Pizza Ranch Tip Night
 Wednesday, September 20 from 5-8 for Allison (Bylsma) Decker.
 Allison is a young married mom of 3 who does daycare in her home. In May she was diagnosed with an aggressive form of thyroid cancer which led to 2 neck surgeries. Following the surgeries she learned that the cancer had spread to her lungs. In August she underwent radioactive iodine treatment (during which she needed to be isolated from her family) to get rid of the cancer in her neck and lungs. There is still some residual cancer still left but there is hope that with medication the rest of the cancer cells will be eliminated. Allison will continue to have frequent doctor appointments for the next several years.
 Due to the large medical expenses, travel, and days of lost work we are asking the community to join together and support Allison, Tyler, and their three small girls by going to eat at Pizza Ranch on Wednesday! A portion of the nights proceeds will go to Allison so even if it doesn't work to eat at the Ranch any carry out or delivery orders will help. Thank You!

LED: the smart choice
 ENERGY STAR® LEDs use up to 90 percent less energy than traditional incandescent bulbs and last at least 15 times longer. That means an LED will save about \$80 in electricity costs over its lifetime.
 LEDs produce less heat and are available in a variety of shapes, sizes and colors. Many are also dimmable.
 We offer these rebates:
 • LED screw-in bulb: \$2
 • LED recessed can fixture or kit: \$4

National Farm Safety & Health Week

September Seventeen through Twenty-Three

Since Franklin D. Roosevelt signed the first official document in 1944, the third week of September is known nationally as Farm Safety and Health Week. This year September 17-23 we will commemorate and encourage more than ever, safety on the farm with the theme of "Working Together for Safety in Agriculture".

The Department of Labor has again named the agriculture industry the most dangerous sector to be in, with 21.2 deaths per 100,000 workers annually. These fatalities can be stopped. It is important to keep safety in mind while working on the farm and protecting your family from being a part of this statistic. Remember that every day can be a safe day on the farm and we encourage you to take the necessary precautions during the upcoming harvest season.
