BIBLICALLY RESPONSIBLE INVESTING

Did you know that your Retirement Investments could be helping promote pornography, abortion and helping destroy God's family?
Some would rather hide their head in the sand than to know the truth about their investments.

HERE IS WHAT GOD'S WORD HAS TO SAY ABOUT IT...

"And if you are untrustworthy about worldly wealth, who will trust you with the true riches of Heaven?" Luke 16:11

Insight from God's Word: We need to be responsible in handling all that God has provided for us. If we are not responsible, God will not trust us with riches beyond the material.
Aligning your investments with your beliefs, values, and faith can be simple and I can show you how.

Business Development

I started my journey with Exchange Media Group in December 2007. While some things have changed, our commitment to small businesses has never waived. We take pride in the fact that we’ve helped so many over the years. Our market saturation, strong readership, great customer service and vision for the future are what sets us apart from the rest. While our print product is strong, we realize the need to have a presence online. It’s exciting to tell people the new digital products and services we’ve added to accommodate our growing clientel.

I love my job and my customers!

Mary Ann Marsh

Business Development

“Bill Thomas, founder of the Exchange, brought me on board 25 years ago. We had 1 edition at that time and now have grown to 6 editions. Our weekly Exchange reaches over 83,000 homes and thousands of people visit our website. I love seeing my customers connect to their customers and watching their businesses grow. Many of my customers over the years have become very good friends, which has been rewarding. I have been a member of the Fayetteville Kiwanis Club for 24 years and have loved working and helping serve children in our community. I feel very fortunate to have been a member of Team Exchange Media Group for so many years.”

Sandra Thomas

Business Development

I can remember when Exchange made it’s debut. It was just what the community needed - a place to bring buyers and sellers together; a place to showcase products and services; a place to inform, congratulate, or thank others. I know personally how well Exchange works because my family and I have used it for years. Therefore, it is an honor to recommend Exchange to my friends and customers

I love working with the people in the communities that make up Franklin County. From the Chamber staff and local community administrations, to the business owners and individual Exchange readers, I have met the nicest folks. They care about their neighbors and their community which makes my job meaningful.
