorial Hospital.

She was born on September 11, 1929, in Danville, VA, to the late John Roberts and Dora Grimes Roberts.

Before her retirement, Mrs. Chandler worked at Dan River Mills and was of the Baptist faith.

She is survived by her children, Richard Chandler, Jr. and his wife, Betty, of Danville, VA; Raymond Chandler, of Milton, NC; and Peggy Wright and husband, Jim, of Maine; five grandchildren; and several great-grandchildren; and three brothers.

In addition to her parents Mrs. Chandler was predeceased by two brothers and two sisters.

Graveside services will be conducted at 11:00 a.m. on Thursday, September 14, 2017 at Danville Memorial Gardens with Rev. Kenneth Hammack officiating. At other times, the family will be at the residence of her son, Richard Chandler, Jr., 49 Schoolfield Dr., Danville, VA.

Swicgood Funeral Service is respectfully serving the Chandler family.

She was born March 10, 1918, in Pittsylvania County, Va. to the late Ella Jackson Reynolds and the late Linwood Reynolds. She was also preceded in death by her husband William H. "Buck" Davis, Sr. Mrs. Davis enjoyed her life as a homemaker. She was a humble and faithful servant of the Lord, with such a sweet spirit, angelic personality, and beautiful smile. Mrs. Davis was a member of First Pentecostal Holiness Church, Danville.

Mrs. Davis is survived by her daughter, Sandra D. Short and husband, Bobby of Dry Fork, Va.; her sons, William H. Davis, Jr. of North Carolina, and Steven L. Davis, of Danville; her sister, Hazel Gregory of Danville; as well as eight grandchildren, and seven great-grandchildren.

Cancer Survivors Recognized at Luncheon

Picture-Cancer survivors attending the Celebration of Hope Luncheon at the home of Sharon Souers were front row (L to R) Rose Mary Meadows, Dorothy Chludzinski, Pam Brooks, Dianne McMahon, Barbara Miragliuolo; back row Sharon Souers, Independent Longaberger Home Consultant; Martha Montgomery, Sandra Driskill, JoAnn Johnson, Cheryl Horne, Linda Dodson, Robin Lawrence, and Paula Vandegriff. Gloria Sink was not present for the picture.

Cancer survivors received Longaberger Collectors Club Birdbath Stand while attending the fifteenth annual Celebration of Hope luncheon.

This year's event netted over \$2900 for the Danville Pittsylvania Cancer Association. In the fifteen years that this event has been held, Souers has raised over \$35,300 to help local cancer patients.

Fifty-seven guests were welcomed by a walkway of pink flags honoring and remembering cancer victims.

Paula Vandegriff was the guest speaker, and spoke about breast cancer and early detection.

A silent auction was included in the activities as well as recognizing Longaberger hostesses for their accomplishments during the year.

The Danville Fire Department held a ceremony this past Monday in honor of the lives lost on 9/11/2001.

"We will never forget."

Students and staff at Westover Christian Academy were thankful to have been able to collect and deliver about 800 cases of bottled water to God's Pit Crew to be sent to the hurricane victims down south. Students and parents also volunteered at God's Pit Crew to prepare blessing buckets and help load the trucks that were headed to Texas.

Even though the hurricanes have passed, the need for supplies has not. God's Pit Crew is still in need of donations of personal items to go inside the blessing buckets. You can find a list of items needed at www.godspitcrew.org.

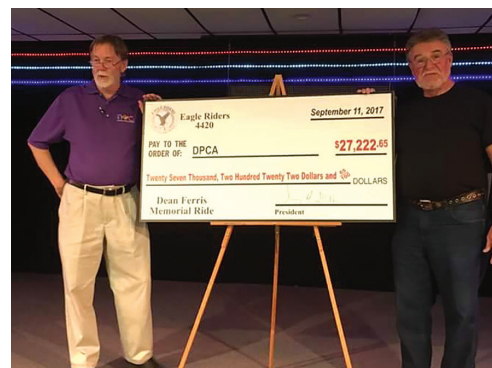

Eagle Riders Dean Ferris Memorial Ride to Benefit the Danville Pittsylvania Cancer Association

Eagle Riders, making a difference in your community

The Eagle Riders is a small club within a club of the Fraternal Order of Eagles located at 5731 South Boston Hwy. Sutherlin, VA 24594. We like to ride motorcycles and help others doing it, we have just finish our eight annual Dean Ferris Memorial Poker Run which we started working on in May our ride started at Thunder Road Harley Davidson in Danville, VA on August 19, 2017 with sign up 11 until 1245 pm and kickstands up at 1 pm. We had 55 bikes to sign up and several cars and trucks for a change we had beautiful weather on this Saturday. We traveled app.66 miles with 3 stops for poker hand drawing on our arrival at the club we were greeted by about 20 of our group that had been getting the food ready and had American flags lined up on the highway. After BBQ, baked beans, slaw and soda we moved on to our live auction, silent auction, 50/50, raffle drawing and announce the poker run winner. With a few hours of all this we take a short break then on stage is the Oldschool band. The last six of these rides have been to benefit the Danville Pittsylvania Cancer Association. We started in 2012 with the D.C.A. because we felt that to donate to an organization that can reach out to a larger segment of need. Cancer is a terrible disease and the money stays local to provide to the folks that help us raise the money. The Eagle Riders only fundraiser is the Dean Ride and it is a year round job we accept monetary donations as well as anything of value that we can auction when the ride comes around. We are always looking for sponsors big and small and I would love to talk with you and explain anything you need to know for you to come on board with us. For this year we gave the D.P.C.A. checks for a total of \$27,222.65 on Sept. 11, 2017 for a six year total of \$99,947.40 we need your help to keep fighting the battle. President Eagle Riders, Jerry Shelton 434-251-0994 e-mail (shj19462001@yahoo.com)

The Hermit in the Garden: From Imperial Rome to Ornamental Gnome, by Gordon Campbell, Oxford University Press

In 18th-century England, Scotland and Ireland, wealthy landowners hired persons to grow their hair, not wash, and live as "hermits" on their estates. This symbolized elite awareness of melancholia and mortality amongst the nobility. Towards the end of the century, erecting statues of such figures replaced the actual hiring of persons to live the part on one's property, and it is supposed that the placing of smaller statues commonly called "gnomes" in one's garden evolved from this practice. - Brenda Weaver

- Who wrote and released "Your Mama Don't Dance," and when?
- What Motown group released "Bernadette"?
- Name the group that penned and released "Broken Down Angel."
- Which group had a hit with "Shake Sherry"?
- Name the song that contains this lyric: "Feeling down 'n' dirty, feeling kinda mean, I've been from one to another extreme, This time I had a good time, ain't got time to wait."

Answers

- Loggins and Messina, in 1972. Australian group Bootleg Family had a hit with a debut single cover in 1973, as did Poison in 1989.
- The Four Tops, in 1967. As with many of the Motown hits, this is another by the Holland-Dozier-Holland writing team.
- Scottish band Nazareth, in 1973. They took their name from "The Weight" by The Band, which mentions the Pennsylvania town, Nazareth ... which just happens to be the location of the Martin guitar factory and museum.
- The Contours, in 1962. The word "shake" appears 54 times in the song.
- "Double Vision," by Foreigner in 1978. Legend says that the song title came from a hockey game where the goalie got slammed hard and had to be taken out of the game because he had ... you guessed it ... double vision.

Strange BUT TRUE

By Samantha Weaver

* It was American author and political activist Barbara Ehrenreich who made the following sage observation: "No matter that patriotism is too often the refuge of scoundrels. Dissent, rebellion and all-around hell-raising remain the true duty of patriots."

* Coke has the honor of being the first soft drink in space. Members of the Space Shuttle Challenger drank the beverage from a specially designed "Coca-Cola Space Can."

* Andrew Jackson, the seventh president of the United States, was one tough son of a gun. In his youth, his fighting prowess won him fame as a national hero for defeating the British at the Battle of New Orleans during the War of 1812 -- and he never slowed down, it seemed. At the age of 67, he was at a speaking engagement when a member of the audience pulled out a gun and tried to shoot him. When the gun misfired, President Jackson used his walking stick to beat his attacker almost senseless.

* If you're like the typical human, it takes your brain about 0.0004 seconds to retrieve any given memory.

* Even in these modern days, certain maritime traditions hold on. For instance, when a new ship is launched for the first time, the water that first touches the ship is caught in a bottle. Once sealed, that bottle stays with the ship; it's typically displayed in the captain's office, near the bridge.

* On a per-capita basis, residents of Mexico consume more carbonated drinks than people in any other country on Earth.

 Thought for the Day: "I have always supported measures and principles, and not men. I have acted fearless and independent, and I never will regret my course. I would rather be politically buried than to be hypocritically immortalized." -- Davy Crockett

Piedmont Shopper FAVORITE RECIPES

Crockpot Chicken and Dumplings

INGREDIENTS

- 1 onion, chopped
- 1 1/4 lb. boneless skinless chicken breasts
- 1 tsp. oregano
- kosher salt
- Freshly ground black pepper
- 2 cans cream of chicken soup
- 2 c. low-sodium chicken broth
- 4 sprigs thyme
- 1 bay leaf
- 2 stalks celery, chopped
- 2 carrots, chopped
- 1 c. frozen peas, thawed
- 3 cloves garlic, minced
- 1 tube refrigerated biscuit dough
- 1/2 c. freshly grated Parmesan
- 2 tbsp. chopped parsley

DIRECTIONS

To the bowl of a large slow cooker, add onion in an even layer in the bottom of the bowl and place chicken breasts on top. Add oregano and season with salt and pepper.
 Pour soup and chicken broth on top then add the thyme and bay leaf. Cover and cook on high for 3 hours, or until the chicken is cooked through. Discard thyme and bay leaf, then shred the cooked chicken with two forks. Stir in celery, carrots, peas and garlic.
 Cut biscuits into small pieces. Top the chicken mixture with the biscuits and cook on high for another hour, until the vegetables are tender and the biscuits are cooked through.
 Garnish with parsley and serve.

ARIES (March 21 to April 19) This is a good time for the usually outspoken Lamb to be a bit more discreet. You still can get your point across, but do it in a way less likely to turn off a potential supporter.

TAURUS (April 20 to May 20) Good news: All that hard work you put in is beginning to pay off. But you need to watch that tendency to insist on doing things your way or no way. Be a bit more flexible.

GEMINI (May 21 to June 20) You might want to delay making a decision on the future of a long-standing relationship until you check out some heretofore hidden details that are just now beginning to emerge.

CANCER (June 21 to July 22) Your reluctance to compromise on an important issue could backfire without more facts to support your position. Weigh your options carefully before making your next move.

LEO (July 23 to August 22) This is a good time for ambitious Leos or Leonas to shift from planning their next move to actually doing it. Your communication skills help persuade others to join you.

VIRGO (August 23 to September 22) Relationships -- personal or professional -- present new challenges. Be careful not to let a sudden surge of stubbornness influence how you choose to deal with them.

LIBRA (September 23 to October 22) You might need more facts before you can decide on a possible career change. But you should have no problem making a decision about an important personal matter.

SCORPIO (October 23 to November 21) You're respected by most people for your direct, no-nonsense approach to the issues. But be careful you don't replace honest skepticism with stinging sarcasm.

SAGITTARIUS (November 22 to December 21) A newly emerging situation could require a good deal of attention and some difficult decision-making. However, close friends will help you see it through.

CAPRICORN (December 22 to January 19) Family matters need attention. Check things out carefully. There still might be unresolved tensions that could hinder your efforts to repair damaged relationships.

AQUARIUS (January 20 to February 18) Of course you deserve to indulge yourself in something special. But for now, tuck that bit of mad money away. You'll need it to help with a looming cash crunch.

PISCES (February 19 to March 20) A temporary setback in your financial situation is eased by changing some of your plans. You'll be able to ride it out quite well until the tide turns back in your favor.

BORN THIS WEEK: You have a gift for understanding people's needs. You have a low tolerance for those who act without concern for others.

* Wondering which loan you should focus on first in your debt-free strategy? Shoot for the one with the highest interest rate, generally. Or, if you're the type who needs motivation beyond the knowledge that you are freeing yourself financially, stack them smallest to largest. * "Pickle juice: What is it good for? Lots! You can drink it if you have a muscle cramp, or in the summer when it's really hot and you're working out to keep from getting dehydrated. But I sometimes like lightly pickled veggies (carrots, cukes and peppers), so when I'm done with the last pickle, I pour the juice and some rough chopped veggies in a saucepot, bring it to a boil and put them right back in the pickle jar. Put it in the fridge, and you'll have pickled veggies in a few days!" -- M.A. in Alabama (Be sure to eat within a week!)

* D.M. in New York writes: "If you are making chocolate cake, replace the water in the recipe with an equal amount of chocolate syrup for a good, deep chocolate flavor." Yummy! Or, just add a squirt to a box mix. That works, too.
