To all my wonderful customers:

Please allow me to clarify the rumors regarding the sale of my company and my retirement. Neither are true! I do intend to transfer my business by January 2019, but will continue to have an active role in its production and function. I am proud of the 37 years of service that I have offered the region and plan on many more years of being the "BUG LADY."

The Genesee Naturalist announces the Autumn Guided Hike Programs in Letchworth State Park and the Genesee State Parks Region

(Castile, NY, September 19, 2017) Autumn offers a kaleidoscopic of color in Letchworth State Park and it's the ideal time to venture deep into nature for its beauty, peace, quiet and serenity.

Nearly 70 miles of hiking trails are open for exploration in the park and along with programs that interpret this natural wonderland, the 'color season' is the ultimate time for a visit.

The Genesee Naturalist is a comprehensive quarterly publication that announces the guided hikes, lectures and programs offered throughout the year in Letchworth State Park and the Genesee Region. A calendar of events format lists a variety of narrated hikes through the park and programs at the new Humphrey Nature Center.

The Naturalist is also beautifully illustrated, includes articles on flora and fauna and history within the park and region and is a resource for a variety of regional outdoor locations for family-oriented activities.

In addition to programming that takes place all year long, the autumn addition introduces a new, interactive series called "Friday Frolic." Park Naturalist Douglas Bassett, a 45-year veteran of Letchworth State Park will explore the Humphrey Nature Center and nearby areas based on the interests of each week's participants. All ages are welcome and encouraged to bring show-and-tell items for discussion and interpretation.

Another popular program is called the "Crepuscular Walk." Experience the changing colors and moods in nature during the blending zone of daylight and "nighlight." A park naturalist guides this unique tour and sky gazing is encouraged.

The Genesee Naturalist is supported, in part, by patron donations and is available in several park locations. For further information on having The Genesee Naturalist mailed to you and how to support the effort of The Naturalist, call Letchworth State Park 585-493-3600. For information about New York State Parks, please visit our website at www.nysparks.com

The New York State Office of Parks, Recreation and Historic Preservation oversees more than 250 parks, historic sites, recreational trails, golf courses, boat launches and more, which are visited by 69 million people annually. For more information on any of these recreation areas, call 518-474-0456 or visit www.parks.ny.gov, connect with us on Facebook, or follow on Instagram and Twitter.

PRAYER TO THE HOLY SPIRIT:

Holy Spirit, You who makes me see everything and who shows me the way to reach my ideal; You who gives me the divine gift to forgive and forget the wrong that is done to me; and You who are in all instances of my life with me; I, in this short dialogue, want to thank You for everything and confirm once more that I never want to be separated from You no matter how great material desires may be. I want to be with You and my loved ones in perpetual glory. Amen. Thank You for Your love towards me and my loved ones. A person must pray this prayer 3 consecutive days without asking your wish. After the third day, your wish will be granted no matter how difficult it may be. Then promise to publish this dialogue as soon as your favor has been granted. Thank you Holy Spirit, Saint Anthony and Saint Joseph. G. S.
