HOME INSPECTION:

What is a home inspection, what is the real purpose?

A home inspection is a thorough inspection of the house that you are purchasing. The home inspector will usually start on the exterior of the home and walk around the home looking for any deficiencies. While you are there with the inspector it is the time for you to ask any maintenance questions or any questions that you may want answered.

The inspector will check the plumbing, the mechanicals of the house, safety concerns and general maintenance. This inspection is for you to look for major structural deficiencies or safety concerns throughout the

house. Some buyers are led to believe that the inspection results are for them to go to the seller with a punch list of small items.

Please remember that your goal doing an inspection is to look for major items of concern. The inspector also tells you the items that will need maintenance down the road that is their job. The inspection is not really for the purchaser to go to the seller and ask for every little item on the list to be corrected. You have to remember you're buying a home that has been lived in and every home has wrinkles as it gets older. Kind of like we do.

Terms & Conditions

As you know, your Oneida Daily Dispatch subscription is a continuous one, which means it automatically renews at the end of the SUBSCRIPTION TERM. The SUBSCRIPTION TERM is the billing interval that you selected as the initiation of the subscription. You may cancel or modify your subscription at any time by calling customer care. Furthermore, all home delivery subscriptions will include the Thanksgiving edition, which will be charged an additional \$3.00. In addition, all home delivery subscriptions will include no more than three (3) other Special Editions annually, which will be charged to the subscriber's account at \$1.50 each. If you do not want to receive these Special Editions, you may call customer care to opt out. If you do not opt out, your SUBSCRIPTION TERM will be shortened. Subscription credit will no longer be available during vacation periods. Subscribers going on vacation who want to stop delivery should call Customer Service at 1-888-699-2199 to request a vacation stop with delivery resuming upon the date you select for a return of service. Subscribers can continue to enjoy their newspaper upon return of service if a vacation pack (up to 2 weeks) is requested. Customer can also continue to donate their subscription value to our Newspaper In Education (NIE) program. You may cancel at any time by calling Customer Service. When you cancel, you cancel only future charges associated with your subscription. Such cancellation becomes effective at the end of your current billing period. You will not receive a refund for the current billing cycle. You will continue to have the same access and benefits of your product for the remainder of the current billing period. We reserve the right to issue refunds or credits at our sole discretion. If

we issue a refund or credit, we are under no obligation to issue the same or similar refund in the future. The Publisher reserves the right to change subscription rates during the term of any subscription. Rate changes may be implemented by shortening the duration of the subscription term. By agreeing to the Easy Pay option and signing the enrollment form, I authorize the Oneida Daily Dispatch to automatically charge my credit/ debit card for my continuous subscription (and renewals thereof) at the listed monthly payment amount. I understand that the length of the SUBSCRIPTION TERM may vary because of the inclusion of special editions during the term. This authorization may be revoked by me at any time by calling customer service at 1-888-699-2199. This authority remains in effect until canceled by me. I will be notified no less than 10 days in advance of any price increase or any variation from the amount associated with my SUBSCRIPTION TERM. Revocation of this authorization does not cancel my subscription and I must pay for it by other means. I agree to all Terms and Conditions of this notice. While most subscriber issues are corrected quickly with a simple call to subscriber services, there are occasions where disputes are not immediately resolved. To remedy this, we have joined cable companies, cellular providers and others in instituting an arbitration program. This simply means that if a consumer files a claim, arbitration allows a prompt resolution to the dispute without requiring either party to invest the time and expense of a lawsuit in court. As a subscriber, participation in the arbitration program is automatic. Details of this program can be found on <http://local.digitalfirstmedia.com/common/dm/arbitration.pdf>. If you have questions regarding these policies, please call subscriber services.
