Eye Exam

I believe my daughter wants a pair of glasses. I don't know why she does. Perhaps glasses are now "cool" to have in school? But though she sees just fine, she still says she needs glasses.

I took her to the eye doctor just to check it out, though. She was asked to read the bottom row of letters on the eye chart.

She said, "All right, I can see the 'O' and the 'P' and the 'T,' but not the 'N' and the 'Z.'"

ARIES (March 21 to April 19) Although you love being the focus of attention, it's a good idea to take a few steps back right now to just watch the action. What you see can help with an upcoming decision.

TAURUS (April 20 to May 20) "Caution" continues to be your watchword this week, as a former colleague tries to reconnect old links. There are still some dark places that need to be illuminated.

GEMINI (May 21 to June 20) Making a good first impression is important. Revealing your often hidden sense of humor can help you get through some of the more awkward situations.

CANCER (June 21 to July 22) Taking that Cancer Crab image too seriously? Lighten up. Instead of complaining about your problems, start resolving them. A friend would be happy to help.

LEO (July 23 to August 22) A widening distance between you and that special person needs to be handled with honesty and sensitivity. Don't let jealousy create an even greater gap between you two.

VIRGO (August 23 to September 22) Congratulations. Your handling of a delicate family matter rates kudos. But no resting on your laurels just yet. You still have to resolve that on-the-job problem.

LIBRA (September 23 to October 22) You might surprise everyone by being unusually impulsive this week. But even level-headed Libras need to do the unexpected now and then.

SCORPIO (October 23 to November 21) A period of turmoil gives way to a calmer, more settled environment. Use this quieter time to patch up neglected personal and/or professional relationships.

SAGITTARIUS (November 22 to December 21) A new relationship could create resentment among family and friends who feel left out of your life. Show them you care by making more time for them.

CAPRICORN (December 22 to January 19) Concentrate on completing all your unfinished tasks before deadline. You'll then be able to use this freed-up time to research new career opportunities.

AQUARIUS (January 20 to February 18) You're right to try to help colleagues resolve their heated differences. But keep your objectivity and avoid showing any favoritism 'twixt the two sides.

PISCES (February 19 to March 20) Your personal life continues to show positive changes. Enjoy this happy turn of events, by all means. But be careful not to neglect your workplace obligations.

BORN THIS WEEK: People of all ages look to you for advice and encouragement. You would make an excellent counselor.

GRIZZLY BEAR VS TOYOTA

Last Monday morning he came out to find the inside of his 18 month old Toyota Sequoia trashed. A grizzly bear had somehow got a door open (easy considering the way the handles are) and once inside got trapped when the door shut behind him. Probably the wind. The Toyota was a platinum edition, all the door panels were ripped off, the headliner torn to pieces, all headrests, the leather seats, the dash shredded. The steering column was twisted sideways. Two of the six airbags went off, the other four the bear ripped to pieces. You can imagine a trapped grizzly being hit with an airbag in an enclosed space must have figured he was in for the fight of his life. When the bear ripped off the door panels he clawed all the wiring harnesses out. Toyota figures every wire he pulled or clawed at resulted in bells, voices or sparks. The head mechanic at Calgary Toyota doubted if they had the expertise to put it back together. To add insult to injury the bear took a big dump in the back of the SUV and then broke out the rear window.

Strange BUT TRUE

By Samantha Weaver

* It was anti-apartheid activist, Nobel Peace Prize winner and South African president Nelson Mandela who made the following sage observation: "If you want to make peace with your enemy, you have to work with your enemy. Then he becomes your partner."

* In 1946, there were only 10,000 privately owned television sets in the United States. By 1952, that number had grown to 12 million.

* Those who study such things say that the mouth of an anteater is only an inch wide.

* Alexander III of Macedon earned the moniker Alexander the Great by embarking on an unprecedented military campaign in Asia and north Africa after he became king at the age of 20. By the time he was 30, his empire stretched from Greece to present-day India. One of the things that made his army different is that he required his soldiers to be clean-shaven. He felt that during battle, beards made a convenient handhold and could be grabbed by their enemies.

* You might be surprised to learn that there is no such thing as a poisonous snake. Of course, there are venomous snakes. What's the difference, you may ask. Well, something that is poisonous has detrimental effects when you ingest it -- for example, poisonous mushrooms. As a general rule, eating snake meat won't hurt you. Because snakes inject the toxin into your bloodstream, they're venomous.

Thought for the Day: "A writer -- and I believe, generally all persons -- must think that whatever happens to him or her is a resource. All things have been given to us for a purpose, and an artist must feel this more intensely. All that happens to us, including our humiliations, our misfortunes, our embarrassments, all is given to us as raw material, as clay, so that we may shape our art." --Jorge Luis Borges

Now here's a tip!

by Jo Ann Derson

* If your hot pad gets wet, do not use it. Wet fabrics transfer heat easily, and you could end up with a nasty steam burn.

* Kids love their sports, and here are a couple of tips from a seasoned coach: "Have one bag per sport if you are playing multiple sports; make sure each bag is stocked with all the items you'll need to practice effectively. If you wear gear that collects sweat (football or hockey pads and other safety gear), be sure to spray it with a disinfectant/deodorizer after each use and hang it to dry between uses." -- Coach P. in North Carolina

* "A great way to use smaller pumpkins for outdoor decorations for Halloween is to get a small one for each letter in your family's last name. Carve one letter into each pumpkin. Set them up with candles and line them up in front of your house. Then, you can light them and make a fun message. Also, you could use Halloween-themed words, like 'Boo' and 'Spooky,' etc." -- V.S. in Wisconsin

* Here are two tailgating tips: Designate a cooler just for kids with appropriate beverages and small snacks. Also, use colored chalk to create a "don't pass" line around the grill area.

* To eat a healthier meal, start by filling half your plate with veggies. Limit starches to a quarter of your plate and protein sources to the other quarter. Begin and end with a glass of water. That's a great start!

* If you haven't already, find out if your routine utility services and banking have electronic statements. You can save yourself the trouble of filing and storing all that paper, which you likely won't need. Electronic statements can be saved on a portable drive, accessed anytime and printed out only when necessary.

Send your tips to Now Here's a Tip, 628 Virginia Drive, Orlando, FL 32803.

Lazy Worker

A construction site foreman had 10 very lazy men working for him, so one day he decided to trick them into doing some work for a change.

"I've got a really easy job today for the laziest one among you," he announced. "Will the laziest man please put his hand up."

Nine hands went up.

"Why didn't you put your hand up?" he asked the 10th man.

"Too much trouble," he responded.

FLASHBACK
POP ROCK & SOUL TRIVIA BY MIKE

Trivia test by Fifi Rodriguez

1. "Touch and Go" was released by what group?
2. Which band scored a Top 10 hit with "Green-Eyed Lady"?
3. Name the only song Herb Alpert sang and recorded.
4. What is the message in the 1963 "Wives and Lovers"?
5. Name the song that contains this lyric: "Remember when the days were long, And rolled beneath a deep blue sky, Didn't have a care in the world."

Answers

1. The Cars, off their "Panorama" album in 1980. The song only went to No. 37 in the U.S., but soared to No. 2 in France. Go figure.
2. Sugarloaf, in 1970. The original single came in at almost six minutes, but had to be cut to three minutes for airplay.
3. "This Guy's in Love with You," in 1968. Known as a trumpet player, this was the rare occasion when his singing voice was recorded.
4. Wives should stay attractive for their husbands, say the lyrics, so he doesn't stray.
5. "The End of the Innocence," by Don Henley, in 1989. For its relatively simple lost-innocence lyrics, the song buries complicated meaning between the lines: baby boomers, consumerism, corruption and politics.

Can Dog, Grandson Ever be Friends?

 DEAR PAW'S CORNER: I was hoping that my 3-year-old grandson and my dog "Charlie" would get along. But Charlie, who's a little Chihuahua, always barks like crazy when my grandson walks in the room. It scares my grandson, who starts crying. How can I bring these two together to be friends? -- Jerry T., Wichita, Kansas

DEAR JERRY: You may need to wait until your grandson is a little bit older to properly introduce them. Charlie appears to be getting stressed when the toddler comes into the room. Is Charlie a rescue? Maybe there's an incident in his past that is making him nervous when small children are around. Or, being a small dog, Charlie may simply be unnerved by your grandson's size or gait. If your grandson is old enough to follow instructions and exercise some self-control, you can carefully introduce the two. Hold Charlie in your arms so that he feels safe, and so you can keep him at or just a little higher than your grandson's line of sight. Tell your grandson not to try and touch or grab Charlie, and to speak quietly. At this point, if Charlie remains calm when he's face to face with a toddler, then give your grandson permission to pet Charlie gently. If your dog growls or gives any sign of being stressed, back away or have your grandson pull back, to prevent any nips or wild barking. Don't get discouraged if the relationship doesn't work out, and don't force it. Instead, focus on teaching your grandson how to safely approach and interact with dogs. When he's older and has more self-control, you again can try to bring them together.

All-Wooden Washboard

The 19th century in the U.S. was a time of invention. The patent office at first required a working model of an invention, but later, just accurate drawings and details were enough. Victorians loved gadgets and specialty tools. There were hundreds of patents granted for apple peelers, lighting devices, corkscrews, fruit jars, washing machines, washboards, toasters, napkin rings and cooking pots, and today there are collector clubs for almost every one of these specialties.

This all-wooden washboard sold at auction for \$195. It is 22 inches high and still in working condition, although it is at least 80 years old.

An unusual all-wooden washboard was sold in 2016 by Hess Auction Group. It has threaded wooden rollers instead of a corrugated metal or glass rubbing surface. The maple rollers rolled in opposite directions and, according to the ads, the "screw threads do all the work." The first wooden rollers were made by the Hubbard Brothers, and the Mother Hubbard Roller Washboard was a popular item sold door-to-door in the early 1900s. The washboards were no longer made after 1935, because they

were not needed if you had an electric washing machine. At the 2016 auction, a Mother Hubbard Patent Roller Washboard sold for \$195.

Q. How much are the 1996 edition of Pokemon cards worth? The cards are American and Japanese, and are in albums, but a few are missing. We think some might be worth something. How can we find out?

A. Pokemon started out as a video game for Game Boy in February 1996. The name Pokemon is a contraction of the words "Pocket Monster." The first Pokemon cards were Pocket Monster cards issued in Japan in October 1996. There were 102 cards in the set. The first Pokemon cards in English were in the Demo Game pack, issued in limited quantity in December 1998. The first set of 102 cards in English was issued in the U.S. in January 1999.

There are over 700 different Pokemon characters today. Incomplete sets of cards sell online for a few dollars. Value is determined by rarity and condition. The best place to find current values is to go to a card show or to a store that sells cards.

OBITUARIES

"For whether we live, we live unto the Lord; and whether we die, we die unto the Lord: whether we live therefore, or die, we are the Lord's." - Romans 14:8

Joyce (Adams) Reynolds

To be absent from the body is to be present with the Lord, and Joyce is now with the Lord, as her physical suffering and loneliness without her "Whitey" have come to a close. She answered a call from her Lord & Savior on the 24th of September and made her ascension into the realms of glory. She departed her earthly life from Alamance Regional Medical Center after a decline in

health of the last several months. She has been healed of all pain, heartache, forgetfulness, sickness, loneliness and suffering that formerly ravaged her body, and is now whole, rejoicing with her heavenly father and the angels.

She was born on December 5, 1928 in Danville, VA to the late John and Nettie Adams, the third of four children born of this union. She lived most of her life in Danville, VA until April 2017 when she and her husband relocated to Brookdale Assisted Living in Burlington, NC, to be closer to their daughter, and then just 4 weeks ago to The Cottage at Blakey Hall in Elon, NC.

She retired from Dan River Mills after 44 years of service in the Inspection Room, followed by a second job that she enjoyed immensely until the age of 80 as a "demo girl" doing product demonstrations in grocery stores. She never met a stranger, and this job offered her the opportunity to be the friendly soul she was to everyone she encountered. Joyce was also a faithful member of Timberlake Baptist Church for many years until her health started to fail and she could no longer attend formal worship services.

Joyce will always be remembered for her nurturing and humble spirit, her precious smile, her fabulous cooking, her cozy home of which she took immense pride, and her immeasurable love for her family and all who were blessed to have been her friend.

In addition to her parents, she was predeceased by the love of her life of nearly 67 years - her husband Harold B. "Whitey" Reynolds, who made his ascension into Heaven just 3 months ago on June 19th; her loving son, Mark Anthony Reynolds; her sister and best friend, Norma Davis; and her brother, Irving Adams.

Joyce was a loving and devoted wife, mother, grandmother, great-grandmother, and friend, but most importantly, a child of God. She is survived by her daughter, Carol Reynolds Wynn (Mike) of Cedar Grove, NC; grandchildren, Ryan Woods of Mebane, NC, Emilee Woods of Durham, NC, and Ashley Reynolds Barta of Hutchinson, KS; great-grandson Lucas Barta of Hutchinson, KS; and sister Carolyn Page (David) of Greensboro, NC.

The family would like to thank the compassionate staff of The Cottage at Blakey Hall and Alamance Regional Medical Center, for they so lovingly cared for her and her family. We are especially grateful to Margaret at Blakey Hall, as her kindness and exemplary love shall forever be cherished.

A graveside service will be held at Highland Burial Park (North Main side) on Wednesday, September 27, 2017 at 11 a.m. with the Reverend Ken Tilley officiating. In lieu of flowers, donations may be made to the Alzheimer's Association, St. Jude, Disabled American Veterans, or an animal rescue group of your choice. Swicegood is assisting the family.

In addition to them, she is also survived by her companion, Roosavelt Holly Jr. of Danville, VA.

Arrangements are being made at Swicegood Funeral Home and a memorial for Stacy will be held at a later date.

Mack O. Gentry Jr.

The family of Mack O. Gentry, Jr. would like to thank everyone for your kindness during the loss of Mack. Every visit, call, text, Bible donated in Mack's honor, card, food, and any other gift, thought, and prayer is very much appreciated. A special thanks to Rev. Dr. Jackie Spence and David Hatcher for officiating at Mack's memorial. When you see the sun shine so beautiful, or hear the rumble of a motorcycle, or see the Steelers on the field please think of Mack. Continue to remember the family in your prayers.

**In Memory of
Steven F Emerson,
born September 28th
1961; passed away
September 3rd 2015.**

He was very special to his family and friends. Steven was born with Down Syndrome, however Steven achieved many goals in his life; we will always remember how he loved to swing in the backyard; his favorite foods-hamburgers and of course, Hardees. Other things he enjoyed were playing his keyboard and guitar, singing, listening to cd's by Elvis Presley, and going to church with his mom and dad. Steven touched a lot of people's lives. I have written a book on Steven's life titled: Joy In Difficult Times. It will be out soon. Although Steven needed help in every way, he was loved very much, and we were able to take care of him at home. Even in difficult times, there was joy for all of us. He would make us laugh at things he would do or say. Steven was such a blessing. Happy Birthday in Heaven, sweet Steven!

**In loving memories,
Mom, Dad, Debbie, Jerry, Josh, Shannon,
Cole, and Jerry Jr.**

Community invited to decorate Ballou Park

DANVILLE – Danville Parks and Recreation is looking for families, organizations or individuals to help decorate Ballou Park this holiday season in preparation for the Community Holiday Light Show.

“This event is only possible because the community helps decorate,” said event organizer Lisa Ferguson. “We have as much fun putting up the lights as we do showing them off. The great thing about this show is that the light displays can be as little or as big as the decorators like.”

Ferguson pointed out that past shows have featured everything from parade floats to one or two light up deer.

“We really want to emphasize that this show is about our community and for our community, anyone who may be interested is welcome to decorate,” she said. “All of the displays, regardless of size have the opportunity to provide not only holiday cheer to the visitors in the park but to earn money for regional nonprofit organizations.”

Visitors to the show are all asked to vote for their favorite display after driving through the park. The winners of the voting contest earn monetary donations toward an organization of their choosing. Since 2014, \$18,685 has been donated to the community.

“We really want this year’s show to light up the whole park,” Ferguson added. “Even folks who do not want to build a large display or enter the voting contest but would be willing to set up a few trees, deer or other holiday themed displays are welcome to help; we will even take people interested in wrapping trees in lights.”

Decorating will begin November 10. The show will be held from Dec. 9 to Dec. 25 (closed Christmas Eve). Decorators are not required to attend the show. For more information, to donate lights or to sign up to help decorate, call (434) 793-4636.

THIS WEEK'S FARM FRESH RECIPES

Harvest Apple and Pear Crisp
Ingredients

- 2 Apples of Any Variety
- 2 Green Pears
- 4 Cups of Dry Instant Oats
- 1/2 lb. Butter
- 1/2 Cup Brown Sugar
- 1/2 Cup Flower
- 3 Tablespoons Ground Cinnamon

Directions
Uniformly slice the apples and pears and simmer until tender. Liberally stir in brown sugar and cinnamon, using roughly half of the starting quantities. For the crisp crust, knead the oats, butter, flour, and the rest of the brown sugar and cinnamon until they are bound together in a paste-like consistency. In a small greased casserole dish, line both the bottom and sides to form the crust. Reserve some to top the filling. Fill the crust with the apples and pears and top with the remaining oat mixture. Bake at 350 degrees for 35 minutes . Serve and enjoy!

- 2 oz. Shredded Cheddar Cheese
- 2 Eggs, Fried or Scrambled
